Page 5565 1 Transcript of Proceedings 2 (Reconvened at 10:00 a.m.) 3 COMMISSIONER MacCALLUM: Good morning. 4 RONALD DALE WILSON, continued: 5 BY MR. HODSON: 6 Good morning, Mr. Wilson. Q 7 Morning. Α 8 0 Yesterday, Mr. Commissioner, I referred to, I was 9 reading a report, some transcript from Art 10 Roberts' evidence and he said, the transcript says 10:00 11 he was ticked off by I think what Mr. Wilson said 12 about Nichol John. One counsel has advised me 13 that that might be tipped. I'm not sure. The 14 transcript says ticked and maybe that's open to 15 interpretation. I raise it because I've been 10:00 16 asked to -- the transcript does say ticked as in 17 T-I-C-K. 18 If we could go back to call up 19 the Roberts' transcript from the Supreme Court, 20 please, and I think that's document ID 043300 and 10:00 21 if you could go to page 043328, and, Mr. Wilson, 22 yesterday when we ended for the day we were going 23 through this transcript and I'll just remind you 24 what this is again. This is Inspector Roberts who is the fellow who did the polygraph on May 23rd, 25 10:01 Meyer CompuCourt Reporting =

1		1969 that you've identified. He testified at
2		David Milgaard's Supreme Court reference in 1992
3		and this is the evidence that he gave under oath
4		at that hearing. You recall us discussing that
5		yesterday?
6	А	Yes.
7	Q	And these are his words under oath describing what
8		happened on May 23rd when he interviewed you and
9		the purpose of us going through this, I'll remind
10		you, is one, to see if any of it refreshes your
11		memory as to what happened, and secondly, to get
12		your take or comment or agreement or disagreement
13		with what he says happened, and I think we'll just
14		maybe go back cover a bit of the ground we
15		covered yesterday just for a moment here.
16		This question, and again this is
17		Mr. Neufeld from the government:
18		"Q All right. Was he being deceptive
19		when he was asked if he was the one who
20		did it?
21		A Oh, no. No. I'm sorry, on just the
22		two, suspect and
23		Q The S and the K, but not the Y?
24		A That's right.
25		Q All right. What did you do then, sir.

	1		Do you recall? If you don't, fine, but
	2		do you recall how long that actual
	3		physical testing process took?
	4		A I would probably have run two tests,
10:02	5		sir. You usually run two tests. Now,
	6		I would release the blood-pressure
	7		cuff so that it was comfortable after
	8		the first test and tell him to stay
	9		relaxed, take things easy, and that I
10:02	10		was going to run another test. And I
	11		probably did run another test."
	12		Does that sound like what happened, Mr. Wilson?
	13	А	I was sent out of the room prior to the second
	14		test.
10:03	15	Q	Okay. So you had the first test, you had the
	16		cuff, or whatever apparatus, hooked up to you; is
	17		that right?
	18	А	Could you repeat that, please?
	19	Q	Yes. What Mr. Roberts is saying here is that he
10:03	20		would run the same questions run the test
	21		twice?
	22	А	Yes.
	23	Q	And that in between he would take off the
	24		blood-pressure cuff and tell the witness to stay
10:03	25		relaxed, etcetera, and then he would ask the same
			Meyer CompuCourt Reporting

	1		questions again, and my question to you was is
	2		that what you recall happening, and I think you
	3		said you left the room?
	4	А	Yeah, I was disconnected from the machine and I
10:03	5		left the room.
	6	Q	Okay. So and then did you come back in the
	7		room at a later point and get hooked up to the
	8		machine again?
	9	А	Yes, I did.
10:03	10	Q	And how long were you out of the room?
	11	А	I would say over an hour.
	12	Q	And did you talk to anybody while you were out of
	13		the room?
	14	А	Nichol.
10:04	15	Q	And do you recall what you discussed with Nichol?
	16	А	Just let's give them what they want and let's sink
	17		him.
	18	Q	And where did you see Nichol, where did you have
	19		this discussion?
10:04	20	А	Out in the hallway.
	21	Q	And would this be at the hotel?
	22	А	Yes.
	23	Q	And did you talk to any police officers?
	24	А	No.
10:04	25	Q	And so you went back in the room and then were
			1

			Vol 29 - Thursday, March 17th, 2005
			rage 5507
	1		hooked up again to the machine?
	2	А	Yes.
	3	Q	And then went through I think you told us
	4		yesterday that the same questions you went through
10:04	5		again?
	6	А	Yes.
	7	Q	And then Mr. Roberts is asked:
	8		"Q What would be the purpose? Was this an
	9		identical test? The same questions
10:04	10		and
	11		A Exactly the same test, sir.
	12		Q Do you recall how long it would have
	13		taken to do one of the tests?
	14		A As I say, actually to conduct an
10:04	15		actual
	16		Q Yes, just the physical test itself.
	17		A About for-and-a-half to five minutes."
	18		I pause there, and I believe what Roberts is
	19		saying, the actual questions and answers while
10:05	20		you are hooked up to the machine he says takes
	21		four and a half to five minutes. What is your
	22		recollection about how long that took?
	23	А	Each session took an hour at least.
	24	Q	Okay. And when you say session, what are you
10:05	25		including in session?

	-		Vol 29 - Thursday, March 17th, 2005
			Page 5570
	1	А	Questions, talking to me.
	2	Q	So would that include the interview and discussion
	3		then as well?
	4	А	Yes, after the tests, yeah.
10:05	5	Q	Are you able to tell us your best estimate as to
	6		how long, and when I use the word session I'm
	7		going to use it maybe a little bit different to
	8		what you are telling me
	9	А	Okay.
10:05	10	Q	from when Inspector Roberts hooked you up to
	11		the lie detector test and said okay, I'm going to
	12		now ask you questions, you give me answers and
	13		we're going to get a reading on this, okay. Not
	14		the pre-test discussion or the post test, just the
10:06	15		actual time when you were hooked up to the
	16		polygraph machine.
	17	А	An hour.
	18	Q	So you were hooked up for an hour?
	19	А	Yes.
10:06	20	Q	Total or at each time?
	21	А	Each time.
	22	Q	And can we go to the next page, please. I'm
	23		sorry, go back to 0433. Just scroll up to the
	24		top, please, line 5, and Roberts is asked:
10:06	25		"Q Did you vary anything between the two

			Page 5571
	1		tests?
	2		A Not to my knowledge, no, sir.
	3		Q Was that your practice, to make any
	4		variations?
10:06	5		A No."
	6		And do you remember, Mr. Wilson, were the
	7		questions the same in each of the two sessions?
	8	А	Most of them were, yes.
	9	Q	Do you think there might have been any
10:07	10		different are you able to recall?
	11	А	There might have been some different ones, yes.
	12	Q	Do you remember any of them?
	13	А	No, I don't.
	14	Q	And then:
10:07	15		"Q In the course of your testing, I think
	16		you have told us that the questions are
	17		shown to the witness and made clear what
	18		is going to be asked of him?
	19		A Yes.
10:07	20		Q Does the witness know the order that
	21		these questions are going to be put to
	22		him.
	23		A Yes, sir."
	24		Do you recall
10:07	25	А	No, they weren't.

	-		Vol 29 - Thursday, March 17th, 2005
			Page 5572
	1	Q	I'm sorry, no, they weren't?
	2	А	No, they weren't.
	3	Q	What weren't?
	4	А	I wasn't told what order or what the questions
10:07	5		were.
	6	Q	And at the bottom:
	7		"Q Are these questions repetitive in any
	8		way? Do you ask him
	9		A In other words, do I ask the same
10:07	10		question twice within the same test?
	11		Q That's right.
	12		A In a certain type of test, yes, you
	13		would, but not in this test."
	14		Now, if I can pause there, and I think what the
10:07	15		question asked of Roberts was do you ever ask the
	16		same question in the same session and he said no,
	17		not in this case.
	18	А	Yes, he does, and sometimes it would just be
	19		reworded a little bit different.
10:08	20	Q	And so and again I think you told us there were
	21		two separate sessions; correct?
	22	А	Yes.
	23	Q	And that they were similar in nature and similar
	24		or identical questions between the two; is that
10:08	25		fair?
			Meyer CompuCourt Reporting

			r age 3373
	1	А	Yes.
	2	Q	Let's just talk about one test itself, and within
	3		that one test or one session do you recall whether
	4		or not Inspector Roberts asked you identical
10:08	5		questions or the same questions?
	6	А	Yes, he did.
	7	Q	Do you recall what those questions were?
	8	А	Mostly about who killed Gail Miller, if it was me,
	9		David or if I knew anything about it.
10:08	10	Q	And he would have asked you and again just
	11		talking in each session, not between the two, but
	12		just in the one session, would he ask you the same
	13		question then more than once?
	14	А	Yes.
10:08	15	Q	Do you recall how many times?
	16	А	At least five to six times.
	17	Q	Now, carrying on here, the question:
	18		"Q Not in this test. All right. So, you
	19		would release the blood-pressure cuff,
10:09	20		relax for a few minutes, and then you
	21		believe your practice was, in any
	22		event, to run a second test?
	23		A Yes.
	24		Q What was the purpose of running a second
10:09	25		test?

Page 5574 : 1 Just to make sure and verify the Α 2 results." 3 Do you recall any discussion with Inspector Roberts about the purpose of the second test? 4 No, I didn't. 5 А 10:09 Did you understand why he was doing it a second 6 Q 7 time? 8 No, I didn't. Α 9 And scroll down, please: Q 10 "Ο What happened then, that you can 10:09 remember? 11 12 Α As I recall, I then tore the graphs 13 off, released all the instruments from him, and I made him comfortable in the 14 15 Then, normally, if I got a chair. 10:09 16 response showing he was deceptive, I 17 would say, "You've had trouble 18 answering these questions. Can you 19 explain it to me?" 20 Do you recall a discussion of that nature with 10:09 21 Inspector Roberts? 22 Α He told me I was lying. 23 0 Do you recall the actual words that he used? 24 Α Not the actual words, no. 25 Did they include the words lying though? 10:09 Q

— Meyer CompuCourt Reporting

Page 5575 1 Α Yes. And down at the bottom: 2 0 3 "Ο Do you recall saying that? 4 Α Yes. 5 You recall that? 10:10 0 6 Α Yes, I recall saying to him, "I think 7 you are lying to me, Ron." 8 And I think that's what you've told us, that's 9 what you recall him telling you? 10 Α Yes. 10:10 11 Okay, go on. Q " O 12 Α He said, "Where?", or "When?", and so 13 on and so forth. So, I showed him the 14 chart. I said, "Now, you pick out 15 where you think there's a variance in 10:10 16 this chart." He looked at it and he 17 pointed directly to the response." 18 Do you recall an exchange of that nature with 19 Inspector Roberts? 20 No, I don't. 10:10 Α 21 Do you recall him showing you the chart or asking Q 22 you to point something out on the chart? 23 Α I never saw the charts. 24 0 "Ο All right, go on. The three indicators. 25 Α I said, "You're 10:10

— Meyer CompuCourt Reporting =

	r		Vol 29 - Thursday, March 17th, 2 Page 5576
	1		right, that's where you lied." Now,
	2		he indicated that he thought there was
	3		something wrong with he called it
	4		the machine and we refer to it as an
10:11	5		instrument.
	6		Q That's fine, go on.
	7		A I said to him, "No, that is where I
	8		"
	9		Let me actually stop there. Do you recall a
10:11	10		discussion with Inspector Roberts to the effect
	11		that you thought there was something wrong with
	12		the machine or instrument or polygraph?
	13	А	I believe I did after he called me a liar.
	14	Q	Pardon me?
10:11	15	А	After he told me that I was lying, I said I
	16		thought there was something wrong with the
	17		machine.
	18	Q	And what do you recall of that discussion?
	19	А	Nothing.
10:11	20	Q	And then he carries on?
	21		"A I said to him, "No, that is where I
	22		asked you, 'Do you suspect anyone? Do
	23		you know for sure?'" And I said, "Can
	24		you explain that?"
10:11	25		If I can just pause there. I think you may have

	1		answered this yesterday, do you recall being
	2		asked questions of that nature, do you suspect
	3		anyone, do you know for sure who killed Gail
	4		Miller?
10:11	5	А	Yes, I believe I was asked that, yes.
	6	Q	And he carries on here, and this is Roberts'
	7		evidence:
	8		" He finally said that Milgaard had made a
	9		remark to him, and he said that he kind
10:12	10		of thought that he wasn't sure, and he
	11		couldn't really say for sure that he was
	12		the one. I asked him then, I said,
	13		"Well, what did he say to you?" He said
	14		that he had hit the girl. He had hit a
10:12	15		girl. Now, I took it to mean Gail
	16		Miller. I said, "Did he say the girl in
	17		the back alley?", and he said, "Well, I
	18		knew it was the girl in the back alley
	19		and he said he hit the girl." I said,
10:12	20		"What did you take it to mean by that?"
	21		Well, he says, "That he murdered her."
	22		He didn't say "murdered", he said
	23		something else, but it meant the same
	24		thing. "Killed her", I think he said."
10:12	25		Pause there and just go to the full page on the
			Meyer CompuCourt Reporting

Page 5578 : 1 second one, please. So that part that I just read you there, Mr. Wilson, do you recall a 2 discussion of that nature? 3 4 Α No, I don't. 5 Now, I think you told us yesterday that one of the 10:12 Q questions, and I can't recall whether it was do 6 7 you know or do you suspect who killed Gail Miller, 8 you changed your answer from no to yes, or maybe 9 it was the question did David Milgaard kill Gail 10 Miller. 10:13 11 Α Yes. 12 Q Do you remember that? 13 Α Yes. 14 And what do you recall of what you told Inspector Q 15 Roberts about what you thought about Mr. 10:13 16 Milgaard's guilt or innocence with respect to the 17 murder of Gail Miller? 18 Α I just told him we were all innocent, that David 19 was too. 20 But at the end of the interview did you 10:13 0 Okay. 21 maintain that position? 22 Α Not by the end of the second one, no. 23 COMMISSIONER MacCALLUM: Not what? 24 Α Not by the end of the second interview. 10:13 25 BY MR. HODSON:

— Meyer CompuCourt Reporting

Page 5579 1 Q By the end of the second interview? 2 Α Yes. 3 Let me just back up. The first session that you 0 4 had, and I think you then left the room and came 5 back for a second session, during the first 10:13 session do you recall if you said anything 6 7 incriminating about David Milgaard in the first 8 session? 9 No, I didn't. Α 10 And in the second session did you say anything 10:13 0 incriminating about David Milgaard? 11 12 Α Yes. 13 0 And can you recall what that was? 14 Just when I started answering yes to the questions Α 15 and then later on in the interview after that. 10:14 16 Tell me what you recall -- I think you told us Q 17 while you were hooked up to the machine you would 18 have answered yes to a question that did David 19 Milgaard kill Gail Miller, or words to that 20 effect; is that fair? 10:14 21 Yes. Α 22 Q And then after that in the interview with 23 Inspector Roberts, did you say more to him about 24 David Milgaard's culpability or responsibility for Gail Miller's murder? 25 10:14

— Meyer CompuCourt Reporting

	i	r	Vol 29 - Thursday, March 17th, 2005
			rage 5500
	1	А	That I don't recall right now, at this present
	2		time.
	3	Q	Yeah. Now, if we just take a look at this,
	4		Mr. Wilson, and again this is what Inspector
10:14	5		Roberts is saying you said, okay, these aren't
	6		your words, these are his words what he says he
	7		attributes to you, and he says that you right
	8		here. He attributes to you that you said that:
	9		" he had hit the girl. He had hit a girl."
10:15	10		" and he said, "Well, I knew it was the girl in
	11		the back alley and he said he hit the girl."
	12		"What did you take it to mean by that?" And he
	13		and this is you I think "that he murdered
	14		her. He didn't say "murdered", he said something
10:15	15		else that meant the same thing. "Killed her"."
	16		Do you recall a discussion of that nature with
	17		Inspector Roberts at the time?
	18	А	After the end of the polygraph, yes.
	19	Q	Okay. So after the polygraph was done, in a
10:15	20		discussion with you and Inspector Roberts, do you
	21		recall saying words to this effect?
	22	А	Yes I do.
	23	Q	And so you would or would you agree with
	24		Inspector Roberts' evidence, here, as to what he
10:15	25		attributes to you? And I'm not asking you to say
			Meyer CompuCourt Reporting

	-		Vol 29 - Thursday, March 17th, 2005
			Page 5581
	1		verbatim the exact words, but similar words, would
	2		you agree that he is your version of what you
	3		told him is fairly accurate?
	4	А	Yes.
10:16	5	Q	Okay. Now and, again, this is with you and
	6		Inspector Roberts, is that correct, in the hotel
	7		room?
	8	А	Yes.
	9	Q	Now when you said these words to Inspector Roberts
10:16	10		that David had said to you that he had hit a girl
	11		and killed her or murdered her, words to that
	12		effect, was that a true statement that you made to
	13		
	14	А	No, it wasn't.
10:16	15	Q	Why did you say it?
	16	А	To get out of there.
	17	Q	And when you said these words to Inspector Roberts
	18		did you appreciate, in your own mind, that you
	19		were lying?
10:16	20	А	At that time I really wasn't sure.
	21	Q	Why do you say that?
	22	А	Because, by that point, I had started to believe
	23		that it was possible he did do it so
	24	Q	So let's just go back for a moment to the and
10:17	25		I'll ask you to draw a distinction between what
			Meyer CompuCourt Reporting

			Vol 29 - Thursday, March 17th, 2005
			Page 5582
	1		you said to Inspector Roberts about David
	2		Milgaard's guilt and what you thought in your mind
	3		for a moment, okay, because here the words that
	4		Roberts says you told him is that David Milgaard
10:17	5		told you that he had hit a girl; okay?
	6	А	Uh-huh.
	7	Q	And did you ever think, in your mind, that David
	8		Milgaard had told you that?
	9	А	No.
10:17	10	Q	So, when you told Inspector Roberts that, you
	11		would have known when you told Inspector
	12		Roberts that David Milgaard had told you that he
	13		had hit a girl and murdered or killed her, or
	14		words to that effect, did you know that that was
10:17	15		not the truth at the time you said it?
	16	А	Yes, I did.
	17	Q	And back to my question: Why did you tell
	18		Inspector Roberts that, that David Milgaard had
	19		told you that, when you knew it wasn't true?
10:18	20	А	Because prior to saying that to him, he had asked
	21		me questions after the polygraph was over and was
	22		basically telling me that I knew the truth, and
	23		basically started putting everything together for
	24		them.
10:18	25	Q	I'm sorry, he what did you say?
			1

			Vol 29 - Thursday, March 17th, 2005
			Page 5583
	1	А	He was asking me questions, like said I was lying,
	2		like "okay, you knew you were there".
	3	Q	Yes?
	4	А	And so then we started I started piecing
10:18	5		together the story that they wanted in my head.
	6	Q	I'm sorry, you said you started to piece together
	7		the story?
	8	А	Well, I had powers of suggestion to put a story
	9		together,
10:18	10	Q	Okay.
	11	А	so I had opportunity to do it then.
	12	Q	So at the time you made this statement to
	13		Inspector Roberts about what you said that David
	14		Milgaard had told you what did you think, at that
10:19	15		time, about whether or not David Milgaard was
	16		responsible for Gail Miller's murder?
	17	А	Deep inside, I didn't think he was, but I figured
	18		this is what they wanted so this is what they are
	19		gonna get.
10:19	20	Q	So did you make a decision, at that point, to
	21		incriminate David Milgaard?
	22	А	Yes I did.
	23	Q	Sir, did you appreciate the consequences of that
	24		decision at the time?
10:19	25	А	No I didn't.

			Vol 29 - Thursday, March 17th, 2005
			Page 5584
	1	Q	When did you appreciate the consequences of that
	2		decision?
	3	А	In the '80s.
	4	Q	At the time you made this statement to Inspector
10:19	5		Roberts, did you appreciate what might follow
	6		that?
	7	А	Not really. I I didn't know how something
	8		serious, that worked.
	9	Q	And did it cross your mind that what you had to
10:19	10		say to them might result in Mr. Milgaard being
	11		charged with the murder of Gail Miller?
	12	А	Yes I did.
	13	Q	And did you appreciate that what you said may lead
	14		to a conviction of David Milgaard for the murder
10:20	15		of Gail Miller?
	16	А	Yes.
	17	Q	And at this time, I think you told us yesterday,
	18		David Milgaard would have been a friend of yours;
	19		is that correct?
10:20	20	А	Yes.
	21	Q	Can you tell me more about, to the extent that you
	22		can recall Mr. Wilson, just what was said or what
	23		you recall being said between you and Mr. Roberts
	24		in this interview that you have talked about? I
10:20	25		think this I think you said it was after the

Q 15 That's when I had started doubting myself and 10:21 Α 16 maybe he was right. 17 Is that what you thought at the time? Q 18 Yes. Α 19 0 Why? 20 Because, as he had told me earlier, maybe I had 10:21 Α 21 blanked it out of my brain. 22 Q Okay. Did you think that that had happened? 23 Α It was a good possibility. 24 0 Did you have any discussion with Inspector Roberts 25 about drug use? 10:21

1 Yes, in talking to him he indicated Α that he had got out of the car. 2 Ι 3 think it was to seek help to get a 4 tow-truck, or get a push, or 5 something. When he came back he said that the girl in the car, Nichol John, 6 7 was quite agitated. She was upset. 8 He asked her, apparently, what had 9 happened, and I'm not too sure of the 10 reply, sir, so I would rather not 11 say." 12 If I can pause there, do you recall telling 13 Inspector Roberts that you got out of the car to 14 seek help to get a tow truck or get a push or 15 something? 10:23 16 No. Α 17 Did that --0 18 No, I don't recall that. Α 19 0 And I think you told us, yesterday, that actually 20 happened; is that --10:24 21 Α Yes. 22 Q You recall that happening? 	2		Do you reca	ll discussing that with Inspector
	3		Roberts?	
	4	А	No I don't.	
10:24	5	Q	And Roberts	is asked:
	6		"Q I	don't want you to speculate, as I told
	7		уо	u at the beginning. Just go on with
	8		уо	ur recollections.
	9		A As	I say, I went on with this, and I
	10		as	ked him, then, would he be prepared
	11		no	w to tell the truth about the
	12		ma	tter. Now that he had told me about
	13		it	, would he now be prepared to tell

	4		tell everything.""
10:25	5		If I can pause there, do you recall a discussion
	6		of that nature with Inspector Roberts?
	7	А	Yes I do.
	8	Q	And has he accurately described
	9	А	I would say fairly.
10:25	10	Q	And he says, here, the words:
	11		" would he now be prepared to tell

10:25	15		Do you recall any discussion with Inspector
	16		Roberts about that?
	17	А	No I don't.
	18	Q	Now if we can just get down to this part, what
	19		Roberts says he said in front of Karst is that
10:26	20		your incriminating evidence is that Milgaard had
	21		told you:
	22		" that he hit a girl or killed a girl
	23		in the back alley",
	24		and we will be getting to your May 23rd statement

	1		that statement, and in fact at the trial of David
	2		Milgaard, you had you gave more evidence that
	3		was incriminating to David Milgaard than than
	4		these comments?
10:26	5	А	Right.
	6	Q	Correct?
	7	А	Yes I did.
	8	Q	And as I say, I'll get to the statement, but I
	9		think you said you observed blood on his clothes,
10:26	10		and you had a comment of a discussion you had with
	11		Nichol John, and some words that Mr. Milgaard said
	12		when he got back to the car. You will recall we
	13		went through those yesterday when I asked for your
	14		recollection of events?
10:26	15	А	Yes.
	16	Q	Do you recall whether you would have told
	17		Inspector Roberts any other incriminating when
	18		I say "incriminating", incriminating to David
	19		Milgaard any other incriminating evidence at
10:27	20		this interview with him?
	21	А	No.
	22	Q	Is it possible you would have told him more than
	23		just what he says here about David Milgaard's
	24		admission?
10:27	25	А	It is possible. I can't remember right now.
			Meyer CompuCourt Reporting

			Page 5592
	1	Q	Okay. And maybe I can just be a bit more
	2		specific. Do you recall any discussion with
	3		Inspector Roberts about you observing blood on
	4		David Milgaard's clothes?
10:27	5	А	No I don't.
	6	Q	About seeing a knife in the car or on David
	7		Milgaard?
	8	А	No I don't.
	9	Q	Now I think you said yesterday correct me if
10:27	10		I'm wrong that you would have looked at some
	11		knives in the presence of
	12	А	Yes.
	13	Q	Roberts? Do you recall if you would have told
	14		Inspector Roberts that you saw a knife?
10:27	15	А	Well, I did pick one out for him, but I can't
	16		remember if I told him where I saw it.
	17	Q	Okay. And what about the discussion on the trip
	18		down about purse snatching or breaking and
	19		entering or rolling somebody; do you recall if you
10:28	20		discussed that with Inspector Roberts?
	21	А	The breaking and entering I might have, yes.
	22	Q	And do you recall any discussion with Inspector

	9		Does that assist your memory at all as to the
10:38	10		events of that day, Mr. Wilson?
	11	А	No, it doesn't.
	12	Q	Do you remember well, what Roberts reports is
	13		that after he met with Nichol John he called you
	14		back and had the two of you, and I think his words
10:38	15		were:
	16		" Wilson came back and we sat and
	17		talked for, I don't know, possibly about
	18		three-quarters of an hour."
	19		Do you have any recollection of that?
10:38	20	А	Not with the three of us, no.
	21	Q	Do you have any recollection without the three of
	22		you, with someone else?
	23	А	No, just when Roberts brought me back the second
	24		time.
10:38	25	Q	Okay. Now I just read to you what Roberts
			3

Page 5603 1 testified as to what Nichol John said to him at the polygraph --2 3 Α Yes. 4 -- or pardon me -- at the interview? Q 5 10:38 Α Yes. In fairness, he said he didn't give her the 6 0 7 So those words that I read, and in polygraph. 8 particular about where he reports that Nichol John 9 said: 10 "She said, "My God, I do remember. I do I saw him fighting with her 11 remember. 12 down the lane. I saw him stab her.""; 13 do you recall whether Inspector Roberts would 14 have told you that, whether Nichol John was there 15 or not, whether he would have informed you on May 10:39 16 23rd, 1969 about what Nichol John had said to him 17 in her interview? Do you understand my question? 18 Yes I do. Α 19 0 Okay. 20 10:39 Α No. 21 You don't have any recollection? Q 22 Α I have no recollection, no. 23 Q Go to page 043343. Did you see Nichol John that 24 night, May 23rd, do you remember? 25 I don't remember if I saw her that night or not. 10:39 Α

1	Q	And at t	he top Roberts is answering a question,
2		and the	question, just from you don't have to
3		go back,	it says:
4		" Q	Do you assess their physical conditions
5			to see whether they're suitable for
6			being interviewed or tested at that
7			point?
8		А	Yes, as well as you are able. In
9			fact, you ask the question: How many
10			hours' sleep did you have last night?
11			Did you have any drugs pills or
12			drugs in the last twelve hours, I
13			think it is. I just forget the exact
14			timeframe on it.
15		Q	Is that your normal practice?
16		А	That's my normal practice, yes.
17		Q	Do you know if you did that with each of
18			these two individuals?
19		А	I didn't do it with Nichol John,
20			because I never did test her, but I
21			would have done it with Wilson.
22		Q	Was there any physical indication at
23			that time that either of them were in
24			some physical difficulty or problem?
25		A	Not with Wilson, but I did think that

	2		Do you recall any discussion with Inspector
	3		Roberts on May 23rd, '69, about your drug use
	4	А	No I don't.
10:40	5	Q	in the days leading up to that?
	6	А	No I don't.
	7	Q	What do you recall, Mr. Wilson, of your physical
	8		condition at the time?
	9	А	Physically, I was fine.
10:41	10	Q	Mentally?
	11	А	Messed up.
	12	Q	And why is that?
	13	А	Foggy, in a drug fog.
	14	Q	Okay. Explain that for me, please?
10:41	15	А	When you are just coming down off acid and your
	16		body is, well, your body is drained but your mind
	17		is more drained than your body is.
	18	Q	Your mind is what, I'm sorry?
	19	А	Drained than your body is.
10:41	20	Q	Prior to your meeting with Inspector Roberts,
	21		then, do you recall when you would have last taken
	22		LSD or any drugs?
	23	А	The day I went to Saskatoon, just prior to that.
	24	Q	And I think that was the afternoon of May 21st; is
10:41	25		that correct?

	1	А	I believe so, yes.
	2	Q	Do you recall if you took any drugs while you were
	3		in Saskatoon?
	4	А	Umm, I don't believe I did, I didn't have enough
10:41	5		money with me.
	6	Q	Page 043344, here Roberts talks about the knives,
	7		he is asked:
	8		"Q All right. Do you recall dealing with
	9		any other exhibits, or potential
	10		exhibits, in this case, other than the
	11		clothing that you described to us?
	12		A No, sir, I don't.
	13		Q Were you aware, in your preparation for
	14		these tests, of a potential weapon in
	15		this murder?
	16		A Yes, sir.
	17		Q Did you have any dealings with such a
	18		potential weapon, or did you have any

	20		A I believe I saw some knives, or a
	21		knife, but I cannot be too sure of
	22		that, sir."
	23		Do you recall, and I think you have told us a bit
	24		about being shown knives and picking out knives,
10:42	25		is that right?

			Page 5607
	1	А	Yes.
	2	Q	And do you recall whether Inspector Roberts was
	3		involved in that process at all?
	4	А	He was in the room.
10:42	5	Q	And do you know if he was involved were there
	6		others in the room at the time?
	7	А	Yes, there was another officer.
	8	Q	Do you remember who that was?
	9	А	No I don't.
10:43	10	Q	And was Inspector Roberts involved in the process
	11		where you were being shown the knives and asked to
	12		pick out a knife?
	13	А	All I remember is that he was in the room.
	14	Q	That he was in the room?
10:43	15	А	Yes.
	16	Q	Page 043349. And, again, this is Mr. Neufeld
	17		questioning Roberts about his interviews with you
	18		and with Nichol John:
	19		"Q Did you suggest answers to these people?
	20		A No. I could possibly have said,
	21		during the interview: Could this have
	22		happened? Could that have happened?
	23		That is a technique of interviewing.
	24		Could it have happened? You are
	25		either trying to refresh their memory
			Meyer CompuCourt Reporting

Page 5608 : 1 or hope that they will come with the 2 admission. 3 Now, I could have said that, 4 but I don't recall it." 5 Do you have any recollection of whether or not 10:43 6 Inspector Roberts asked you or suggested answers 7 to you in the course of his interview or the 8 polygraph? 9 Α During the interview, yes. 10 And tell us what you recall of that? 0 10:44 11 А It was like "you knew you were there", like I 12 repeated before, "you didn't see anything but, you 13 know, but you knew it happened", and things of 14 that nature. 15 And what did you reply to him when he said that? 10:44 Q 16 I started thinking maybe he was right. Α 17 Neufeld asks Roberts: 0 18 " O All right. Just allow me to check my 19 notes for a moment. 20 It has been suggested by 10:44 21 Mr. Wilson that he was brainwashed, 22 misled and manipulated by police 23 officers." 24 Just pause there. Have you suggested that 25 before, Mr. Wilson? 10:44

— Meyer CompuCourt Reporting

Page 5609 1 Α I believe I have, yes. And can you tell us -- and again these are Mr. 2 0 3 Neufeld's words in a question to Mr. Roberts, but 4 you are now saying that you have made those 5 suggestions before? 10:45 6 Α Some of them, yes. 7 Can you explain what you mean by that? Q 8 That I was told where everything happened, showed Α 9 where everything happened and basically led into 10 making up my story. 10:45 11 Q And that you -- it's reported here that you say 12 you were misled and manipulated by police 13 officers? 14 Α Yes. 15 And who are you referring to? 10:45 0 16 Mr. Roberts mostly, yes. Α 17 Anybody else? Okay. 0 18 I believe the other two that interviewed me after Α 19 when I gave my statement. 20 And do you recall who that was? 10:45 0 21 I believe it was Karst and Short. Α 22 Q And what are you saying they did? 23 Α They helped me with the story. 24 Q Okay. In what way? 25 Kept on making suggestions to me about where we 10:46 Α

	2	Q	If you can scroll down actually, when you use
	3		the term brainwash, what do you remember by that?
	4		Is that your word do you know?
10:46	5	А	It might have been my word, but back then it could
	6		have been that's what I thought because in the
	7		frame of mind I was in.
	8	Q	And the answer of Roberts here is:
	9		"A I'm not a brainwasher, sir, or a
10:46	10		hypnotist, or anything else like that.
	11		I am as I am, and I certainly I think
	12		I handled both with kid gloves because I
	13		knew I was dealing with a murder case
	14		and I had been in homicide and run the
10:46	15		homicide squad in Calgary for a good
	16		number of years. I know what and how
	17		serious a case like that is. So, no,
	18		sir."
	19		I think that calls for a comment, Mr. Wilson.
10:47	20	А	He wasn't a nice person.
	21	Q	Pardon me?
	22	А	He didn't treat with me kid gloves, no.
	23	Q	And why do you say that?
	24	А	His tone of voice, his intimidation, things of
10:47	25		that nature.
			Meyer CompuCourt Reporting

			Vol 29 - Thursday, March 17th, 2005
			Page 5611
	1	Q	And what do you mean by tone of voice? Tell me
	2		what you observed?
	3	А	I can't remember. I don't know how to put it.
	4	Q	You used the word intimidated. What do you mean
10:47	5		by that?
	6	А	Well, the raising of his voice, his mannerism.
	7	Q	Go to page 043359 and these are questions of
	8		Inspector Roberts by Mr. Wolch who was the lawyer
	9		for David Milgaard and he says:
10:48	10		"Q But you were commencing on the
	11		assumption that these kids "
	12		And he's referring to you and Nichol John,
	13		" were holding back or not telling the
	14		truth?
10:48	15		A That's correct."
	16		Did you have that impression of Inspector
	17		Roberts?
	18	А	Yes.
	19	Q	And on what basis do you say that?
10:48	20	А	The way he kept on basically hounding us.
	21	Q	When you say us
	22	А	Well, I should say me.
	23	Q	Page 043361, and again this is Mr. Wolch
	24		questioning Mr. Roberts, he says:
10:49	25		"Q In terms of the demeanour of the kids,
			Meyer CompuCourt Reporting

	1		Wilson, did he seem calm; agitated? Did
	2		he change from time to time? How would
	3		you describe him?"
	4		And Roberts answers:
10:49	5		"A Wilson was certainly a lot calmer than
	6		Nichol John. I think I knew at that
	7		time that Wilson had previously been in
	8		trouble with the police. I'm saying I
	9		think I knew he had previously been in
10:49	10		trouble with the police. To me, he
	11		exhibited the behaviour of somebody that
	12		had been previously questioned by the
	13		police and wasn't going to tell them too
	14		much. In other words, he just wasn't
10:49	15		going to squeal on anybody. That was
	16		the recollection I have of that."
	17		Now, that's Inspector Roberts' assessment or
	18		observation of you. Had you been previously
	19		questioned by the police?
10:50	20	А	Yes.
	21	Q	Would you agree with Inspector Roberts' assessment
	22		of your demeanour as he described take your
	23		time and read that over if you like.
	24	А	No, I wouldn't.
10:50	25	Q	Why not?
			Mayor CompuCourt Deporting

Page 5613 1 А Because other than Ken Walters, I was scared of 2 the police. 3 Other that Ken Walters? 0 4 Yes. Α 5 And why were you scared of the police? 10:50 Q Because I didn't like dealing with them. 6 Α 7 Why? Q 8 Α Because they were the police. 9 Because you had been charged and convicted? Q 10 Α Yes. 10:50 11 Would the previous dealings with the police be Q 12 when you, Mr. Wilson, were in trouble for 13 something? 14 Α Yes. 15 And you say it was different with Walters; is that 10:50 0 16 right? 17 Α Yes, it was. 18 And why is that? Q 19 Α Because he had become kind of a friend. 20 And then just down to the bottom, Roberts is asked 10:51 0 21 about you: 22 " O So, he was going to be a bigger 23 challenge, from your perspective? 24 Α Oh, yes. 25 He was shown photographs, was he not, of 10:51 0

	6	Q	What would be the purpose in showing him

	8	А	To see whether or not he could recall
	9		having seen that girl in the alley.
10:51	10	Q	You would think he'd forget something
	11		like that?
	12	A	Some of them conveniently forget, sir.
	13	Q	And this photograph might just refresh
	14		his memory?
10:51	15	A	Might jog his memory.
	16	Q	Jog his memory. What about clothing?
	17		He was shown clothing, as well?
	18	A	Yes, I believe he was. Yes. I don't
	19		know that he made any specific remark
10:51	20		about them.
	21	Q	And that would include the dress?
	22	А	Yes.
	23	Q	And the dress was blood-stained?
	24	А	Yes, I believe it was. Yes.

	6		Q	What's the point of showing him

	8		A	Oh, he could see that it was a dress

	11		Let me pa	ause there. I think you may have already
	12		told us t	chis, Mr. Wilson. Does that, what

10:52	15	Q	And the o	question:
	16		" Q	Now, the charts for Wilson, do they have
	17			the questions on them?
	18		A	Oh, yes.
	19		Q	You are sure of that?
10:52	20		А	But they have a number.
	21		Q	That's what I want to get at. I mean,
	22			the actual question is not on the chart?
	23		A	Oh, no, it's not written on the chart.
	24			No.
10:53	25		Q	Okay. So, if you read the chart you
				Meyer CompuCourt Reporting

Page 5616 : 1 can't see the questions? 2 Α No, you would have to have the other 3 copy of the questions. 4 So, if Wilson pointed to the chart, he Q 5 wouldn't know what question he was 10:53 talking about? 6 7 No, he asked me and I told him. Α Ι 8 pointed to the question -- the list of 9 questions -- and the chart, "Here's 10 the number." 10:53 Do you recall any of that with Inspector Roberts? 11 12 Α No. 13 0 It carries on: 14 " O Is that one of the questions you asked 15 Did you ever intentionally hurt Wilson: 10:53 16 anyone? 17 Yes, sir. Α 18 How did he answer that? 0 19 Α What do you mean: How do you 20 10:53 answer --21 How did he answer it? 0 22 Α "No." 23 Q He said he had never intentionally hurt 24 anyone? 25 That's right. 10:53 Α

	3	А	That's right. It's a known lie.
	4	Q	It's a known lie?
10:53	5	A	Yes, sir.
10.00	6	Q	You are losing me on that one. Why is
	7	Ų I	that a known lie?
	, 8	2	
		A	Somebody at every time in their life
	9		has intentionally lied and hurt
10:54	10		somebody.
	11	Q	So, you know he was lying without even
	12		looking at the chart?
	13	А	But, now, if he remembered it you
	14		see, it's very simple, sir, to tell a
10:54	15		lie. But the fear of telling a lie
	16		and being detected in that lie is what
	17		causes the polygraph to operate.
	18	Q	I'm having a little bit of trouble. You
	19		asked him the question: Did you ever
10:54	20		intentionally hurt anybody?
	21	A	Yes.
	22	Q	That's one of the questions you asked

	1		Q And you asked him that question, which,

	4		A Oh, yes, I suppose it could do. Yes,
10:54	5		and I had previously told him that in

	8		If I can pause there. Do you recall, Mr. Wilson,
	9		the question being asked of you did you ever

	11	А	No, I don't recall it.
	12	Q	Now, carrying on right here, and I'll read this
	13		again:
	14		"Q And you asked him that question, which,
10:55	15		you might agree with me, may cause him

	21		Q Okay. So, you thought he was a suspect?
	22		A No, no, that he was not a suspect.
	23		I'm sorry. I made a mistake there."
	24		If I can pause, and I'm sorry if I've asked you
10:55	25		this question before, Mr. Wilson, but do you have
			Meyer CompuCourt Reporting

Page 5619 : 1 any recollection, or what is your recollection of 2 any discussion with Mr. Roberts about whether or 3 not you were a suspect in his mind of the Gail Miller murder? 4 5 Α I can't recall that right now. 10:55 6 Go to the next page, please, and again he's asked 0 7 the question: 8 " Q Did you ever intentionally hurt anyone? 9 Α That's a broad question. It was not 10 brought back to the actual murder, 10:56 11 sir. 12 0 I realize that, but you can appreciate 13 that this young fellow, sitting there, 14 being asked if he ever intentionally 15 hurt anyone, could easily interpret that 10:56 16 you have some suspicion of him. 17 You mean he could have interpreted it Α 18 that I would have some suspicion of 19 him having committed this murder, is 20 that what you're saying? 10:56 21 0 Yes. 22 Α I don't know what went on in his mind." 23 If I can pause there. Are you able to tell us, 24 Mr. Wilson, what you were thinking at the time while you were with Inspector Roberts about 25 10:56

	2	А	I would imagine I did think I was a suspect at one

	4		David.
10:56	5	Q	And then what happened?
	6	А	Then I didn't think I was a suspect any more.
	7	Q	So when you entered the room with Inspector
	8		Roberts that morning, did you think you were a
	9		suspect?
10:57	10	А	Not until he got into the questions.
	11	Q	Okay. And when he got into the questions, did you
	12		at that point think you were a suspect?
	13	А	Yes.
	14	Q	Why?
10:57	15	А	When he started asking me if I had killed Gail
	16		Miller.
	17	Q	And so at some point that day then with Inspector
	18		Roberts you had that concern?
	19	А	Yes.
10:57	20	Q	And I can't recall the words you used, but you
	21		said did that then go away or did you then no
	22		longer have that concern?
	23	А	It finally went away, so I had no concern about it
	24		then.
10:57	25	Q	When did that happen and how did that happen?

Page 5621 : 1 It went away, that question went away quickly. Α 2 Q I'm sorry? 3 I said that question went away quickly, if I had Α killed Gail Miller. 4 5 And why did it go away? 10:57 Q I don't know. 6 Α 7 Scroll down, please, Roberts is asked: Q Okay. 8 " O What is the purpose of asking that kind 9 of question? 10 Α Because some time in a person's life 10:58 11 you have hurt somebody. Now, it is 12 what is known as a known lie. Τn 13 other words, there will be a slight 14 response to that question. But the 15 question you're after is the big, 10:58 16 relevant question, where you get the 17 big response. 18 0 Now, isn't one of the other questions 19 you asked him: Have you lied on any of 20 the other questions? 10:58 21 I possibly asked him that. Α I do not 22 recall that question, sir, but I 23 could, possibly, have asked that." 24 Do you remember, Mr. Wilson, whether Inspector 25 Roberts asked you whether you had lied on any of 10:58

Page 5622 1 the other questions? 2 Α Yes, I do. 3 And do you remember what you answered? 0 4 No, I don't. Α 5 If you can go to the next page, please, 043369, 10:59 Q 6 and Mr. Wolch suggests to Inspector Roberts: 7 " O I'm going to suggest to you that, from 8 your result on the machine, it showed 9 there were two lies. 10 Α Yes, sir." 10:59 11 Do you recall, Mr. Wilson, whether Inspector 12 Roberts told you any number of -- a number of 13 lies? 14 Α No. 15 It carries on: 10:59 0 16 " O The first lie was, intentionally hurting 17 anyone? 18 Α No, sir. On the S. Do you suspect 19 anyone? And, do you know for sure? 20 Those were the two questions that I 10:59 21 got a large response on that indicated 22 to me that he was being deceptive." 23 Do you recall any discussions with Inspector 24 Roberts about those two questions being -- you 25 being deceptive on them, at least according to 10:59

	17			the fact was. And that fact	being

	19			told you already?	
11:19	20		А	That technique has been used	in

	1		A And I know, when Wilson came back,
	2		that I told him what Nichol had said
	3		in front of Wilson."
	4		And if I can pause there, and I know I've asked
11:19	5		you this before, but you'll see here where
	6		Inspector Roberts is saying that when you came
	7		back, that he told you what Nichol had said. Do
	8		you see that?
	9	А	Yes, I do.
11:20	10	Q	And does that assist your recollection at all or
	11		do you disagree with that or do you just not
	12		recall?
	13	А	I do not recall.
	14	Q	Okay. Go to page 043376. Do you recall,
11:20	15		Mr. Wilson, when you told me earlier this morning,
	16		that after the polygraph session you were
	17		interviewed by Inspector Roberts when, and you
	18		told us I think your recollection about what was
	19		discussed and I think that's when you told us you
11:20	20		implicated Mr. Milgaard. You know what portion of
	21		the time period with Roberts I'm talking about?
	22	А	After the end of the second polygraph test?
	23	Q	Yes.
	24	А	Yes.

	2	А	Yes.	
	3	Q	Do you r	ecall whether he took any notes of that?
	4	А	No, I do	n't.
11:21	5	Q	Go to pa	ge 376 here and Mr. Roberts is asked:
	6		" Q	Most police officers take notes at the
	7			time or later on. Did you I'm not
	8			being critical, I just want to know
	9			did you?
11:21	10		A	No, I would not take notes in the
	11			first instance at any time because
	12			sometimes that upsets the person being
	13			questioned. I would take them after,
	14			of if they made a statement I would
11:21	15			write out the statement.
	16		Q	And after the in this case the kids

	18			you make sure that what was

	22		A	Yes, sir.
	23			It is a policy of mine

	4		probably said, "I didn't say that."
11:22	5		Neither one of them said that.
	6		Q They didn't back out?
	7		A No."
	8		And do you recall, and I've asked you a similar
	9		question before, do you recall that happening
11:22	10		with Inspector Roberts and another police
	11		officer?
	12	А	No, I don't.
	13	Q	I would now like to move, after the polygraph
	14		now, after you were done with Roberts, tell us
11:22	15		again what happened? Where did you go and who did
	16		you go with?
	17	А	With the police officer back to the police
	18		station.
	19	Q	And for what purpose?
11:23	20	А	To give a statement.
	21	Q	And do you recall who that officer was?
	22	А	No, I don't.
	23	Q	If I can call up that statement, it's 002242, and
	24		that may not be the doc ID, but those are the page

	2	А	Yes.
	3	Q	And 3:30 p.m., you see that?
	4	А	Yes.
11:23	5	Q	And Ronald Dale Wilson, that's your address and
	6		date of birth; is that correct?
	7	А	Yes.
	8	Q	Bottom right-hand corner, is that your signature?
	9	А	Yes.
11:23	10	Q	And it's witnessed E. Karst. Do you recall a
	11		Detective Karst?
	12	А	Yes, I do.
	13	Q	Is he the individual that you would have given the
	14		statement to?
11:23	15	А	By that, yes, but I don't recall.
	16	Q	Okay. When you say yes, is that because his name
	17		appears on the statement?
	18	А	Yes, because his name is on it.
	19	Q	But apart from that, do you have any recollection
11:24	20		of him being the officer?
	21	А	No.
	22	Q	If we could go to the last page of that, please,
	23		or to 002245, if you could just call out this

	8	Q	Is that your signature in the bottom right?
	9	А	Yes, it is.
11:24	10	Q	Do you have any reason to dispute what is stated

	13	А	No, I don't.
	14	Q	Now, can you tell me what you and let's not

	18	А	I believe at the police station.
	19	Q	At the police station?
11:25	20	А	Yes.
	21	Q	Was it in an interview room do you remember?
	22	А	I don't remember.
	23	Q	Do you remember who else was present?
	24	А	I believe there was two officers, but I can't be

Page 5629 1 Q And do you recall the nature -- did they ask you 2 questions and you gave answers or did you give a 3 narrative and tell them a story or do you 4 remember? 5 Α It was basically question/answer and then you gave 11:25 the statement after that. 6 7 And then did you read the statement over before Q 8 you signed it? 9 Yes, I believe I did. Α 10 If I could go to doc ID 106669, please, and if you 11:25 0 11 could go to page 106672, and this is a police 12 report of Detective Karst, Mr. Wilson, that's 13 dated I believe May 25, and I've referred to parts 14 of this to you before and I just want to go over a 15 couple of paragraphs where the police describe --11:26 16 or the police write down their account of what 17 happened, and I'll just read it to you, it says: 18 "On Friday, May 23rd, I --19 And that's Detective Karst, 20 -- attended at 608 Cavalier Motel in the 11:26 21 company of Inspector Wood, Lieutenant 22 Short, Detective Sergeant Mackie, 23 Constable Chartier and Morrison, and at 24 3:00 p.m., I called at room 610 of the 25 Cavalier where Wilson picked out a knife 11:26

Page 5630 1 which was out of a group of five, which 2 Inspector Roberts had shown him as being 3 similar to the one he states he had seen 4 en route from Regina to Saskatoon on the 5 morning of January 31st, this being a 11:27 reddish brown colored bone handled type 6 7 paring knife." 8 If I can just pause there. Do you recall 9 Inspector Wood, is that a name that you are familiar with? 10 11:27 11 Α No, it's not. 12 Q Lieutenant Short? 13 Α Yes. 14 Detective Sergeant Mackie? Q 15 I recall the name. 11:27 Α 16 Constable Chartier? Q 17 Α No. Morrison? 18 Q 19 Α No. 20 And Karst? 11:27 0 21 Α Yes. 22 Q And so here it's reported that they attended at 23 the hotel, and it says, "Where Wilson picked out a 24 knife which was out of a group of five." If I can 25 I think you said before you thought 11:27 pause there.

	1		six?
	2	А	I thought six, yes.
	3	Q	And do you recall picking out a knife?
	4	А	Yes.
11:27	5	Q	And it says, "Which Inspector Roberts had shown
	6		him" that's you, "as being similar to the
	7		one he states he had seen en route from Regina to
	8		Saskatoon on the morning of January 31." Now, I
	9		think before you said you recalled picking out a
11:28	10		knife, but that you couldn't remember I think I
	11		asked you, "And what did you connect it to you,"
	12		and you said you couldn't remember, and here the
	13		police report says that you picked out a knife as
	14		being one that you saw on the morning of January
11:28	15		31. Do you see that?
	16	А	Yes.
	17	Q	Do you recall if that's what you would have told
	18		the police or Inspector Roberts?
	19	А	I don't believe so.
11:28	20	Q	You don't believe you did?
	21	А	No.
	22	Q	What would you have told him when you said that's
	23		the knife, what were you saying?
	24	А	It's the one they wanted me to pick out.
11:28	25	Q	Okay. But for what purpose?

	r		Vol 29 - Thursday, March 17th, 2005
			Fage 5052
	1	А	I didn't know.
	2	Q	So they showed you some knives and said have you
	3		ever seen any of these before?
	4	А	Yes.
11:28	5	Q	And did they say did they ask you whether any
	6		of these knives had been in your car or on David
	7		Milgaard on the trip?
	8	А	At that time I don't think so.
	9	Q	What did you understand you were picking a knife
11:29	10		out for?
	11	А	Something to do with the case.
	12	Q	Did you think it was the murder weapon?
	13	А	I wasn't sure.
	14	Q	So are you telling us you weren't sure that the
11:29	15		knife you were picking out let me rephrase
	16		that. Are you telling us that when you picked out
	17		a knife, you weren't saying that that's a knife
	18		that you connected to David Milgaard?
	19	А	That's true.
11:29	20	Q	That's true. So it was just a knife and you
	21		weren't connecting it to him?
	22	А	Yes.
	23	Q	And it goes on to state that, "this being a
	24		reddish brown colored bone handled type paring
11:29	25		knife." Do you remember what the knife looked

	1		like that you had picked out for or picked out
	2		that day?
	3	А	It was the one they kept on going back to the
	4		most. That's why it was that colour and
11:29	5	Q	And what colour do you remember it being?
	6	А	The colour that's stated here.
	7	Q	So reddish brown coloured bone handled; is that
	8		right?
	9	А	Yes.
11:30	10	Q	What do you interpret bone handled to mean?
	11	А	Just that type of knife, just the kind of design
	12		that was on it.
	13	Q	I'm sorry, you think bone handle has a design on
	14		it?
11:30	15	А	Yes.
	16	Q	And we had talked yesterday about a hunting knife.
	17		Do you remember that?
	18	А	Yes.
	19	Q	And I think you described the design on the
11:30	20		hunting knife as being I think it was speckled
	21		or words to that effect; is that correct?
	22	А	Tone-toned beige.
	23	Q	Two toned, I'm sorry.
	24	А	Yeah.
11:30	25	Q	So beige and brown, two-toned beige?
			Mayor CompuCourt Departing

	1		Vol 29 - Thursday, March 17th, 2005 Page 5634
			raye 3034
	1	А	Yeah.
	2	Q	And that's what you in your mind that's what
	3		bone handled means does it?
	4	А	Yes.
11:30	5	Q	And so here, and I think I showed you yesterday a
	6		knife handle, you remember that?
	7	А	Yes.
	8	Q	And the one I showed you yesterday I think you
	9		told us you didn't recognize?
11:30	10	А	No, it doesn't look like a bone handled knife to
	11		me.
	12	Q	So the one that you picked out when you were with
	13		the police, maybe tell me in your own words,
	14		describe as best you can what knife you identified
11:30	15		on May 23rd, 1969?
	16	А	I believe I identified the knife that we picked up
	17		in Rosetown after we left Saskatoon.
	18	Q	Okay. And tell me what it looked like?
	19	А	It was not really a paring knife, per se, it
11:31	20		was closer to a steak knife.
	21	Q	Yes.
	22	А	With a similar handle to what the one you showed
	23		me had, but
	24	Q	Who showed you, I'm sorry?
11:31	25	А	The one you showed me.
			Mover CompuCourt Peperting

	i	1	
	1	Q	Okay, yes.
	2	А	And it had kind of like an imprint of, like, a
	3		bone-handled knife on it.
	4	Q	Okay. And what colour was it?
11:31	5	А	Brown or maroon.
	6	Q	But it wasn't a solid colour, is that what you are
	7		saying, or was it a solid colour?
	8	А	It was a solid colour, but kind of a mixture of a
	9		colour. Like, it wasn't really brown, it wasn't
11:31	10		really maroon, it was kind of in between.
	11	Q	But was the entire handle one colour or were there
	12		two colours in the handle?
	13	А	It was kind of a blended colour.
	14	Q	We'll maybe come back to that.
11:32	15	А	Yeah, okay.
	16	Q	And so maybe have you got the exhibit here?
	17		CLERK: Yes.
	18		MR. HODSON: I'm sorry, what's the exhibit
	19		number of that, Irene?
11:32	20		CLERK: The knife handle is P-1 and the
	21		silver part of the knife is P-4.
	22		BY MR. HODSON:
	23	Q	So for the record, P-1 is the handle and P-4 is
	24		the knife blade, and you are looking at P-1?
11:32	25	А	Yes.
			1

			Vol 29 - Thursday, March 17th, 2005
			Page 5636
	1	Q	And I think yesterday you commented on that. Is
	2		that handle similar to the handle of the knife
	3		that you picked out on May 23rd, 1969?
	4	А	Similar in colour, yes.
11:32	5	Q	Similar in colour?
	6	А	Yes.
	7	Q	Is it similar in design?
	8	А	Not the end of it, no.
	9	Q	Is the knife that you picked out on May 23rd, '69
11:33	10		the same knife as I'm showing you there, P-1, P-4,
	11		or was it a different knife?
	12	А	I believe it was a different knife.
	13	Q	And what was different about it?
	14	А	The handle was thinner and the blade was
11:33	15		different.
	16	Q	And was the colour of the handle identical or
	17		similar?
	18	А	Similar.
	19	Q	Similar?
11:33	20	А	Yes.
	21	Q	Was it identical?
	22	А	I can't recall if it was identical.
	23	Q	Now, you had told me yesterday morning when we
	24		started out that you are telling us today, or
11:33	25		yesterday, or currently, that you recalled Mr.
			Meyer CompuCourt Reporting

			Vol 29 - Thursday, March 17th, 2005
			Page 5637
	1		Milgaard having a bone-handled hunting knife and I
	2		believe you said it came from the elevator in
	3		Aylesbury; is that correct?
	4	А	Yes.
11:34	5	Q	And tell me how that knife differs in description
	6		from P-1 and P-4, the knife I showed you?
	7	А	Three times the size.
	8	Q	And a different handle?
	9	А	Yes.
11:34	10	Q	Did you pick out or was that type of knife
	11		shown to you on May 23rd?
	12	А	No, it wasn't.
	13	Q	If we can just go back to, and again this is
	14		Detective Karst's report here, it says:
11:34	15		"Wilson was then brought to the police
	16		station and at 3:30 p.m., a statement
	17		was taken from his with regards to the
	18		above described incident adding to the
	19		original that he had seen this knife in
11:34	20		the car during the trip, which he
	21		previously denied. Also added in his
	22		statement was that when Milgaard
	23		returned to the car after being stuck,
	24		the first time, he stated something to
11:34	25		the effect that, "I fixed her", and when

1 Wilson questioned him on this Milgaard 2 declined to make any further comment." 3 So I'll come back to this report a bit later, but 4 what this suggests here, Mr. Wilson, is that you 5 were brought back to the police station and a 11:35 6 statement was taken, and would you agree that 7 that's what happened? 8 Α Yes. 9 If we can go back to 002242, please, the Q 10 statement, and I'm now going to ask you some 11:35 11 questions, Mr. Wilson, about this statement. And 12 just, again, to point out to you, it's the May 13 23rd, '69 statement at 3:30 p.m., and I believe it 14 was the second statement, then, that you had given 15 to police in this matter; is that correct? 11:35 16 Yes. Α 17 The first being the March 3rd, '69 statement? Q 18 Yes. Α 19 0 And there is a typed version of this statement 20 that's prepared that I will use, it's a little 11:36 21 easier to read the writing, if I could call up 22 065360 and go to page 361, please. And so this is 23 just the typed, typewritten version, you 24 understand that? 25 Α 11:36 Yes.

Page 5638

— Meyer CompuCourt Reporting

Page 5639 1 Q We'll just go call out paragraph 1, please, and 2 we'll scroll down. It says: 3 "With regards to the statement I gave 4 Inspector Riddell in Regina I now have a 5 few things to add and change. 11:36 On the 6 way from Regina to Saskatoon we stopped 7 at Alesbury where Milgaard broke into an 8 elevator office. I think he stole a 9 flashlight which I have at home." 10 Is that a true statement? 11:36 11 Α No. And what's not true about that? 12 Q 13 Α I didn't know about the flashlight until on the 14 trip to Saskatoon when I was told that was what 15 was taken out of the break and entering instead of 11:37 16 a knife. 17 Pardon me? 0 18 When I was told that -- what was taken out of the Α 19 break and entering instead of a knife. 20 So on the trip to I'm not following. 11:37 0 Okay. 21 Saskatoon; is that with the police officers? 22 Α Yes. 23 Q Okay. And explain that for me again please? 24 Α Well when they told me a flashlight was stolen 25 instead of a knife, and I must have been mistaken 11:37

	1		about the knife, so I put in a flashlight.
	2	Q	Okay. So here, in this statement, you are saying:
	3		"I think he stole a flashlight which I
	4		have at home."
11:37	5		And what are you telling us today; do you recall
	6		a flashlight at all?
	7	А	No I don't.
	8	Q	So, apart from the flashlight part, is the balance
	9		of that statement true?
11:38	10	А	Yes.
	11	Q	And I think, yesterday, you told us that on the
	12		trip from Regina to Saskatoon on May 21st, 1969,
	13		you told the police officers about the break-in at
	14		the elevator; is that correct?
11:38	15	А	Yes.
	16	Q	In fact, you went there with them, didn't you?
	17	А	Yes.
	18	Q	So this isn't anything this you have already
	19		told the police officers, then, a day or two
11:38	20		earlier; is that fair?
	21	А	Yes.
	22	Q	Next paragraph, please:
	23		"Also today Mr. Roberts showed me 5
	24		small knives at the Cavalier Hotel and I

	4		Hotel where we ate that day. I don't
11:38	5		know just where I seen this knife on him
	6		but I remember it or one like it."
	7		Did you say these words to the police on May
	8		23rd, '69?
	9	А	Yes I did.
11:39	10	Q	And maybe we can I can ask you a general
	11		question. Are you satisfied, Mr. Wilson and
	12		you have read this statement previously, haven't
	13		you?
	14	А	Yes.
11:39	15	Q	Are you satisfied that what is written in this
	16		statement are words that you would have told the
	17		police officers on that date?
	18	А	Yes.
	19	Q	So in other words, what they wrote down, is that
11:39	20		what you told them?
	21	А	Yes.
	22	Q	So this statement, this paragraph I just read you,
	23		is that a true statement?
	24	А	No.
11:39	25	Q	And what is not true about it?
			4

			Vol 29 - Thursday, March 17th, 2005
			Page 5642
	1	А	About the knife coming from the Champs Hotel and
	2		about seeing it on David between Regina and
	3		Saskatoon.
	4	Q	Okay. So you say here:
11:39	5		"He may have got this knife from the
	6		Champs Hotel",
	7		why did you tell the police officers that?
	8	А	I don't recall, sir.
	9	Q	And, I'm sorry, you said the other thing that was
11:40	10		wrong was about the knife you saw on David; is
	11		that right?
	12	А	Yes.
	13	Q	So it says here that you picked out a brown
	14		bone-handled one, and is that, is that what you
11:40	15		recall picking out?
	16	А	Yes.
	17	Q	And you say:
	18		"I don't know just where I seen this
	19		knife on him but I remember it or one
	20		like it."
	21		And that's referring to Milgaard. Is that a true
	22		statement?
	23	А	Yes it is.
	24	Q	And is that the bone-handled hunting knife that
11:40	25		you are
			Meyer CompuCourt Reporting

1	А	No, it's the paring knife we picked up in
	A	No, it's the paring knife we picked up in
_		
2		Rosetown.
3	Q	Okay. Now what this says, Mr. Wilson let's
4		just go back and read it again it says:
11:40 5		"Also today Mr. Roberts showed me 5
6		small knives at the Cavalier Hotel and I
7		picked out a brown bone handled"
8		knife?
9		" brown bone handled one which I had
11:41 10		seen Milgaard with somewhere between
11		Regina and Saskatoon."
12		Okay? So
13	А	Yeah.
14	Q	let's just maybe go back on that. Let's just
11:41 15		take that first sentence. Is that a true
16		statement, that you saw Milgaard with a brown
17		bone-handled knife between Regina and Saskatoon?
18	А	Yes.
19	Q	Okay. That's true?
11:41 20	А	Yes.
21	Q	And what knife would that be?
22	А	That would have been the hunting knife.
23	Q	Okay. So here, the brown bone-handled one, you
24		saw him with a brown bone-handled hunting knife;
25		
		Meyer CompuCourt Reporting

Page 5644 1 Yes. Α 2 -- is that right? 0 3 Α Yes. 4 Now it says here, Mr. Wilson, that you picked that Q 5 out: 11:41 "... I picked out a brown bone handled 6 7 one which I had seen Milgaard with 8 somewhere between Regina and Saskatoon." 9 And it says here: "... but I remember it or one like it." 10 11:42 11 And, in fairness, I think you told us that the 12 one you picked out with Inspector Roberts or with 13 the police on May 23rd was not the hunting knife; 14 right? 15 Exactly. 11:42 Α 16 So I'm just having trouble understanding this Q 17 statement, Mr. Wilson. Let's just go back. You 18 told us that you recall Mr. Milgaard having a 19 hunting knife, a bone-handled hunting knife, 20 between Regina and Saskatoon; correct? 11:42 21 Yes. Α 22 Q And that knife is bigger than the paring knives 23 that you were -- or the knives that you were shown 24 on May 23rd? 11:42 25 Α Yes.

			Vol 29 - Thursday, March 17th, 2005
			rage 5045
	1	Q	And it's bigger than the knife that I showed you,
	2		being P-1 and P-4, the maroon-handled paring
	3		knife; correct?
	4	А	Yes, yes.
11:42	5	Q	And I think you said it's bigger and it's
	6		different; is that right?
	7	А	Yes.
	8	Q	And that when you met with the police on May 23rd,
	9		'69 you picked out a knife, and I think you said
11:42	10		it was the one or the one they pointed to, or
	11		something like that; is that right?
	12	А	Yes.
	13	Q	And that knife that you picked out, was it similar
	14		to the bone-handled hunting knife that you saw on
11:43	15		David Milgaard between Regina and Saskatoon?
	16	А	No.
	17	Q	Okay. So they are different knives, the one that
	18		you picked out on May 23rd was different than the
	19		actual knife that you saw on David Milgaard, is
11:43	20		that fair?
	21	А	That's fair, yes.
	22	Q	So when you give this statement here and so
	23		that just so that I am clear, the knife that
	24		you picked out for the police was not the knife
11:43	25		that you saw David Milgaard have; is that fair?
			Meyer CompuCourt Reporting

Page 5646 1 Α Yes. 2 And did that knife that you picked out for the 0 3 police have anything to do with the paring knife that you bought after you left Saskatoon in 4 5 Rosetown? 11:43 It looked similar to me. 6 Α 7 So when we go back here what this statement Q Okay. 8 says, you are telling the police, is that the 9 knife you picked out -- and if I call it a, why 10 don't we say 'paring knife' -- was it a paring 11:44 11 knife that you picked out on May 23rd? 12 Α Yes. 13 0 So that when you picked, it says 'I picked out a 14 paring knife', you are saying that you saw that on 15 Milgaard between Regina and Saskatoon, is that 11:44 16 correct, that's what you are saying here? 17 Α That's what I am saying there, yes. 18 Okay. And is that a true statement? Q 19 Α The brown-handled paring knife? 20 Yes? 11:44 0 21 Repeat your question again? Α Okay. 22 Q Sure. What I am trying to get at, Mr. Wilson, is 23 whether this statement that you gave to the 24 police, that paragraph, is true. And what it says 25 is, let's just go through it again": 11:44

	1		" today",
	2		being May 23rd:
	3		" Mr. Roberts showed me 5 small
	4		knives",
	5		and let's call them paring knives, okay:
	6		" at the Cavalier Hotel and I picked
	7		out a brown bone handled one,"
	8		let's call it a paring knife:
	9		" which I had seen Milgaard with
11:45	10		somewhere between Regina and Saskatoon."
	11		Let's pause there. Did you see a brown
	12		bone-handled paring knife with Mr. Milgaard
	13		somewhere between Regina and Saskatoon?
	14	А	No I didn't.
11:45	15	Q	Okay. And the so, at that point, you are
	16		saying that is not a true statement?
	17	А	Correct.
	18	Q	Okay. And why did you tell police that? Did you
	19		know it was not true at the time? Do you
11:45	20		understand my question?
	21	А	Yes.
	22	Q	Why would you have lied to the police, then, in
	23		telling them that you saw a brown bone-handled
	24		paring knife on Mr. Milgaard on the trip?
11:45	25	А	Because I believe that was the start of the story
			Mever CompuCourt Reporting

Page 5648 1 that wasn't true. 2 So -- and just so that I'm clear; in your Q Okav. 3 own mind, sir, at the time, would you have known 4 that you hadn't seen that knife on, that brown 5 paring knife, on Mr. Milgaard? 11:45 I hadn't 'til I -- 'til I picked one out. 6 Α 7 Let me put it this way; did you know you were Q 8 lying to the police when you told them this? 9 Α Yes. 10 Okay. And then when you go on you say: 0 11:46 "... he may have got this knife from the 11 12 Champs Hotel where we ate that day." 13 I think you said earlier that wasn't true, is 14 that -- or --15 About picking up the knife there, that wasn't Α 11:46 16 We did eat there that day. true. 17 Is it possible you told them that that's Q Okay. 18 maybe where he got --19 Α Yes. 20 -- the paring knife? 11:46 0 21 Α Yes. 22 Q I said "is it possible"; do you recall that? 23 Α I don't recall it right now, no. 24 0 And when you told the police that, Mr. Wilson, 25 about the knife, did you -- I think you told us 11:46 Meyer CompuCourt Reporting

			Page 5649
	1		you knew it wasn't the truth; is that right?
	2	А	That's right.
	3	Q	And did you know or understand the consequences of
	4		making that statement to the police?
11:46	5	А	I believe I started to, yes.
	6	Q	Okay. And what did you believe the consequences
	7		to be?
	8	А	That David was going to be the main suspect in
	9		this.
11:47	10	Q	Okay. When you say "main suspect" would it maybe
	11		be a little more than that?
	12	А	The murderer of Gail Miller.
	13	Q	So did you know that what you were saying when you
	14		told the police you saw this paring knife on him
11:47	15		let me back up. Did you know, at this time,
	16		whether the police had identified a murder weapon?
	17	А	No I didn't.
	18	Q	You didn't?
	19	А	No.
11:47	20	Q	Scroll down, please. Next full paragraph:
	21		"Also when we got to Saskatoon and were
	22		looking for Cadrain's we got stuck
	23		earlier trying to make a "U" Turn just
	24		after we had spoken to a young lady in a

			Meyer CompuCourt Reporting

Page 5650 = 1 the area where the police showed me the 2 all night cafe. She said she didn't 3 know where Peice Hill was and when we left Milgaard said she was a stupid 4 5 bitch. She had been walking on the 11:48 passenger side and Milgaard was the only 6 7 one that spoke to her. I should also 8 mention that on the way to Saskatoon we 9 discussed pulling B. & E's, rolling 10 someone or purse snatching for money. 11:48 Ι 11 don't really remember if this girl was 12 carrying a purse." 13 If we just go back to the top, let's just take 14 the first sentence here: 15 "... when we got to Saskatoon and were 11:48 16 looking for Cadrain's we got stuck 17 earlier trying to make a "U" Turn just 18 after we had spoken to a young lady in a 19 dark coat about directions." 20 And let's just take the first part about getting 11:48 21 stuck trying to make a U turn; I think you told 22 us that did happen, is that correct? 23 Α Yes. It now says: 24 0 25 "... after we had spoken to a young lady 11:48 Meyer CompuCourt Reporting

	1		· · · " ,
	2		do you recall the lady that you stopped for
	3		directions being a young lady?
	4	А	No I don't.
11:48	5	Q	But you would have told police on this date that
	6		it was a young lady?
	7	А	Yes.
	8	Q	And:
	9		" in a dark coat",
11:49	10		do you recall, was the dark coat, is that
	11		truthful?
	12	A	Yes.
	13	Q	And you asked her about directions; is that
	14		truthful?
11:49	15	A	Yes.
	16	Q	So when you said to the police that:
	17		" we had spoken to a young lady",
	18		can you tell us why you would have said "young
	19		lady"?
11:49	20	A	No I don't.
	21	Q	Do you know if that was the truth?
	22	А	I'm not sure.
	23	Q	And is that because you don't know whether the
	24		lady was young or old?
11:49	25	А	I don't, I don't know whether she was young or
			Mover CompuCourt Departing

			Page 5652
	1		old,
	2	Q	Okay.
	3	А	because I never saw her face so
	4	Q	Okay. And then it goes on to say:
11:49	5		"This was in the area where the police
	6		showed me the all night cafe."
	7		Do you remember being shown an all-night cafe?
	8	А	I remember being shown around the city, I don't
	9		remember an all-night cafe.
11:49	10	Q	Do you know whether that all-night cafe was near
	11		the Cadrain's house?
	12	А	I don't recall.
	13	Q	Do you know if it was near the funeral home or
	14		where Gail Miller's body was found?
11:50	15	А	I don't recall.
	16	Q	So it says here:
	17		"This was in the area where the police
	18		showed me the all night cafe."
	19		You are telling us you are not sure what that's
11:50	20		referring to; is that
	21	А	Yeah, that's exactly.
	22	Q	But apart from that, apart from the location, I
	23		think you told us yesterday that you did get stuck
	24		after asking a woman for directions; is that a
11:50	25		person for directions?
			4

Page 5653 1 Α Yes. 2 0 And was it a woman? 3 I believe so. Α 4 Okay. And it says: Q 5 "She said she didn't know where Peice Hill was and when we left Milgaard said 6 7 she was a stupid bitch." 8 And I think you told us yesterday that either you 9 didn't recall that or it didn't happen, are you 10 11:50 \_ \_ 11 Α It didn't happen. 12 Q It didn't happen? So is that statement that you 13 told the police there, about David Milgaard saying "she's a stupid bitch", is that the truth? 14 15 No, it's not. 11:50 Α 16 And why did you say it if it wasn't the truth? Q 17 I don't know. Α 18 Did you -- can you help me out and tell me Q 19 where -- did you fabricate that, then, the "stupid 20 bitch"; did you come up with that? 11:51 21 Α Yes. 22 And can you give us any explanation as to how you Q 23 came up with that or where it came from? 24 Α I have no explanation at all. 25 Pardon me? 11:51 Q

	1	А	I have no explanation about it.
	2	Q	And did you know that that would not be or did
	3		you know that that was not a favourable statement
	4		as far as Mr. Milgaard is concerned?
11:51	5	А	Probably not.
	6	Q	And then you go on to say:
	7		"I should also mention that on the way
	8		to Saskatoon we discussed pulling B. &
	9		E's, rolling someone or purse snatching
11:51	10		for money."
	11		And I think you told us yesterday that, other
	12		than the purse snatching and please correct me
	13		if I'm wrong I think you told us that yes, you
	14		had discussed that with Mr. Milgaard, and I
11:52	15		believe you had already told the police that?
	16	А	Yes.
	17	Q	Okay. Scroll down, please. It says:
	18		"Dave and I got out to push when we got

11:52	25		Let's just pause there. Is that a true

	2	А	Okay, could you go through that again, please?
	3	Q	Yeah, sure. And I'm just talking and we'll go
	4		right to this part, it says:
	5		"Dave and I got out to push when we got
	6		stuck but we couldn't get out."
	7		Let's just pause there. Is that true?
	8	А	Yes.
	9	Q	"Dave said he'd go for help and he left
11:52	10		and disappeared behind the car."
	11		Is that true?
	12	А	No.
	13	Q	Okay. And what's not true about that?
	14	А	We both left.
	15	Q	Umm.
	16	А	And we did not go behind the car, we went opposite
	17		directions from the side of the car.
	18	Q	And can you tell us why it appears, here, that
	19		you didn't tell the police that you also left; is
11:53	20		that fair?
	21	А	That's fair.
	22	Q	And do you know why that was?

	3		Is that true?
	4	А	No.
11:53	5	Q	What's not true about it?
	6	А	The length of time.
	7	Q	Okay. How long was it that Dave was away, David
	8		Milgaard was away from the car?
	9	А	Be a maximum of two minutes.
11:53	10	Q	Two minutes?
	11	А	Be a max, yes.
	12	Q	And why would you have told the police 15 minutes?
	13	А	Don't know.
	14	Q	And you acknowledge, sir, that was a lie that you
11:53	15		told the police?
	16	А	Yes.
	17	Q	And, at the time, you knew it was a lie?
	18	А	Yes.
	19	Q	And did you appreciate the consequences of telling
11:54	20		the police that?
	21	А	That one I believe I did.
	22	Q	Pardon me?
	23	А	That one I believe I did.

11:54	5	А	Yes, go ahead.
	6	Q	No, you carry on, I'm sorry.
	7	А	Well, it gave the window of opportunity to have
	8		done something.
	9	Q	And you appreciated that at the time?
11:54	10	А	Yes.
	11	Q	So let's just carry on here:
	12		"He said something to the effect that "I
	13		got her" or "I fixed her"."
	14		Is that true?
11:54	15	А	No.
	16	Q	And did you know it was not true when you made
	17		that statement to the police?
	18	А	Yes.
	19	Q	And why did you tell them that when you knew it
11:54	20		wasn't true?
	21	А	More incriminating evidence.
	22	Q	Pardon me?
	23	А	Starting to be more incriminating evidence.
	24	Q	And why were you giving the police incriminating

	1		was when you say 'incriminating evidence', I'm

	3	А	Yes.
	4	Q	Why were you giving police incriminating evidence
11:55	5		about David Milgaard which you knew not to be
	6		true?
	7	А	Because it seems what they wanted.
	8	Q	What who wanted?
	9	А	The police.
11:55	10	Q	And was Mr. Milgaard your friend at the time?
	11	А	Yes.
	12	Q	Did you make a decision to give them that
	13		information when you knew it not to be true?
	14	А	Yes.
11:55	15	Q	Why?
	16	А	So then, I think I have said earlier, all the heat
	17		was off of me.
	18	Q	Any other reason?
	19	А	Yeah. After I gave this I could go home.
11:55	20	Q	And why was that important to you?
	21	А	Because I needed to get loaded very quickly.
	22	Q	I'm sorry?
	23	А	I had to get stoned very quickly.
	24	Q	Okay. And what effect, if any, did that have on

	1	А	So I could get out of there as quick as I could so

	3	Q	So did that influence what you said to the police?
	4	А	I I can't say. I would say yes.
11:56	5	Q	Did the police tell you to lie, Mr. Wilson?
	6	А	They made suggestions.
	7	Q	Did they tell you to lie?
	8	А	No.
	9	Q	Carrying on, here, it says:
11:56	10		"I don't remember if Dave had his shoes
	11		on or off when he left the car."
	12		Or, I'm sorry, it says:
	13		"I said "You what" and that ended the

11:56	15		And I take it that's not true? I think you told
	16		me the first part's not true, is it fair to say
	17		that
	18	А	Yeah, the second part is not true either.
	19	Q	Okay. It says:
	20		"I don't remember if Dave had his shoes
	21		on or off when he left the car. I don't
	22		remember just when we got out, if it was

	6		is that a true statement?
	7	А	I don't know what time it was.
	8	Q	Okay. Are you able to give us some idea, today,
	9		of what
	10	А	It was early morning.
	11	Q	Was it dark?
	12	А	It was still dark, yes.
	13	Q	It says:
	14		"We eventually got to Cadrain's about
11:57	15		9:00 a.m. after we drove around, got a

	18		Is that a true statement?
	19	А	Could you break that down a little?
11:57	20	Q	Sure. Yeah. I think so it says:
	21		"We eventually got to Cadrain's about
	22		9:00 a.m. after we drove around,",
	23		I think you have already told us you got to

	2		ripped up the ass."
	3		Is that a true statement?
	4	А	No.
11:59	5	Q	And why is it not true?
	6	А	Because he never had blood on his pants.
	7	Q	Were his pants ripped up the ass?
	8	А	That I can't recall.
	9	Q	Why would you tell the police that you noticed
11:59	10		blood on the front of his pants when you now tell
	11		us that's not true?
	12	А	Because I was told Mr. Cadrain had seen blood on
	13		his pants so I must have.
	14	Q	So who told you that?
11:59	15	А	I believe it was the police officers.
	16	Q	So you were told that Mr. Cadrain saw blood on
	17		David Milgaard's pants and then you said "so I
	18		must have"; what do you mean by that?
	19	А	Well this was getting to the point where, okay, I
11:59	20		missed stuff in my memory so, if Cadrain said he
	21		saw it, I must have saw it.
	22	Q	Okay. At the time you made this statement to the
	23		police, in your mind, Mr. Wilson, did you think
	24		that you had seen blood on Mr. Milgaard's pants?
12:00	25	А	Can we come back to that?
			1

	Ī		Page 5663
	1	Q	Sure. Are you okay to continue? Did you want to
	2		
	3	А	Could I have a break?
	4	Q	Yes. I'm not sure, Mr. Commissioner, it's 12:00.
12:00	5		COMMISSIONER MacCALLUM: We'll take our
	6		lunch break now, then, thank you.
	7		MR. HODSON: Sure.
	8		COMMISSIONER MacCALLUM: Come back at 2:00,
	9		please.
12:00	10		(Adjourned at 12:00 p.m.)
	11		(Reconvened at 2:00 p.m.)
	12	BY	MR. HODSON:
	13	Q	Good afternoon. If we can call up document, the
	14		statement 065361, which I think is part of 065360,
02:01	15		and when we broke at lunch, Mr. Wilson, we were
	16		talking about this statement, and let me just tell
	17		you again what it is. This is the typed version
	18		of your May 23rd, '69 statement; right?
	19	А	Yes.
02:01	20	Q	You know which one we're talking about. And when
	21		we left just call out that paragraph, please.
	22		And in this statement and I think you told us
	23		this morning you confirmed that everything in this
	24		statement you would have told the police; correct?
02:02	25	А	Yes.
			Mever CompuCourt Reporting

			Vol 29 - Thursday, March 17th, 2005
			Page 5664
	1	Q	So here it says, you would have told the police:
	2		"At Cadrain's I changed my pants because
	3		of acid on them. Dave also changed his
	4		clothes."
02:02	5		And I think you told me that that's true;
	6		correct?
	7	А	Yes.
	8	Q	And then:
	9		"When he went out to get his suitcase I
02:02	10		noticed blood on the front of his pants
	11		at Cadrain's, I also noticed they were
	12		ripped up the ass."
	13		And I think you told me this morning that's not
	14		true; correct?
02:02	15	А	Correct.
	16	Q	And I asked you the question about whether or not
	17		you knew that was not true when you said it and I
	18		believe your words were, well, Cadrain saw it, so
	19		I thought I must have, or words to that effect,
02:03	20		and then I think you asked me to come back to it,
	21		so let's try this again. Did you or did you not
	22		notice blood on the front of David Milgaard's
	23		pants at Cadrain's house?
	24	А	No, I didn't.
02:03	25	Q	So when you said it to the police on May 23rd,
			Meyer CompuCourt Reporting

Page 5665 1 1969, that would have been not truthful, that 2 would have been a lie; correct? 3 Α Yes. 4 At the time you said it, did you know it was a lie Q 5 or did you think it was true? 02:03 6 Α It was a lie. 7 And so you knew at the time you said it that you Q 8 didn't see blood? 9 Repeat that, please? Α 10 Yeah. When you said that to the police that you 02:03 0 11 saw blood, you knew that you had not seen blood; 12 is that fair? 13 Α Right, yes. 14 Now, what about the fact you said this morning Q 15 about the fact that Cadrain, Shorty Cadrain had 02:03 seen it, so you must have seen it, I think is what 16 17 you said, or --18 Yeah, that --Α 19 0 I'm sorry, go ahead. 20 I was guesting confused. 02:03 Α That's later. 21 Let me ask you this: Did the fact that -- well, Q 22 at this time do you know whether or not you knew 23 Cadrain had seen blood on David Milgaard's pants? 24 Α No. 25 Would that have or did that influence you in your 02:04 Q

	1		statement?
	2	А	Give me the question again?
	3	Q	Sure. Did the fact that let's start out this
	4		way. Do you know when you would have found out
02:04	5		that Shorty Cadrain was saying that he saw blood
	6		on David Milgaard's pants?
	7	А	I believe it was prior to the statement.
	8	Q	Prior to the statement?
	9	А	Yes.
02:04	10	Q	So you would have known when you gave this
	11		statement that Shorty Cadrain had told the police
	12		that he saw blood on David Milgaard's pants the
	13		morning of January 31, 1969?
	14	А	Yes.
02:04	15	Q	Did that fact, that he had said that, did that
	16		influence you in providing this statement to the
	17		police about you seeing blood on his pants?
	18	А	Yes, it did.
	19	Q	In what way?
02:05	20	А	Like I said earlier, if he saw it, it must have
	21		been there.
	22	Q	So you say since he saw it it must have been
	23		there, but you did just tell us that you knew you
	24		didn't see it?
02:05	25	А	Yes.

			Vol 29 - Thursday, March 17th, 2005
			Page 5667
	1	Q	Scroll down to the next paragraph, please, and I'm
	2		sorry, just on the blood on the pants for a
	3		moment, did you appreciate the consequences, sir,
	4		of telling the police that you saw blood on David
02:05	5		Milgaard's pants?
	6	А	Yes, I did.
	7	Q	And you knew that that would not be good for him;
	8		is that fair?
	9	А	Yes, I did.
02:05	10	Q	Next paragraph:
	11		"On the way to Calgary Nicky found a
	12		white or cream colored compact with
	13		flower design, I'm not just sure about
	14		the color. She found this someplace in
02:05	15		the car. She asked Dave whose it was
	16		and I don't know what he said, he just
	17		took it and threw it out the window. I
	18		remember on the road to Calgary "
	19		Sorry, let me just pause there. Is that a true
02:06	20		statement about the compact?
	21	А	No.
	22	Q	Is any of that true?
	23	А	No.
	24	Q	And did you know that was not true when you told
02:06	25		the police that?
			Mover CompuCourt Peperting

	r		Vol 29 - Thursday, March 17th, 200
	1	А	Yes.
	2	Q	And why did you tell them this when you knew it
	3		wasn't true?
	4	А	It was another incriminating statement.
02:06	5	Q	And where did you come up with this then if this
	6		isn't true, where did you come up with this
	7	А	I don't know.
	8	Q	compact? Did you make it up or fabricate it,
	9		do you know, or did it come from somewhere else?
02:06	10	А	I can't say right now.
	11	Q	It does say "a white or cream colored compact
	12		with flower design." You would agree that's a
	13		fairly detailed description wouldn't you?
	14	А	Yes, it is.
02:06	15	Q	And at the time did you appreciate the
	16		consequences of making that untruthful statement
	17		to the police?
	18	А	Yes, I did.
	19	Q	And in what way did you see the compact being
02:07	20		connected to David Milgaard and the Gail Miller
	21		murder?
	22	А	I wasn't sure, sir. It was just more to add to
	23		the story.
	24	Q	Were you suggesting that this may have been Gail
02:07	25		Miller's compact, is that what you were thinking?

	8	А	Yes, it is.

	1	Q	Why did you tell the police that?
	2	А	More incriminating evidence.
	3	Q	And why did you want to give them sorry,
	4		incriminating evidence against David Milgaard?
02:09	5	А	Yes.
	6	Q	And why were you giving incriminating evidence
	7		against David Milgaard if you knew it not to be
	8		true?
	9	А	To take everything away from me.
02:09	10	Q	To take what away from you?
	11	А	Any how can I put that. Give my a second. I
	12		need to think of the word.
	13	Q	Sure, take your time.
	14	А	Take any suspicion away from me.
02:09	15	Q	Were you concerned about you being held
	16		accountable for the Gail Miller murder when you
	17		said these things?
	18	А	Yes.
	19	Q	And what caused you to think that?
02:09	20	А	Just the way the whole day had gone.
	21	Q	Were you concerned at all, sir, about providing
	22		untruthful, incriminating statements to the police
	23		about your friend David Milgaard?
	24	А	No, I wasn't.
02:10	25	Q	Why not?

Page 5672 : 1 Because it got to the point where I didn't care. Α 2 0 And why was that? 3 Α Because I wanted to go home. 4 Any particular reason? 0 5 It had been a couple of days since I had done any 02:10 Α 6 drugs and it was starting to hurt. 7 Now -- so this statement that I read about David Q 8 hitting a girl, etcetera, there's a bit of detail 9 in there you would agree? 10 Α Yes. 02:10 11 Q And where did you -- where and how did you come up 12 with that statement? 13 Α Where and how? I can't tell you right now. 14 Would you have fabricated that, sir? Q Okay. 15 Quite likely. 02:10 Α 16 Scroll down to the next paragraph, please: Q 17 "A little later in Calgary when Nicky 18 and I were together I told her what Dave 19 had told me and she said she already 20 I don't know when he told her. 02:11 knew. 21 We talked about ditching Dave but we 22 were afraid of him so we decided against 23 it." 24 Is that a true statement? 25 Α 02:11 No.

	1	Q	And again, at the time you made it, did you know

	3	А	Yes.
	4	Q	Did you appreciate the consequences of that
02:11	5		statement with respect to Mr. Milgaard?
	6	А	Yes.
	7	Q	Why did you make that statement?
	8	А	To make David look more guilty.
	9	Q	And for the same reasons you've told us about the
02:11	10		other statements?
	11	А	Yes.
	12	Q	Now, in this case so what you are telling me,
	13		that Nicky did not tell you first of all, let

	1		I think you've said a couple of things about what
	2		you thought at the time, and tell me again, at
	3		this time you are saying at this time you
	4		weren't sure Milgaard had killed that nurse, Gail
02:13	5		Miller. What did you think at the time as to
	6		whether or not David Milgaard was responsible for
	7		the murder of Gail Miller, and I'm talking at the
	8		time you gave this statement on May 23rd, 1969.
	9	А	I was thinking there was a good possibility he
02:13	10		could have, so I said that.
	11	Q	Okay. So you thought he was, but
	12	А	That was starting again in my thinking process,
	13		yes.
	14	Q	So when you say here that I am sure Milgaard
02:14	15		killed that nurse, you are saying you weren't
	16		sure, but you thought probably?
	17	А	Yes.
	18	Q	I don't want to put words in your mouth, I want

	2	А	The way the day had all gone.
	3	Q	Okay. Now, you were with him that morning;
	4		correct, Mr. Milgaard, the morning of the murder?
02:14	5	А	Yes.
	6	Q	And had you in your mind then reached the point
	7		where you thought, okay, he probably did it?
	8	А	I would think so, yes.
	9	Q	And at what point did you think he probably did
02:16	10		it?
	11	А	I wanted to like, at what point did I start
	12		thinking that he probably did it?
	13	Q	No, the morning of January 31, 1969, when you were

02:16	15		it?
	16	А	When we had separated from each other.
	17	Q	Okay. And I think you told us, today, that that
	18		was for no more than two minutes?
	19	А	Yes.
02:16	20	Q	Okay. How did you reconcile that in your mind?
	21	А	Because I didn't know how long it took to kill

	3	Q	I know that, and I think you told me this morning
	4		that what you recalled, or your truthful
02:16	5		recollection I think you said, was two minutes?
	6	А	Yes.
	7	Q	So how did you reconcile that in your mind, sir,
	8		at this time?
	9	А	I don't know.
02:16	10	Q	And when you made this statement, here, did you
	11		appreciate the consequences of that statement
	12		vis-a-vis Mr. Milgaard?
	13	А	Yes.
	14	Q	And did that concern you?
02:16	15	А	No.
	16	Q	Do you remember anything else, Mr. Wilson,
	17		about about the May 23rd statement? I have
	18		just gone through it all with you; is there

1 Α Yes. 2 -- and I asked you to tell me currently truthful Q 3 evidence, truthful recollection, of a number of 4 items? Remember we went through that? I think what 25 you told us about the knife in the statement, 02:17

Α 9 And scroll down to number 3. The statement, I Q 10 think you confirmed in the statement the purse 02:18 11 snatching/break and enter discussion on the trip 12 to Saskatoon; correct? 13 Α Correct. And Mr. Commissioner, just for the record, what's 14 Q 15 in the statement is in the statement, this is just 02:18 something that I wish to have so that it's easier 16 17 for me to go back with the witness. 18 Number 4, the woman stopped for 19 directions; I think in your statement you referred 20 02:18 to her as a young lady? 21 Yes I did. 	13	А	Yes.
	14	Q	And then as well as his statements upon return

	21	А	Correct.

	9	А	Correct.
02:20	10	Q	And then, lastly, you told Nichol John of David
	11		Milgaard's admission in Calgary and Nichol John
	12		said she already knew; that's in your statement?
	13	А	Correct.
	14	Q	Okay. And we may come back to that, Mr. Wilson, I
02:20	15		just wanted to go through that with you.
	16		If we could go back to the
	17		police report and go to page 106672 I think
	18		that's part of 106669 and this is again,
	19		this is, for the record, Mr. Karst's May 25th,
02:21	20		'69, report, we've gone through parts of it, I
	21		just want to carry on. If you could call out the
	22		bottom half, and again, these are Detective
	23		Karst's words in this report:
	24		"Also in this statement",
02:21	25		and he is referring to the May 23rd statement :
			Mever CompuCourt Reporting

			Vol 29 - Thursday, March 17th, 2005
			Page 5682
	1		" Wilson states that he had seen
	2		blood on Milgaard's trouser when
	3		changing his clothes at the Cadrain
	4		residence at 334 Avenue O South on the
02:21	5		morning of January 31st, 1969. This he
	6		had previously denied."
	7		If I can pause there for a moment, Mr. Wilson, it
	8		appears well let me ask you this. Had, prior
	9		to the May 23rd statement, had the police ever
02:21	10		said to you "did you see blood on David
	11		Milgaard's clothes" and you deny it?
	12	А	Yes, I did deny it.
	13	Q	Pardon me?
	14	А	Yes, I did deny it.
02:22	15	Q	Okay. Next page, please, and first paragraph:
	16		"He also states that at Cadrains he
	17		noted Milgaard's trousers were ripped
	18		around the seat which he had not
	19		previously noticed while on this trip.
02:22	20		He further adds that on the road to
	21		Calgary, when leaving Saskatoon, Nickey
	22		seemed very nervous and would
	23		occasionally scream to which he could
	24		offer no explanation at that time but
02:22	25		now he feels that this was because of

Page 5683 1 what she knew." 2 And, again, the ripped trousers I think we've talked about. Now this statement about: 3 "... when leaving Saskatoon, Nickey 4 5 seemed very nervous and would 6 occasionally scream ....", 7 I think your statement simply said that she would scream; is that right? 8 9 Α Yes. 10 And in your statement you said: 02:23 0 "... I don't know what was the matter 11 12 with her." 13 Here it's reported: "... but now he feels that this was 14 15 because of what she knew." 02:23 16 Did you tell the officers that at any time? 17 I don't recall. Α 18 Next paragraph: Q 19 "Wilson also recalls Nickey finding a 20 ladies compact in the vehicle when 02:23 21 leaving Saskatoon and when inquiring 22 whose it was Milgaard grabbed it out of 23 her hands and threw it out of the window." 24 25 Just on that point, did you know what -- I think 02:23

			Vol 29 - Thursday, March 17th, 2005
			Page 5684
	1		you said this didn't happen; is that right?
	2	А	That's correct.
	3	Q	And I think, when I said "did you make it up", you
	4		said you weren't sure; is that right?
02:23	5	А	That's right.
	6	Q	Were you concerned at all about what Nicky might
	7		say about the compact?
	8	А	I wasn't concerned about anything Nicky was going
	9		to say.
02:23	10	Q	Well is it possible you would have discussed, with
	11		Nicky, this issue of the compact?
	12	А	No.
	13	Q	And then carrying on, the next paragraph:
	14		"This statement goes on to relate that
02:24	15		in Calgary Milgaard and himself had gone
	16		to the Bus Depot to make a phone call
	17		where Milgaard told him about a girl in
	18		Saskatoon that he had grabbed and had
	19		tried to take her purse, however, she
02:24	20		fought, and he had jabbed her with a
	21		knife and he had put her purse in a
	22		trash can and he had thought she would
	23		be alright. Later, when Wilson was
	24		telling Nickey about this incident, she
02:24	25		had stated to him that she already
			Mayor CompuCourt Departing

	1		knew."
	2		And I think that tracks what we had covered in
	3		your statement fairly closely, doesn't it?
	4	А	Yes it does.
02:24	5	Q	Now after you gave the May 23rd, '69 statement do
	6		you recall, any later that day, talking to the
	7		police or Inspector Roberts about anything?
	8	А	I recall talking to somebody, but I don't know
	9		who.
02:25	10	Q	Okay. So, after you gave this statement, you
	11		would have talked to
	12	А	Somebody.
	13	Q	About the matter of the case?
	14	А	I believe so, yes.
02:25	15	Q	Do you think it was a police officer?
	16	А	Yes I do.
	17	Q	And do you know what you would have talked about?
	18	А	I can't remember right now.
	19	Q	Now the next day, May 24th, '69, and there is a
02:25	20		second statement from you that I'll go through in
	21		a moment, you remember giving a second
	22		statement or a third statement, I guess,
	23	А	Yes.
	24	Q	the morning of May 24th; do you remember giving
02:25	25		that statement?
			Mover CompuCourt Penerting

by Mr. Hodson Vol 29 - Thursday, March 17th, 2005 Page 5686 1 Yes, I remember giving it. Α Tell us how that came about? 2 0 That part I don't remember. I did -- I believe it 3 Α was after talking to the officers, again, after my 4 5 statements. Okay, I'm sorry, it's again from talking to the 6 Q 7 officers? 8 Α After they had my last statement. 9 Okay. So after you gave your May 23rd statement Q 10 you talked to the officers again? 11 А Yes. 12 Q And, what, did something cause you to want to add 13 more? 14 Α I --15 You don't recall? 0 16 I don't recall. Α 17 If we could call up the statement, please, it's 0 18 002246, and you will see this is May 24th, '69 I 19 think at 9:30 a.m.; do you see that? 20 Α Yes. 21 Q And is that your signature in the bottom 22 right-hand corner? 23 Α Yes it is. 24 0 And it appears to be witnessed by E. Karst? 25 Α Yes.

	1	Q	Do you remember who you gave this statement to?
	2	А	No I don't.
	3	Q	If you could just go to the next page, please.
	4		And, again, that's your signature there
02:27	5	А	Right.
	6	Q	at the bottom right?
	7	А	Yes.
	8	Q	And, again, this is sworn before a Justice of the
	9		Peace; do you see that?
02:27	10	А	Yes.
	11	Q	Do you remember swearing this statement before a
	12		Justice of the Peace?
	13	А	No I don't.
	14	Q	Do you have any reason to believe that you did not
02:27	15		swear this before a Justice of the Peace?
	16	А	No I don't.
	17	Q	And, again, I'll go through. There is, we have a
	18		typed version of this, it's 065360. And do you
	19		recall this interview when you gave this
02:27	20		statement, Mr. Wilson, how long it took or
	21		questions,
	22	А	No.
	23	Q	answers, narratives?
	24	А	No I don't.
02:28	25	Q	Do you know if the police had asked you if you had
			Mover CompuCourt Departing

- Page 5688 -

			Fage 5008
	1		any more information or whether you had contacted
	2		them?
	3	А	I don't recall.
	4	Q	Do you recall whether or not you saw Nichol John
02:28	5		before you gave this statement?
	6	А	I don't recall that.
	7	Q	And go through this. You have had a chance, on
	8		previous occasions, to look at this statement, is
	9		that fair, you have read it before?
02:28	10	А	I have read it before, yes.
	11	Q	Yes. And are you able to confirm that you would
	12		have stated these words to the officers, officer
	13		or officers, on May 24th, '69?
	14	А	Yes.
02:28	15	Q	In other words, what they have got written down
	16		here is what you would have told them?
	17	А	Yes.
	18	Q	And it starts out saying:
	19		"I would like to add further occurrences
02:28	20		to what I said yesterday in my sworn
	21		statement. When Dave and I got out to
	22		push the first time we were stuck we
	23		couldn't push the car so I said to Dave
	24		"You go one way for help and I'll go the
02:29	25		other". I went to the corner on the
			Meyer CompuCourt Reporting

	1		drivers side of the car and walked down
	2		the block, I couldn't find help so I
	3		went back to the car the same way I had
	4		left. The car was still stuck."
02:29	5		Now I think when we looked at your May 23rd
	6		statement, when we went through it, you had said
	7		David had left for 15 minutes; is that right?
	8	А	That's right.
	9	Q	And, here, you are now saying that you also left
02:29	10		the car?
	11	А	Yes.
	12	Q	And can you explain why that wouldn't have been in
	13		the May 23rd statement or why you were adding it
	14		the next day?
02:29	15	А	Because it happened. I had forgot about that we
	16		both left at the same time.
	17	Q	Okay, so you forgot about this on the 23rd of May,
	18		and on the May 24th you were adding that to say
	19		"lookit, I left the car too"?
02:30	20	А	Yes.
	21	Q	And you are saying that's a truthful statement?
	22	А	Yes.
	23	Q	The red bracketed one, that's true?
	24	А	Yes.
02:30	25	Q	And then it says:

			Vol 29 - Thursday, March 17th, 2005
			Page 5690
	1		"Nicky was waiting in the car almost
	2		hysterical."
	3		Is that a true statement?
	4	А	No.
02:30	5	Q	And, at the time you made this statement, did you
	6		know it to be untrue?
	7	А	Yes.
	8	Q	And, again, your reason for making that statement?
	9	А	To make it look like something happened.
02:30	10	Q	Had you talked to Nichol John prior to May 24th,
	11		'69, to find out if she was saying she was
	12		hysterical on your return?
	13	А	No, I hadn't.
	14	Q	You hadn't? And it says here:
02:30	15		"I asked her what was wrong and she told
	16		me she saw Dave carry or drag a girl
	17		down the lane and bring out the knife
	18		and stab her a few times. Then she
	19		broke down again."
02:30	20		Is that a true statement?
	21	А	No, it's not.
	22	Q	And, again, when you made that to the police you
	23		knew it not to be true?
	24	А	Yes.
02:31	25	Q	You understood the consequences of that statement?
			Meyer CompuCourt Reporting

Page 5691 : 1 Α Yes. 2 And what you have told us already about the 0 3 untruthful statements you gave to the police; 4 would it apply to this one as well? 5 Α Yes. 02:31 Now, at this time, had you talked to Nichol to 6 Q 7 find out if she had, or would be, saying that: 8 "... she saw Dave carry or drag a girl 9 down the lane and bring out the knife 10 and stab her a few times."? 02:31 11 Α No, I hadn't. 12 Q What if Nichol would have said "that's just not 13 true, that never happened", were you not concerned 14 about that? 15 Like I said earlier, I wasn't concerned what Nicky 02:31 Α 16 said at all. 17 Pardon me? 0 18 I wasn't concerned of what Nicky said at all. Α 19 And then it says: 0 "Dave came back to the car from the back 20 02:31 21 I think and got in beside Nickey. She 22 shrugged away from him." 23 Is that a truthful statement? 24 Α No. 25 02:31 Q It says:

—— Meyer CompuCourt Reporting

			Vol 29 - Thursday, March 17th, 2005
			Page 5692
	1		"The rest is the same as I told you in
	2		the other statement. The car that
	3		helped us out there was about 1967-8
	4		dodge or chrysler, cream or yellow car.
02:32	5		The 2 men were in about their middle
	6		forties and were casually dressed, one
	7		wore glasses."
	8		Is that a truthful statement?
	9	А	Yes.
02:32	10	Q	So this statement was given at 9:30 a.m. on May
	11		24th, 1969, correct, that's what I showed you?
	12	А	Yes.
	13	Q	Were you aware that Nichol John gave a statement
	14		to the police on that day at 10:00 a.m., on May
02:32	15		24th, '69?
	16	А	No I wasn't.
	17	Q	Are you aware that she gave a statement to the
	18		police at or around that time?
	19	А	No.
02:32	20	Q	Do you recall seeing her at the police station?
	21	А	No I don't.
	22	Q	I want to call up, I'll call up the typed version,
	23		018589. And this is a typed version of her
	24		statement, May 24th, and on the written statement
02:33	25		it shows at 10:00 a.m. to 11:55 a.m. And so your
			Meyer CompuCourt Reporting

Ronald Dale Wilson by Mr. Hodson Vol 29 - Thursday, March 17th, 2005

Page 5693 1 May 23rd statement was at 3:30, your May 24th 2 statement was at 9:30 a.m., okay? 3 Α Okay. 4 0 And in this statement Ms. John states: 5 "This knife was a kitchen knife used to 02:33 6 peal potatoes and things like that. Ιt 7 had a maroon handle. This knife was the 8 same as one of a group of knives that I 9 was shown by Mr. Roberts." 10 Do you recall any discussion with Nichol John 02:33 about knives or identifying knives? 11 12 Α No. 13 0 Scroll down to here, and Nichol John says: "Dave closed the door and said "The 14 15 stupid bitch"." 02:33 16 Now you told us a little while ago, in your May 17 23rd, '69 statement, that you told the police 18 that's what David said, and you said that you 19 made that up; right? 20 02:34 Α Yes. 21 Do you have any explanation as to how Nicky would Q 22 also say the same thing? 23 Α No I don't. Did you talk to Nichol John about the words "the 24 0 25 stupid bitch" being uttered by David Milgaard? 02:34

— Meyer CompuCourt Reporting

Page 5694 = 1 No I didn't. Α 2 0 Scroll down to the bottom. And, again, Mr. John's 3 statement says: "The next thing I recall is seeing Dave 4 5 in the alley on the right side of the 02:34 He had a hold of the same girl we 6 car. 7 spoke to a minute before. I saw him 8 grab her purse. I saw her grab for her 9 purse again. Dave reached into one of 10 his pockets and pulled out the knife. Ι 02:34 don't know which pocket he got the knife 11 12 from. The knife was in his right hand. 13 I don't know if Dave had a hold of this 14 girl or not at this time. All I recall 15 seeing is him stabbing her with the 02:34 16 knife." That sounds a bit similar, 17 We can stop there. 18 does it not Mr. Wilson, to what's in your May 19 24th, '69 statement? 20 02:35 Yes. А 21 In fact, and I'll just read it for you, you say: Q 22 "I asked her what was wrong and she told 23 me she saw Dave carry or drag a girl 24 down the lane and bring out the knife 25 and stab her a few times." 02:35

— Meyer CompuCourt Reporting

Page 5695 1 And I guess I'm wondering, Mr. Wilson, is it coincidence that that's in your statement and her 2 3 statements, or did you discuss it with her? Never discussed it with her. 4 Α 5 And Ms. John says: 02:35 Q "I remember Dave coming back and getting 6 7 into the front seat of the car. Ι 8 remember moving over toward the drivers 9 side because I didn't want to be near 10 him." 02:35 And in your May 24th statement you say, and this 11 12 is what you attribute or this is what you say 13 Nicky told you: 14 "... I think and got in beside Nicky. 15 She shrugged away from him." 02:36 16 So, again, that is similar to what she has in her 17 statement; correct? 18 Yes. Α 19 0 Did you discuss that with her? 20 No I didn't. 02:36 Α 21 Next page, 018591, and Ms. John's statement says Q 22 the following: 23 "On the our way about half way between 24 Saskatoon and Rosetown I looked in the 25 02:36 glove compartment for a map. I saw a

	2		was a compact, 2 lipstick and an eye
	3		shadow in it. I asked whose it was.
	4		Nobody knew whose it was then dave
02:36	5		grabbed it and threw it out the window.
	6		Dave was driving at this time. He was
	7		supposed to stop because he was driving
	8		too fast. Ron didn't like it and we
	9		were all getting scared."
02:37	10		Now, again, you would agree that that is similar
	11		to what you said to the police about a compact
	12		bag; correct?
	13	А	Yes.
	14	Q	Do you have any explanation and I think you
02:37	15		told us that that didn't happen?
	16	А	Correct.
	17	Q	And you lied to the police about that?
	18	А	Yes.
	19	Q	Did you have any idea how Nichol John would have a
02:37	20		similar statement in her statement?
	21	А	No I don't.
	22	Q	Do you recall discussing that with anybody?
	23	А	No.
	24	Q	Scroll down, please, to here Ms. John says:
02:37	25		"We",
			Meyer CompuCourt Reporting

	1		Vol 29 - Thursday, March 17th, 2005 Page 5697

	1		this is being Nichol and Ron:
	2		" sat on the steps inside an
	3		apartment block. Here Ron told me Dave
	4		had killed a girl in Saskatoon. I told
02:37	5		him "I know". I do not recall anything
	6		further being said about this murder."
	7		And in your May 24th statement I'm sorry, I
	8		think it's in your May 23rd statement in your
	9		May 23rd statement you say, and I'll read it to
02:38	10		you:
	11		"A little later in Calgary when Nicky
	12		and I were together I told her what Dave
	13		had told me and she said she already
	14		knew."
02:38	15		Again, that's fairly similar to what's in
	16		Nichol's statement, as to what's in your
	17		statement?
	18	А	Yes it is.
	19	Q	Did you discuss that with Nichol John?
02:38	20	А	No I didn't.
	21	Q	Did you discuss it with anybody else?
	22	А	No I didn't.
	23		COMMISSIONER MacCALLUM: Which was what
	24		was the date of his statement there?
02:38	25		MR. HODSON: That one was the May 23rd

	2		COMMISSIONER MacCALLUM: May 23rd.
	3	BY	MR. HODSON:
	4	Q	Now, Mr. Wilson, I think you have told us and,
02:38	5	~	again, I'm not sure how many but a number of
	6		untruthful statements in your May 23rd and 24th
	7		statements you now say were not true; correct?
	, 8	А	Correct.
	9	Q	And some of those appear to be in Nichol John's
02:39	, 10	×	statement as well, maybe different words, but
02.37	10		
			similar; you would agree?
	12	A	Yes.
	13	Q	Do you have any explanation as to how that could
	14		happen?
02:39	15	А	No I don't.
	16	Q	If you could go back to the police report, it's
	17		page 106673, and again this is Detective Karst's
	18		statement police report, pardon me, and this
	19		just talks about their account of what happened.
02:39	20		And it says:
	21		"The morning of May 24th, 1969, further

	1		Do you recall interviews with the police on the

	3	А	I can't remember if it was the morning or later on
	4		in the day on the 23rd.
02:40	5	Q	So okay. Now before let me put it this way;
	6		between the time that you finished giving your May
	7		23rd, 1969 statement, and before you gave your May
	8		24th statement, were you interviewed by the
	9		police?
02:40	10	А	Yes.
	11	Q	Do you recall who interviewed you?
	12	А	No I don't.
	13	Q	And do you recall what was discussed?
	14	А	No I don't.
02:40	15	Q	It goes on to say:
	16		"This was to the effect that when they
	17		originally got to Saskatoon, and had
	18		become stuck, Wilson had said to
	19		Milgaard, "you go one way for help, I'll

	2	А	Yes I do.
	3	Q	If you could go to the next page please, and this
	4		is Mackie's report, and he says:
02:43	5		"On May 24th, I returned to Regina with
	6		Ronald Wilson and Nichol John, and on
	7		returning Wilson to 126 Cornwall Street

	9		Atlas Flashlight, which he stated he had
02:44	10		obtained from David Milgaard after the
	11		break in at the elevator at Aylesbury,

	17		at the Welfare Department where I
	18		interviewed Robert Larsen in regard to
	19		the return of Ronald Wilson and Nichol

	21		Now, according to this, Mackie is saying that you
	22		gave him a black Atlas flashlight which you
	23		obtained from David Milgaard after the break in
	24		at the elevator; do you recall that?
02:44	25	А	No I don't.

	3	А	I don't recall.
	4	Q	What about the blue sweater with white trim that
02:45	5		Milgaard had been wearing, what do you recall
	6		about that?
	7	А	Nothing.
	8	Q	I believe I read somewhere that that may have been
	9		your father's sweater that you lent to him. Does
02:45	10		that ring a bell?
	11	А	I lent him a curling sweater. I can't remember
	12		what colour it was.
	13	Q	Now, according to this, it appears, at least from
	14		this report, that Sergeant Mackie drove you and
02:45	15		Nichol John back to Regina. Do you remember that?
	16	А	No, I don't.
	17	Q	Do you remember how you got back from Saskatoon?
	18	А	No, I don't.
	19	Q	Scroll down to this paragraph, please, it says:

	2	А	Yes.
	3	Q	Where were you in jail?
	4	А	In Edmonton, Alberta. Fort Saskatchewan.
03:26	5	Q	Fort Saskatchewan. And what were you in jail for?
	6	А	Conspiracy to commit fraud and possession of
	7		drugs.
	8	Q	And where did those when and where did those
	9		events take place that gave rise to those charges?
03:27	10	А	It happened in Edmonton. Exact date I couldn't
	11		tell you right now.
	12	Q	Was it on the trip that you had with Mr. Milgaard
	13		to Edmonton?
	14	А	No.
03:27	15	Q	Was it later?
	16	А	Yes.
	17	Q	Now, prior to the preliminary hearing, and prior
	18		to your evidence, did you do you recall having
	19		any discussion with any police officers?
03:27	20	А	Prior to the hearing?
	21	Q	Yes.
	22	А	While I was in jail, yes.
	23	Q	And what do you recall?
	24	А	Just that I had to phone Saskatoon police and tell
03:27	25		them where I was and then I had to tell them that

	ľ	I	Vol 29 - Thursday, March 17th, 2005
	1		I got thrown back in remand and I wanted them to
	2		do something about it and they said they would,
	3		but they didn't.
	4	Q	Okay. Explain that to me a bit further. Was this
03:27	5		while you were in Fort Saskatchewan?
	6	А	Yes.
	7	Q	And you were in remand?
	8	А	Yes. No, I was I was in population.
	9	Q	And then you went into remand?
03:27	10	А	Yes.
	11	Q	And why did that happen?
	12	А	Because they thought I was wanted for murder.
	13	Q	Who did?
	14	А	The authorities in Fort Saskatchewan.
03:28	15	Q	And why do you say that, on what basis do you say
	16		that?
	17	А	Because that's what they told me.
	18	Q	So you went from general population into remand.
	19		Was this before the preliminary hearing?
03:28	20	А	Yes.
	21	Q	And how long were you in remand for?
	22	А	Until they came and got me for the preliminary
	23		hearing, and I can't recall how long that was. I
	24		believe a few weeks.
03:28	25	Q	And so would you have phoned the Saskatoon City
			1

Page 5721 1 Police? 2 Α Yes. 3 0 And to try and get you -- to what, to have them 4 explain to the people at Fort Saskatchewan that 5 you weren't wanted for murder? 03:28 Yes. 6 Α 7 And to get you out of remand? Q 8 Α Yes. 9 And do you recall who you talked to? Q 10 Α No, I don't. 03:28 11 Q And do you recall what they said to you? 12 Α Don't worry about it, it will get looked after. 13 0 And did it get looked after? 14 Α No. 15 So then you were in remand when you were taken out 03:28 Q 16 of Fort Saskatchewan? 17 Yes. Α 18 And then you were brought to Saskatoon for the Q 19 preliminary hearing? 20 03:28 Α Yes. 21 And were you housed in the jail here during the Q 22 preliminary hearing? 23 Α Yes, I was. 24 0 And then when you were -- after the preliminary 25 03:29 hearing were you returned?

— Meyer CompuCourt Reporting

Page 5722 1 Α Yes, I was. 2 0 And to the general population? 3 Α Yes. 4 So apart from your phone call while you were in Q 5 remand, did you talk to any Saskatoon city police 03:29 6 officer prior -- and I'm talking after you gave 7 the May 24th statement, okay, prior to the 8 preliminary hearing did you have occasion to talk 9 to any city police officer about --10 Α I might have when they escorted me from Fort 03:29 Saskatchewan back to Saskatoon. 11 12 Q You say you might have. Do you have any 13 recollection of --14 No, I don't. Α 15 Do you have any recollection of meeting with the 03:29 Q 16 prosecutor before the preliminary hearing? 17 No, I don't. Α 18 Do you recall while you were here at the Q 19 preliminary hearing talking to any of the other 20 witnesses? 03:29 21 No. Α 22 Q Now, what about the trial, and so when the trial 23 happened in January were you out of jail? 24 Α Yes, I was. 25 03:30 Q And where were you living?

— Meyer CompuCourt Reporting

Page 5723 1 In Regina. Α 2 And do you recall any discussion with any police 0 3 prior to the trial? 4 No. Α 5 Do you recall how you were transported or how you 03:30 Q got to Saskatoon for the trial? 6 7 I believe George Lapchuk drove me up. Α 8 Now, we have -- do you recall -- let me just back 0 9 I think you told us yesterday Lapchuk and up. 10 Melnyk were very close friends of yours? 03:30 11 Α Yes. 12 Q Do you recall any discussion with Lapchuk and/or 13 Melnyk about an incident they may have had with 14 David Milgaard in a motel room? 15 I believe on the drive up to Saskatoon, yes. 03:30 Α 16 And what do you recall of the discussions with Q 17 Melnyk -- was it Melnyk or Lapchuk or both do you know? 18 19 Α Both. 20 What do you recall them telling you? 03:30 0 21 I don't recall anything now, just what I've read Α 22 and heard. 23 Q Okay. And what have you read and heard? 24 Α That he reenacted the murder at a party. 25 Do you recall telling anyone at the Saskatoon 03:31 Q

— Meyer CompuCourt Reporting =

Page 5724 1 Police Service or the city police about your 2 discussion with Melnyk and Lapchuk? 3 Α I might have, yes. 4 Do you recall that? 0 5 No, I don't. 03:31 Α I believe we've heard from others, Mr. Wilson, 6 0 7 that you would have informed the police officers, 8 and I believe it may have been Detective Karst, or 9 at least a Saskatoon police officer, about Melnyk 10 and Lapchuk being in a motel room and an incident 03:31 11 with David Milgaard and based on that the officers 12 contacted Melnyk and Lapchuk. Does that -- do you 13 have any recollection of that? 14 I don't have any recollection of it, no. Α 15 Do you dispute that that may be what happened? 03:31 0 16 No, I don't. А 17 Now, prior to the trial in January of 1970, do you 0 18 recall any discussions with the prosecutor Mr. 19 Caldwell? 20 03:32 Α Yes, I do. 21 What do you recall of those discussions? Q 22 Can you repeat that? I didn't hear. Α 23 Q What do you recall of those discussions? 24 Α That he came to see me in my hotel room and just 25 kind of asked me if I was sure about the length of 03:32

	2		COMMISSIONER MacCALLUM: Who came to see
	3		you, sir, I'm sorry?
	4	А	The prosecutor.
03:32	5	E	BY MR. HODSON:
	6	Q	And you say you were at a he came to your hotel
	7		room?
	8	А	Yes.
	9	Q	Do you remember what hotel you were staying at?
03:32	10	А	No, I don't.
	11	Q	And this is prior to you giving evidence at the
	12		trial?
	13	А	Yes, it was.
	14	Q	And what do you recall of those discussions again?
03:32	15	А	That he asked me to make sure about the length of
	16		time that we were separated.
	17	Q	Okay. Anything else?
	18	А	If I was sure that's the length of time and that
	19		was about all.
03:32	20	Q	And did you tell him that you were sure?
	21	А	I believe I did.
	22	Q	Did you ever meet with Mr. Tallis, David
	23		Milgaard's lawyer, prior to the trial or the
	24		prelim?
03:33	25	А	No.
			Meyer CompuCourt Reporting

Page 5726 1 Q Did you meet with anybody from the Milgaard family 2 or anyone on behalf of David Milgaard prior to the 3 preliminary hearing or the trial? 4 No. Α 5 If I can call up document 007043, and these are, I 03:33 Q believe, Mr. Caldwell's notes from August 15th, 6 7 1969 which would be right around the time of the 8 preliminary hearing, and it talks about, 9 "Superintendent Corey: Re Wilson: Appeared Magistrate Court Edmonton this a.m. before 10 03:33 11 Magistrate John Coughlan. Charged conspiracy to 12 commit fraud, section 408(1)(d) - sentenced three 13 months, Fort Sask jail. Second charge, section 14 42(2)(c), Public Health Act - possession LSD. 15 Sentence one month concurrent." I think that's 03:34 16 what you told us a bit earlier; is that right? 17 Α Yes. 18 And if you could go to document 153371, please, Q 19 and this is an affidavit -- now, this is an 20 unsworn copy, but I believe it's a file copy of 03:34 21 something that was sworn. If you can go to the 22 next page, please, this is Mr. Caldwell's 23 affidavit before the Saskatchewan Provincial

03:35	5		Etcetera,
	6		" and that he received his sentence on
	7		August 15, 1969."
	8		Does that sound right?
	9	А	Yes.
03:35	10	Q	And the affidavit is made in support of an
	11		application for an order to require you to appear.
	12		So that's I think that's what you told us, Mr.
	13		Wilson, that you were in jail and the authorities
	14		here in Saskatoon made arrangements for you to
03:35	15		appear?
	16	А	Yes.
	17	Q	If I could call up document 065441, please, and
	18		this will just help us to fill in some gaps. This
	19		is a letter of September 16, 1969 from Deputy
03:36	20		Chief of Police Forbes to the Deputy Attorney
	21		General, and just call out paragraph 1, it says:
	22		"The preliminary hearing in the above
	23		case commenced in Magistrates' Court at
	24		the Saskatoon Court House before Judge
03:36	25		H.J. Cumming on August 18 and concluded

Ιt 10 was, therefore, necessary to bring 03:36 11 Wilson to Saskatoon on August 25 and 12 return him to Fort Saskatchewan on 13 September 8. The police escort for 14 Wilson was provided by this department 15 at the request of Mr. T.D.R. Caldwell, 03:36 16 who wished to have him escorted by 17 detectives who had dealt with him while 18 this murder case was being investigated. 19 It was, therefore, necessary to provide 20 air transportation for Detective Karst 03:36 21 from Saskatoon to Edmonton and return on 22 August 25, as well as a ticket for his 23 prisoner from Edmonton to Saskatoon. 24 Then, on September 8, similar 25 transportation had to be provided for 03:37

	3		Lieutenant Short's transportation back

	6		Does that sound right, Mr. Wilson?
	7	А	Yes, it does.
	8	Q	Tickets cost \$26 I think that would be Jetsgo
	9		pricing each way or a total of \$156, so that
03:37	10		sounds right. Detective Karst would have picked
	11		you up in Edmonton, brought you to Saskatoon?
	12	А	I don't know which one did what.
	13	Q	Do you have any reason to dispute what's stated
	14		here?
03:37	15	А	No.
	16	Q	And you knew both Detective Karst and Lieutenant
	17		Short?
	18	А	Yes.
	19	Q	Now, what I propose to do, I'll call up document
03:37	20		325547, and, Mr. Wilson, you understand that when
	21		you testified at the preliminary hearing and at
	22		the trial, there was a transcript prepared by a
	23		court reporter that put down what you said at
	24		those two proceedings?
03:38	25	А	Yes.

			Vol 29 - Thursday, March 17th, 2005
			Page 5730
	1	Q	And what I propose to do is to, rather than go
	2		through the entire two transcripts, I have
	3		attempted to divide the transcript by subject
	4		matter based on those areas that we touched on
03:38	5		yesterday and again today, and so I will go
	6		through each of these subject matters and at the
	7		end there's sort of a miscellaneous grouping and
	8		what I intend to do is go through and read to you
	9		portions of what you said at the preliminary
03:38	10		hearing and at the trial, okay?
	11	А	(Nods head).
	12	Q	Yes?
	13	А	Yes.
	14	Q	And did you tell the truth at the preliminary
03:38	15		hearing in all respects?
	16	А	No.
	17	Q	Did you tell the truth in all respects at the
	18		trial?
	19	А	No.
03:39	20	Q	So what I propose to do, Mr. Wilson, is to go
	21		through some of these parts and have you identify
	22		for us those parts where you said you were being
	23		truthful and those where you were not truthful.
	24		Do you understand?
03:39	25	А	Yes.

1 Q So we'll start off with drug use which is the first item, and if you could go to the prelim and 2 3 call up 007595, and again this is Mr. Caldwell 4 examining you about: 5 " O Now, I believe that at the present time 03:39 6 you are in custody and serving a 7 sentence? 8 Α Yes, I am. 9 And how long a sentence? 0 10 Α Three months. 03:39 On how many charges is that? 11 0 12 Α Two. 13 0 What are they? 14 Possession of L.S.D. and conspiracy to Α 15 commit fraud." 03:39 16 Do you remember how much LSD you had when you 17 were charged? 18 Α It wasn't enough to be charged with possession for 19 the conspiracy of trafficking. 20 It was not enough? 03:40 0 21 Α No. 22 Q Page 007698, please. And this, this is 23 cross-examination by Mr. Tallis at the preliminary 24 hearing, and question 406: 25 " O " So that May 22nd would be the first 03:41 Meyer CompuCourt Reporting

Page 5731 =

Page 5732 1 occasion on which you implicated David? 2 Yes." Α 3 Now let's just pause there, Mr. Wilson. You will recall we went through your statements, your 4 5 first, your statement of May 23rd, 1969. Did you 03:41 implicate David Milgaard on May 22nd? 6 7 I don't recall that. Α 8 You recall, when I went through, that's when you 0 9 met with the police and were driven around; do you 10 recall that? 03:41 11 Α Yes. 12 Q It says here that, at least you answer this 13 question saying that you implicated him on May 14 22nd, do you know if that's true? 15 No I don't. Α 03:41 16 Carrying on: Q 17 And by that time you had been " 0 18 interviewed by quite a number of police 19 officers? 20 03:41 Α Yes. 21 Now, I gather that, from what you told 0 22 my learned friend, you had been using 23 L.S.D.? 24 Α Yes, I have. 03:42 25 Have you gone on trips with it? 0

— Meyer CompuCourt Reporting

Page 5733 1 Yes, I have. Α 2 And when did you start using L.S.D.? 0 3 The spring of '68. Α 4 The spring of '68. And I suppose you Q 5 have gone on a fair number of trips with 03:42 it since then, have you? 6 7 Yes, I have. Α 8 Q How frequently would you say you have 9 gone on trips with it? 10 Α About twice a week 03:42 About twice a week. 11 0 And that doesn't 12 include the time you had been in 13 custody? 14 Α No. 15 Have you been able to get it 03:42 Q 16 occasionally when you're in jail? 17 No." Α 18 And that question and answer, Mr. Wilson, is that 19 correct? 20 03:42 Α No. 21 And I think you told us, yesterday, that you did Q 22 get drugs while you were in jail? 23 Α Yes. 24 0 Is that correct? What about when you were in Fort 25 03:42 Saskatchewan prior to the prelim?

— Meyer CompuCourt Reporting

			Page 5734
			r dge 9794
	1	А	Not there, no.
	2	Q	No? And then next page, please:
	3		"Q But when you were on the street, if I
	4		may use that term, you did use it about
03:43	5		twice - you used to go on trips about
	6		twice a week?
	7		A Yes, when I had the money and I
	8		usually did."
	9		Now is that accurate and truthful evidence?
03:43	10	А	No.
	11	Q	No?
	12	А	No.
	13	Q	I'm sorry, did you say "no" or "don't know"?
	14	А	I said "no".
03:43	15	Q	Okay. What is the truth?
	16	А	It would be a lot more than twice a week.
	17	Q	Seven times a week?
	18	А	Including pot and hash and stuff, yeah.
	19	Q	So would it be every day, Mr. Wilson?
03:43	20	А	Yes.
	21	Q	And what time frame would this be, would this be
	22		from, let's take January 1969 to January 1970?
	23	А	Probably more like August '67.
	24	Q	August '67 'til
03:43	25	А	When I quit.

Page 5735 1 That would be in the '80s? Q Okay. 2 Α Yeah. 3 And you are telling us that you would do it pretty 0 4 much every day? 5 А As much as you could every day. Depends how much 03:44 6 money you had, and if you were dealing it you had 7 a lot of extra and got -- it was cheap for you, so 8 9 In 1969 and 1970 did you have access to both money Q 10 and drugs for your own use? 03:44 Yes I did. 11 Α 12 Q Where from? 13 Α Dealing and stealing. 14 Page 007766. And, again, this is Mr. Tallis Q 15 cross-examining you, at the bottom, question 1137: 03:44 16 " O Now, you had told me that you have used 17 L.S.D. and have gone on trips on it 18 about twice a week when you had the 19 money and you said you nearly always had 20 the money, and this, I take it, is when 03:45 21 you, of course, were out of jail from 22 what you have told me? 23 Α Yes. 24 0 In particular, were you using it in 25 03:45 January of 1969?

Meyer CompuCourt Reporting

Page 5736 1 Α Yes, I was. 2 And for how long had you been using 0 3 L.S.D. in January of 1969? 4 Not too long." Α 5 I think you told me August of '67; is that right? 03:45 6 Α Yes. 7 So "not too long" would not be quite right; is Q 8 that fair? 9 Well probably, I think he probably meant in the Α 10 month of January, not the length of time --03:45 11 Q Okay. 12 Α -- that I had started doing it. 13 0 And then he says: 14 " O Well, could you help me out by 15 giving me an estimate of the months or 03:45 weeks? 16 17 Α I only had it about maybe once a week 18 in January." 19 And I think you are talking in 1969; do you see Is that truthful? 20 that? 03:45 21 Α No. 22 Q And what's the truthful answer to that? 23 Α Most of January '69. 24 Q We're talking every day? 25 Not LSD every day, no, but drugs every day, close 03:46 Α

— Meyer CompuCourt Reporting

Page 5737 1 to it. 2 And I think he is talking about LSD in these Q 3 questions, so LSD? 4 Yeah. You can't do LSD every day. Α 5 Okay. So how many times a week? 03:46 Q You can do it three, two, four times a week. 6 Α 7 If you did that, would it affect you for Q Okay. 8 the entire week? 9 Oh yeah. Α 10 0 And then the question, scrolling down, 1141: 03:46 Once a week prior to that? 11 " O 12 Α Yes. 13 Q When did you start taking it twice a 14 week? 15 When I got out of jail this last time, Α 03:46 16 since May. 17 Q Since May of this year? 18 Α Yes." 19 And I take it -- is that accurate? 20 03:46 Α No. 21 So, again, I think you said August of '67? Q 22 Α Yes. Would there be -- what would the reason be that 23 0 24 you wouldn't be telling the truth, here, before 25 the Court? 03:47 Meyer CompuCourt Reporting

	1		Vol 29 - Thursday, March 17th, 2005
	1	А	Because a lot of that was done in jail, and they
	2		wanted to know how I would get it there, and
	3	Q	What about your drug use when you were not in
	4		jail? I think you have told me on a few
03:47	5		occasions, here,
	6	А	Uh-huh.
	7	Q	that you didn't that you maybe understated
	8		your drug use; is that fair?
	9	А	Yeah, I did.
03:47	10	Q	And why did you do that?
	11	А	I don't know.
	12	Q	And then scroll down, please, question at 1145:
	13		"Q When you got out on May 9th",
	14		and I think that's the day you got out of jail,
03:47	15		remember, 1969?
	16	А	Yes.
	17	Q	You talked about:
	18		" you started to hit it a little
	19		heavier, did you?
03:47	20		A Yes, I did.
	21		Q And when you say twice a week, I take it
	22		this was taking it on your own, that is,
	23		without any medical supervision?
	24		A Yes, I was taking it on my own."

	1	Q	And is some of it not quite right?
	2	А	No, there is more that could have been included in
	3		it.
	4	Q	Well, why don't you tell us what more could have
03:49	5		been included?
	6	А	Hmm, this can I think about it for a minute.
	7	Q	Yeah, sure.
	8	А	I have to try to remember.
	9	Q	Yeah.
03:50	10	А	Okay. Like you are hearing sounds that really
	11		aren't there, and if sounds are there they are
	12		magnified. Umm, you are seeing all kinds of
	13		colours, you are seeing movement. Oh, it's,
	14		sometimes it's like a dream.
03:50	15	Q	Like a dream?
	16	А	Like a dream, sometimes a good dream, sometimes a
	17		bad dream.
	18	Q	In your case, sir, did it cause you to suffer from
	19		any paranoia or anything of that nature?
03:50	20	А	It did at one point. At one point my mother got
	21		me into a doctor's care, but I can't remember
	22		when.
	23	Q	Okay, I'm sorry, your mother did?
	24	А	Yes.
03:50	25	Q	And that was as a result of your drug use?

	1	[	
			1 dgc 57 42
	1	А	Yes.
	2	Q	And, I'm sorry, was that related to paranoia?
	3	А	Yes.
	4	Q	And what were you paranoid about; do you remember?
03:50	5	А	It was just the way my mind was mixed up, I just
	6		had done too much, and
	7	Q	And do you recall; was that before or after the
	8		David Milgaard

	11	А	I don't recall.
	12	Q	What about your memory, sir, what impact did your
	13		drug use have on your memory at the time?
	14	А	While you're stoned, at the time, or just in
03:51	15		general?
	16	Q	In general, what in when let's go back to
	17		1969 and 1970, and my question is whether you
	18		believed or perceived that your drug use had any
	19		effect on your memory at that time? And I just
03:51	20		want to know what your, your belief or your
	21		perception was?
	22	А	Yes.
	23	Q	In what way?
	24	А	Oh, things were fuzzy, and actually you weren't
03:51	25		sure if "did that really happen last night" or,

Page 5743 1 you know, "did that happen two days ago". 2 If we could go to 007770, next page, again this is 0 3 Mr. Tallis cross-examining at the prelim: " Q 4 And as a result of that, instead of 5 going to liquor to any extent, you went 03:52 to L.S.D.? 6 7 I had been drinking guite a bit when I Α 8 got out, of course. 9 You were drinking quite a bit too, in 0 10 addition to taking L.S.D. when you got 03:52 11 out. Did you also take any other drugs? 12 Α Yes, I did. 13 Q And were they sort of mixed in with the L.S.D.? 14 15 No. 03:52 Α 16 Or a separate type of trip? 0 17 Α Separate. 18 Were you using drugs pretty well every 0 19 day after you got out of jail? 20 No." 03:52 Α 21 Let me pause there. Is that accurate? 22 Α No. 23 0 What's not accurate there? 24 Α That I was taking drugs more than once a day. 25 What about your drinking; were you drinking 03:52 Q Okay.

	1		Well
	2		Q Well
	3		A It's hard to say. Like, your mind is
	4		going one way and you want to go the
04:00	5		other."
	6		Do you recall taking heroin at this time, Mr.
	7		Wilson?
	8	А	Yes, once.
	9	Q	Once? And do you remember, where or when was that
04:00	10		in connection to the relevant events in the David
	11		Milgaard matter, was it before or after January
	12		31, 1969?
	13	А	After.
	14	Q	Before or after your May 23rd and 24th statement?
04:00	15		You are out of jail on May 9th.
	16	А	Before.
	17	Q	Before? And what, what makes you say that, or why
	18		are you saying that?
	19	А	Because, I kind of remember it, because you are
04:00	20		actually sitting on the edge of the bathtub
	21		getting sick all day.
	22	Q	And where did this take place and who was it with?
	23	А	I believe it was with Lapchuk, and I believe it
	24		was at his house.
04:00	25	Q	And you think this was before your May 23rd and
			1

Page 5752 1 24th, 1969 -- before the polygraph session, was 2 it? 3 Α Yes. 4 Q Pages 007780. And again, this is Mr. Tallis 5 cross-examining still, it says: 04:01 6 " A After you got to Calgary. Had Nickey 7 ever taken L.S.D. with you? 8 Α Not with me. 9 0 I see. So you were never with her. 10 Α No." 04:01 11 Is that true? 12 Α She never dropped it with me. She would be 13 around, stoned, but she never, like, took it. 14 I'm sorry, around? Q 15 We never took it together. 04:01 Α 16 Okay. Q 17 You know, like, she would be stoned but not -- she Α didn't take it with me. 18 19 0 Did you know -- let me ask you this: At the time, 20 and again in 1969, did you know whether or not 04:02 21 Nichol John was taking LSD? 22 Α Yes. 23 Q And how do you know that? 24 Α Because I had saw her take it with other people, 25 like I said, not with me. 04:02

— Meyer CompuCourt Reporting

Page 5753 1 Q So -- and did you observe her reaction to Okay. 2 the LSD at all? 3 Sometimes, yes, well if you paid any attention to Α 4 her. 5 Q Now you are asked here by Mr. Tallis: 04:02 6 "Ο I take it on the morning of January 7 31st, you were not taking L.S.D.? 8 Α No. 9 And I take it David wasn't that morning? 0 10 Α No. 04:02 11 0 So that as far as -- and neither was 12 Nickey? 13 Α No." 14 Now is that truthful? 15 Α No. 04:02 16 And I think you had told us yesterday that you had Q 17 taken it prior to departing Regina; is that right? 18 Yes. Α 19 0 And, I'm sorry, did you take it in the car on the 20 Do you know? 04:03 way down? 21 I believe just before we got to the car. Α 22 Q And can you tell us why you wouldn't have told the 23 truth when you were asked those questions about 24 LSD use on the trip? 25 04:03 Α No, I can't tell you why.
