	3		COMMISSIONER MacCALLUM: Good morning.
	4		ALL COUNSEL: Morning, My Lord.
10:04	5		COMMISSIONER MacCALLUM: Mr. Wolch?
	6	UTE	MARIA FRANK, continued:
	7	BY I	MR. WOLCH:
	8	Q	Ms. Frank, I'm Hersh Wolch, I'm counsel for David
	9		Milgaard and I have a few questions for you.
10:05	10		I would like to start by
	11		referring to a particular document, 277626, I
	12		think you saw this yesterday. Now I appreciate
	13		that you didn't author this document but,
	14		obviously, you instructed Katherine Broekhuizen to
10:05	15		contact the department of the attorney general?
	16	А	No, I would not say that's correct, she took this
	17		upon herself.
	18	Q	Well, are you saying that it was not your idea
	19		that she contact them at all?
10:05	20	А	What I will say is we had a conversation about it,
	21		and she knew I was very upset, and she she
	22		wanted to do this.
	23	Q	Okay. And why were you upset at that time?
	24	А	Because I did not want to be I didn't want to
10:06	25		be subpoenaed, I didn't want to go.

			——————————————————————————————————————
	1		
	1	Q	Okay. Had you been subpoenaed?
	2	Α	Yes.
	3	Q	And subpoenaed to do what?
	4	А	To testify at the Larry Fisher trial.
10:06	5	Q	Had the subpoena come to you as a surprise or had
	6		you had some forewarning that it was coming?
	7	А	I had had some forewarning in the measure that I
	8		had become aware that my family had been receiving
	9		some phone calls and I had a private investigator
10:06	10		show up at my door.
	11	Q	And who did you understand him to be acting for?
	12	A	I understood him to be acting for he was
	13		employed by Brian Beresh.
	14	Q	And who was representing Larry Fisher?
10:06	15	A	Correct.
	16	Q	And you were interviewed by him; or were you?
	17	A	By?
	18	Q	The private investigator?
	19	А	I had a conversation with him, yes.
10:07	20	Q	Okay. And did you take it from the conversation
	21		that you would likely be a witness at a trial?
	22	А	Yes. And I informed him that I did not wish to
	23		be.
	24	Q	And did you leave it at that or did you elaborate
10:07	25		on that?

	ſ		Page 3657 ————
			J
	1	A	I think that the are you talking about Brian
	2		Beresh or the private investigator?
	3	Q	The private investigator; did you simply say "I
	4		don't want to be a witness" or did you say more
10:07	5		than that?
	6	A	I don't remember my entire conversation with him,
	7		but he was well aware that I did not want to
	8		participate.
	9	Q	And did you have any conversations with
10:07	10		Mr. Beresh,
	11	A	Oh
	12	Q	in and around that time, before the phone call
	13		to the attorney general?
	14	A	I don't recall, but I know I had them after, yes.
10:07	15	Q	Okay. And you would have let the paralegal know
	16		that it was Larry Fisher's lawyer that was calling
	17		to have you testify?
	18	A	I all I she was aware that it was Brian
	19		Beresh, yes.
10:08	20	Q	Now that try to just listen to my question.
	21		You let her know that it was Mr. Beresh who was
	22		asking you to come to court?
	23	A	Correct.
	24	Q	And I'm a little bewildered as to why a telephone
10:08	25		call would go to the attorney general's department

	Ī		Page 3658 ————
			. ago cood
	1		to say you didn't want to go to court?
	2	А	I don't remember the circumstances. It was a long
	3		time ago. For some reason, Katherine called
	4		there.
10:08	5	Q	Now you were in the room when she was talking?
	6	A	Correct.
	7	Q	And what she was saying would be important to you?
	8	А	I suppose so.
	9	Q	And, according to this note, she was saying that
10:09	10		you will be a hostile witness for the defence?
	11	А	Because I did not want I was upset that I was
	12		being used as a defence witness in the trial of a
	13		rapist whom I did not know, had nothing to do
	14		with, had never heard of before.
10:09	15	Q	But what did you want the prosecutor to do about
	16		that?
	17	A	I just wanted I was at the time I was just
	18		trying to find a way out of the subpoena, I did
	19		not want to go, period.
10:09	20	Q	And you said that or you had her say that you
	21		wanted to switch sides; what was meant by that?
	22	А	I have no idea. I don't remember.
	23	Q	Well the note says that you will say that Milgaard
	24		told her that he killed Miller; how would that
10:09	25		deter Beresh from calling you?
		íl .	

			Page 3659 —————
	1	A	I have no idea. I don't know what the person who
	2		wrote this note was hearing, I sorry, I don't
	3		remember.
	4	Q	Okay. But it was, it was done on your behest?
10:10	5	А	Yes.
	6	Q	And you were upset because you were going to be
	7		testifying for Larry Fisher?
	8	А	Well, I was upset that I was being brought into
	9		this again and and that that they were
10:10	10		trying to use me to benefit him. I didn't know
	11		this man.
	12	Q	Well do you have to know somebody to come to court
	13		and tell the truth?
	14	A	No.
10:10	15	Q	What difference would it make if you knew the man,
	16		or not, if your obligation is simply to come and
	17		tell the truth?
	18	A	Well, you know, when you put it that way it sounds
	19		a little different, but in my case, I did not want
10:10	20		to relive any of this again.
	21	Q	Did you tell Mr. Beresh that?
	22	A	Yes, oh yes, many times. He was well aware of
	23		that.
	24	Q	Did you also tell him you were going to talk about
10:11	25		David having a syringe in his hand and David
		I	

			——————————————————————————————————————
	1		threatening to kill you?
	2	A	That did come up, yes.
	3	Q	So you told him that?
	4	A	At some point.
10:11	5	Q	And
	6	A A	I believe that was after I arrived in Yorkton.
	7	Q	Okay. So you told him you were going to be even
	8	~	more damning towards David than you ever had been;
	9		
		7	correct?
10:11	10	A	That's not the way I would put it.
	11	Q	Well you had never talked about the syringe in the
	12		hand before, you had never talked about being
	13		threatened, the threats to kill, and you say you
	14		didn't want to come to court; how would that
10:11	15		discourage Mr. Beresh?
	16	A	Well, nothing would have discouraged Mr. Beresh,
	17		but I was in the position where I was trying
	18		anything. I just didn't want to go and I was
	19		putting I would have done anything to have not
10:12	20		gone, just like I would have done anything to have
	21		not come here, also.
	22	Q	Or back in 1970?
	23	А	Correct.
	24	Q	So, at all times, you didn't want to go to court?
10:12	25	А	Correct. You are right on that point.
		II	

			Page 3661
	1	Q	But I'm just trying to understand, if you are
	2		trying to discourage Mr. Beresh from calling you
	3		to help his client, why would you add more damning
	4		evidence against David?
10:12	5	А	That didn't come out until Yorkton. There was no
	6		more trying to get out of it. I had received the
	7		subpoena and there was no way that I could say no
	8		any more; correct?
	9	Q	Okay. Just on the words "wants to switch sides";
10:13	10		do you consider, as a witness, you're on
	11		somebody's side?
	12	А	I'm either, I have been either for the prosecution
	13		or the defence, so I guess in that respect there
	14		are sides. But, no, all I know is I have been
10:13	15		subpoenaed every time.
	16	Q	Okay. Now let's go back to the motel incident
	17		and, before I proceed on some questions, just can
	18		you clarify one feature for me; is it your
	19		position that Debbie Hall was or was not there at
10:13	20		the important times?
	21	A	What are "the important times?"
	22	Q	Obviously when, supposedly, David Milgaard spoke
	23		about, well, the thing on TV, and what followed
	24		that.
10:13	25	А	You mean about when he was talking about killing

			Page 3662 —————
	_		
	1		Gail Miller?
	2	Q	Yes, when he was joking about Gail Miller, was
	3		Debbie Hall there or not?
	4	Α	I did not see her there.
10:14	5	Q	Are you saying she wasn't there?
	6	А	I did not see her there.
	7	Q	Well, what is that, is there a difference between
	8		not seeing her there and her not being there?
	9	A	The difference being that, at the time, I was very
10:14	10		my total attention, as what was given, was on
	11		David Milgaard and what was happening. That's
	12		what that means. I wasn't scanning the room at
	13		the time, my eyes were fixated on him.
	14	Q	So her evidence that she may have been there could
10:14	15		be true; is that correct?
	16	A	Umm, there is a small, very small chance that she
	17		might have seen part of it, but if it was such a
	18		big joke to her, why did she leave? That's
	19		because I guarantee you, when it was over, she was
10:14	20		not there.
	21	Q	Well we'll come back to that. In any event, you
	22		say that after the incident a week or so and
	23		you can correct me you and Debbie and Melnyk
	24		and Lapchuk went to Alberta?
10:15	25	A	Correct. Now I'm not sure if it was a week, two
			4

	Ī		——————————————————————————————————————
	1		weeks, I'm not sure of the time frame but it was
	2		shortly after.
	3	Q	And if and Debbie Hall, you are aware, says she
	4		didn't go?
10:15	5	А	I'm am aware of that.
	6	Q	And you say, adamantly, she went?
	7	A	She definitely was there.
	8	Q	And your purpose in going there was to do what?
	9	A	The reason that I wanted to go to Edmonton was to
10:15	10		visit Sharon Williams, who had moved to St.
	11		Albert, because I wanted to inform her of that
	12		event because he regularly visited with her.
	13	Q	Okay. So did you say "inform her" or "warn her"
	14		or what was
10:16	15	A	Warn her, inform her, I wanted her to be aware of
	16		what had transpired.
	17	Q	That was important that she know that as soon as
	18		possible?
	19	A	Yes. I thought so.
10:16	20	Q	But it took you several weeks to get there?
	21	А	It took me a while to get there, yes.
	22	Q	Why didn't you just phone her?
	23	A	Well, because I was living at home at the time,
	24		and long distance calls would have been
10:16	25		questioned.

			Page 3664 ————
			, age see.
	1	Q	Your parents would have questioned long distance
	2		calls?
	3	A	Oh, absolutely.
	4	Q	And that's your reason for not phoning her?
10:16	5	A	And I had no privacy in those phone calls. The
	6		phone was in the living room.
	7	Q	And there are no pay phones you could go to?
	8	A	I didn't have access to money.
	9	Q	Well you had enough money to go on a trip?
10:17	10	A	I that didn't involve any money.
	11	Q	You had, you say you had absolutely zero money?
	12	A	I maybe had a dollar or so in my pocket.
	13	Q	So, if I understand it, it would you didn't
	14		phone her because you couldn't afford the cost of
10:17	15		a long distance call to warn her of something this
	16		important?
	17	A	No, I was did not want my parents to overhear
	18		or get any wind of what was going on, because then
	19		I would have received a beating.
10:17	20	Q	But you were willing to stay up all night and do
	21		drugs?
	22	A	Uh-huh.
	23	Q	Surely, that's more serious than making a phone
	24		call to a girlfriend, in terms of what your
10:17	25		parents might react?
		İ	

			Page 3665
	1	A	Not in my eyes in those days.
	2	Q	And a phone call to a friend would cause more
	3		grief with your parents than running around doing
	4		drugs and all sorts of quite wild behaviour?
10:18	5	A	Well, they didn't know that, did they.
	6	Q	Well you were coming home at 7:00 in the morning?
	7	А	Well, they didn't know that either.
	8	Q	They weren't watching you that closely?
	9	A	No.
10:17	10	Q	You never considered writing her a letter?
	11	A	No.
	12	Q	Now, if I understand your evidence correctly, the
	13		four of you were in the vehicle, you've just
	14		experienced the second most traumatic event in
10:18	15		your life and nobody talked about it?
	16	A	That's correct.
	17	Q	Not a word?
	18	А	Not that I can remember. That was quite normal.
	19	Q	It was a long drive?
10:18	20	А	It was several hours, yes.
	21	Q	Well, from one province to another.
	22	А	It was a long drive, yes.
	23	Q	And plenty of time to have all kinds of
	24		conversation?
10:18	25	A	Uh-huh. ■
		i e	

	Ī		Page 3666 ————
			J
	1	Q	And here you've just been through a terribly
	2		traumatic event, three and maybe four of you, and
	3		nobody is talking about it?
	4	А	That's correct.
10:18	5	Q	Now, having arrived in Alberta and you got
	6		together with Sharon Williams?
	7	A	Yes.
	8	Q	And I take it what you are telling her about what
	9		occurred in the motel would definitely stand out
10:19	10		in your mind?
	11	A	I remember telling her, I remember meeting with
	12		her, telling her, but I do not remember much of
	13		that conversation, sorry.
	14	Q	Well, you had gone all that way with this purpose
10:19	15		in mind?
	16	A	Uh-huh.
	17	Q	And it was certainly something very unusual?
	18	Α	Uh-huh, and then I spent a lot of time trying to
	19		forget about it all.
10:19	20	Q	You went all that way to tell her and to forget
	21		it? I don't quite follow.
	22	Α	I spent years afterwards trying to forget it.
	23	Q	But telling Sharon is not the incident, that's an
	24		important event in your life, this is your
10:19	25		girlfriend.
		II .	

	Ī		——————————————————————————————————————
	_		
	1	A	I just wanted to warn her and then I moved on.
	2	Q	But did you warn her?
	3	A	Yes. We talked about it.
	4	Q	Well, did you specifically warn her?
10:19	5	A	I told her about what happened. That's all I
	6		remember. I told her what happened.
	7	Q	You told her about the motel incident?
	8	A	Yes.
	9	Q	And did she know about David being investigated by
10:20	10		the police or did this come as a surprise to her?
	11	A	I honestly can't remember.
	12	Q	Well, surely you would remember if it was a
	13		complete shock, like, "what are you talking
	14		about," or whether she said, "oh, I'm sorry, I
10:20	15		know all about the police in this thing"?
	16	A	I'm sorry, I can't remember.
	17	Q	You can't remember if she was shocked,
	18		surprised
	19	A	No.
10:20	20	Q	what reaction she had?
	21	A	No. Sorry. It was a long time ago.
	22	Q	So let's be clear. Nothing in your mind about any
	23		reaction on her part?
	24	A	Nothing that jumps out at me, no.
10:20	25	Q	And this would have been probably in May or June?

	Ī		Page 3668 ————
			r ago occo
	1	A	I suppose so, yes.
	2	Q	Do you recall if Sharon told you she had been
	3		spoken to by the police back in March?
	4	A	No, I don't recall.
10:21	5	Q	So you don't recall Sharon saying "look, the
	6		police talked to me several months ago, I gave
	7		them a statement"?
	8	А	No, I can't recall any
	9	Q	No memory of that at all?
10:21	10	A	No. Sorry.
	11	Q	Now, as I understand it, you went out to British
	12		Columbia after that?
	13	A	Correct.
	14	Q	And I think you said you were selling the Georgia
10:21	15		Strait newspaper for a while?
	16	A	Correct.
	17	Q	And then you decided to come home?
	18	A	Correct.
	19	Q	And I didn't quite follow, when you got home the
10:21	20		police were on your door step or very quickly
	21		there? I didn't follow you. Help me with that.
	22	A	When I returned home it was a short period of
	23		time, I don't I don't know whether it was a
	24		day, two days, three days, a week, but it was
10:21	25		shortly after I returned home that the police

			1 age 5007
	1		they weren't standing on my door step when I got
	2		home, they walked I was in my house at that
	3		time and they came, walked up the walk, walked up
	4		the steps and rang the door bell.
10:22	5	Q	Okay. But it was within a short time?
	6	A	Yes, it was a short period of time.
	7	Q	You hadn't gone to the police?
	8	A	Uh-uh.
	9	Q	Had you shared your story with anybody?
10:22	10	A	Only the people initially involved in the
	11		beginning.
	12	Q	Who is that?
	13	A	Well, everyone that was there, Craig, George,
	14		Sharon. If you mean did I share it with my
10:22	15		family
	16	Q	Well, I thought you hadn't talked to George or
	17		Craig on that whole trip about the incident.
	18	A	No, but they were there when it happened.
	19	Q	I'm talking about you are back in town let's say,
10:22	20		who did you talk to, if anybody, prior to the
	21		police about the motel?
	22	A	From the time I arrived home until they showed up
	23		at the door?
	24	Q	Yes.
10:22	25	A	I don't recall talking to anybody about it, no
	1	1

	1		one.
	2	Q	But you say you were home for well, when did
	3		you come home, what season?
	4	А	It was fall.
10:23	5	Q	You are sure of that?
	6	A	Yes. I'm relatively certain of that.
	7	Q	Do you know if it was September, October?
	8	A	No, I don't. It was fall.
	9	Q	Well, the police came to see you in late January.
10:23	10		Were you aware of that?
	11	A	Well, in January the trial began I believe; am I
	12		not correct?
	13	Q	Yeah, but your statement, I can find it, is dated
	14		January 19th or 20th, something like that.
10:23	15	A	Well, that statement I believe was taken at the
	16		court house or somewhere in Saskatoon here.
	17	Q	Well, they came to see you at Regina?
	18	A	Correct.
	19	Q	And was that some weeks or months before you
10:23	20		actually gave the statement, written statement?
	21	A	Well, when the police came that day, that was
	22		sometime before the trial started, yes.
	23	Q	But your actual signing of the statement
	24	A	Well, I don't remember where I actually signed the
10:24	25		statement. I have no idea. I know all I know

	1		is I talked to the police officers in the motel
	2		room and I talked to people in the court house in
	3		Saskatoon and I'm quite sure that the whole time
	4		when I was talking to any, at any time on any of
10:24	5		those occasions people were writing things down.
	6		I don't recall, I'm sorry, it was a long time ago
	7		and I was extremely distressed at that point in
	8		time.
	9	Q	Well, what I'm getting at is your statement I
10:24	10		believe is dated January 19th of '70.
	11	Α	Okay. That would have been at the court house in
	12		Saskatoon.
	13	Q	And was that a dictated statement by you or was
	14		that a compilation of notes made earlier of a
10:24	15		previous interview?
	16	A	I'm sorry, I don't know. I don't remember.
	17	Q	Okay. Do you remember ever giving the police a
	18		statement?
	19	A	I have no idea. I don't remember how they
10:25	20		acquired the statement, whether they were just
	21		writing notes, whether they were I don't
	22		remember, I'm sorry. It was a long time ago.
	23	Q	So they got a statement from you, but you are not
	24		sure how they managed to record it, whether it was
10:25	25		questions and answers or how it came about?
			4

	Ī		
	1	А	No, I'm sorry, I don't remember.
	2	Q	But you know there was a statement, you've seen
	3		it?
	4	A	Obviously, yes.
10:25	5	Q	And the interview in the motel by the police was a
	6		very unhappy occasion for you?
	7	A	It was not an enjoyable experience, no.
	8	Q	And that's because of their behaviour?
	9	A	Partially, and partially it was because I was I
10:25	10		was terrified and trying to find how in my head
	11		I can remember I was racing, like, "oh my God, how
	12		do I get out of this, I don't want to talk about
	13		this, I don't want anything to do with this, I'm
	14		scared, leave me alone."
10:26	15	Q	Okay, you were terrified. They weren't accusing
	16		you of murder were they?
	17	A	No.
	18	Q	Were they accusing you of anything?
	19	A	They weren't accusing me of any crime, no.
10:26	20	Q	You weren't in the position as a 17 year old
	21		having police say you committed a murder or
	22		anything like that?
	23	A	No.
	24	Q	You were just there?
10:26	25	A	Correct.
		I	

			1 agc 3073
	1	Q	And I would like to refer to the interview you had
	2		in 1993 with officers Homeniuk and Gagne and the
	3		particular page reference is 036357. I think the
	4		document starts at 354 if I have it right. Now,
10:27	5		you recall in April of 1993 your attention was
	6		taken to this document yesterday you were
	7		interviewed by two members of the RCMP; correct?
	8	A	Yeah, I yes.
	9	Q	This would have been after the Supreme Court.
10:27	10	А	I don't recall whether it was before, after.
	11	Q	Okay. But when you were talking to the RCMP, it
	12		was your intention to tell the truth was it?
	13	A	Of course.
	14	Q	Okay. And at page 4 you are talking about the
10:27	15		police and the interview that you and I have been
	16		talking about and you start off by saying:
	17		"U. FRANK: They were horrible. They were
	18		yelling. One was yelling and screaming at
	19		me a lot, calling me telling me I was a
10:27	20		liar and a slut."
	21		Is that true?
	22	А	That's true.
	23	Q	Now, you say they were calling you a liar?
	24	А	Uh-huh.
10:28	25	Q	What did they accuse you of lying about?
		ì	

			Page 3074 —————
	1	А	Because initially I said I didn't know anything
	2		about this, I didn't know David Milgaard and they
	3		began pulling out the I saw pieces, what looked
	4		like the same document that I had signed,
10:28	5		statements from Craig and George and my name was
	6		all over it, it was all over them.
	7	Q	So they, before you made your statement, allowed
	8		you to read the statements of Melnyk and Lapchuk?
	9	А	No, they did not allow me to read it.
10:28	10	Q	What exactly did they do with it?
	11	А	They just kind of pointed certain things out to
	12		me.
	13	Q	And based on what they were saying, you must be
	14		lying?
10:28	15	А	Well, it obviously there was enough and I
	16		remember they were throwing in all kinds of names,
	17		so obviously there was enough people that were
	18		saying I was there, and I was 17 years old at the
	19		time and had no clue what my rights were and I was
10:29	20		not enjoying the experience.
	21	Q	And then you go on to say you just turned 17.
	22		"they were saying some pretty grotesque
	23		things. And um they other guy, of course,
	24		I mean I I realize now that they were
10:29	25		playing a game, you know like the other guy $lack$

	1		was a nice guy and saying but it was
	2		pretty and I remember, like when they
	3		finally you know, by the time they got
	4		around to throwing statements at me, the one
10:29	5		guy the nasty one said, you know, it's up
	6		to you to decide how long you're going to
	7		sit in this chair, but you're going to sit
	8		here until you talk."
	9		Is that what happened?
10:30	10	А	Yes.
	11	Q	Just scroll down a bit more.
	12	А	He told me it was up to me whether it was an hour
	13		or longer.
	14	Q	So what they were saying to you is until they get
10:30	15		what they want from you, you are going to sit
	16		there?
	17	А	Well, I would rephrase that, I would say until
	18		I they felt that until I acknowledged my being
	19		there, because they knew I was there.
10:30	20	Q	Can I just get this part down here, highlight it
	21		to the bottom:
	22		"R. GAGNE: This gentleman that took a
	23		statement from, his name is Eddie Karst
	24		U. FRANK: Yes, that rings a bell.
10:31	25		R. GAGNE: Now, would that have the guy who
]]		

			1 agc 3070
	1		was the good guy, or the bad guy who took
	2		the statement?
	3		U. FRANK: I don't know, but he was one of
	4		the officers in the room. He was there."
10:31	5		Is that correct?
	6	А	I guess so, but at this point in time, it was so
	7		long ago you can't expect there's no way that I
	8		can remember. I don't even remember what they
	9		look like.
10:31	10	Q	But you don't know if he's the one who was calling
	11		you a slut and a liar or if he was the one being a
	12		good guy or
	13	A	I have no idea.
	14	Q	which?
10:31	15	А	I don't know.
	16		COMMISSIONER MacCALLUM: You have to make
	17		sure that you wait until the question is finished
	18		before you begin your answer.
	19	A	Sorry.
10:31	20	В	Y MR. WOLCH:
	21	Q	Thank you, sir. You don't know whether he was the
	22		good cop or the bad cop?
	23	A	I don't remember which role he played, no.
	24	Q	So I take it that once it was determined, in your
10:32	25		mind at least, that the unpleasantness and the

			——————————————————————————————————————
	1		sitting there was going to go on unless you gave a
	2		statement, you gave a statement?
	3	A	I just that's correct, I just wanted to get out
	4		of there. I just wanted it to be over.
10:32	5	Q	And you understood that they wanted information
	6		that would help them solve a crime?
	7	A	I suppose so.
	8	Q	It was pretty obvious to you they wanted to know
	9		if you could say something damaging to David?
10:32	10	A	I suppose so.
	11	Q	You were aware that or were you aware from what
	12		they told you that Lapchuk and Melnyk had done
	13		that?
	14	A	At that point in time I didn't know what Craig or
10:32	15		George had said because I didn't read their I
	16		wasn't allowed to read their full statements.
	17	Q	But it was clear to you that whatever happened in
	18		the motel room was important enough for the police
	19		to be there and having taken two statements from
10:33	20		other people?
	21	A	I suppose that's a reasonable assumption.
	22	Q	I mean, obviously there was something of
	23		importance?
	24	A	Correct.
10:33	25	Q	And you had known for a long time that David had

			——————————————————————————————————————
	1		been interviewed by the police?
	2	A	Correct.
		A	
	3	Q	And they were there in connection with David, you
	4		knew that?
10:33	5	А	Yes, because what was one of the first questions
	6		they asked me, if I knew him.
	7	Q	And what happened in the motel room was obviously
	8		what they wanted to know?
	9	A	Correct.
10:33	10	Q	And they wanted to know if anything happened in
	11		there that would incriminate David?
	12	A	I suppose so, yes.
	13	Q	So you knew that obviously?
	14	A	Yes.
10:33	15	Q	That's what they wanted?
	16	А	I suppose so, uh-huh.
	17	Q	And you were scared?
	18	А	Correct.
	19	Q	And you made a statement if I can have 054371.
10:34	20		I'm going to refer to this copy. There's another
	21		one, the next number, but it's harder to read.
	22	А	It's illegible.
	23	Q	You saw it yesterday?
	24	A	I've seen it before, yes.
10:34	25	Q	Okay. Now, you say:

			· · · · · · · · · · · · · · · · · · ·
	1		"I had sexual relations with Hoppy and
	2		several, about four capsules of T.H.C."
	3		Okay. Now, was that true?
	4	А	I had sex with him and we did drugs, but at this
10:34	5		point I no longer remember I'm sorry, I no
	6		longer remember how much I took. To me that's not
	7		an important little tidbit to hang onto, but I do
	8		know that I tried to paint, create a picture that
	9		I didn't know, that I was incapable of knowing
10:35	10		what was going on in that room, that is the
	11		picture that I was trying to portray, which was
	12		not true.
	13	Q	Okay. So four capsules of T.H.C. simply wasn't
	14		true?
10:35	15	A	And the other thing, I did not know what the drugs
	16		were. That information came to me from those two
	17		police officers in the motel room. They were the
	18		ones that I had no idea what it was. I didn't
	19		care what it was. As long as I was numbed, I
10:35	20		didn't care.
	21	Q	I'm sorry, the police told you what drugs you had
	22		taken?
	23	А	Yes.
	24	Q	Did they tell you how much drugs you had taken?
10:35	25	A	No. They just they put and I because at

			Page 3680 ————
	1		that time I just assumed that I didn't know how
	2		they had known, but I just took their word for it.
	3	Q	Did they appear to take it from Melnyk and
	4		Lapchuk?
10:36	5	А	I don't know. I don't know.
	6	Q	I'm having a hard time understanding how they
	7		could tell you what drugs you had.
	8	А	You would have to ask them that. I don't know.
	9	Q	I wonder if we can see document 047416. I think
10:36	10		it comes from 047353 I think. You see at the
	11		bottom of the page this is your evidence at the
	12		Supreme Court.
	13	A	Okay.
	14	Q	"Q Now, in your statement you say, your
10:36	15		first statement you say you took about
	16		four capsules of THC."
	17		And just turn the page, the next page, I asked
	18		you if it was truthful. You said no.
	19		"Q Why would you lie about that?
10:36	20		A Because I didn't want to have anything
	21		to do with this. Because I was scared
	22		and there were drugs there and they
	23		told me those were the kinds of drugs
	24		and so I just"
	25		Just keep going down.
		Ï	

	ſ			——————————————————————————————————————
	1		" Q	Who told you that?
	2		A	The police.
	3		Q	The police told you what kind of drugs
	4			you had taken?
10:37	5		А	Yes. I had no idea what kind of drugs
	6			I had taken, until until the police
	7			informed me."
	8	Jus	st go	down.
	9		" Q	They told you what kind of drugs and you
10:37	10			just accepted it?
	11		A	Yes.
	12		Q	And now you say it was different?"
	13	Tui	n the	page.
	14		"A	Well, all I know is I don't know how
10:37	15			many tablets I had taken. I could have
	16			taken one, fifty, I don't know, but I
	17			injected them. They were injected into
	18			my arm. This arm.
	19		Q	Had you previously in your life taken
10:37	20			drugs by that method, by needle?
	21		А	Yes."
	22	Nov	v, whe	n you gave those answers, were those
	23	trı	uthful	?
	24	A Yes	s, alt	hough obviously it wasn't 50. I would not
10:37	25	be	sitti	ng here probably if it was.

			——————————————————————————————————————
	1		
	1	Q	I understand that, but you were under oath and you
	2		were endeavouring to tell the truth?
	3	A	Yes.
	4	Q	And has anything occurred to change your mind that
10:38	5		this was truthful?
	6	A	No.
	7	Q	So in actual fact, according to you, the truth is
	8		you took a whole bunch of drugs and you don't even
	9		know how much you took?
10:38	10	A	Well, at the time I wasn't counting them out, but
	11		I do know that I wasn't I wasn't unconscious.
	12		I could see things going on around me, I could
	13		hear things, I could talk and I didn't imagine the
	14		same thing that other people also saw.
10:38	15	Q	Well, we'll get to whether they saw what you saw,
	16		but having said that, I'm just trying to
	17		establish, according to your evidence, that this
	18		was not your first time taking a needle to your
	19		arm.
10:38	20	A	Correct.
	21	Q	And the amount you took could have been any
	22		amount, you have no idea how much you got and what
	23		it was?
	24	A	That's correct.
10:38	25	Q	But it was the police who told you how much to say

			Page 3683 ————
	1		you took?
	2	A	No. I'm sure that I created that because it
	3		sounded like that would be a lot.
	4	Q	Okay. I thought your evidence was the police put
10:39	5		it in your mind.
	6	A	No, they told me what type of drug it was.
	7	Q	And you invented the amount; is that right?
	8	А	Correct.
	9	Q	So the police said the drug you were taking was
10:39	10		this and you said I took this amount?
	11	A	Correct.
	12	Q	Okay. The truth of the matter is you don't know
	13		what drug you took and you don't know what
	14		quantity of it you took?
10:39	15	А	I suppose that's correct, yes.
	16	Q	Okay. If I can go back to the statement, 054371,
	17		you say in the statement, if you highlight this
	18		portion here:
	19		"I was quite stoned and sometimes wasn't
10:40	20		aware of what was going on around me."
	21		That would be a true statement wouldn't it?
	22	A	That was the picture that I was trying to paint at
	23		that time because I didn't want to know what
	24		was I didn't want them to know what I had seen,
10:40	25		I just wanted them to leave me alone. I didn't
			Meyer CompuCourt Reporting

			1 agc 3004
	1		want to have to talk.
	2	Q	Okay. But you are aware that virtually everybody
	3		else in the room says you were stoned that night?
	4	А	Well, we all were.
10:40	5	Q	That's Lapchuk and Melnyk too?
	6	A	I did not I was not paying attention, I was not
	7		watching to see who took what, but we all did it,
	8		so it's it was just a natural assumption.
	9		That's what our whole we tried to get stoned as
10:40	10		often as possible, that's what every one of those
	11		people did, so it was a natural assumption that
	12		they also did. Why else it was there, they
	13		were there and I find it hard to believe that they
	14		wouldn't have participated.
10:41	15	Q	So you wouldn't accept Lapchuk and Melnyk if they
	16		said they weren't doing drugs that night?
	17	A	Well, it's not whether I accept, I'm telling you
	18		it would be hard to believe that they did not
	19		participate. Maybe they have some ulterior
10:41	20		motives for saying they didn't, I don't know, I
	21		can't speak for them, but in I had known them
	22		for several years and been with them many times
	23		and I had seen it repeatedly, so I would find it
	24		hard to believe that they did not participate.
10:41	25	Q	Okay. And you say:

	1		"I was also hallucinating quite a bit."
	2	A	Correct. Well, that kind of invalidates my, oh,
	3		that I was imagining things, that I didn't see
	4		anything. Would that not paint that kind of a
10:42	5		picture to you?
	6	Q	We'll move on.
	7		"I recall asking Hoppy if he killed that
	8		nurse they were talking about and he just
	9		looked at me and smiled oddly."
10:42	10		Now, is that true?
	11	А	Yes.
	12	Q	So you said to him "did you kill that nurse" and
	13		he just looked at you and gave an odd smile?
	14	А	Because earlier in the evening just before all of
10:42	15		this happened there had been there had been
	16		some discussion about it, which I was I did not
	17		participate in and so when it came I remember
	18		saying something to him about it again, but to me
	19		it was like a moot because he was there, he was
10:42	20		not under arrest, they had let him go and then the
	21		news came on and everything changed.
	22	Q	So it's your evidence that before the news came on
	23		he was being bugged about Gail Miller?
	24	А	I don't recall. I wouldn't I wouldn't say
10:43	25		bugged, but I do recall that the conversation had
		Ĭ	

			——————————————————————————————————————
	1		come up, yes.
	2		
		Q	So before the news the issue of Gail Miller had
	3		arisen in that room?
	4	А	Yes.
10:43	5	Q	And
	6	A	It came up quite regularly. I mean, he had been
	7		arrested for it. It was on the news all the time.
	8	Q	So was he getting bugged all the time?
	9	A	I don't know.
10:43	10	Q	No, from your observation, not I'm only
	11		interested in what you saw. In your presence was
	12		he getting bugged on a regular basis?
	13	А	I remember it being brought up a few times, but I
	14		can't tell you how if it was but I wasn't
10:43	15		with him on every single day.
	16	Q	Okay. But in the motel room it was brought
	17		up before
	18	A	Yes.
	19	Q	Wait for my question.
10:44	20	A	Yes.
	21	Q	It was brought up before the news came on?
	22	А	Yes.
	23	Q	And is that when he gave you this odd look?
	24	A	Yes. He just kind of smiled, like, that smug
10:44	25		you know, like when somebody does when they are
		il	

			Page 3087 ————
	1		maybe annoyed or they don't want to like, I
	2		don't know. I don't know what was going on inside
	3		his head. I can't speak for him.
	4	Q	But what I'm getting at is that by the time the
10:44	5		news came on, it may very well be that he was
	6		totally fed up with being bugged?
	7	A	I don't know. I can't speak for him.
	8	Q	But you can say that the TV thing was not the
	9		initiator, it was done earlier?
10:44	10	A	That, I'm sorry, I cannot form an opinion on that.
	11	Q	Well, you had asked him earlier, you just told us
	12		that, it's right in your statement.
	13	A	I know, but I wasn't bugging him about it, I
	14		wasn't harassing him about it.
10:45	15	Q	Well, but asking somebody if he killed somebody is
	16		somewhat of an annoying question would you not
	17		think?
	18	A	I suppose that some people might, but he seemed to
	19		treat it like it was humorous.
10:45	20	Q	He took it as a joke until finally he got
	21		exasperated?
	22	A	I don't know.
	23	Q	Isn't that what happened?
	24	A	I don't know. I can't crawl into his skin, sorry.
10:42	25	Q	In any event, this is what you told the police,
		Ī	

	Ī		——————————————————————————————————————
	1		and they were interested in anything regarding the
	2		nurse; right?
	3	A	Regarding the what?
	4	Q	The nurse and the murder, that's what they
10:46	5	A	Yeah, okay, you mean Gail Miller?
	6	Q	Yes.
	7	А	Yes, of course.
	8	Q	Why, if you didn't want to say anything, why
	9		wouldn't you just stop and say "I was stoned and I
10:46	10		don't know"?
	11	А	I don't know. I don't remember. I don't remember
	12		the whole entire conversation, sorry, it was so
	13		long ago. Oh my.
	14	Q	In any event, very shortly after this statement,
10:46	15		you went to Saskatoon to the to David I'm
	16		sorry after the statement, I mean, you went to
	17		Saskatoon to testify at the trial?
	18	A	Yes.
	19	Q	And you met with the prosecutor? I'm sorry, I
10:47	20		need a verbal answer.
	21	A	Yes, I yes. Yes. I don't
	22	Q	And it's unclear to me whether you met with police
	23		or didn't meet with police at the courthouse?
	24	А	I met, I remember there was people that came in
10:47	25		and out of that room, but for the life of me at
		i	

	1		this, at this point in time I don't know who they
	2		were, I couldn't tell you if they were police
	3		officers, I don't remember. It was a long time
	4		ago.
10:47	5	Q	Do you know whether you talked to David's lawyer
	6		or not, somebody
	7	A	I
	8	Q	Let me finish the question, please somebody who
	9		would have come up to you and introduced himself
10:48	10		as David's counsel and wanted to speak to you
	11		about your testimony? Is there anything in your
	12		mind and I don't want you to speculate
	13		anything in your mind about such a meeting?
	14	А	No, I don't, I don't recall.
10:48	15	Q	But you do remember speaking to the prosecutor?
	16	А	Yes.
	17	Q	And if we can go to 310515, I'm not sure what the
	18		first number is, this would be that was very
	19		quick this would be your testimony at Larry
10:48	20		Fisher's trial. Now, as I understand it, at Larry
	21		Fisher's trial Mr. Beresh called you as a witness,
	22		and you testified in what is a trial within a
	23		trial, but you never did testify in front of the
	24		jury?
10:49	25	A	Correct.

			——————————————————————————————————————
	1		
	1	Q	Okay. So this is the trial within the trial to
	2		see if you could be a witness in front of the
	3		jury?
	4	A	Correct.
10:49	5	Q	You understood that?
	6	A	Yes. I came to understand that.
	7	Q	Okay. And Mr. Johnston, the prosecutor, asked you
	8		a few questions on this page, and you were under
	9		oath at the time; correct?
10:49	10	A	Yes. Yes.
	11	Q	And you were telling the truth as you knew it?
	12	A	As you knew it, yes, as I conceived it at the
	13		time, yes.
	14	Q	Okay. And if we can just highlight this part for
10:49	15		a starter, this is referring to Mr. Caldwell:
	16		"Q Are you suggesting to us you told him
	17		more than what was in this statement?
	18		A All I told him was I did not want to
	19		testify, I was afraid, he said he
10:49	20		would kill me.
	21		Q That's not the question I asked you, Ms.
	22		Frank.
	23		A Well, I'm
	24		Q Listen to my question, please. Are you
10:50	25		testifying here under oath that you told

	ſ			——————————————————————————————————————
				J
	1			the prosecutor in the original Milgaard
	2			trial what you have told us today?
	3		А	Could you repeat that question again,
	4			please.
10:50	5		Q	Are you testifying here under oath that
	6			you told the prosecutor in the original
	7			Milgaard trial what you told us today?
	8		А	Not in entirety, no. Just the last
	9			comment."
10:50	10		If we co	uld just go down, please, carry on:
	11		" Q	Well, Ms. Frank, this statement
	12		А	Absolutely not.
	13		Q	was made on January 19, 1970, and
	14			you have the original copy in front of
10:50	15			you. What, in addition to that
	16			statement, did you tell Mr. Caldwell?
	17		А	I told him I didn't did not want to
	18			testify, that I would not talk because
	19			I was afraid. He said if I talked he
10:50	20			would kill he. That is what I told
	21			him."
	22		Do you s	ee that:
	23			"That is what I told him."?
	24	A	Yes.	
10:51	25	Q	" Q	Ms. Frank, I just asked you if you had

				——————————————————————————————————————
	1			told anyone in authority the details
	2			you've given us today, and your response
	3			was the first person you told was that
	4			prosecutor?
10:51	5		A	Only
	6		Q	What, about what you have told us today,
	7			did you tell him?"
	8	Ne	ext page	e:
	9		" A	About the part about being threatened to
10:51	10			be killed. That's all I told him."
	11	Th	at's yo	our answer:
	12			"About the part about being threatened
	13			to be killed. That's all I told him.
	14		Q	Did you tell him about David beating his
10:51	15			face against the wall in the bathroom?
	16		A	No.
	17		Q	Did you tell him about David Milgaard
	18			throwing himself against the wall?
	19		А	No."
10:51	20	An	d then	the bit about the syringe. But, now, at
	21	th	e time	you were under oath and telling the
	22	tr	uth, yo	ou say you told Mr. Caldwell specifically
	23	th	at Dav	id had threatened to kill you; now do you
	24	ac	cept th	nat that's what it says?
10:51	25	A I	accept	that that's what that says, yes.
				4

			Page 3693 ————
	1	Q	Okay. And anybody reading this or listening to
	2		you could quite fairly understand you to be saying
	3		that you told Mr. Caldwell, at that time, that
	4		David had threatened to kill you; correct? And
10:52	5		I'll ask you the next question.
	6	A	I can answer now?
	7	Q	I that requires a "yes" or a "no".
	8	A	As the way this document reads, that's what it
	9		appears to be.
10:52	10	Q	Yes, I'll give you a chance to elaborate,
	11	A	Okay.
	12	Q	I just want to establish that. Now has
	13		anything occurred, since you gave this evidence
	14		under oath, to cause you to believe this is not
10:52	15		true?
	16	A	Umm, I'm not sure I under
	17	Q	Well in 1999 or whenever this was, I think it
	18		was '99 you put your hand on a Bible like you
	19		did today,
10:52	20	A	Uh-huh.
	21	Q	went in front of a judge, and you swore to tell
	22		the truth?
	23	А	Correct.
	24	Q	And you tell us that you did tell the truth to the
10:53	25		best of your ability?
		I	4

	Ī		——————————————————————————————————————
	1	A	Correct.
	2	Q	And your memory then was better than it is today,
	3		or it should be, it was five years closer to the
	4		event?
10:53	5	А	It was still a long time.
	6	Q	Okay, but it was closer than today, that's
	7		obvious?
	8	A	Yes, it was closer than today.
	9	Q	So do you accept this as being truthful and, if
10:53	10		you don't, what has occurred to cause you to
	11		change your mind?
	12	А	I haven't changed my mind.
	13	Q	Okay. So now your evidence is that you told
	14		Mr. Caldwell that David had threatened your life
10:53	15		if you testified?
	16	А	No, I do not recall telling him that. That is me
	17		talking afterwards, it this is, these this
	18		is a little out of out of context. I do not
	19		recall telling the prosecutor that. All I kept
10:53	20		because I knew that, if I said that, that that
	21		would impli that that statement would inflame
	22		things, and I just wanted I did not want to
	23		testify. I was not going to say those words.
	24	Q	I understand that, but what I am getting at is
10:54	25		this; there's little doubt, I would expect, that
	ŀ		

			Page 3695 ————
	1		Mr. Caldwell would say that, had he heard those
	2		words, that would have been very important to his
	3		case?
	4	А	Correct. Absolutely.
10:54	5	Q	So I'm not saying you said it but you, under oath,
	6		said you said it, and that's what concerns me?
	7	A	Well, because that's what I was feeling inside.
	8		That's what was going on inside of me, inside my
	9		head.
10:54	10	Q	Does that apply to all your evidence, that you
	11		have talked about your feelings as opposed to
	12		what's happening?
	13	A	Well what's the feelings that are happening
	14		inside of me is part of what's happening.
10:54	15	Q	No, but you specifically say "I told him," you
	16		don't say "I felt it"?
	17	A	Well, it's just a misuse of words then.
	18	Q	That's your explanation?
	19	A	It's uh-huh.
10:55	20	Q	Did you understand or feel that, based on your
	21		statement that you gave to the police, that that
	22		would have been of assistance to David?
	23	A	Yes. You mean my original statement?
	24	Q	Oh yes.
10:55	25	A	Yeah, oh, absolutely.

	Ī		Page 3696 ————
	1	Q	And had you testified, I think you told us
	2		yesterday, you would have stuck to your original
	3		statement?
	4	A	Yes.
10:56	5	Q	Firstly, that was far fresher in your mind then as
	6		to what occurred than anything now, obviously? It
	7		was fresh in your mind, to some degree, in 1970?
	8	А	Yes.
	9	Q	And, by then, your memory had not been influenced
10:56	10		very much by what you had read in the papers or
	11		heard because it was fairly close to the event?
	12	A	It, it entailed part of the traumatic event, yes.
	13	Q	Yeah. Now you mentioned about the prosecutor and
	14		talking to him; did you give him any reason to
10:56	15		believe that your statement was not true?
	16	А	I don't recall.
	17	Q	Well, obviously, you wouldn't want to tell him
	18		it's not true?
	19	A	No, well no, I would think so. I don't recall.
10:57	20		All I kept saying was I didn't want to testify, I
	21		wouldn't talk, that's what I remember.
	22	Q	But did the prosecutor, the defence lawyer, or
	23		anybody there, based on anything you did other
	24		than being nervous and upset and hysterical, have
10:57	25		any reason to believe your statement wasn't true?
			1

	Ī		Page 3697 ————
			. ago 5077
	1	А	I don't know.
	2	Q	No, but did you convey to anybody any hint of
	3		unreliability
	4	А	No.
10:57	5	Q	That you "no, I don't mean to say that", and "no,
	6		it's not true"?
	7	А	Obviously, why would I do that, I wanted them to
	8		believe it.
	9	Q	To believe that your statement was true,
10:57	10	А	Correct.
	11	Q	the statement, and that statement helped David?
	12	A	Yes, it did. I well it I figured, at the
	13		time, it was neither here nor there since I wasn't
	14		testifying.
10:58	15	Q	Now that statement that you say would have helped
	16		David, and your appearance in the court, was a
	17		time when this was fresh and important, and I take
	18		it the next time you were dealing with people in
	19		authority or that is police, lawyers, or
10:58	20		whatever would be more than 20 years?
	21	А	Yeah, it was a long time later.
	22	Q	Yeah. So it was like 20 years went by
	23	А	Uh-huh.
	24	Q	before you ever had reason to say anything?
10:58	25	А	That's right.
		(

		\mathbf{J}
	1	Q And it wasn't because anybody found you, you went
	2	forward?
	3	A Umm, no, no. I might have made a phone call but I
	4	didn't, I was not forthcoming on who I don't
10:59	5	believe I was forthcoming on who I was, and no,
	6	they found me.
	7	Q Well
	8	A They came to me.
	9	COMMISSIONER MacCALLUM: I wish we could
10:59	10	get down to some dates here, please, the record
	11	is not going to reveal anything that we're
	12	talking about.
	13	MR. WOLCH: We're talking about 1991, and
	14	you are and the document number is 168588.
10:59	15	COMMISSIONER MacCALLUM: 858?
	16	MR. WOLCH: 588, sorry.
	17	COMMISSIONER MacCALLUM: Oh, sorry.
	18	BY MR. WOLCH:
	19	Q Now you say you called the authorities and they
10:59	20	called you back, or how did this come about?
	21	A Well, I don't remember who I called. I don't. I
	22	just made some inquiries because I had heard that
	23	they were re-opening it, and that there was some
	24	changes in some in testimony, and I I I
11:00	25	hadn't seen anything about it and I was

			Page 3099 ————
	1		dumbstruck.
	2	Q	Well if I understand it, when the police first
	3		came to you, you didn't want to be there?
	4	A	That's correct.
11:00	5	Q	When you went to court you did everything humanly
	6		possible not to testify?
	7	А	That's correct.
	8	Q	And now you are seeking out people to talk to?
	9	Α	No, I was not seeking out people, I just wanted
11:00	10		information.
	11		COMMISSIONER MacCALLUM: Who was this
	12		statement given to, please?
	13	BY	MR. WOLCH:
	14	Q	This would be to the RCMP, I believe Eugene
11:00	15		Williams and the officer with him.
	16	А	That's correct.
	17	Q	I think, is it a Constable Einarson (ph)? I think
	18		it's a Constable Einarson would have been taking
	19		it down with Mr. Williams.
11:00	20		Now do you say you wanted
	21		information?
	22	А	Uh-huh.
	23	Q	Why?
	24	А	Umm, hmm, because I was I just wanted I was
11:01	25		just flabbergasted that I didn't understand

	Ī		Page 3700 —
			J
	1		what was going on and, I don't know, I don't
	2		remember my exact state of mind at that time.
	3	Q	Well, you didn't understand what was going on, the
	4		only thing that you had ever told the police was
11:01	5		your original statement; correct?
	6	A	That's correct.
	7	Q	More than 20 years have gone by?
	8	A	Uh-huh.
	9	Q	And you don't know what the case depends on or
11:01	10		doesn't depend on; did you?
	11	A	I was not privy to any of the testimony, I had no
	12		idea, whatever. And they wouldn't allow me to see
	13		any of that, all I knew was what was in the
	14		newspapers and on TV, that was it.
11:02	15	Q	Okay. You talk in your statement, this portion
	16		here, about going to the motel:
	17		"The rest of us stayed in the car which
	18		was parked away from the office."
	19	A	Uh-huh.
11:02	20	Q	Is that correct?
	21	А	Well we pulled up the car and, obviously, we
	22		couldn't all go into the office because they
	23		wouldn't have given David a room
	24	Q	Who was in the car?
11:02	25	A	and
		il	

			——————————————————————————————————————
	1	Q	I'm sorry, I thought you were finished, I didn't
	2		mean to interrupt you.
	3	А	Umm
	4	Q	Who was in the car?
11:02	5	A	Umm, all, all I can recall is David and Debbie and
	6		myself. That's all I can recall. Sorry. If
	7		there were others, I can't remember.
	8	Q	Okay. You go here and you say:
	9		"Hoppy injected me with the drugs."
11:03	10	A	Uh-huh.
	11	Q	Is that correct?
	12	A	Uh-huh.
	13	Q	I thought Debbie Hall or her friend did?
	14	A	No.
11:03	15	Q	Hoppy did it?
	16	A	Correct.
	17	Q	Okay. Then turn the page. I'm sorry, it starts
	18		off about telling the police there was four
	19		capsules of THC:
11:03	20		"At that time I was a little intimidated and
	21		did not want my parents to know that I was
	22		shooting up drugs. In fact the four
	23		capsules were put into a form that could be
	24		injected."
11:03	25		Do you see that?
		Ī	

			Page 3702
	1	A	Uh-huh.
	2	Q	What would be preventing you, at this time, from
		Ž	
	3		saying that David had a syringe in his hand when
	4		he hit the pillow?
11:03	5	А	I don't know.
	6	Q	It
	7	А	I don't know.
	8	Q	Well the answer I thought you said was something
	9		to the effect it you were concerned about
11:03	10		letting it be known that there were syringes
	11		around?
	12	A	Oh, I'm sure that that that was part of it.
	13	Q	But if you are prepared to tell the police that
	14		you took it by needle, why would you care if
11:04	15		somebody found out that David had a syringe in his
	16		hand?
	17	A	I don't know. I don't remember my exact state of
	18		mind at every moment in time during this whole
	19		event. I don't know.
11:04	20	Q	By the way, the syringes that were used, you stole
	21		them; didn't you?
	22	А	That's correct. That's how I knew they were
	23		there, I brought 'em there.
	24	Q	And you say:
11:04	25		"I saw Hoppy throwing himself against the
		ii	

	1		wall. His face was covered with blood."
	2	А	Umm, his there was blood coming out of I
	3		have said that on many times, I have corrected
	4		people, I don't know who put that there there
11:05	5		was blood coming out of his nose.
	6	Q	Well Mr. Williams and Officer Einarson took this
	7		down and it appears you signed it; I take it you
	8		read it over?
	9	А	I suppose so. Maybe it didn't jump out at me, I
11:05	10		don't know.
	11	Q	Okay. You say:
	12		"His face was covered with blood."
	13	А	It wasn't, it was coming out of his nose, which is
	14		a little different sight than seeing someone's
11:05	15		entire face covered in blood, might I add.
	16	Q	Sorry, I'm going by your words. In any event, now
	17		I thought I heard you say that you came forward
	18		because you felt that people were changing their
	19		statements?
11:05	20	А	I had heard that that was happening, and I didn't
	21		understand. When you are when you have been
	22		involved in something and you were there and you,
	23		and you saw what you saw, and when you hear that
	24		someone is saying that that's not what you saw, it
11:06	25		tends to create some feelings.
	I.	Ĭ	

			Page 3704 ————
	4	_	
	1	Q	Well who, specifically, was changing their
	2		statements, since there's so few people that could
	3		be in your circumstance?
	4	А	Well I assumed in the beginning that it must have
11:06	5		been Craig and George but, as it turned out, I
	6		think I found out later that that was wrong, it
	7		was it wasn't them at all.
	8	Q	So, because you thought that Craig and George were
	9		changing their statements, you were coming in to
11:06	10		change yours?
	11	A	No.
	12	Q	Well, surely you were changing your statement?
	13	A	All I wanted to do was, at that point in time, was
	14		find out what was going on. That's all.
11:06	15	Q	No, but you weren't finding out, you were telling
	16		what was going on, you were changing your
	17		statement?
	18	А	No, that wasn't until after they tracked me down
	19		and started hounding me.
11:06	20	Q	But, if I understand it, you made the initial
	21		contact?
	22	A	Anonymously, just like many people do. I just was
	23		looking for information, period.
	24	Q	But you were concerned that people were changing
11:07	25		their statements, and I'm trying to understand why

	ſ		——————————————————————————————————————
	1		you would be concerned about people changing their
	2		statements?
	3	А	I suppose it now this no, I'm not going to,
	4		because that would be I don't remember the
11:07	5		frame of mind I was in at the time.
	6	Q	Okay. But and you say you assumed that Lapchuk
	7		and Melnyk were changing their statements?
	8	А	Yes.
	9	Q	And why did you care if they were changing their
11:07	10		statements?
	11	А	Well I guess, for me, it's because it was a very
	12		traumatic experience and it's one that I had had a
	13		lot of time it took me, it took me a while to
	14		deal with it, and for someone to come along and
11:07	15		say that that didn't happen just didn't sit right
	16		with me.
	17	Q	The person who said it didn't happen was you?
	18	A	Yes, for for you guys,
	19	Q	You
11:08	20	A	but not for me.
	21	Q	For 20 years you were on, or 21 years you were on
	22		the record, your position was nothing really
	23		happened?
	24	А	Uh-huh.
11:08	25	Q	So now, because people are changing their

			Page 3706 —
	1		position, that gets you upset and you are going to
	2		come in and tell a different story?
	3	Α	I, yes, I was going to tell no, I was just
	4		looking for information.
11:08	5	Q	Well
	6	A	And I did not seek this out, trust me, that was
	7		not the intent at all. Oh, God, that was not the
	8		intent.
	9	Q	Well
11:08	10	А	And for and at the time, Mr oh, I can't
	11		remember how to pronounce your name, sorry
	12	Q	Wolch.
	13	А	Wolch. At the time there had been a brutal
	14		murder, and Gail Miller had been savagely stabbed,
11:09	15		and I would have done anything not to face not
	16		to face him again, that I was terrified of
	17		facing him again.
	18	Q	And yet, even at this occasion, you didn't tell
	19		Mr. Williams a thing about being threatened;
11:09	20		correct?
	21	Α	Umm
	22	Q	Or did you tell him that and he didn't record it?
	23		I'm not sure what your position is.
	24	Α	I remember the day that I met with him, I met with
11:09	25		him in the morning and I was with him until about \P

			G
	1		7:00 that night, it was a long day. I do not
	2		remember every word that was spoken between us.
	3		If you would like to find out, get him to find the
	4		tape, because it's all recorded. He has it, I
11:10	5		don't know what he did with it, it's not my job to
	6		keep all to manage that kind of thing, sorry.
	7	Q	Well, now, you were concerned about Melnyk and
	8		Lapchuk perhaps changing their statements; is that
	9		what it is?
11:10	10	А	What I thought was that is they were saying
	11		that it didn't happen.
	12	Q	Okay. And you don't know what you based that on?
	13	А	Well, it had been 20 years, and obviously the
	14		threat had never been I no longer felt I was
11:10	15		no longer that scared 17-year-old girl who thought
	16		that, when I walked around the next corner, I
	17		would be confronted by him. Things had changed.
	18	Q	Well what I am getting at is what caused you to
	19		believe that Melnyk and Lapchuk were changing
11:11	20		their statements?
	21	А	Because they were the only other two people in the
	22		room.
	23	Q	Yeah, but surely
	24	А	So
11:11	25	Q	Surely you must have read something or somebody
		II.	

			1 age 3700
	1		told you
	2	A	Some
	3	Q	that they were changing their statements?
	4	A	Someone read a newspaper article to me over the
11:11	5		phone.
	6	Q	And that couldn't have said Lapchuk and Melnyk
	7		were changing their statements?
	8	А	No, it just said witnesses,
	9	Q	And
11:11	10	А	but since I thought they were the only other
	11		ones it was logical to assume that they were
	12		talking about them. Because in the beginning, no
	13		one spoke to Debbie Hall, not that I was aware of.
	14	Q	But that wouldn't have surprised you because you
11:11	15		didn't even think she was there?
	16	A	That's correct, she was not there for parts of it,
	17		for the last part of it.
	18	Q	And what gave you reason to believe that the story
	19		you didn't tell the police, but which you began to
11:12	20		tell later, would be consistent with Melnyk and
	21		Lapchuk?
	22	А	Well, I didn't really know that, I just had always
	23		I know that after I spoke with Eugene I I
	24		had never known ever, until that time, really what
11:12	25		Craig and George had ever testified to, had ever
			Mover CompuCourt Penerting

	1		written in their statements, I was never privy to
	2		any of it, and I had never spoken to them again,
	3		so after my meeting with Eugene Williams I had
	4		been all I knew was I had been told that our
11:12	5		statements were virtually were very similar.
	6		That's all I had been sold.
	7	Q	Okay. Well I'm going to suggest to you that I
	8		have gone through virtually everything that those
	9		two men have said and neither one, or anybody,
11:13	10		ever recalls any blood on David whatsoever.
	11	A	Well
	12	Q	Do you think it's possible they could be there and
	13		not have seen a man throwing himself into a wall
	14		and bleeding?
11:13	15	A	Umm, no, I don't think they didn't see that. For
	16		one thing, George was trying to stop him from
	17		doing that, so he obviously noticed.
	18	Q	Okay. And your story is that David threatened all
	19		of you?
11:13	20	A	Umm, yes, I would go so far as to say that.
	21	Q	Okay. And once again, I have checked all of their
	22		evidence everywhere, they have never hinted that
	23		David threatened them at all.
	24	A	Uh-huh. Well, you know, it's really hard, it's
11:14	25		really hard to comprehend that someone that you
		l	

	1		consid that you know that, well, and you
	2		consider a friend, like it's just really hard to
	3		wrap your head around, let me tell ya. It's like
	4		when they interview people who lived next door to,
11:14	5		they always say that they just can't believe it,
	6		you hear it all the time.
	7	Q	Okay. My question is that neither one of these
	8		men ever indicated that David had threatened them
	9		in any way, shape, or form?
11:14	10	A	I can't speak for them, I don't know what they
	11	Q	You
	12	А	I
	13	Q	You
	14	A	All I know is at some point after the humour,
11:15	15		after the laughter, after the trying to and he
	16		realized that we weren't laughing any more and our
	17		mouths were hanging down to the floor and we were
	18		all stunned, he approached us and looked dead
	19		square at our and told us. I know that I had
11:15	20		said before that he didn't want us to talk about
	21		it, but believe me, the tone of voice
	22	Q	This was said to Melnyk and Lapchuk you have told
	23		us?
	24	A	They were standing right beside me.
11:15	25	Q	By the way, you say you were going to go tell

	1		Sharon Williams; correct?
	2	A	I, yes, I thought we had talked about that
	3		earlier.
	4	Q	Well, we did, but would not your concern be that
11:16	5		she would tell David that you had told her?
	6	A	No. That, actually, that thought never entered my
	7		mind.
	8	Q	Or that she would go to the police?
	9	A	Umm, no, that thought never entered my mind
11:16	10		either, that I can recall.
	11	Q	Well you had been threatened with your life if you
	12		told anybody, and yet you went and told Sharon,
	13		who could easily tell David?
	14	A	Which I'm I don't think I I don't think she
11:16	15		would have done that.
	16	Q	Did you warn her "please don't tell David because
	17		I'm threatened"?
	18	A	I don't think I would have said that because I
	19		don't think she would have done that.
11:16	20	Q	So you were confident she wouldn't say "David,
	21		look, I'm not going to go near you because of what
	22		happened back in Regina" or anything like that?
	23	A	I do know that at the time she was not she was
	24		not thrilled when he would show up, so I took it
11:16	25		that why would she no, that never entered my

	Ī		Page 3712 ————
	1		
	1		mind.
	2	Q	Never entered your mind not to tell her because of
	3		your threat, okay, but getting back to Melnyk and
	4		Lapchuk, so in spite of the fact they didn't see
11:16	5		any blood, never talked about throwing against the
	6		wall, they didn't say they were threatened and
	7		they also gave no evidence ever of having you hide
	8		behind him or protecting you are you aware that
	9		your stories don't match?
11:17	10	A	I'm aware that they that they saw the same
	11		thing I did which was him on the bed with the
	12		pillow saying he had killed her, I'm aware of
	13		that. What stuck out to them at different points
	14		of the evening and what stuck out to me, but all I
11:17	15		know is George opened that bathroom door, George
	16		grabbed him and when David broke free he ran full
	17		bore across that room and splattered himself
	18		against the wall.
	19	Q	And you are saying that
11:18	20	A	And that was causing a lot of noise. At that time
	21		the door to the motel opened and people began
	22		leaving rapidly.
	23	Q	Who left?
	24	А	I don't know. I wasn't paying attention.
11:18	25		COMMISSIONER MacCALLUM: Mr. Wolch, it's

	1	past the break time	e. Are you going to be a
	2	little while?	
	3	MR. WOLCH:	I will.
	4	COMMISSIONER	MacCALLUM: Yes. 15 minutes,
11:18	5	please.	
	6	(Adjourned	! at 11:18 a.m.)
	7	(Reconvene	ed at 11:42 a.m.)
	8	BY MR. WOLCH:	
	9	Q Ms. Frank, I take i	t during the break you didn't
11:42	10	discuss the evidence	e with anybody?
	11	A No, I just kind of	discussed how upset I was.
	12	Q That wasn't my ques	tion, ma'am. Did you discuss
	13	your evidence with	anybody during the break?
	14	COMMISSIONER	MacCALLUM: She said no.
11:42	15	A No.	
	16	MR. WOLCH:	I'm sorry?
	17	COMMISSIONER	MacCALLUM: "I discussed how
	18	upset I was," that	was her answer.
	19	BY MR. WOLCH:	
11:42	20	Q Going back to the 1	ast document we were on,
	21	168588, and go to 9	0, please. One more page,
	22	please. Now, as I	understood you earlier, while
	23	you may have made a	n anonymous call, it was really
	24	the Department of 3	ustice or the RCMP who tracked
11:43	25	you down?	

			——————————————————————————————————————
	1	А	I suppose so.
	2	Q	Here you say:
	3		"I have come forward because of the media
	4		accounts."
11:43	5		Do you see that?
	6	A	Uh-huh.
	7	Q	It gives the impression there from your statement
	8		that it was you that came forward, not that you
	9		were tracked down. Is that accurate?
11:43	10	A	I might give that impression, but I don't know who
	11		wrote that.
	12	Q	Well, Gene Williams took it down, you signed it.
	13	A	But no, I did not phone the justice department and
	14		say, "hey, come and take a statement from me," no,
11:44	15		I did not do any of that.
	16	Q	Okay. So the statement "I've come forward" you
	17		would then say creates a wrong impression?
	18	А	Correct.
	19	Q	"And the two people that witnessed the reenactment
11:44	20		had lied and did not sit right with me"?
	21	А	Well, I guess that was at the time when I still
	22		thought all I knew is that I was I had been
	23		led to believe that witnesses had changed the
	24		reenactment testimony.
11:44	25	Q	Okay. And you didn't know what their testimony
			4

	1		was?
	2	А	Umm, no, I did not, but I assumed that because the
	3		three of us were present for this, that it was all
	4		basically relatively the same, and that doesn't
11:45	5		mean in with my first statement because we know
	6		that that was not a true account of that.
	7	Q	That's your position anyway. And if you could
	8		highlight this portion here regarding David:
	9		"I was not too thrilled with his behaviour
11:45	10		that night but I don't bear any ill will
	11		towards him."
	12		Is that accurate, or was that accurate at the
	13		time rather?
	14	A	I wouldn't wish that on anyone so to speak, but I
11:45	15		was at the time in 1969 and in 1970 I was very
	16		frightened of him.
	17	Q	What I'm getting at is, if I understand your
	18		evidence correctly, you had been through the
	19		second or first most traumatic event in your life,
11:46	20		the man had threatened your life, caused you all
	21		kinds of difficulty and you didn't bear any ill
	22		will towards him?
	23	Α	Well, I wasn't happy with the situation, but at
	24		that time he was in prison and, I mean, no one
11:46	25		you wouldn't he was in prison and I don't think

			——————————————————————————————————————
	1		prison would be a fun place to be.
	2	Q	Okay. Now, after this particular statement, the
	3		next event of consequence would have been your
	4		testifying in the Supreme Court?
11:46	5	А	Yes, that would have been the next.
	6	Q	And I believe that the transcript is 047377, I
	7		can't be sure but I think that's right, and if we
	8		can go to 378. Now, would I be correct in saying
	9		that at the Supreme Court you appreciated that you
11:47	10		were under oath and obliged to tell the truth?
	11	A	Yes.
	12	Q	And is it your evidence that you did tell the
	13		truth at the Supreme Court to the best of your
	14		ability?
11:47	15	A	Yes, I believe I did.
	16	Q	Right at the beginning of my cross-examination of
	17		you, you talk that you were intimately involved
	18		with David before the evening. Do you see that?
	19	A	Yes.
11:48	20	Q	And then if we can turn the page, please, and you
	21		say on several occasions?
	22	А	Yes.
	23	Q	Then you say:
	24		"Regarding the other individuals, Lapchuk,
11:48	25		had you been intimate with him before?"

				——————————————————————————————————————
	1	You	ır ans	wer was yes?
	2	A Yes	5.	
	3		" Q	And was that before this evening?
	4		A	Yes.
11:48	5		Q	And was it after this evening as well?
	6		А	Yes.
	7		Q	And you were intimate with him how often
	8			since, like what years or what period of
	9			time, up until when?
11:48	10		А	Are you talking about George?"
	11	Sci	coll d	own.
	12		" Q	Yes.
	13		A	I haven't seen George Lapchuk since
	14			the trial.
11:48	15		Q	I thought you had been intimate with
	16			him, with George?
	17		A	Yeah, I had been."
	18	If	you c	an turn the page, please.
	19		" Q	But that's before the incident. And
11:48	20			after?
	21		А	No. Just a minute. Just a minute,
	22			let me think about this for a second.
	23			I had been intimate with George
	24			Lapchuk. I don't know if I had been
11:49	25			after no, I couldn't have been, no,

	1		because I had gone away for a while.
	2		Then, when I came back, shortly after
	3		that I met my shortly after I
	4		returned I met my ex-husband and we
11:49	5		were married in March of '70, so the
	6		answer would be no to that."
	7		If you can just scroll down.
	8		"Q Have you, in any event, met with Lapchuk
	9		or talked to him
11:49	10		A No.
	11		Q Regarding Melnyk, have you been intimate
	12		with him as well?
	13		A Yes.
	14		Q And that would have been before the
11:49	15		incident?
	16		A Yes."
	17		If we can just turn the page.
	18		"Q Have you seen or talked to him since?
	19		A No."
11:49	20		And I'll leave it at that. And those would have
	21		been truthful answers?
	22	A	Yes, except I was not intimate with George after
	23		the incident.
	24	Q	But you were before?
11:49	25	A	Yes.

			——————————————————————————————————————
	1	Q	Now I'm going to go fairly quickly through this,
	2		and I take it you had a chance to read this last
	3		night?
	4	А	Yes.
11:50	5	Q	If you can go to 386, please, and I'll start with
	6		your answer, you can see the question:
	7		"Q My best memory this was 23 years ago.
	8		I wasn't really paying attention to who
	9		was coming and going. I never thought I
11:50	10		would have to remember it. I was just
	11		there to get stoned. After we first got
	12		into the room, we did drugs. I was
	13		stoned. I don't remember really."
	14		Etcetera. You say there you were stoned?
11:50	15	A	That was a figure of speech. At the time that's
	16		what you called it.
	17	Q	You called it that?
	18	А	Uh-huh.
	19	Q	Correct? So when you told the Supreme Court that
11:50	20		you were stoned that night, that would have been
	21		true?
	22	А	Well, we were doing drugs.
	23	Q	But you don't say you were doing drugs, you say
	24		you were stoned.
11:51	25	А	Well, that's
		1	•

		1 agc 3720
	1	COMMISSIONER MacCALLUM: She's trying to
	2	explain I think what she meant by it, Mr. Wolch,
	3	surely.
	4	A Yes, yes. When you do drugs, back in the '60s
11:51	5	that's what you would say, you were stoned.
	6	That's just an expression.
	7	BY MR. WOLCH:
	8	Q Okay. If we can go to 387, you say here, you were
	9	asked:
11:51	10	"Q Now, the incident you described
	11	regarding the bathroom, did that occur
	12	after you had sex with David?
	13	A Yes.
	14	Q And you had had sex with him in front of
11:51	15	the others?
	16	A Yes."
	17	And if you can just scroll down:
	18	"Q And you were stoned?
	19	A Yes. We had the blankets pulled up
11:51	20	over us.
	21	Q Was anybody ever walking around naked?
	22	A You mean the other people?
	23	Q No. Just you two, you or David."
	24	Across the page, scroll down a bit:
11:52	25	"Q How many times that night on separate

		rage 3721
	1	occasions would you have had sex with
	2	David?
	3	A As far as I"
	4	COMMISSIONER MacCALLUM: Mr. Wolch, before
11:52	5	you go any further, I really don't know what the
	6	objective of this questioning is, I really don't
	7	know what the objective of it might have been
	8	before the Supreme Court. If you have some
	9	objective which goes beyond simply embarrassing
11:52	10	the witness, I would like to hear it, please.
	11	MR. WOLCH: It's embarrassing to David as
	12	well, sir.
	13	COMMISSIONER MacCALLUM: Yes, of course.
	14	MR. WOLCH: And I'm concerned about that,
	15	but no
	16	COMMISSIONER MacCALLUM: There's no double
	17	standard operating here obviously and that's
	18	good, but
	19	MR. WOLCH: I'm very conscious of that.
11:52	20	COMMISSIONER MacCALLUM: What is the
	21	objective then?
	22	MR. WOLCH: Well, if I ask the next
	23	question you'll see.
	24	COMMISSIONER MacCALLUM: Okay.
11:52	25	BY MR. WOLCH:

			——————————————————————————————————————
	1	0	Okay. You say:
		Q	
	2		"A As far as I can remember, only once."
	3		You see that?
	4	A	Yes, I do.
11:53	5	Q	And that would have been before the joke about the
	6		pillow; right?
	7	А	It would have been before the pillow incident,
	8		yes.
	9	Q	And your memory was it was only once?
11:53	10	A	At that time, yes, but I've come to realize that
	11		that is not so.
	12	Q	Okay. Well, that's my point for the Commissioner,
	13		you have testified here that you had sex with
	14		David when you were feeling terror in you and
11:53	15		that's why you consented. Mr. Commissioner, do
	16		you see the
	17		COMMISSIONER MacCALLUM: Thank you very
	18		much, Mr. Wolch.
	19	BY I	MR. WOLCH:
11:53	20	Q	You testified here that you were terrorized, you
	21		were fearful. That's not the kind of event that
	22		would fall out of somebody's mind. You have
	23		testified here that you were traumatized by a man
	24		who said he had taken the life perhaps of a person
11:54	25		and raped her and that's why you would have done
			Movor CompuCourt Paparting

			· ·
	1		anything to, I think your word was, placate him.
	2	А	Correct.
	3	Q	Causing the Commissioner and everybody here to
	4		have an image of you giving in under severe trauma
11:54	5		and stress; correct?
	6	A	Like I said yesterday, I was not going to say no
	7		or upset him in any way.
	8	Q	I appreciate that, but according to your evidence
	9		in the Supreme Court which you say was true, you
11:54	10		never had sex after the pillow?
	11	A	Because I buried it, I didn't I did not want to
	12		remember that, it was traumatic and I buried it,
	13		and I recall after that I got another glimpse and
	14		I realized that I had had, but I couldn't to
11:54	15		this day I cannot tell you the details of it. I
	16		buried it.
	17	Q	When did this resurface in your mind? I mean,
	18		you've got to appreciate, this is a serious thing
	19		to say that you had sex with a man because you
11:55	20		were traumatized by his behaviour, it's a fairly
	21		serious accusation.
	22	A	It was after the afternoon in the Supreme Court of
	23		Canada. I do not know if it was an hour later,
	24		two hours later, the next morning, I don't know,
11:55	25		next week, I don't know.

			——————————————————————————————————————
	1	Q	Then you remembered that there was a second sexual
	2		incident?
	3	А	Yes. I just I have I get these little
	4		flashes and I saw it, but I cannot give you the
11:55	5		details of it. I don't remember. I buried it.
	6	Q	Okay. And did you tell anybody about it until you
	7		came here, about having to placate him with sex?
	8	A	No. Why would I tell anyone that?
	9	Q	Well, you told us.
11:56	10	A	Because you are asking about it. No one asks me
	11		about it. I don't like to talk about it.
	12	Q	If we go to 403, please, the question was asked of
	13		you:
	14		"Q So far as you knew they were gone. I
11:56	15		want you to name me a person who left
	16		because of the incident in close
	17		proximity to the incident?
	18		A Debbie Hall."
	19		Would that not suggest that Debbie Hall was
11:57	20		there?
	21	А	Oh, she was for part of the evening. I never
	22		denied that she wasn't (sic) there.
	23	Q	No, but you say she left because of the incident,
	24		implying that she seen it.
11:57	25	А	She 90 percent of the people in the room left

			Page 3725 —————
	1		when David was running around throwing himself
	2		against the walls and creating the ruckus.
	3	Q	That's 90 percent of the 16 to 20 people that you
	4		say were there?
11:57	5	A	Yes. The door opened and people began leaving. I
	6		was not particularly paying attention to
	7	Q	But you were asked as to who left because of it
	8		and your answer was Debbie Hall, which clearly
	9		suggests that Debbie Hall was there in your mind.
11:57	10	A	Well, she was until and I'm not sure if she
	11		left when he was throwing himself against the
	12		wall, when he jumped onto the bed, I did not see
	13		her leave, but I know when the incident was over,
	14		and I'm not sure if it was a second or a minute
11:58	15		before I looked around, but it was shortly after
	16		that she was not in the room. That's all I can
	17		tell you, she was not in the room.
	18	Q	Okay. And if I can get 412, please, you gave this
	19		evidence, and I want to know if it's truthful:
11:58	20		"A This particular occasion, to the best of
	21		my recollection, the person that
	22		provided the drugs was a friend of
	23		Debbie Hall's."
	24		Is that accurate or
11:59	25	А	All I can remember about that was someone, and I

	1		can't remember who, I don't know, and I don't know
	2		in what time context, I don't remember, someone
	3		told me that, and I can't tell you who it was, I
	4		have no idea, and like I said, I don't know the
11:59	5		time context either, sorry.
	6	Q	So you would have no reason to attribute the
	7		providing of the drugs to David?
	8	A	All I know is in previous and on many occasions
	9		prior to that whoever could get drugs would supply
11:59	10		them and he was one of those people.
	11	Q	I'm only interested in one particular night.
	12	A	And for all I know maybe he did provide them. I
	13		don't know. Like I said, this is what I was told.
	14		Whether it was true or not I don't know. I just
12:00	15		accepted it as
	16	Q	Okay. So we've gone through your Supreme Court
	17		testimony, you've read it, I've only highlighted a
	18		few portions of it, and I would now like to turn
	19		to your interview and only a small portion of it
12:00	20		on April 28th, 1993 with Homeniuk and I guess
	21		Homeniuk is the one I'm concerned about, and if
	22		you can turn to 036371. Now, you were talking
	23		about the Supreme Court and what transpired there
	24		and you start off at the bottom of the page:
12:01	25		"This was so funny David's attorney"
			4

			1 ago 0727
	1		And there I am. You see that?
	2	A	Yeah.
	3	Q	And if you can turn the page, just highlight that
	4		portion, your words I guess:
12:01	5		"Yeah, Mr. Scumbag himself, God he's a
	6		horrid human being, if he has a wife I feel
	7		really sorry for her. Anyway, he tried to
	8		imply there was one moment where I got
	9		quite a laugh in the courtroom because I
12:01	10		started getting this drift as if he was
	11		implying that there was something going on
	12		between me and George and what when he
	13		started putting this to me I was blown
	14		away and I said "excuse me, but if you were
12:01	15		trying to imply that there was something
	16		going on between me and George Lapchuk, are
	17		you ever barking up the wrong tree."
	18		Now, leaving aside myself, I can live with that,
	19		but what are you talking about?
12:02	20	А	I'm talking about when you were cross-examining me
	21		in the Supreme Court of Canada and you were
	22		implying that there was something going on between
	23		me and George and that somehow we were create
	24		you can read over the testimony too, you get the
12:02	25		drift of it, and when I got the I remember

			1 age 3720
	1		sitting there and when I got the drift of this,
	2		because if you only knew the truth, like, I'm
	3		sorry, but this was so far out in left field.
	4		George Lapchuk was not one of my favourite people.
12:02	5	Q	Well, I asked you, I went over it, and I won't go
	6		over it again, I asked you simply if you were
	7		intimate with him and your answer was yes.
	8	A	That's correct.
	9	Q	We went over that. And as I go through the entire
12:03	10		transcript, there's nothing of you saying anything
	11		like barking up the wrong tree, there's nothing
	12		about people laughing, it just didn't happen.
	13	А	I can remember a chuckle, yes.
	14	Q	A chuckle?
12:03	15	A	Uh-huh.
	16	Q	Okay. But you surely don't remember talking about
	17		barking up a wrong tree do you?
	18	A	I don't know whether I said that, that's what I
	19		said later, so whether I said that that's what
12:03	20		I was saying later.
	21	Q	Okay. If we can go down there a bit.
	22	A	This was another conversation.
	23	Q	Oh, I appreciate that.
	24		"And there was no way that I was going to go
12:03	25		further on that because George used to force
	11	i	

			1 age 3727
	1		himself on me all the time and I wasn't
	2		about to say that cause I'm thinking he
	3		would have made this guy would have made
	4		mincemeat that's one of the reasons why I
12:03	5		hated him so much."
	6		Now, are you hating George or are you hating me?
	7		I'm not sure.
	8	А	No, I think I was referring to George at that
	9		time.
12:04	10	Q	Okay.
	11		"I heard him saying, well I'm sorry you're
	12		really and everyone got quite a laugh out
	13		of it because it was so utterly absurd that
	14		he tried to imply that."
12:04	15	А	Like I said, I heard a chuckle.
	16	Q	Well, everyone got quite a laugh?
	17	А	Well
	18	Q	Are you just making this up?
	19	A	No. I found it quite entertaining that you were
12:04	20		going this route.
	21	Q	Well, as I understand it, you were asked "have you
	22		had sex with George" and you said yes.
	23	Α	That's correct.
	24	Q	And out of that you made all this?
12:04	25	A	No, out of your continually going over this, over
			1

			Page 3730 —
	1		the questions about the sexual aspect. I seem to
	2		recall you asked many read the transcript.
	3	Q	The transcript speaks for itself. You read it?
	4	A	Yes, I did.
12:04	5	Q	And I went over the parts about George?
	6	А	Yes, and David and Craig.
	7	Q	Uh-huh. And if you go down the page, you say:
	8		"R. GAGNE: And Debbie Hall was
	9		U. FRANK: She wasn't even there. God damn
12:05	10		her. She's just she likes being on W5 a
	11		lot. And she likes being a friend of Joyce
	12		Milgaard."
	13	А	That's true, she was on W5.
	14	Q	What's the problem with that?
12:05	15	A	Well, she wasn't there for the last as far as
	16		I'm concerned she wasn't there for the last part.
	17		Why was she on W5 talking about, like, that she
	18		was when she wasn't.
	19	Q	We just went over the part, and I don't want to
12:05	20		belabour it, but you just finished testifying that
	21		the only person who left because of it was Deborah
	22		Hall.
	23	А	Every other person left. She was just one of the
	24		people that left, but everyone left.
12:06	25	Q	I thought George and Craig stayed.

			——————————————————————————————————————
	1	А	See, you are doing it again. No. Me, Craig and
	2		George were the only three people that were left.
	3		All the other people left.
	4	Q	So George for sure didn't leave?
12:06	5	A	No, he did not. He was there.
	6	Q	So in conclusion, ma'am, you made a statement in
	7		1970 to the police; correct?
	8	A	Yes.
	9	Q	And you never, to anyone in authority, spoke again
12:06	10		for more than 20 years?
	11	А	That's right.
	12	Q	And when you spoke after 20 years, it was to
	13		correct other people and obviously yourself?
	14	А	No, it was because they insisted upon speaking to
12:07	15		me.
	16	Q	When you came forward; correct?
	17	А	No, when they came to me. I did not come forward.
	18		You can try and put that spin on it, but that's
	19		not what happened.
12:07	20	Q	Okay. And at that time you appreciated that you
	21		had to provide some explanation for why you were
	22		now giving a different story?
	23	А	I suppose so.
	24	Q	And the explanation you came up with was that
12:07	25		David threatened you?
		Ĭ	

	Ī		——————————————————————————————————————
	1	A	The explanation was that I was terrified and that
		A	
	2		was why I was terrified.
	3	Q	That David threatened you?
	4	А	I would call it that, yes.
12:08	5	Q	Your explanation for why your original statement
	6		wasn't true some 21 years previously was that
	7		David had threatened you?
	8	А	Correct.
	9	Q	And if David didn't threaten you, that statement
12:08	10		would be true?
	11	A	No, it still wouldn't be true.
	12	Q	Then why would you have lied?
	13	A	Because he I had no reason not to believe him
	14		when he said he had done it and he had been
12:08	15		arrested once before and released. I had no way
	16		of knowing that he wouldn't be released again and
	17		if I had talked this is in the mind of a 17
	18		year old girl that if he had been released and
	19		one day I'm walking around a corner and there he
12:08	20		is, I would be confronted with him again and that
	21		is what I did not want.
	22	Q	So it's possible he didn't threaten you and it was
	23		all in your head?
	24	А	No.
12:09	25	Q	Well, if Melnyk never heard it, Lapchuk never
		il	

1 heard it, Hall never heard it, Harris never heard 2 it, nobody heard it, that maybe, ma'am, it's in your head. 3 Well, for starters off, Debbie Hall and Harris 4 Α were not in the room at that time, so it would 5 12:09 have been impossible for them to hear it, and what 6 -- how Craig and George interpreted that, I'm 8 sorry, I cannot speak for them. 9 Those are all my questions, MR. WOLCH: sir. 10 12:09 COMMISSIONER MacCALLUM: 11 Thank you. 12 MR. HODSON: Mr. Commissioner, I believe 13 there are -- I've been advised by one counsel, or 14 maybe two, that they wish to seek leave to 15 re-exam and I believe Mr. MacLeod may wish to ask 12:09 16 some questions and Mr. Hardy may have some 17 redirect, and I'm not sure which order you wish 18 to proceed in or who you wish to hear from for 19 their request. 20 COMMISSIONER MacCALLUM: Well, thank you 12:10 21 very much for letting me know that. Just let me 22 preference these requests, counsel, by saying 23 Yesterday I would not permit Mr. Wolch the 24 privilege of re-cross when I perceived that his 25 effort just amounted to an effort to rehabilitate 12:10

	1	a witness after a rather effective
	2	cross-examination. This morning he has treated
	3	us to a very long cross-examination and I may say
	4	it was probably effective, so if your only
12:10	5	objective in asking for re-cross is to try to
	6	rehabilitate this witness, don't bother. If you
	7	have something which is truly new which arose out
	8	of Mr. Wolch's cross-examination, then please
	9	tell me what it is and I'll decide.
12:10	10	I'll turn now to Mr. MacLeod
	11	and ask him what the nature of his request is.
	12	You are aware of course, Mr. MacLeod, that our
	13	rules don't provide a right of cross-examination
	14	for counsel representing a witness as such?
12:11	15	MR. MacLEOD: Yes, My Lord, but happily
	16	they don't preclude it either.
	17	COMMISSIONER MacCALLUM: And what is the
	18	nature of your questions?
	19	MR. MacLEOD: I wish to have a brief
12:11	20	discussion with my client before I commit myself
	21	to applying to question. I as well wish to
	22	review some news articles from 1991 which go, I
	23	believe, some distance to rebutting one of the
	0.4	

Well, My Lord, if I may --

suggestions made by Mr. Wolch.

MR. WOLCH:

24

25

12:11

1 COMMISSIONER MacCALLUM: Uh-huh. 2 MR. WOLCH: -- I think if there's going to 3 be that kind of comments, the witness shouldn't 4 be here to hear that. 5 COMMISSIONER MacCALLUM: 12:11 Oh, we're not going to hold a --6 7 No, what I'm saying is that if MR. WOLCH: 8 my friend is saying I want to ask this question, 9 I really object to the suggestion that the 10 witness can be interviewed at this time in the 12:12 middle of examination. 11 12 COMMISSIONER MacCALLUM: Yes 13 MR. WOLCH: That's my prime objection, sir. 14 COMMISSIONER MacCALLUM: I take your point. 15 Why don't you just be seated, sir, and I'll ask 12:12 16 Mr. Hardy to put his questions. He, by the way, 17 does have a right of re-examination. Maybe that 18 will clear up some things that other people were 19 inclined to ask. 20 BY MR. HARDY: 21 I just have one question, Mr. Commissioner, it's Q 22 just to clarify a question that had been put to 23 the witness by Mr. Wolch, and it was with 24 reference to the Supreme Court testimony, and 12:12 25 perhaps we can refer to that document, please, and

	1	if we could turn to page 047388. And I believe,
	2	Ms. Frank, that Mr. Wolch had put just this
	3	question and answer to you, if we could focus in
	4	on that, I'm going to read those again and I'll
12:13	5	read on from there:
	6	"Q How many times that night on separate
	7	occasions would you have had sex with
	8	David?
	9	A As far as I can remember, only once.
12:13	10	Q Only once?
	11	A Yep.
	12	Q You can't recall how many are you
	13	confident in that answer or might it
	14	have been that three hours later you had
12:13	15	sex again?
	16	A I don't remember. All I remember is I
	17	had sex with him.
	18	Q If witnesses were to say it was on
	19	several occasions, would you be able to
12:13	20	disagree?
	21	A Since I can't remember, all I know is
	22	I had sex with him.
	23	Q For example, if Melnyk was to say you
	24	had sex with David on several separate
12:13	25	occasions, would you be prepared to

			Page 3/3/
	1		accept that?
	2		A Well, I have on other occasions, but I
	3		don't know if that would have I
	4		just had sex with him. I wasn't
12:14	5		keeping a score tab on how many times
	6		that evening."
	7	A:	nd would that be accurate information then,
	8	М	s. Frank, that you were providing on that
	9	0	ccasion to Mr. Wolch?
12:14	10	A Y	es, as I had no memory at that time, I had no
	11	m	emory of additional, but I also yeah.
	12		MR. HARDY: Okay, thank you.
	13	M	r. Commissioner, I also have the I don't know
	14	t:	hat now is an appropriate time to read it, I
12:14	15	d	on't know that Ms. Frank needs to be on the
	16	s	tand for this portion, it's the disposition of
	17	t:	he application to have her called as a witness
	18	a	t the Larry Fisher trial and I thought that that
	19	m	ight clarify matters, but again, I don't know
12:14	20	t:	hat I need to read that with Ms. Frank on the
	21	w	itness stand at this point.
	22		COMMISSIONER MacCALLUM: Have other counsel
	23	S	een it?
	24		MR. HARDY: Yes, I believe so.
12:15	25		COMMISSIONER MacCALLUM: What would be the
		îi	· · · · · · · · · · · · · · · · · · ·

	1	matter with simply has it been marked with a
	2	document ID?
	3	MR. HARDY: It is, it's a document we have
	4	referred to, it's the transcript from Ms. Frank's
12:15	5	testimony at the Larry Fisher trial.
	6	COMMISSIONER MacCALLUM: Yes. So it's the
	7	end, it's the ruling on the voir dire?
	8	MR. HARDY: Yes, it is.
	9	COMMISSIONER MacCALLUM: Well I can
12:15	10	certainly read that for myself, it speaks for
	11	itself.
	12	MR. HARDY: I'll leave that to your
	13	discretion, Mr. Commissioner. I wasn't certain
	14	whether you might want me to read it.
12:15	15	COMMISSIONER MacCALLUM: Do other counsel
	16	wish it to be read in particular? I have no I
	17	haven't read it myself, so I don't know what's in
	18	it, is there any purpose in reading it aloud? It
	19	will be available, it is, as a matter of fact,
12:16	20	available as a matter as an item of public
	21	information?
	22	MR. HARDY: It is.
	23	COMMISSIONER MacCALLUM: I see no one
	24	saying that they want it read so just refer me,
12:16	25	again, to the page number of that document

		r ago ovov
	1	please?
	2	MR. HARDY: Oh, yes, I will.
	3	MR. LOCKYER: What page is it?
	4	MR. HARDY: I'm just going to the page of
12:16	5	that, I closed my book, if you will 310524 of
	6	that document, which is 310492, again page
	7	310524.
	8	COMMISSIONER MacCALLUM: Thank you.
	9	MR. HARDY: Thank you, Mr. Commissioner.
12:16	10	COMMISSIONER MacCALLUM: Thank you. All
	11	right, counsel, has that answered anybody has
	12	that last evidence satisfied any questions which
	13	would otherwise be put?
	14	First, I'll deal with Mr. Mr.
12:17	15	MacLeod.
	16	MR. MacLEOD: What I do wish, My Lord, is
	17	to put before the witness certain documents which
	18	are contained in the materials relating to news
	19	reporting at around the time she made her
12:17	20	anonymous call.
	21	COMMISSIONER MacCALLUM: Yes.
	22	MR. MacLEOD: And I wish her to have the
	23	opportunity, which she has not yet had, to review
	24	those documents and confirm or deny that they
12:17	25	were the sort of materials to which she was

	1	referring.
	2	COMMISSIONER MacCALLUM: Which prompted her
	3	to go to the Department of Justice?
	4	MR. MacLEOD: The Department of Justice.
12:17	5	COMMISSIONER MacCALLUM: That was a new
	6	factor in cross-examination. I don't see, if the
	7	materials are already in
	8	MR. LOCKYER: May I address you, sir?
	9	COMMISSIONER MacCALLUM: Yes.
12:18	10	MR. LOCKYER: I have some concerns about
	11	this. I was I heard the witness discussing
	12	this with counsel during the break, I heard the
	13	witness discussing it with one of the other
	14	lawyers in here during the break, when Mr. Wolch
12:18	15	asked the witness about this immediately after
	16	the break the witness denied discussing the case
	17	with anyone during the break and then you,
	18	Mr. Commissioner, to put it bluntly, cut
	19	Mr. Wolch off
12:18	20	COMMISSIONER MacCALLUM: I did not cut him
	21	off.
	22	MR. LOCKYER: when he asked the question
	23	the second time.
	24	COMMISSIONER MacCALLUM: Mr. Lockyer,
12:18	25	that's an impudent remark. You heard perfectly

	1	well what I said.
	2	MR. LOCKYER: I did.
	3	COMMISSIONER MacCALLUM: I reminded Mr.
	4	Lockyer (sic) that the answer he got was "no."
	5	MR. LOCKYER: Uh-huh.
	6	COMMISSIONER MacCALLUM: And then she went
	7	on to say "I was talking about how upset I was."
	8	MR. LOCKYER: Uh-huh.
	9	COMMISSIONER MacCALLUM: What is the
12:18	10	MR. LOCKYER: I think you can now
	11	appreciate that the question was well-founded
	12	that Mr. Wolch was asking.
	13	COMMISSIONER MacCALLUM: Is that all you
	14	have to say?
12:19	15	MR. LOCKYER: It is.
	16	COMMISSIONER MacCALLUM: I'm not doubting
	17	you.
	18	MR. LOCKYER: Because I heard with my own
	19	ears what was going on during the recess.
12:19	20	COMMISSIONER MacCALLUM: I'm not doubting
	21	you. Hand up that document, please.
	22	MR. MacLEOD: I have received them, My
	23	Lord, from other counsel who has hightlighted the
	24	appropriate passages.
12:19	25	MR. LOCKYER: Is that to be ignored,

	1	Mr. Commissionner?
	2	COMMISSIONER MacCALLUM: Mr. Lockyer, would
	3	you please let me read this paper, and then I'll
	4	ask you if I have any more questions. Of course
12:19	5	I'm not ignoring it, I'm looking at it.
	6	MR. LOCKYER: It's a submission that I am
	7	making as to what happened during the break.
	8	COMMISSIONER MacCALLUM: Of course I'm not,
	9	I agree with you.
12:19	10	MR. LOCKYER: Okay. I'm sorry.
	11	COMMISSIONER MacCALLUM: I have told you
	12	that I accepted your word.
	13	May I now read this without
	14	further interruption?
12:21	15	Did you propose to put this
	16	full package before the witness?
	17	MR. MacLEOD: The highlighted portions.
	18	COMMISSIONER MacCALLUM: The ones with the
	19	pink tabs?
12:21	20	MR. MacLEOD: Yes. Rather than calling up
	21	the entire document I'm quite happy to simply
	22	read, verbatim, the highlighted portions of the
	23	first couple of them.
	24	COMMISSIONER MacCALLUM: Ms. Frank, we're
12:21	25	going to break for lunch now and I'm going to
	Į.	

	1		give you this package of material and ask you to
	2		look at the newspaper articles which are tabbed
	3		here during the break, and when you come back I'm
	4		going to ask you if you had ever seen them before
12:21	5		and whether they have played any part in your
	6		going to the Department of Justice in 1991, and I
	7		don't want you to talk to anybody else during the
	8		break about your evidence in court.
	9	A	Okay.
12:21	10		COMMISSIONER MacCALLUM: Thank you.
	11		MR. MacLEOD: Thank you, My Lord.
	12		COMMISSIONER MacCALLUM: Could you give
	13		those to your client, please. We'll break.
	14		2:00, please.
12:22	15		(Adjourned at 12:22 p.m.)
	16		(Reconvened at 2:00 p.m.)
	17		COMMISSIONER MacCALLUM: Mr. MacLeod? I
	18		was going to ask your client, now, has she had a
	19		look at those reports?
02:03	20	А	Yes, I
	21		COMMISSIONER MacCALLUM: You saw the tabbed
	22		portions there, ma'am?
	23	A	Yes, I did.
	24		COMMISSIONER MacCALLUM: And I wonder if
02:03	25		you could just open to the first tab, and just go
		I	

1 through them one by one, and tell me if you read those at the time in question, which I think was 2 3 I think, Mr. Wolch, that was a 1991 statement. 4 what gave rise to the --5 MR. WOLCH: Yes. 6 COMMISSIONER MacCALLUM: This business, whether she went of her own accord to the

MR. WOLCH: You are correct,
Mr. Commissioner.

something she saw in the paper.

The only concern I have is -- and I could be wrong -- I thought the witness said somebody read it over the phone to her.

Department of Justice or whether she went, as she

said in one of her statements, as a result of

COMMISSIONER MacCALLUM: Yes, she did say something about that.

Yes, the very first article was my ex-husband called me, because shortly after all of this we were married and he, he saw the first, he saw -- I did not, I was living in British Columbia and I didn't know anything, so he called, he called to talk to one of -- to the children, and I answered the phone, and he brought it up, and he had the article right there, and he read it to me.

	1		COMMISSIONER MacCALLUM: And do you have
	2		that article that he was mentioning to you in
	3		front of you?
	4	A	I'm not sure if it's in here, I don't know.
02:04	5		COMMISSIONER MacCALLUM: Can you identify
	6		any one of those tabbed items as one that you
	7		saw?
	8	A	I saw several of these articles, yes.
	9		COMMISSIONER MacCALLUM: Did you?
02:04	10	А	But I can't remember exactly which one it was or
	11		
	12		COMMISSIONER MacCALLUM: And is it your
	13		evidence that that, that reading those prompted
	14		your decision to go to the Department of Justice?
02:04	15	A	Looking for information, yes, because I didn't
	16		understand what was going on.
	17		COMMISSIONER MacCALLUM: Okay. Do you want
	18		to call my attention to anything in particular in
	19		any one of those there?
02:05	20	A	Well there was one that I saw here. Well, see,
	21		there's one article here that's dated March the
	22		13th, 1991
	23		COMMISSIONER MacCALLUM: Yes.
	24	A	that states that oh, 323246.
02:05	25		MR. MacLEOD: 323246.

	1	А	Yes.
	2	COMM	IISSIONER MacCALLUM: That's the document ID?
	3	A	Yes, yeah, that one. And it's, it somewhat gives
	4		the impression that somehow me and Debbie were
02:05	5		contradicting the evidence of the two men which,
	6		at the that was not true, I was not
	7		contradicting the evidence of Craig and George.
	8		COMMISSIONER MacCALLUM: All right. And is
	9		was it as a result of this article in
02:05	10		particular that you contacted the Department of
	11		Justice?
	12	A	Well I'm not sure if which exact but this was
	13		one of the articles that I remember reading and it
	14		upset me.
02:06	15		COMMISSIONER MacCALLUM: Okay.
	16	А	Because I thought that they were taking this
	17		was totally out of context.
	18		And then the other one here was
	19		there was something, I read something in here
02:06	20		about her stating that she was this one would
	21		be 323248, and it states in this article that,
	22		also that, that Debbie Hall

	2	A Okay, I'll hold it here, or where is it. This
	3	part starting right here, from here to here, this
	4	portion right there.
02:07	5	COMMISSIONER MacCALLUM: Okay.
	6	A And it states that:
	7	"Ute Frank and Debbie Hall were in the
	8	Regina motel room with Melnyk and
	9	Lapchuk when Milgaard allegedly made the
02:07	10	stabbing motions on the pillow, were not
	11	called to testify. Hall says in a sworn
	12	statement that Milgaard was fluffing a
	13	pillow,"
	14	I remember that article, that upset me a great
02:07	15	deal.
	16	COMMISSIONER MacCALLUM: Okay. All right.
	17	What I have gathered from this
	18	witness, then, is that, in response to
	19	questioning by Mr. Wolch which raised the
02:08	20	question of her reason for going to the
	21	Department of Justice, was it her own initiative
	22	or was it for some other reason, and she had made
	23	a statement that she had read articles or heard
	24	articles from the media which upset her, and so
02:08	25	we have invited her to examine articles at the

1 request of her counsel, Mr. MacLeod. She has 2 identified two of them amongst the package given 3 to her, identified by document IDs 323246 and 323248, the first being dated March the 13th, 4 1991, and she said that these two articles, 5 02:08 amongst others which she saw, caused her to go to 6 the Department of Justice because the events described in those articles upset her a great 8 9 deal. 10 Mr. MacLeod, do you have 02:09 11 anything further that concerns you? 12 MR. MacLEOD: No, thank you, My Lord. 13 COMMISSIONER MacCALLUM: All right. there is no need to mark those documents as an 14 15 02:09

exhibit, they are already in the record of proceedings by their document ID numbers.

Now, as amongst counsel who indicated before that they might wish to re-cross, is anybody still of that mind?

I understand as well from our Commission Counsel that somebody has come forward with an explanation addressing Mr. Lockyer's concern about this witness speaking to somebody outside of the courtroom on the subject of the evidence she was giving and, Mr. Beresh, did you

have any comment to make about that?

MR. BERESH: I do, My Lord, if you will
bear with me.

I believe there was a suggestion, albeit very vague in nature this morning, that someone had spoken to the witness about the evidence. I'm not sure who the reference was to, but I want to clarify for the record that at the morning break, near the end of the break after I returned from my room while I was getting a cup of coffee in the public area, the witness approached me and wished to speak to I told her I could not speak to her about her evidence, and then she asked about a procedural issue which arose as a result of Global News reporting on Justice Albright's finding. I told her that that was in the transcript of material that she had received and that there was no finding that she was found to be untrustworthy.

The manner in which she described it to me suggested to me by her body action that she was quite upset by the news report. I did not discuss it further with her, I immediately asked to see Commission Counsel and

24

1 Mr. MacLeod and we met privately to discuss; a)
2 the effect of the news article upon her potential
3 evidence; and secondly, whether or not
4 broadcasting a witness' evidence before they have
concluded might affect future witnesses'
6 evidence.

So there was no discussion whatsoever about any evidence which was before this court, and I wanted to explain that.

And I want to add this,

Mr. Commissioner, that it troubles me. This
Inquiry has proceeded very efficiently, very
effectively, the people in this province can be
extremely proud of the way in which it's
proceeded due basically to your guiding of this
ship, but due also to the cooperative nature of
counsel who appear before it. Without that
cooperation amongst counsel, it would be
difficult to proceed as effectively.

And I only raise that because there is a tradition in this province, as I hope there is a tradition in every province, that if someone feels that there is some improper conduct that's occurred, that they ought to check it out first, not pass into a conversation and out of a

		Tage 3731
	1	conversation like a ship in the middle of the
	2	night. And I think that that, hopefully, that
	3	cooperation of counsel will continue in the
	4	future. Thank you.
02:12	5	COMMISSIONER MacCALLUM: Thanks,
	6	Mr. Beresh.
	7	I asked a minute ago if other
	8	counsel had any intention of asking me to
	9	re-cross this witness? It appears not.
02:12	10	Mr. Hodson, is there any
	11	further need for this witness?
	12	MR. HODSON: No.
	13	COMMISSIONER MacCALLUM: Thank you very
	14	much, Ms. Frank, for coming, and you, Mr.
02:12	15	MacLeod, for assisting her.
	16	MR. MacLEOD: Thank you.
	17	COMMISSIONER MacCALLUM: You are excused
	18	now. Thank you.
	19	MR. HODSON: The next witness is Sharon
02:12	20	Daniels, if you could come up to the witness
	21	table, please.
	22	SHARON ANN DANIELS, sworn:
	23	BY MR. HODSON:
	24	Q Good afternoon, Mrs. Daniels. Thank you for
02:13	25	agreeing to testify before this Commission.

	1		I understand that you currently
	2		reside in Alberta; is that correct?
	3	A	That's correct.
	4	Q	And that you are presently 53 years of age?
02:14	5	A	And that's correct.
	6	Q	And that your maiden name is Williams?
	7	А	That's correct.
	8	Q	And that you were known by the last name, or the
	9		name Sharon Williams in 1968 and 1969, is that
02:14	10		correct?
	11	A	That's correct.
	12	Q	And I understand, in 1968, you resided in Regina?
	13	А	That's correct.
	14	Q	And that you moved to St. Albert, Alberta, is that
02:14	15		right?
	16	Α	That's right.
	17	Q	Do you recall when that was?
	18	Α	When I moved?
	19	Q	Yes.
02:14	20	A	That was in, I think in October of 1998 or
	21		sorry, '68, sorry.
	22	Q	'68?
	23	A	Sorry, yes.
	24	Q	1968. And I understand that in 1968 and 1969 you
02:14	25		were a friend or girlfriend of David Milgaard's;

	2	A	That is correct.
	3	Q	Can you tell us how you met Mr. Milgaard and what
	4		you saw of him in 1968 and 1969?
02:14	5	A	Well I believe the first time that I met him was
	6		at a little restaurant in Regina, and it was just
	7		kind of a hang-out for
	8	Q	Let me guess; Smitty's?
	9	A	I have no idea what the restaurant's name was,
02:15	10		yes, I can't remember.
	11	Q	Okay. And you were acquainted with him in those
	12		years; were you?
	13	A	Umm, from, from that point on, yes.
	14	Q	And was that a group of friends that chummed
02:15	15		around together at that time?
	16	A	Umm, yes, there was, yup.
	17	Q	And who will be in that group?
	18	A	I remember George Lapchuk and, umm, I guess it
	19		would have been Craig, Craig Melnyk, and I don't
02:15	20		really remember it, like there was,
	21	Q	That's fine.
	22	A	as far as specific names, but there was a
	23		group, there was always a group, but I can't
	24		sorry.
02:15	25	Q	Let's just talk about 1968, before you moved to

			· ·
	1		Alberta, did you spend much time with Mr.
	2		Milgaard?
	3	A	Umm, yes.
	4	Q	Can you just give a general description of how
02:16	5		long you were friends with him and the extent of
	6		your friendship?
	7	А	Well whenever it was that I met him, I think it
	8		was in the early spring, maybe, in this
	9		restaurant, and then it just seemed to I don't
02:16	10		really know how it proceeded, the relationship,
	11		but it and all of a sudden he is wanting to go
	12		to I believe it was Vancouver, and so I just up
	13		and went with him, left, ran away from home and
	14		went there for a while, got brought back, and
02:16	15		then to Regina, and then he came again, I think
	16		it was just kind of an on/off thing because he was
	17		either here or there, and then whenever he was in
	18		town then he would kind of find me, or probably
	19		knew where I knew where to find me and I knew
02:17	20		where he would end up. And then went off to out
	21		east, again ran away from home, Winnipeg, and then
	22		got brought back again, and then went again out
	23		east, and just all within a matter of those
	24		that many months.
02:17	25	Q	And was it and maybe this isn't the right term

			Page 3/55 ————
	1		was it a boyfriend-girlfriend relationship or
	2		acquaintances?
	3	A	Probably boyfriend-girlfriend, yeah.
	4	Q	And then I think you said in October of 1968 you
02:17	5		moved to Alberta; is that correct?
	6	A	I believe it was around that time, yes.
	7	Q	And did you still have contact with Mr. Milgaard
	8		after that?
	9	A	Not that I can not that I can remember.
02:17	10	Q	Now do you recall, let's move ahead to February of
	11		1969, do you recall David Milgaard coming to St.
	12		Albert to see you?
	13	A	Yes.
	14	Q	And can you tell us about that, please?
02:18	15	A	Well there was a, we had a hang-out that was in
	16		St. Albert, and I was still pretty wild at that
	17		time and doing drugs and things like that, and so
	18		I was hanging out there, and then he just, as far
	19		as I can remember he just showed up one night, I'm
02:18	20		not sure if there was contact before that or
	21		anything, I don't remember anything. But I do
	22		remember him showing up that one night, spending
	23		the night with him at a motel, and that was all I
	24		can remember.
02:18	25	Q	Okay.

		——————————————————————————————————————
1	A	He left.
2	Q	I'm sorry, do you recall whether or not you knew
3		he was coming, or did it surprise you?
4	A	I can't remember whether I knew he was coming or
5		not.
6	Q	Do you remember who was with Mr. Milgaard?
7	А	Umm, Ron Wilson, and there was another fella and a
8		girl.
9	Q	Do you recall their names?
10	А	No.
11	Q	I don't mean to does the name Albert Cadrain or
12		Shorty Cadrain sound
13	A	Shorty sounds
14	Q	Yes.
15	А	Uh-huh.
16	Q	And what about Nichol John; does that name sound
17		familiar?
18	А	Sounds familiar, yes.
19	Q	And do you recall whether any of them, or in
20		particular Mr. Milgaard, had explained where they
21		had been or why they were there?
22	А	I don't recall.
23	Q	These three people with Mr. Milgaard, had you met
24		them before?
25	А	I knew Ron, but I don't believe I had met the

	2	Q	And so I think you said you spent a day and a
	3		night with this group; is that correct?
	4	A	Umm, they it was in the evening when I think
02:19	5		they showed up, the evening, and then I spent the
	6		night, and I'm not sure how much of the rest of
	7		the next day that I had spent with them, I don't
	8		remember that.
	9	Q	And then did they leave?
02:20	10	А	As far as I know they did, yes.
	11	Q	And do you know where they were going?
	12	А	Umm, I think maybe it was Vancouver.
	13	Q	Okay. Have you seen or talked to David Milgaard
	14		since then?
02:20	15	А	Hmm, no.
	16	Q	For that and I think you said February 1, '69,
	17		did do you recall noticing anything unusual
	18		about David Milgaard on that visit?
	19	Α	No, I don't.
02:20	20	Q	What about the other three companions?
	21	А	No, I don't.
	22	Q	When you were with David Milgaard for that day or
	23		two, did David Milgaard say anything to you about
	24		anything that happened in Saskatoon in connection
02:20	25		with a girl, or words to that effect?

			——————————————————————————————————————
	1	A	No, I don't remember.
	2	Q	Did you have an opportunity to observe David
	3		Milgaard's clothing?
	4	А	Umm, possibly. I didn't pay attention to them.
02:21	5	Q	Do you recall looking into his suitcase?
	6	A	No, I don't.
	7	Q	Do you recall observing anything, any blood or
	8		anything unusual, on David Milgaard's clothing?
	9	A	No, I didn't.
02:21	10		MR. LOCKYER: What was the answer, "no, I
	11		didn't" or "no, I don't"?
	12	ВҮ	MR. HODSON:
	13	Q	I think she said
	14	A	I said "no, I didn't".
02:21	15		MR. LOCKYER: Okay, thanks.
	16	ВҮ	MR. HODSON:
	17	Q	Now just a couple questions, Ms. Daniels, and I
	18		don't want to make you uncomfortable, but when
	19		we're going to get into a police statement later
02:21	20		that talks about this. Did you have sexual
	21		relations with David Milgaard when you were his
	22		acquaintance back then?
	23	A	Yes, I did.
	24	Q	Did he ever act inappropriately or without your
02:21	25		consent?

			——————————————————————————————————————
	1	A	I guess, yeah.
	2	Q	Pardon me?
	3	A	Yes.
	4	Q	And explain?
02:21	5	A	Well I guess he was just, just the way he was, he
	6		just always would seem to at the time, you know,
	7		like forcing himself, but then, you know, I was
	8		in the beginning forcing himself, but then I
	9		became a willing partner, so if that's the answer.
02:22	10	Q	Okay. My question was whether let's talk about
	11		anything inappropriate; was there anything
	12		inappropriate in his relationship with you at that
	13		time, that you viewed as inappropriate?
	14	А	No, no I no, I guess not, no.
02:22	15	Q	Now, after this group left, do you recall being
	16		contacted by the police in connection with David
	17		Milgaard? Do you recall the police coming to your
	18		house?
	19	A	No, I don't.
02:23	20	Q	Do you recall meeting with the police in 1969?
	21	A	No, I don't.
	22	Q	No recollection?
	23	A	No.
	24	Q	Do you recall providing a statement to the police
02:23	25		in March of 1969?
		ì	

	ſ		Page 3760 ————
	1	71	No. I don't
		A	No, I don't.
	2	Q	Okay. Perhaps if we could call up document 006500
	3		and just ask you to look at that signature in the
	4		bottom right-hand corner, if you can zoom in, is
02:23	5		that your signature?
	6	A	Yes, I believe it is.
	7	Q	Okay. And there's some witness statements on
	8		here, or the witnesses, I think there is a John
	9		Malanowich of the Saskatoon City Police, Vern
02:23	10		MacIntosh, and Shirley Mitchell of the Edmonton
	11		police; do any of those names ring a bell with
	12		you?
	13	A	No, they don't.
	14	Q	And do you recall learning that David Milgaard had
02:24	15		been either a suspect or had been arrested in
	16		connection with a murder?
	17	A	I, I don't recall that.
	18	Q	Do you recall finding out at some point that David
	19		Milgaard had been convicted of a crime?
02:24	20	A	Maybe at some point, but I don't recall exactly
	21		when.
	22	Q	We'll go through parts of these, the statements,
	23		and maybe this will assist you in refreshing your
	24		memory. Maybe just go through the first
02:24	25		paragraph, if you can call that out, please. It

	Ī		——————————————————————————————————————

	2		"I, Sharon Ann Williams, was born",
	3		I think that says:
	4		" November 29,"
02:24	5		or March:
	6		" November 29, '51",
	7		Is that correct?
	8	A	Yes, it is.
	9	Q	"I live with my parents Rose and Hugh
02:25	10		Williams at 54 Gillian Crescent, St. Albert,
	11		Alberta."
	12		Was that true at the time?
	13	A	Yes, it was.
	14	Q	"I have one brother and one sister. I attend
02:25	15		Paul Kane High School in St. Albert."
	16		Was that correct?
	17	А	Yes.
	18	Q	It goes on to say, just scroll down here, please:
	19		"I met David Milgaard in Regina last Easter,
02:25	20		in Regina, downtown Regina, we were watching
	21		" ,
	22		or:
	23		" walking downtown",
	24		etcetera, is that is that correct?
02:25	25	A	I like, is that saying when I met him?

	Ī		——————————————————————————————————————
	1	Q	It says here, according to this statement:
	2		"I met David Milgaard in Regina last
	3		Easter",
	4		which I'm assuming is Easter of 1968?
02:25	5	A	Okay, uh-huh.
	6	Q	Does that sound right?
	7	A	Yeah, that would have been, this yeah, about
	8		the time.
	9	Q	And if you go to the next page, please, 006501,
02:25	10		just looking at a note here, and maybe this will
	11		assist your memory, Ms. Daniels, I understand that
	12		this interview was done at a hotel room in
	13		Edmonton; does that ring a bell with you at all?
	14	A	Umm, well it wouldn't it would make more sense.
02:26	15	Q	Okay. And why is that?
	16	A	Because my mom and dad don't remember having them
	17		come to the house.
	18	Q	Okay. How about you, though, do you remember them
	19		coming to the house?
02:26	20	A	No, no.
	21	Q	And do you have any memory of meeting the police,
	22		or anybody else, in a hotel room at or about this
	23		time?
	24	A	No, I don't.
02:26	25	Q	Okay. And just on page 2 here, just call out that

			1 ago 0700
	1		portion, it says here:
	2		"Then he,"
	3		and I believe that is referring to Mr. Milgaard:
	4		" asked me to go to Vancouver with him
02:26	5		and I did and that night Monday we left
	6		Regina in that stolen car."
	7		Do you recall; is that consistent with what you
	8		told me earlier about a trip to Vancouver?
	9	А	Uh-huh, yes.
02:27	10	Q	Go to the next page, 006502 or pardon me, 5
	11		006507, and just call out that bottom part. And
	12		this is on the eighth page of the statement, it
	13		says:
	14		"The next time I saw David Milgaard was on
02:27	15		Saturday, February 1st, '69 at 6:30 p.m., he
	16		told me that he arrived in Edmonton early
	17		Friday, January 31, 1969. No, that was
	18		Saturday morning. I suspected that he broke
	19		into the Sanctum that night (Saturday)
02:28	20		morning. The Sanctum had been broken into
	21		and the other guys, Ron Wilson, Shorty and
	22		Nicky told me that they weren't actually

	24		etcetera. Do you recall those events, Ms.
02:28	25		Daniels?

			Page 3764 ————
	1	A	Umm, not really, no.
	2	Q	Okay. If we go to page 006510, this is page 11 of
	3		the statement, if you will just look at the bottom
	4		half and the top half of the next page, please,
02:28	5		and it says here:
	6		"David had brought his suitcase into the
	7		hotel room from the car from the back seat,
	8		it was an old looking thing. I looked into
	9		it the next morning, I saw some nylons in
02:29	10		it, they were used ones just thrown in. I
	11		asked him about them, he said they were
	12		Nicky's. There was a writing pad, two pairs
	13		of pants, a white shirt, some 2 or 3 cans of
	14		deodorant."
02:29	15		Just scroll down. It says:
	16		"These pants were dirty and used, the shirt
	17		was clean and not ironed very good. One
	18		pair of pants I think were torn, I think
	19		someone mentioned something about a tear.
02:29	20		Shorty said one pair was his. Ron said he
	21		was going to cash some cheque."
	22		Etcetera. Do you recall; does that assist you in
	23		refreshing your memory at all?
	24	A	No.
02:30	25	Q	Page 006512, down at the bottom, and the statement \P

10	A	No, I don't remember that.
11	Q	Do you have any recollection of any photographs in

14	A	Well, no.

19		Do you recall being asked about whether you
20		observed blood on any of his clothing?
21	А	I'm not sure if it's at that particular time or
22		some time after.
23	Q	Okay. And what do you recall?
24	A	I don't recall any blood on his clothing.
25	Q	Okay. Do you recall being asked that question by

	1		somebody?
	2	А	Somebody.
	3	Q	And do you know when that was?
	4	A	No, I don't.
02:31	5	Q	Okay. Just go to the bottom page of that, and
	6		that is your statement there, is it?
	7	А	Yes, I guess.
	8	Q	And it says here:
	9		"Completed and re-read by Sharon Williams at
02:31	10		3:20 p.m.",
	11		and an officer's signature. Do you recall having
	12		an officer provide you with a statement and read
	13		it?
	14	А	No, I don't.
02:32	15	Q	Next if I could call up document 009245. Now the
	16		date of that, that statement and I appreciate,
	17		Ms. Daniels, that you said you don't recall it,
	18		but the date of that is March 20, 1969.
	19	A	Uh-huh.
02:32	20	Q	And I just want to read to you certain portions of
	21		a police report that's dated March 22, 1969, which
	22		would be two days after, and it says if you
	23		will just call out that portion, please it
	24		says:
02:32	25		"In speaking with,"
		il .	

	1	And I'm sorry, I could just tell you, this is
	2	John Malanowich, Sergeant John Malanowich which
	3	is one of the names that's on the statement and
	4	purports to be someone who was there. In fact if
02:33	5	you just go to the top of this report, please,
	6	and scroll down a bit it says:
	7	"On March 20th, 1969, I was picked up at the
	8	Edmonton International Airport by Detective
	9	Vern McIntosh of the Edmonton Police
02:33	10	Department. We then called at the RCMP
	11	detachment in Edmonton and interviewed
	12	Sergeant Wilson who was the RCMP officer who
	13	had contacted Mrs. Williams with Constable
	14	Willis.
02:33	15	Sergeant Wilson then phoned St.
	16	Albert",
	17	etcetera, and then here:
	18	"In company of Detective Vern McIntosh and
	19	policewoman Shirley Mitchell of we
02:33	20	called at 54 Gillian Crescent",
	21	etcetera.
	22	" and first spoke with the parents Mr.
	23	and Mrs. Hugh Williams."
	24	And Hugh was your father's name; is that correct?
	25	A Yes, it is.

			Page 3708 ————
	1	Q	"They could not tell us anything of
	2		any value which would aid in this
	3		investigation. Mr. Williams then left for
	4		work and Mrs. Williams then left the living
02:34	5		room to another section of their house after
	6		she gave us permission to talk to Sharon."
	7		And then it goes on to talk about a statement.
	8		Does that assist your memory at all?
	9	A	No.
02:34	10	Q	No?
	11	A	No, sorry.
	12	Q	No, that's fine. If you could scroll down,
	13		please, and this is John Malanowich's report and
	14		he says:
02:34	15		"In speaking with Sharon Williams she is a
	16		clean, average girl, who seems to be quite
	17		sincere in her conversation with us. She
	18		was explained the seriousness of the offence
	19		here in Saskatoon and stated that she had no
02:34	20		knowledge of any murder and thought it was
	21		rape. When questioned where she heard
	22		anything about rape she stated that her
	23		mother advised her after Sergeant Wilson and
	24		Willis of the RCMP had spoken with her in
02:34	25		regards to David Milgaard that her mother

	1		told her that David was suspected of rape."
	2		Do you recall anything of that nature,
	3		discussions with your mother?
	4	A	I don't necessarily recall the discussions, but it
02:34	5		sounds, it sounds like it could be, yes.
	6	Q	Okay. If you could scroll down, please, to that
	7		full paragraph, and this is the officer's notes,
	8		not your statement.
	9	A	Right.
02:35	10	Q	This is what the officer wrote.
	11	A	Okay.
	12	Q	"Now dealing with the statement received
	13		from Sharon Williams - it is quite obvious
	14		from talking to her that she thinks that
02:35	15		David Milgaard is capable of murder."
	16		And let me stop there. Did you ever tell anybody
	17		that you thought David Milgaard was capable of
	18		murder?
	19	A	No, no, I didn't, no.
02:35	20	Q	Did you ever think that David Milgaard was capable
	21		of murder?
	22	A	No, I didn't.
	23	Q	Do you have any explanation as to why an officer
	24		would have written in this report that you, or
02:35	25		attributing to you your thoughts that David
		l	

	ſ		——————————————————————————————————————
	1		Milgaard is capable of murder?
	2	A	Probably just on how he perceived what I was
	3		saying, I gather.
	4	Q	And this report goes on to say:
02:36	5		"She was queried twice on this point and she
	6		definitely without hesitation stated this."
	7		Now I have reviewed your statement and there's, I
	8		don't believe that's in the written statement,
	9		otherwise I would have put it to you,
02:36	10	A	Uh-huh, uh-huh.
	11	Q	and if I'm wrong on that I'm assuming someone
	12		will. You (sic) say:
	13		"She stated quite honestly that she got
	14		suckered in by this boy and when she
02:36	15		realized that he was taking advantage of her
	16		she broke relations with him, then he would
	17		come back to her and talk her into having
	18		relations with her again. She gave the
	19		impression that she liked her sex relations
02:36	20		at times with this boy and went along with
	21		him in this regard,"
	22		etcetera. Do you recall any discussion with
	23		does that assist in your recollection of any
	24		discussion with the police officers?
02:36	25	A	Well, I think it kind of states how, how I felt,

			——————————————————————————————————————
	1		,
	1		yeah.
	2	Q	Okay. Let's go on here, and it says:
	3		"She gave the impression that she liked her
	4		sex relations at times with this boy and
02:36	5		went along with him in this regard",
	6	A	Uhum.
	7	Q	" but then when she refused him he got
	8		violent and forced her and she admits that it
	9		is at these times that she thought he was
02:37	10		abnormal and a violent type of person."
	11		Do you recall saying words to that effect to the
	12		police at the time?
	13	A	I don't recall saying not that, no.
	14	Q	Did you have those thoughts, at the time, of
02:37	15		David, of Mr. Milgaard?
	16	A	Yeah, that would be kind of a fair umm, umm, I
	17		can't think of a word a statement, a statement,
	18		yes, I think a statement
	19	Q	In particular, did you think he was abnormal and a
02:37	20		violent type of person?
	21	A	Umm, I think that that might, might be a fair,
	22		fair statement, yeah.
	23	Q	And why do you say that?
	24	A	Well just from, you know, reading some of the
02:37	25		things that I said in that statement, that that
			4

			Page 3772 ————
	1		could be perceived as how it was.
	2	Q	Okay. I want to know what you thought at the
	3		time
	4	A	Okay.
02:38	5	Q	and if you are able to tell us in 1969, in
	6		March, whether you thought David Milgaard was
	7		abnormal and a violent type of person. I'm not
	8		interested in what others perceived.
	9	A	Oh, okay.
02:38	10	Q	I want to know what you thought.
	11	А	I really can't, can't recall, you know, like
	12		whatever I really thought back then. I'm kind of
	13		looking at it as now, because I did go along with
	14		it.
02:38	15	Q	Okay. When you say you did go along with what,
	16		are you talking the statement, or the
	17	А	The relation, the relationship.
	18	Q	Okay.
	19	А	Yeah.
02:39	20	Q	Now the police report also says that:
	21		"She was questioned in regards to whether
	22		she saw any blood on his clothing or any
	23		clothing in his possession and she admits
	24		she looked into his suitcase at the motel in
02:39	25		St. Albert and noticed these beige nylons in
		Ĭ	

			1 dgc 3773
	1		it which were the only items belonging to a
	2		woman and that she questioned him about
	3		them. He gave her the answer that they were
	4		Nichol John's."
02:39	5		Does that assist you in recalling your discussion
	6		with the police or what happened at all?
	7	А	Yeah, no, I don't remember that.
	8	Q	And down at the bottom, please, if you scroll down
	9		to the bottom, and these are again Sergeant
02:39	10		Malanowich's words. It says:
	11		"It is quite obvious that David Milgaard was
	12		definitely different on this occasion when
	13		he saw her in Edmonton, she made it quite
	14		clear that he seemed to be running away from
02:39	15		something, she sensed this."
	16		Do you recall concluding that Mr. Milgaard was
	17		running away from something, or sensing that back
	18		at the time?
	19	А	No, I don't.
02:40	20	Q	Do you recall telling the police that?
	21	А	No, I don't.
	22	Q	Top of the next page, please. And there was a
	23		matter in your statement, I didn't put it directly
	24		to you, but about I think your statement said
02:40	25		that David Milgaard told you that he took money
	<u></u>		Meyer CompuCourt Reporting ————————————————————————————————————

	1		from a girl in a marijuana transaction, or words
	2		to that effect; do you recall that discussion?
	3	А	No, I don't, no.
	4	Q	And this says:
02:40	5		"The matter also came up that David Milgaard
	6		mentioned several times to her that he was
	7		concerned about the girl that he took money
	8		from and didn't give her any marijuana for
	9		it, that he just took off with her money.
02:40	10		When questioned Sharon Williams stated that
	11		she thought the girl was from Regina, just
	12		took it for granted, that she never thought
	13		that this girl could have been from
	14		Saskatoon."
02:41	15		And let me pause there. Do you recall any
	16		discussion; do you recall that at all?
	17	А	No.
	18	Q	The report says:
	19		"I think that in a way David Milgaard
02:41	20		possibly did in this way admit a guilt
	21		complex and instead of saying that he killed
	22		a girl, he shared his guilt by talking about
	23		it substituting marijuana for sex and the
	24		money he received as the money he took from
02:41	25		the murdered girl's purse."

			J
	1		Now I believe that is Mr. Malanowich's language.
	2		Do you recall any discussion with the police
	3		about that?
	4	А	No, I don't.
02:41	5	Q	Now I think you told me earlier that you don't
	6		have a specific recollection of when you found out
	7		that Mr. Milgaard had been charged, arrested, or
	8		convicted of an offence?
	9	A	No, I don't, no.
02:41	10	Q	Do you recall a police officer attending in
	11		Edmonton in June of 1969 to conduct a polygraph
	12		test on you?
	13	А	No, I don't.
	14	Q	If I could call up document 009302, and this is a
02:42	15		letter, you may not have seen this other than we
	16		may have sent it to you recently, June 19th, 1969.
	17		If you could just call out that portion. And it's
	18		a report from the Calgary Police to the Saskatoon
	19		Police, and it talks about:
02:42	20		"Sharon Williams was interviewed by
	21		Inspector A.R. Roberts on the evening of
	22		June 11, 1969 regarding her knowledge of
	23		David Milgaard and the Gail Miller murder.
	24		Miss Williams was interrogated
02:42	25		with the use of the Polygraph for

			<u> </u>
	1		approximately 3 1/2 hours. It is the
	2		opinion of Inspector A. Roberts that Miss
	3		Williams does not have any information that
	4		would assist you in the prosecution of David
02:42	5		Milgaard. She did state, however, that she
	6		remembers Milgaard saying, "I tried to make
	7		a girl in Saskatoon."
	8		Does that assist you at all in recalling a
	9		meeting with the police and a polygraph?
02:43	10	А	No, it doesn't.
	11	Q	Do you know what a polygraph is, a lie detector
	12		test?
	13	A	Uh-huh.
	14	Q	Do you recall being hooked up?
02:43	15	А	No, I don't recall that, no.
	16	Q	I understand that you were not a witness at the
	17		trial of David Milgaard; is that correct?
	18	А	That's correct.
	19	Q	Do you recall being contacted by the prosecutor in
02:43	20		that case at any time?
	21	А	No.
	22	Q	Do you recall being contacted by anybody on behalf
	23		of David Milgaard, either his lawyer or somebody
	24		on his behalf?
02:43	25	A	No, I don't.
	ŀ	ıl	

			•
	1	Q	Now my documents show, Ms. Daniels, that you would
	2		have been contacted in 1991 by the RCMP, do you
	3		remember that, a Sergeant Pearson?
	4	A	Yes.
02:44	5	Q	Okay. And do you recall him contacting you to get
	6		information in relation to David Milgaard?
	7	A	Uh-huh, yes, I do.
	8	Q	Okay. And did you meet with him?
	9	A	Yes.
02:44	10	Q	Do you recall where you met?
	11	A	He came to my home.
	12	Q	And that would be in Alberta?
	13	A	Yes.
	14	Q	And do you recall what this was in connection
02:44	15		with?
	16	A	Umm, not, not in particularly, no.
	17	Q	If we could maybe call up document 008731, and
	18		this says January 22, '91; does that sound about
	19		the right time that you would have met with
02:44	20		Sergeant Pearson?
	21	A	Yes.
	22	Q	If we could go to the last page, 008737, and this
	23		is a typed version, we can't locate one that has a
	24		signature, but it looks as though this was a typed
02:45	25		version oh, actually hang on a minute here, let

			——————————————————————————————————————
	1		me call up 056922. I think this is the
	2		handwritten version. If you could go to the last
	3		page, 056929, and is that your signature there?
	4	A	Umm, yes.
02:45	5	Q	Okay. And do you recall Sergeant Pearson asking
	6		you questions and you providing answers?
	7	A	Yes, I do.
	8	Q	And was he was is this his handwriting or is
	9		that your handwriting?
02:45	10	A	Umm, it's his.
	11	Q	And can you do you recall just the procedure,
	12		did he ask you questions, write down the answers,
	13		or was it tape-recorded; do you remember?
	14	А	No, I don't remember.
02:45	15	Q	Okay. If we could go back to the typed version,
	16		008731, and the first question here, Sergeant
	17		Pearson says:
	18		"SERGEANT PEARSON: Sharon, I have been
	19		requested by the Federal Justice
02:46	20		Department to contact you to determine
	21		if you have any information which will
	22		assist the court in their task of
	23		determining if a miscarriage of justice
	24		took place with the conviction of David
02:46	25		Milgaard for the murder of Gail Miller
		ı	

			rage 3777
	1		in 1969. First, do you remember David
	2		Milgaard?"
	3		Do you recall that being discussed with Sergeant
	4		Pearson or did you have that understanding of why
02:46	5		he was interviewing you?
	6	A	Yes, yes, that was it.
	7	Q	Okay. And then if you could just scroll down,
	8		please, to the next few questions and answers, it
	9		says:
02:46	10		"SERGEANT PEARSON: Do you recall providing
	11		a statement to police in 1969 on this
	12		case.
	13		SHARON DANIELS: No I don't."
	14		Let me pause there and ask you; generally, would
02:46	15		you have provided Sergeant Pearson with truthful
	16		and accurate information to the best of your
	17		recollection at the time?
	18	A	Yes, I would have.
	19	Q	And you say here:
02:47	20		"SHARON DANIELS: No I don't. I remember
	21		them taking a lie detector test.
	22		SERGEANT PEARSON: That was on yourself?
	23		SHARON DANIELS: Yes.
	24		SERGEANT PEARSON: Where was that given?
02:47	25		SHARON DANIELS: I think it was in a hotel

			Page 3780 ————
	1		room, I think it was in Edmonton.
	2		SERGEANT PEARSON: Where was the police
	3		officer from?
	4		SHARON DANIELS: Saskatoon."
02:47	5		Does that assist you at all or refresh your
	6		memory in connection with the lie detector test?
	7	А	No.
	8	Q	I presume that at the time in 1991, if you would
	9		have told Sergeant Pearson that, that that would
02:47	10		have been an accurate recollection at the time?
	11	А	Yes.
	12	Q	Go to page 008732, and just down at the bottom
	13		there I'll read you a few questions and answers,
	14		and Sergeant Pearson asked:
02:47	15		"SERGEANT PEARSON: Did David ever tell you
	16		about any criminal activity he may have
	17		been involved in during his trip to St.
	18		Albert?
	19		SHARON DANIELS: No, nothing.
02:48	20		SERGEANT PEARSON: Did David ever confess
	21		to you, or confide in you, that he had
	22		committed a serious crime in Saskatoon?
	23		SHARON DANIELS: No.
	24		SERGEANT PEARSON: Did anyone else in the
02:48	25		group with David mention anything about
		İ	

	ſ		
	1		David possibly being involved in an
	2		attack on a girl in Saskatoon?
	3		SHARON DANIELS: Not that I can recall."
	4		And does that assist you in refreshing your
02:48	5		memory at all?
	6	А	About?
	7	Q	About those questions and answers?
	8	А	Yeah.
	9	Q	You would have provided this evidence in
02:48	10	A	Yeah, I probably would have, yeah.
	11	Q	And you have no reason to believe that it's not
	12		truthful?
	13	A	No, no.
	14	Q	Next page, 008733, Sergeant Pearson asks you:
02:48	15		"SERGEANT PEARSON: Do you ever recall
	16		being physically assaulted by David?
	17		SHARON DANIELS: No.
	18		SERGEANT PEARSON: Did David ever punch you
	19		over stupid things?
02:48	20		SHARON DANIELS: I can't recall."
	21		And that would have been answers you provided to
	22		Sergeant Pearson at the time?
	23	А	Yes.
	24	Q	And they are truthful answers?
02:49	25	A	Yes.

			Page 3782 ————
	4		
	1	Q	Page 008734, again Sergeant Pearson asked you:
	2		"SERGEANT PEARSON: Are you afraid of David
	3		Milgaard?
	4		SHARON DANIELS: I don't think so.
02:49	5		SERGEANT PEARSON: Do you recall if David
	6		ever carried a knife?
	7		SHARON DANIELS: I can't recall."
	8		Again, does that assist you in recalling those
	9		questions and answers at all, do you remember
02:49	10		giving that information to Sergeant Pearson?
	11	A	Oh yes, yes I do, actually, uh-huh.
	12	Q	And is that truthful evidence?
	13	A	Yes, it is, uh-huh.
	14	Q	Now down at the bottom of that page:
02:49	15		"SERGEANT PEARSON: Were you ever
	16		threatened or sexually assaultd by David
	17		Milgaard?
	18		SHARON DANIELS: Not that I can remember,
	19		no."
02:49	20		And would that be a truthful answer at the time?
	21	A	Yes.
	22	Q	And it is today?
	23	A	Yes.
	24	Q	And then on page 008736 Sergeant Pearson asks you,
02:50	25		much as I have tried today, if you recall the 1969
			•

1	statement:
2	"SERGEANT PEARSON: Sharon you have now
3	read over your 1969 statement, do you
4	have any comments?
5	SHARON DANIELS: No, I guess not, I can't
6	remember any of it,".
7	And so I take it, in 1991, you were shown your
8	1969 statement by Sergeant Pearson and you
9	couldn't recall it at that time; is that correct?
10	A Yes, that was correct.
11	Q Page 008737, Sergeant Pearson asked you, he says:
12	"SERGEANT PEARSON: Did you see any blood
13	on David's clothing while he was at your
14	place in St. Albert or while the group
15	of you were at the motel?
16	SHARON DANIELS: No.
17	SERGEANT PEARSON: When did you first hear
18	that David was a suspect in a murder?
19	SHARON DANIELS: I think it was from the
20	police in March when they came. I don't
21	think I heard about it before that.
22	SERGEANT PEARSON: Did David ever call you
23	or write you letters after he was

25	SHARON DANIELS: I can't recall."

	1		So would that have been truthful information you
	2		provided Sergeant Pearson at the time?
	3	А	Yes.
	4	Q	And it appears, at that time, that you had a
02:51	5		recollection of the police visiting you in March
	6		of 1969?
	7	A	Appears so.
	8	Q	Okay. But you don't today?
	9	А	No.
02:51	10	Q	Okay. Just scroll down to the bottom, right here,
	11		Sergeant Pearson asked:
	12		"SERGEANT PEARSON: Sharon, do you possess
	13		any information or evidence that would
	14		assist in proving that David Milgaard
02:51	15		did not commit the murder of Gail
	16		Miller?
	17		SHARON DANIELS: No.
	18		SERGEANT PEARSON: Do you possess any
	19		information which would assist in
02:51	20		proving that David Milgaard did commit
	21		the murder of Gail Miller?
	22		SHARON DANIELS: No."
	23		And would that have been truthful information you
	24		provided to Sergeant Pearson at the time?
02:51	25	А	Yes.
		I	

			——————————————————————————————————————
	1	Q	Just go back to 1969; did you know Ute Frank?
	2	A	Yes, I did.
	3	Q	Do you recall her travelling to your home in
	4	~	Alberta in the spring or summer of 1969?
02:52	5	A	No, I don't.
02.02	6	Q	Do you recall George Lapchuk or Craig Melnyk or
		Q Q	
	7		Deborah Hall travelling to your home in Alberta in
	8		the spring or summer of 1969?
	9	А	No, I don't.
02:52	10	Q	Umm, next do you recall, I think it would probably
	11		be a year or two later, the RCMP contacting you
	12		again to take another statement, a Corporal
	13		Templeton and Constable Dyck?
	14	A	No, I don't.
02:52	15	Q	If we could call up document 037204, and this
	16		purports to be a transcript of a taped interview
	17		of you on April 16th, 1993 in Edmonton, it doesn't
	18		say here where it's taking place. Do you recall
	19		meeting with two RCMP officers and them asking you
02:53	20		questions?
	21	A	Yes, I do.
	22	Q	Okay. So that there would be do you recall two
	23		meetings with two different RCMP officers?
	24	A	One at my home and
02:53	25	Q	Okay.

	1	А	then this one, it was, I believe, at a hotel.
	2	Q	Okay. And you recall them asking you questions?
	3	A	Umm, yes.
	4	Q	And do you recall it being tape-recorded?
02:53	5	A	Umm, possibly.
	6	Q	And on the second occasion, which I appears to
	7		be April of '93, would you have provided Corporal
	8		Templeton and Constable Dyck truthful answers to
	9		the questions they asked you at the time?
02:54	10	A	Umm, I believe so, yup.
	11	Q	Page 037211, please, and Officer Templeton is
	12		reported to ask you:
	13		"CORPORAL TEMPLETON: Do you recall during
	14		either of your interviews with the
02:54	15		police feeling any pressure from the
	16		police or being uncomfortable with their
	17		questioning?"
	18		and you answer:
	19		"SHARON DANIELS: No, I don't recall.
02:54	20		CORPORAL TEMPLETON: The statement that you
	21		had, the handwritten statement that you
	22		had supplied the police which you appear
	23		to have signed in 1969. Would that
	24		statement have been truthful at that
02:54	25		time?"
			4

		Page 3787
	1	You say:
	2	"SHARON DANIELS: After reading it, it was,
	3	yes. Yes, there was no
	4	CORPORAL TEMPLETON: It appears to be in
02:55	5	your own words and this would have been
	6	what your thought were or what your
	7	story would have been at that time. Is
	8	that correct?
	9	SHARON DANIELS: Yes.
02:55	10	CORPORAL TEMPLETON: Okay. When
	11	you attended at a hotel for the purposes
	12	of a polygraph test, were your parents
	13	present then?
	14	SHARON DANIELS: I believe they brought
02:55	15	there.
	16	CORPORAL TEMPLETON: And how were you
	17	treated during that interview with the
	18	police?
	19	SHARON DANIELS: Fine.
02:55	20	CORPORAL TEMPLETON: And any pressure to
	21	say things that weren't true? Would
	22	that be fair to say?
	23	SHARON DANIELS: No I didn't. No.
	24	CORPORAL TEMPLETON: And the statement that
02:55	25	you would have made to the police at the

		Page 3788 ————
	1	time, would it also have been the truth
	2	to the best of your recollection.
	3	SHARON DANIELS: Yes."
	4	Would you have provided those answers to the
02:55	5	questions asked by the RCMP?
	6	A Yes.
	7	Q Okay. And were they truthful answers?
	8	A Yes
	9	${f Q}$ Just 037212, the RCMP ask you about blood on the
02:56	10	clothing, it says:
	11	"CORPORAL TEMPLETON: Sharon, just to get
	12	back to the time in February, 1969 when
	13	Mr. Milgaard, Mr. Wilson and two others
	14	came to see you now in Edmonton, do you
02:56	15	recall anything in particular about Mr.
	16	Milgaard's clothing. Does anything
	17	stick out in your mind?
	18	SHARON DANIELS: No. Nothing sticks out in
	19	my mind.
02:56	20	CORPORAL TEMPLETON: If there had have been
	21	something out of the ordinary and uh
	22	the issue, I think here is perhaps blood
	23	on Mr. Milgaard's clothing, would you
	24	have remembered that?
02:56	25	SHARON DANIELS: I believe I would have

		Tage 3707
	1	remembered it. If there would have been
	2	that."
	3	And is that an answer you would have provided the
	4	RCMP at the time?
02:56	5	A Yes, uh-huh.
	6	Q And that's truthful then and now?
	7	A Yes.
	8	Q Page 037215, and question there, Officer
	9	Templeton:
02:57	10	"CORPORAL TEMPLETON: In St. Albert. O.K.
	11	Having read the statement and certain
	12	things have come back to you, do you
	13	believe again that this statement at the
	14	time given to the police is truthful?
02:57	15	SHARON DANIELS: Yes I do.
	16	CORPORAL TEMPLETON: O.K. Had the police
	17	coerced you or threatened you during the
	18	taking of this statement, would have
	19	told the truth or how would you have
02:57	20	reacted to that?"
	21	And then he says, Templeton again:
	22	"CORPORAL TEMPLETON: Maybe I can rephrase
	23	the question. If, during the interview
	24	with the city police, had the policemen
02:57	25	been questioning you aggressively

	ſ		Page 3790
	1		would you have been intimidated by that
	2		or would you have told the truth?
	3		SHARON DANIELS: I would have been
	4		intimidated, I believe.
02:57	5		CORPORAL TEMPLETON: Yes. Would you have
	6		still told the truth, do you believe?
	7		SHARON DANIELS: Yes."
	8		And then:
	9		"CORPORAL TEMPLETON: Do you recall if the
02:57	10		policemen questioned you in that fashion
	11		or
	12		SHARON DANIELS: No I don't. I don't
	13		recall but I don't believe that he did."
	14		And was that truthful information that you
02:58	15		provided to the officer at the time?
	16	А	Yes.
	17	Q	Mr. Commissioner, those are all my questions of
	18		this witness, I'm wondering if it might be
	19		appropriate to break now and I can then canvass
02:58	20		with counsel the order of cross-examination, which
	21		I have not done.
	22		COMMISSIONER MacCALLUM: Very well. 15
	23		minutes please.
	24		(Adjourned at 2:58 p.m.)
03:24	25		(Reconvened at 3:24 p.m.)

	1		COMMISSIONER MacCALLUM: Has the order been
	2		settled, Mr. Hodson?
	3		MR. HODSON: I think we have some people
	4		are prepared to go, and some weren't, I'm not
03:24	5		sure if it's finally settled but I think that
	6		either Mr. Fox or Mr. Elson is prepared to go
	7		first?
	8		MR. ELSON: We've agreed that Mr. Fox will
	9		go first and I will go second.
03:25	10		COMMISSIONER MacCALLUM: All right.
	11	BY I	MR. FOX:
	12	Q	Thank you, Mr. Commissioner. Ms. Williams or
	13		Ms. Daniels, sorry, I'm Aaron Fox, I'm the lawyer
	14		that Represents Eddie Karst, and that name
03:25	15		probably won't mean anything to you, he is a
	16		former member of the Saskatoon Police Service, and
	17		I don't think, from what I can see, you ever had
	18		any dealings with him either, but that's who I
	19		represent.
03:25	20	А	Uh-huh.
	21	Q	Okay? Now I wanted to ask you some questions, and
	22		I'm primarily going to be focusing on the
	23		statement that you gave, the written statement
	24		that was reviewed, and the statement that was
03:25	25		given to the Saskatoon to the member of the

			J. J. J. J. J. J. J. J. J. J. J. J. J. J
	1		Saskatoon Police Service in 1969. That's what I
	2		am going to mostly be asking you questions about.
	3		And I think what you have told us is that you have
	4		no recollection of giving that statement?
03:25	5	A	Uh-huh.
	6	Q	You had told the RCMP in 1993 and Mr. Hodson
	7		went through that with you at that time, having
	8		reviewed the statement then, you were satisfied
	9		that the statement was truthful, and I think you
03:26	10		mentioned that to him on two occasions in 1993?
	11	A	Yes.
	12	Q	Yes. And, having said that, there certainly are
	13		some things in that statement that you would
	14		recall? You may not recall giving the statement
03:26	15		but there are some facts that you do recall?
	16	A	Yes.
	17	Q	I think, in answering Mr. Hodson's questions about
	18		your general recollection of dealing with David,
	19		you mentioned that you met him, and I think that
03:26	20		was, you said, in 1968?
	21	A	Yes.
	22	Q	And mentioned, at that time, you were living in
	23		Regina?
	24	A	Yes.
03:26	25	Q	And, after having met him you more or less ran
			•

	Ī		——————————————————————————————————————
	1		away from home with him, and travelled to
	2		Vancouver?
	3	А	Uh-huh.
	4	Q	Came back to Regina, or brought back to Regina.
03:26	5		And, just on that, when you said "brought back to
	6		Regina" what do you mean what did you mean by
	7		that?
	8	А	Umm, I believe that it was I was flown back, like
	9		it must have been something like the police or
03:27	10	Q	Social Services
	11	A	Yes.
	12	Q	or somebody like that?
	13	A	Yes, something like that.
	14	Q	Okay. You were pretty young at that time?
03:27	15	А	Uh-huh, yeah.
	16	Q	Okay. And then you mentioned, and then you sort
	17		of got hooked up with him again, travelled to
	18		Winnipeg, and were brought back home again to
	19		Regina?
03:27	20	A	Yes.
	21	Q	And then you mentioned that you went out east with
	22		him again, and I think; do you remember where all
	23		you went to on that occasion?
	24	А	Toronto and Ottawa.
03:27	25	Q	Okay. And do you know how you got back that time?

			Page 3794 —————
	1	А	I believe that we hitchhiked back, but
	2	Q	Okay. And you would end up back in Regina?
	3	A	Yes.
	4	Q	And at that time, would it be fair to say, made
03:27	5		some decision to sort of go separate ways as far
	6		as at least Mr. Milgaard was concerned?
	7	A	Somehow, yeah.
	8	Q	Okay. And you eventually, you and your family
	9		then moved in the fall of 1968 to St. Albert,
03:27	10		Alberta?
	11	A	No, they went first.
	12	Q	Oh, okay.
	13	A	Yeah, my family went first, and then then I
	14		came later.
03:27	15	Q	Okay. So when you returned back from Toronto and
	16		Ottawa, your family already was in St. Albert?
	17	A	I can't remember that.
	18	Q	Okay.
	19	А	But they were there before me, yes.
03:28	20	Q	Okay. And then you, did you make the decision to
	21		join them in St. Albert?
	22	А	I must have.
	23	Q	Okay.
	24	А	Uh-huh.
03:28	25	Q	And would have been there until the last time you
			4

			Page 3795 —
	1		would have seen Mr. Milgaard when he came to your
	2		residence sometime in early February of 1969?
	3	А	Yes, if he came to the residence,
	4	Q	Oh
03:28	5	A	but into St. Albert.
	6	Q	St. Albert, yeah, I'm sorry about that.
	7	A	Yes, uh-huh.
	8	Q	Okay. Now when I reviewed your statement, and
	9		that's the statement you gave, and I think it's
03:28	10		document 006500, that sort of those basic
	11		travel experiences with Mr. Milgaard, that's
	12		reviewed in the statement?
	13	A	Yes.
	14	Q	And, although you don't have a recollection of
03:28	15		specifically giving the statement, a lot of the
	16		facts that are disclosed in that statement you
	17		would have some recollection of?
	18	A	Yes, yeah, yeah.
	19	Q	Okay. I'm going to ask you some questions now
03:29	20		about the statement, and I'm going to go through
	21		it a bit, and I really am interested mostly just
	22		on factual recollections first of all, if I point
	23		something out to you if you recall it or not, and
	24		if you are able to say it's accurate and would
03:29	25		have been provided as such to those to the
		I	

			9
	1		police at that time. In terms of what conclusions
	2		one might draw from some of that, I'll leave that
	3		for someone else, but that's what I want to do.
	4		Okay?
03:29	5	A	Uh-huh.
	6	Q	And I know some of this is a bit of a personal
	7		nature and, unfortunately, I don't know there's
	8		any way I can avoid having to discuss some of
	9		that, and so I apologize for that now, but we'll
03:29	10		try and work our way through it as quickly as we
	11		can. Okay?
	12	A	Okay.
	13	Q	And I do appreciate that that was, we are talking
	14		about 1969, a long time ago and a very different
03:29	15		stage in your life
	16	A	Uh-huh.
	17	Q	than where we're at now?
	18	A	Very much so.
	19	Q	Just starting with the statement, and I'm on page
03:29	20		1, you indicate or sorry, on page 1 you
	21		indicate and I'm about a third of the way, or
	22		two-thirds of the way down. This is when you are
	23		talking about having met with David, and you
	24		indicated that the meeting was someplace, your
03:30	25		first meeting with him was at some restaurant,
			4

			——————————————————————————————————————
	1		small restaurant in Regina?
	2	А	That's what I thought, yes.
	3	Q	Okay.
	4	А	Uh-huh.
03:30	5	Q	And then you talk about associating with him, and
	6		in here, I'm highlighting this portion:
	7		"The next day Friday I went out with him and
	8		we drove around with John somebody. He
	9		works for a superintendent at a hospital.
03:30	10		He checks out the drug supplies that the
	11		hospital has have."
	12		Do you have any recollection of that individual?
	13	A	Umm, somewhat.
	14	Q	Okay. Can you tell me what that recollection is?
03:30	15	A	Just that he was an older, an older man, and that
	16		he must have had, I think he must have had a lot
	17		of money because of the car that he was driving
	18		and his he was obviously dressed to you
	19		know.
03:31	20	Q	Was this the older man that's referred to later
	21		who you thought might have been homosexual?
	22	A	Possibly.
	23	Q	There was a fella, I think
	24	A	It is, possibly, yes.
03:31	25	Q	Okay. And did this person supply drugs?
			4

	Г		——————————————————————————————————————
			•
	1	A	I don't really, I don't really remember.
	2	Q	Okay. And the reason why I say that, it looks
	3		like he was, you indicate that he was working with
	4		drug supplies at a hospital?
03:31	5	A	Uh-huh. Uh-huh.
	6	Q	And certainly, at that time, David was or had
	7		drugs, or and had drugs that was made, were
	8		made available to you?
	9	A	Yes.
03:31	10	Q	So it's possible, just no specific recollection?
	11	A	That's right, yes.
	12	Q	Okay. Thanks. It talks about, further down, if I
	13		can go just about to about the third-last line in
	14		that statement, some trips to the outskirts of
03:31	15		town, it talks about a, I think a couple of trips
	16		to the outskirts of town right there. Do you have
	17		any recollection of that at all at this time,
	18		Mrs. Daniels?
	19	А	No, I don't.
03:32	20	Q	Okay. And then, if I can go to the next page,
	21		right at the top he if you can highlight kind
	22		of that area right there:
	23		"He,"
	24		and I think that's referring to David:
03:32	25		" came to my school and he picked me up
			1

		3.
1		at lunch, I missed the afternoon and he had
2		a stolen car from Manitoba. He told me he
3		stole a Pontiac 64 dark red with Manitoba
4		plates. We used that car to drive around."
5		Any recollection of that?
6	A	Umm, no.
7	Q	I'm assuming you would accept that that would have
8		been accurate information, at least at that time,
9		as best you were able to advise the police?
10	А	Umm, yes, I guess.
11	Q	And then it goes on, further on, if I can scroll
12		down that page, please, to about half-way down,
13		talks about making a trip. And this trip to
14		Vancouver, it looks like, would I be correct Ron
15		Wilson accompanied you on that trip to Vancouver?
16	А	Umm
17	Q	Do you have a recollection of that?
18	А	No, I don't.
19	Q	Okay. The statement seems to indicate that Ron
20		Wilson was with you?
21	А	So it does.
22	Q	Would you accept that that would be the case?
23	A	According to the statement.
24	Q	There would be no reason why you would lie
25	А	No.

	Ī		——————————————————————————————————————
	1	Q	to the police about that?
	2	A	No, no.
	3	Q	And, again, I'm assuming what you were relating to
	4		the police was your best recollection of what you
03:33	5		knew?
	6	A	I am assuming, yes.
	7	Q	Okay. And then it indicates that there it
	8		looks like Ron Wilson came with you, and then
	9		perhaps two other girls, Bonnie and a short
03:33	10		dark-haired girl?
	11	A	I don't recall.
	12	Q	Okay. And then it indicates that:
	13		"We stopped at Salmon Arm and David picked
	14		up some drugs that they had hidden in a
03:34	15		brown cabin underneath the dresser."
	16		COMMISSIONER MacCALLUM: Excuse me, go
	17		ahead, that's
	18		MR. FOX: Should I carry on,
	19		Mr. Commissioner?
	20		COMMISSIONER MacCALLUM: No, please, not.
	21		MR. WOLCH: I didn't mean to interrupt.
	22		COMMISSIONER MacCALLUM: You have no
	23		objection?
	24		MR. WOLCH: Not yet.
	25		MR. LOCKYER: Actually, I think I do, but I

1 was going to wait to see what you had to say, 2 Mr. Commissioner? 3 COMMISSIONER MacCALLUM: Well I have 4 nothing to say unless somebody objects. You can 5 go ahead and discuss it. MR. LOCKYER: Well I think I'm going to 6 object. 8 COMMISSIONER MacCALLUM: Mr. Fox can go 9 ahead and discuss it. 10 MR. LOCKYER: Mr. Commissioner, I have been thinking of making this objection for some time 11 12 now, and I have listened to this 13 cross-examination. So far counsel has made three 14 15 One is that at some point this witness points. 16 and Mr. Milgaard knew a superintendent of a 17 hospital, and that that's then related to drugs; 18 she is asked about trips to the outskirts of 19 town, of which she has no recollection, but one 20 can well imagine why that question was asked --21 COMMISSIONER MacCALLUM: I can't. Perhaps 22 I'm naive. 23 MR. LOCKYER: Oh, I suspect stopping the 24 car and doing things in the car on the outskirts 25 of town, that's what came to my mind, put it that

way; stealing a car, the fact that there was a stolen car; and now we're about to get into a break and enter, now -- if you look at the passage that's up now you will see that's in that passage that's up on the screen now, and I think the witness was about -- counsel was about to get into that too.

In my submission,

Mr. Commissioner, what's been going on here from time to time, and is certainly going on in the midst of this cross-examination, is an attempt to really defame and blacken Mr. Milgaard's character from when he was 16, 17 years of age, and in a sense -- or in essence, not in a sense -- in essence blame the victim for why we are now here some 36 years later.

For 23, and then another five years after that, years, Mr. Milgaard was the victim. He was the victim of the criminal justice system as a whole. And the question is, and that's what we are all here to try and deal with, is how did that happen, or one of the main questions. It's not the only question, but perhaps the most -- one of the more important questions is how did that all come about, how did

those 28 years that Mr. Milgaard and his mother and other relatives had to experience, how did it come about. Whose fault, if anyone, was it in terms of the authorities who were responsible for that having come about, was it -- did they act improperly or did it -- was it just something that happened after they had been acting quite properly. That's the kind of thing you have to determine.

But what you don't have to determine, and what you shouldn't be hearing any more, is a continuing victimization of the victim. And that is not an unusual thing in these types of cases.

and, indeed, one of the main subjects of the Donald Marshall Inquiry. One of the main subjects that was faced by the Commissioners at the Donald Marshall Inquiry was the comment by the Nova Scotia Court of Appeal, when they allowed Donald Marshall's appeal and entered an acquittal after the prosecution had consented to that action, said almost in passing that "the idea that there had been a miscarriage of justice in Donald Marshall's case was more apparent than

1 real because, if anyone was to blame for it, it 2 was Donald Marshall himself." And the 3 Commissioners, the three commissioners who sat on 4 that Inquiry, were particularly condemning of 5 that statement, that position, that attitude of 6 the Nova Scotia Court of Appeal in their report, and rightly so 8 COMMISSIONER MacCALLUM: Oh yes, but I 9 think the context of that was that Marshall had 10 been guilty of other offences guite apart from 11 the murder that he was alleged to have done, 12 isn't that right? 13 MR. LOCKYER: No, it was the claim that Marshall hadn't told the truth --14 15 COMMISSIONER MacCALLUM:

MR. LOCKYER: -- at trial.

COMMISSIONER MacCALLUM: But now, before you go any farther, let me say that I quite agree with you that there should be no gratuitous razing of character in this case.

MR. LOCKYER: Good.

COMMISSIONER MacCALLUM: Whether it be in respect of Mr. Milgaard or anybody else, it has -- there has to be a point to it, it has to be relevant --

1 MR. LOCKYER: Uh-huh.

COMMISSIONER MacCALLUM: -- in some way to the terms of reference. And if that's all you were seeking to convince me of, let me say that I am wholeheartedly in agreement. I'll have something more to say in conclusion, but when you are finished I'm going to ask Mr. Fox, of course, to respond to your objection.

MR. LOCKYER: Okay. I won't be a lot longer.

The, much the same as what's been happening here happened at the outset of the Guy Paul Morin Inquiry. Counsel representing the various parties who had received the Section 5 notices at the Guy Paul Morin Inquiry -- I'm sorry, I don't know the equivalent section here, as pointed out by Mr. Beresh I'm not from this province, earlier -- at the Guy Paul Morin Inquiry sought to challenge Guy Paul Morin's sanity in light of his defence at the first trial, sought to hear from the psychiatrists who had examined him, and the Commissioner refused to allow them to go into that area at all, either by way of questioning or by the way of calling of witnesses, because he saw it -- and in my

submission quite rightly -- as an attempt to essentially victimize the victim which the -- who was the subject of the Inquiry. And, in my submission, that's what's starting to happen here, indeed it's been happening more than it should have, and probably --

COMMISSIONER MacCALLUM: When?

MR. LOCKYER: -- I should have objected earlier.

COMMISSIONER MacCALLUM: When? Before today you mean?

MR. LOCKYER: Well, yes, in the sense that, and it's been building up, in my submission, that we keep hearing of crimes that David Milgaard is supposed to have committed here and there, of misconduct on his behalf/part that he has committed here and there, which in my submission really has related to -- hasn't related to the issues before this Inquiry at all. And the questioning that's going on now, in my submission, is reflective of some of the things that have happened in the past. I haven't objected so -- but I am doing it now.

And, in my submission, it's not good enough for counsel to accompany these kinds

1 of questions with statements, I forget how 2 Mr. Fox just put it, but statements suggesting 3 that, really, this was an awfully long time ago and we're not trying to make much of it, and so 4 5 on and so forth. But the fact is that is what's happening here. 6 And Mr. Milgaard has elected 8 not to be here for this Inquiry, likely, 9 precisely because he anticipated the kinds of 10 things that might happen. 11 COMMISSIONER MacCALLUM:

COMMISSIONER MacCALLUM: Well of course you speak for Mrs. Milgaard though, don't you, not for him?

MR. LOCKYER: Well I think, with respect, that there is a pretty close relationship between Mrs. Milgaard and her son and --

COMMISSIONER MacCALLUM: Mrs. -- well, I'm sure there is, obviously.

MR. LOCKYER: And I talk with Mr. Wolch as well, Mr. Commissioner, so I don't think I should be confined quite so much to only put -- and, certainly, it's an equal concern of Mrs. Milgaard. Mrs. Milgaard certainly expresses to me her concerns for her son's interests, of course she does, and so it falls very much within

my bailiwick as her counsel.

And certainly, where she is concerned, she is finding it extremely difficult to sit here day after day listening to this kind of questioning that's been going on, insofar as it has, where her son's reputation is concerned.

My God, she spent so many years fighting to get that reputation restored, and ultimately did so through DNA testing in 1997, both her and her son together, and in my submission it's simply not fair and this Commission of Inquiry shouldn't permit this kind of character staining, character assassination, whatever you want to call it, to go on, and I would ask you, Mr. Commissioner, to put a stop to it now. Those are my submissions.

COMMISSIONER MacCALLUM: Thank you.

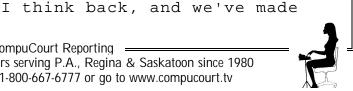

Mr. Fox, would you respond just first of all to the objection, if you would, please?

MR. FOX: Thank you, Mr. Commissioner.

Mr. Commissioner, early on in these proceedings, certainly at the very opening, and I think it was again last week, you pointed out quite correctly that the guilt or innocence of David Milgaard, or any other party, isn't the

1 issue here. And I fully recognize that, there's 2 no question about that, and the purpose of the 3 questions are not to retry Mr. Milgaard or anyone 4 else. 5 But what is relevant, and I speak on behalf of my clients' interests, is what 6 is relevant, is what did the police know, what were they told, what was the source of that 8 9 information, did it have any credibility. 10 And there can be no question 11 when my, when Mr. Karst is on the stand, and many 12 others when they are on the stand, are going to 13 be vigorously cross-examined over why they 14 pursued David Milgaard as a suspect in these 15 proceedings. There is no question about that. 16 So are the questions that are 17 being asked of this witness, or any of the other 18 witnesses up until now, relevant to that issue? 19 They certainly are. 20 COMMISSIONER MacCALLUM: That's the 21 reliability of the source -- of the information 22 that they were getting?

of the information and what was that information.

And, also, both the reliability

the comment in jest amongst all of us counsel, that I hope an Inquiry is never held where I -my name comes up and I am deceased and not able to speak up and say what I knew or thought. Albert Cadrain was almost mocked and laughed at in absentia over things like the possibility that a transport truck stopped on a highway and there was maybe some drug exchange. Well, evidence that suggests that maybe something like that could have happened, because of that's what was going on in David Milgaard's life at that point in time, is relevant. He was almost mocked and laughed at over the suggestion that there was a Well, evidence that maybe David Milgaard did have possession of a gun is relevant to that. His disposition and attitude towards females at that time is relevant, not for the purpose of establishing guilt or innocence, but those are all factors that were there, that were presented to the police in statements, that led them to move in directions in an investigation, that ultimately led the Crown to proceed in a certain fashion, and obviously led a jury to come to some conclusions. That's the relevance of it, simply for that.

It's not for the purpose of defaming anyone. And, frankly, defaming means that you are making a statement, an untrue statement, about someone. That has nothing to do with defamation, it has to do solely with what information did the police have, and in this case was there any substance to it. That's all, nothing more.

And this Inquiry, and I don't

And this Inquiry, and I don't think it makes any difference who sought the Inquiry, but that's the door that's been opened with this Inquiry, and I don't think we can sort of sit back and say "well, sorry, David Milgaard is off limits, his --"

COMMISSIONER MacCALLUM: Well I agree with that, he is not off limits, within the bounds of relevancy.

MR. FOX: Within the bounds of relevancy, I fully agree with that. Those are my comments,
Mr. Commissioner.

COMMISSIONER MacCALLUM: But you will note, of course, that -- I think, Mr. Fox, if I can detect what the essence of the objection is, is that Mr. Lockyer sees no point in going through the entire statement, which the witness says she

can't remember making and in respect of which she has made a few admissions in response to the questions put to her by Mr. Hodson, that is to say that she told the truth when she made the statement, generally speaking, and she remembers a few things dealing with their boyfriend-girlfriend relations. But that's about as far as she went.

"well what is the point?" The document is in the evidence, it's there for me to read, and we won't be getting very much more out of the witness in terms of personal recollection, unless your objective in questioning her like this is to demonstrate, or to revive her memory further than Mr. Hodson was able to; is that what you are after?

MR. FOX: No. I think a couple things.

One, this isn't the first witness, and not surprisingly bearing in mind we're talking about events from 1968 and '69, the first witness who simply didn't recollect something they said in their statement.

COMMISSIONER MacCALLUM: Right.

MR. FOX: Nevertheless, the statement was

1 still read in as part of the record and put in, 2 so I thought that we've cut this one pretty 3 short, so that's why I wanted to refer to certain 4 things. 5 COMMISSIONER MacCALLUM: Well Mr. Hodson -no, I think Mr. Hodson, I believe, called the 6 witness' attention to critical points. 8 did not do, apparently, is simply go through the 9 entire statement, bringing up point after point 10 after point which really dealt with Mr. Milgaard's behaviour, and in that sense I believe 11 12 Your Friends believe that it is gratuitous to do 13 so, it has no point in this Inquiry. 14 Well except, for example, the MR. FOX: 15 question that was put to the witness about, you 16 know, "did you feel that Mr. Milgaard displayed 17 abnormal or violent behaviour", and the answer --18 COMMISSIONER MacCALLUM: She answered that. 19 MR. FOX: And she answered "yes". 20 COMMISSIONER MacCALLUM: And, of course, 21 they will have a chance --22 MR. FOX: Then it was put to her again. 23 COMMISSIONER MacCALLUM: They will have a 24 chance to cross-examine her on it. 25 And I guess that's where I'm at MR. FOX:

now, is that I think it's important to establish why she believed that was the case.

COMMISSIONER MacCALLUM: But why should we be asking that question?

MR. FOX: Because the question about whether she believed that he displayed abnormal or violent behaviour, that's a conclusion, and what is the facts, is do you recall any facts about it. And I think, in going through this, --

COMMISSIONER MacCALLUM: Well I suppose, if you had asked that question, we might not be facing this exact enquiry at this time.

MR. FOX: You see --

COMMISSIONER MacCALLUM: But you didn't, you are going into other matters altogether.

MR. FOX: Well, for example, the drug transaction in Salmon Arm, B.C., and the witness can only state what she can state, which may be nothing, that "I have no recollection of it".

But you could again, My Lord, or you can be certain that the argument is going to be made that Albert Cadrain is again off the beam, so to speak, when he suggested that they stopped, and all he said was that "I suspect something was going on by way of a drug transaction."

1 COMMISSIONER MacCALLUM: Uh-huh.

MR. FOX: Well, evidence that David
Milgaard was actively involved in the drug trade
in a number of different locations is relevant to
that issue, nothing more. It doesn't -- it's not
there to defame a character or anything like
that, but that's what the facts are.

COMMISSIONER MacCALLUM: No, but Mr.

Milgaard's character, of course, is really of no concern to us now, unless it somehow affected the investigation conducted by the police, or the lack thereof, or the re-opening of the investigation. If you can link his character or his behaviour to those issues, that is to say with reference to the terms of reference themselves, then it would be admissible. But simply to call evidence which demonstrates character in a general sense, I don't think, is a legitimate line of inquiry.

MR. FOX: I agree. But as an example, and this is maybe one of the, I think one of the better examples, Mr. Commissioner. The offence that was being investigated was what was then called a rape with an accompanying murder, what we would now call a sexual assault. Evidence

1 that he had -- that he used his persuasive 2 powers, including physical force, to spread the 3 legs of his partner apart so that she would eventually consent to having sexual intercourse, 4 5 somehow that would seem to be relevant, or at least in the sense that --6 COMMISSIONER MacCALLUM: Where are you 8 getting this? 9 Well I'm reading from page 3 of MR. FOX: 10 the statement: "He usually just made me. He was rough to 11 12 me and if I said no he would force me by 13 using his legs and push me with his legs and 14 force himself upon myself." 15 COMMISSIONER MacCALLUM: Well, you know, 16 you might have an argument on the basis of 17 similar-fact evidence were this a trial, but I --18 you know, we're in quite a different setting here 19 now and --20 Oh, absolutely, and as a defence MR. FOX: 21 counsel I would sure hope that I would be able to 22 keep that out. 23 COMMISSIONER MacCALLUM: Yes. 24 But what's relevant though, My

Lord, is that that's the information that was

conveyed to the police in 1969, and that's why it's important.

COMMISSIONER MacCALLUM: Yes, but we already know that the police focused their attention upon Mr. Milgaard after Cadrain put them onto him, what more do you hope to show?

MR. FOX: Well, you know, if --

COMMISSIONER MacCALLUM: I mean if it was a question of whether they had tunnel vision and they were focusing their attention on him only to the exclusion of other legitimate suspects, and then you brought up evidence relative, character evidence relative to one of those issues, that might be all right. But, in this case, I fail to see, Mr. Fox, as to --

MR. FOX: Because I have no doubt, when Mr. Karst is on the stand, it's going to be suggested to him that he should have very quickly excluded Mr. Milgaard as a suspect, and I'm sure he is going to be grilled at great length on that, and I'm sure a number of other officers are.

COMMISSIONER MacCALLUM: Oh yes, yeah, but I mean there is the statement.

MR. FOX: Oh, I agree. And so all I'm --

1 COMMISSIONER MacCALLUM: So I -- the point it seems to me, sir, is why, why go to the bother 2 3 of publicizing the thing in this way, because we all know it's on television and radio and 4 5 everything else, and if it's in the statement, and if it has any evidentiary value, any purpose 6 which concerns me, of course I'll see it anyway. MR. FOX: And you have raised a very good 9 point, Mr. Commissioner, and -- but, 10 unfortunately, that's the public nature of this 11 Inquiry. 12 COMMISSIONER MacCALLUM: Well, umm, yes. 13 Let me say one more thing, and 14 it relates to Mr. Lockyer's objection in the more 15 general sense. 16 He wasn't here at all times 17 18 19

20

21

22

23

24

25

when the so-called motel reenactment witnesses testified, but in the course of that testimony, of course, we heard a great deal of things about the behaviour of Mr. Milgaard as well as the participants in the motel party.

I am here to decide, to try and find out, if I can, whether (sic) Mr. Milgaard was wrongfully convicted. And we heard evidence, to the extent that it might be found to be

credible, that Mr. Milgaard put on a performance, if I can call it that, in front of his friends in the motel which might have given -- in fact, which appears to have been taken seriously by some of them, at least that is the evidence.

As a result of that, of course the evidence came to the attention of Mr. Wilson, and then the police, and the police told the, prosecutor, and the prosecutor put the matter before the court. And one can never know the degree to, of importance to which the jury put to it, but it nevertheless was obviously taken as relevant evidence in the murder trial and a conviction resulted.

Now to the extent that that evidence might have found its provenance in Mr. Milgaard's own behaviour is a relevant line of inquiry for me.

Mr. Lockyer, of course, cautions me against victimizing the victim and blaming everything on him, and he cited the Marshall case as an example of that. But I take this behaviour at -- in the motel to be relevant to our Inquiry because, to the extent that I might believe it -- and I have made no findings

03:54

03:54

03:55

on this at this point -- I might say, well, the police, the authorities, were led to the prosecution of Mr. Milgaard in part, at least, because of something he himself did. That would be a legitimate finding in my view.

And I regret, of course, that people are discomfited by the embarrassing nature of what they heard in the course of the witnesses' testimony, but I take it to be unavoidable. In the case of the reenactment witnesses it was, the sexual part of the party was inseparable, it seems to me, from the circumstances of the alleged stabbing of the pillow, and so that is the reason that we listened to that evidence. That's why it was relevant.

I could no more keep that out than I could if the prosecutors, for example, or the police were alleged to have committed some -- or did something wrong or improper in the course of their investigations or prosecutions. True enough, it would be embarrassing for them to sit here and listen to that as well, but that's part of the unavoidable consequences of a public Inquiry.

So that's why we listened to that sort of material during the motel reenactment witnesses, and that does not mean that we're going to be listening to it in the case of every witness, unless its purpose can be clearly explained to me.

I do not accept Mr. Lockyer's argument that there has been a tendency to victimize the reputation or to defame the reputation of David Milgaard to this point in the Inquiry. When I decide that the questioning has that as its purpose only, and not some legitimate relevance, relevant purpose, you may be sure I'll say so.

Crown -- or counsel acting on behalf of the Inquiry, in my view, have been more than fair about this sort of thing, and you must remember, all of you, that it cuts both ways.

There's going to be many embarrassing things brought up in the course of this public Inquiry.

The police will stand to be embarrassed, the prosecution stands to be embarrassed, and of course -- I think, I don't know that -- but if they are, that's just too bad. We're searching after the truth and we must know where the

		J
	1	evidence leads us.
	2	So in short, Mr. Fox, I would
	3	ask you to avoid questioning the witness along
	4	the lines of anything except what she has says
03:58	5	she remembers
	6	MR. FOX: All right.
	7	COMMISSIONER MacCALLUM: as of this
	8	moment. What she told the police before, and of
	9	course what she says is true, is a matter of
03:58	10	record. Okay?
	11	MR. FOX: And I see Ms. Knox is there, I
	12	
	13	COMMISSIONER MacCALLUM: Ms. Knox, yes?
	14	MS. KNOX: Mr. Commissioner, I'm not sure
03:58	15	if Mr. Elson intends to rise to speak to this
	16	issue as well, but you can appreciate Mr. Fox
	17	represents Detective Karst of the day; Mr. Elson
	18	in a more global fashion represents the Saskatoon
	19	Police Service; and I, of course, represent
03:58	20	Mr. Caldwell, who was the prosecutor of the day;
	21	Mr. Watson represents Mr. Kujawa, who later came
	22	into the picture and made some decisions.
	23	I think what I understood
	24	Mr. Fox to be attempting to do, and what I know
03:59	25	that he was attempting to do, was to establish

04:00

for the record, and for the public record, the factual basis upon which police -- or whether these were true facts or not, as it turns out in retrospect -- but the basis upon which decisions were made during the investigation process as well as decisions were made during the preliminary inquiry and trial process, and ultimately made through various appeals to the level of Supreme Court of Canada, and there on.

And it seems to me,

Mr. Commissioner, when we look at the terms of reference that have been provided to you, which say you have the responsibility to inquire into and report on any and all aspects of the conduct of the investigation into the death of Gail Miller and the subsequent criminal proceedings, that any information that was in the possession of the investigating authorities and the Crown authorities which may have influenced the decisions that they made is necessary information that be available to you, but also keeping in mind that this is a public inquiry, that it be available to the public. And the public don't generally have access to our document database or the Internet of any -- or anything of that

nature.

The decisions that were made -and I'll speak now in a more restrictive sense with respect to the actions of the prosecution -the decisions that were made by the prosecution were made on the basis of all of the information that had been collected by the investigating policing authorities, or I believe that the record will show that to be the case. What will be shown to be the case I believe, and I stand to be corrected, is that among the materials that were in the possession of my client when he was making determinations with respect to the conduct of the preliminary inquiry and the trial were the statements, or the statement that was obtained from Ms. Williams in March of 1969.

Now frankly, from his point of view today, he is not standing here or not asking me to stand here and ask you to find that David Milgaard was a bad guy in 1969, that he stopped in Salmon Arm and he found drugs, that he had a gun at one point in time, that he had a knife at one point in time, or that he smacked somebody around. What was relevant to him and important to him in 1969, in assessing whether this charge

1

2

should go forward, was what kind of person they were dealing with.

And I would submit to you that much of the information, parts of the information, significant parts of it contained in Ms. Williams' statement, went directly to some of the decisions that he had to make. She wasn't called to give evidence, and somebody may stand up and say that, but in the global world of being a prosecutor and looking at a very serious charge, one of the questions that one directs themselves to is is it possible that this is --you know, is it, is this possible? Having that statement was critical, or we will argue was critical.

And for that reason I would ask that you reconsider your ruling, that it's proper that the questions be put to Ms. Williams, and she be asked questions like whether her memory at the time, in March 1969, was fresher than it is today, whether or not she did say --

COMMISSIONER MacCALLUM: I don't think that's necessary, is it? She said that she told the truth to the police, she just can't remember what was in the statement, she has no

24

25

04:02

		- G
	1	recollection.
	2	MS. KNOX: It is possible, Mr.
	3	Commissioner, that if parts of it are put to her,
	4	it may refresh her memory, and unless we put
04:02	5	those parts specifically to her we can't know
	6	whether it will refresh her memory.
	7	COMMISSIONER MacCALLUM: I know, but your
	8	friend has just told me that that was not his
	9	objective, he is not trying to revive her memory
04:02	10	by what he is putting to her right now.
	11	MS. KNOX: Well, Mr. Commissioner, if
	12	that's not his objective, and that's not what he
	13	is will be looking to do, I will be asking
	14	that I be allowed to do it in a similar fashion.
04:03	15	COMMISSIONER MacCALLUM: We'll I'd rather
	16	not rule on things in a vacuum, of course, we'll
	17	wait until the occasion arises. But let me ask
	18	you this.
	19	Don't you think it would be
04:03	20	better to address the concerns that you have just
	21	expressed through the evidence of the policemen
	22	as opposed to a witness who says she hasn't any
	23	idea, she can't remember?
	24	MS. KNOX: But we don't have to
04:03	25	COMMISSIONER MacCALLUM: What's the point

1 of -- the only effect of doing that, of course, 2 is to put the contents of the statement, about 3 which she has no real present knowledge, in the I'm not saying it should never go 4 public view. 5 into the public view, but it should go in when it 04:03 is a matter of concern before a real, live 6 witness. 8 Mr. Caldwell, for example, I 9 presume will be called during the course of this 10 Surely he can be led through the 04:03 11 statements that he had at his disposal which 12 justified, in his mind, the carrying on of 13 prosecution. The same would apply to all the 14 policemen. 15 I don't -- I believe it is 04:03 16 inefficient, for one thing, to present witnesses 17 with a string of questions when their only 18 19

22

04:04

04:04

possible answer, as we know, will be "I don't remember". MS. KNOX: We can't be sure that that's the

only possible answer until the question is asked.

COMMISSIONER MacCALLUM: That's right, and you can, you can try it on when your turn comes, But, as far as this witness is concerned, Mr. Fox has told me that it was not his objective

1 to revive her memory by the line of questioning he was engaging in when Mr. Lockyer raised his 2 3 objection. 4 MS. KNOX: Thank you. 5 COMMISSIONER MacCALLUM: Thank you. 04:04 6 MR. ELSON: Mr. Commissioner, if I might 7 address you for just a moment? 8 COMMISSIONER MacCALLUM: Go ahead. 9 MR. ELSON: Mr. Fox and I briefly discussed the manner in which we would be approaching this 10 04:04 witness in cross-examination and we were in 11 12 general agreement, and quite frankly I support 13 the position that he has argued, and I also 14 support Ms. Knox's position. And I don't mean to 15 repeat the things that have been said by My 04:04 16 Friends in this respect, but only to again 17 emphasize that, because the conduct of the 18 investigation in this case is a matter 19 specifically to be reviewed according to the 20 terms of reference, --04:05 21 COMMISSIONER MacCALLUM: Yes. 22 MR. ELSON: -- so much of the conduct of an 23 investigation by a police officer is dependent 24 upon the impressions that that police officer

25

04:05

gets from the information received.

COMMISSIONER MacCALLUM: Oh, I have no quarrel with that at all.

MR. ELSON: And --

COMMISSIONER MacCALLUM: But let me just bring you back, Mr. Elson -- I'm sorry, I don't mean to distract you from your line of thought but I might forget to say this.

I'm just saying, as a matter of efficiency, isn't it far better to have the police referred to this statement, which is already in evidence, and asked "what effect", if you think it necessary, "what effect it had upon you, did this, did this weigh in the decision which you took to present this person to the prosecutor as a legitimate witness".

MR. ELSON: The difficulty I have in this respect -- and I appreciate Your Lordship's comment -- the difficulty that I have in this respect, in representing the Saskatoon Police Service -- and I am mindful of the comment I made to you at the beginning in our opening statement -- the difficulty that I have is that I am representing a police service that no longer has in its employ the officers who conducted the investigation and I do not have, advising me,

1

2

3

4

5

04:05

individuals who can specifically give me information as to what was done.

For example, Sergeant

Malanowich who took this particular statement and who prepared an investigation report based on the information provided by Ms. Williams as she then was, that is presently before you and, indeed, in that statement, if you will recall the question that Mr. Hodson asked, in that investigation report Sergeant Malanowich said, or formed the impression that he thought Ms. Williams, as she then was, believed that Mr. Milgaard was capable of murder. Well Mr. Hodson quite properly asked this witness whether or not she had said that, she did not recall saying that, and in fairness to her that is not in her statement. But it was obviously an impression that Sergeant Malanowich derived from the information he received, and with all due respect to Mr. Hodson, this was one of the few statements that we did not go through in the kind of detail in order to establish whether or not Sergeant Malanowich's impression was a justified or a reasonable impression. Many of those impressions might never see the light of day in the testimony at trial, they might not be

25

04:07

	1	regarded as relevant, and probably would not be,
	2	but those impressions will guide the conduct of
	3	the investigation to the point in time that the
	4	information is then received by the prosecutor
04:07	5	for the prosecutor to determine what evidence
	6	will be presented at trial.
	7	And my concern is that I could,
	8	I understand Sergeant Malanowich is available to
	9	us, he is no longer a member of the service, I
04:08	10	don't know exactly what he is going to say or
	11	whether or not he is going to recall anything
	12	from this witness with respect to how it was that
	13	he formed the impression in the investigation
	14	report. We have already talked about the fact
04:08	15	that witnesses don't recall
	16	COMMISSIONER MacCALLUM: Sorry,
	17	MR. ELSON: and, invariably, the officer
	18	might not as well.
	19	COMMISSIONER MacCALLUM: Mr. Malanowich
04:08	20	is still around, he is still alive?
	21	MR. ELSON: He is still alive, yes, yes, I
	22	believe he is still alive.
	23	COMMISSIONER MacCALLUM: Oh.
	24	MR. ELSON: Now what he can recall, I
04:08	25	honestly do not know, with regard to what was

24

25

04:09

said to him.

COMMISSIONER MacCALLUM: Well, I mean, it is a matter of record.

MR. ELSON: It is a matter of record, and the question then is going to be whether or not --

COMMISSIONER MacCALLUM: But looking at that record, Mr. Elson, me looking at the record would be entitled to conclude that certainly the police had evidence before them that justified them, for example, in suspecting A as opposed to B?

MR. ELSON: Quite true. And by the same token, if Ms. Williams' statement suggested that Mr. Milgaard had been acting totally above board, and in fact had been acting like an angel throughout the entire period of time that she knew him, I would suspect that the shoe would be on the other foot and that, indeed, Mr. Lockyer would be submitting or arguing that that evidence is properly before the Commission of Inquiry because it would suggest that the police ought not to have gained the impression that they did, namely that Mr. Milgaard was responsible for this crime.

1 COMMISSIONER MacCALLUM: Uh-huh. 2 MR. ELSON: Thank you, Mr. Commissioner. 3 COMMISSIONER MacCALLUM: Thanks. 4 MR. WOLCH: Mr. Commissioner, I just want 5 to raise something that arises from what Ms. Knox 04:09 6 had to tell you. 7 And I think she will agree with 8 me that her client, as I understand it, has never 9 spoken to this lady and was relying on a 10 statement that came in the ordinary course of 04:09 11 police reports. So whether or not Ms. Daniels 12 adopts or doesn't adopt the statement is actually 13 totally irrelevant to Mr. Caldwell. If she was 14 to say everything in there was a lie, how would 15 that affect Mr. Caldwell, who had no way of 04:10 16 assessing the witness' position other than the 17 statement he was given. Mr. Caldwell, when he 18 testifies, can say "I read this statement, I 19 accepted it, and here are the conclusions I That is how we will understand what he 20 formed". 04:10 21 is saying. 22 And the questions will be 23 basically how you reach certain conclusions from 24 the statement, not whether the witness adopted

25

04:10

it, it doesn't really matter. And that's the

point.

And what is relevant from the witness in particular, I would suggest, is her recollection, if any, of how she was questioned, that is does the statement reflect what you meant to convey or not. Now that wouldn't go to Mr. Caldwell at all, because it doesn't affect him, but it does affect the police and how they took statements.

So when the witnesses such as the police or Mr. Caldwell take the stand, they can answer those questions directly, and if they want to say that, for example, being told that David had not delivered drugs to somebody in Regina meant to them that he was subliminally talking about murdering somebody in Saskatoon, let 'em try and say that. They will have to answer for that. They may have other things to If they want to talk about reading a statement of a relationship between this young lady and David, and that caused them to think of a murder in 40 below with a knife, that's fine, they can do it. But that's the way to do it, they can get up here and say that. But whether or not this witness corroborates or not does not

04:12 25

1 affect Mr. Caldwell. 2 COMMISSIONER MacCALLUM: Oh, perhaps not 3 Mr. Caldwell, but to put the case more to the 4 point, how about the Saskatoon Police Service? 5 MR. WOLCH: Only in the manner of taking 04:12 6 the statement. 7 COMMISSIONER MacCALLUM: Uh-huh. Okay. 8 MR. LOCKYER: May I reply, 9 Mr. Commissioner, very briefly --10 COMMISSIONER MacCALLUM: Uh-huh? 04:12 11 MR. LOCKYER: -- to a few points. 12 There is a certain irony to 13 this, it's almost like we're back to Nichol John 14 all over again, who gives a statement, and then 15 it's brought out what she said, but she can't 04:13 16 remember anything that she said. 17 But in terms of the submissions 18 made by other counsel, the first -- and, indeed, 19 also some things said by you, Mr. Commissioner -first of all, I did not and do not take objection 20 04:13 21 to what happened in the motel. I fully 22 appreciate that that's relevant to the issues 23 that have to be resolved at this Inquiry and 24 that's why no objection was taken to that 04:13 25 evidence.

23

24

25

04:14

With respect to the point by My Friend, Mr. Fox, that Mr. Karst no doubt will be strenuously cross-examined, yes he will be strenuously cross-examined, but not on his past so-called misdeeds or his past so-called sexual misconduct. He will be cross-examined on the facts of this case, and what happened, and how he was involved in this case.

I was troubled in my submission, rightly so, by having counsel take the opportunity, in their submissions, to throw even more mud at Mr. Milgaard during the course of their submissions. We've now moved into guns, we've moved into knives, we've moved into sexual misconduct, all in the course of submissions, which, in my submission, is not an appropriate way to respond to an objection to that kind of evidence being brought out through this witness in the way it was being brought out by Mr. Fox. I do not expect, when I argue that evidence A should not be admitted, to then hear more evidence A, B, C, D, and E being elicited in the course of submissions by counsel, but that's what we heard.

Finally, Mr. Commissioner, I

		3
	1	only say this because this is, as you have
	2	pointed out, a public forum where we're being
	3	recorded, and I only say this with respect, but,
	4	Mr. Commissioner, you did misspeak, misspoke
04:15	5	yourself a few minutes ago, when you said and
	6	I do quote you you said "I'm here to find out
	7	whether David Milgaard was wrongly convicted".
	8	And I know you misspoke yourself, but you did say
	9	that, and that, of course, is not I know you
04:15	10	know it's not
	11	COMMISSIONER MacCALLUM: No, I said "why",
	12	I meant "why", didn't I say "why"?
	13	MR. LOCKYER: No, you didn't, you said
	14	"whether", unfortunately.
04:15	15	COMMISSIONER MacCALLUM: Oh, thanks for
	16	pointing that out.
	17	MR. LOCKYER: So I just thought I would
	18	just bring that to your attention in case it was
	19	picked up wrongly by media, that's all.

COMMISSIONER MacCALLUM: Okay, thank you.

Mr. Fox, I think what I better do is adjourn for the day. I'm not at all sure that I can, that I can make a ruling which will be very useful in terms of giving guidelines to counsel, because I can foresee that such problems

1 are -- will arise on a continuing basis, and it 2 could be that they will have to be dealt with on 3 an ad hoc basis, I -- yes, sir? MR. GIBSON: If I may, just for a moment? 4 5 I apologize for rising at this 04:16 late moment but I think I have to, at this point, 6 reflect some of the concerns that have been railsed by counsel, because clearly we're going 8 9 to be getting into later stages of the 10 investigation dealing with the RCMP involvement 04:16 in '89 through '91, and then again in '93, --11 12 COMMISSIONER MacCALLUM: Yes? 13 MR. GIBSON: -- and then perhaps even later in '97. 14 15 There, of course, will be 04:16 16 similar concerns in the sense that the 17 impressions drawn by the RCMP, when they go and 18 re-interview witnesses, and what they are told as 19 to steps taken by the RCMP, and information then 20 passed along in both the 690 process and also in 04:16 21 the 1993 investigation, about the concerns raised 22 by the Milgaard family. 23 So I want to echo some of 24 Mr. Fox's concerns, Mr. Elson's concerns, about 25 how that does impact on steps taken by police 04:17

1 agencies, and I trust that you will take that 2 into consideration when you deliberate on those 3 points. Thank you. 4 MR. LOCKYER: Mr. Commissioner, may I just 5 apologize, I -- I can't be here tomorrow, 04:17 6 unfortunately I'm moving house, and it was arranged six months ago before any dates were set 8 by the Commission, and I'm very regretful I can't 9 be here tomorrow in light of the fact that I have started this so-called hornet's nest, and now I 10 04:17 have to leave in the middle of it. So if you 11 12 will accept my apology for that. 13 COMMISSIONER MacCALLUM: Oh, that's just fine, thank you. 14 15 Maybe, I -- before you adjourn, MR. FOX: 04:17 Mr. Commissioner, I might just indicate where I 16 17 thought I would go in light of the comments that 18 you made --19 COMMISSIONER MacCALLUM: Yes. 20 MR. FOX: -- and then I'll await your 04:17 21 ruling tomorrow. 22 I was not planning on 23 continuing with sort of a page-by-page review of 24 this statement, but there are four or five 04:18 25 general areas that I would put to the witness to

1 see if the witness had any recollection of them, and a number of those areas have been referred 2 3 to, and I would review -- and I would be glad to 4 argue, at that time, why I think they are 5 relevant, but I do think they are relevant. 04:18 Mr. Wolch is correct by 6 pointing out that how the police conducted the 8 investigation, in the sense of put pressure on 9 witnesses or whatever, is a relevant issue. 10 much has been made, all you have to do is read 04:18 11 the media reports, about whether they should have 12 relied on Albert Cadrain. So, certainly, 13 evidence which suggests that they should have, or 14 corroborated what he had to say in 1969, is also of significance and importance as well. 15 04:18 16 would propose to go at that in a more general 17 way, in other words identify the subject area and 18 then ask the witness if she has any recollection 19 of that, as opposed to going through the 20 statement specifically. And I thought I would 04:19 21 perhaps just advise Mr. Commissioner of that 22 before we adjourn. 23 COMMISSIONER MacCALLUM: Okay. Thanks. 24 Well I think I was in the

25

04:19

middle, mid-sentence before the penultimate

1 interruption, and what I was trying to say was it 2 might not be possible for me to give a useful 3 ruling which lays down predictable guidelines, but I should at least make a stab at it. 4 5 can, in any way, avoid a daily repetition of 04:19 objections of this kind, I would like to do it. 6 7 So we'll adjourn, tentatively 8 at least, until 10:00 tomorrow morning, and 9 perhaps after a sleepless night something will 10 inspire me. Thank you. 04:19 11 (Adjourned at 4:20 p.m.) 12 13 14 15 16 17 18 19 20 21 22 23 24 25
