HODSON: Morning, Mr. Karst. 09:02 6 Α Morning. 7 EDDIE ALEXANDER KARST, continued: BY MR. HODSON: 8 9 If we could have document 305273 brought up, the 0 09:02 10 David Milgaard statement, and go to page 305281. 11 And just before we go to that document, Mr. Karst, 12 yesterday you told us that in your first interview 13 with Albert Cadrain he told you he saw blood on 14 Mr. Milgaard's clothing; do you recall telling us 15 that? 09:02 16 I do. Α 17 And what do you remember about the amount of 0 18 blood, location of the blood, do you have any 19 memory of what he told you? 09:02 20 No, I really don't. Α 21 Do you have any memory of what you subsequently Q 22 may have inquired of him, or anybody else, about 23 the quantity and location of blood on Mr. 24 Milgaard's clothing? 09:02 25 Not that I recall. Α

1 Q Do you remember it being a significant amount, a 2 small amount, or anything that stuck out in your 3 mind? 4 No, I don't. Α 5 Okay. And yesterday we were going through Mr. 09:03 Q Milgaard's statement, and just to refresh your 6 7 memory, we had looked at the handwritten 8 statement, this is the statement of March 3rd, 9 1969, and I was going through the typewritten 09:03 10 version of that statement, and just at the top 11 here you asked Mr. Milgaard about his pants being: 12 "... ripped when you went into the 13 motel - how did they get ripped? I don't know." 14 Α 09:03 15 And, again, any significance to the pants being 16 ripped that you recall? 17 I suppose, if he had been involved in a Α Yes. 18 rape, his trousers could be ripped. 19 0 And then down here they talk about what they were 09:03 20 doing in St. Albert, and Sharon's folks looking 21 for her, and then: 22 "Ο What is Sharon's address? 23 А 54 Gillian Cresc., St. Albert ...", 24 and then: 25 "... - don't go there." Meyer CompuCourt Reporting

Page 11890 : 1 What do you recall about that or -- and any 2 significance? 3 I don't know whether then, if he didn't want us to Α inquire there, but I don't remember. 4 5 Q And do you recall whether inquiries were made of 09:04 6 Sharon Williams to see what she may know about the 7 case? 8 Someone else did. Α 9 And we'll deal with that a bit later. Go to the 0 09:04 10 next page, please. And I believe, sir, you said 11 these are Mr. Milgaard's notes; is that right? 12 Α Yes. 13 0 And did you have him write something at the top as 14 well, it says: 09:04 15 "Green striped pants ... ", 16 etcetera? 17 Α It appears that way. 18 I recall reading somewhere, and I can't recall Q 19 where, that -- and perhaps just confirm this for 09:04 20 me -- that you were also trying to identify 21 whether he was right or left-handed? I was. 22 Α 23 0 And do you remember what you determined? 24 Α I believe he was left-handed. 09:04 25 And do you recall whether or not you were looking Q

— Meyer CompuCourt Reporting =

Page 11891 = 1 for a left or right-handed assailant? 2 Α I knew we were but at this time I can't tell you 3 which hand. 4 Okay. I believe Dr. Emson's evidence was 0 5 something to the effect that, although it could be 09:05 6 either, that it was more likely from a 7 right-handed person, do you recall that, the stab 8 marks? 9 I don't know. Α 09:05 10 Is that something you think you would have 0 Yeah. been aware of at the time? 11 12 Α At the time I would have been. 13 0 And that would have prompted your test to see what 14 hand he was? 09:05 15 Yes. Α 16 And it says at the top, and I'll maybe just Okay. Q 17 read through this: "Green striped pants - worn when I was 18 19 in the car from Regina to Saskatoon. 09:05 20 There at Shortys or Rons, (I think 21 Shortys)" 22 I take it that those were the pants he changed 23 out of when he got to Shorty's? 24 Α I believe so. 09:05 25 And those would have been an important piece of Q

_____ Meyer CompuCourt Reporting =

| | [| | Page 11892 |
|-------|----|---|--|
| | 1 | | evidence; is that fair to say? |
| | 2 | А | Yes. |
| | 3 | Q | And those would be the same pants that Albert |
| | 4 | | Cadrain said he saw blood on? |
| 09:05 | 5 | А | Yes. |
| | 6 | Q | And do you know what efforts were made to try and |
| | 7 | | locate those? |
| | 8 | А | Someone contacted the Mounted Police or city |
| | 9 | | police in Regina to check his vehicle to ascertain |
| 09:06 | 10 | | if the clothing was there. |
| | 11 | Q | Yeah, tell |
| | 12 | А | We also made efforts to check the garbage cans at |
| | 13 | | the rear of the Cadrain dwelling, and I know the |
| | 14 | | other members were detailed to go out to the |
| 09:06 | 15 | | landfill to check where the garbage had been |
| | 16 | | dumped earlier, however, I don't think anything |
| | 17 | | significant came of that. |
| | 18 | Q | And so do you have a recollection of officers |
| | 19 | | actually being assigned to, or going out to check |
| 09:06 | 20 | | the garbage and/or the landfill? |
| | 21 | А | I do. |
| | 22 | Q | Were you involved at all in that? |
| | 23 | А | No, I wasn't. |
| | 24 | Q | Do you know who was? |
| 09:06 | 25 | А | No, sir. |
| | | | Meyer CompuCourt Reporting |

Page 11893 : 1 Q And I could be mistaken on this but I don't recall seeing any written report of that, at least in the 2 3 investigation file, of a check; are you aware of whether a report would have been made? 4 5 Α No, I'm not. 09:06 6 And then it states -- now, and I appreciate that Q 7 would have been about five weeks after --8 Α Correct. 9 -- the date of the murder; is that fair? Q 09:07 10 Α Yes. And your recollection, I think you said, is that 11 Q 12 nothing was found of interest? 13 Α To my knowledge, nothing was found. 14 And then he says, maybe we can just enlarge this Q 09:07 15 area here, and it says: 16 "This is the house of stuck car owner.", 17 right here. And I believe, Mr. Karst, when the reference was made in the statement when we went 18 19 through it, this was the Danchuk location? 09:07 20 Vehicle, I think so. Α 21 And again, I don't know if we need to go into too Q 22 much detail, but you would have asked him to draw 23 where it was that he got stuck when they came upon 24 a car in the alley; is that fair? It would appear that way. 09:07 25 Α

| | | —————————————————————————————————————— |
|-----------------|---|---|
| | | |
| 1 | Q | And so he drew that map. And then as well: |
| 2 | | "This is garage who helped us.", |
| 3 | | I take it that's where they went after the Dan |
| 4 | | or as part of the Danchuk incident; is that fair? |
| <i>09:08</i> 5 | А | I think so, yes. |
| 6 | Q | And then, if you could just go back to the main |
| 7 | | page, and then he has got a picture of the motel |
| 8 | | over here, and would that be again, he told you |
| 9 | | about going to the motel for a map; is that right? |
| <i>09:08</i> 10 | А | Yes, he did. |
| 11 | Q | So he would be trying to describe for you, and |
| 12 | | again without going back to the statement, but I |
| 13 | | think what the statement said is that they got |
| 14 | | stuck or that they went to the motel for a map, |
| <i>09:08</i> 15 | | and then got stuck in this alley over by the |
| 16 | | Danchuk's, then went over to the garage; is that |
| 17 | | right? |
| 18 | А | Yes. |
| 19 | Q | And again, in relation to where the Cadrain house |
| 09:08 20 | | was and Gail Miller's body, did you draw any |
| 21 | | connection, here, from this drawing? |
| 22 | А | Not particularly. |
| 23 | Q | Okay. I believe, and if my directions are right, |
| 24 | | that the Cadrain house and the Gail Miller murder |
| 09:08 25 | | scene would be to the left? |
| | | Meyer CompuCourt Reporting |
| | | Cartified Professional Court Reporters serving P.A. Regina & Saskatoon since 1080 |

Page 11895 = 1 That's right. Α 2 In that direction of the arrow? 0 3 Α Yes. 4 The left of the drawing? Q 5 Right. 09:09 Α And then down at the bottom I believe -- and 6 Q 7 please correct me if I'm wrong, maybe just call 8 that out -- that you asked him to draw where he 9 went when he was at Cadrain's house when he moved 09:09 10 the car, and I believe the line, horizontal left 11 to right is 20th Street, that would be Avenue O, 12 and the square would be Cadrain's house; is that 13 right? I don't remember what that was. 14 Α 15 You had asked him to draw where he went at Okay. 09:09 0 16 Cadrain's house though? 17 I did, yes. Α 18 It would seem -- and maybe let me just Q Okay. 19 suggest this, Mr. Karst -- that there is a picture 09:09 20 of a car and going around the alley around the 21 Cadrain house; does that make sense? 22 Α Yes, it does. 23 Q And this square at the bottom might be St. Mary's 24 Church; is that possible? 09:09 25 Α Yes.

NG.

|-------|----|---|--|
| | 1 | Q | Do you know what else that might have been other |
| | 2 | Ŷ | |
| | | | than the Cadrain house? |
| | 3 | А | No, sir, I can't remember that. |
| | 4 | Q | If we can go to the next page, please. 283, |
| 09:10 | 5 | | please, next page. Oh, sorry, if we could go to |
| | 6 | | 0066 or pardon me 006586 and go to page this |
| | 7 | | is just a different version of the statement, Mr. |
| | 8 | | Karst, with notes on it. If you could go to |
| | 9 | | 006603, please, in fact I think if and I think |
| 09:10 | 10 | | earlier you identified these as being notes that |
| | 11 | | you would have made, and maybe we'll just enlarge |
| | 12 | | that first part so you can take a look at them. I |
| | 13 | | think you told us yesterday these would have been |
| | 14 | | notes that you made when you first talked to Mr. |
| 09:11 | 15 | | Milgaard on the morning of March 3rd before you |
| | 16 | | took the Q and A statement; is that correct? |
| | 17 | А | I believe so, yes. |
| | 18 | Q | And maybe we can just read it, it says: |
| | 19 | | "When you got to Regina what did you |
| 09:11 | 20 | | do", |
| | 21 | | and it says something about: |
| | 22 | | "Saw Pat Murray - stayed there three |
| | 23 | | days"? |
| | 24 | А | Yes. |

| | 3 | | I would that be relating to once they got to |
| | 4 | | Regina February 6th after the trip to Calgary; is |
| 09:11 | 5 | | that what it's referring to? And it says: |
| | 6 | | "Nichol and Shorty - dropped off at |

| 1 | 4 | Q | "Ripped pair at Ron's place - around |

| 09:12 2 | 20 | | do you know what that relates to? |
| 2 | 21 | А | Roger was his supervisor on his job and he looked |
| 2 | 22 | | after the cleaning of the clothes for the boys. |
| 2 | 23 | Q | And some of this was dealt with in the statement, |

Page 11898 : 1 31, '69, and he told you where he thought they 2 were and what were done with them? 3 That's correct. Α 4 0 And in fact the coat, I think inquiries were made 5 at Ron Wilson's parents' home; is that right? 09:12 6 Α Yes. 7 And I think you already told us efforts were made Q 8 to locate the pants without success? 9 Α Correct. 09:12 10 Did the fact that Mr. Milgaard voluntarily, or 0 appears from this to voluntarily have tried to 11 12 help you out to find the clothes, did that tell 13 you anything or did you put any significance on 14 that? 09:13 15 He seemed to be quite cooperative. Α 16 And if, in fact, there was something on Q Right. 17 there that was incriminating what would you have 18 expected him --19 Α I wouldn't have expected them to have been around 09:13 20 at that time anyway, but you have to check. 21 Q Okay. If we can go to the next page, please. 22 Again, just call out the top part, and then it 23 says here: 24 "Got stuck at Shorty's", 09:13 25 is that right, in the corner?

Page 11899 = 1 Α Yes. 2 0 And then you write: 3 "Who phoned -- called maybe Ron 4 I phoned - I can't remember all the 5 time." 09:13 And I take it that's when they were at Cadrain's 6 7 house and phoned for a tow truck? 8 I believe so. Α 9 Q Says: 09:13 10 "Was Yorkton", 11 do you know what that is: 12 "Yorkton centre"? 13 Α No, I can't. 14 "Psych centre", Q 09:14 15 I think: 16 "13 years - Dr. Andres - made snap 17 decisions." 18 And, again, you'll recall yesterday in his 19 statement that was something that was referred to 20 in the Q and A; correct? 21 Α It was, yes. 22 Q And it says: 23 "Could you have done something in 24 Saskatoon & had memory lapse -", 09:14 25 scroll down, please. Again, is that something Meyer CompuCourt Reporting

by Mr. Hodson Vol 61 - Tuesday, August 23rd, 2005 Page 11900 : 1 you would have asked him, I think we saw that in 2 the Q and A? 3 Α Yes. 4 And: 0 5 "How long a hippie - 1 1/2 ys." 09:14 6 Made in states, or: 7 "Canada and states - Seattle - sent back 8 to Canada, getting ... ", 9 do you know what that word is? 10 Α 'Married'. 11 Q "getting married near future". 12 And, again, I think we saw that in the Q and A? 13 Α Yes. 14 Is it possible, Mr. Karst, that you would have Q 09:14 15 made these notes and then written the Q and A 16 later, or --17 I believe this was the interview prior to that. Α 18 And then says: Q 19 "have been on acid - 5 or 6 times 09:14 20 speed - drugs - dexadrine Regina 21 was on pot 2 days before coming to 22 Saskatoon". 23 And I think we saw that in the statement; 24 correct? 09:15 25 Α Yes. by Mr. Hodson Vol 61 - Tuesday, August 23rd, 2005 Page 11901 = 1 Q And if we can go to 006405, please, and it says at 2 the top: 3 "Call from Inspector Riddell re -4 interview with Ron Wilson", 5 and I think, yesterday, you told us that these 09:15 would have been notes either from your call with 6 7 Inspector Riddell or from Stan Edmondson's call; 8 is that right? 9 Α That's correct. 09:15 10 Do you have a memory of talking to Inspector 0 Riddell on that date? 11 12 Α I don't other than this note. 13 0 And let's maybe just go through it. We know, and 14 I think you told us, you knew that Ron Wilson was 09:15 15 being interviewed that morning as well didn't you? 16 After being informed by Riddell, yes. Α 17 Did -- I'm sorry, did Stan Edmondson not 0 Okay. 18 inform you that -- or did you not know that Ron --19 when you went down to see Mr. Milgaard, were you 09:16 20 aware that Ron Wilson was also being interviewed 21 the next morning? 22 Α I can't remember. 23 0 Something would have caused you to phone Inspector 24 Riddell? 09:16 25 Α Yes.

|------------------|---|--|
| 1 | А | I think it is. |
| 2 | Q | Do you know what that refers to? |
| | | |
| 3 | A | No, I don't. |
| 4 | Q | Is it possible, and again it looks like here you |
| <i>0</i> 9:17 5 | | are talking about five a.m., and then I think nine |
| 6 | | a.m. at Shorty's. Is that |
| 7 | А | Maybe that's when they left. |
| 8 | Q | Possible four hours? |
| 9 | А | Yeah, time lapse between when they got to the city |
| <i>0</i> 9:17 10 | | until they got to Shorty's. |
| 11 | Q | That's just my read of it, Mr. Karst. I don't |
| 12 | | want to is that |
| 13 | А | It sounds reasonable, but I'm not positive of |
| 14 | | that. |
| <i>0</i> 9:17 15 | Q | Okay. And do you recall after talking to Riddell, |
| 16 | | and again with the assistance of these notes, |
| 17 | | whether you felt that Milgaard's story checked out |
| 18 | | with Wilson's story? |
| 19 | А | It appeared that way. |
| 09:17 20 | Q | And was that surprising to you, or let me put it |
| 21 | | this way, what did that tell you, if anything? |
| 22 | А | All I recall is that after the interview and after |
| 23 | | talking to I must have talked to Riddell, that |
| 24 | | this warranted further inquiries and discussion |
| <i>09:18</i> 25 | | when I got back to Saskatoon, but there certainly |
| | | Meyer CompuCourt Reporting |

Page 11904 =

| | | 5 |
| 1 | | wasn't, certainly wasn't enough information or |
| 2 | | evidence there to think about any charges at that |
| 3 | | time. |
| 4 | Q | Would you put so Milgaard wouldn't Mr. |
| <i>09:18</i> 5 | | Milgaard wouldn't know that you were interviewing |
| 6 | | Mr. Wilson the same morning; is that fair? |
| 7 | А | That would be correct. |
| 8 | Q | And you would have known, or would you have known |
| 9 | | whether or not Mr. Milgaard and Mr. Wilson had |
| <i>09:18</i> 10 | | talked in the last, in the weeks prior to your |
| 11 | | interview? |
| 12 | А | I have no idea, sir. |
| 13 | Q | I believe in the interview at least of maybe in |
| 14 | | both interviews, they both talk about the last |
| <i>09:18</i> 15 | | time they saw each other and I believe they both |
| 16 | | said it was sometime earlier. |
| 17 | А | That's what they said, yes. |
| 18 | Q | And so did you place tell us what significance |
| 19 | | if any would be on the fact that two separate |
| 09:18 20 | | interviews at the same time of two people in the |
| 21 | | car with each not knowing the other is being |
| 22 | | interviewed and giving consistent stories that |
| 23 | | seemed to check out, did you place any |
| 24 | | significance on that? |
| 09:19 25 | А | Not a great deal. |
| | | Meyer CompuCourt Reporting |

| | | by Mr. Hodson Vol 61 - Tuesday, August 23rd, 2005 |
|------------------|---|--|
| | | —————————————————————————————————————— |
| 1 | Q | And why is that? |
| 2 | А | I don't know whether I was convinced that they |
| 3 | | couldn't have been together after they got back to |
| 4 | | Regina, if there was some involvement, and checked |
| <i>09:19</i> 5 | | the story out that sounded reasonable. |
| 6 | Q | Okay. And just again from your general |
| 7 | | experience, I take it that if two people were |
| 8 | | involved in something and you questioned them |
| 9 | | independently of each other and they had not |
| <i>09:19</i> 10 | | talked to each other before being interviewed, is |
| 11 | | there a rule of thumb, do you expect that if they |
| 12 | | are involved you might get some inconsistencies if |
| 13 | | they are covering up? |
| 14 | А | If I was sure they hadn't been together since |
| <i>09:19</i> 15 | | that, yes, that would be significant. |
| 16 | Q | And so if they hadn't been together and their |
| 17 | | stories checked out as being consistent, that |
| 18 | | might lead you to think that there was more |
| 19 | | credibility to the story? |
| <i>0</i> 9:20 20 | А | I would say so. |
| 21 | Q | And if you found out that they had talked to each |
| 22 | | other immediately prior, then did you expect maybe |
| 23 | | it to be more consistent? |
| 24 | А | That's correct. |
| <i>0</i> 9:20 25 | Q | And would the fact that the stories appeared to be |

fairly consistent at this time, would that be
enough in your mind as on investigator to say,
well, let's eliminate Mr. Milgaard as a suspect?
A No.

09:20 5 **Q** Why not?

There were too many things in his statement that 6 Α 7 had even been legitimately so, couldn't remember 8 or was evasive about that I wanted to be sure of. 9 And I think those are outlined in a report 0 Okay. 09:20 10 of yours which I will go to in a moment. So I 11 take it at this time you are saying that it was a 12 factor, the Wilson/Milgaard stories that were 13 fairly consistent was a factor in your thought 14 process, but didn't cause you to eliminate him, 09:21 15 Mr. Milgaard as a suspect; is that what you are 16 saying?

17 A That's correct.

18 Can we just go back to doc ID 031058 and go to Q 19 page 031086, and do you recall these are from a 09:21 20 different version of the document, Mr. Karst, and 21 they were notes, I think you told us yesterday as 22 well, related to the interview of March 3rd, and: 23 "Acid - Regina - battery stolen & taken 24 to his car." 09:21 25 I take it the acid is referring to battery acid

| | 1 | | and not the drug? |
| | 2 | А | I think so, yes. |
| | 3 | Q | And: |
| | 4 | | "Go to Wilsons vehicle check for pants - |
| 09:21 | 5 | | ripped in crotch - also check car." |
| | 6 | | Would this be a note of follow-up that was |
| | 7 | | required or can you tell us what that might be? |
| | 8 | А | I would think that those are something we wanted |
| | 9 | | to check. |
| 09:21 | 10 | Q | And then the next page, please or sorry, 031091 |
| | 11 | | would be the next page to go to, and again I think |
| | 12 | | you told us these were your notes of the morning: |
| | 13 | | "What kind of morning; - foggy & clear." |
| | 14 | | Just call out that part: |
| 09:22 | 15 | | "Nickey worked at Champs cafe - I stayed |
| | 16 | | at Kitchener hotel." |
| | 17 | | Again, would those have been notes of your |
| | 18 | | initial meeting with Mr. Milgaard? |
| | 19 | А | Yes. |
| 09:22 | 20 | Q | And then did the rest can you tell us what this |
| | 21 | | says here: |
| | 22 | | "Did the rest leave you during time," |
| | 23 | | I think it says, and answer: |

| | | | |
| | 1 | А | I can't read that. |
| | 2 | Q | It says: |
| | 3 | | "When did you get to Saskatoon - early." |
| | 4 | | And then if you just scroll down, it says: |
| 09:22 | 5 | | "Remember bus depot and Hudson Bay - |
| | 6 | | also stopped and asked woman on street." |
| | 7 | | Is that right? |
| | 8 | А | It looks that way, yes. |
| | 9 | Q | Now, would that have been I note in that note, |
| 09:22 | 10 | | Mr. Karst, you have just "asked woman" and in the |
| | 11 | | Q & A you have "old woman". Do you recall |
| | 12 | А | In the statement he said old woman, yes. |
| | 13 | Q | And here is it possible he said old woman and you |
| | 14 | | only put woman down or do you know? |
| 09:23 | 15 | А | I can't remember. |
| | 16 | Q | Okay. And then it says: |
| | 17 | | "Stopped at hotel - & asked. |
| | 18 | | Maybe went to motel twice - on perimeter |
| | 19 | | road - got city map. Maybe motel man |
| 09:23 | 20 | | 30-40 yrs - roof over drive in - pants |
| | 21 | | ripped, don't know how." |
| | 22 | | Over here. And then: |
| | 23 | | "What type of morning - weather." |
| | 24 | | And then I think here: |
| 09:23 | 25 | | "Not very long picking up map - went in |
| | | | Meyer CompuCourt Reporting |

Page 11909 : 1 by himself. I went in myself - Ron 2 driving." 3 Is that what that says? 4 Α Yes. 5 And then just scroll down to the bottom, it says: 09:23 Q "I had suitcase -6 7 Nickey - no clothes 8 Ron - no clothes 9 2 screw drivers." 09:23 10 And then something about knife. Do you know what 11 that says? 12 Α "Was there a knife - didn't think so -13 didn't know. Maybe." 14 And that would have been something you asked and a Q 15 note of what he told you? 09:24 16 I believe so. Α 17 Now, after you were at the police station, or the 0 18 station with Mr. Milgaard and took his statement, 19 did you accompany him back to his motel? 09:24 20 Yes, I did. Α 21 And for what purpose? Q 22 Α Check his room. 23 0 Okay. And can you tell us what you recall doing 24 there? 09:24 25 Looked through any clothing he had which had been Α Meyer CompuCourt Reporting

Page 11910 : 1 dry cleaned, there were I think tags on them from a certain dry cleaning establishment, and also I 2 3 checked his body. 4 And for what purpose? 0 5 If there were any scars or evidence of any scratch 09:24 Α marks or anything like that that I could connect 6 7 with a possible rape. 8 And did you find anything of interest? Q 9 I did not. Α 09:24 10 And did Mr. Milgaard co-operate with you? 0 11 Α Yes, he did. 12 Q Do you recall whether you had gone and checked 13 with dry cleaners as well? 14 I did, I went to the dry cleaners, I can't Α 09:25 15 remember the name of it, but I went to a dry 16 cleaning place to check, but they couldn't shed 17 any light on it. 18 In Winnipeg? Q 19 In Winnipeg. Α 09:25 20 And so if I have this right, Mr. Milgaard had told 0 21 you that his clothes had been cleaned since he had 22 been in Saskatoon? 23 Α Yes. 24 0 And he told you where they were cleaned at; is 09:25 25 that fair? Meyer CompuCourt Reporting

Page 11911 =

A He did.

1

2 And did you then go to the dry cleaners and ask if 0 3 they noticed anything unusual about the clothes? 4 I did that. Α 5 And to be more specific, whether they noticed any 09:25 Q blood on any of the clothes? 6 7 They could not recall. Α If we could then go back to 009233, please, and 8 0 9 this is your March 7th report, go to the next 09:25 10 page, please, and again just call out -- actually, 11 the bottom paragraph, please, and your report 12 confirms: 13 "Milgaard's body was checked with 14 regards to the physical marks, although 09:26 15 old scratches, etc. were noted on his 16 hands and on the back of his neck, it 17 was nothing that could be connected with 18 any recent struggle." 19 And then you went on to talk about checking, 09:26 20 saying: 21 "... the premises thoroughly searched. 22 Also his luggage, clothing, etc. 23 checked, nothing was noted ... " 24 Next page, and then talks about going to the dry 09:26 25 cleaners, and that would detail what you had done Meyer CompuCourt Reporting =

Page 11912 : 1 then after you took Mr. Milgaard back? 2 Α That's correct. 3 And I think we heard yesterday or saw a note of 0 4 Constable Coppang that Mr. Milgaard was actually 5 arrested and put in custody; is that right? 09:26 Is that your recollection? 6 7 That's my recollection of what he said. Α 8 And then did someone have to make a decision to 0 9 release him, or tell us what happened when you 09:27 10 were done with Mr. Milgaard? I know he was released, that's all I can remember. 11 Α 12 Q And do you recall any discussion with Inspector 13 Riddell as to whether or not you should keep him 14 or release him? 09:27 15 I think his feeling was that we should release Α 16 him. 17 Do you know if it was your decision or Inspector 0 18 Riddell's or a joint decision? 19 Α It was probably Inspector Riddell. He was an 09:27 20 inspector and a senior. 21 And if in that situation Mr. -- or tell me, in Q 22 what circumstances where you are interviewing a 23 suspect in a murder case might you detain the 24 person in custody? 09:27 25 If I had evidence to clearly indicate to me that

= Meyer CompuCourt Reporting =

Α

Page 11913 = 1 this man is involved. 2 And so that on the day of March 3rd, if you felt 0 3 there was enough evidence, would it be enough evidence to charge him with the murder, would that 4 5 be the criteria to keep him? 09:28 I would think so. 6 Α 7 And if you felt -- if it's a situation Q Okay. 8 where you are suspicious but you have to do some 9 more work, would the normal practice be then to 09:28 10 release? 11 Α That's correct. 12 Q And did you -- were you in agreement, if it was 13 Inspector Riddell's decision to release Mr. 14 Milgaard, did you have any concern or objection to 09:28 15 that? 16 No, I did not. Α 17 And do you recall how you left it with Mr. 0 18 Milgaard as far as whether you would be back to 19 him or things of that nature? 09:28 20 I don't recall that. Α 21 Would he have asked you anything about what does Q 22 this mean, am I clear, anything like that? 23 Α I don't remember. 24 0 Now, can we just scroll down on this report, and 09:28 25 again this is March 7th is the date of your

| | 2 | | go through these, it says: |
| | 3 | | "Through investigation and statements |
| | 4 | | taken from Milgaard there were several |
| 09:29 | 5 | | points of interest noted." |
| | 6 | | And do I take it that this would have been your |
| | 7 | | summary of what you thought at the time based |
| | 8 | | upon your interview with Albert Cadrain, your |
| | 9 | | interview with David Milgaard and what you may |
| <i>09:29</i> | 10 | | have learned from others such as the service |
| | 11 | | station operators and maybe what other |
| | 12 | | investigators had checked at the Cadrain house? |
| | 13 | A | I believe that to be true. |
| | 14 | Q | Do you know at the time you prepared this whether |
| 09:29 | 15 | | you had visited the Cadrain house yet? |
| | 16 | A | I would I don't know. I would have thought I |
| | 17 | | would, but I don't know. |
| | 18 | Q | Okay. Maybe we'll just go through these, and the |
| | 19 | | purpose of writing these down, would it be for |
| 09:29 | 20 | | what purpose, for your own benefit or others or |
| | 21 | | tell us what |
| - | 22 | А | I think more for the benefit, my benefit and also |
| | 23 | | for the benefit of the senior officers that were |
| : | 24 | | conducting the investigation, let them know what |
| 09:30 | 25 | | my feelings were, what I found out. |

And Nichol John. 6 Α 7 And Nichol John, yeah. Q 8 Yes. Α 9 And 2: 0 09:30 10 "He can be placed in the vicinity of the Murder due to his own admission." 11 12 3. And we know he was travelling in the 13 lanes having been told -- " 14 Having been towed I think it should have said; is 15 that right? 16 Yeah. Also that Milgaard attended at the 21 Cadrain residence and also through his 22 own admission was in an excited 23 condition and although he denies this, 24 Cadrain stated that he had blood on his 09:30 25 clothing, this clothing not to be found Meyer CompuCourt Reporting

| 1 | | or located at this time." |
| 2 | | Can we just go back up to the first three items, |
| 3 | | and we talked about this yesterday, I take it at |
| 4 | | this time the information you had had placed Mr. |
| <i>0</i> 9:31 5 | | Milgaard in the vicinity at or about the time |
| 6 | | that you thought the murder took place? |
| 7 | А | That's correct. |
| 8 | Q | And when we say vicinity, that could be anywhere |
| 9 | | from a block to a couple of miles; is that fair? |
| <i>0</i> 9:31 10 | А | Well, a couple of miles, I wouldn't say it was in |
| 11 | | the vicinity, it had to be closer than that. |
| 12 | Q | And what caused you what caused you to think |
| 13 | | that he was in the vicinity of the T alley where |
| 14 | | Gail Miller's body was found? |
| <i>0</i> 9:31 15 | А | He drew diagrams that indicated to me he was, he |
| 16 | | knew where the cathedral was and that's the area |
| 17 | | they were in and this is the area where the body |
| 18 | | was found. |
| 19 | Q | Would it be fair enough. And then I guess |
| 09:31 20 | | number 4, you are talking about Mr. Milgaard being |
| 21 | | in an excited condition and the issue of the blood |
| 22 | | which Albert Cadrain said he saw but David |
| 23 | | Milgaard denies; is that right, at that time? |
| 24 | А | I don't know where you are reading. |
| <i>0</i> 9:31 25 | Q | Sorry, number 4, I just had read that, if you want |

| | 1 | | to take a look at that. |
|-------|----|---|--|
| | 2 | А | Okay, yes. |
| | 3 | Q | And then five: |
| | 4 | | "Also that from Insp. Riddell's |
| 09:32 | 5 | | conversation with the other youth |
| | 6 | | involved, Ronald Wilson in Regina, |
| | 7 | | stating that certainly Milgaard was |
| | 8 | | excited giving the reason as his girl |
| | 9 | | friend having ditched him for one of the |
| 09:32 | 10 | | other youths when in fact it is found |
| | 11 | | through Milgaard's statement that he was |
| | 12 | | a little excited and in a hurry due to |
| | 13 | | the fact that he was going to see his |
| | 14 | | girl friend in St. Albert this girl |
| 09:32 | 15 | | friend being Sharon Williams" |
| | 16 | | And her address. Do you recall what this related |
| | 17 | | to or what the significance of that? |
| | 18 | А | Well, it appeared there were two different stories |
| | 19 | | there, one, that he had just been ditched by |
| 09:32 | 20 | | another girlfriend, that's the reason he was |
| | 21 | | excited, and the other was that he was excited |
| | 22 | | because he was going to see Sharon William. |
| | 23 | Q | And would that be an inconsistency then that |
| | 24 | | concerned you? |
| 09:33 | 25 | А | A slight one. |

| 1 | Q | Okay. And is it possible that both might have |
| 2 | | been right? |
| 3 | А | That's very well possible. |
| 4 | Q | And then number 6: |
| <i>0</i> 9:33 5 | | "That we know these persons were under |
| 6 | | the effect of drugs through their own |
| 7 | | admission." |
| 8 | | I think you told us yesterday about that, |
| 9 | | correct, your thoughts |
| <i>0</i> 9:33 10 | А | Yes. |
| 11 | Q | about people on drugs or alcohol. |
| 12 | | "Also that these persons were in |
| 13 | | financial trouble." |
| 14 | | And again what caused you to reach that |
| <i>0</i> 9:33 15 | | conclusion? |
| 16 | А | What caused me to |
| 17 | Q | On what basis did you say that? |
| 18 | А | Well, I think Cadrain also says that they came to |
| 19 | | him for money and I believed that Milgaard also |
| <i>0</i> 9:33 20 | | said they wanted to take the girl along and also |
| 21 | | Albert so they would have some money to buy drugs. |
| 22 | Q | So what you are saying is that they were, these |
| 23 | | persons were in need of money; is that |
| 24 | А | I think that was the impression I |
| <i>0</i> 9:33 25 | Q | Okay. And then number 8: |
| | | |

Page 11919 : 1 "Also to be taken into consideration is 2 the record and type of offences which 3 Milgaard has a record, this being 4 covered in the statements taken from 5 him." 09:34 And again, when you talk about his record, would 6 7 you be relying upon the information that he had 8 given you in the interview? 9 Α Yes, we tried to check that out in Langenburg, 09:34 10 which we didn't have much success. And would that have been done later after this 11 Q 12 report do you think? 13 Α No, prior. 14 Do you recall when you went to Langenburg? Q Or, 15 I'm sorry, let me back up, when you say you 09:34 16 checked out, was that by phone call or in person? 17 No, when Lieutenant Short and I were in Langenburg Α 18 we made a few calls, but I don't know whether we 19 didn't find the people or what. We didn't get any 09:34 20 information. 21 And when did you and Lieutenant Short go to Q 22 Langenburg; do you recall? 23 Α I think sometime in March. 24 0 Okay. Let me just put a couple of dates to you 09:34 25 and see if you can help pin this down. March 2nd

| | 1 | | on Sunday you took Albert Cadrain's statement? |
| | 2 | A | Yes. |
| | 3 | Q | You flew to Winnipeg that evening, took Mr. |
| | 4 | | Milgaard's statement on March 3rd, a Monday. I'll |
| 09:35 | 5 | | be going in a moment to a statement of Albert |

| 09:35 | 10 | А | I don't know. |
| | 11 | Q | Okay. And I'll deal with that later, but you and |
| | 12 | | Lieutenant Short went to Langenburg to check up on |
| | 13 | | some of the things Mr. Milgaard had told you and |
| | 14 | | to get some background; is that fair? |
| 09:35 | 15 | А | And to advise the Milgaard parents what was going |
| | 16 | | on. |
| | 17 | Q | Why don't you tell us what you recall about that |
| | 18 | | trip? |
| | 19 | A | Not too much. I believe we attended at the |
| 09:35 | 20 | | Milgaard residence, spoke to Mr. and |
| | 21 | | Mrs. Milgaard. Mrs. Milgaard was very upset, she |
| | 22 | | was quite sure her son wouldn't be involved in |

| | 1 | Q | Let's just back up. When you went to their home, |
| : | 2 | | what would you or Mr. Short have said to them |
| : | 3 | | generally as to why you were there? |
| | 4 | А | Probably that we were investigating their son with |
| 09:36 | 5 | | regards to a murder. |
| | 6 | Q | And so you let me back you would have told |
| | 7 | | them he was a suspect in a murder case? |
| : | 8 | A | I don't know whether I said suspect, but we were |
| | 9 | | doing some investigation with regards to a murder |
| <i>0</i> 9:36 10 | 0 | | and he was one of the people we were talking to. |
| 1 | 1 | Q | And do you recall what Mr. Milgaard had said to |
| 1: | 2 | | you when you told him that? |
| 1: | 3 | А | Words to the effect that he wasn't surprised or he |
| 1, | 4 | | expected he would be in some kind of trouble |
| <i>09:36</i> 1 | 5 | | sooner or later, words though that effect, I can't |
| 10 | 6 | | recall. |
| 1 | 7 | Q | And did you place any significance on that? |
| 18 | 8 | А | Not really. He may not have been getting along |
| 19 | 9 | | with his son, so he may say things like that. |
| 09:37 20 | 0 | Q | And what about Mrs. Milgaard, do you recall what |
| 2 | 1 | | she had said to you? |
| 22 | 2 | А | Very upset and was sure her son would not be |
| 23 | 3 | | involved in something like that. |
| 24 | 4 | Q | Okay. And do you recall anything further than |

| | 3 | Q | And do you recall |
| | 4 | А | I can't remember anything else. |
| 09:37 | 5 | Q | And in the statement Mr. Milgaard had told you |

Some significance to me, yes. 11 Α 12 0 And then at the bottom: 13 "And one of the most important factors 14 to be kept in mind is the time element 15 involved, as there is no accounting for 09:38 16 the time which they arrived in the City, 17 which is approx. 5:00 or 5:30 by their 18 own testimony and statements and we 19 cannot account for any of their actions 09:38 20 until approx. 20 minutes to 8:00 when 21 they were stuck in a lane in the 100 22 Blk. off of south of 22nd St. between 23 Ave. T and U." 24 Again, this is covered by the Danchuks. 09:38 25 And again, can you just elaborate on that, Mr.

| 1 | | Karst, what were you thinking there? |
| 2 | А | Well, that was about the time it was understood |
| 3 | | that the offence had taken place and this is a |
| 4 | | time period which neither him nor Wilson accounted |
| <i>09:3</i> 9 5 | | for, so it left room for more inquiries as to what |
| 6 | | really happened, where they were. |
| 7 | Q | And would you have expected them to be able to |
| 8 | | account for that time period? |
| 9 | А | I thought so. Being that in some instances |
| <i>0</i> 9:39 10 | | Milgaard could relate to me, you know, really |
| 11 | | specific things like the age of the man in the |
| 12 | | motel room, there was certain things he was so |
| 13 | | definite about, yet he couldn't fill in the time |
| 14 | | period a couple of hours with some answers. |
| <i>0</i> 9:39 15 | Q | Okay. And so in your mind that required further |
| 16 | | investigation? |
| 17 | А | It did. |
| 18 | Q | And then you go on to say: |
| 19 | | "Intensive interrogation and questioning |
| <i>0</i> 9:39 20 | | of Milgaard by myself and S/Sgt. |
| 21 | | Edmunson reveal that he does not account |
| 22 | | for this period of time and states he |
| 23 | | just doesn't remember other than |
| 24 | | probably driving around looking for his |

| 09:40 | 5 | | And again the term intensive interrogation and |
| | 6 | | questioning, is that those are your words. |
| | 7 | | Would that be an accurate description of your |
| | 8 | | interview of Mr. Milgaard on March |
| | 9 | А | I think so. It depends how you interpret |
| 09:40 | 10 | | intensive. To me it just meant, you know, |
| | 11 | | lengthy, talking to him. |
| | 12 | Q | And I believe when we looked at the statement, |
| | 13 | | about six hours you spent with him? |
| | 14 | А | I believe that's pretty close. |
| 09:40 | 15 | Q | And then you say: |
| | 16 | | "I might also add that a peculiarity of |
| | 17 | | Milgaard noted was that upon my arrival |
| | 18 | | in Winnipeg and the questioning of him |
| | 19 | | on the early morning of March 3rd, he |
| 09:40 | 20 | | did not appear nervous or in a tense |
| | 21 | | condition as would be anticipated of a |

| 1 | | obtaining legal aid, which is the usual |
| 2 | | custom when dealing with youths with a |
| 3 | | record of his type." |
| 4 | | If I can just pause there, and we talked a bit |
| 09:41 5 | | about this yesterday, I think you said when you |
| 6 | | met him on the Monday morning he did not appear |
| 7 | | nervous; is that correct? |
| 8 | А | No, he did not. |
| 9 | Q | And again his reaction when Constable Coppang |
| <i>09:41</i> 10 | | picked him up the night before, do you have any |
| 11 | | recollection of being informed of that? |
| 12 | А | No, I don't. |
| 13 | Q | And this discussion about obtaining legal aid, can |
| 14 | | you tell us what your thinking was then as far as |
| <i>09:41</i> 15 | | your experience with young suspects as to when |
| 16 | | they ask for a lawyer, when they don't and what if |
| 17 | | anything you read into that? |
| 18 | А | That varies. I know some youths that are street |
| 19 | | wise and had dealings with the police, the first |
| 09:41 20 | | thing they say when they are told they may be |
| 21 | | charged, they want to see a lawyer and no other |
| 22 | | way. On the other hand, you can construe that, |
| 23 | | well, I'm not guilty of anything, I don't need a |
| 24 | | lawyer, so it just needed further investigation. |
| <i>09:4</i> 2 25 | Q | And I believe I read somewhere that you thought |
| | | |

1 Mr. Milgaard was street wise; is that fair? 2 Α Yes. 3 And so what at the time, what did you read into 0 4 the fact, if anything, that Mr. Milgaard did not 5 ask for a lawyer or legal aid? 09:42 6 Α I probably thought it was the two ways that I just 7 mentioned to you. 8 So it could be incriminating and it may not be 0 9 incriminating? 09:42 10 Α That's correct. And one more than the other, did it tip in your 11 Q 12 mind? I mean, the fact that you mention it here 13 and say this is the usual custom when dealing with 14 youths with a record of this type, am I correct 15 that you had expected him to ask for a lawyer? 09:42 16 I probably did. Α 17 And again the fact that he didn't, did you in your 0 18 mind, did that make you more suspicious, less 19 suspicious? 09:43 20 I don't think it mattered either way. Α 21 And then you say: Q 22 "Also noted that Milgaard has in fact 23 received psychiatric treatment during 24 the past years from the Psychiatric 09:43 25 Centre in Yorkton, Sask. his doctor Meyer CompuCourt Reporting =

Page 11928 : 1 being at the time Dr. Andres. This 2 portion being admitted by Milgaard, 3 however not checked out." Do you recall if that was checked out further? 4 5 Α No, I don't know. 09:43 Did you, were you involved in checking out any 6 Q 7 psychiatric --8 No, I was not. Α 9 And then you say: Q 09:43 10 "It was also noted that although Milgaard's clothing has not been 11 12 located, he states that when attending 13 at the Trav-a-leer Motel in the early 14 morning of Jan. 31st, in regards to 09:43 15 obtaining a map for directions, he 16 recalls his crotch being completely 17 ripped out of his trousers. It was also 18 noted -- " 19 Let me pause there, and again you may have 09:43 20 touched on that, did that cause some suspicion, 21 the ripped crotch? 22 It's possible to be connected to a rape. Α 23 0 Yeah. 24 "It was also noted that Milgaard's 09:44 25 reason for driving in the lanes while in = Meyer CompuCourt Reporting =

| 2 | | explanation for being in the lanes was |
| 3 | | that he was looking for his friend's |

| <i>09:44</i> 10 | | Again, can you elaborate on that? |
| 11 | А | Yes, it just seemed rather odd to me that somebody |
| 12 | | looking for somebody's dwelling would go down the |
| 13 | | lane looking. |
| 14 | Q | And the fact that Gail Miller's body was found in |
| <i>09:44</i> 15 | | a lane near the Cadrain house, was that a factor |
| 16 | | that you considered? |
| 17 | А | I considered it. |
| 18 | Q | Scroll down, please: |
| 19 | | "It was noted that Inspector Riddell |
| <i>09:44</i> 20 | | checked out the Wilson vehicle which was |
| 21 | | located in Regina and found nothing that |
| 22 | | would indicate that it was involved in |

| | 7 | | And then: |
| | 8 | | "My personal feelings after |
| | 9 | | interrogating this youth and after being |
| 09:45 | 10 | | in conversation with Sgt. Edmunson is |
| | 11 | | that he could be responsible for an |
| | 12 | | offence of this type and there are many |
| | 13 | | areas which I think should be cleared up |
| | 14 | | further with regards to time element and |
| 09:45 | 15 | | discrepancies in statements made etc. |
| | 16 | | which I believe should be done before |
| | 17 | | this person should be eliminated as a |
| | 18 | | suspect with regards to this file." |
| | 19 | | And does that accurately state what you would |
| 09:45 | 20 | | have thought at the time, Mr. Karst? |
| | 21 | А | I believe so. |
| | 22 | Q | So do I read into that that you, what you are |
| | 23 | | saying is that he, you say he could be |
| | 24 | | responsible; is that fair, you are not saying he |
| 09:45 | 25 | | is, you are saying he could be? |
| | | | Meyer CompuCourt Reporting |

Page 11931 = 1 Could be. Α 2 0 You suspected him? 3 That was my feeling. Α 4 And that you are -- you say there are many areas 0 5 that should be cleared up before this person 09:46 should be eliminated as a suspect; is that fair? 6 7 That's fair. Α 8 0 And would that, then, be the next task of the 9 investigators to check into the discrepancies to 09:46 10 see if you could eliminate? I would think so. 11 Α 12 Q And just generally, in an investigation of this 13 nature, when you have -- what is the process of 14 suspects and elimination of suspects, persons of 09:46 15 interest, what -- how did things work at that time 16 at least as far as you were concerned? 17 Could you be a little more specific? Α 18 Well it says here that he was a suspect. Q Sure. 19 Uh-huh. А 09:46 20 And then what would you do once you had a suspect, 0 21 I take it you would take steps to either confirm 22 or eliminate, is that fair? 23 Α That's correct, yes. 24 0 And then, if you couldn't eliminate, at some point 09:46 25 you would say 'well then this must be the person'?

| | | | |
| | 1 | A | No, it needs further investigation. Just because |
| | 2 | | you can't eliminate somebody still doesn't mean |
| | 3 | | that he is a guilty person. |
| | 4 | Q | Let me ask you this question: Would you then |
| 09:47 | 5 | | follow up, in this case with a suspect, would you |
| (| 6 | | then take steps to try and prove that Mr. Milgaard |
| | 7 | | was the one who did it or to try and prove that he |
| Ę | 8 | | should be eliminated? |
| (| 9 | А | One or the other. |
| 09:47 10 | 0 | Q | Or both? |
| 1' | 1 | А | Or both, yes. |
| 1: | 2 | Q | But did you focus on one more than the other, and |

| 14 | 4 | A | I don't think so. |

| 23 | 3 | | And again, you may have touched on this, but |

Page 11933 : 1 relevant in your investigation? 2 Α Attitude not so much as the type of person, what 3 he -- his background. 4 And in what way? 0 5 Well, like I think he stated he had been charged 09:48 Α with sexual offences, and that interested me as 6 7 far as investigating him. 8 0 And then it goes on to say: 9 "After a further conversation with Insp. 09:48 10 Riddell I was advised that the Milgaard 11 youth should be released at that time 12 due to insufficient evidence obtained 13 with with which to lay charges, 14 consequently on the evening of March 3, 09:48 15 the suspect was released to the 16 Boulevard Motel." 17 And would that accurately reflect your discussion 18 with Inspector Riddell? 19 I think so. Α 09:48 20 And then at the bottom: O 21 "As a point of interest it is noted that 22 the Cadrain youth was again interrogated 23 and a further statement taken however he 24 stuck close to his original story. We're done with this document. Now I think you 11 Q 12 would have been aware -- and please correct me if 13 I'm wrong -- on March 3rd, when you talked to Inspector Riddell, that he had interviewed Ron 14 09:49 15 Wilson and taken a statement, is that fair, that 16 he -- that that was happening? 17 Α I beg your pardon? 18 Sorry. That on March 3rd you interviewed Q Okay. 19 Mr. Milgaard, you have told us based on the notes 09:49 20 that you would have talked to Inspector Riddell, 21 compared notes as to what he found out from Ron 22 Wilson? 23 Α That's correct. 24 0 Correct? And would it be fair to assume that you 09:49 25 would have known that Ron Wilson would have

Page 11935 : 1 provided a written statement? 2 I don't know whether I knew he provided a written Α 3 I know he was in conversation with statement. him. 4 5 Q And, given your knowledge at the time, is it --09:49 would you have expected Inspector Riddell to have 6 7 taken a statement from Ron Wilson, a written 8 statement? 9 I don't think -- I don't know. Α 09:50 10 Okay. If we could call up 006709, please. 0 And 11 this is a statement, a typed statement of Ron 12 Wilson March 3rd, '69 from Inspector Riddell, and 13 I don't believe -- I think the only version we 14 have is a typed version, at least I haven't seen a 09:50 15 Would you have received a handwritten version. 16 copy of this statement at or about that time, Mr. 17 Karst? 18 Α I don't recall ever seeing any Mounted Police 19 files on our statement -- on our file. 09:50 20 So this, this, you don't recall seeing this 0 Okay. 21 statement, then, on the police file back in 1969? 22 Α No I don't. 23 0 And would you have been aware of the contents of 24 what Mr. Wilson had to say? 09:50 25 I probably was through conversation. Well when you took his statement in May, on 4 May 23rd and 24th --5 Yes. 09:54 Α -- where he specifically refers to making 6 Q 7 additional comments, would it not be reasonable to 8 think that you would have that statement or you 9 should get that statement to see what he had said 09:54 10 there? Like I said, I don't think we received any copies 11 Α 12 of anything from the Mounted Police. 13 0 Okay. Okay. If we could just go through parts of 14 this -- and I appreciate your statement, Mr. Karst, that you don't recall getting it or 15 09:54 16 reviewing it. It appears that this, at this time, 17 March 3rd -- and, again, this is touched on in the 18 notes, your notes from Inspector Riddell -- that 19 Wilson is saying they arrived at 5:00 or 6:00 a.m. 09:54 20 in the morning, began driving around, didn't know 21 where Albert lived but David had been there, and 22 recognized it as Peace Hill. | | 17 | | either checked out or were aware that the version |
| | 18 | | of the story, or the version of the statements |
| | 19 | | given by Milgaard, John, and Wilson about their |
| 09:56 | 20 | | dealings with the Danchuks, were fairly |
| | 21 | | consistent? In other words |
| | 22 | А | I didn't check that, but I know, I'm sure somebody |
| | 23 | | did. |
| | 24 | Q | Okay. When you say you think, were you aware of |
| 09:56 | 25 | | someone saying 'lookit, their story about the |
| | | | Meyer CompuCourt Reporting |

1 Danchuks is pretty much identical or consistent'? 2 Α I was aware of that. 3 And next page, please. And so you would 0 Okav. have been aware I take it, from even Mr. 4 5 Milgaard's statement, that at about, I don't know, 09:56 6 7:30 in the morning or at some point before they 7 qot to Cadrain's -- I think they got to Cadrain's 8 around 9:00 -- so in the hour, hour and a half 9 prior, that they had got stuck at the Danchuks' 09:56 10 and spent a considerable amount of time there; is that fair? 11 12 Α I would agree. 13 0 And is it your understanding that that would have 14 been after the murder of Gail Miller, in other 15 words that it would have been after, in time, to 09:56 16 the Gail Miller murder? 17 I believe that's what I felt. Α 18 And so that if Mr. Milgaard had committed Q Okay. 19 the murder of Gail Miller, shortly after he would 09:57 20 have gone to the motel and then to the Danchuks', 21 was that your understanding? 22 Α I can't remember just exactly what --23 0 Okay. 24 Α -- series of events, how they went, but --09:57 25 I think the body was found at about 8:20, and the Q

| | 1 | | time of death I think from 7:00 to 8:00 a.m., but |
|-------|----|---|--|
| | 2 | | I think 6:45 to 7:00 a.m., somewhere around there, |
| | 3 | | I think the evidence was that Gail Miller was |
| | 4 | | either going to the bus at 6:49 or 7:04, so in |
| 09:57 | 5 | | that time frame. And I believe that the |
| | 6 | | Mr. Rasmussen at the motel said that Mr. Milgaard |
| | 7 | | was in after 7:00 at some time, and the Danchuks |
| | 8 | | put them in their back alley at I think 7:20 or |
| | 9 | | 7:30, somewhere in there, and they were there for |
| 09:58 | 10 | | about an hour, hour and a half, and then went in |
| | 11 | | daylight to Cadrain's house. So I think that the |
| | 12 | | record suggests that, if Mr. Milgaard had |
| | 13 | | committed the murder, it would have had to have |
| | 14 | | been before he went to the motel and before he |
| 09:58 | 15 | | went to the Danchuk's; does that sound about |
| | 16 | | right? |
| | 17 | A | I believe so. |
| | 18 | Q | And so that's something that you would have been |
| | 19 | | aware of at the time I take it? |
| 09:58 | 20 | A | I think so. |
| | 21 | Q | And, given Mr. Cadrain's statement to you that he |
| | 22 | | saw blood on Mr. Milgaard's clothing when he |
| | 23 | | arrived there on the morning at about 9:00 |
| | 24 | | o'clock, would you have expected other people to |
| 09:58 | 25 | | have also seen blood on Mr. Milgaard? |
| | | | Meyer CompuCourt Reporting |

Page 11943

| | 1 | А | Depending on the amount of blood that was there, |
|-------|----|----|---|
| | 2 | | they maybe didn't have close contact with him as |
| | 3 | | Cadrain did, I don't know. |
| | 4 | Q | And, again, I had asked you when we started this |
| 09:58 | 5 | | morning about the quantity of blood that Mr. |
| | 6 | | Cadrain said he saw on the clothes, and do you |
| | 7 | | have any recollection of whether are we talking |
| | 8 | | blood splattered all over the place, or little |
| | 9 | | pieces, or do you remember? |
| 09:59 | 10 | А | I do not recall that. |
| | 11 | Q | Yeah. And so, again, did you become aware in the |
| | 12 | | investigation that the Danchuks, Walter and Sandra |
| | 13 | | Danchuk, spent some time with Mr. Milgaard that |
| | 14 | | morning, which would have been shortly after the |
| 09:59 | 15 | | time of the murder? |
| | 16 | А | Was I aware of that? |
| | 17 | Q | At the time, yes? |
| | 18 | А | I think so. |
| | 19 | Q | And what significance, if any, did you place on |
| 09:59 | 20 | | the fact that the Danchuks did not observe any |
| | 21 | | blood on Mr. Milgaard's clothing? |
| | 22 | А | He may have taken his coat off, or I don't know, I |
| | 23 | | mean various reasons. They may have, they maybe |
| | 24 | | paid no attention, maybe if he had his clothes |
| 09:59 | 25 | | eaten about by acid as it was anticipated or |

1 believed, I believed to be, there could be many 2 reasons they didn't notice blood. 3 If the Danchuks, or either of them, had noticed 0 4 blood on Mr. Milgaard's clothing that morning, 5 that would have been, that would have been a 10:00 significant piece of evidence; is that fair? 6 7 Yes, it would have. Α 8 And would the fact that they did not observe blood 0 9 on his clothing; would that also be a significant 10:00 10 piece of evidence? 11 Α I think so. 12 Q And, again, is that something that you took into 13 consideration, then, in the investigation? 14 I believe so. That's why we continued Α 10:00 15 investigating. 16 And then, if we can go down again, this is Q Mr. Wilson's statement, he talks about it was 17 18 daylight about 8:00 or 9:30 a.m., Dave recognized 19 a gas station, they were able to direct us to 10:00 20 Albert's place. And, again, if we can go to the 21 next page, please, and this is where Mr. Wilson 22 talks about changing clothes and Mr. Milgaard 23 driving around the block to park it. Would it be 24 fair to say at this point, now, that you had 10:00 25 Albert Cadrain's original story about Mr. Milgaard

| | 1 | | driving the car around the block a couple of |
| | 2 | | times, which you thought was suspicious; correct? |
| | 3 | А | Yes. |
| | 4 | Q | And now both Mr. Milgaard and Mr. Wilson |
| 10:01 | 5 | | corroborated that; is that fair? |
| | 6 | А | That's fair. |
| | 7 | Q | And, again, I don't think there's any mention in |
| | 8 | | here of Mr. Wilson saying he didn't see blood, he |
| | 9 | | says David wanted to change the clothes as they |
| 10:01 | 10 | | were dirty. Do you recall talking to Riddell or |
| | 11 | | learning whether or not or what Mr. Wilson had |
| | 12 | | to say about observing blood? |
| | 13 | А | I just can't recall that. |
| | 14 | Q | Again, if Mr. Wilson had said at this time that he |
| 10:01 | 15 | | saw blood on Mr. Milgaard's clothing, presumably |
| | 16 | | you would have made note of that? |
| | 17 | А | I would think so. |
| | 18 | Q | And then at the bottom of that page, please. Mr. |
| | 19 | | Wilson says: |
| 10:02 | 20 | | "At no time during the time that we were |
| | 21 | | in Saskatoon was Dave Milgaard out of my |
| | 22 | | sight for more than one or two minutes, |
| | 23 | | the one time being when he drove the car |
| | 24 | | around the block. This would be well |
| 10:02 | 25 | | after daylight. I never knew of Dave to |

I am convinced that Dave 2 Milgaard never left our company during 3 the morning we were in Saskatoon." 4 And then scroll down: "The last time I saw Dave Milgaard was 5 10:02 about 10 Feb 69. I know we got back 6 7 from our trip on a Wednesday and he left 8 for Winnipeg ... the next Monday. 9 All during this trip there was 10:02 10 never any mention about the murder of a 11 girl in Saskatoon. In fact, I didn't 12 even know about this murder until the 13 police told me today." 14 Just go back to the full page, please. So the 10:02 15 first part, Mr. Wilson is telling Inspector 16 Riddell that Dave Milgaard was not out of his 17 sight for more than one or two minutes, and that 18 one of them would have been at -- in daylight at 19 Cadrain's when he drove around the block. And 10:03 20 would it be fair to say that you would have been 21 aware of that information at the time, or shortly 22 after that you would have been aware that Mr. 23 Wilson was saying 'lookit, he was with me'; is 24 that fair? 10:03 25 Α That's fair.

| | 1 | Q | And when he drove around the block at Cadrain's |
| | 2 | ~ | would have been well after Gail Miller's body had |
| | 3 | | been discovered; fair enough? |
| | 4 | А | That is correct. |
| 10:03 | 5 | Q | Yeah. So if Mr. Wilson is telling the truth in |
| 10.03 | | × | |
| | 6 | | this statement, and telling everything, that would |
| | 7 | | appear to be an alibi for Mr. Milgaard; is that |
| | 8 | | that's fairly obvious; is that correct? |
| | 9 | А | That's obvious, yes. |
| 10:03 | 10 | Q | And so at this point what would you do as a police |
| | 11 | | officer, then, or how did you deal with the fact |
| | 12 | | that one of Mr. Milgaard's both Mr. Milgaard |
| | 13 | | denies being involved, I think from his statement, |
| | 14 | | and Mr. Wilson is saying 'lookit, I was with him |
| 10:03 | 15 | | the whole time, he couldn't have done it, I know |
| | 16 | | nothing about it'; what, as an officer, do you |
| | 17 | | then do, like, how do you deal with that? |
| | 18 | А | Personally, as an officer investigating a |
| | 19 | | complicated murder, I don't think I ever took |
| 10:04 | 20 | | statements right off the bat in as in face |
| | 21 | | value. You investigate everything that was said |
| | 22 | | if you have a person of interest. |
| | 23 | Q | Yeah. And why is that? |
| | 24 | А | Because most people don't admit everything right |
| 10:04 | 25 | | away, in fact, very few do. |

| | 1 | Q | And so, if Mr. Wilson had been involved with Mr. |
| | 2 | | Milgaard in the crime, is that something you would |
| | 3 | | have suspected at the time? |
| | 4 | А | No, I never ever suspected, after I spoke to |
| 10:04 | 5 | | Cadrain I never ever focused on Wilson as a, as an |
| | 6 | | accomplice. |
| | 7 | Q | And why was that? |
| | 8 | А | Because of Cadrain's information that he related |
| | 9 | | to us. |
| 10:04 | 10 | Q | Okay. Well, what, Cadrain would have told you |
| | 11 | | that he saw blood on Milgaard; correct? |
| | 12 | А | Yes, yeah. |
| | 13 | Q | And |
| | 14 | А | Not on Wilson. |
| 10:05 | 15 | Q | No, not on Wilson. But, for example, what if Mr. |
| | 16 | | Wilson and I think this had been a theory at |
| | 17 | | some point that Mr. Wilson was involved in purse |
| | 18 | | snatching and Mr. Milgaard was involved in the |
| | 19 | | rape and murder; did that cross your mind, that |
| 10:05 | 20 | | perhaps the two of them were out doing something |
| | 21 | | and |
| | 22 | А | I think that we went through questions like that |
| | 23 | | later on. |
| | 24 | Q | Did you think it might be unusual that, given |

Page 11949 : 1 had a criminal background as well? 2 Α Yes. 3 And that Mr. Wilson later talked about purse 0 snatching and things of that nature; correct? 4 5 Later on, yes. 10:05 Α And do you think it would be unusual that Wilson 6 Q 7 and Milgaard, being what you knew of them and 8 being together that morning, that one would commit 9 a crime without the other one knowing about it or 10:05 10 being involved in it? 11 Α That's a possibility. 12 Q And it's a possibility that they could have been 13 involved? 14 Yes, absolutely. Α 10:06 15 And so what was it at this time, then, that -- or 0 16 at any time, that caused you to rule out Ron 17 Wilson as being involved in some way, not 18 necessarily -- involved in some way in an 19 encounter with Gail Miller? 10:06 20 I don't think I ever ruled him out, but he was Α 21 never a suspect in my mind. 22 Q Okay. And, again, is that because it was 23 Cadrain's evidence or statement that he saw blood 24 on Milgaard, Mr. Milgaard? 10:06 25 Probably partly. Α

| | 1 | Q | And I take it that if Mr. Wilson was involved in |
|-------|----|---|--|
| | 2 | | some way or had something incriminating you, as an |
| | 3 | | experienced officer, would you expect him to tell |
| | 4 | | Inspector Riddell at his first interview about |
| 10:06 | 5 | | that? |
| | 6 | А | Maybe not. |
| | 7 | Q | Now we note in looking at this statement there is |
| | 8 | | no mention, in Ron Wilson's statement, about |
| | 9 | | stopping someone and asking for directions and |
| 10:07 | 10 | | I think you can take it that it doesn't state |
| | 11 | | that, Mr. Karst and yet Mr. Milgaard, in his |
| | 12 | | statement to you, talked about that; do you recall |
| | 13 | | whether that would have been an inconsistency that |
| | 14 | | you would have followed up, or someone would have, |
| 10:07 | 15 | | with either Mr. Wilson and, later, Ms. John? |
| | 16 | А | I'm sure it was followed up, not by me, but |
| | 17 | | somebody had checked with him. |
| | 18 | Q | And would that be an important thing to check? |
| | 19 | А | Yes, because Wilson never mentions that, but yet |
| 10:07 | 20 | | Milgaard does. |
| | 21 | Q | And, again, I think you told me yesterday that |
| | 22 | | and please correct me if I'm wrong that when |
| | 23 | | Mr. Milgaard told you about asking an old woman |

| 3 | 3 | Q | A possibility, yeah. |

| 10:09 25 | 5 | | remember whether this might have been something |
| | | | Meyer CompuCourt Reporting |

Page 11952 : 1 that you saw at the time? 2 I don't remember, but I don't think so. Α 3 And, again, would that be for the same reasons 0 4 that you think you didn't see the statement of Ron 5 Wilson? 10:09 6 That's correct. Α 7 And is it possible that you would have talked to Q 8 -- well, let's go through the statement, and then 9 when we're done I will ask you whether you would 10:09 10 have talked to Mr. Riddell about these things. Point number (1) Ridell writes: 11 12 "A check with the license office in 13 Regina reveals that Wilson obtained the 14 plates for his car on 30 Jan 69, which 10:09 15 would be in keeping with the fact that 16 he was in Saskatoon ... "; 17 do you recall any discussion with him about that 18 or becoming aware of that? 19 Α No, I had no discussion with Mr. Riddell about 10:09 20 that. 21 Item (2), Wilson's vehicle was searched, nothing Q of interest located, pair of grey pants, no blood 22 23 stains noted, and I think in your March 7th report 24 you referred to the fact that they had searched 25 Wilson's car and found nothing; is that fair? Meyer CompuCourt Reporting =

1 Right. Α 2 So this information would have been, in number 2, 0 3 would have been communicated to you in some way do 4 you think? 5 Α I would think I was aware of it. 10:10 And number (3): 6 Yeah. 0 7 "A check with Mrs. Wilson, his mother, 8 revealed that she had thrown the brown 9 jacket, mentioned in his statement, into 10:10 10 the garbage sometime ago. She states the jacket had several acid burns in it 11 12 and she did not notice any bloodstains." 13 Do you recall being -- becoming aware of that? 14 I recall something about the acid, yes. Α 10:10 15 About the jacket being thrown away? 0 16 I don't remember that. Α Number (4): 17 0 18 "A check with the parents of Nichol John 19 in Regina revealed that they have not 10:10 20 seen her for sometime. This girl, who 21 has more or less been disowned by her 22 parents, hangs out at the various hippy 23 joints but we have been unable to locate 24 her to date." 10:11 25 Do you recall receiving that information?

by Mr. Hodson Vol 61 - Tuesday, August 23rd, 2005 Page 11954 1 Α No, I don't. 2 0 I take it that, when you wrote your report on 3 March 7th, I think you said that you or the police were still looking for Nichol John; is that fair? 4 5 Α I know we were making attempts to locate her. 10:11 Number (5): 6 Yeah. 0 7 "During the interview with Wilson, he 8 appeared straightforward with nothing to 9 hide." 10:11 10 And that, those are Inspector Riddell's comments, 11 I believe; do you recall discussing that with 12 Inspector Riddell or receiving that information? 13 Α No, sir, I don't. 14 When you talked to Inspector Riddell, again I 0 10:11 15 think when you were comparing notes on March 3rd, 16 would that be something you might say, 'does he 17 sound believable, what's your impression of him', 18 or that Inspector Riddell may have offered to you? 19 Α I cannot remember. 10:11 20 Do you think it's likely that that's something 0 21 that would have been discussed? 22 Α Riddell may have conveyed something like that but, 23 like I say, I just don't remember it. 24 0 No, I appreciate that, but again, when you were 10:12 25 talking to Riddell, would you have told him your

| | 2 | A | Probably. And I'm not so sure, yet, that I spoke |

| | 4 | Q | Okay. |
| 10:12 | 5 | А | It could have been Rasmussen, but |

| | 8 | Q | Fair enough. |
| | 9 | А | Yeah. |
| 10:12 | 10 | Q | But you are saying you don't have a recollection |
| | 11 | | of talking to Inspector Riddell and getting his |
| | 12 | | assessment of Ron Wilson when he gave this |
| | 13 | | statement? |
| | 14 | А | No, I don't, no. |
| 10:12 | 15 | Q | Okay. Do you recall hearing from others or |
| | 16 | | getting any information about Riddell's |

| | 19 | А | Yes. |
| 10:12 | 20 | Q | And what was that? |
| | 21 | А | That he thought he was telling the truth. |
| | 22 | Q | And when would you have learned of that; are we |

| | 1 | А | During the investigation, yes. |

| | 4 | Q | Or where you learned it? |
| 10:12 | 5 | A | Probably no, I don't. |
| 10.12 | 6 | Q | So at some point you would have become aware that |

| | 9 | A | That's correct, yes. |
| 10:13 | 10 | Q | Yeah. And what significance did you place on |
| | 11 | | that? |
| | 12 | А | Well, him being a senior investigator, I placed a |

| | 14 | Q | And did you accept that, then, that that meant |
| 10:13 | 15 | | that Wilson's statement was complete and truthful? |
| | 16 | А | No. In my opinion it still had to be |
| | 17 | | investigated. Whether that was somebody else's |
| | 18 | | opinion or not didn't matter to my superiors, |
| | 19 | | because I was sent out to do more, and I agreed. |

| | | hearing about what Inspector Riddell said about |
| | | Ron Wilson, would you have gone back and further |
| 9 | | interviewed him and checked further? |
| 10 | A | I think so. |
| 11 | Q | And why is that? |
| 12 | А | There were inconsistencies that I wasn't satisfied |
| 13 | | with. |
| 14 | Q | Okay. And then, carrying on, Riddell states that |
| 15 | | Wilson: |
| 16 | | " was not sure of the exact times |
| 17 | | mentioned but felt that between 6:30 |
| 18 | | A.M. and 8:00 A.M.,", |
| 19 | | and let me just pause there. 6:30 and 8:00 a.m., |
| 20 | | that would have been sort of the time when Gail |
| 21 | | Miller, at that time you thought Gail Miller |
| 22 | | could have been murdered; is that fair? |
| 23 | А | That's fair. |
| 24 | Q | And so that would be an important time frame? |
| 25 | A | Yes it would. |

Eddie Karst by Mr. Hodson Vol 61 - Tuesday, August 23rd, 2005

1 0 That: 2 "... they were: 3 driving around Saskatoon trying to (a) locate Albert Cadrain's house, and 4 5 (b) stalled in the alley behind the 10:14 house owned by the fellow driving 6 7 the red car." 8 And that's Danchuk; right? 9 Α Right. 10:14 10 And so at this stage, after hearing about what Ron 0 11 Wilson had to say, were you satisfied that the 12 time frame between let's say 6:30 and 8:00, or 13 5:00 and 9:00 a.m., was accounted for or did you 14 still have concerns? 10:15 15 I still had concerns. Α 16 And then number (6): Q 17 "Although they had originally planned on 18 going to Vancouver when they left 19 Saskatoon, they eventually ended up 10:15 20 going to Calgary, then Edmonton, ... ", 21 etcetera. And we have seen in various 22 statements, I think, the group of Mr. Milgaard, 23 Mr. Wilson, Ms. John and Mr. Cadrain had planned 24 on going to Vancouver, then had planned on going 10:15 25 to Edmonton but ended up going to Calgary I think

Page 11958 :

|-------|----|---|--|
| | 1 | | by mistake, and then ended up in Edmonton; do you |
| | 2 | | recall seeing that in various statements? |
| | 3 | А | Yes I do. |
| | 4 | Q | Did you place any significance on any of that, the |
| 10:15 | 5 | | fact that they ended up going to |
| | 6 | А | I don't believe so. |
| | 7 | Q | If I could call up 106640, please, and this is |
| | 8 | | Lieutenant Short's report of March 22nd and we |
| | 9 | | looked at this before. Okay. This starts off, |
| 10:16 | 10 | | remember I went through the March 2nd account, and |
| | 11 | | this is where Lieutenant Short talked about Dennis |
| | 12 | | and Albert Cadrain coming in, and if you could |
| | 13 | | just scroll down here and call out that part, |
| | 14 | | please. Starting right here, Lieutenant Short |
| 10:16 | 15 | | writes: |
| | 16 | | "On Wed. March 5/69 Albert Cadrain was |
| | 17 | | again brought in by my request and |
| | 18 | | another statement taken from him at |
| | 19 | | which time he verified and stuck with |
| 10:16 | 20 | | his story and he was interviewed at that |
| | 21 | | time by several members of this dept. |
| | 22 | | and one Insp. Riddell of the RCMP and |
| | 23 | | also S/Sgt. Edmundson." |
| | 24 | | If I can pause there. So it looks as though on |
| 10:17 | 25 | | March 5 Lieutenant Short asked to have Cadrain |
| | | | Meyer CompuCourt Reporting |

= Page 11960 =

| | 1 | | brought in and he was interviewed by several |
|-------|----|---|--|
| | 2 | | members of the department including Riddell, and |
| | 3 | | Riddell and Edmondson. Were you aware of that? |
| | 4 | А | No, sir. |
| 10:17 | 5 | Q | And the statement, which I'll go to in a moment, I |
| | 6 | | think the statement ended up being taken by Ray |
| | 7 | | Mackie, and there's no mention in this document |
| | 8 | | about you being involved in that. Do you |
| | 9 | | remember, Mr. Karst, being involved in that? |
| 10:17 | 10 | А | No, sir, I don't. |
| | 11 | Q | And again it looks as though, and it doesn't say |
| | 12 | | who the officers are other than several members of |
| | 13 | | the department. Would that be unusual, to have |
| | 14 | | well, at least Riddell, Edmondson, Short and at |
| 10:17 | 15 | | least a couple of other police officers, one of |
| | 16 | | whom must have been Ray Mackie who took the |
| | 17 | | statement, would that have been unusual, to have |
| | 18 | | that many officers question Mr. Cadrain? |
| | 19 | А | In my opinion, I haven't seen that done before. |
| 10:18 | 20 | Q | So that would be unusual then; is that |
| | 21 | А | I would say unusual. |
| | 22 | Q | And why is that? |
| | 23 | А | Because I hadn't seen it happen before. |
| | 24 | Q | So now you took his statement on March 2nd; |
| 10:18 | 25 | | correct? |
| | | | Meyer CompuCourt Reporting |

= Page 11961 =

1 A Correct.

| | 2 | Q | And did you think at that time that he was |
|-------|----|---|--|
| | 3 | | withholding information, Mr. Cadrain? |
| | 4 | А | Not at that time I didn't. |
| 10:18 | 5 | Q | Did you subsequently reach that conclusion? |
| | 6 | А | I don't know if I did. |
| | 7 | Q | And so again and again, and I appreciate, Mr. |
| | 8 | | Karst, this does not appear to be your decision to |
| | 9 | | bring him in and you don't appear to be involved, |
| 10:18 | 10 | | but would all these officers be interviewing him |
| | 11 | | to try and get more information or to test his |
| | 12 | | first story or do you know? |
| | 13 | А | I don't know what the intent was. Obviously to |
| | 14 | | get information, but I wasn't there. |
| 10:18 | 15 | Q | And at this time you've got the initial statement |
| | 16 | | of Cadrain, which implicates Mr. Milgaard, is that |
| | 17 | | fair, when I use the word incriminates or |
| | 18 | | implicates? |
| | 19 | А | That's fair. |
| 10:19 | 20 | Q | And the next day you and Edmondson and Riddell |
| | 21 | | talk to Wilson and Milgaard and get information |
| | 22 | | which I think you summarize as being suspicious |
| | 23 | | I'm sorry? |
| | 24 | А | I didn't follow your second |
| 10:19 | 25 | Q | Yeah, okay. So after you get Mr. Cadrain's |
| | | | Meyer CompuCourt Reporting |

| | ĺ | | Page 11962 |
|-------|----|---|--|
| | | | |
| | 1 | | statement, the next day |
| | 2 | А | On the |
| | 3 | Q | On the 2nd. |
| | 4 | А | On the 2nd, yes. |
| 10:19 | 5 | Q | That incriminates Mr. Milgaard; correct? |
| | 6 | А | Correct. |
| | 7 | Q | You then go and meet Mr. Milgaard with |
| | 8 | | Mr. Edmondson and you would get a response that I |
| | 9 | | think, and I'm summarizing, but I think said that |
| 10:19 | 10 | | after you talked to Mr. Milgaard there was still |
| | 11 | | some unanswered questions, some time not accounted |
| | 12 | | for and further work needed to be done; is that |
| | 13 | | right? |
| | 14 | А | Yes. |
| 10:19 | 15 | Q | And we have seen Wilson's statement with Riddell, |
| | 16 | | and I appreciate you don't recall seeing that, but |
| | 17 | | when we went through it it appeared from that that |
| | 18 | | Wilson, if he was to be believed, was giving Mr. |
| | 19 | | Milgaard an alibi; is that fair? |
| 10:20 | 20 | А | That's fair. |
| | 21 | Q | And that on the face of it, of at least what |
| | 22 | | Mr. Wilson stated in his statement, there's |
| | 23 | | nothing in there that would incriminate Mr. |
| | 24 | | Milgaard; is that fair? |
| 10:20 | 25 | А | That's fair. |
| | | | 1 |

I

| | 1 | Q | So at that time can you help us understand what |
|-------|----|---|--|
| | 2 | | might have prompted the police, and I appreciate |
| | 3 | | again, Mr. Karst, that you weren't there, that |
| | 4 | | Mr. Short is not here to tell us, but I'm |
| 10:20 | 5 | | wondering if you can help us understand what might |
| | 6 | | have been the purpose in bringing Mr. Cadrain in |
| | 7 | | and having these officers interview him? |
| | 8 | А | What might have been is only what, the only thing |
| | 9 | | I can say is probably to get more information from |
| 10:20 | 10 | | him or decide if he was telling the truth. |
| | 11 | Q | Okay. Do you recall receiving a report or hearing |
| | 12 | | a report about this date, this interview, |
| | 13 | | interviews? |
| | 14 | А | Do I recall getting a report? |
| 10:21 | 15 | Q | Yes. |
| | 16 | А | No. |
| | 17 | Q | Or do you recall talking to Lieutenant Short or |
| | 18 | | Riddell or Edmondson or anybody who was there, |
| | 19 | | Mackie, saying |
| 10:21 | 20 | А | About this interview? |
| | 21 | Q | Yes. |
| | 22 | А | No, sir. |
| | 23 | Q | And it says here that he stuck with his story and |
| | 24 | | presumably that would have been the story he gave |
| 10:21 | 25 | | you on March 2nd; is that a fair reading? |
| | | | Meyer CompuCourt Reporting |

- Page 11964 =

| | | Page 11964 |
|-----------------|---|--|
| | | |
| 1 | A | It looks that way. |
| 2 | Q | And then he goes on to say, Short does, that on |
| 3 | | March 2nd after getting in touch with Wood and |
| 4 | | Kettles it was decided that Karst would go to |
| 10:21 5 | | Winnipeg, so I take it from there Short is saying |
| 6 | | that between he, Wood and Kettles it would have |
| 7 | | been their decision to send you to Winnipeg; is |
| 8 | | that your read of that? |
| 9 | А | That's my read of that, yes. |
| 10:21 10 | Q | And then it says: |
| 11 | | " where it was learned through the |
| 12 | | assistance of Insp. Riddell that one |
| 13 | | David Milgaard who was here at that time |
| 14 | | was located in Winnipeg" |
| <i>10:21</i> 15 | | And it goes on to talk about the statement, and |
| 16 | | then it says: |
| 17 | | " where of course he denied any |
| 18 | | knowledge of this murder." |
| 19 | | And so I take it at this time it certainly |
| 10:22 20 | | appears from this, do you know if Lieutenant |
| 21 | | Short was thinking of Mr. Milgaard as a suspect |
| 22 | | or are you able to tell us? |
| 23 | А | I cannot say that. I don't know. |
| 24 | Q | Then if we can just scroll down a bit, and then it |
| 10:22 25 | | says: |

| 1 | | "Also, it should be mentioned that on |
| 2 | | and around March 31" |
| 3 | | I think that should be March 3rd, |
| 4 | | " Insp. Riddell obtained a statement |
| 10:22 5 | | from Ron Wilson who was and is in the |
| 6 | | Regina gaol and on March 11 another |

| 12 | | And so if we can pause there, if we could call up |
| 13 | | 006723, please, and this is a statement of March |
| 14 | | the 5th, 1969 and I believe it is in Raymond |
| 10:23 15 | | Mackie's, if we can go to the last page, please, |
| 16 | | and that's, is that Mr. Mackie's signature? I |
| 17 | | believe it is. |
| 18 | А | It looks to me like it is. |
| 19 | Q | And do you know if this handwriting is this |
| 10:23 20 | | your handwriting? |
| 21 | А | No. |
| 22 | Q | If we can go back to the first page, would you |
| 23 | | have been made aware of this statement or reviewed |
| 24 | | this statement at some later point, Mr. Karst? |
| 10:23 25 | А | Maybe at a later date, yes, I would think so. |

Page 11966 : 1 Q Since you had interviewed him a couple of days earlier, would you have expected that you would 2 have become aware of this or at least read it? 3 No, I didn't know that the Mounted Police or 4 Α 5 Mackie had interviewed him again. 10:23 6 Okay. Q 7 I probably found out later on, but I wasn't aware Α 8 of it then. 9 I think you either told us yesterday or I have 0 10:24 10 read it somewhere that you would have had, after March 2nd, a number of further interviews with 11 12 Mr. Cadrain; is that fair, Albert Cadrain? 13 Α I did. 14 March, April, May perhaps; is that fair? Q 10:24 15 Several, yes. Α 16 And in the course of that, Mr. Karst, do you think Q 17 you would have either received a copy of this or 18 reviewed this statement on the file? 19 Α All I can say is I don't remember, but I would 10:24 20 think I would have seen it. 21 If you were going to go interview him again and Q 22 talk to him, would it not be reasonable to assume 23 that you would have read what he had said before? 24 Α Not necessarily. | | 2 | Q | Okay. And again am I to take from your answer, |
| | 3 | | Mr. Karst, that at this time period you've |
| | 4 | | interviewed Mr. Cadrain, you've interviewed Mr. |
| 10:25 | 5 | | Milgaard. Are you telling us that you wouldn't |
| | 6 | | actually take a step or do something unless a |
| | 7 | | senior officer directed or asked you to do it? |
| | 8 | А | I would think so, on a complicated murder |
| | 9 | | investigation I would think I would have had to |
| 10:25 | 10 | | have direction. |
| | 11 | Q | Okay. So as a matter of interest, would you |
| | 12 | | let me ask you this. Now that you took |
| | 13 | | Mr. Cadrain's and Mr. Milgaard's statement, I |
| | 14 | | mean, you would agree that you were more involved |
| 10:25 | 15 | | in the investigation than you were before; is |
| | 16 | | that |
| | 17 | А | Absolutely true. |
| | 18 | Q | And would that cause you to become, to take more |
| | 19 | | involvement or take further steps to gain more |
| 10:25 | 20 | | information about the file and the people |
| | 21 | | involved? |
| | 22 | А | I think so. |
| | 23 | Q | And again help me understand this, on March 3rd |

| | 4 | Q | And, I'm sorry, you may have told me this already, |
| 10:46 | 5 | | but do you think you would have reviewed a copy of |

| | 1 | | Who I presume would have been Nichol John. Is |

| | 2 | | this something that Mr. Cadrain would have told |
| | 3 | | you on March 2nd or do you remember? |
| | 4 | А | I don't recall that at all. |
| 10:47 | 5 | Q | Again, any significance that he would say this |
| | 6 | | three days later and not when he talked to you? |
| | 7 | А | Not that I'm aware of. |
| | 8 | Q | And then down at the bottom he talks about before |
| | 9 | | the car left Saskatoon on January 31 they went to |
| 10:48 | 10 | | Leonard's house and went in to look for Betty and |
| | 11 | | his boots and things of nature. Was that |

| | 21 | | investigating and interviewing Mr. Cadrain, did |
| | 22 | | you ever consider what had transpired with |
| | 23 | | Mr. Cadrain in Regina prior to the day of the |

| | 9 | | double-check for you and maybe we can what he |
| 10:50 | 10 | | says, and we don't need to call it up, in the |
| | 11 | | March 2nd statement he says: |
| | 12 | | "I was getting dressed and I noticed |
| | 13 | | that Hoppe changed his pants and shirt. |
| | 14 | | Now I recall that he had blood on his |
| 10:51 | 15 | | shirt on the front and bottom and also |
| | 16 | | saw blood on his pants." |
| | 17 | | And there's no mention in that statement of Mr. |
| | 18 | | Milgaard actually mentioning to Cadrain that he |
| | 19 | | had blood and I'm just wondering if you have any |
| 10:51 | 20 | | recollection, Mr. Karst, of whether or not, in |
| | 21 | | your first interview with Mr. Cadrain, whether he |
| | 22 | | told you about David Milgaard talking about blood |
| | 23 | | on his clothes. |
| | 24 | А | I don't remember. |
| 10:51 | 25 | Q | And if it if he would have told you on March |

Page 11973 : 1 2nd that not only did he see blood on David 2 Milgaard's clothes, that David Milgaard also 3 mentioned to Cadrain that he had blood on his 4 clothes, is that something you think you would 5 have put in the statement? 10:51 It would have been significant enough to do that, 6 Α 7 yes. 8 0 Okay. And so if we can take it from that that on 9 March 2nd, that since it's not in the statements, 10:51 10 likely he didn't tell you that; is that fair? 11 Α That's fair. 12 Q And so now on March 5th he is adding something to 13 the statement; is that fair, by now saying --14 Α It appears that way. And what if any significance did you place on 15 10:52 0 16 that? I don't recall. 17 I didn't take the statement, so I Α 18 just can't recall anything about it. 19 0 And would that be something that might tell you 10:52 20 something about Mr. Cadrain and/or his story or 21 statement? 22 I suppose it could. Α 23 0 And what would that be? 24 Α He either had a bad memory or else he was making 10:52 25 things up, one of the two.

Α 8 And in those discussions would you not have asked Q 9 him again about the blood? 10:53 10 Α I may have, but I can't remember now. 11 Q Then down at the bottom, it says: 12 "On the trip there was no mention of 13 Hoppe or anyone else having had a girl in a back lane." 14 10:53 15 And that I think may have been something in the 16 first statement, and then the next page, and I 17 think this is referring to when they were in 18 St. Albert about: 19 "... carrying a suitcase out of Hoppe's 10:53 20 room on the morning before we left. Eddie Karst

| | | | Page 11975 |
|-------|----|---|--|
| | 1 | | Mr. Cadrain, that Inspector Riddell took a |
| | 2 | | statement from Nichol John in Regina, and would |
| | 3 | | you have become aware at or around that time that |
| | 4 | | Nichol John was interviewed and gave a statement? |
| 10:54 | 5 | А | I'm sure I became aware sometime after that. |
| | 6 | Q | And if we could call up 006329 and this is a typed |
| | 7 | | version of the statement taken by Inspector |
| | 8 | | Riddell on March 11th. You'll see at the top it |
| | 9 | | says copy for Superintendent Woods. Do you know |
| 10:54 | 10 | | if you would have reviewed this statement in |
| | 11 | | March, April, May of '69? |
| | 12 | А | I don't believe so. As I said, I've never seen |
| | 13 | | any of their copies in their own file. |
| | 14 | Q | Now, I believe, Mr. Karst, that this statement was |
| 10:54 | 15 | | part of actually, it may not have been part of |
| | 16 | | the police file, certainly part of the court brief |
| | 17 | | that went to Mr. Caldwell. In any event, you |
| | 18 | | don't have a recollection of reviewing this |
| | 19 | | statement at the time? |
| 10:55 | 20 | А | No, sir. |
| | 21 | Q | Do you recall learning about what Nichol John had |
| | 22 | | said to Inspector Riddell in a general way? |
| | 23 | А | I don't recall, but I'm sure Mackie or Short made |
| | 24 | | me aware of it. |
| 10:55 | 25 | Q | Is it possible that Mackie or Short or Woods would |
| | | | Meyer CompuCourt Reporting |

Page 11976 : 1 have had a copy of this statement? 2 I don't know. Α Possible. 3 And if this statement would have been on the Gail 0 4 Miller Saskatoon City Police file, if it had been 5 on there, do you think you would have read it? 10:55 6 Α I may have. 7 You say you are not sure? Q 8 Α No, I'm not sure. I didn't read every report that 9 was on there. It would have taken you two weeks 10:55 10 to do that. 11 Q Now, you'll see in a moment that you subsequently 12 went to Regina and interviewed Nichol John? 13 Α Correct. 14 And again, do you think as part of that exercise Q 10:56 15 that you would have obtained a copy of this or at 16 least known what she had said earlier? 17 I'm sure, as I said, I would be made aware of it Α 18 by somebody. 19 0 If you were aware that there was a written 10:56 20 statement and you were going to interview her, 21 would you not want to get a copy of that so that 22 you could test what it was she had said? 23 Α If I'm not mistaken, Detective Sergeant Mackie was 24 with me, he probably had one. 10:56 25 Q Okay.

| | 4 | _ | |
|-------|----|----|--|
| | 1 | A | I think he's the one that actually interviewed |
| | 2 | | Nichol. |
| | 3 | Q | Okay. Well, we'll go through those reports in a |
| | 4 | | bit. Now, what is your recollection and when did |
| 10:56 | 5 | | you first learn from anywhere that Nichol John had |
| | 6 | | been interviewed and what she may have said? |
| | 7 | А | I don't remember that. |
| | 8 | Q | We can go through parts of this, and again we talk |
| | 9 | | here, she says that they arrived in Saskatoon |
| 10:57 | 10 | | between 6:30 and 7:30, started to drive around. |
| | 11 | | Ron and I had never been there. So again, that |
| | 12 | | would have been, or is somewhat consistent with |
| | 13 | | what the others had said, being Milgaard and |
| | 14 | | Wilson. Maybe 6:30 and 7:30 might be a little |
| 10:57 | 15 | | tighter time frame. Is that fair? |
| | 16 | А | That's fair. |
| | 17 | Q | And then scroll down, please, it talks about |
| | 18 | | getting a map and in her statement she says: |
| | 19 | | "David went in in his stocking feet." |
| 10:57 | 20 | | Do you recall hearing about that or learning |
| | 21 | | that? |
| | 22 | А | Yes, I learned that he went to the motel to get a |
| | 23 | | map in his stocking feet. |
| | 24 | Q | And do you remember where you heard that from? |
| 10:57 | 25 | А | I'm sure it was conveyed to me by one of the |

| | | | |
| | 1 | | officers we were working with. |
| | 2 | Q | And then it talks about getting stuck in the alley |
| | 3 | | and the Danchuks. Next page, the bottom, it says: |
| | 4 | | "At Albert's place both David and Ron |
| 10:58 | 5 | | changed clothes. Ron's pants were being |
| | 6 | | eaten by acid and David had ripped the |
| | 7 | | crotch out of his pants which were green |
| | 8 | | with some kind of stripe." |
| | 9 | | And again pause there. That's what Mr. Milgaard |
| 10:58 | 10 | | had told you on March 3rd, didn't he, the green |
| | 11 | | striped pants he was wearing? |
| | 12 | А | Yes. |
| | 13 | Q | "I think David also had on a brown coat |
| | 14 | | I didn't see any blood on anybody's |
| 10:58 | 15 | | clothing." |
| | 16 | | Would you have become aware at some point after |
| | 17 | | this statement was taken that Nichol John had |
| | 18 | | said she did not see blood on David Milgaard? |
| | 19 | A | I would think so. |
| 10:58 | 20 | Q | Next page, please, and here she says that after |
| | 21 | | they got dropped off in Regina, Albert got picked |
| | 22 | | up the next day by the police, and again that's |
| | 23 | | consistent with what Mr. Cadrain told you? |
| | 24 | А | Yes. |
| 10:59 | 25 | Q | And then she says: |
| | | | |

Page 11979 : 1 "All during the morning we were in 2 Saskatoon, the three of us were together 3 and I am sure that David or Ron never left me for more than one or two minutes 4 5 that morning." 10:59 So again that would be consistent with what 6 7 Mr. Wilson said in his statement; is that fair? 8 That's fair. Α 9 And that if Nichol John is telling the truth here, 0 10:59 10 this would appear to be an alibi for Mr. Milgaard; is that fair? 11 12 Α That's fair. 13 0 And then: 14 "Just yesterday or the day before, Barb 10:59 15 Berard, a friend of mine, told me that 16 David had returned to Regina and I think 17 it was him that told her that he was 18 going to be picked up for murder." 19 And do you recall learning about this statement 20 in Nichol John's statement about --10:59 21 Sometime afterwards I'm sure I did. Α 22 Q And I think that Mr. Milgaard, prior to this 23 statement anyway, I believe the record suggests 24 that Mr. Milgaard's only dealings with the police 11:00 25 would have been the March 3rd interview.

= Meyer CompuCourt Reporting =

| | | | Page 11980 |
|-------|----|---|--|
| | 1 | А | With regards to this case? |
| | 2 | Q | Yes. |
| | 3 | А | Yes. |
| | 4 | Q | And do you recall telling Mr. Milgaard at that |
| 11:00 | 5 | | time that he was going to be picked up for murder |
| | 6 | | in that interview? |
| | 7 | А | No, I do not. |
| | 8 | Q | Are you able to tell us, and I had asked you this |
| | 9 | | a bit earlier, I think you said you don't recall |
| 11:00 | 10 | | what was said to Mr. Milgaard, but do you know |
| | 11 | | what type of impression you may have left with him |
| | 12 | | or wanted to leave with him when you were done |
| | 13 | | interviewing with him? |
| | 14 | А | I suppose that we were still going to check out |
| 11:00 | 15 | | his story. |
| | 16 | Q | And in a case where you had interviewed a suspect |
| | 17 | | and came to the conclusion at the end of the |
| | 18 | | interview that that person would be eliminated, |
| | 19 | | would you normally tell that person? |
| 11:01 | 20 | А | I would think so. |
| | 21 | Q | Yeah. And where you were going to do some further |
| | 22 | | checking, would you want that person to think that |
| | 23 | | they were still under the microscope a bit or |
| | 24 | А | I just can't answer that. I don't know whether I |
| 11:01 | 25 | | left that impression with him or not. |

| | | | rage risor |
| | 1 | Q | Now, in this statement as well there's no mention |
| | 2 | | by Nichol John of asking someone for directions |
| | 3 | | when they arrived in Saskatoon, okay, and you can |
| | 4 | | take my word for that, it's not in there. |
| 11:01 | 5 | А | Right. |
| | 6 | Q | And so it would appear that after the first three |
| | 7 | | statements, that Mr. Milgaard Mr. Cadrain |
| | 8 | | wasn't with them when they arrived; correct? |
| | 9 | А | Correct. |
| 11:01 | 10 | Q | So Mr. Milgaard says he stopped an old woman for |
| | 11 | | directions, Ron Wilson in his statement says |
| | 12 | | nothing about it and Nichol John says nothing |
| | 13 | | about it in the first statements. Do you recall |
| | 14 | | following up on that with either Nichol John or |
| 11:02 | 15 | | Ron Wilson, and I think I asked you this question |
| | 16 | | with respect to Ron Wilson, but Nichol John about |
| | 17 | | that fact? |
| | 18 | А | I don't specifically remember talking to Nichol |
| | 19 | | about that, no. |
| 11:02 | 20 | Q | So at this point, and I appreciate your evidence, |
| | 21 | | Mr. Karst, about not recalling or not having the |
| | 22 | | Ron Wilson and Nichol John statements, the written |
| | 23 | | statements, but at that time certainly some police |
| | 24 | | officers, I mean, the RCMP would have it; right, |
| 11:02 | 25 | | Inspector Riddell took the two statements? |
| | | | Mever CompuCourt Reporting |

Page 11982 -

| 1 | А | Yes |
|---|---|-----|
| I | A | |

Q Would you have expected the senior officers on the file, Short, Mackie, to have copies of the Wilson and John statements or be aware of what was said? A Yeah, they may be aware. I don't know if they had copies.

7 And would you have generally been aware, and again Q 8 we're talking mid March of '69, that Ron Wilson 9 and Nichol John had given statements that, number 11:03 10 1, were fairly consistent with each other, and 11 again, I mean, that's maybe debatable, but fairly consistent about the events of the morning and 12 13 that in both cases gave an alibi for Mr. Milgaard 14 in that he was not away from them? Would you have 11:03 15 known that?

16AI would think that Short or Mackie probably17advised me of that.

18 So -- and at that point then you would have Q Yeah. 19 Mr. Milgaard saying that he couldn't account for a 11:03 20 certain time that morning, and I think you said 21 some suspicious questions, but at that point what 22 would be your thought process as far as, as an 23 investigator, as to where do you go next given 24 that you've got Wilson and John giving, and 11:04 25 Milgaard giving similar statements?

Meyer CompuCourt Reporting

F

| | 1 | А | Although they were similar, there were |
|-------|----|---|--|
| | 2 | | inconsistencies, and then again I refer to also |
| | 3 | | Milgaard says he did see a woman on the street, |
| | 4 | | where the other two didn't mention that. That to |
| 11:04 | 5 | | me was rather significant. Why would that, they |
| | 6 | | not mention that. |
| | 7 | Q | So at this point is it fair to say, Mr. Karst, |
| | 8 | | that Wilson and John had told you, in conjunction |
| | 9 | | with Mr. Milgaard and Mr. Cadrain, that you were |
| 11:04 | 10 | | not prepared as an investigator to say, well, |
| | 11 | | let's eliminate Mr. Milgaard as a suspect, further |
| | 12 | | work was needed? |
| | 13 | А | That's correct. |
| | 14 | Q | If I could call up 106640, please, and again this |
| 11:05 | 15 | | is Lieutenant Short's report, call out the bottom |
| | 16 | | half, please. So he talks about getting Nichol |
| | 17 | | John's statement on that date and says: |
| | 18 | | "Both these persons admitted having been |
| | 19 | | in S'toon at the time but knew nothing |
| 11:05 | 20 | | of this particular murder. On Tuesday, |
| | 21 | | March 18/69, Det. Karst & myself took |
| | 22 | | Albert Cadrain to Regina and were in |
| | 23 | | touch with the Regina City Police there |
| | 24 | | and later we proceeded to the Regina |
| 11:05 | 25 | | gaol and interviewed Ron Wilson again, |
| | | | Meyer CompuCourt Reporting |

| | | | Page 11984 — |
|-------|----|---|--|
| | 1 | | however, nothing further was learned |
| | 2 | | from him and we also found his home and |
| | 3 | | talked to Mrs. Wilson where there was |
| | 4 | | some discrepancies found in the clothing |
| 11:06 | 5 | | that these boys both Wilson and Milgaard |
| | 6 | | were wearing when they left Regina." |
| | 7 | | Do you recall taking a trip to Regina with |
| | 8 | | Lieutenant Short and Albert Cadrain and |
| | 9 | | interviewing Ron Wilson? |
| 11:06 | 10 | А | I know we did, but I made several trips and I |
| | 11 | | can't differentiate this one from four or five |
| | 12 | | others that I took, so I'm sure this is right. |
| | 13 | Q | Yeah. This would appear to be the first time that |
| | 14 | | you would personally have met Ron Wilson; do you |
| 11:06 | 15 | | remember the first time you and in jail, do you |
| | 16 | | remember that? |
| | 17 | А | No, I don't. |
| | 18 | Q | Now there's not another report about this trip |
| | 19 | | from you, would what would the practice have |
| 11:06 | 20 | | been where you and Lieutenant Short, or you and |
| | 21 | | any officer, would do something together; was |
| | 22 | | there a protocol as to who and how reports would |
| | 23 | | be left? |
| | 24 | А | I think that was left with the senior officer, if |
| 11:06 | 25 | | he says that he needs a report I would, if he says |

| | 8 | Q | And |
| | 9 | А | duplication of a report. |
| 11:07 | 10 | Q | And you recall, on one of your trips to Regina, |
| | 11 | | having Albert Cadrain with you? |
| | 12 | А | Yes. |
| | 13 | Q | And what would the purpose have been to take |
| | 14 | | Albert Cadrain to Regina? |
| 11:07 | 15 | А | One thing, we didn't know our way around there, he |
| | 16 | | knew these two people, he could help us locate |
| | 17 | | them, where they had been. Secondly, I thought |
| | 18 | | maybe my thinking would be that, you know, if |
| | 19 | | something came up there, other evidence from these |
| 11:07 | 20 | | other two, I could go back and talk to Cadrain to |
| | 21 | | see whether it verified or disagreed with what he |
| | 22 | | had said. |
| | 23 | Q | And would you have told Mr. Cadrain why you were |

| 11:11 5 | | dispute that Albert Cadrain was put in a room with |
| 6 | | Nichol John to discuss the matter? |
| 7 | А | None at all. If that's in Lieutenant Short's |
| 8 | | report I believe it. |
| 9 | Q | And why would you put Mr. Cadrain and Ms. John |
| 11:11 10 | | together to discuss the matter? |
| 11 | А | I'm sure to see if they still agreed with one |
| 12 | | another or disagreed as to what happened on the |
| 13 | | trip and to see if everything added up or didn't |
| 14 | | add up. |
| <i>11:11</i> 15 | Q | We've heard some evidence, Mr. Karst, from some |
| 16 | | officers that they it would not be a practice |
| 17 | | to allow two witnesses to discuss a matter for |
| 18 | | fear of contamination or risks in that. Do you |
| 19 | | and, again, is that something that you would, as |
| 11:12 20 | | an officer would you was it a common practice |
| 21 | | to allow two witnesses to talk together? |
| 22 | А | Depending on the circumstances. |
| 23 | Q | Okay. And in what circumstances would you not do |
| 24 | | it? |
| 11:12 25 | А | Well in this particular case there were three what |
| | | Mever CompuCourt Reporting |

| 1 | | we considered witnesses, there was Nichol, Shorty, |
|-----------------|---|--|
| 2 | | and Wilson, and I could see nothing wrong with |
| 3 | | putting just two of them together because we still |
| 4 | | had another independent witness that wasn't there, |
| 11:12 5 | | and he wouldn't know what they were saying, and we |
| 6 | | could go to him later and say 'you know, is this |
| 7 | | right or is that wrong?' |
| 8 | Q | Okay. I take it that if the only two witnesses |
| 9 | | were Nichol John and Albert Cadrain would you |
| 11:12 10 | | still put them together? |
| 11 | А | No, it would not be a good practice. |
| 12 | Q | And why not? |
| 13 | А | Because they could corroborate their evidence and |
| 14 | | nobody could dispute it. |
| <i>11:13</i> 15 | Q | Now in this case was there not a risk that Nichol |
| 16 | | John and Albert Cadrain could also corroborate? |
| 17 | А | That's true, but Wilson wasn't there, and we could |
| 18 | | go to him for verification |
| 19 | Q | Okay. |
| 11:13 20 | А | or not verification, one of the two. |
| 21 | Q | Okay. So, again, your evidence is you didn't see |
| 22 | | anything improper or inappropriate about putting |
| 23 | | John and Cadrain together? |
| 24 | А | No. |
| 11:13 25 | Q | And what were you hoping or what did you think |
| | | Meyer CompuCourt Reporting |

Page 11991 : 1 might come out of that that would benefit the 2 investigation? 3 What the specifics were at that time, I can't Α remember, but we must have had a reason. 4 5 Q And just again back, as far as statements, it 11:13 6 doesn't appear that there were any statements 7 taken from Wilson or John or Cadrain on this 8 occasion; is that fair? 9 Α It would appear that way. 11:14 10 And let's talk about Ron Wilson, that -- and I 0 think, we touched on this, I think you've said 11 12 that nothing further was learned from him, and can 13 we take it that if Mr. Wilson had said anything 14 that might have either incriminated or exculpated 11:14 15 Mr. Milgaard, that you would have taken a 16 statement from him? 17 Or be in this report. Α 18 Okay, or in the report? Q 19 Yes. А 11:14 20 So when would you decide to take a statement and 0 21 when would you put it in the report? 22 Α That would be up to my lieutenant, in that case, 23 to make that decision. And if Mr. Wilson had given anything to you that 24 0 11:14 25 incriminated Mr. Milgaard you would expect it to Meyer CompuCourt Reporting

| 1 | | be in the report or statement; is that fair? |
| 2 | А | I would expect that Short would have told me to |
| 3 | | take a statement. |
| 4 | Q | So, and similarly, the same with John? |
| 11:15 5 | А | Right. |
| 6 | Q | Okay. So other than what is noted in this report, |
| 7 | | can we assume that if Ron Wilson or Nichol John |
| 8 | | had provided any incriminating evidence that might |
| 9 | | implicate Mr. Milgaard, that it would be noted? |
| 11:15 10 | А | I would think so. |
| 11 | Q | Now next page, please. No, sorry, if we could go |
| 12 | | back to 106641. Actually, just on the previous |
| 13 | | page we don't have to go back to it, I read it |
| 14 | | already and this is Short's report, after |
| 11:15 15 | | putting Cadrain and John in a room: |
| 16 | | " allowed to discuss this matter and |
| 17 | | it was learned from her after this |
| 18 | | discussion that through interrogation |
| 19 | | that she was of the opinion that Cadrain |
| 20 | | was telling the truth and that |
| 21 | | everything he said was exactly what had |
| 22 | | happened on this trip." |
| 23 | | If we can pause there, is that and I |
| 24 | | appreciate this isn't your report but would |
| 11:16 25 | | that be referring to what happened when they left |

| 1 | | Cadrain's house or |
| 2 | А | It appears that way. |
| 3 | Q | So that would be the trip to Calgary? |
| 4 | А | Banff and wherever they went, yes. |
| 11:16 5 | Q | So if we go back and recall what Mr. Cadrain had |
| 6 | | said to this point about what happened on the trip |
| 7 | | that would be, I think, the transport truck and |
| 8 | | the exchange; correct? |
| 9 | А | Right. |
| 11:16 10 | Q | And I think, as well, about the comment about |
| 11 | | the Mafia and the gun; is that right? |
| 12 | А | Yes. |
| 13 | Q | And is that something you think that you would |
| 14 | | have had Nichol John corroborate? |
| 11:16 15 | А | Correct. |
| 16 | Q | Just give me a moment. And, as well, he told you |
| 17 | | that Hoppy talked about a gun; do you know if |
| 18 | | that's something you would have had Albert Cadrain |
| 19 | | mention to Nichol John? |
| 11:17 20 | А | I would think so. |
| 21 | Q | And when this happened were you and Mr. Short in |
| 22 | | the room when they were discussing, or did you let |
| 23 | | them discuss it alone, or do you recall? |
| 24 | А | I just don't recall that, where we were. |
| 11:17 25 | Q | Now, and I'm not sure if you are able to answer |
| | | Meyer CompuCourt Reporting |

| 1 | | this because this is Mr. Short's report, but Mr. |
| 2 | | Cadrain had told you on March 2nd that he saw |
| 3 | | blood on David Milgaard's clothing? |
| 4 | А | Correct. |
| 11:17 5 | Q | And are we to read this report, where Short says |
| 6 | | that everything he said was exactly what had |
| 7 | | happened on this trip, do you know whether or not |
| 8 | | Nichol John was saying 'yes, Albert Cadrain is |
| 9 | | telling the truth when he said he saw blood'? |
| 11:18 10 | А | That's really not part of the trip, but I can't |
| 11 | | really answer that. |
| 12 | Q | Okay. If Nichol John would have told you or |
| 13 | | Mr. Short on this trip that she had observed blood |
| 14 | | on David Milgaard is that something you would have |
| <i>11:18</i> 15 | | noted in the report? |
| 16 | А | I would have think he would have. |
| 17 | Q | Yeah. And I think in fairness, Mr. Karst, in her |
| 18 | | subsequent statements I don't think Nichol John, |
| 19 | | even in her May 24th statement, said she saw |
| 11:18 20 | | blood, I don't think there's any record that she |
| 21 | | had; you are aware of that? |
| 22 | А | I think so. I was aware of it at that time I |
| 23 | | would think. |
| 24 | Q | It talks here about Nichol John or pardon me |

Α 11:19 10 And would that -- was that something that factored 0 into your thinking at the time as to Mr. 11 12 Milgaard's culpability for the murder? I'm sure it would have been. 13 Α 14 And are you saying that based on memory or just Q 11:19 15 saying you presume it would have been? 16 I'm just saying that I presume it would have been. Α 17 And then this goes on to say, this is Mr. Short's 0 18 report: 19 "It is my opinion that Milgaard is a 11:19 20 dangerous person and it is known that he 21 had a record as a juvenile for several 22 serious offences and although at this 23 time we did not locate Milgaard it is my 24 opinion that he should be located and 11:19 25 probably followed and kept under close Meyer CompuCourt Reporting =

Would that have been an opinion 5 you held at the time, Mr. Karst, or can you tell 11:20 6 us? 7 It was probably my opinion too. Α And then Short writes: 8 0 9 "I have since learned from Malanowich 11:20 10 who has recently made a trip to Edmonton 11 to locate a girl in that city who 12 Milgaard contacted on this trip that 13 they made, and that this particular girl 14 is of the same opinion as Nichol John 11:20 15 and Cadrain in regards to Milgaard, that 16 he is of a dangerous character." 17 And do you recall that? 18 I recall talking to Malanowich. Α 19 0 And if we could call up 009245, please. And this 11:20 20 is Mr. Malanowich's report of March 22nd, 1969 --21 and we will be hearing from Mr. Malanowich next 22 week -- and he sets out a report here, Mr. Karst, 23 about interviewing Sharon Williams who was the 24 individual that Mr. Milgaard went to see in 11:21 25 Edmonton; you recall that?

When 21 questioned Sharon Williams stated that 22 she thought the girl was from Regina, 23 just took it for granted, that she never 24 thought that this girl could have been 11:23 25 from Saskatoon. | | 1 | | David Milgaard possibly did in this way |
| | 2 | | admit a guilt complex and instead of |
| | 3 | | saying that he killed a girl, he shared |
| | 4 | | his guilt by talking about it |
| 11:23 | 5 | | substituting marihuana for sex and the |
| | 6 | | money he received as the money he took |
| | 7 | | from the murdered girl's purse." |
| | 8 | | Do you recall a discussion with Mr. Malanowich |
| | 9 | | along those lines? |
| 11:23 | 10 | А | Something along that line, like I said, he said |
| | 11 | | that she thought he could be involved. |
| | 12 | Q | Mr. Malanowich also took a lengthy statement from |
| | 13 | | Sharon Williams; do you recall whether you would |
| | 14 | | have read or reviewed that? |
| 11:23 | 15 | А | I don't recall that, sir. |
| | 16 | Q | So your information about Sharon Williams would |
| | 17 | | have come from Mr. Malanowich either from talking |
| | 18 | | to him and/or reading this report; is that fair? |
| | 19 | А | I did talk to him. |
| 11:24 | 20 | Q | And what effect, if any, did that information have |
| | 21 | | on your thought process as far as whether as |
| | 22 | | far as what you thought about Mr. Milgaard as a |
| | 23 | | suspect? |
| | 24 | А | I probably thought it was more involving as far as |
| 11:24 | 25 | | he was concerned, yes. Here was a girl that knew |
| | | | Meyer CompuCourt Reporting |

| I | | Page 12000 |

| 1 | | him quite well, and that was her opinion, so I'm |
| 2 | | sure it was impressed me as to him being |
| 3 | | involved possibly. |
| 4 | Q | And do you recall this being discussed amongst |
| 11:24 5 | | other officers as well? |
| 6 | А | No I don't. I wasn't a part of that group, that |
| 7 | | senior group that discussed this, when they had |
| 8 | | their meetings. |
| 9 | Q | And why would it be that you would have talked to |
| 11:24 10 | | Malanowich, then, what prompted that? |
| 11 | А | He probably come to tell me or I probably went to |
| 12 | | ask him what he learnt. |
| 13 | Q | Now the report that I just showed you from |
| 14 | | Lieutenant Short mentioned talking to Malanowich; |
| 11:25 15 | | is it possible that you and Mr. Short could have |
| 16 | | talked to Mr. Malanowich, or you were present when |
| 17 | | Malanowich talked to Short, or |
| 18 | А | It's possible. I just don't remember. |
| 19 | Q | Call up 105595, please sorry, 105525. And this |
| 11:25 20 | | is a report of April 7th, I think it's a report of |
| 21 | | Mr. Penkala, and it talks about a wallet coming |
| 22 | | from Raymond Mackie on April 4th. And we've |
| 23 | | heard, actually, evidence from two people who say |

| | 3 | А | I don't remember that now but I probably was aware |
| | 4 | | at that time. |
| 11:26 | 5 | Q | And I think this report indicates that her wallet |
| | 6 | | was found a couple of doors down from Mr. |
| | 7 | | Cadrain's house; do you recall that? |
| | 8 | А | I would be aware of it at that time. |
| | 9 | Q | And do you remember whether that would have been a |
| 11:26 | 10 | | significant piece of evidence in the investigation |
| | 11 | | of David Milgaard as a suspect? |
| | 12 | А | I imagine it would have been. |
| | 13 | Q | And why is that? |
| | 14 | А | Milgaard attended that residence and this is or |
| 11:26 | 15 | | the residence of Cadrain, and this wallet is found |
| | 16 | | only a couple of doors away, so when he was out |
| | 17 | | driving around the block he could have well thrown |
| | 18 | | it out. |
| | 19 | Q | Okay. And is that something you would have |

She directed 23 me to it there, and I picked it up and took it to 24 the station, and turned it over to Penkala. 11:28 25 And was that Helen Gerce that you talked to? Q

| | 1 | А | Yes, that's correct. |
| | 2 | Q | And do you recall her telling you when it was that |
| | 3 | | she had found it on the boulevard? |
| | 4 | А | She probably did, but I can't remember. |
| 11:28 | 5 | Q | And the toque itself, you found it in the back, or |
| | 6 | | she showed you where it was in the back yard? |
| | 7 | А | That's correct. |
| | 8 | Q | And do you recall whether you observed any blood, |
| | 9 | | or anything that looked like blood, on it? |
| 11:28 | 10 | А | It, I believe it was a dark-coloured toque and it |
| | 11 | | had spots on it, and it, in my mind it could have |
| | 12 | | been blood or could not have been blood, but it |
| | 13 | | was worth checking. |
| | 14 | Q | And, again, at that time did you think it this |
| 11:28 | 15 | | would have been three days after the wallet was |
| | 16 | | found; correct? |
| | 17 | А | Yes. |
| | 18 | Q | And, again, did you think this might have been Mr. |
| | 19 | | Milgaard's toque; was that something that crossed |
| 11:29 | 20 | | |
| | 21 | А | There was that possibility. |
| | 22 | Q | And I take it, then, it was turned over to Mr. |
| | 23 | | Penkala to do with whatever he needed to do with |
| | 24 | | that? |
| 11:29 | 25 | А | That's correct. |

| 1 | Q | And do you recall hearing back from Mr. Penkala, |

| 4 | А | Best of my recollection, it was of no |
| 11:29 5 | | significance. |
| 6 | Q | Okay. If we could call up 009303, please. And |
| 7 | | this is your report of July 2nd, 1969, and this |
| 8 | | just to give you some dates here, Mr. Karst, May |

| 11:29 10 | | Ron Wilson and brought him in Regina and |
| 11 | | brought him back to Saskatoon, okay? |
| 12 | А | Correct. |
| 13 | Q | I believe the end of May is when Mr. Milgaard was |
| 14 | | charged and arrested, around June 2nd or something |
| 11:30 15 | | like that, and his preliminary hearing started in |
| 16 | | mid-August. Okay? Those are the time frames. So |

I, in turn, checked where she 14 shoed me she had thrown this tuke out 11:31 15 and found same and it appeared to have 16 blood on it." 17 And then it was brought to Penkala. And would 18 that sort of accurately describe your dealings 19 with the toque? 11:31 20 It would. | | 1 | | And at the top, there, it should again, it |
| | 2 | | says: |
| | 3 | | " mention should be made of other |
| | 4 | | information which has apparently not |
| 11:32 | 5 | | been attached to the file." |
| | 6 | | Does that assist you at all, Mr. Karst, in |
| | 7 | | explaining why this would be in a later-dated |
| | 8 | | report? |
| | 9 | A | The only possible reason I can think of, that I |
| 11:32 | 10 | | was waiting for some finalization from Penkala |
| | 11 | | whether this toque was of any importance. |
| | 12 | Q | Yeah. If we go down here, this, this incident |
| | 13 | | here where Cadrain told you that in Calgary David |
| | 14 | | Milgaard had asked Mr. Cadrain to dispose of the |
| 11:33 | 15 | | other two, this underlined part, do you recall Mr. |
| | 16 | | Cadrain telling you that? |
| | 17 | A | I recall, I can remember some mention of it, yes. |
| | 18 | Q | And I don't believe that that is in either of Mr. |
| | 19 | | Cadrain's written statements of March 2nd or March |
| 11:33 | 20 | | 5; okay? |
| | 21 | А | Okay. |
| | 22 | Q | And I don't believe it's in any of the police |
| | 23 | | reports prior to this date and I'm just wondering, |
| | 24 | | Mr. Karst, why this would have been put in on July |
| 11:33 | 25 | | 2nd, if you can give us any explanation? |

| | 1 | А | No, I can't. |
| | 2 | Q | Now is it possible and again at this time I |
| | 3 | | think, and we will be hearing other evidence on |
| | 4 | | this, that Mr. Ullrich would have been preparing |
| 11:34 | 5 | | the file for the prosecutor; do you recall being |
| | 6 | | contacted by someone in relation to the |
| | 7 | | preparation of the police file, or anything, for |
| | 8 | | the prosecutor to |
| | 9 | А | No I don't. |
| 11:34 | 10 | Q | And this information that Mr. Cadrain let's go |
| | 11 | | back to what he told you here about it looks like |
| | 12 | | Mr. Milgaard asking Mr. Cadrain to kill Nichol |
| | 13 | | John and Ron Wilson because they knew too much; is |
| | 14 | | that what he told you? |
| 11:34 | 15 | А | That's what I gathered from that. |
| | 16 | Q | Do you know when, in the course of the |
| | 17 | | investigation, that he would have told you this? |
| | 18 | А | No, sir, I don't. |
| | 19 | Q | Would it have been if we can just go back in |
| 11:34 | 20 | | time, we know that you first talked to him on |
| | 21 | | March 2nd, on March 18th you took him down to |
| | 22 | | Regina; correct? |
| | 23 | А | Correct. |
| | 24 | Q | And then I don't believe there's any other report |
| 11:34 | 25 | | that details you talking to him in April or May; |
| | | | Meyer CompuCourt Reporting |

- Page 12009 -

| 1 | | do you remember talking to Mr. Cadrain in and |
| 2 | | around the time that Mr. Wilson and Ms. John were |
| 3 | | brought back for the polygraph, that time frame? |
| 4 | А | I talked to Cadrain several times, he would call |
| 11:35 5 | | and I would meet him, or go to his house when he |
| 6 | | called or Mrs. Cadrain had called. Which instance |
| 7 | | it was I have no idea. |
| 8 | Q | So would it have been prior to Mr. Milgaard being |
| 9 | | charged that he would have told you this? |
| 11:35 10 | А | I don't know. I can't remember. |
| 11 | Q | And would this be something you think would be in |
| 12 | | your police notebook, this information? |
| 13 | А | I'm sure it would be. |
| 14 | Q | And then can you tell us what, what did you make |
| <i>11:3</i> 5 15 | | of this information when Mr. Cadrain gave it to |
| 16 | | you? |
| 17 | А | I suppose it registered with me, but I don't think |
| 18 | | I placed an awful lot of credence in it. |
| 19 | Q | And why not? |
| 11:36 20 | А | It sounded a little too far out, if he was |
| 21 | | involved in killing one person, that he would want |
| 22 | | to kill two more. |
| 23 | Q | So did you doubt the veracity or credibility of |
| 24 | | this |
| 11:36 25 | А | I did. |
| | | Meyer CompuCourt Reporting |

| | 1 | Q | a little bit? |
| | 2 | А | Yes. |
| | 3 | Q | And I think you said, far out were the words you |
| | 4 | | used? |
| 11:36 | 5 | А | Yes. |
| | 6 | Q | And this wouldn't have been the first piece of |
| | 7 | | information that Mr. Cadrain gave you that you had |
| | 8 | | some doubts about; is that fair? I think and I |
| | 9 | | think you told us yesterday the Mafia line |
| 11:36 | 10 | А | Yes, that's right. |
| | 11 | Q | you said you thought was a bit odd; is that |
| | 12 | | fair? |
| | 13 | А | That's correct. |
| | 14 | Q | So are you telling us then that you didn't believe |
| 11:36 | 15 | | Mr. Cadrain when he told you that Mr. Milgaard had |
| | 16 | | told him this? |
| | 17 | А | I wouldn't say I didn't believe him, but I had |
| | 18 | | doubts about it. |
| | 19 | Q | And that's because it just didn't sound right? |
| 11:37 | 20 | А | That's correct. |
| | 21 | Q | What effect did that have on your assessment of |
| | 22 | | the rest of Mr. Cadrain's story? |
| | 23 | А | As time went on you mean at what particular |
| | 24 | | time? |
| 11:37 | 25 | Q | The time he told you. |
| | | | 1 |

Page 12011 = 1 I don't know when he told me. Α 2 0 Well, at any time in the course of the 3 investigation. 4 I'm missing -- forgetting part of the question. Α I'll go back. 5 Sure, that's fine. The question 11:37 Q was what effect if any did the fact that -- I 6 7 think you told us first of all the Mafia story you 8 said you had trouble, I think you didn't believe, 9 or --11:37 10 Α Doubts about it. 11 Q Had doubts about, sorry, and then this information 12 about the gun you said was far out? 13 Α Same thing. 14 Same thing, that you didn't believe or had doubts Q 11:38 15 about? 16 Right. Α 17 And the question was what effect if any did that 0 18 have, these two stories have on your assessment of 19 the credibility of the rest of Mr. Cadrain's 11:38 20 story? 21 It would want to make me check out his story Α 22 thorough and thorough. 23 0 Okay. And so did it occur to you that, let's take 24 the gun thing, if you are saying if you didn't 11:38 25 believe that, then that would be something that he Meyer CompuCourt Reporting =

| | 2 | А | Correct. |
| | 3 | Q | And did you think why would he make up something |
| | 4 | | like that? |
| 11:38 | 5 | А | I'm sure it went through my mind. |
| | 6 | Q | And did you think if he made up that, about the |
| | 7 | | gun, did he make that up about the Mafia? |
| | 8 | А | Could well have done. |
| | 9 | Q | And did you think did he make up seeing the blood? |
| 11:38 | 10 | А | Not after it was verified by somebody else in the |
| | 11 | | house. |
| | 12 | Q | Okay. And that was the evidence you gave |
| | 13 | | yesterday about the young person there? |
| | 14 | А | That's correct. |
| 11:39 | 15 | Q | Did you have doubts about did the statements |
| | 16 | | about the gun and killing Wilson and John, did |
| | 17 | | that cause you to doubt in any way the evidence |
| | 18 | | about the blood or Mr. Cadrain's credibility |
| | 19 | | generally? |
| 11:39 | 20 | А | I think it would be a factor in considering that. |
| | 21 | Q | And certainly in your mind, sir, the fact that |
| | 22 | | would it be fair to say that this piece of |
| | 23 | | information about the gun was a relevant fact in |

| | 1 | A | Yes. |
| 2 | 2 | Q | And I believe this would have been the second time |
| | 3 | | you had met with Nichol John; is that right? We |

| 11:43 | 5 | | however state that she felt Milgaard was |

| | 7 | | admitted having sexual relations with |
| | 8 | | him at different times and that he was |
| | 9 | | more of the animal nature than you would |

| | 11 | | And again this is your report, does that reflect |
| | 12 | | a summary of what she would have told you? |
| | 13 | А | Yes. |
| | 14 | Q | And I take it there was no statement taken from |
| 11:43 | 15 | | her at this time; is that right? |
| | 16 | А | I don't remember if I did or not. |
| | 17 | Q | There isn't one mentioned here and there's not one |
| | 18 | | on the file, so |
| | 19 | А | Then probably I didn't take one. |
| 11:43 | 20 | Q | And can you tell us what, anything more than |
| | 21 | | what's in the report about this last part about |
| | 22 | | her describing him as to be more of an animal |
| | 23 | | nature? |
| | 24 | А | Oh, I don't think we went into that. |
| 11:44 | 25 | Q | And what significance if any did you place on |
| | | | |

Page 12017 = 1 that? 2 Α None. 3 And why is that? 0 4 Didn't mean anything to me. Α 5 Scroll down to the next paragraph, it says: 11:44 Q "She was again questioned with regards 6 7 to the alleged blood on Milgaard's 8 clothing and changing clothing at the 9 Cadrain residence ... however she states 11:44 10 she could not recall seeing any blood on his clothes and thought he had changed 11 12 the trousers for the reason that they 13 had been ripped. Questioning of this 14 girl also revealed that her thoughts of 11:44 15 Milgaard had been that he had acted in a 16 queer manner when in Saskatoon to the 17 effect that he was always in a rather 18 hurry also that he drove unusually fast 19 when in the car leaving Saskatoon and 11:44 20 did not seem to be himself at that 21 time." 22 Do you recall this information? 23 Α Not specifically, but it's in my report. 24 0 And so here this would be the second occasion when 11:45 25 you are talking to her and she again appears to be

_____ Meyer CompuCourt Reporting _

Page 12018 : 1 quite adamant that she didn't see blood on Mr. 2 Milgaard? 3 Α Correct. 4 And that he was not away from her at any time that 0 5 morning? 11:45 6 Α That's correct. 7 Scroll down, please, and then it goes on to talk Q 8 about his clothing and the toque. Do you recall 9 her talking about that and the dark-coloured 11:45 10 toque? 11 Α No, I don't remember that. 12 Q And it says: 13 "This being of interest as a toque had 14 been found by myself in the yard 11:45 15 directly north on Cadrain residence 16 which had red substance on it which 17 Lieut. Penkala at present has sent to 18 lab. for further analysis." 19 So do we take it from this report that you were 11:45 20 following up with her to see whether she could 21 identify a toque that Mr. Milgaard may have had 22 that evening? 23 Α It would appear that way. 24 0 And do you recall if anything became of that? 11:45 25 Α The toque?

> Meyer CompuCourt Reporting _____ rofessional Court Reporters serving P.A.. Regina & Sa

1 Q Yes. 2 I don't think anything, anything of any Α 3 importance. 4 And then if we can scroll down, please, it says: 0 5 "We were unable to contact the Wilson 11:46 6 youth who was in custody in jail at that 7 point as he was out on a work crew some 8 90 miles from the city on that date." 9 So I take it you were trying to interview Ron 11:46 10 Wilson again as well? 11 Α It looks that way. 12 0 And then: "A call was made to 126 Cornwall ... 13 where we interviewed Wilson's mother 14 11:46 15 however she could shed no further light 16 on the situation." 17 Next page, and then she goes on to say: 18 "... she was not missing any cutlery or 19 knives of the description that we wanted 11:46 20 nor did she have any of that 21 description." 22 So do I take it from that that you would have 23 asked her -- I mean, at that time you would have 24 known the murder weapon appeared to be a 11:46 25 maroon-handled paring knife; is that fair? Meyer CompuCourt Reporting =

Page 12019 =

Page 12020 =

|-------|----|---|--|
| | | | |
| | 1 | A | That would be fair. |
| | 2 | Q | In fact, the blade had been found under the body |
| | 3 | | and the handle that matched it had been found on |
| | 4 | | March 2nd in a nearby yard; does that sound right? |
| 11:46 | 5 | А | I can't remember that. I know there was talk of a |
| | 6 | | knife. |
| | 7 | Q | And in fact we've heard evidence that I think Mr. |
| | 8 | | Penkala or others had purchased a replica knife |
| | 9 | | somewhere that was identical, or identical to the |
| 11:47 | 10 | | murder weapon and that was being shown around to |
| | 11 | | people. Do you recall that? |
| | 12 | А | No, I don't, the only thing I remember, I can |
| | 13 | | recall of that knife coming up again was with |
| | 14 | | Robert Savoy. |
| 11:47 | 15 | Q | Okay. So again it appears you would have been |
| | 16 | | trying to find out whether Mrs. Wilson had been |
| | 17 | | missing a knife and I take it your thinking there |
| | 18 | | was that that may have been where Mr. Milgaard got |
| | 19 | | a knife and may have committed the murder; is that |
| 11:47 | 20 | | a fair read of that? |
| | 21 | А | It's a possibility, yes. |
| | 22 | Q | And she then says: |

| | 4 | | car in which they were trying to start." |
| 11:47 | 5 | | Again, what significance if any did you place on |
| | 6 | | that? |
| | 7 | А | Well, I think they said, somebody said that they |
| | 8 | | had changed clothes at Cadrain's because of the |
| | 9 | | acid, while Mrs. Wilson here states they changed |
| 11:48 | 10 | | clothes before they even went. Maybe they got |
| | 11 | | acid on their clothes afterwards, I don't know. |
| | 12 | Q | So did this cause you to suspect or doubt |
| | 13 | А | Another discrepancy in some of the things that |
| | 14 | | were said. |
| 11:48 | 15 | Q | And then it says here that efforts were made with |
| | 16 | | Riddell to try and locate Milgaard, however, |
| | 17 | | unable to locate him. Is that right? Do you |
| | 18 | | recall that? |
| | 19 | А | No, I don't recall that. |
| 11:48 | 20 | Q | And it says: |
| | 21 | | "Insp. Riddell will make further efforts |
| | 22 | | to obtain blood samples and blood typing |
| | 23 | | of Wilson's blood while he is being held |
| | 24 | | at that point." |
| 11:48 | 25 | | And I think Mr. Wilson is in jail at that time; |

| | | | Page 12022 |
|-------|----|---|--|
| | | | |
| | 1 | | is that right? |
| | 2 | А | I believe so. |
| | 3 | Q | And at that time what was your understanding of |
| | 4 | | the blood profile of the suspected assailant? |
| 11:48 | 5 | А | I probably knew at that time, but I don't remember |
| | 6 | | because I wasn't well versed in that, and these |
| | 7 | | were probably things that were relayed to me by |
| | 8 | | Penkala or Mackie or somebody because I had no |
| | 9 | | knowledge of blood typing. |
| 11:49 | 10 | Q | Okay. Down here, and I'll deal with that in a |
| | 11 | | moment, it talks about Mr. Milgaard's blood and |
| | 12 | | type A blood. Would it be fair to say you knew |
| | 13 | | that suspects were being tested because you had |
| | 14 | | some physical evidence that suggested the |
| 11:49 | 15 | | assailant was a blood type A; does that |
| | 16 | А | That's fair. |
| | 17 | Q | And do you remember anything about secretor |
| | 18 | | status, anything of that nature? |
| | 19 | А | I know it was talked about, but I didn't |
| 11:49 | 20 | | understand it. |
| | 21 | Q | So when we talk here about getting a blood sample |
| | 22 | | from Ron Wilson, whose decision would that be and |
| | 23 | | why would you be getting a sample of his blood? |
| | 24 | A | It was probably, I'm saying probably Penkala's |
| 11:50 | 25 | | decision to eliminate or implicate people of |
| | | | 1 |

Page 12023 = 1 interest. 2 So from that would Ron Wilson be a person 0 Okav. 3 of interest that you were seeking to eliminate or 4 implicate? 5 He may have been in somebody's mind. 11:50 Α 6 Was he in your mind? Q 7 No. Α 8 0 And then here, Mr. Karst, you say: 9 "Although there are many unanswered 11:50 10 questions with regards to Milgaard's activities on that particular morning, 11 12 if one is to believe the girl, Nichol 13 John, and it appears that she is very 14 convincing with her story, then there is 11:50 15 no way in which Milgaard can be 16 connected with this crime." 17 I take it that would have been your thinking at 18 the time, sir? 19 Α It was. 11:50 20 And I take it that -- well, your words are that 0 21 Nichol John is very convincing with her story. Ι 22 take it you believed what she had to say? 23 Α I don't know whether I believed it, but it was 24 pretty convincing. 11:51 25 And was it enough for you to eliminate Mr. Q Meyer CompuCourt Reporting =

| | | | |
| | 1 | | Milgaard as a suspect at that point? |
| | 2 | А | No, it wasn't. |
| | 3 | Q | Why not? |
| | 4 | А | I still had reservations, I can't remember all the |
| 11:51 | 5 | | reasons, but I know I had some, and so did the |
| | 6 | | rest of the investigators. |
| | 7 | Q | Yeah. And again we'll be going through the |
| | 8 | | reports later on, but apart from that, do you have |
| | 9 | | any recollection of what some of those things may |
| 11:51 1 | 10 | | have been? |
| 1 | 11 | A | Not without putting |
| 1 | 12 | Q | Fair enough, yeah, and I'll go through the |
| 1 | 13 | | reports. |
| 1 | 14 | A | Okay. |
| 11:51 1 | 15 | Q | And again I think you are saying if Nichol John is |
| 1 | 16 | | telling the truth at this time, then your words |
| 1 | 17 | | are there's no way in which Milgaard can be |
| 1 | 18 | | connected. Is that fair? |
| 1 | 19 | A | That's fair. |
| 11:51 2 | 20 | Q | That regardless of what Albert Cadrain has said, |
| 2 | 21 | | if Nichol John is to be believed, he couldn't have |
| 2 | 22 | | done it; is that fair? |
| 2 | 23 | A | You had to keep an open mind both ways. |
| 2 | 24 | Q | So and we'll be going through these statements |
| 11:52 2 | 25 | | later, Mr. Karst, but I take it at some point in |
| | | | |

| | 1 | | May of 1969 you became aware that Nichol John gave | |

| | 4 | | recall hearing about that? | |
| 11:52 | 5 | А | I don't remember the date, but I remember of it. | |
| | 6 | Q | You would have found out that Nichol John gave a | |
| | 7 | | statement with a number of incriminating items, | |
| | 8 | | including that she had actually witnessed the | |
| | 9 | | murder. Do you remember hearing about that? | |
| 11:52 | 10 | А | I remember hearing something about that. | |
| | 11 | Q | And given what you have reported here a month | |
| | 12 | | earlier, did that surprise you? | |
| | 13 | А | I don't know that it surprised me. It certainly | |
| | 14 | | concerned me. | |
| 11:52 | 15 | Q | In what way? | |
| | 16 | А | Well, that now there's more evidence coming out | |
| | 17 | | that she didn't give us before. | |
| | 18 | Q | Okay. And what concerned you about that? | |
| | 19 | А | Why was she withholding the original answers. I | |
| 11:53 | 20 | | don't know, it had to be checked. | |
| | 21 | Q | And did it ever cross your mind at the time, sir, | |
| | 22 | | that what she told you on April 18th may have been | |
| | 23 | | the truth and what she had said at the end of May | |
| | 24 | | may not have been the truth? | |
| 11:53 | 25 | А | Yes, I think I thought about that. | |
| | | | Meyer CompuCourt Reporting | |

Page 12026 : 1 And what did you do about it, if anything? Q Okay. 2 Waited for further instructions. Page 12028 : 1 paragraph, Mr. Karst? 2 I had no encounter with him at that time. Α I was 3 present, though, that same day when Penkala took 4 samples of hair, I believe, or something from him. 5 Q And blood? 01:35 And blood. 6 Α 7 And it says here Detective Barrett took a Q 8 statement from him; is that right? 9 I believe so. I don't know, like I say I wasn't Α 01:35 10 there, but I think he did. 11 Q And I'll show you the statement in a moment, but 12 you don't think you were present when the 13 statement was taken? No, sir, I wasn't. 14 Α 01:35 15 And then you say here that, on the blood stuff, 0 16 you say: 17 "... type "A" of which we are interested ..."; 18 19 is that right? 01:35 20 I believe I was advised by Penkala of that, yes. Α 21 Do you recall, during the course of the Q 22 investigation, becoming aware as to whether or not 23 there was any issues about Mr. Milgaard's blood 24 type? | 2 | | there were any issues relating to that? |
| 3 | А | The only way I can answer that is it probably was |
| 4 | | the type we were looking at or, otherwise, I would |
| <i>01:3</i> 6 5 | | have been advised otherwise. |
| 6 | Q | Okay. So the fact that no one told you |
| 7 | | 'lookit' and would you expect that to come from |
| 8 | | Penkala? |
| 9 | А | I would. |
| <i>01:3</i> 6 10 | Q | And so the fact that Mr. Penkala didn't tell you |
| 11 | | 'lookit, he should be excluded because of his |
| 12 | | blood type', you presumed that presumed that |
| 13 | | his blood type didn't exclude him; is that fair? |
| 14 | А | That's correct. |
| <i>01:3</i> 6 15 | Q | Okay. And then you put in your report here that: |
| 16 | | "Milgaard was interviewed at length by |
| 17 | | various members of this dept", |
| 18 | | do you remember how many, or who, or anything of |
| 19 | | that nature? |
| 01:36 20 | А | No, I don't. |
| 21 | Q | And I take it someone would have given you a |
| 22 | | report, then, of what Mr. Milgaard had to say |
| 23 | | during those interviews? |
| 24 | А | I don't know whether I have got a report but I |

| 1 | | Q | Had you ever been involved in a case where one was |
| 2 | 2 | | used? |
| 3 | | А | Not at that time. |
| 4 | | Q | And then the next page, I see here it appears that |
| 01:39 5 | | | Mr. Barrett would have asked him: |
| 6 | , | | "Q Did you murder this girl or have |
| 7 | , | | anything connection with the murder? |
| 8 | ; | | A No." |
| 9 | , | | And I take it at this stage, Mr. Karst, would it |

| 11 | | | you didn't ask the question at the first |
| 12 | | | interview, I take it here the police felt that it |
| 13 | | | was appropriate to ask the question about the |
| 14 | | | murder? |
| <i>01:4</i> 0 15 | | A | It appears that way. |
| 16 | , | Q | And if we can just go back to 009254, and to the |
| 17 | | | next page, please, call out that paragraph. So at |
| 18 | | | this stage it appears that someone, Mr. Karst, |
| 19 | , | | would have told Mr. Milgaard that Mr. Cadrain had |
| 01:40 20 | , | | provided information to the police suggesting that |
| 21 | | | Mr. Milgaard had blood on his pants; is that fair |
| 22 | | | based on what's highlighted there? |
| 23 | | А | Whose report is this? |
| 24 | | Q | This is your report. |
| 01:41 25 | | А | Okay. |
| | | | Meyer CompuCourt Reporting |

Page 12033 = 1 Q And --2 And asking what? Α Okay, I'll maybe just read this, and this talks 3 0 about Barrett taking a statement from Mr. 4 5 Milgaard, and I think you told me you wouldn't 01:41 have been involved in that but would have been 6 7 aware, likely, of the contents. And then it says 8 here: 9 "He ...", 01:41 10 which I think is referring to Mr. Milgaard: "... denies emphatically having any 11 12 blood on his clothing when changing them and when confronted with the statement 13 that Cadrain stated he did have blood on 14 01:41 15 his trousers he stated that Cadrain was 16 a lyer." 17 And my question is I take it from that that 18 someone on April 18th from the police would have 19 confronted Milgaard and said 'lookit, Cadrain has 01:41 20 told us, has given us a statement that he saw 21 blood on your pants that morning'; is that fair? 22 Α Somebody must have said that, yes. 23 0 And that Milgaard, Mr. Milgaard would have said 24 that Mr. Cadrain was a liar, is that fair? 01:41 25 Α Yes.

| 2 | | it says: |
| 3 | | "With regards to the above information |

| 01:41 5 | | and the above information would be the part about |
| 6 | | Mr. Milgaard, and earlier before the break I went |

| 9 | А | Yes. |
| <i>01:4</i> 2 10 | Q | It's in the same report? |

| | 1 | There is also the fact to take into |
|-------|----|---|
| | 2 | consideration that when the Cadrain |
| | 3 | youth first attended at the Police |
| | 4 | Station some weeks ago to advise us of |
| 01:42 | 5 | his information he denied that he knew |
| | 6 | anything of this murder in Saskatoon |
| | 7 | until he returned home approx. 1 month |

| | 9 | same. However this was found to be |
| 01:42 | 10 | untrue when speaking to Regina City |
| | 11 | Police we were advised by them that the |
| | 12 | had advised Cadrain of this murder and |
| | 13 | in fact questioned about same when they |
| | 14 | had him in custody at that point some 2 |
| 01:43 | 15 | weeks prior to coming to Saskatoon. |
| | 16 | Also it should be noted that the dead |
| | 17 | girl's wallet and contents were found |
| | 18 | near the Cadrain residence which could |
| | 19 | be implicating for either Cadrain or |
| 01:43 | 20 | Milgaard in that case as they were both |
| | 21 | known to be in the area." |
| | 22 | Now do you recall this thought process at the |

There is one little clause there I'm not sure of, 2 Α 3 where it says -- where he denied being interviewed 4 by the Regina police --5 Sure, we can maybe just --01:43 Q -- regarding the murder. 6 Α 7 Yes? Q 8 Α And I think when he spoke to me he said it's the 9 first time he had a rundown of the murder when he 01:43 10 got to, what, when he got to Saskatoon. I don't know if he said he never heard of it. 11 12 Q Okay. 13 Α I think he just said when he got to Saskatoon, got 14 to his parents' place, was the first time he had a 01:44 15 rundown of the murder. 16 So he had told you that he had talked about it in Q 17 Regina but --18 No, he didn't tell me that, he just -- going by Α 19 what I say here --01:44 20 0 Yes? 21 -- that he, the first time he really knew about Α 22 the murder was when he got home to his parents', 23 is when he had the first rundown. | 1 | Q | Okay. So it would appear, though, at this |
| 2 | | point and please correct me if I'm wrong |
| 3 | | that after talking to Nichol John on the 14th of |
| 4 | | April and to David Milgaard on April 18th I |
| 01:44 5 | | don't think there was a reference to Wilson at |
| 6 | | that time you are now saying 'we better go back |
| 7 | | and just take a look at Mr. Cadrain's statement'? |
| 8 | А | I felt that we needed to, yes, that's correct. |
| 9 | Q | And is it correct to read this that you were |
| <i>01:4</i> 5 10 | | raising some concern that maybe Cadrain's version |
| 11 | | of events was not |
| 12 | А | Needed to be checked out. |
| 13 | Q | not truthful, needed to be checked out? |
| 14 | А | Yes. |
| <i>01:4</i> 5 15 | Q | And, as well, it appears and please correct me |
| 16 | | if I'm wrong that you are raising a couple of |
| 17 | | concerns about Cadrain's story about when he |
| 18 | | and again, when he attended the police station, in |
| 19 | | reading the report it appears to say that 'lookit, |
| 01:45 20 | | he denied knowing anything about the murder and |
| 21 | | we've now found out that he really did', so |
| 22 | А | No, he didn't say he denied, he said that's the |
| 23 | | first rundown he had of it. |
| 24 | Q | And, well, let me just read this again. And it's |
| 01:45 25 | | your report and you tell me what was intended, it |
| | | Meyer CompuCourt Reporting |

| | [| | —————————————————————————————————————— |

| | 1 | | says: |
| | 2 | | " when the Cadrain youth first |
| | 3 | | attended at the Police Station some |
| | 4 | | weeks ago to advise us of his |
| | 5 | | information he denied that he knew |
| | 6 | | anything of this murder in Saskatoon |
| | 7 | | until he returned home approx. 1 month |
| | 8 | | later", |
| | 9 | | And then you say: |
| | 10 | | "However this was found to be untrue |
| | 11 | | when speaking to Regina Police we |
| | 12 | | were advised that they had advised |
| | 13 | | Cadrain of this murder and in fact |
| | 14 | | questioned about same" |
| 01:46 | 15 | | So when I read that, Mr. Karst, it seems to |
| | 16 | | suggest that you are saying that, when Mr. |
| | 17 | | Cadrain first told you that he heard about the |
| | 18 | | murder, you since checked with the Regina police |
| | 19 | | and felt that there maybe was an inconsistency or |
| 01:46 | 20 | | an issue there; is that a fair reading of that? |
| | 21 | А | That's the way I would read it, yes. |
| | 22 | Q | And is that tell me if you thought otherwise at |
| | 23 | | the time? |
| | 24 | А | I don't think that I read into it that that's the |
| 01:46 | 25 | | first time he heard of it. I think that he's, as |
| | | | Meyer CompuCourt Reporting |
| | | | Certified Professional Court Reporters serving P.A. Regina & Saskatoon since 1980 |

| 1 | | he said, the first time he had a rundown. My |
|------------------|---|--|
| 2 | | impression was at the time that the police meant |
| 3 | | it to him, but he didn't realize it was that close |
| 4 | | to his home or exactly on that day that they left |
| <i>01:4</i> 6 5 | | and I don't think he put any emphasis on that |
| 6 | | until he was spoken to by his parents. |
| 7 | Q | Okay. And so what you are saying is then when he |
| 8 | | first talked to you, the murder was mentioned by |
| 9 | | the police. If we look at this, according to your |
| <i>01:4</i> 6 10 | | note, it says that Cadrain was in fact questioned |
| 11 | | about the murder when they had him in custody, and |
| 12 | | is that a distinction you are drawing there? |
| 13 | A | I think he was spoken to about it. |
| 14 | Q | Okay. But am I reading this wrong in taking from |
| 01:47 15 | | this that you were concerned with or may be |
| 16 | | concerned with Cadrain's story because of what he |
| 17 | | told you about when and how he learned of the |
| 18 | | murder and was questioned on it? |
| 19 | A | I had some concern about that, yes. |

Page 12040 = 1 Is that fair? Q 2 Α Yes, that's fair. 3 And you also say that the dead girl's wallet was 0 found by the Cadrains which would be implicating 4 5 for him or Milgaard; is that fair? 01:47 That's fair. 6 Α 7 So did you think Mr. Cadrain might be a suspect at Q 8 this time? 9 In my mind he never was, but it doesn't mean to Α 01:48 10 say I was right. And if you could just go down to the next 11 Q 12 paragraph, it says: 13 "A blood sample was taken from Cadrain 14 one week ago by Dr. Cross at University 01:48 15 Hospital however to date of writing of 16 this report we have been unable to 17 obtain the results of this, due to other 18 implications and possibly further 19 efforts should be obtained to get 01:48 20 another blood sample from Cadrain to 21 ascertain the typing of his blood 22 grouping." 23 And would the blood typing, again would the 24 purpose of that be to eliminate him as a suspect, 01:48 25 or tell us what the purpose of that would be? | 1 | А | All I can say about that is that I don't know |
| 2 | | enough about it, but I must have been instructed |
| 3 | | by Penkala or somebody to try to get another |
| 4 | | sample. |
| <i>01:4</i> 8 5 | Q | And then your report goes on to say: |
| 6 | | "Efforts should be made in the near |

| 8 | | the Cadrain youths along with the |

| 11 | | Whether their to ascertain, I think that |

| 14 | | and apart from one another." |
| <i>01:4</i> 9 15 | | Do you see that? |
| 16 | А | I do. |
| 17 | Q | And when you say the three Cadrain youths, can you |
| 18 | | tell us who you were referring to? |
| 19 | А | It would be Albert and his brother Dennis and the |
| 01:49 20 | | little fellow, I don't know what his name was. |
| 21 | Q | Kenneth? |
| 22 | А | There was a younger one there. |
| 23 | Q | Okay. When you say younger, I think at the time |
| 24 | | Kenneth was five, going on six? |

| 1 | Q | And did you think there was another name? |
| 2 | А | Maybe one of the girls, I don't know. I can't |
| 3 | | remember. |
| 4 | Q | Now, Celine was in the house that morning and gave |
| <i>01:4</i> 9 5 | | a statement. Would she be would she be one of |
| 6 | | the youths that you were referring to? |
| 7 | А | It may have been. I just don't remember. |
| 8 | Q | Okay. Now, do you remember whether or not you did |
| 9 | | what you suggested should be done in this report? |
| 01:50 10 | А | I don't think I did. |
| 11 | Q | Okay. And why do you say that, you don't have a |
| 12 | | recollection? |
| 13 | А | I don't have any recollection of it and it's not |
| 14 | | in any report I don't think. |
| <i>01:50</i> 15 | Q | So in this, when you are preparing this report, |
| 16 | | are you telling your senior officers lookit, based |
| 17 | | on what I have, based on what I have observed, I |
| 18 | | now think efforts should be made to do the |
| 19 | | following, and then you communicate that through |
| 01:50 20 | | the report to your senior officers and they decide |
| 21 | | if it should be done and if so who should do it? |
| 22 | А | That would be my intent. |
| 23 | Q | Would there be anything wrong with you just going |
| 24 | | out and doing that on your own? When I say |

| | | | |
| | 1 | А | I don't think there would be anything really |
| | 2 | | exclusively wrong with it, but as I said before, |
| | 3 | | you just don't go out on your own when senior |
| | 4 | | officers are preparing what to do. |
| 01:51 | 5 | Q | And so if this went back to whoever was |
| | 6 | | coordinating tasks, would you agree that it would |
| | 7 | | likely be, that you would likely be the best |
| | 8 | | person to go back and do this or be part of it |
| | 9 | | anyway? |
| 01:51 | 10 | А | I could well be. |
| | 11 | Q | And do you know if anybody else went back to the |
| | 12 | | Cadrain house to talk? |
| | 13 | А | No, sir, I don't. |
| | 14 | Q | And then the last paragraph: |
| 01:51 | 15 | | "It is also known that through inquiries |
| | 16 | | made to 218 Ave. D South where I |
| | 17 | | interviewed Leonard Woytowich, that |

| 01:52 | 5 | | And do you recall getting this information from |

| | 7 | А | I do. |
| | 8 | Q | And what significance if any did you place on |
| | 9 | | that? |
| 01:52 | 10 | А | One was that possibly Cadrain wasn't telling me |
| | 11 | | the whole truth. Secondly, if Woytowich was |
| | 12 | | stoned, I don't know what he would remember |
| | 13 | | either, so it was just left up in the air. |
| | 14 | Q | And when you say investigations continue with |
| 01:52 | 15 | | regards to this particular aspect of the file, can |
| | 16 | | you tell us what that would have referred to? |
| | 17 | А | I expect somebody would have been told to inquire |
| | 18 | | about those things. |
| | 19 | Q | Okay. Was there any point in the investigation, |
| 01:52 | 20 | | Mr. Karst, where you doubted whether |
| | 21 | | Mr. Cadrain doubted Mr. Cadrain's story about |
| | 22 | | seeing blood on David Milgaard's clothing? |
| | 23 | А | I don't think there ever was. |

| <i>01:5</i> 3 5 | | the young person in the Cadrain home? |
| 6 | А | That's the young person I was referring to. |
| 7 | Q | Now, that information from the young person, and |
| 8 | | again I think you are saying do you know |
| 9 | | whether it was male or female or the age? |
| <i>01:5</i> 3 10 | А | No, I just can't remember. I would doubt it was |

| 19 | | Celine, who was about 20 at the time, was home as |

| 2 | Q | And again would that have been important |
|---|---|---|
| 3 | | information that you would have received from |
| 4 | | Kenneth Cadrain? |

01:54 5 A I think so, coming from a child, five years old. 6 He wouldn't know what the significance of that was 7 I don't think when he says he seen blood. Well, I 8 have to take that as face value until I can find 9 out otherwise.

01:54 10 Q And did you share that information with anybody11 else in the investigation?

12 A I'm quite sure I would have shared it with Mackie13 or Short.

14 And I think I touched on this yesterday, but again Q 01:54 15 there's no investigation report, at least in the 16 records that the Commission has, where that is 17 talked about, and do you have any explanation as 18 to why that information wouldn't be in there? 19 Α I have no idea and I don't remember whether I left 01:55 20 I haven't got my notebooks, so I can't a report. 21 verify those things.

| | 4 | | or would have shared with him? |
| 01:55 | 5 | А | I would think I would have. |
| | 6 | Q | Do you have any memory of that? |
| | 7 | А | Not really. |
| | 8 | Q | Now, Mr. Karst, this information about Kenneth |
| | 9 | | Cadrain and verifying the blood with him, I don't |
| 01:55 | 10 | | believe, based at least on my review and our |
| | 11 | | review of the records where you've been previously |
| | 12 | | asked about this case, and we'll be going through |
| | 13 | | most if not all of them, and I don't believe |
| | 14 | | anywhere in any of those has it ever been |
| 01:56 | 15 | | recorded, this piece of information about you |
| | 16 | | checking with Kenneth Cadrain about the blood, and |
| | 17 | | now in fairness, when I went through, at least on |
| | 18 | | my review, I don't think you were ever asked the |
| | 19 | | question, but again, do you have any explanation |
| 01:56 | 20 | | as to why this information may not have been |
| | 21 | | shared previously? |
| | 22 | А | Let me get the two names straight again, who came |
| | 23 | | to the police station with Albert? |

That he went with Albert I think to the police 4 0 01:56 5 station, but on the morning of the murder he had gone to school, and Celine Cadrain gave a 6 7 statement on March 2nd, she was I think about 19 8 or 20 at the time, she had gone down to the bus 9 stop that morning, wasn't feeling well, came home 01:57 10 and was in bed when the three other youths 11 arrived, and so -- sorry, back to my question just 12 as to why, and again, Mr. Karst, in fairness, I 13 was not able to find anywhere in any of those 14 transcripts or reports where you were specifically 01:57 15 asked the question, but it does not appear to have 16 been volunteered anywhere, and I'm just wondering 17 why that might be, if you have any explanation. 18 I don't other than if it didn't come to my mind or Α 19 I wasn't asked, I guess I didn't think of it. 01:57 20 Is it possible, Mr. Karst, that that's a 0 21 recollection that may have been influenced by 22 later events and, for example, we heard Kenneth 23 Cadrain testify here and there were reports later 24 where Kenneth Cadrain talked about seeing blood. 01:57 25 Is it possible that that is information that, that = Meyer CompuCourt Reporting = Certified Professional Court Reporters serving P.A., Regina & Saskatoon since 1980 Central Booking - Call Irene @ 1-800-667-6777 or go to www.compucourt.tv

| 12 | Q | If we could call up 105526, please, and again this |

| 18 | Q | And do you recall, did you understand what that |

| 21 | А | Vaguely I knew it had something to do with DNA or |

| 3 | Q | We're done with that report. The next mention in |
| 4 | | at least the written reports, Mr. Karst, of |

Page 12052 1 Q Did you ever have the feeling during the 2 investigation that Mr. Cadrain was withholding 3 information from you, Albert Cadrain? 4 No, I didn't. Α 5 And did you use these occasions when you talked to 02:01 Q him to test his story? 6 7 At times, yes. Α 8 And how did you do that? 0 9 I can't remember specifically, but I remember, you Α 02:01 10 know, questioning him on things that he told us. And just generally if you would ask him to repeat 11 Q 12 the story and find out if it was the same --13 Α See if it would be the same as it was the first 14 time. 02:02 15 Apart from I think March 2nd when he came in to 0 16 see you, you took the statement, we saw Lieutenant 17 Short indicate that on March the 5th he asked that 18 Mr. Cadrain be brought in and then I think on 19 March 18th you and Mr. Short took Mr. Cadrain to 02:02 20 Regina, remember we talked about that? 21 Α Yes. 22 So on those three occasions, the first one Q 23 Mr. Cadrain came in on his own; is that right? 24 Α Yes, right. 02:02 25 Q And the second one it appears, at least from the Meyer CompuCourt Reporting =

| | 2 | | in, requested him; right? |
| | 3 | А | That's what it appears to be. |

| 02:02 | 5 | | Short took him to Regina, is it fair to assume |
| | 6 | | that again you would have asked him to go with |

| | 8 | А | I would think that's correct. |
| | 9 | Q | And then I think those are the only documented |
| 02:02 | 10 | | visits, at least from the reports we have. Would |
| | 11 | | the other interactions that you would have had |

| | 22 | | maybe an hour or two, I can't remember, but |
| | 23 | Q | Any that were 10 or 12 hours? |

| 02:03 | 25 | Q | So maybe one to two hours I think you said at the |

Α 5 I'm sorry, go ahead. 02:03 Q There was one occasion, I can't remember when it 6 Α 7 was, that Lieutenant Short and I went, Cadrain was 8 working on a farm at Cochin and we went out and 9 picked him up and we were together that day a 02:03 10 certain length of time, I can't remember what the 11 occasion was, maybe that was the day we went to 12 Regina, I don't know, but somewhere in the notes 13 there I think I make note of going to Cochin, or 14 somebody does, and we spent a considerable time 02:04 15 with him that day. 16 And that may have been, there's some notes we'll Q 17 get to later, that may have been in connection 18 with bringing him for the preliminary hearing; 19 does that -- or prior to that? 02:04 20 That may well have been, yes. Α 21 I'm not sure about that, I'm just saying that Q 22 there was a reference to that. I know he was, a 23 reference to him being out in Cochin or Jackfish 24 Lake at the time. 02:04 25 Α Yes.

| 17 | Q | And I believe that it was shown to you at the |
| 18 | | Supreme Court hearings in 1992. Do you remember |
| 19 | | that? |
| 02:06 20 | А | It may have been. I don't remember it, no. |
| 21 | Q | And so this is a document that other than in later |
| 22 | | proceedings is one that's not familiar to you; is |
| 23 | | that your evidence? |
| 24 | A | It's not familiar to me now. |
| 02:07 25 | Q | And I think the evidence that we heard, if I can |
| | | Meyer CompuCourt Reporting |

| 1 | | just briefly summarize, was that Mr. Mackie |
|------------------|---|--|
| 2 | | prepared a summary in late April, early May, 1969 |
| 3 | | of thoughts and theories, went to Lieutenant Short |
| 4 | | and they went to Mr. Caldwell and then some senior |
| 02:07 5 | | officers had some discussions, and I don't know if |
| 6 | | there's any direct evidence or speculation, but |
| 7 | | that the first four pages of this document may |
| 8 | | have been prepared by someone in the case |
| 9 | | preparation area to summarize what was in the file |
| <i>0</i> 2:07 10 | | as of early May, 1969. Do you recall hearing |
| 11 | | evidence here at the Commission to that effect, |
| 12 | | Mr. Karst? |
| 13 | А | I heard it being discussed here, yes. |
| 14 | Q | Now, are you able to shed any light on this |
| <i>0</i> 2:07 15 | | document, as to who would have prepared it, when |
| 16 | | it would have been prepared and for what purpose? |
| 17 | А | No, sir, I can't. |
| 18 | Q | And if we can go to the second page, please, and |
| 19 | | this is a summary and it's got statement 81, March |
| 02:08 20 | | 11th, 1969, and this is Nichol John's statement, |
| 21 | | and it goes through a summary of what is in the |
| 22 | | March 11th statement, and that's a statement taken |
| 23 | | by Inspector Riddell, and all of the information |
| 24 | | listed under there I think is talked about in her |
| 02:08 25 | | first statement except for the part that I've |

circled which says:

2 "Admits seeing nurse (looked like nurse) 3 near funeral home. Asked directions." And that's not in the statement that's referred 4 5 to and I think a number of people over the course 02:08 6 of years, Mr. Karst, have tried to figure out why 7 that is in there, when it got in there and on 8 what basis, and I'm going to ask you a few 9 questions about that. Do you recall, and I think 02:09 10 we've gone through -- let me just back up. What 11 we went through earlier today, the first 12 statement with David Milgaard on March 3rd, '69 13 you told us he told you that he asked an old 14 woman for directions. Do you remember that? 02:09 15 That's correct. Α 16 And I think you told us that, we went through Ron Q 17 Wilson and Nichol John's first statement and you 18 told us that it wasn't in there and I think you 19 said that that was I believe an inconsistency or 02:09 20 something that you might check further? 21 Α Correct. 22 We went through the reports and you told us that Q 23 you would have interviewed Ron Wilson on at least 24 one occasion in March and Nichol John on two 02:09 25 occasions, one in March, one in April, do you Meyer CompuCourt Reporting =

Page 12059 1 remember that, and I think you said you don't 2 recall the first one? 3 Α Yeah. 4 Or don't have a very good memory, you had a pretty 0 5 good memory of the second, or a memory of the 02:10 6 second one. Remember we went through that? 7 That's correct. Α 8 0 And do you have any recollection of asking Nichol 9 John or hearing from Nichol John prior to the May 02:10 10 24th time frame, okay, I'm talking March and 11 April, do you have any --12 Α Not --13 0 I'm sorry? I was just going to say not that I recall. 14 Α 02:10 15 Any recollection of her saying that she saw a 0 16 nurse or someone who looked like a nurse near the 17 funeral home and asked for directions? 18 Not at this stage, no. Α 19 0 And again, if that was a piece of information that 02:10 20 Nichol John had provided to you in the course of 21 an interview, is that something you think you 22 would have either put in a statement or recorded 23 in an investigation report? 24 Α I would well think so. 02:10 25 And in fact if she said I think I saw a nurse, you Q

Meyer CompuCourt Reporting

| | | Page 12060 |
|------------------|---|--|
| 1 | | knew Gail Miller was a nurse? |
| 2 | А | Yes. |
| 3 | Q | And you knew that Gail Miller's body was found |
| 4 | | near a funeral home? |
| <i>02:11</i> 5 | А | I did. |
| 6 | Q | And so I take it if Nichol John had, in either |
| 7 | | March or April, have told you that she saw a nurse |
| 8 | | near a funeral home and they asked for directions, |
| 9 | | that that would be important? |
| <i>0</i> 2:11 10 | А | It would. |
| 11 | Q | And in fact that might put their vehicle not only |
| 12 | | near the murder scene, but near the victim; is |
| 13 | | that fair? |
| 14 | А | Correct. |
| <i>02:11</i> 15 | Q | And so again I think you have no recollection of |
| 16 | | any of this information coming up at that time? |
| 17 | А | Not at that time. |
| 18 | Q | If we can go to page 006801, and what we have seen |
| 19 | | before in this report, Mr. Karst, that it has a |
| 02:11 20 | | statement number or a report number and then it |
| 21 | | lists the information, so statement 70 is Celine |
| 22 | | Cadrain's statement and then lists the |
| 23 | | information. We get down to here, scroll down, |
| 24 | | please, we get down to here, you'll see statement |
| 02:12 25 | | 82, Sharon Williams, and it talks about that, and |

|-----------------|---|---|
| 1 | | then it appears to end, and then it says: |
| 2 | | "Lieut. Short - Det. Karst - |
| 3 | | - Albert Cadrain advised them that |
| 4 | | Milgaard spoke to him about getting a |
| <i>02:12</i> 5 | | gun and wanting his help to get rid of |
| 6 | | (murder?) Nichol John and Wilson." |
| 7 | | Do you see that? |
| 8 | А | I do. |
| 9 | Q | And is that, I think, consistent with what was in |
| <i>02:12</i> 10 | | your July 2nd, 1969 report that we talked about |
| 11 | | this morning? Do you remember that? |
| 12 | А | Yes. |
| 13 | Q | And I think in that report you had said here's |
| 14 | | some information that should be, or is missing or |
| 02:12 15 | | should be added to the file or something like |
| 16 | | that. Do you remember that? |
| 17 | А | It should be checked out. |
| 18 | Q | And so is this is it possible, Mr. Karst, that |
| 19 | | this piece of information is something that you |
| 02:12 20 | | and Lieutenant Short had and provided to somebody |
| 21 | | in late April, early May? |
| 22 | А | I don't remember. |
| 23 | Q | Okay. |
| 24 | А | I remember Cadrain talking about it, being told |
| <i>02:13</i> 25 | | about getting a gun, but I don't remember when |

that was.

| I | | that was. |
|------------------|---|---|
| 2 | Q | And then if we can go to the next page, please, |
| 3 | | and again we see another reference again not to a |
| 4 | | statement or to a report, but it says: |
| <i>02:13</i> 5 | | "Lt. Short & Det. Karst - |
| 6 | | Father of Milgaard made statement to |
| 7 | | effect that he was not surprised and had |
| 8 | | suspected something like this might |
| 9 | | happen." |
| <i>02:13</i> 10 | | And again, is that a fair summary of what you |
| 11 | | recall being told? |
| 12 | А | I don't think I got the impression that he had |
| 13 | | suspected, I got the impression that he wasn't |
| 14 | | surprised. |
| <i>0</i> 2:13 15 | Q | Okay. So the first part, your recollection is |
| 16 | | that David Milgaard's father said that he was not |
| 17 | | surprised |
| 18 | А | Yes. |
| 19 | Q | that you were investigating him for a murder? |
| 02:14 20 | А | Yes. |
| 21 | Q | And the part that he had suspected something like |
| 22 | | this might happen |
| 23 | А | was not in my mind. I didn't interpret it that |
| 24 | | way. |
| 02:14 25 | Q | Okay. And again I think the visit to Langenburg |
| | | Meyer CompuCourt Reporting |

| | | | |
| | 1 | | and this information I don't believe is in an |
| | 2 | | investigation report, and again just it appears |
| | 3 | | that this is information in this document that was |
| | 4 | | obtained by whoever prepared it from either you or |
| 02:14 | 5 | | Mr. Short; is that a fair conclusion? |
| | 6 | А | That's a fair statement. |
| | 7 | Q | Go to the next page, please, and this is a summary |
| | 8 | | document, Mr. Karst, of Mr. Mackie's theories and |
| | 9 | | thoughts, and you've had a chance to review this |
| 02:15 | 10 | | recently; is that fair, in the last or as part |
| | 11 | | of these proceedings? |
| | 12 | А | As part of these proceedings. |
| | 13 | Q | And I'm wondering if we could just go through, and |
| | 14 | | I think in fairness this is his document, these |
| 02:15 | 15 | | are his thoughts, his theories of what he had at |
| | 16 | | the time, but just see if you can assist us in |
| | 17 | | letting us know where your thinking was at the |
| | 18 | | time, and the first one is: |
| | 19 | | "- Milgaard alleges he could not find |
| 02:15 | 20 | | Cadrain's house even though he lived |
| | 21 | | there a few days." |
| | 22 | | And: |
| | 23 | | "- On his travels he seems to have no |
| | 24 | | problem finding any particular address |
| 02:15 | 25 | | to obtain drugs or other things he |

Page 12064 1 wants." 2 Now, again, and I think what Mr. Mackie said 3 about that is that sort of doubting in a way Mr. Milgaard's story that he couldn't find Cadrain's 4 5 house. Is that a fair read of that? 02:15 That's a fair read of it. 6 Α 7 And is that something that you thought about at Q 8 the time? 9 I suppose I thought about it. Α 02:16 10 And then as well from where articles were found 0 11 and no lights, it appears that possibly no lights 12 on at Cadrain's house when the first three 13 arrived, and therefore they did not call at the home -- or at the house. I think if you take 14 02:16 15 these three together what it seems to be saying is 16 that, doubting his story about getting lost and 17 driving around, but that they got there, lights 18 were off, so they then went and drove around, and 19 that would put them in the area of the murder as 02:16 20 opposed to being lost. Now is that a theory that 21 you remember thinking about, or being discussed, 22 or --23 Α I don't think I would place a lot of emphasis on 24 the fact that he couldn't find the house, because 02:17 25 it may have been dark when they first got here,

Page 12065 1 and I don't think he was well versed in the city. And then it goes on to say: 2 0 Okay. 3 "- All were out of funds and may have 4 gone driving with a view to getting 02:17 5 money." And I think you've talked about that already, 6 7 haven't you, your thoughts about the lack of 8 money? 9 Α Yes, it could be necessary to steal some or do 02:17 10 some purse snatching. 11 Q And then the summary says: 12 "- On seeing nurse (Miller) she was 13 approached on pretence of getting 14 directions with a view to stealing her 02:17 15 purse." 16 Uh-huh. Α 17 And is that something, in the course of the 0 18 investigation, you considered to be a motive for 19 the crime, Mr. Karst? 02:17 20 Could well have been. Α 21 And when you say 'could well have been' are you Q 22 saying you don't recall or -- let me just ask it, 23 maybe, a different way. And again, this is not 24 your document, but did you, in the course of the 02:18 25 investigation, did you consider or think that Mr.

Meyer CompuCourt Reporting =

| | | | |
| | 1 | | Milgaard may have approached, or the car may have |
| | 2 | | approached Gail Miller with the view to stealing |
| | 3 | | her purse, and that the rape and murder then |
| | 4 | | followed from the purse snatching? |
| 02:18 | 5 | А | I had considered that. |
| | 6 | Q | And that was a possible motive in your mind, was |
| | 7 | | it? |
| | 8 | A | It was. |
| | 9 | Q | And then the statement says: |
| 02:18 | 10 | | "- This would be around funeral home |
| | 11 | | which would coincide with statements of |
| | 12 | | Nichol John - Diewold seeing lights in |
| | 13 | | alley - Doell saying Miller took bus at |
| | 14 | | Avenue N." |
| 02:18 | 15 | | Again, it talks about statements, plural, of |
| | 16 | | Nichol John, and I think at this point there was |
| | 17 | | only one, and I think you have told us you have |
| | 18 | | no recollection of Nichol John's saying she was |
| | 19 | | around the funeral home at this stage in the |
| 02:19 | 20 | | investigation; did you? |
| | 21 | А | I don't, no. |
| | 22 | Q | And what about Diewold, he was the St. Mary's |
| | 23 | | Church caretaker, do you remember anything about |
| | 24 | | that? |
| 02:19 | 25 | А | Not a thing. |

Page 12067 =

1 Q And Simon Doell was the fellow who says he thought 2 Gail Miller took the bus at Avenue N and not 3 Avenue O; do you remember anything about that? 4 No, sir. Α 5 And then it goes on to say: 02:19 Q 6 "- Wilson appears to be driver of car, 7 therefore, Milgaard would leave car to 8 get purse - having seen Miller closer 9 his sex drive takes over and he forces 02:19 10 her down alley to where she is found. 11 - Nichol John knows or suspects results 12 and leaves car. Runs west on 20th 13 Street in 1400 Block and is girl seen by 14 Indyh at St. Mary Church. At this point 02:19 15 she changes her mind about saying 16 anything and goes north on Avenue "O" 17 where she meets car again." 18 I'll pause there. And, again, this is someone 19 else's document, Mr. Karst, but did you think of 02:19 20 situations such as this as being --21 I don't recall that at all. Α 22 Q Now Ms. Indyk, do you have a recollection of 23 dealing with a Marie Indyk? 24 Α No, I don't. 02:20 25 Q And, to give you some assistance, she gave a Meyer CompuCourt Reporting =

| | | |
| 2 | | on the morning of the murder around St. Mary's |
| 3 | | Church she observed two people on different |
| 4 | | occasions, and as well that one person sounded |
| 02:20 5 | | like they were walk sounded like a ghost or |
| 6 | | couldn't hear footsteps; do you recall that? |
| 7 | А | I recall something about that. |
| 8 | Q | And do you recall connecting that possibly to the |
| 9 | | fact that David Milgaard was out in his stocking |
| 02:20 10 | | feet at least at the Trav-a-leer Motel? |
| 11 | А | I remember that. |
| 12 | Q | Okay. And what do you remember about Mrs the |
| 13 | | impact, if any, of Mrs. Indyk's information? |
| 14 | А | I don't recall that name, but I remember the fact |
| 02:20 15 | | that somebody had seen somebody or there was |
| 16 | | somebody that sounded like a ghost, and maybe they |
| 17 | | had they thought they were a man; at a motel, |
| 18 | | that somebody came in in stockings or bare feet, |
| 19 | | they didn't know which. |
| 02:21 20 | Q | And so do you recall thinking that perhaps the |
| 21 | | person that Ms. Indyk saw or heard or didn't hear |
| 22 | | might have been David Milgaard? |
| 23 | А | I think that crossed our minds or my mind. |
| 24 | Q | And then, down, it says: |
| 02:21 25 | | "- Milgaard after murder returns to car |

| 02:21 5 | | - Purse thrown in garbage on way through |
| 6 | | alley from Avenue "N" to "O" - possibly |
| 7 | | when Nichol John returns to car and is |
| 8 | | picked up." |
| 9 | | And, again, this theory talks about Milgaard |
| 02:21 10 | | coming back to the car with items of Gail |
| 11 | | Miller's, and that Wilson objects, and so |
| 12 | | Milgaard buries the items in the snow; do you |
| 13 | | remember discussing that with anybody as being |
| 14 | А | No, I don't recall that at all. |
| <i>02:21</i> 15 | Q | And then: |
| 16 | | "- Wallet and touque are in car and when |
| 17 | | Milgaard gets keys from Wilson at |
| 18 | | Cadrains to put suitcase in car, he |
| 19 | | disposes of touque and wallet at this |
| 02:22 20 | | time. |
| 21 | | - Nichol John says Milgaard wore a dark |
| 22 | | touque which she has not seen since Jan. |

| 24 | | - Milgaard has removed wallet from purse |

Page 12070 = 1 or Nichol John knowing he obtained it." And, again, is this something that crossed your 2 3 mind in the course of the investigation as a 4 possible theory? 5 Α The first two paragraphs of that notation, I 02:22 recall that. 6 7 And you are talking about the wallet and toque? Q 8 Α Yes. 9 And again -- and you may have already answered it, Q 02:22 10 I think, saying the wallet and toque; the wallet 11 was certainly Gail Miller's, you knew that? 12 Α Yes. 13 Q And the toque, were you able to determine whether 14 or not (a) the toque was Mr. Milgaard's, and (b) 02:22 15 that it had blood? 16 No, I can't remember what Penkala found out about Α 17 that. 18 About the blood? I think you had said earlier you Q 19 didn't think the toque amounted to much, or words 02:22 20 to that --21 I think that's correct. Α 22 Q So is it fair to say at a point in the 23 investigation you thought the toque may have been 24 Milgaard's? 02:23 25 Α Yes.

_____ Meyer CompuCourt Reporting

Page 12071 = 1 Q And did you think that throughout or was that 2 something that you left for someone else to figure 3 out? I think that was left for Penkala to figure out if 4 Α 5 it had. 02:23 And then again, and I believe Mr. Mackie 6 Q 7 acknowledged this is his, --8 Yes. Α 9 -- he says he may have been -- or it talks about Q 10 removing the: "... wallet from purse at scene and 11 12 retains it without Wilson or Nichol John 13 knowing he obtained it. 14 - He may have been intent on keeping the 02:23 15 purse and it is put in garbage after 16 Wilson looks for money in it, and at 17 time Nichol John returns to car." 18 Pausing right there, at least according to 19 Mr. Mackie, he is saying 'well maybe Mr. Wilson 02:23 20 was involved, not necessarily in the rape and 21 murder, but at least in the theft of the purse'; 22 do you see that? 23 Α Yes. 24 0 And is that something that you considered as a 02:23 25 possibility?

Meyer CompuCourt Reporting
 Meyer Serving P.A., Regina & Sask

Page 12072 : 1 I can't remember that angle of it at all. Α 2 0 Okay. And then it goes on to say: 3 "- Or did Wilson and Milgaard both become involved in theft of purse and 4 Milgaard intent on rape assaults and 5 02:24 murders Gail Miller. 6 7 Wilson has purse, goes through it and 8 puts it in the garbage can while waiting 9 on Milgaard who he is aware is raping 02:24 10 Miller." 11 And again, same answer for that Mr. Karst, as far 12 as is this something that you ever considered or 13 heard being considered as a theory? 14 No, sir. Α 02:24 15 And then at the bottom, Suggestions, it says: 0 16 "Nichol John, Wilson and Cadrain be 17 brought to Saskatoon where with all 18 present the true story can be obtained 19 ever if hypnosis or polygraph are 02:24 20 necessary." 21 Do you recall that being discussed, Mr. Karst? 22 No, I was not in on that discussion. Α 23 0 And if we could go to 250609, go to the next page, 24 please. And this is Inspector Riddell's report of 02:25 25 May 21st, 1969, and if we could just call out the Meyer CompuCourt Reporting =

| 1 | | third paragraph. And in this report, Mr. Karst, |
| 2 | | and we've heard a number of witnesses talk about |
| 3 | | this already, Riddell writes: |
| 4 | | "On 16 May 69 I attended a meeting at |
| 02:25 5 | | the Saskatoon City Police office for the |
| 6 | | purpose of reviewing this investigation |
| 7 | | and deciding what further course of |

| 02:25 10 | | And he says at the meeting were Wood, Penkala, |
| 11 | | Short, Edmondson, and that Kettles was away. And |
| 12 | | we've heard evidence that if we could maybe go |
| 13 | | to the next page please talks about Mr. |
| 14 | | Milgaard being considered a prime suspect and: |
| 02:25 15 | | "The Saskatoon City Police will be |
| 16 | | requestioning Wilson and Nichol John to |
| 17 | | establish what knowledge they have", |
| 18 | | and then talks about the polygraph. And so you |
| 19 | | are familiar with this report at least presently, |
| 02:26 20 | | is that fair, Mr. Karst? |
| 21 | А | Presently, I am. |
| 22 | Q | And I think Mr. Penkala's evidence was that there |

Page 12074 : 1 in for a polygraph; do you recall being part of 2 any of those discussions? 3 Α No, sir. 4 And is it something that, that you don't recall, 0 5 or can you tell us that you wouldn't have been 02:26 involved? 6 7 No, it's -- those people had have been there, and Α 8 I was present at that meeting, I would have 9 remembered that. 02:26 10 Q And is that the type of -- were there other 11 meetings of this nature, again, brainstorming 12 sessions of senior people about the case? 13 Α There were. There were several times I know they 14 met in Superintendent Wood's office, and they 02:26 15 would talk behind close doors so they would have 16 privacy, but I know they were held occasionally. 17 And do you recall if Wood or Penkala or Short came 0 18 and asked you for your thoughts or input about 19 what direction the investigation ought to go at 02:27 20 this time? 21 I think I gave them my thoughts occasionally. Α Ι 22 was not the director of operations but I know that 23 I had input. 24 0 And at this time, and again this is May 16th,

Mr. Karst, the last report that we have would be

| | 2 | | earlier, and that's the one where you said that |
| | 3 | | Nichol John that her story is convincing and |
| | 4 | | that, if she is to be believed, Mr. Milgaard could |
| 02:27 | 5 | | not have done it, and as well Mr. Milgaard's story |
| | 6 | | about emphatically denying it, and then you went |
| | 7 | | on to talk about checking out Shorty Cadrain's |
| | 8 | | story which you had some questions about; you |
| | 9 | | remember that report? |
| 02:28 | 10 | А | I do. |
| | 11 | Q | And would that have been your are you able |
| | 12 | | to and I appreciate it's a long time ago and |
| | 13 | | I'm asking you to try to identify what your |

| 02:28 | 15 | | investigation but are you able to tell us, you |
| | 16 | | know, in early May what your thinking was at that |
| | 17 | | time about Mr. Milgaard as a suspect, or the |
| | 18 | | direction of the investigation, things of that |
| | 19 | | nature? |
| 02:28 | 20 | А | For certain I remember that I considered him a |
| | 21 | | suspect. |
| | 22 | Q | You considered him as a suspect? |
| | 23 | А | I did. |
| | 24 | Q | And in May were you you became involved in |
| 02:28 | 25 | | travelling to Regina to interview Ron Wilson; do |

Page 12076 = 1 you remember that? 2 Α I remember going there, I don't know if it was May 3 or --4 The report indicates, I think, May 20th or 0 Okay. 5 21st, and I'll go through that with you, but at 02:28 that time do you remember how it came to be that 6 7 you went to Regina, or who asked you to go, or why 8 did you go? 9 Who was I with? Α 02:29 10 I think Raymond Mackie? 0 11 Α Raymond Mackie? Then he likely told me I was 12 going with him. 13 0 Is that something -- and again, if you want, maybe 14 we'll call up the report 009264. And I'll go through this a bit later, but: 02:29 15 16 "With regards to the Miller Murder file, 17 D/Sqt. Mackie and myself attended in 18 Regina on Tuesday, May 20th, to make 19 further inquiries with regards to this 02:29 20 aspect of the file." 21 And then it goes on to detail meetings and 22 interview Wilson, Nichol John, and then a trip 23 back to Saskatoon where you brought Mr. Wilson 24 back; do you remember that? 02:29 25 Α I recall that.

| 1 | Q | So for this, let's talk about this trip, I think |
| 2 | | you said that Mr. Mackie would have directed you |
| 3 | | to go; is that |
| 4 | А | That's right, or maybe his direction came from |
| <i>0</i> 2:30 5 | | Short or Wood, but |
| 6 | Q | Would this be something you would have done on |
| 7 | | your own initiative or |
| 8 | А | No, certainly not. |
| 9 | Q | And prior to going down to Regina on this |
| <i>0</i> 2:30 10 | | occasion and, again, I'm trying to get a sense |
| 11 | | of where your thought process was as far as Mr. |
| 12 | | Milgaard being a suspect and sort of where that |
| 13 | | was at and the last report on the file is the |
| 14 | | April 18th one, and are you able to assist in |
| <i>0</i> 2:30 15 | | telling us how strong a suspect did you think he |
| 16 | | was before you went down there, or had you checked |
| 17 | | into Cadrain's story, or can you tell us what you |
| 18 | | were thinking? |
| 19 | А | Let's just say I considered him a suspect at that |
| 02:30 20 | | time. |
| 21 | Q | Any more or less so than you had the first day you |
| 22 | | talked to Mr. Cadrain? |
| 23 | А | No, I wasn't convinced in my mind that he was |
| 24 | | innocent or guilty. |
| <i>0</i> 2:31 25 | Q | Okay. And I'll go through the reports with you in |

| | 4 | А | I don't have any recollection of going to Regina |
| 02:31 | 5 | | but I have a recollection of the trip coming back. |
| | 6 | Q | And that was with Ron Wilson? |
| | 7 | А | That was with Ron Wilson. |
| | 8 | Q | And then, as well, I think the report and I'll |
| | 9 | | go through this with you talks about Inspector |
| 02:31 | 10 | | Roberts from Calgary being here; do you have a |
| | 11 | | memory of that? |
| | 12 | А | I remember him being here. |
| | 13 | Q | And the record shows that you would have taken two |
| | 14 | | statements from Ron Wilson; do you have a memory |
| 02:31 | 15 | | of that? |
| | 16 | А | I do. |
| | 17 | Q | Okay. When you went down to Regina do you |
| | 18 | | remember whether or not you knew anything about a |
| | 19 | | polygraph test being set up? |
| 02:32 | 20 | А | I don't believe I did. |
| : | 21 | Q | And do you recall at what point you became aware |
| : | 22 | | of that? |
| : | 23 | А | It would be sometime very shortly after that, |

| 02:32 | 25 | | Wilson to the Cavalier, and then I found out |

So when you went down -- and you can put 3 the report back up, please -- when you went down 4 to Regina with Mr. Mackie to do some interviews, 5 and the first paragraph says: 02:32 "... to make further inquiries with 6 7 regards to this aspect of the file.", 8 are you telling us that -- did you think that you 9 would be bringing Ron Wilson back with you when 02:32 10 you went down or --11 Α I had no idea. 12 Q And were you aware that at least some senior 13 officers had made arrangements to have a polygraph operator in Saskatoon to --14 15 While I was in Regina? 02:32 Α 16 Yes? | 3 | Q | Do you know who would have made that decision? |
| 4 | А | I can only assume, I don't know. |
| 02:33 5 | Q | And who would you assume? |
| 6 | А | It would be between the chief and Wood, Short. |
| 7 | Q | Okay. This report talks about Inspector Riddell |
| 8 | | and Constable Walters being there; do you have a |
| 9 | | memory of Riddell and Walters being there to help |
| <i>0</i> 2:33 10 | | you? |
| 11 | А | No, I don't. |
| 12 | Q | And then it talks about on Wednesday, May 21st, |
| 13 | | looks like Tuesday you travelled down there, May |
| 14 | | 21st you and Mackie and Walters attend a social |
| 02:34 15 | | worker office and interview a fellow by the name |

| 18 | А | Of this? |
| 19 | Q | I'm sorry? |
| 02:34 20 | А | I see the gentleman here but I don't recall that |
| 21 | | at all. |
| 22 | Q | Do you have any recollection of making inquiries |

| | 4 | | parents? |
| 02:34 | 5 | А | No, sir. |
| | 6 | Q | And then it says: |

| 02:35 | 20 | | Who taped the conversation? |
| | 21 | А | Sergeant Mackie. |

| <i>0</i> 2:36 5 | | Wilson would state at this time was that |
| 6 | | Milgaard appeared to be puffing and |

| 9 | | that he had since thought that this was |

| 12 | | And do you have a recollection of Mr. Wilson |
| 13 | | telling you this information, Mr. Karst? |
| 14 | А | Yes I do. |
| <i>0</i> 2:37 15 | Q | And would it be fair to say that this is the first |
| 16 | | time that it's been disclosed that Mr. Milgaard |
| 17 | | or, first of all, that the car became stuck at |
| 18 | | 6:45 a.m.? |
| 19 | А | That's fair to say. |
| 02:37 20 | Q | And I take it this would be a different, a |
| 21 | | different time the vehicle got stuck than the |
| 22 | | Danchuk time, is that right; is that what your |
| 23 | | understanding was? |
| 24 | А | That I am not sure of. |
| 02:37 25 | Q | Okay. This talks at approximately 6:45 a.m. and |

| | 4 | Q | Okay. So, here, Mr. Wilson is telling you that |
| 02:38 | 5 | | the car got stuck and that David Milgaard left the |
| | 6 | | car; is that right? |
| | 7 | А | Yes. |
| | 8 | Q | And I did you place any significance on this |
| | 9 | | information? |
| 02:38 | 10 | А | Yes I did. |
| | 11 | Q | And what was that? |
| | 12 | А | Well this was the first time that I knew of that |
| | 13 | | somebody had said, yes, he left the car. |
| | 14 | Q | And was the time that Mr. Wilson gave you of 6:45; |
| 02:38 | 15 | | was that significant? |
| | 16 | А | It was in the morning when they were alleged to be |
| | 17 | | in that area. |
| | 18 | Q | Yeah. And was that around the time that Gail |
| | 19 | | Miller was believed to have been murdered? |
| 02:38 | 20 | А | I believe that's correct. |
| | 21 | Q | And then Wilson says: |
| | 22 | | "All Wilson would state at this time was |

| 1 | А | Well he was telling us things that we hadn't heard |

| 2 | | before and, naturally, those had to be checked |

| 4 | Q | And I take it the fact that he would tell you that |
| <i>02:40</i> 5 | | 'I think this is when Mr. Milgaard committed a |
| 6 | | murder'; I take it that would be a pretty |
| 7 | | significant piece of information? |
| 8 | А | Very significant, yes. |
| 9 | Q | Now, at this interview, do you recall where it |
| <i>02:40</i> 10 | | took place? |
| 11 | А | In the Regina police station. |
| 12 | Q | Do you recall how long it would have been? |
| 13 | А | No, sir, I don't. |
| 14 | Q | And do you recall who was doing the questioning? |
| <i>02:40</i> 15 | А | I believe that, if I was with Mackie, he would. |
| 16 | | The senior officer did that, so it would be |
| 17 | | Mackie. |
| 18 | Q | When you say he was the senior officer, was there |
| 19 | | some protocol that the senior officers always did |
| 02:41 20 | | the questioning, or |
| 21 | А | They generally took the lead role and, other than |
| 22 | | taking a statement, they were kind of in control |

| 24 | Q | And was there a reason that you didn't take a |

Α 02:41 10 Now, in the course of the questioning of Mr. 0 11 Wilson in Regina, would you have been present 12 throughout that questioning? 13 А I think so. | 6 | А | Well it would be a change in our investigation |

Q 7 Well at first he didn't tell us about Milgaard Α 8 getting out of the car, now he tells us he is, you 9 know, you have reservations about where he is 02:43 10 coming from. Did you have concerns about this information that 11 Q 12 Ron Wilson provided you, in particular that the 13 car became stuck, that Mr. Milgaard left the car 14 at 6:45, came back puffing and running, and that 02:44 15 Mr. Wilson thought this was when Mr. Milgaard was 16 probably involved in a murder; did you have any 17 concerns or doubts about that? Yes I did. 18 Α 19 0 And why was that? 02:44 20 Well, if he comes back to the car and he is Α 21 puffing and running, maybe there was a reason for 22 it. 23 0 Okay. | | 1 | | information in Regina? |
| | 2 | А | Certainly I had concerns. |
| | 3 | Q | And what were those concerns? |
| | 4 | А | That he didn't tell us this the first time, or |
| 02:43 | 5 | | didn't tell Riddell. |
| | 6 | Q | Okay. And so that might cause you to think that |
| | 7 | | maybe this isn't true; is that fair? |
| | 8 | А | That's correct. |
| | 9 | Q | And so as an officer, then, what do you do with |
| 02:43 | 10 | | that? |
| | 11 | А | Well you try and verify it or disqualify it, one |
| | 12 | | of the two. |
| | 13 | Q | So did you accept this as being the truth at the |
| | 14 | | time you heard it then? |
| 02:43 | 15 | А | Not at that time. |
| | 16 | Q | If we can go down, it says: |
| | 17 | | "With this information at hand, I |
| | 18 | | brought Wilson back to Saskatoon while |
| | 19 | | D/Sgt. Mackie stayed in Regina to |

| | 3 | | "En route to Saskatoon, Wilson divulged |
| | 4 | | to me that on that trip on Jan. 31st |
| 02:44 | 5 | | with Milgaard and Nickey, the two boys |
| | 6 | | had discussed B & Es, along with rolling |
| | 7 | | someone and purse snatching as a source |
| | 8 | | of money, as their financial position at |
| | 9 | | this time was not one with which they |
| 02:44 | 10 | | could do any amount of travelling, as |
| | 11 | | they anticipated going to Edmonton and |
| | 12 | | Vancouver." |
| | 13 | | Do you recall this discussion with Mr. Wilson? |
| | 14 | А | No, sir. |
| 02:45 | 15 | Q | And do you have any reason to dispute what's in |
| | 16 | | your report? |
| | 17 | А | None whatsoever. |
| | 18 | Q | Do you remember who else was in the car with you? |
| | 19 | А | Coming back? |
| 02:45 | 20 | Q | Yes? |
| | 21 | А | Just the two of us. |
| | 22 | Q | And had you arrested Mr. Wilson or placed him in |
| | 23 | | custody when you brought him back? |
| | 24 | А | No, sir, he was brought back of his own free will |
| 02:45 | 25 | | at our request. |
| | | | Meyer CompuCourt Reporting |

- Page 12092 -

| | | - |
|------------------|---|--|
| | | |
| 1 | Q | And so is that what do you recall what you |
| 2 | | would have said to him as to why you were bringing |
| 3 | | him back or how that went? |
| 4 | А | Probably wanted to check out his story. |
| <i>02:4</i> 5 5 | Q | Okay. Did you ask him to go back with you? |
| 6 | А | I didn't, but Mackie asked him if he would come |
| 7 | | back with me, and he did. |
| 8 | Q | And what if Mr. Wilson would have said 'no, I |
| 9 | | don't want to', what would have happened? |
| <i>02:4</i> 5 10 | А | I guess we wouldn't have brought him back. |
| 11 | Q | And then as far as this information that's in this |
| 12 | | paragraph about the discussion of break and |
| 13 | | enters, rolling someone and purse snatching as a |
| 14 | | source of money, I think you are saying do you |
| <i>02:4</i> 6 15 | | have any recollection of this information coming |
| 16 | | out at some, in some form? |
| 17 | А | I don't recall that on that trip, but if I wrote |
| 18 | | it there, I obviously discussed it. |
| 19 | Q | And I appreciate you don't have a recollection, |
| 02:46 20 | | but what would be, what would have been the |
| 21 | | significance of that information? |
| 22 | А | Well, maybe put some credence to the fact that |
| 23 | | maybe they did try and snatch a purse from |
| 24 | | somebody in Saskatoon and maybe it resulted in |
| 02:47 25 | | something more serious. |
| | | Meyer CompuCourt Reporting |

Page 12093 : 1 Q When you were driving back with Mr. Wilson, were you questioning him or was it conversation or --2 3 The only thing I can remember specifically about Α 4 that trip is the Aylesbury situation. 5 Q Well, that's the -- let's go to that, the next 02:47 6 paragraph, it says: 7 "Wilson admitted that Milgaard broke 8 into an elevator office on the road, 9 Nicky nor himself being responsible, 02:47 10 however, stated that Milgaard did the 11 actual entering. Consequently, when 12 passing the town of Aylesbury, Wilson 13 pointed out the elevator which Milgaard 14 had broken into. A call was made to the United Grain Growers Elevator office at 02:47 15 16 this point, Aylesbury, where the agent, 17 George William -- " 18 I think it's Trottski and crossed out as Pratt, 19 "-- was interviewed, and he admitted 02:47 20 that on the night of Jan. 30th, he had 21 had a break in at that point and that he 22 had notified the Craik Detachment of the 23 Mounted Police, Cst. Weaver attending. 24 He also stated that the only thing that 02:48 25 he could recall missing was a flashlight

| | | |
| 1 | | but could think of nothing else and when |
| 2 | | the knife was put to his thought, he did |
| 3 | | not recall a knife missing from the |
| 4 | | premises." |
| <i>02:4</i> 8 5 | | So does that accurately set out what happened |
| 6 | | with you and Mr. Wilson and the elevator? |
| 7 | А | I'm not prepared to say that that's all that we |
| 8 | | did. I can't remember whether I went into the |
| 9 | | elevator and talked to that agent or whether |
| <i>02:4</i> 8 10 | | somebody else later went and spoke to him. |
| 11 | Q | Can you tell me what you said you have a |
| 12 | | recollection of this. How did it come about, this |
| 13 | | information? |
| 14 | А | Well, I think just as we were driving along he |
| <i>02:4</i> 8 15 | | made a comment that they broke into that elevator. |
| 16 | Q | So were you driving by when |
| 17 | А | Yes. |
| 18 | Q | Saw the elevator, Mr. Wilson said, oh, on the |
| 19 | | night of January 30th we broke in or Mr. Milgaard |
| 02:48 20 | | broke in or words to that effect? |
| 21 | А | I remember turning around and we took a look at |
| 22 | | the elevator, but I don't remember me going in. I |
| 23 | | may have, but I can't remember. |
| 24 | Q | Okay. And it talks here about someone checking |
| <i>02:4</i> 9 25 | | about whether a knife was missing and they said a |
| | | Meyer CompuCourt Reporting |

Page 12095 -

|] | | Page 12095 |
|------------------|---|--|
| | | |
| 1 | | flashlight was missing. I take it someone, either |
| 2 | | you or someone corroborated that the elevator was |
| 3 | | broken into the evening |
| 4 | A | At a later date, I think somebody else did. |
| <i>02:4</i> 9 5 | Q | Now, what significance, if any, did you place on |
| 6 | | this information from Mr. Wilson on the trip back |
| 7 | | about the elevator? |
| 8 | A | It strengthened the fact that they were probably |
| 9 | | short of money and needed some financial |
| <i>02:4</i> 9 10 | | assistance and maybe that's where they could pick |
| 11 | | up a knife. I suppose there were several things |
| 12 | | went through my mind. |
| 13 | Q | Did the fact that this information had not been |
| 14 | | provided to you prior by Mr. Wilson or to the |
| <i>02:4</i> 9 15 | | police, Riddell or whoever else, what did you make |
| 16 | | of that? |
| 17 | А | Not a great deal. Like I said before, many times |
| 18 | | when you have witnesses like this, they don't tell |
| 19 | | you all the facts the first interview or two, you |
| 02:50 20 | | follow those things through and see what else you |
| 21 | | can find out. |
| 22 | Q | So we have at least earlier on that day Mr. Wilson |
| 23 | | telling you two or three new things in Regina, one |
| 24 | | being they got stuck, two, Mr. Milgaard left the |
| <i>02:50</i> 25 | | car, and three, Wilson thought this is when he |
| | | Meyer CompuCourt Reporting |

| 1 | | committed the murder, and then I guess on the |
|-----------------|---|--|
| 2 | | drive back this elevator break-in again would have |
| 3 | | been further information you had not been aware |
| 4 | | of; is that fair? |
| <i>02:50</i> 5 | А | And that's something we could easily check. |
| 6 | Q | Do you recall again, and I think you said you |
| 7 | | remember the elevator incident, did you what |
| 8 | | did you think about whether Mr. Wilson, A, was |
| 9 | | telling you the truth, B, had more information to |
| 02:51 10 | | provide you? |
| 11 | А | Well, it didn't take long to find out if he was |
| 12 | | telling the truth about that and if that was the |
| 13 | | case, if that picked him up and it's true, maybe |
| 14 | | he has more things to tell us. |
| <i>02:51</i> 15 | Q | So at that time, after the elevator incident, did |
| 16 | | you in your mind accept that you had heard |
| 17 | | everything from Mr. Wilson or did you think you |
| 18 | | had to do more questioning, or others, police have |
| 19 | | to do more questioning? |
| 02:51 20 | А | The police would have to do more questioning. I |
| 21 | | still wasn't sure that they had broke into the |
| 22 | | elevator, but |
| 23 | Q | Okay. Well, this report suggests that a call was |
| 24 | | made and it was confirmed. Now, this report is |
| 02:51 25 | | dated May 25th and it's talking about events of |

|----------|---|---|--|
| 1 | 1 | | May 22nd. Do you recall let me back up. What |
| 2 | 2 | | is your memory today, Mr. Karst, when you went |
| 3 | 3 | | back to Aylesbury with Ron Wilson, did you go to |
| 4 | 1 | | the elevator? |
| 02:52 5 | 5 | А | We went and looked at the elevator and made sure, |
| E | ó | | pointed out, yes, that's the place. |
| 7 | 7 | Q | And did you call the office at Aylesbury and talk |
| 8 | 3 | | to someone there, do you remember that? |
| ç | 7 | A | That I can't remember, but I remember reading some |
| 02:52 10 |) | | report that maybe even the Mounted Police |
| 11 | I | | checked it out, I'm not sure. |
| 12 | 2 | Q | So you have a memory that someone confirmed the |
| 13 | 3 | | elevator break-in? |
| 14 | 1 | A | That's correct. |
| 02:52 15 | 5 | Q | And it could have been you, but you don't |
| 16 | 5 | | remember? |
| 17 | 7 | A | No, I think if I had checked it out I would |
| 18 | 3 | | remember. |
| 19 |) | Q | And do you remember a time frame, was it that day |
| 02:52 20 |) | | or closely around there that it was checked out or |
| 21 | 1 | | a number of days later? |
| 22 | 2 | A | No, sir, I can't tell you that. |
| 23 | 3 | Q | And then it says: |
| 24 | 1 | | "When returning to the car" |
| 02:52 25 | 5 | | And I presume that's from the elevator, |
| | | | Meyer CompuCourt Reporting |

| | [| | Page 12098 — |
|-------|----|---|--|
| | | | U U |
| | 1 | | " and continuing onto Saskatoon, |
| | 2 | | Wilson admitted that Milgaard had |
| | 3 | | returned from the elevator with the |
| | 4 | | flashlight and that this flashlight is |
| 02:52 | 5 | | presently in his possession at his home |
| | 6 | | at 126 Cornwall Street." |
| | 7 | | And if you just go back here, this report |
| | 8 | | suggests that that was information obtained that |
| | 9 | | a flashlight was missing. Do you see that? |
| 02:53 | 10 | А | Yes. |
| | 11 | Q | And I'm just wondering, Mr. Karst, if when you and |
| | 12 | | Mr. Wilson returned to the car and he admitted |
| | 13 | | that Milgaard had returned from the elevator with |
| | 14 | | the flashlight, is that something you think you |
| 02:53 | 15 | | would have known was missing? |
| | 16 | А | I would have known? |
| | 17 | Q | Maybe I didn't ask that very well. When I read |
| | 18 | | this report, it suggests that when you and |
| | 19 | | Mr. Wilson went from the elevator and got into |
| 02:53 | 20 | | your car, and this would be again on the 21st of |
| | 21 | | May when you are driving back, that when you got |
| | 22 | | to the car Wilson admitted that Milgaard had |
| | 23 | | returned from the elevator with the flashlight, |
| | 24 | | and I'm just wondering, reading that in light of |
| 02:53 | 25 | | the previous paragraph, whether you would have had |
| | | | Meyer CompuCourt Reporting |

Page 12099 1 the -- let me ask it this way. When you and Ron 2 Wilson returned from the elevator to the car, do 3 you think you knew that a flashlight had been taken from the elevator when Mr. Wilson told 4 5 02:54 you --6 Α I don't think so. I can't remember that I spoke 7 to that elevator agent. 8 Fair enough. Q 9 I just don't remember. Α 02:54 10 And then scroll down, please: 0 "He also stated at this time that he 11 12 could not recall a knife being in the 13 car nor did he see Milgaard bring one 14 from the elevator. On further 15 questioning, he thought that possibly 02:54 16 Milgaard could have picked up a knife 17 from the Champs Hotel where they had 18 eaten earlier that day where Nickey had 19 been employed, however, could shed no 02:54 20 further light on that aspect." 21 And do you remember that, having a discussion 22 about whether he saw a knife an the trip? 23 Α That's correct. 24 0 Now, at this point, Mr. Karst, according to this 02:54 25 report, Mr. Wilson has already provided probably

= Page 12100 =

| | 1 | | five pieces of incriminating information with |
|-------|----|---|--|
| | 2 | | respect to Mr. Milgaard that day, the first being |
| | 3 | | that the car got stuck at 6:45 a.m. near the |
| | 4 | | murder scene; two, that Mr. Milgaard had left the |
| 02:55 | 5 | | car, came back puffing and running; three, that he |
| | 6 | | thought that's when Mr. Milgaard had committed the |
| | 7 | | murder; four, that driving to Saskatoon they |
| | 8 | | talked about purse snatching and B & Es; and five, |
| | 9 | | they had broken into an elevator the night of or |
| 02:55 | 10 | | the evening of, and I take it at this time, and my |
| | 11 | | question relates to a day or two later, you recall |
| | 12 | | that Mr. Wilson gave a statement where he said he |
| | 13 | | saw a knife, do you remember that, and we'll go |
| | 14 | | through that, but he identified for Inspector |
| 02:55 | 15 | | Roberts and said yes, he saw a knife on David |
| | 16 | | Milgaard on the trip from Regina to Saskatoon. Do |
| | 17 | | you recall that? |
| | 18 | А | I recall that. |
| | 19 | Q | And my question is, given that he has sort of |
| 02:56 | 20 | | given you five pieces of incriminating evidence |
| | 21 | | and yet when asked about the knife says I don't |
| | 22 | | recall, when he did the next day recall did that |
| | 23 | | cause you any concern, like, did you think why |
| | 24 | | didn't he tell me that when I asked him in the car |
| 02:56 | 25 | | and when he was giving the other incriminating |
| | | | Meyer CompuCourt Reporting |

Page 12101 =

information how could he not remember the knife on May 22nd in the car and the next day remember the knife?

- 4 A I can't account for his memory. I can't account 02:56 5 for my own sometimes.
- And I'm not asking about his memory, but let me 6 Q 7 put it this way, did you ever think, when he did 8 tell you about the knife on May 23rd, and I'll get 9 to that statement, but that's when he said yes, he 02:56 10 picked out a knife that he said he saw on David 11 Milgaard on the trip. Did you ever ask him or 12 yourself or someone and say lookit, I just asked 13 him that yesterday and yesterday he said he didn't 14 remember, and I could appreciate it if it had been 02:57 15 a month earlier when he wasn't giving you any 16 incriminating information, but here he's just 17 given you four or five pieces of incriminating 18 information; right?

19 A Correct.

02:5720QAnd I'm trying to understand, Mr. Karst, if there21would be -- why -- a couple of things, one, if you22read anything into the fact that he didn't give23you this piece of information on the car trip, but24he gave it the next day?02:5725AAs I said before, it's not uncommon to get all the

Page 12102 : 1 information the first time you interview somebody, 2 or the second. 3 So do you remember being concerned about the fact 0 that he didn't tell you about the knife on the 4 5 22nd, but he did on the 23rd? 02:57 I probably thought of it, but I don't think it was 6 Α 7 a big concern. 8 MR. HODSON: Okay. I see it's three 9 o'clock, Mr. Commissioner, we should maybe --02:58 10 this is an appropriate time to break. 11 (Adjourned at 3:00 p.m.) 12 (Reconvened at 3:17 p.m.) 13 BY MR. HODSON: I'm going to have up 009264, please, and go to the 14 Q 03:18 15 next page, please. So then it looks as though, it 16 talks about, again we're back on May 22nd, Mr. 17 Karst: 18 "When entering the Saskatoon City 19 outskirts, Wilson directed me across the 03:18 20 overpass and taking the Freeway up as 21 far as Idylwyld where he became unsure 22 of his directions, as to where they had 23 gone after that on that particular 24 morning, however, stated that the area 03:18 25 around P and 22nd was familiar and he Meyer CompuCourt Reporting =

Page 12103 = 1 was able to pick out the Trav-a-leer 2 Motel as the place where Milgaard had 3 entered to obtain a map for directions, 4 this being done in Milgaard's stocking 5 feet, which was verified by the 03:18 Trav-a-leer Motel proprietor." 6 7 Is that something you would have verified at the 8 time? 9 I don't think so. Α 03:18 10 And then: 0 11 "Wilson was able to point out the 12 address of 129 Avenue T South when we 13 were in the 100 block, as the house 14 where they had entered that morning when 03:19 15 being stuck the second time, where 16 Milgaard allegedly entered the 17 bathroom." 18 And again that was the Danchuks; is that right? 19 I think that's Avenue T -- I think the record 03:19 20 shows that was the Danchuks? 21 I agree, but I don't remember it. Α 22 Q Okay. And then the next paragraph, it says: 23 "Wilson pointed out the area of Avenue P 24 and Avenue M and N around 22nd St. West, 03:19 25 as an area which is similar to the = Meyer CompuCourt Reporting =

| 1 | | location where the girl was seen walking |
| 2 | | on the street that early morning when |
| 3 | | they approached her to ask directions, |
| 4 | | however, he was unsure of the exact |
| 03:19 5 | | block. Nor could he point out the exact |
| 6 | | location where the car had become |
| 7 | | stalled, where Milgaard had left the |
| 8 | | vehicle to go for help." |
| 9 | | Do you have a recollection, Mr. Karst, of driving |
| 03:19 10 | | around with Mr. Wilson that evening? |
| 11 | А | I do. |
| 12 | Q | And I'm wondering, there's mention here let me |
| 13 | | back up. Where would you have driven him |
| 14 | | generally? |
| 03:20 15 | А | Generally around the area of the scene of the |
| 16 | | crime, but not actually to the scene. |
| 17 | Q | Okay. And why is that? |
| 18 | А | I found out that when you are making that sort of |
| 19 | | an investigation, it's not a good idea to take the |
| 03:20 20 | | witness or suspect to the scene because when it |
| 21 | | goes to court it's alleged that you showed him |
| 22 | | where rather than he show you where. |
| 23 | Q | And so that's something you had either been aware |
| 24 | | of or had experienced previous to this |
| 03:20 25 | | investigation? |
| | | Meyer CompuCourt Reporting |

Page 12105 = 1 Α That's correct. And so how would you find out if he recognized the 2 0 3 area of the murder scene? 4 Well, if you drove around that area, you may Α 5 recognize an apartment block or the church or 03:20 6 funeral home, something that might come to his 7 attention. 8 So it appears he identified Avenue P, M and N 0 9 around 22nd Street which would be a couple of 03:21 10 blocks away; is that right? 11 Α Which would be in the area, yes. 12 Q And I think, if I'm not mistaken, and we'll go to 13 a map in a moment, that's where the service 14 station was that they went to after the Danchuks; 03:21 15 is that not right, and if you don't remember it --16 we'll go to a map and take a look at that in a 17 moment. Do you remember that? 18 I probably recalled it at the time, but I don't Α 19 now. 03:21 20 And so do you know, would you have driven by the 0 21 funeral home, for example, that evening do you 22 remember? 23 Α I don't remember, but I would think I would. 24 0 Would you have driven down the alley where the 03:21 25 body was found?

_____ Meyer CompuCourt Reporting =

Page 12106 -

A No, no.

1

2 **Q** And would you have told Mr. Wilson where the body 3 was found?

4 A Probably to the extent of in this area, to let him
03:21 5 point it out being the area where they were stuck
6 where they left and went out of the car.

7 Q And is that something when you are driving around
8 that he asked you, wondering where it was that the
9 body was; do you remember that?

03:22 10 A No.

11QAnd again, Mr. Karst, is there anything again,12looking back, is there anything that you did in13the driving around that in your mind might have14suggested to Mr. Wilson where he thought he should03:221516AI don't think so.

17 **Q** Now, it says here that:

18 "Wilson pointed out the area as an area 19 which is similar to the location where 03:22 20 the girl was seen walking on the street 21 and they asked for directions." 22 And I believe this is the first written record of 23 Mr. Wilson identifying first of all that they had 24 asked a girl for directions and where that was, 03:22 25 and so I'm wondering, and help me out here, Mr.

— Meyer CompuCourt Reporting =

= Page 12107 =

| | 1 | | Karst, it doesn't look, when I read that report, |
|-------|----|---|--|
| | 2 | | as though he's telling you for the first time |
| | 3 | | about that, but rather this is where the girl |
| | 4 | | was. Is that a fair reading of it? Let me ask |
| 03:23 | 5 | | it this way. Prior to Mr. Wilson pointing out, |
| | 6 | | as it says here, the area which was similar to |
| | 7 | | the location where the girl was seen walking on |
| | 8 | | the street that early morning when they |
| | 9 | | approached her to ask directions, prior to that |
| 03:23 | 10 | | had Mr. Wilson told you that he actually saw a |
| | 11 | | girl and asked for directions that morning? |
| | 12 | А | I don't know. I can't remember. I don't recall |
| | 13 | | them ever telling me before, but I'm not sure. |
| | 14 | Q | And again, I think you told us earlier when you |
| 03:23 | 15 | | were interviewing Mr. Milgaard for the first time, |
| | 16 | | that one of the thoughts you had was that the |
| | 17 | | person they asked for directions, he described it |
| | 18 | | as an old woman, you thought that may have been |
| | 19 | | Gail Miller; is that right? |
| 03:24 | 20 | А | A possibility. |
| | 21 | Q | Yeah. So it would appear from this note, and tell |
| | 22 | | me from your recollection if that's correct, that |
| | 23 | | by this time Mr. Wilson was telling you that they |
| | 24 | | did stop a girl for directions the morning of the |
| 03:24 | 25 | | murder; is that right? |

| | | | by Mr. Hodson Vol 61 - Tuesday, August 23rd, 2005 |
|-------|----|---|--|
| | | | —————————————————————————————————————— |
| | 1 | А | That's fair. |
| | 2 | Q | And the term here is, "The girl was seen walking |
| | 3 | | on the street." When you use the term girl, are |
| | 4 | | you distinguishing that from woman or are you just |
| 03:24 | 5 | | saying how do we read that? |
| | 6 | А | It looks to me like I'm describing somebody |
| | 7 | | younger, not an old woman. |
| | 8 | Q | And again it goes on to say: |
| | 9 | | "He couldn't point out the exact |
| 03:24 | 10 | | location where the car had become |
| | 11 | | stalled where Milgaard had left the |
| | 12 | | vehicle to go for help." |
| | 13 | | Is that right? |
| | 14 | А | That's correct. |
| 03:24 | 15 | Q | And earlier that day in Regina he had told you the |
| | 16 | | car had become stuck at around 6:45 and that |
| | 17 | | Milgaard had left; is that right? |
| | 18 | А | That's correct. |
| | 19 | Q | So that evening you couldn't find, you couldn't |
| 03:25 | 20 | | find that, or he couldn't identify that location; |
| | 21 | | is that fair? |
| | 22 | А | That's fair. |
| | 23 | Q | And we'll go to a map in a moment, and so he |
| | 24 | | talked about M, N and P around 22nd Street; is |
| 03:25 | 25 | | that right? |
| | | | Mayor CompuCourt Benerting |

Page 12109 =

1 A That's correct.

| | | - | |
|-------|----|---|--|
| | 2 | Q | If we could go to the map, and I think it's map A |
| | 3 | | that has the service stations on it, just zoom in |
| | 4 | | there, and just to get our bearings here, we |
| 03:25 | 5 | | haven't seen this map for a while, here is the |
| | 6 | | Cadrain house, here is the T intersection where |
| | 7 | | the body was found, Gail Miller's house and I |
| | 8 | | think you'll see down here M, N and P and 22nd |
| | 9 | | Street, so that would be in this area; is that |
| 03:25 | 10 | | fair? That's what the report says? |
| | 11 | А | Yeah, that's in the area. |
| | 12 | Q | And Hillcrest Texaco is on the corner of P and |
| | 13 | | 22nd and I believe that is the, at least one of |
| | 14 | | the service stations where Mr. Wilson would have |
| 03:26 | 15 | | been on the morning of the murder; is that fair? |
| | 16 | А | I believe so. |
| | 17 | Q | And then as well he said M and N around 22nd |
| | 18 | | Street, so in that area? |
| | 19 | А | Yes. |
| 03:26 | 20 | Q | If we can go back to 009264, next page, please, it |
| | 21 | | says: |
| | 22 | | "Wilson was then brought to the police |
| | 23 | | station where arrangements were made by |
| | 24 | | Lt. Short for night accommodation for |
| 03:26 | 25 | | him." |
| | | | Meyer CompuCourt Reporting |

Page 12110 = 1 And I believe there's a record that Mr. Wilson 2 spent the night in the police cells. Do you 3 remember that? 4 I thought he was in a hotel. Obviously he wasn't. Α 5 If we could call up 106639, please. This is a 03:27 Q document, Wednesday, May 21st, '69 of Short, at 6 7 the bottom, to the Staff Sergeant, and it says: 8 "You have in your custody one Ronald 9 Wilson being held only as a sleeper for 03:27 10 the detective dept, this is in 11 connection with a very serious matter & 12 I would appreciate it if no one 13 questions this young man for any reason 14 as to why he is here or anything else. 03:27 15 This man will be looked after by Det. 16 Karst on the a.m. of Thursday." 17 And it appears from this, Mr. Karst, that at 18 least the first night that Mr. Wilson may have 19 spent the night as a sleeper in the police cells; 03:27 20 do you recall that? 21 Α I agree. 22 And you agree, you recall or you agree that that's Q 23 what would have happened? 24 Α I agree that's what would have happened. 03:28 25 Q And what's a sleeper?

| | 1 | А | Many times when you have vagrants, they are not |
| | 2 | | charged with any offence and you bring them in and |
| | 3 | | let them have a place to stay. They are not |
| | 4 | | charged with any offence, they are just brought in |
| 03:28 | 5 | | so they are off the streets. |
| | 6 | Q | We'll see in a later, later on in this report or |
| | 7 | | another report that the next night Mr. Wilson was |
| | 8 | | taken to the Ritz Hotel and I think spent the |
| | 9 | | night of the 22nd and 23rd there. Was that do |
| 03:28 | 10 | | you recall that? |
| | 11 | А | It sounds right. I know he spent time in the Ritz |
| | 12 | | Hotel. |
| | 13 | Q | And would there be any reason that he would not, |
| | 14 | | A, be in as a sleeper for all three days or why he |
| 03:28 | 15 | | didn't go to the Ritz on the first night? Are you |
| | 16 | | able to shed any light on that? |
| | 17 | А | Those were Lieutenant Short's decisions and I had |
| | 18 | | no input into that. |
| | 19 | Q | And was Mr. Wilson charged with anything or in |
| 03:29 | 20 | | custody or anything? |
| | 21 | А | Not to my knowledge. |
| | 22 | Q | It says: |
| | 23 | | "On the morning of May 22nd, in company |
| | 24 | | with Lt. Short and M/Sgt. Oleksyn, |

| 3 | | had been on the morning of January 31st, |
| 4 | | however, he could add little to the |
| <i>0</i> 3:29 5 | | previous information other than when |
| 6 | | they had been stuck the original time in |
| 7 | | the vicinity of Ave. M or N that two men |
| 8 | | in a vehicle described as a 1967-68 |
| 9 | | cream or yellow coloured Dodge or |
| 03:29 10 | | Chrysler had come and assisted them in |
| 11 | | pushing their vehicle out of the snow." |
| 12 | | Do you recall that piece of information? |
| 13 | A | I probably did at the time. I don't now. |
| 14 | Q | And so here, according to the report, it looks as |
| 03:29 15 | | though had Mr. Wilson identified the area |
| 16 | | around M and N as being the vicinity as to where |
| 17 | | they got stuck the morning of the murder; is |
| 18 | | that |
| 19 | А | I believe it was in the area. |
| 03:30 20 | Q | And I believe this is the first mention of two |
| 21 | | people assisting their vehicle in being pushed out |
| 22 | | of the snow; is that correct? |
| 23 | А | As far as I know. |
| 24 | Q | And then there's descriptions of the two men. I |
| 03:30 25 | | take it that was given by Mr. Wilson? |
| | | Meyer CompuCourt Reporting |

• Page 12113 •

1 A Apparently.

| | 2 | Q | And again the fact that did you question Wilson |
|-------|----|---|--|
| | 3 | | as to why he wouldn't have told you about these, |
| | 4 | | this vehicle and the two men the night before or |
| 03:30 | 5 | | the afternoon before? |
| | 6 | А | I don't recall. |
| | 7 | Q | So the afternoon before he said we got stuck and |
| | 8 | | Mr. Milgaard left the vehicle, that evening when |
| | 9 | | you drove around he said yeah, this is in the |
| 03:31 | 10 | | vicinity where we got stuck, but no mention of the |
| | 11 | | two people in the Dodge or Chrysler; is that fair? |
| | 12 | А | That's fair. |
| | 13 | Q | And then the next day, or the next morning he |
| | 14 | | would tell you about this; is that fair? |
| 03:31 | 15 | А | Yes. |
| | 16 | Q | And did you think about, did you think about, or |
| | 17 | | did it concern you at all that you were getting |
| | 18 | | bits and pieces of information about that? |
| | 19 | А | No. As I have said before, many times when you |
| 03:31 | 20 | | are speaking to witnesses they give you little |
| | 21 | | bits and pieces just to keep you satisfied, and |
| | 22 | Q | Did you form the impression that Mr. Wilson was |
| | 23 | | deliberately withholding pieces and just giving |
| | 24 | | you a bit at a time? |
| 03:31 | 25 | А | I'm not saying deliberately, but maybe he didn't |

|-------|----|---|--|
| | 1 | | recall everything at the time, I don't know. |
| | 2 | Q | And that was my next question; or that he didn't |
| | 3 | | recall some of the details? |
| | 4 | A | As time went on, yes. |
| 03:31 | 5 | Q | And would you agree that having Mr. Milgaard leave |
| | 6 | | the car at or about the time that the murder took |
| | 7 | | place was something that would was that |
| | 8 | | something you thought he just forgot about and |
| | 9 | | then mentioned, or that he had known about and |
| 03:31 | 10 | | didn't tell you, or did you reach any conclusion |
| | 11 | | on that? |
| | 12 | A | I believe I reached the conclusion that he wasn't |
| | 13 | | telling me to begin with because, as I said, |
| | 14 | | little bits of information were coming out as time |
| 03:32 | 15 | | went on. |
| | 16 | Q | So let's just talk generally, and we've gone |
| | 17 | | through a number of pieces of new information, and |
| | 18 | | one explanation would be that he simply hadn't |
| | 19 | | recalled the details earlier and was telling you |
| 03:32 | 20 | | as he remembered; correct, that's one explanation? |
| | 21 | А | Yes. |
| | 22 | Q | And another explanation is that he didn't want to |
| | 23 | | tell the police earlier and he was now telling |
| | 24 | | them; is that |
| 03:32 | 25 | A | I would concur with that. |
| | | | Meyer CompuCourt Reporting |

1 Q Or would there be a third one, that he was 2 fabricating them? 3 Always a possibility, but I think we checked that Α out and he -- that was true, he did see that car 4 5 and two men. 03:32 And do you know where that was checked out or --6 Q 7 I don't. Somebody did. Α 8 And then, if we scroll down, it says: 0 9 "Wilson's account of what transpired 03:33 10 that morning was roughly as follows. 11 The three of them drove into the city 12 and drove around for a short while when 13 they met a girl in the area described 14 above, asked directions for Peace Hill. 03:33 15 The asking done by Milgaard who was on 16 the passengers side of the vehicle where 17 the pedestrian was. This girl stated 18 she didn't know and wasn't able to 19 assist them, however, Milgaard had asked 03:33 20 whether she would like a lift or ride to 21 where she was going, to which she Upon driving away, Milgaard 22 declined. 23 had made the remark to the effect, "The 24 stupid bitch"." 03:33 25 And I pause there. That comment there, would

Page 12115 =

|-------|----|---|---|
| | | | |
| | 1 | | that have been I think that's the first time |
| | 2 | | we have seen that; is that a new piece of |
| | 3 | | information? |
| | 4 | А | It was. |
| 03:33 | 5 | Q | And, again, what significance did you attach to |
| | 6 | | that? |
| | 7 | А | Well the fact that he is saying they did approach |
| | 8 | | a girl. |
| | 9 | Q | And the comment by attributed to Mr. Milgaard, |
| 03:33 | 10 | | 'the stupid bitch', did you read anything into |
| | 11 | | that? |
| | 12 | А | I don't think I placed much of anything on that, |
| | 13 | | because young people in that era, lots of them |
| | 14 | | spoke that way. |
| 03:34 | 15 | Q | Okay. So then he says, or you go on to say, I'm |
| | 16 | | sorry: |
| | 17 | | "They drove a short distance further and |
| | 18 | | while making a turn, the vehicle became |
| | 19 | | stuck, as they had no reverse gear. At |
| 03:34 | 20 | | this time Milgaard left for help |
| | 21 | | returning approx. 15 minutes later |
| | 22 | | puffing and running, however, Wilson |
| | 23 | | states that he saw no blood, etc., or |
| | 24 | | anything on Milgaard at this time. They |
| 03:34 | 25 | | then drove on around the city a little |

| | | |
| 1 | | further " |
| 2 | | So let's pause there. I think the 15 minutes, I |
| 3 | | think the day before he had simply said that Mr. |
| 4 | | Milgaard had left the vehicle at 6:45, remember |
| <i>03:34</i> 5 | | when we looked at that report? |
| 6 | А | Correct. |
| 7 | Q | And so now he is saying about 15 minutes later is |
| 8 | | how long he was gone; do you have a recollection |
| 9 | | of talking to Mr. Wilson about the time? |
| 03:34 10 | А | Yes. |
| 11 | Q | And what do you recall about that discussion? |
| 12 | А | It became very interesting because this gives the |
| 13 | | suspect lots of time to have committed the crime. |
| 14 | Q | And do you recall how this information came out |
| <i>03:35</i> 15 | | from Mr. Wilson? |
| 16 | А | No I don't. |
| 17 | Q | And would it have been information given to you, |
| 18 | | Mr. Karst, or to others, or do you know? |
| 19 | А | Obviously it was given to me, and maybe others, |
| 03:35 20 | | but |
| 21 | Q | Now if we look at this report and what's stated |
| 22 | | here, at least according to this report it doesn't |
| 23 | | say that Mr. Wilson also left the car, does it, |
| 24 | | it's silent about where he was when Mr. Milgaard |
| 03:35 25 | | left; do you agree? |
| | | Meyer CompuCourt Reporting |

Page 12118 = 1 That's correct, at that time he didn't. Α 2 0 Do you recall asking Mr. Wilson what he was doing 3 during this time? 4 No, sir, I don't. Α 5 It says: 03:35 Q "They then drove on around the city a 6 7 little further where a map was obtained 8", 9 and then the Danchuks, etcetera, and eventually got to the Cadrain residence at 9:00 a.m., and 03:36 10 11 then it goes on to describe what happened at the 12 Cadrain residence and talks about Milgaard 13 leaving the house for ten minutes, reasons 14 unknown. It says: 03:36 15 "... however, it is felt that this is 16 where Milgaard disposed of the wallet 17 which was found on boulevard at 330 18 Avenue O South and which had belonged to 19 the Miller girl and also a toque with 03:36 20 blood on it being found there which is 21 still be processed at the lab. This is 22 no other logical explanation for 23 Milgaard leaving that residence at that 24 time after having changed his clothes, 03:36 25 . . . "

_____ Meyer CompuCourt Reporting =

Page 12119 = 1 Let me pause there. When you say: 2 "... it is felt that this is where 3 Milgaard disposed of the wallet ... ", 4 was that the thinking of the police officers, or 5 Mr. Wilson, or --03:37 6 I think that was my thinking. Α 7 And then, here, it talks about the changing Q Okay. 8 the clothes and you say: 9 "... which Milgaard when interviewed 03:37 10 several weeks prior had stated he had done this because of acid on them, 11 12 however, this alibi being foiled by 13 Mrs. Wilson who stated he had changed 14 clothes at their residence in Regina before leaving for Saskatoon, after the 03:37 15 16 acid accident." 17 So I take it that -- and I think you may have alluded to this earlier -- Mrs. Wilson's 18 19 information to you that they had changed the 03:37 20 clothes with acid on them the night before; did 21 that cause you to doubt Mr. Milgaard's reason for 22 changing his pants at the Cadrain's house? 23 Α Some, somewhat. 24 0 And then next page please, just at the top, and 03:37 25 then went to the garage, and it says: Meyer CompuCourt Reporting

| | Б | | |
|-------|----|---|---|
| | | | |
| | 1 | | "After this information was obtained, |
| | 2 | | Wilson was brought back to the Police |
| | 3 | | Station and then to the Ritz Hotel where |
| | 4 | | he was left for the night." |
| 03:38 | 5 | | And do you recall that, him going to the Ritz |
| | 6 | | Hotel? |
| | 7 | А | Yes I do. |
| | 8 | Q | Now at this stage on the evening of May 22nd |
| | 9 | | and we've gone through, I think, the events of |
| 03:38 | 10 | | that day and the day before, and I don't propose |
| | 11 | | to go through it in detail but you would agree |
| | 12 | | that in that time frame Mr. Wilson gave you a |
| | 13 | | number of pieces of new information that he had |
| | 14 | | not provided before; is that fair? |
| 03:38 | 15 | А | Is this the day following coming back from Regina |
| | 16 | | or |
| | 17 | Q | Yes, yeah. |
| | 18 | А | Yes, I concur. |
| | 19 | Q | And just quickly; one, he told you for the first |
| 03:38 | 20 | | time in Regina that the car had got stuck at 6:45 |
| | 21 | | while looking for Cadrain's, so the time and |
| | 22 | | location of the murder; two, he said that Mr. |
| | 23 | | Milgaard was gone from the vehicle? |
| | 24 | А | Correct. |
| 03:39 | 25 | Q | And then on the 22nd he said it was for 15 |
| | | | Meyer CompuCourt Reporting |

| | | Page 12121 |
|------------------|---|--|
| | | |
| 1 | | minutes? |
| 2 | А | Correct. |
| 3 | Q | He said he returned puffing and huffing or |
| 4 | | puffing, and Wilson thought that this is when Mr. |
| <i>0</i> 3:39 5 | | Milgaard committed the murder? |
| 6 | А | Correct. |
| 7 | Q | Correct? Third, he told you that on the trip |
| 8 | | back he said that prior to arriving in Saskatoon |
| 9 | | he and Mr. Milgaard had discussed break and enters |
| <i>0</i> 3:39 10 | | and to roll someone and purse snatching for money; |
| 11 | | correct? |
| 12 | А | Correct. |
| 13 | Q | And the elevator break-in was mentioned; and that |
| 14 | | on the 22nd that Mr. Wilson identified an area |
| <i>0</i> 3:39 15 | | where they approached a woman for directions on |
| 16 | | the morning of the murder; is that fair? |
| 17 | А | Yes. |
| 18 | Q | As well, that Mr. Milgaard called this girl a |
| 19 | | stupid bitch; that was new? |
| 03:39 20 | А | Yes. |
| 21 | Q | And as well he told you I think, or the police, |
| 22 | | for the first time about two individuals in a |
| 23 | | Dodge that pushed them out? |
| 24 | А | That's right. |
| <i>03:40</i> 25 | Q | And he also had said that he saw no blood on Mr. |

Milgaard at that time; is that fair? That's correct.

3 Now, and again, and I appreciate it's difficult to 0 4 separate in your mind what you were thinking about 5 Mr. Wilson at various times, but when you were 03:40 done with him on the 22nd of May and the next day 6 7 he goes for the polygraph and then you take a 8 statement, okay, do you recall, again prior to him 9 going in to see Inspector Roberts, what did you 03:40 10 think about Mr. Wilson and this -- the information 11 that he was providing to you and his credibility? 12 А Obviously I had some doubt about his credibility 13 or I would have left a report saying I thought we 14 would have enough to consider charges. Also, I 03:41 15 guess senior officers must have felt the same, 16 because they were contemplating a polygraph test 17 to see what results that would bring. 18 And so are you saying that, based on what Mr. Q 19 Wilson had told you, if that was all true you felt 03:41 20 that that might be enough to warrant a charge? 21 If that was found to be all true, yes. Α 22 And so are you saying you still had some doubts, Q 23 then, about what he was telling you? 24 Α Yes. 03:41 25 Do you recall, in your dealings with Mr. Wilson on Q

R

Page 12123 : 1 the 21st, the 22nd, and again the days that 2 followed, did he ever express to you any fear of 3 David Milgaard? 4 Α It seems to me I can recall that but I just have 5 to say I don't remember. 03:41 And when you questioned Mr. Wilson I take it you 6 Q 7 spent, well, a good part of the 21st of May, at 8 least the afternoon you drove back with him, and a 9 good part of the 22nd, that day with him; is that fair? 03:42 10 11 Α Correct. 12 Q And would you have asked him questions about the 13 case, I presume? I don't know what our discussion was but 14 Α 03:42 15 obviously, if I recall the elevator incident, we 16 must have been discussing where they were. 17 I'm sorry, I think when we went through on the 0 18 22nd of May when you were driving around with 19 Short and Oleksyn and when he shared the 03:42 20 information about the fellas in the cream-coloured 21 car, etcetera, I take it you would have spent some 22 time with Mr. Wilson trying to learn more 23 information about the case? 24 Α Yes. I thought you were talking about the 03:42 25 previous day.

| 1 | Q | Yeah, I'm sorry. And that, in the course of |

| <i>03:4</i> 2 5 | Q | And you would ask him questions to test whether |

| 16 | Q | And do you recall whether either Short or Oleksyn |
| 17 | | or anybody else did? |
| 18 | А | Nobody in my presence. |
| 19 | Q | In the course of the day you spent with Mr. Wilson |
| 03:43 20 | | on May 22nd do you recall whether or not any |
| 21 | | officer threatened Mr. Wilson in any way? |
| 22 | А | Not in my presence. |

| 03:44 20 | А | I can't remember if I did or somebody else did. |
| 21 | Q | Now if we could just go back to the main page, |
| 22 | | please, we then talk about Friday, May 23rd, and |
| 23 | | this is where Inspector Roberts is involved, and |

| | | Meyer CompuCourt Reporting |

Page 12126 = 1 I had not. Α 2 And do you recall when and how you would have 0 3 become aware that he was going to conduct a 4 polygraph of Ron Wilson? 5 Α The best I can remember was in that morning that 03:45 this occurrence took place I brought some of the 6 7 officers over to the Cavalier Hotel, and then went 8 and got Wilson and dropped him off, and that was 9 the end of my involvement with that until I was 03:45 10 called to pick him up. 11 Q So you would have brought -- and in here I think 12 it says on Friday, May 23rd you went with Wood, 13 Short, Mackie, Chartier, and Morrison? 14 Α Correct. 03:45 15 And I think you -- did you drive all those people 0 16 over here or --17 Α I don't recall. It appears that I probably did 18 but I'm not sure. 19 0 Okay. So you --03:45 20 It says "I attended", yeah. Α 21 Do you remember meeting Mr. Roberts that Q Yeah. 22 morning? 23 Α No. 24 0 The polygraph -- no? 03:46 25 Α No.

| | 1 | Q | And I think, later on, you indicated that you did |
| | 2 | | meet Mr. Roberts? |
| | 3 | А | Yes. |
| | 4 | Q | Okay. So you would have dropped some officers |
| 03:46 | 5 | | off; did you then go and pick up Mr. Wilson you |
| | 6 | | said? |
| | 7 | А | Yes. |
| | 8 | Q | And then what, dropped him off, did you take him |
| | 9 | | up to the hotel room where the officers were or do |
| 03:46 | 10 | | you remember? |
| | 11 | А | I left him with the officers but I can't remember |
| | 12 | | if it was downstairs or upstairs or at the room. |
| | 13 | Q | Okay. And do you recall, Mr. Karst, officers |
| | 14 | | Chartier and Morrison putting a hidden microphone |
| 03:46 | 15 | | in the room where Inspector Roberts was |
| | 16 | | interviewing Nichol John and Ronald Wilson? |
| | 17 | А | Knew nothing of it, sir. |
| | 18 | Q | And were you present in a hotel room when either |
| | 19 | | Wilson or John were being interviewed by Roberts |
| 03:46 | 20 | | and listening in on the conversation? |
| | 21 | А | I was not. |
| | 22 | Q | Okay. Were you aware that that had happened? |
| | 23 | А | Not until later. |
| | 24 | Q | And when did you become aware of that? |
| 03:47 | 25 | А | That I can't say, but I know I heard about it |

Page 12128 = 1 later. 2 And heard about what later? 0 3 That they had recorded the -- or videoed the Α 4 working of the polygraph. 5 Okay. Α 7 When you say 'at some time later' are we Q Okay. 8 talking years later; are you able to help us out 9 on that? 03:47 10 Α I would say sometime probably before the trial. 11 And what did you become aware of? Q 12 А That Mr. Roberts had done a polygraph test on 13 Wilson. 14 I'm sorry, my question was but when did you become Q 03:47 15 aware that Chartier and Morrison -- and let me 16 back up, maybe you didn't understand my earlier 17 question. When did you become aware that the 18 interview by Inspector Roberts of Nichol John 19 and/or Ron Wilson was listened to and/or taped by 03:48 20 Officers Chartier and Morrison? 21 That I don't know. Α 22 Q And I'm sorry, earlier you said you became aware 23 at some point, and I want to make sure you weren't 24 talking about the polygraph? 03:48 25 That's what I was talking about. Α

| А | Yes, that's true. |
| Q | And when would that have been? |
| А | That would have been at some time before the |
| | trial. |
| Q | Okay. And so I'm sorry, then, the question is as |
| | far as the taping, I think and you heard |
| | Officer Chartier's evidence before this Commission |
| | about what he says he and Officer Morrison did |
| | with the hidden microphone and the taping? |
| А | I heard that. |
| Q | Okay. And my question is did you hear or become |
| | aware of that? I think you said you weren't |
| | there, you don't recall being present? |
| А | Uh-huh. |
| Q | After that did you, at a later point, become aware |

| | 6 | | tape of what either Nichol John or Ron Wilson had |
| | 7 | | said in that interview room? |

| | 13 | Q | And, what, who was that from and what was it |
| | 14 | | about? |
| 03:50 | 15 | А | Mr. Roberts came to the door of the room with Mr. |

Page 12131 = 1 Q And then I think, at this report here, it says: 2 "... and at 3:00 PM, I called at room 3 #610 of the Cavalier where Wilson picked 4 out a knife which was out of a group of 5 five, which Insp. Roberts had shown him 03:50 as being similar to the one he states he 6 7 had seen en route from Regina to 8 Saskatoon on the morning of Jan. 31st, 9 this being a reddish brown coloured bone 03:51 10 handled type paring knife." 11 And so again, Mr. Karst, did you remember; did 12 you observe Mr. Wilson picking out a knife? 13 А Not that I remember, but apparently he did, 14 because I have it written here in my report. 03:51 15 Well, and I think Mr. Wilson had picked out a 0 16 knife, I think that had been shown. My question 17 was whether you were present and observed -- do 18 you recall observing Mr. Wilson actually picking 19 out a knife? 03:51 20 In the room with Roberts? Α 21 Yes? Q 22 No, sir. |-------|----|---|---|
| | 1 | А | I was never in the room where the polygraph was, |
| | 2 | | and my best recollection is that Roberts either |
| | 3 | | gave me one knife or several, and handed it to me |
| | 4 | | and told me that Ron Wilson was prepared to give |
| 03:52 | 5 | | me a statement about these knives. |
| | 6 | Q | Okay. And was it your understanding that Mr. |
| | 7 | | Wilson had already identified a knife? |
| | 8 | А | That was my understanding. |
| | 9 | Q | Okay. Then it says: |
| 03:52 | 10 | | "Wilson was then brought to the Police |
| | 11 | | Station and at 3:30 a statement was |
| | 12 | | taken from him with regards to the above |

Page 12133 : 1 Q And after you took this statement, and I'll go 2 through the statement in detail, do you recall 3 what -- what you did with Mr. Wilson or where you took him? 4 5 Α Not specifically, no. 03:53 6 Do you remember if you took him back to the Q 7 Cavalier Hotel? 8 I have the feeling that I did, but I can't Α 9 remember. 03:53 10 And when you took this statement of Mr. 0 Okay. 11 Wilson what was your understanding, if any, as to 12 whether or not he had undergone the polygraph or a 13 lie detector? 14 I think, by the time I took the statement, I Α 03:54 15 realized that he had undergone a test. 16 And was that based on something he told you Q Okay. 17 or someone else told you? 18 Well, probably I knew by this time that the man I Α 19 met was a polygraph operator, and that's what he 03:54 20 would be doing there. 21 So did you -- did you think, then, that he had Q 22 given a statement and been tested? 23 Α I think I knew he had been tested. 24 0 And what was your understanding at the time as to 03:54 25 what a polygraph or a lie detector machine did or

| | | | |
| | 1 | | a polygraph operator did? |
| | 2 | А | As far as I knew it was to detect whether the |

| | 4 | Q | And did you have any understanding as to whether |
| 03:54 | 5 | | or not the statement and we'll go through it |
| | 6 | | that Wilson gave you on May 23rd; what was your |
| | 7 | | understanding as to whether or not that statement |
| | 8 | | or story had been tested by Mr. Roberts? |
| | 9 | А | I don't understand the question. |
| 03:55 | 10 | Q | Okay. Did you did you have now you took |
| | 11 | | this statement from Mr. Wilson? |
| | 12 | А | Right. |
| | 13 | Q | Let me just ask a few questions about that. |
| | 14 | А | Okay. |
| 03:55 | 15 | Q | And that was at the police station? |
| | 16 | А | Yes. |
| | 17 | Q | And was it question and answer or did you just |
| | 18 | | have him tell you what |
| | 19 | А | It looks like he just told me what happened. |
| 03:55 | 20 | Q | And you wrote down what he told you? |
| | 21 | А | Correct. |
| | 22 | Q | And so that information that he disclosed in this |

| | 24 | | some new information, did you is that something |

| | 1 | | earlier? |
| | 2 | А | I believe so. |
| | 3 | Q | And did you have an understanding as to whether |
| | 4 | | Mr. Wilson's statement, or this information that |
| 03:55 | 5 | | you took down, was something that Inspector |
| | 6 | | Roberts had tested for the truth? |
| | 7 | А | That's what I believed. |
| | 8 | Q | Okay. So that you had understood that what Mr. |
| | 9 | | Wilson was telling you had been tested by this |
| 03:55 | 10 | | machine in some fashion; is that fair? |
| | 11 | А | That's fair. |
| | 12 | Q | Do you recall Mr. Wilson's demeanour at this time? |
| | 13 | А | No, sir, I don't. |
| | 14 | Q | And was there anyone else in the room when you |
| 03:56 | 15 | | took this statement; do you remember? |
| | 16 | А | No, sir. |
| | 17 | Q | And then, if we could go to page 006704, I note |
| | 18 | | that the statement was sworn before a Justice of |
| | 19 | | the Peace; is that right? |
| 03:56 | 20 | А | That's correct. |
| | 21 | Q | And was that your practice at the time, to have |
| | 22 | | statements sworn? |
| | 23 | А | Not all the time. |
| | 24 | Q | Okay. And when did you do it and why? |
| 03:56 | 25 | А | When? Well I don't know what the date is there |
| | | | |

Page 12136 = 1 but --2 Oh, sorry, I'm just wondering in what Q 3 circumstances would you get a statement sworn? 4 In serious cases, and for the reason to impress Α 5 upon the witness that he could be charged with 03:57 perjury if he was lying. 6 7 And so was it a -- something you did to try and Q 8 let the witness know that they better tell the 9 truth; is that --03:57 10 Α That's correct. 11 Q And do you recall any concern by Mr. -- expressed 12 by Mr. Wilson about swearing this statement? 13 Α None. 14 We'll go to a typewritten version, 065361, please. Q 03:57 15 And Mr. Karst, this is just a typed version of the written statement you took. 16 17 Α Yeah. 18 And call out that paragraph, please. Actually, go Q 19 back to the first paragraph, I'm sorry. It says: 03:57 20 "Ron Wilson states: 21 With regards to the statement I 22 gave Inspector Riddell in Regina I now 23 have a few things to add and change." 24 And would you have had the statement he gave to 03:58 25 Riddell, do you think, when you took this Meyer CompuCourt Reporting =

Page 12137 = 1 statement? 2 No, I don't think I ever seen that statement. Α 3 0 Would you not want to know what he was adding and 4 changing from that? 5 А I probably had some idea what Riddell had found 03:58 6 out. 7 Q Okay. 8 Α But I never seen a statement. 9 It says: 0 03:58 10 "On the way from Regina to Saskatoon we stopped at Alesbury where Milgaard broke 11 12 into an elevator office. I think he 13 stole a flashlight which I have at 14 home." 15 And that was information that he had told you on 03:58 16 May 21st when you were driving back; correct? 17 That's correct. Α 18 So you already had that, just not in a statement Q 19 form? 03:58 20 That's correct. Α 21 Q Next paragraph: 22 "Also today Mr. Roberts showed me 5 small knives at the Cavalier Hotel and I 23 24 picked out a brown bone handled one 03:58 25 which I had seen Milgaard with somewhere Meyer CompuCourt Reporting =

| | 2 | | have got this knife from the Champs |
| | 3 | | Hotel where we ate that day. I don't |
| | 4 | | know just where I seen this knife on him |
| 03:59 | 5 | | but I remember it or one like it." |
| | 6 | | And this was new information; correct? |
| | 7 | А | Correct. |
| | 8 | Q | In fact the day earlier he had told you in the car |
| | 9 | | when you asked him whether he saw a knife, he says |
| 03:59 | 10 | | 'I don't recall seeing a knife on Mr. Milgaard'; |
| | 11 | | is that right? |
| | 12 | А | That's right. |
| | 13 | Q | And so now, with Mr. Roberts, he has identified a |
| | 14 | | knife, and a brown bone handled one, which I |
| 03:59 | 15 | | presume at the time you knew to be similar to the |
| | 16 | | murder weapon? |
| | 17 | А | I did. |
| | 18 | Q | And next paragraph: |
| | 19 | | "Also when we got to Saskatoon and were |
| 03:59 | 20 | | looking for Cadrain's we got stuck |
| | 21 | | earlier trying to make a "U" Turn just |
| | 22 | | after we had spoken to a young lady in a |

| | 24 | | the area where the police showed me the |
| 03:59 | 25 | | all night cafe." |
| | | | Meyer CompuCourt Reporting |

1 And I think, if we pause there, I think that is around 22nd and P, is that right, or somewhere in 2 3 that vicinity? 4 In the vicinity. Α 5 Yeah. Q I don't remember where that cafe was but --6 Α 7 And if we look at that, he had already told you Q that he got stuck. Do you remember if he had told 8 9 you it was trying to make a U-turn or not? 04:00 10 Α I don't recall that coming up before. 11 Q So the U-turn part was new, and he says: 12 "... just after we had spoken to a young 13 lady in a dark coat ... " 14 And I think your report the day before said a 04:00 15 girl, which is -- a girl and young lady, do you 16 view those as the same? 17 Yeah, young person. Α 18 Yeah, in a dark coat, and again that, was the dark Q 19 coat a new piece of information? 04:01 20 I believe. Α 21 Okay. And it says: Q 22 "This was in the area where the police 23 showed me the all night cafe." 24 And I think the day before he had already told 04:01 25 you that it was in that vicinity; is that Meyer CompuCourt Reporting =

Page 12140 = 1 correct? 2 Α Right. "She said she didn't know where Piece 3 0 Hill was and when we left Milgaard said 4 5 she was a stupid bitch." 04:01 And he had already told you that the day before; 6 7 right? 8 Α Correct. 9 "She had been walking on the passenger Q 04:01 10 side & Milgaard was the only one that spoke to her." 11 12 I think again you knew that. 13 "I should also mention that on the way 14 to Saskatoon we discussed pulling B & 04:01 15 E's, rolling someone or purse snatching 16 for money. I don't really remember if 17 this girl was carrying a purse." 18 So the discussion about pulling B & Es, rolling 19 someone and purse snatching, you knew that a day 04:01 20 or two earlier; correct? 21 That's correct. Α 22 Q Scroll down, it says: 23 "Dave & I got out to push when we got 24 stuck but we couldn't get out. Dave 04:01 25 said he'd go for help & he left & Meyer CompuCourt Reporting

| 2 | | minutes later Dave came back, kind of |
| 3 | | running & breathing heavy & got into the |
| 4 | | car." |
| <i>04:02</i> 5 | | Again, that's something that he had already told |
| 6 | | you; is that right? |
| 7 | А | That's right. |
| 8 | Q | Now, there's no mention here in this statement as |
| 9 | | to what Ron Wilson was doing while David Milgaard |
| <i>04:0</i> 2 10 | | had left the car for 15 minutes; is that correct? |
| 11 | А | That's correct. |
| 12 | Q | And do you recall discussing that with him or |
| 13 | | asking him what he was doing? |
| 14 | А | I don't recall that. |
| <i>04:0</i> 2 15 | Q | And it says that: |
| 16 | | "About 15 minutes later Dave came back, |
| 17 | | kind of running & breathing hard & got |
| 18 | | into the car. He said something to the |
| 19 | | effect that "I got her" or "I fixed |
| 04:02 20 | | her". I said "you what" and that ended |
| 21 | | the conversation." |
| 22 | | So I take it from that, that when David Milgaard |
| 23 | | returned to the car, Ron Wilson was already in |
| 24 | | it; is that right? Is that fair? |
| <i>04:0</i> 2 25 | А | It appears that way. |
| | | Mever CompuCourt Reporting |

1 Q And this is new information about David Milgaard 2 saying I got her or I fixed her, is that fair, that's new information? 3 4 I agree with that. Α 5 Q Then: 04:03 "I don't remember if Dave had his shoes 6 7 on or off when he left the car. I don't 8 remember just when we got out, if it was 9 before or after Dave came back to the 04:03 10 car that 2 men in a cream colored dodge 11 or chrysler pushed us out by hand. Ι 12 think we were stuck there about 6:30 -13 7:00 A.M." 14 And again I think that was information generally 04:03 15 that you had already received from him; is that 16 fair? 17 Yes, we had already known they had been stuck. Α 18 And it says: Q 19 "We eventually got to Cadrain's about 04:03 20 9:00 A.M. after we drove around, got a 21 map at a motel where Dave had his shoes 22 off, got stuck in a lane." 23 Scroll down, it says: 24 "At Cadrain's I changed my pants because 04:03 25 of acid on them. | | 3 | | his pants at Cadrain's, I also noticed |
| | 4 | | they were ripped up the ass." |
| 04:04 | 5 | | So the changing of the pants because of acid, |
| | 6 | | that had been that wasn't new was it? |
| | 7 | А | No. |
| | 8 | Q | However |
| | 9 | А | I don't know about his pants, but I know he |
| 04:04 | 10 | | changed his clothes. |
| | 11 | Q | However, his statement that he noticed blood on |
| | 12 | | the front of Milgaard's pants at Cadrains, that |
| | 13 | | was new information? |
| | 14 | А | It was. |
| 04:04 | 15 | Q | And in fact I think the day before and the two |
| | 16 | | days previous you asked him specifically if he saw |
| | 17 | | blood and he said no; is that correct? |
| | 18 | А | That's correct. |
| | 19 | Q | And what did you make of it that he was now saying |
| 04:04 | 20 | | okay, I saw blood? |
| | 21 | А | He's finally coming out with more information. |
| | 22 | Q | And did that concern you, that he wouldn't have |
| | 23 | | told you that the day before, the two days before? |

Α 5 -- that it was not unusual in your view for him to 04:04 Q withhold some further incriminating evidence? 6 7 I concur with that. Α 8 So that you didn't find anything unusual 0 Okay. 9 that -- or let me rephrase that. When he gave you 04:05 10 some incriminating evidence, did you expect to get it all in one shot? 11 12 Α I can't say I did or I didn't. 13 0 And then it goes on to say: 14 "On the way to Calgary -- " 04:05 15 If you could scroll down: 16 "On the way to Calgary Nicky found a 17 white or cream colored compact with 18 flower design, I'm not just sure about 19 the color. She found this someplace in 04:05 20 the car. She asked Dave who's it was 21 and I don't know what he said, he just 22 took it and threw it out the window." This compact, 23 Let me pause there for a moment. 24 and this is new information; is that right? 04:05 25 Α That's right.

Page 12145 = 1 Q And would this be the first time you ever heard 2 about a compact being thrown out of the Milgaard 3 vehicle? I believe so. 4 Α 5 And had you heard that from anybody else then? 04:05 Q 6 No. Α 7 And would this be significant? Q 8 Α Very much so. 9 In what way? Q 04:06 10 Α Well, if they had just stolen a girl's purse or 11 anything of that nature, there may have been a 12 compact in it. 13 0 Okay. And then: 14 "I remember on the road to Calgary Nicky 04:06 15 would scream every now & then, I don't 16 know what was the matter with her." 17 And I think that may have been a new piece of information; is that --18 19 Α That's right. 04:06 20 And did you find, did you view that as being 0 21 potentially incriminating? 22 Α I do. 23 0 Next page, please, and then he says: 24 "At Calgary we went to the bus depot, 04:06 25 Nicky & Shorty stayed that is Dave & I.

1 Α Yes. 2 0 And that you were going to record it in a 3 statement? 4 That's correct. Α 5 And would you describe the taking of this 04:07 Q statement from Ronald Wilson, and on the one 6 7 extreme would be a scribe writing down what he 8 told you and the other extreme would be you 9 questioning him and getting further information. 04:08 10 Can you tell us where in that spectrum it might have been or what it was? 11 12 Α Probably in between. 13 0 So in part you were writing down what he was 14 telling you? 04:08 15 Probably I was asking questions too. Α 16 Okay. And so do you know whether or not some of Q 17 this information in this statement may have been 18 information that he hadn't even told Inspector 19 Roberts? 04:08 20 That could be. I don't know. Α 21 And this information here about his Q Okay. 22 discussion in Calgary and Mr. Milgaard telling 23 Mr. Wilson that he had hit a girl, grabbed her 24 purse, etcetera, and jabbed her, do you recall how 04:08 25 that came out?

by Mr. Hodson Vol 61 - Tuesday, August 23rd, 2005 Page 12148 = 1 No, sir, I don't. It looks like he just Α 2 voluntarily come out with it. 3 Prior to -- prior to getting this information, had 0 4 you heard this theory or story anywhere else, that 5 Mr. Milgaard had made this statement to Mr. Wilson 04:09 in Calgary? 6 7 No, I didn't. Α 8 Had you talked to Mr. Wilson prior to this 0 9 statement about the fact that a purse was found in 04:09 10 a trash can? 11 Α No, I hadn't. 12 Q And why not? 13 Α As I said before, you let them tell you. You 14 can't -- you shouldn't implant things like that in 04:09 15 their mind, let them tell you. 16 So, for example, if the day prior, and I'm not Q 17 suggesting this, Mr. Karst, this is an example, if 18 the day before you had said to Ron Wilson her 19 purse was found in a trash can right by where the 04:09 20 body was found, are you saying then that if the 21 next day he gives you a statement with that in 22 there --23 Α That's correct, it's very easy for him to say 24 that's where the purse was because I've already 04:10 25 told him.

| A | No, sir. |
| Q | Do you know if any other police officer would have |

| A | I'm sure I would. |

| 1 | Q | And did you know that Nichol John was being |
| 2 | | interviewed by Inspector Roberts the same day that |
| 3 | | Mr. Wilson was? |
| 4 | А | No, I did not, until afterwards. |
| 04:11 5 | Q | And then he adds at the end: |

| 11 | | And is that something do you recall Mr. Wilson |

| 13 | А | As it's recorded there. |
| 14 | Q | And again, Mr. Karst, you would agree that in this |

| 16 | | further new information than what you had known |

| 18 | А | That's correct. |
| 19 | Q | And do you recall after having taken this |

| 21 | | concerns about the credibility of what he had |
| 22 | | said? |
| 23 | A | I don't think I had. |
| 24 | Q | Okay. Did the fact that Mr. Wilson had undergone |

|-----------------|---|--|
| 1 | | the credibility of this statement? |
| 2 | А | I believe it may have. |
| 3 | Q | In what way? |
| 4 | А | Well, if this machine is supposed to be able to |
| <i>04:12</i> 5 | | detect lies, I think it should be, have some |
| 6 | | bearing on your thinking. |
| 7 | Q | And did you have an understanding then that what |
| 8 | | Wilson had to say had been in some way tested or |
| 9 | | verified by Inspector Roberts? |
| <i>04:12</i> 10 | А | My understanding was that from what Wilson said |
| 11 | | was to be the truth. |
| 12 | Q | And on what I'm sorry, and on what basis did |
| 13 | | you believe that? |
| 14 | А | Well, if it would have been lies, or thought to be |
| <i>04:13</i> 15 | | lies, I don't think Inspector Roberts would have |
| 16 | | said he's picking out a knife, there would be no |
| 17 | | point in that. |
| 18 | Q | Yeah. Just so that I understand then, you placed |
| 19 | | some weight on the fact that Inspector Roberts had |
| <i>04:13</i> 20 | | undertaken a test of Mr. Wilson; is that fair? |
| 21 | А | That is correct. |
| 22 | Q | Now, the records indicate that Nichol John was |
| 23 | | brought back to Saskatoon by Mr. Mackie I believe |
| 24 | | on the 22nd of May and that she was interviewed |
| 04:13 25 | | with Inspector Roberts, or interviewed by |

K

| | | |
| 1 | | Inspector Roberts on the 23rd of May, and do you |
| 2 | | recall meeting Nichol John or interviewing her on |
| 3 | | the 23rd of May or when she was in Saskatoon? |
| 4 | А | I don't. |
| <i>04:13</i> 5 | Q | Did you know that she was being interviewed by |
| 6 | | Inspector Roberts on the 23rd at some point? |
| 7 | А | Later on I learned that. |
| 8 | Q | Later on that day or later on |
| 9 | А | No, later on in the investigation. |
| <i>04:14</i> 10 | Q | Okay. And when and how did you become aware of |
| 11 | | that? |
| 12 | А | I can't answer that. I don't know. |
| 13 | Q | So once you were done with Mr. Wilson, do you |
| 14 | | remember what you did with him? Once you got the |
| <i>04:14</i> 15 | | statement I take it at that time the statement |
| 16 | | that he gave you, in your mind would it be fair to |
| 17 | | say that you would have viewed Mr. Milgaard as a |
| 18 | | bit more than a suspect, that perhaps this was |
| 19 | | enough to charge him? |
| 04:14 20 | А | It was beginning to look like he was more |
| 21 | | incriminated than I had originally known him to |
| 22 | | be. |
| 23 | Q | And would you have delivered the handwritten |
| 24 | | statement to somebody or phoned them and said |

| | 1 | | with this information? |
| | 2 | А | I don't know, but it would go in the file. |
| | 3 | Q | And you had earlier that day dropped off I think, |
| | 4 | | or went with Wood and Short and perhaps Penkala to |
| 04:15 | 5 | | the Cavalier Hotel; is that correct? |
| | 6 | А | That's correct. |
| | 7 | Q | And what did you understand they were doing there? |
| | 8 | А | I really didn't know until I brought Wilson there |
| | 9 | | and then I found out and they obviously told me |
| 04:15 | 10 | | they were conducting a polygraph test. |
| | 11 | Q | And when you were done with Mr. Wilson, did you |
| | 12 | | know if any of those senior officers were still at |
| | 13 | | the Cavalier or where they were? |
| | 14 | А | I don't know, sir. |
| 04:15 | 15 | Q | And I take it when you took Mr. Wilson's |
| | 16 | | statement, the May 23rd statement, there were |
| | 17 | | pieces of information in there where he made, or |
| | 18 | | provided information about what Nichol John either |
| | 19 | | said or did or heard; is that fair? |
| 04:16 | 20 | А | That's fair. |
| | 21 | Q | And I take it then as an investigator, that one |
| | 22 | | step would be to see whether or not she would |
| | 23 | | corroborate that; is that fair? |
| | 24 | А | That's fair. |
| 04:16 | 25 | Q | And so if Ron Wilson said Nichol John said or did |
| | | | Meyer CompuCourt Reporting |

Page 12154 1 something and Nichol John corroborated it, that 2 might suggest that it's -- it may be truer; is that fair? 3 That's fair. 4 Α 5 And if Nichol John had a different version, then 04:16 Q 6 that might cause you concern; is that fair? 7 That's fair. Α 8 0 And so again, and I don't need to go back to the 9 statement, but certainly the fact of getting stuck 04:16 10 and Mr. Milgaard leaving the car, that's something that again you would expect if Mr. Wilson is 11 12 telling the truth, that Nichol John would also say 13 that happened? 14 If it's true, she would substantiate it. Α 04:16 15 And similarly when Mr. Milgaard came back and said 0 16 "I fixed her" or something that Wilson heard, you 17 would check to see if Nichol John heard that as 18 well? 19 Α Yes. 04:17 20 And Ron Wilson's statement said that Nichol had 0 21 found a compact and it had been thrown out the 22 window. Do you remember that? 23 Α I remember that. 24 0 So that's something again you would check with 04:17 25 her, or someone would check with her?

| | | | |
| | 1 | А | Yes. |
| | 2 | Q | And that on the trip Nickey screamed I think he |
| | 3 | | said, that's something again you would check with |
| | 4 | | her? |
| 04:17 | 5 | А | I would. |
| | 6 | Q | And that in Calgary Ron Wilson said that David |
| | 7 | | Milgaard had admitted stabbing a girl and throwing |
| | 8 | | the purse in the trash can and that he went on to |
| | 9 | | tell you as well that he told Nichol that in |
| 04:17 | 10 | | Calgary and Nichol said she already knew. Do you |
| | 11 | | remember that? |
| | 12 | А | That's correct. |
| | 13 | Q | So again that's something that you would want to |
| | 14 | | check or someone would want to check with |
| 04:17 | 15 | | Nichol John; is that fair? |
| | 16 | А | Yes. |
| | 17 | Q | If we could go back to 009264, please, go to page |
| | 18 | | 267, and again this just details your report, I |
| | 19 | | don't propose to go through it, you talk about him |
| 04:18 | 20 | | being brought to the police station and some of |
| | 21 | | the information that's added in the statement. Do |
| | 22 | | you see that? |
| | 23 | А | Yes. |
| | 24 | Q | And the next page, please, in your report, we can |
| 04:18 | 25 | | just call out that part, please. So your report |
| | | | Meyer CompuCourt Reporting |

F

04:20 25

| | 1 | | talks about the statement and goes on to describe |
|-------|----|---|--|
| | | | |
| | 2 | | what's in the statement. Then the next entry is |
| | 3 | | the morning of May 24th, further interviews were |
| | 4 | | again held with Wilson, and I'll deal with that a |
| 04:19 | 5 | | bit later, but there's nothing in your report as |
| | 6 | | to what happened after you've got the statement; |
| | 7 | | would you agree with that? |
| | 8 | А | I would agree with that. |
| | 9 | Q | And as far as Nichol John is concerned, there is |
| 04:19 | 10 | | not a police report at least that we have that |
| | 11 | | details what happened with her on May 23rd, and |
| | 12 | | Mr. Mackie prepared a report that details some of |
| | 13 | | his dealings with her, but there's no mention of |
| | 14 | | what happened with her on that day, and again do |
| 04:19 | 15 | | you have any recollection or knowledge, of your |
| | 16 | | own knowledge as to what happened with Nichol John |
| | 17 | | on that day when Inspector Roberts was in town? |
| | 18 | А | No, sir, I don't. |
| | 19 | Q | And did you become aware I think the record |
| 04:20 | 20 | | indicates that on May 23rd, after meeting with Ron |
| | 21 | | Wilson, Inspector Roberts met with Nichol John and |
| | 22 | | in the course of that interview he says that |
| | 23 | | Nichol John admitted to seeing, to witnessing the |
| | 24 | | murder and to seeing David Milgaard stab the girl |

and then a statement was taken the next day. Do

— Meyer CompuCourt Reporting —

Page 12157 : 1 you recall becoming aware about that information 2 on May 23rd or around that time? I became aware it was sometime later, but I don't 3 Α 4 know just when, but it wasn't that day. 5 And what causes you to say that? 04:20 Q 6 To say what? Α 7 That you didn't find out that day. Q 8 Because I know it was sometime later before I Α 9 found out. 04:20 10 And do you remember how you found out or --0 11 Α Obviously somebody told me. 12 Q And I take it that as far as this investigation 13 was concerned, the fact that someone was now 14 claiming to have witnessed the murder and 04:21 15 identifying David Milgaard as the killer, that 16 that would be a significant piece of information? 17 I think so. Α 18 And, I mean, the next day you took a statement Q 19 from Ron Wilson. Do you think you would have 04:21 20 heard about it then at the police station? 21 I think it might have been later. Α I just can't 22 tell you when. 23 0 Now, the record also indicates that the interview 24 with Roberts and Nichol John was on May 23rd in the afternoon and her written statement, which was 04:21 25

| | 3 | | and I appreciate this I think you've told us |
| | 4 | | you didn't have any dealings with her, but whether |
| 04:21 | 5 | | it would be unusual to not take her statement |
| | 6 | | until the next day. Is that something that you |
| | 7 | | would find to be unusual? |
| | 8 | А | I don't know. Maybe Staff Sergeant Mackie had |
| | 9 | | some reason for that, maybe he was too busy. I |
| 04:22 | 10 | | don't know. |
| | 11 | Q | If, for example, and again if in the afternoon |
| | 12 | | when Inspector Roberts is here and Nichol John |

| | 14 | | murder, do you not think that would be something |
| 04:22 | 15 | | that the police would want to get down in a |

| | 17 | А | You mean right now or at that day? |
