1 Transcript of Proceedings 2 (Reconvened at 9:00 a.m.) 3 COMMISSIONER MacCALLUM: Good morning. ALL COUNSEL: Good morning. 4 5 LARRY EARL FISHER, continued: 09:02 6 BY MR. HODSON: 7 Morning, Mr. Fisher. I just wanted to touch on a Q 8 couple of matters that came up yesterday. 9 first, I had asked you yesterday about a call, 09:02 10 whether you had ever talked to Albert "Shorty" 11 Cadrain, and you had told us about a call, I think 12 you said you thought it was in 1996, and I think 13 you told us you happened to be at Mr. Cadrain's 14 daughter's house and Mr. Cadrain called by 15 coincidence, or words to that effect; is that 09:02 16 right? 17 Α Yes. 18 And I think I asked you about how it came to be Q 19 that you were at Shorty Cadrain's daughter's house 09:03 20 and you told us that you didn't want to get into 21 And I understand, sir, and I just want to it. 22 clarify this with you, it's my understanding that 23 your wife at the time had reason to be at Shorty 24 Cadrain's daughter's house for matters unrelated to this case; is that fair? 09:03 25

			Page 14416 —————
	1	А	Yes.
	2	Q	And that it was a coincidence that you were there
	3		that day, at Shorty Cadrain's daughter, I mean you
	4		didn't go there to see Shorty Cadrain's daughter;
09:03	5		is that fair?
	6	A	No.
	7	Q	And that while you were there Mr. Cadrain happened
	8		to call her; is that right?
	9	А	Yes.
09:03	10	Q	And is your reluctance to get into that is
	11		because these people are not involved in this
	12		matter; is that fair?
	13	A	Yes.
	14	Q	Secondly, Mr. Commissioner, yesterday I had
09:03	15		referred to a Mr. Ken McKay in a letter, I think
	16		the March 17th letter, and I referred to him I
	17		think as the Deputy Attorney General. He was not
	18		the Deputy Attorney General, he was a Crown
	19		solicitor with the Deputy Attorney General's
09:04	20		department, so just to clarify that.
	21		COMMISSIONER MacCALLUM: Okay.
	22		BY MR. HODSON:
	23	Q	If we can go back, I think yesterday when we
	24		finished we were talking about Fort Garry, and I
09:04	25		just want to go through parts of your evidence at
		I	

1	the Supreme Court on that. And you will recall,
2	Mr. Fisher, that we went through your arrest in
3	Fort Garry, confessing to the Fort Garry crimes,
4	confessing to some of the Saskatoon offences, and
09:04 5	pleading guilty. And if I could call up 197598,
6	please, and this is March 11th in the Supreme
7	Court. If we could go to 197649, please. And I
8	want to just go through, Mr. Fisher, you were
9	questioned about this 13 years ago, in 1992, about
09:04 10	what happened in Fort Garry, and I just want to go
11	through this and ask you if this is still accurate
12	today. And this is your counsel, Mr. Beresh,
13	questioning you:
14	"Q When you were arrested, did the police
15	raise another allegation to your
16	attention in or around Winnipeg or Fort
17	Garry?
18	A They may have.
19	Q Do you remember admitting to another
20	one?
21	A Yes, sir.
22	Q I take it you weren't forced to admit to
23	that.
24	A No, I was not.
25	Q The police didn't brainwash you.

Page 14418

		——————————————————————————————————————
1	А	No, they didn't.
2	Q	They didn't coerce you in any way.
3	A	No, they didn't.
4	Q	Voluntarily admitted to it?
5	A	Yes, sir.
6	Q	Then when you were in police custody
7		and this is not too clear from the
8		record it seems you were at Fort
9		Garry.
10	А	Yes, sir.
11	Q	You were spoken to by the Fort Garry
12		police.
13	А	Yes, sir.
14	Q	Then subsequently a detective from
15		Saskatoon came to see you.
16	A	Yes, sir.
17	Q	Tell us your recollection of how that
18		came about. How did any issue about
19		Saskatchewan come, first of all, to the
20		attention of the Fort Garry or the
21		Winnipeg city police?
22	A	I brought it to their attention.
23	Q	How did you do that?
24	A	I wanted to clear my name and clear up
25		all the offences.
		1

			ŭ
1		Q	When Detective Karst came to see you, do
2			you remember what you talked about, how
3			many charges you talked about?
4		А	I told him all the charges.
5		Q	The reason I ask is that there is some
6			material which says you denied some
7			charges in Saskatoon, and you admitted
8			some others. What is your recollection
9			of that?
10		А	I admitted to the ones I committed.
11		Q	Would the police have known about any of
12			these other charges that would have
13			linked them to you had you not told
14			them?
15		А	They probably wouldn't have.
16		Q	What is your recollection about the
17			number of statements you gave
18			implicating yourself in the Saskatoon
19			charges?
20		А	For every one I admitted I gave a
21			statement to Mr. Karst."
22		And agai:	n, that part that I have read you, is
23		that acc	urate and truthful Mr. Fisher?
24	A	Yes.	
25	Q	Then to	page 197653. And then you are asked the
			1

09:06

	1		question, again this is Mr. Beresh talking about
	2		when you were in Prince Albert, and I think this
	3		is after you were sentenced in Manitoba:
	4		" did anyone ever come to talk to you
	5		or take a statement from you?
	6		A No way."
	7		And just to clarify that, I think this refers to
	8		yesterday you told us, after you were convicted
	9		in Winnipeg, you then went to Stoney Mountain for
09:07	10		a short period and then to the Prince Albert
	11		Penitentiary, is that right, where you served
	12		your time?
	13	A	Yeah.
	14	Q	And at the Supreme Court, Mr. Fisher, your counsel
09:07	15		asked you:
	16		"When you were in Prince Albert, did
	17		anyone come to talk to you or take a
	18		statement from you?"
	19		And your answer then was:
09:07	20		"No way."
	21		And is that truthful and accurate?
	22	A	Yes.
	23	Q	And:
	24		"Q So then all the statements were given in
	25		Manitoba.

		——————————————————————————————————————
1	А	Yes, sir.
2	Q	There is some issue raised about you
3		pleading guilty to the four charges in
4		Regina.
5	A	No way.
6	Q	You remember pleading guilty to them in
7		
8	A	I pled guilty when I went to
9		Regina.
10	Q	Did you have anything to do with the
11		arrangements of that?
12	А	No, I did not.
13	Q	You were in Prince Albert, your lawyer
14		was in Winnipeg, Mr. Keeawa was in
15		Regina
16	А	Yes, sir.
17	Q	as I understand the triangle.
18	А	That was it.
19	Q	Was it ever put to you that you had a
20		choice as to where you would go?
21	А	No.
22	Q	Were you ever told, "Gee, we don't want
23		you to go to Saskatoon because we don't
24		want any publicity there"?
25	A	No way.
		•

1	Q	By the way, sir, with regards to those
2		charges that you concluded in Manitoba
3		and in Saskatchewan, did you ever
4		suggest to the police someone else did
5		it?
6	А	No, I did not.
7	Q	Did you ever give them the name of
8		somebody that they might run after and
9		
10	А	No, I did not.
11	Q	Did you ever try to make any deals on
12		them; that is, deal somebody else off
13		for one or two of them?
14	А	No, I did not."
09:08 15	Next pag	e:
16	"Q	Were you advised by your lawyer Mr.
17		Greenberg that you didn't have to plead
18		to the Saskatchewan charges, that is,
19		you got a professional opinion because
20		statements might not be admissible, that
21		sort of thing?
22	А	I can't really remember. I pled
23		guilty because I committed the
24		crimes."
09:08 25	And agai	n, is the part that I read to you, is
		Meyer CompuCourt Reporting

			——————————————————————————————————————
	1		that accurate and truthful?
	2	A	Yup.
	3	Q	I wonder if we could go ahead, 197735, please.
	4		And this is where you are examined by Mr. Wolch,
09:09	5		who was counsel for David Milgaard, and he asked
	6		you some questions about Fort Garry. And he says:
	7		"Q You have told us under oath that it was
	8		your desire to clean the slate."
	9		I think this was earlier when you talked about
09:09	10		that.
	11		"Do you still maintain that
	12		position?
	13		A Yes, I do.
	14		Q In spite of the fact that you clearly
	15		denied the pre-Gail Miller
	16		offences?
	17		A I still admitted to them.
	18		Q How did that come about later?
	19		A I do not know. It is a long time ago.
	20		I can't really put it all together."
	21		And is that truthful?
	22	A	Yes.
	23	Q	And I think that's what you told us yesterday, Mr.
	24		Fisher, that you are not able to explain (a)
09:09	25		whether you did initially deny two Saskatoon

	1		offences, and secondly, how you came about to
	2		admitting those later?
	3	А	Yes.
	4	Q	That's right, you can't explain that today? No?
09:09	5	А	(Shakes head negative) No.
	6	Q	Okay. I just need 'no' for the record, sir.
	7	А	No.
	8	Q	And then to page 197732. And, again, this is
	9		Mr. Wolch questioning you:
	10		"Q There is no statement at this point in
	11		time regarding (V1)- and (V2), the
	12		two rapes that occurred pre-Gail Miller.
	13		Did Detective Karst, to your memory, ask
	14		you about those?"
	15		Next page:
	16		"A I am not sure. That was a long time
	17		ago.
	18		Q But clearly you didn't own up to them,
	19		did you?
	20		A I admitted to them, yes.
	21		Q Later, but not to Karst?
	22		A I don't know who it was."
	23		And, again, is that accurate and truthful
	24		information?
09:10	25	А	Yes.

	1	Q	To page 197728. And just before I go through
	2		these questions, Mr. Fisher, the of the four
	3		Saskatoon offences, the two that you signed
	4		confessions for on October 22nd, 1970 were the one
09:11	5		occurred after the Gail Miller murder, one
	6		occurred before the Gail Miller murder, the two
	7		that there are not confessions in the records for
	8		are both before Gail Miller, and that's what the
	9		record reflects. And here's the question from
09:11	10		Mr. Wolch:
	11		"Q I am suggesting to you that you
	12		deliberately left out the ones that
	13		preceded the death of Gail Miller."
	14		And I think this is referring to the two, the
09:11	15		first two rapes, the $(V1)-$ and $(V2)$ rapes
	16		where it appears confessions were not given on
	17		October 22nd when you confessed to the other two.
	18		And your answer is:
	19		"A I just cleaned these up the way they
	20		came to my mind at the time.
	21		Q Is it your evidence, then, that you did
	22		not remember the first three attacks?
	23		Or is it your evidence that you
	24		deliberately withheld them?
	25		A No, I didn't deliberately withhold

1 them. 2 0 So you couldn't remember them? 3 I can remember all my charges. Α 4 don't know which place they go, or 5 what time they go, or which date. So you get them mixed up. 6 0 I have never looked at the dates or Α the times before." 8 9 And is that accurate and truthful? 09:12 10 Α Yes. Now if I could call up 020210. Mr. Fisher, this 11 12 is an affidavit from a fella named Lorne Huff. 13 Mr. Huff was one of the detectives who was 14 involved in your arrest in Fort Garry and he was 09:12 15 the individual that you gave your original 16 statement on September 19th, 1970, that was the 17 statement where you confessed to the (V8)--- and 18 then to the (V7)--- rape, okay, he was the fellow 19 who you gave that to. Then, on October 21st, 09:12 20 1970, you also gave Detective Huff a confession 21 for the two Saskatoon offences, the (V3)---- and 22 (V5)---, and as well as a third one in Winnipeg, 23 and that's what I showed you yesterday. So that's 24 Mr. Huff, and Mr. Huff filed this affidavit before 09:12 25 the Supreme Court in 1992 in the David Milgaard

1 matter, and I just want to ask you about a 2 paragraph in this affidavit. If you could go to 3 the next page and you will see here, in paragraph 3, Mr. Huff says: 4 5 "In the course of my duties as a police 09:13 officer I interviewed Larry Fisher and 6 7 obtained a statement from him on the 8 21st day of October 1970 and which 9 statement I am informed has been filed 09:13 10 in this Reference ... ", 11 and then the next -- and just so I can pause 12 there, Mr. Fisher, that was the -- when you first 13 confessed to the Saskatoon offences, that's the 14 statement. And if we can scroll down, it says: 09:13 15 "During the course of the interview 16 Larry Fisher advised my partner and I 17 that he had committed four of five additional indecent assaults in the Fort 18 19 Rouge area which he had been frequenting 09:13 20 during that period of time. 21 indicated that he had grabbed and felt 22 the women in the breast area and when 23 they screamed he ran off." 24 "These admissions were in addition to 09:14 25 the Winnipeg offences referred to in the

			. ago <u></u>
	1		written statement."
	2		And Mr. Fisher, I'm asking you, did you tell
	3		Detective Huff and Gilbert about some other
	4		incidents as described in this affidavit?
09:14	5	А	No. I only told them about the three in Winnipeg.
	6	Q	Okay, and the three being the $(V8)$ and $(V7)$,
	7		and then the third one was I think you said you
	8		grabbed a girl in Winnipeg and then she ran off,
	9		is that right, the one in the October 21
09:14	10		statement?
	11	А	Uhh, yeah.
	12	Q	If you like I can bring do you want me to bring
	13		that statement up?
	14	А	No, there was only three there in Winnipeg, not
09:14	15		these.
	16	Q	Okay. So he says here that you admitted to four
	17		or five additional indecent assaults in the Fort
	18		Rouge area; do you have any recollection of
	19	А	No.
09:14	20	Q	attempting to assault women or assaulting women
	21		in that area as Mr. Huff describes?
	22	А	No.
	23	Q	Is it possible you did and you don't recall it
	24		today?
09:14	25	A	No.

			1 age 17729
	1	Q	So your evidence, sir, is that you did not tell
	2		Detective Huff that you grabbed and felt women in
	3		the breast area on four or five occasions?
	4	А	Yes.
09:14	5	Q	Okay. And are you telling us that, Mr. Fisher,
	6		because you have a recollection of your interview
	7		with Mr. Huff or are you telling us that because
	8		you don't have a recollection of assaulting any
	9		women in the Fort Rouge area?
09:15 1	0	А	No.
1	1	Q	Or both?
1	2	А	I don't have any recollection of doing it.
1	3	Q	Is it possible that you did and that you don't
1	4		recall today those incidents?
09:15 1	5	А	No.
1	6	Q	Next I want to call up a letter, 020185, and this
1	7		is a letter May 29th, 1971, and that's your
1	8		handwriting and your signature at the bottom is
1	9		it?
09:15 2	.O	A	Yup.
2	11	Q	And this would be the day after you were convicted
2	22		in Winnipeg for the Fort Garry charges and
2	23		sentenced to 13 years and this is a letter to your
2	24		wife at the time, Linda, and there's just one
09:16 2	!5		comment here I want to ask you about, if you can
			Meyer CompuCourt Reporting

	1		call out that section. And actually, if we can
	2		just go to the top, the top starts off:
	3		"I suppose by now you've heard about how
	4		my case turned out, but in case you
09:16	5		didn't I'll let you know."
	6		And you go on and talk about the charges, or the
	7		sentence. If you can scroll down, please, and
	8		then it says here:
	9		"I don't know what is going to happen
09:16 1	0		about the two charges back home, but all
1	1		I know is they're going to be pretty
1	2		stiff."
1	3		And I'm wondering, Mr. Fisher, it only refers to
1	4		two charges here. Are you able to tell us why
09:16 1	5		you would have put two charges in this letter
1	6		rather than the four you were facing at the time?
1	7	А	No.
1	8	Q	No recollection?
1	9	А	No.
09:16 2	20	Q	If we can go to 039739, please, and this is a
2	21		letter dated May 14th, 1993 regarding it
2	22		appears that you were asked to give comments on
2	23		two issues here:
2	24		1. How did the Saskatchewan Police
09:17 2	25		Force treat me upon arrest or transfer.

	1		2. How did the Manitoba Police Force
	2		treat me upon arrest, transfer to and
	3		from court, interviews, etc"
	4		Do you remember putting this information down,
09:17	5		Mr. Fisher, about your treatment? Maybe I'll go
	6		through it first and read it and then ask you.
	7		It goes as follows:
	8		"SASKATCHEWAN POLICE FORCE no problems
	9		whatsoever" except in 1980 when I
09:17	10		was put on display by an officer
	11		(R.C.M.P.) in North Battleford when he
	12		brought a tour through the holding
	13		cells. As for the change in venue from
	14		Saskatoon to Regina, I have no idea why
09:17	15		it was transferred there. You may have
	16		to contact my lawyer, Mr. Lawrence
	17		Greenburg, my attorney at that time."
	18		And is that accurate, Mr. Fisher?
	19	A	Yup.
09:18	20	Q	And then you say:
	21		"WINNIPEG POLICE FORCE FORT GARRY AND
	22		HEADINGLEY INSTITUTION"
	23		During my incarceration at this facility
	24		I was abuse and was placed in an
09:18	25		uncompromising situation. There were
			4

1 hair samples taken and subjected to 2 being kicked and beaten up. I was then thrown into a vehicle with excessive 3 force and thrown into a holding cell. 4 Ι 5 was chorused into giving a statement 09:18 without legal counsel present." 6 7 And if I can pause there. Is that accurate and 8 truthful? 9 Α Yes. 09:18 10 And then: "HEADINGLEY INSTITUTION: 11 Mr. Alexander 12 and his partner (provincial officer) 13 laid a beating on me with their fists 14 and boots, while I was handcuffed the 09:18 15 first night I was there. This abuse was 16 carried by the same two officers, that 17 while shaving to go to Court, I was 18 kicked, beaten with a baton and punched. 19 Also they threw me into the remand cage 09:18 20 and left in the vicinity. I was left in 21 the cage in the hopes that I would be 22 beaten up by the other inmates. 23 also threw me into cage 9, stripped me 24 and cuffed me to the floor." 09:19 25 Again, is that accurate and truthful?

			——————————————————————————————————————
	1	A	Yes.
	2	Q	And then down at the bottom, is that your
	3		signature to this letter?
	4	A	Yes.
09:19	5	Q	If I can then go to 062 pardon me, 061960,
	6		please, and this is the July 12th, 1990 interview.
	7		I referred to it yesterday where Mr. Williams and
	8		Sergeant Pearson interviewed you under oath, I
	9		think at the Regional Psych Centre. You recall
09:19	10		that interview?
	11	A	Yup.
	12	Q	If we can go to page 062072, down at the bottom
	13		Mr. Williams asked:
	14		"Mr. Williams: You're memory for that is
09:19	15		much better than mine?
	16		Mr. Fisher: It's pretty hard to forget the
	17		a lickings I got then."
	18		Actually, let me just scroll back up, I'll read
	19		the previous question. Mr. Williams says:
09:20	20		"Mr. Williams: I understand that you were
	21		arrested on or about October 18, 1970."
	22		I think that's off by a month. And then you say:
	23		"Mr. Fisher: It's pretty hard to forget a
	24		the lickings I got then.
09:20	25		Mr. William: From whom?
			•

			G
	1		Mr. Fisher: I got a little whipping from a
	2		Mountie and I also got a lickin' from
	3		the officers at Headingly and then I
	4		also got a lickin' from the guys on
09:20	5		remand from Headingly.
	6		Mr. Williams: Why?
	7		Mr. Fisher: Two of the officers there
	8		attending me didn't like the charge I
	9		was in on.
09:20	10		Mr. Williams: And why did the remand
	11		prisoners take objection to you being
	12		there?
	13		Mr. Fisher: The officers didn't like us, or
	14		me in particular so they threw me in the
09:20	15		cage alone and they took a walk.
	16		Mr. Williams: And what beef did the other
	17		prisoners in remand have against you?
	18		Mr. Fisher: I do not know. I didn't stick
	19		around long enough to think about it.
09:20	20		All I knew is one thing there when you
	21		get that many guys coming on you you'd
	22		better make sure you fight."
	23		Again, is that accurate and truthful information
	24		you provided at the time?
09:21	25	A	Yes.

			r ago 77.765
	1	Q	I would now like to turn to (V10) (V10)-, and just
	2		for the record, Mr. Fisher, you pled guilty to a
	3		number of charges in connection with the attempted
	4		murder and rape of (V10) (V10)- in North
09:21	5		Battleford; is that correct?
	6	А	Yes.
	7	Q	And if we could call up 156204, this information
	8		is sworn April 3rd, and you were charged with the
	9		attempted murder of (V10) (V10)- and then two
09:21	10		counts of rape and then a charge of committing an
1	11		act of gross indecency; is that correct?
1	12	А	Yes.
1	13	Q	And then I believe on June 11th, 1981 you were
	14		convicted, pled guilty to and convicted of
09:22	15		attempted murder and one count of rape; is that
1	16		correct?
1	17	А	Yes.
1	18	Q	And you were sentenced to 10 years concurrent for
1	19		those two charges; is that correct?
09:22 2	20	А	Yes.
2	21	Q	It's my understanding, did those charges go
2	22		through a preliminary hearing before you pled
2	23		guilty; do you recall that?
2	24	А	Yes.
09:22 2	25	Q	And then after the preliminary hearing you entered

1 a guilty plea; is that correct? 2 Α Yes. 3 I just want to put to you one part of (V10) (V10)-'s statement that she made and this has been 4 5 put to you before, I think at the Supreme Court. 09:22 If we could call up 071326, and this is the 6 statement that (V10) (V10) - provided to the police shortly after the attack on April 2nd, and if you 8 9 could go to page 071329, and the statement reads: 09:23 10 "О How much conversation did you have with him --" 11 12 And this is talking about you, 13 "-- and during this conversation was he 14 excited, vulgar, or was he very 09:23 15 passive?" 16 She answered: 17 "A He wasn't, uh -- Oh, I guess at times he 18 was vulgar. He wasn't, I would say, 19 excited, but I begged and begged him to 09:23 20 let me go, why did he do these stupid 21 things and it just seemed to run off him 22 like water off a duck, he just didn't 23 listen to anything. He did say that he

spent ten years for doing the same

thing, only he said, "I split her

24

09:23 25

	1		throat."
	2		And you are aware, sir, that (V10) (V10)- had
	3		made that allegation that you made those remarks
	4		to her?
09:23	5	A	Yes.
	6	Q	And did you make those remarks to her?
	7	A	No.
	8	Q	Did you make a remark to her similar to what she
	9		says in this statement?
09:23	10	А	No.
	11	Q	If we could go to 197673, please, and this is your
	12		evidence at the Supreme Court of Canada in 1992 on
	13		the reference case and you are being asked
	14		questions by your counsel, Mr. Beresh, and he
09:24	15		says:
	16		"Q Just so you know, Mr. Fisher, for the
	17		record, the circumstance and the event
	18		are admitted."
	19		Which is the (V10) (V10)- matter.
09:24	20		"There is just one matter which is in
	21		issue. I want to ask you about that.
	22		During the time of this event
	23		occurred in North Battleford, do you
	24		recall what you said to the complainant
09:24	25		about first of all, I want to deal

			——————————————————————————————————————
	1		with about what harm you might inflict
	2		on her. Do you remember what words you
	3		might have used?
	4	А	During what time?
09:24	5	Q	During the time of the assault in North
	6		Battleford.
	7	А	Words of violence to put fear into
	8		her.
	9	Q	Do you remember the specific words you
09:24	10		might have used?
	11	А	"I've got a knife. Keep quiet or I'll
	12		slit your throat."
	13	Q	Did you use that expression "I'll slit
	14		your throat"?
09:25	15	А	Yes, I did.
	16	Q	During the assault, do you remember if
	17		you used it once, more than once?
	18	А	I can't really remember.
	19	Q	But you recall using those words.
09:25	20	А	Yes, I did.
	21	Q	Did you ever at any time during the
	22		assault say the following words: "I've
	23		done this. I've spent 10 years for
	24		doing this same thing, only I slit her
09:25	25		throat"?
		II	

	ſ		Page 14439
	1		A No, I did not.
	2		Q Had you ever before slit anyone's
	3		throat?
	4		A No, I have not."
09:25	5		Again, are those truthful answers that you
	6		provided at the Supreme Court of Canada?
	7	А	Yes.
	8	Q	So you are saying, sir, that you did you did
	9		say words that you've got a knife, keep quiet or
09:25	10		I'll slit your throat, but you are denying
	11		anything about having spent 10 years for doing it;
	12		is that fair?
	13	A	Yes.
	14	Q	Now, yesterday you told us, I asked you a question
09:25	15		about when you first became aware that David
	16		Milgaard had been convicted of the murder of Gail
	17		Miller and I think you said when you found out
	18		about Linda's statement to the police. Do you
	19		remember talking about that yesterday?
09:26	20	A	Yes.
	21	Q	And Linda Fisher went to the Saskatoon City Police
	22		on August 28th, 1990 and gave a statement
	23		implicating you in the murder of Gail Miller I
	24		think is probably a fair summary?
09:26	25		JOYCE MILGAARD: 1980.

Page 14440

	1		MR. HODSON: What did I say?
	2		JOYCE MILGAARD: 1990.
	3	1	BY MR. HODSON:
	4	Q	August 20th, 1980, implicating you in the murder
09:26	5		of Gail Miller, and I think yesterday you told us
	6		you thought you became aware of that from Harold
	7		Pick; is that right?
	8	A	Yes.
	9	Q	And I think you said you thought you became aware
09:26	10		in 1980; is that right?
	11	А	Yes.
	12	Q	And I'm wondering, sir, if let me just probe
	13		that a little bit. Mr. Pick was a Legal Aid
	14		lawyer; is that right?
09:26	15	А	Yes.
	16	Q	And I will be going to some documents in a moment
	17		that indicate he was involved in setting up your
	18		polygraph in 1990, okay, in July.
	19	А	Yes.
09:27	20	Q	Do you remember Mr. Pick being involved at that
	21		time?
	22	А	Yup.
	23	Q	And I also believe there's some records that
	24		suggest Mr. Pick may have been involved at least
09:27	25		for a short period in the (V10) (V10)- matter by
			•

			1 490 7 1777
	1		way through Legal Aid; is that correct?
	2	А	Yes.
	3	Q	And I think in the (V10) (V10)- matter your
	4		counsel at one point was Mr. Beresh while he was
09:27	5		in North Battleford, he then moved to Edmonton,
	6		and I think Morris Bodnar may have acted for you;
	7		is that correct? Does that sound right?
	8	А	Yes.
	9	Q	And did Mr. Pick act was he involved in there
09:27	10		as well?
	11	А	Oh, I can't remember how long he was there.
	12	Q	Okay. And my question, Mr. Fisher, is it possible
	13		that you became aware of Linda Fisher's statement,
	14		which is dated 1980, is it possible you first
09:27	15		became aware of that in 1990 through Mr. Pick or
	16		are you certain it was in 1980 on the (V10) (V10)-
	17		matter?
	18	А	The date is
	19	Q	Pardon me?
09:28	20	А	I'm not sure of the date.
	21	Q	Okay. I'll show you some later documents where
	22		you say that you first became aware of you being a
	23		suspect in the late '80s and early '90s. Do you
	24		remember saying that? Maybe when we get to those
09:28	25		documents I'll ask you the question again, but do

Page 14442

			Page 14442 —————————————————————————————————
	1		you remember saying things of that nature?
	2	А	(Shakes head)
	3	Q	Let me ask you this. When did you, Larry Fisher,
	4		first learn that you were a suspect for the murder
09:28	5		of Gail Miller?
	6	А	I can't give you a date.
	7	Q	And do you remember who or how?
	8	А	No.
	9	Q	Were you in jail at the time?
09:28	10	A	Possibly, yeah.
	11	Q	Okay. We'll go through some documents that might
	12		assist. I now want to turn to the late '80s, 1990
	13		period and I will go through some documents with
	14		you, but it appears that in early 1990, or the
09:29	15		spring of 1990 you were contacted by Sergeant Rick
	16		Pearson of the RCMP. Do you remember that?
	17	A	Yes.
	18	Q	And you were interviewed by Mr. Pearson on a
	19		couple of occasions and by Eugene Williams from
09:29	20		the federal Department of Justice?
	21	A	Yes.
	22	Q	And at the time you had a couple of lawyers acting
	23		for you, first a fellow by the name of Stephen
	24		Carter with the Legal Aid office. Do you remember
09:29	25		Mr. Carter being involved for a short time?
			1

	li .		
	1	А	Yes.
	2	Q	And then Harold Pick; is that right?
	3	А	Yes.
	4	Q	And I take it at some point during this time you
09:29	5		became aware that people wanted to talk to you
	6		because some people were suggesting that you had
	7		killed Gail Miller; is that correct?
	8	A	Yes.
	9	Q	And I take it you would have been, you would have
09:29	10		become aware that David Milgaard had been
	11		convicted of that crime and that he was
	12		proclaiming his innocence and saying he didn't do
	13		it, someone else had. You became aware of that at
	14		some point did you?
09:30	15	A	Yes.
	16	Q	And did you become aware as well that the
	17		suggestion was that you were the person who had
	18		committed that crime? You became aware of that
	19		from various sources?
09:30	20	A	Yes.
	21	Q	And again, I may have asked you this a bit
	22		earlier, but do you recall when you first became
	23		aware of that and how?
	24	A	(Shakes head)
09:30	25	Q	No?

Let's go through some documents and I'll see if we can assist a bit in the chronology. First if we can call up 004906, please, and this is a report, Mr. Fisher, and I'm going to be referring to some reports both of Sergeant Rick Pearson and Eugene Williams that chronicle their meetings with you and what they did and we'll see if this can refresh your memory a bit as to the sequencing of events, and this is a report that he prepared April 17th, 1990 and it's a chronology of events. If we could go to the next page, please. Just to put this in context, Mr. Fisher, this refers to February 26th, 1990 when David Milgaard's lawyers got a phone call from an individual indicating that the true identity of Gail Miller's killer is one Larry Fisher, and so February 26, 1990 is when, at least according to the documents -- we haven't heard from Mr. Pearson yet -- but I believe he will tell us that this is the date that the RCMP and Federal Justice officials first became aware of you as a suspect, and then if we can go to page 06310 -- or 063114, and then just for the chronology, Mr. Fisher, after this came about representatives of Joyce Milgaard and an

	1		investigator interviewed your wife, Linda Fisher,
	2		obtained some information from her, and further
	3		investigations were taking place at the time. I
	4		think you were in the Prince Albert Penitentiary.
09:32	5		Does that sound right?
	6	A	Yes.
	7	Q	And then at some point, and I'll show you a
	8		document, I think you got moved to Saskatoon to
	9		the Regional Psych Centre, didn't you, in about
09:32	10		June I think or at some point there?
	11	A	'87?
	12	Q	No, in 1990. I think you went in for
	13	А	That was the second time?
	14	Q	Yeah.
09:32	15	А	Yes.
	16	Q	Yeah. So at this time you are in the Prince
	17		Albert Penitentiary and this is March 20th of 1990
	18		and this is Rick Pearson writing:
	19		"I phoned Linda Fisher from my home, she
09:32	20		confirmed that she went to the Prince
	21		Albert Pen on Sunday with Mrs. Fisher."
	22		I believe that's your mother.
	23		"Linda did not visit with Larry, she
	24		indicated she visited Ernie Moosomin who
09:33	25		is a friend of hers. She did indicate

	1		that Mrs. Fisher and Larry had a visit
	2		and that Mrs. Fisher feels much better
	3		now that she had talked directly to her
	4		son about the recent revelations of his
09:33	5		involvement in this Miller case."
	6		And if you recall yesterday when I went through
	7		Linda's statement where she talked about
	8		confronting you on the morning of the murder, I
	9		believe that statement was around March 14th or
09:33	10		March 10th let me just check, I'll give you an
	11		exact date March 14th is when she gave the
	12		statement to the RCMP and I think March 10th or
	13		thereabouts was the statement she had given to
	14		the Milgaards. So it appears on this date that
09:33	15		Linda and your mother went to visit you at the
	16		penitentiary and your mother talked to you about
	17		the recent revelations of your involvement in the
	18		Miller case. Do you have a recollection of that?
	19	А	No.
09:33	20	Q	Is it possible that that might have been the first
	21		time you became aware that you were being, you had
	22		been identified as a suspect?
	23	А	If anything, I heard it through the media.
	24	Q	Okay.
09:34	25	A	So

			, ago , , , , , ,
	1	Q	Okay. I'll get to that in a bit and I can show
	2		you where the media did. So you think the media
	3		is where you would have heard it first?
	4	A	Yes.
09:34	5	Q	I'm going to suggest to you, Mr. Fisher, that I
	6		think at least for about a four month time period
	7		the media reports that we've seen, it wasn't until
	8		I think about May of 1990, so a couple of months
	9		after this time frame, a couple of months after
09:34	10		March the media did report about a suspect in the
	11		prison system who the RCMP were investigating. It
	12		didn't name you
	13	A	Uh-huh.
	14	Q	and I think it came up first in the House of
09:34	15		Commons in a debate about another suspect and then
	16		there's couple of articles and then I believe it
	17		wasn't until late June of 1990 in a CBC report
	18		where your name was first mentioned, and I'll show
	19		you a reference to that in a moment. So I think,
09:35	20		I think based on the documents we've seen, that
	21		that's when the media first became aware of it.
	22		Does that assist you at all?
	23	А	No.
	24	Q	So if we can go to the next page, please, and
09:35	25		again this is March 20th, '90, it says:

	1		"Linda also confirmed that she had
	2		talked with Mr. Asper prior to going to
	3		P.A. and that Asper had requested her
	4		not to say anything to Larry, Linda also
09:35	5		indicated it wouldn't matter as Sylvia
	6		Poitras, Larry's sister, had written a
	7		letter to Larry, apparently telling him
	8		about the investigation. It is obvious
	9		at this point that Larry is aware that
09:35	10		the police are looking into it. Linda
	11		also confirmed that Mr. Asper was
	12		interested in getting cigarette butts,
	13		and anything that would have body fluid
	14		for analysis. Linda went on to say that
09:35	15		Larry no longer smokes so this was out
	16		of the question."
	17		And again it appears from this that your sister
	18		may have sent you a letter giving some details
	19		about allegations. Do you recall that at all?
09:36	20	A	No.
	21	Q	Is it possible that happened and you just don't
	22		remember these incidents?
	23	А	Possible.
	24	Q	And then if we can scroll down, paragraph 64, this
09:36	25		is a later report but it refers to this March time $lacktriangle$

1 frame, Pearson writes: 2 I talked to Toby Coleman, Prince 3 Albert Pen security, he indicated that 4 Sylvia Poitras sent a letter dated 15 5 Mar to Larry, expressing concern that 09:36 the police had talked to their mother, 6 7 who was very ill. I was not interested 8 in the contents of this letter." 9 It goes on to talk about it. So it appears that 09:36 10 around mid March, 1990 both your mother and your sister had been communicating with you about a 11 12 number of matters related to the Gail Miller murder; is that a fair -- I think that's what the 13 14 documents suggest. You are telling us you don't 15 remember, but it's possible; is that fair? 09:36 16 Umm, I can't remember. Α 17 Next if we could go to 004906 is the doc Okay. 0 18 This is again a report of Sergeant Pearson. 19 If we can go to page 004913, call out paragraph 09:37 20 (q), Sergeant Pearson writes: 21 "On 90 April 10, I travelled to the 22 Prince Albert Penitentiary and After 23 interviewed Larry Fisher. 24 explaining my purpose for meeting with 09:37 25 him, I made the following three

		——————————————————————————————————————
1		requests:
2		- that he provide a blood sample to
3		possibly eliminate him as a suspect
4		- to volunteer to take a polygraph
<i>0</i> 9:37 5		examination
6		- to provide a written statement and
7		written deposition regarding his
8		activities at the time of Gail Miller's
9		murder.
<i>0</i> 9:38 10		Fisher, while being very open
11		and cooperative, requested that he
12		discuss this with a lawyer, who in turn
13		would contact myself. At time of
14		writing, we are awaiting a response to
<i>0</i> 9:38 15		our request."
16		Do you have a recollection of Sergeant Pearson
17		coming and meeting you in the Prince Albert
18		Penitentiary and asking you questions about the
19		Gail Miller murder?
09:38 20	А	Yes.
21	Q	And would that be the first time, Mr. Fisher, that
22		a police officer, apart from February 3rd, 1969,
23		your encounter at the bus stop, so was this, on
24		April 10, 1990, be the first occasion where a
<i>0</i> 9:38 25		police officer questioned you about the Gail

			——————————————————————————————————————
	1		Miller matter?
	2	A	Possibly.
	3	Q	Pardon me?
	4	A	Possibly. I'm not really sure.
09:38	5	Q	Okay. Let's just go back in this time frame. Do
	6		you think another police officer would have talked
	7		to you about this around 1990?
	8	A	No.
	9	Q	Let's just go back for a moment to 1980, (V10)
09:39	10		(V10) Do you recall any police officer in the
	11		(V10) (V10)- matter questioning you about the Gail
	12		Miller murder?
	13	A	No.
	14	Q	So it appears, and I think you are saying you
09:39	15		can't confirm it, but do you dispute what Sergeant
	16		Pearson has written here as far as the date? I
	17		mean, do you have any reason to dispute that?
	18	A	No.
	19	Q	Do you remember Sergeant Pearson asking you for a
09:39	20		blood sample and to take a polygraph and to give a
	21		written statement?
	22	A	No, I can't remember.
	23	Q	Okay. It would appear from this paragraph that it
	24		was the RCMP and Sergeant Pearson who brought up
09:40	25		the issue of a polygraph?
		I	-

	F		Page 14452
	1	А	Uh-huh.
	2	Q	Is that correct?
	3	А	Yeah, I think so.
	4	Q	And so we know you took one a couple of months
09:40	5		later.
	6	A	Yeah.
	7	Q	Was it their idea or your idea?
	8	A	Mine.
	9	Q	Pardon me?
09:40	10	A	Mine.
1	11	Q	Your idea to take it?
1	12	A	Yeah.
1	13	Q	But was that after they brought it up or did you
1	14		bring it up first; do you remember?
09:40 1	15	А	I can't remember.
1	16	Q	Okay. So it's possible that Sergeant Pearson had
1	17		asked you to take a polygraph and you said yes, I
1	18		will take it?
1	19	А	Uh-huh.
09:40 2	20	Q	Yes?
2	21	А	Yes.
2	22	Q	Is it possible that you would have brought it up
2	23		first with him saying lookit, I'll take a
2	24		polygraph exam, brought it up before he asked you
09:40 2	25		about it or are you able to tell us?
	11		

	ſ		
			r ago i rios
	1	А	I can't tell you.
	2	Q	And that he would have asked you for a blood
	3		sample; is that right?
	4	А	I'm not sure whether he did or not.
09:40	5	Q	And I think there's a record, I'll show you a bit
	6		later, where you did in fact give a blood sample;
	7		is that right? Before the Supreme Court, before
	8		Ottawa, I think when you were out at the Mountain
	9		Institution, at some point I think in 1990 you
09:41	10		gave a blood sample to the authorities; is that
	11		correct?
	12	A	Umm, I think so.
	13	Q	I'll show you some documents that may assist you.
	14	А	Yeah.
09:41	15	Q	So after this, it talks about you getting a
	16		lawyer. Did you then contact a lawyer to give you
	17		some advice then?
	18	А	I'm not sure.
	19	Q	There's a record of a Stephen Carter of Legal Aid
09:41	20		becoming involved at that time. Is it fair to
	21		assume from that that somehow you would have
	22		connected with Legal Aid?
	23	А	Possibly, yes.
	24	Q	If we could go to 063102 and go to page 063121,
09:42	25		and again these are Sergeant Pearson's additional
			4

notes that he made, and here's where he writes about his first interview with you on April 10th.

"98. Departed for Prince Albert. 1450 I met and interviewed Larry Fisher, he was wearing a dirty T-shirt, grey prison clothes, a little nervous but very cooperative. I explained that he had become a suspect in the Miller death because of certain activities he was involved in and the fact that he was living in the same residence that Milgaard attended on the morning of the murder. Fisher seemed to have a poor memory and the only factual thing he could relate was that he had been questioned by police shortly after the He remembered this quite murder. clearly. He indicated that he was questioned at the bus stop one morning after the murder, while he was on his way to his employment. Fisher did not recall having an argument with Linda on this specific occasion, but he stated they fought so much he could not recall one argument from another. I requested

09:43 25

1

	1		that he provide me with a blood sample,
	2		take a polygraph examination and provide
	3		a statement or legal deposition. Mr.
	4		Fisher remained cooperative but wished
09:43	5		to discuss this request with his lawyer.
	6		He will talk to his lawyer and have the
	7		lawyer call me.
	8		99. Nothing came from this interview
	9		which would suggest Fisher was involved
09:43	10		in the murder; he said he confessed to
	11		all his crimes when he was sentenced in
	12		Winnipeg. I left my calling card and
	13		list of the three requests that I made.
	14		At this point I await a request from his
09:43	15		lawyer."
	16		Again, do you have any reason to dispute what
	17		Sergeant Pearson has written here about his
	18		interview with you on April 10th, 1990?
	19	A	No.
09:43	20	Q	So this is this is accurate as far as you are
	21		concerned?
	22	А	Yes.
	23	Q	And it looks like at this time, Mr. Fisher, that
	24		you didn't have a recollection, you remembered
09:43	25		arguing with Linda, but you didn't recall an

1 argument, an argument of the nature where she 2 accused you of the murder; is that fair? 3 Α Yes. Go to page 063122 and if I can just -- you had 4 0 5 mentioned earlier about the media, I'll just --09:44 paragraph 106, which is under the date April 20th, 6 7 Sergeant Pearson writes: 8 "106. Asper called me, wanting to know 9 what was happening. All I could tell 09:44 10 him was that I had contacted Fisher and 11 that ongoing inquiries were being made. 12 Asper wanted to know what Fisher had to 13 say, however I told him I had no more to 14 tell him at this time. Asper said he 15 was relieved that contact had been made 09:44 16 with Fisher because Mrs. Milgaard was 17 coming home early from England and it is 18 suspected that she's going to press 19 ahead about the inaction of the Federal 09:44 20 Justice Department on their Section 690 21 application and Asper stated he felt 22 better knowing that Fisher may cooperate 23 with us. I advised Mr. Asper that

24

09:45 25

hamper the police investigation and that

unnecessary publicity would possibly

1 there is a certain danger in having Fisher's name become subject of a press 2 3 release, and this will have no positive 4 effect on our inquiries. I explained to 5 Mr. Asper that my role at this point is 09:45 to find the truth and to gather 6 evidence, not become embroiled in a 8 press release, which in my opinion would 9 serve no one's interest at this time." 09:45 10 So it appears from this note, Mr. Fisher, that 11 your name had not been released to the press yet. 12 Any reason to dispute that? 13 Α No. On April 23rd, 1990, which is about two weeks 14 after Sergeant Pearson interviewed you, he says: *09:45* 15 16 "I called Stephen Carter ... Legal Aid 17 lawyer from Prince Albert, he has been 18 in contact with Mr. Fisher. I explained 19 to him that we wished to obtain blood 09:46 20 samples and a statement. Carter has not 21 had the opportunity to discuss this 22 personally with Mr. Fisher, but now that 23 I have provided him background as to why 24 we want to talk with Larry, Mr. Carter 09:46 25 will be attempting to interview Fisher

Meyer CompuCourt Reporting =

this Friday and will let me know what is

happening."

So, again, it appears at this date that

Mr. Carter had been retained from Legal Aid on your behalf; is that fair, is that correct?

Yes.

I wonder if we can go to 063129. Again, this is Sergeant Pearson, this is now May the 8th, 1990 and he writes:

"Travelled to Prince Albert Penitentiary and interviewed Larry Fisher. complaining of stomach pains and wanted to seek immediate medical attention while I was with him. It should be mentioned that he was not aware that I was attending this morning to see him. I talked with him in the conference room for approximately 3 to 4 minutes. does not wish to do anything about my original request until after the May 19 weekend, when he is having a trailer visit with his wife. Fisher indicates that his daughter will not be attending this visit. I asked Larry to provide a blood sample at this time, in view of

Α

Q

	1		the fact he is going to be going for
	2		medical attention anyway, however he
	3		said he didn't want anything on his mind
	4		that would disrupt his upcoming trailer
09:47	5		visit. I indicated there was a need to
	6		get a sample of blood and a statement of
	7		his activities as quickly as possible,
	8		as there may soon be a public release by
	9		Milgaard and this would possibly point a
09:47	10		finger at Larry. Larry's response was,
	11		they waited 20 years to see me, they can
	12		wait a little while longer. I indicated
	13		to Larry that I would be seeing him as
	14		soon as possible after his upcoming long
09:47	15		weekend trailer visit. I then returned
	16		to Saskatoon."
	17		And, again, does that accurately record the
	18		discussion you would have had with Sergeant
	19		Pearson at that time?
09:48	20	A	Umm, yeah.
	21	Q	No reason to dispute anything that's in there?
	22	A	Nope.
	23	Q	And was there and again, I think April 10th was
	24		when he had asked you for the statement and the
09:48	25		blood sample, this is about a month later. Do you

			r ago i i i i i
	1		recall, Mr. Fisher, whether there was any reason
	2		you weren't providing it or what any
	3		explanation as to why, at least it appears here,
	4		that there is a bit of a delay?
09:48	5	А	No.
	6	Q	And this response, that:
	7		" they waited 20 years to see me,
	8		they can wait a little while longer."
	9		is that something you could have said to Sergeant
09:48	10		Pearson?
	11	А	Possibly.
	12	Q	If we can then go to the next page, please. And
	13		again, just in that back paragraph, I think it
	14		talks about the fact that Pearson is telling you
09:48	15		that "lookit, a public release might be coming
	16		with your name", is that fair? So it looks like
	17		at this time just go to the back page, one page
	18		previous, it says here:
	19		" as there may soon be a public
	20		release by Milgaard and this would
	21		possibly point a finger at Larry."
	22		So it appears from here that at May 8th there had
	23		not been a public release of your name, is that
	24		fair, a fair read of that?
09:49	25	A	Yes.

	1	Q	And you have no reason to dispute that?
	2	А	No.
	3	Q	And the next page, May 10th:
	4		"I returned a telephone call to
09:49	5		Mr. Asper, he expressed concern that
	6		Joyce Milgaard has released information
	7		to the press that the RCMP are
	8		investigating a suspect who is currently
	9		doing time in a Saskatchewan
09:49	10		Penitentiary. Apparently Mrs. Milgaard
	11		has been talking with John Harvard, a
	12		member of Parliament, who raised certain
	13		questions with the Standing Justice
	14		Committee, who brought the Milgaard case
09:49	15		up in the House of Commons. There are
	16		two parts to the concerns raised by M.P.
	17		Harvard, (1) Why the Farris report has
	18		not been acted upon, and (2) What
	19		current inquiries are being made with
09:50	20		Larry Fisher. According to Mr. Asper,
	21		Harvard was not to raise the issue of
	22		Fisher because he is under police
	23		investigation, however, it did seem that
	24		Harvard was to pursue the hold-up with
09:50	25		the Justice Department so far as their

action on the Farris report."

"Mr. Asper also indicated that Joyce

Milgaard had been in contact with

StarPhoenix reporter Cam Fuller and that

Fuller will soon be releasing a story on

the details provided him by

Mrs. Milgaard."

And, again, I just raise that to put it in context, Mr. Fisher, but it appears at this time information is starting to go to either politicians or the press. If we can then go to 063134, and this is now June the 8th, Pearson writes:

"Made a patrol to Prince Albert and met with Fisher's lawyer Stephen Carter, at the Prince Albert Penitentiary Admin Building. We entered the Pen and made contact with Larry Fisher. Mr. Carter had a private conversation for approximately 10 minutes with Mr. Fisher, at which time I interviewed Mr. Fisher, who stated he wanted to answer questions only once and mentioned making a legal deposition. As Fisher did not wish to be interviewed twice, it was

agreed we would arrange for the taking of a legal deposition. Fisher gave me the impression he was stalling, however, I am at a disadvantage as publicity is building and access to Fisher is I must continue to maintain difficult. his cooperation in order to get certain His soft spot seems questions answered. to be his daughter Tammy and this will be kept in mind. I conversed with and questioned Fisher, however, it was apparent he did not wish to talk to me. I explained to Fisher that a legal deposition may not be necessary if nothing comes of the initial interview. Carter seemed disappointed in Fisher's lack of desire to talk. Fisher advised he will not submit to a polygraph examination or provide a blood sample. I explained the suspicion that has been cast upon him and if he is innocent to cooperate so we could ensure his name and name of Tammy is cleared prior to his release from prison. Fisher states he has already been identified as the

			rage 14404
	1		person being talked about, however I
	2		reminded him none of this has come yet
	3		via the press and that any suspicion on
	4		him has come from within his own
09:52	5		institution."
	6		And, again, would that be an accurate recording
	7		of the discussions you would have had with
	8		Sergeant Pearson on this date?
	9	А	I can't remember what we talked about.
09:52	10	Q	Yeah.
1	11	А	Sorry.
1	12	Q	I'm sorry, go ahead?
1	13	А	I can't remember.
1	14	Q	Yeah?
09:52	15	А	Yeah.
1	16	Q	So do you have a recollection of meeting Sergeant
1	17		Pearson and your lawyer?
1	18	А	Yeah.
1	19	Q	At the penitentiary?
09:52 2	20	А	Yes.
2	21	Q	And do you remember telling him you would take a
2	22		legal disposition, but that you wouldn't take a
2	23		polygraph, and you wouldn't give them blood?
2	24	А	I can't remember.
09:52 2	25	Q	Okay. Now it talks here about you stating that
	- 11		

	1		suspicion it says:
	2		"Fisher states that he has already been
	3		identified as the person being talked
	4		about, however I reminded him none of
09:53	5		this has come yet via the press and that
	6		any suspicion on him has come from
	7		within his own institution."
	8		Were you made aware, within the institution were
	9		people accusing you of the Gail Miller murder
09:53	10		around this time, or do you know what this is
	11		referring to?
	12	A	No.
	13	Q	Did there come a time, Mr. Fisher, that you became
	14		concerned about what was being said within the
09:53	15		prison institution about your responsibility for
	16		the Gail Miller murder?
	17	A	Can't remember.
	18	Q	But would that have mattered to you, you are in
	19		jail in the Prince Albert Penitentiary, if it
09:53	20		became known that you were a suspect in another
	21		rape and a murder?
	22	A	Oh yeah, it would have bothered me, yeah.
	23	Q	Okay. And would there have been any reaction from
	24		the other inmates?
09:54	25	A	Umm, yes, there would have been.

Page 14466

	1	Q	And a negative impact on you?
	2	A	Yes.
	3	Q	And do you have a recollection of that happening?
	4	A	No.
09:54	5	Q	If we can go to 002082. And this is a letter June
	6		11th, 1990 from, it's from Stephen Carter to Rick
	7		Pearson, and this talks about the brief interview
	8		on June 8th. And it says:
	9		"As far as the arrangement for the sworn
09:54	10		deposition are concerned, please be
	11		advised that you should not make any
	12		such arrangements at the present time.
	13		Mr. Fisher, as of June 11,
	14		1990, has been transferred to the
09:54	15		Regional Psychiatric Centre at
	16		Saskatoon. This is part of his parole
	17		requirements. I understand from him
	18		that he will be in Saskatoon at the RPC
	19		for approximately seven (7) months.
09:55	20		While in Saskatoon, Mr. Fisher
	21		shall be represented by Mr. Harold Pick,
	22		Q.C., of the Legal Aid Central Office at
	23		Saskatoon
	24		I discussed the situation with
09:55	25		Mr. Pick and also with Mr. Fisher at my
			Meyer CompuCourt Penorting

1		interview with him on June 11, 1990. My
2		instructions from Mr. Fisher are to ask
3		you to provide Mr. Pick with a complete
4		written list of the each and every
5		question that you intend to put to Mr.
6		Fisher. That list will then be
7		considered by Mr. Fisher with the advice
8		and counsel of Mr. Pick and it will then
9		be determined which, if any, questions
<i>09:55</i> 10		will be answered by Mr. Fisher."
11		And, again, does that sound correct, Mr. Fisher,
12		at this time Mr. Carter handed the matter off to
13		Mr. Pick after you got transferred up to the
14		Regional Psychiatric Centre?
09:55 15	A	Yes.
16	Q	And is this correct, as well, that you wanted a
17		complete written list of each and every question
18		before this deposition; do you remember asking for
19		that?
09:56 20	А	Umm, I can't remember.
21	Q	Do you ever remember getting a list of questions
22		before the deposition?
23	А	No.
24	Q	Go to 063135, which is doc. ID 163102, and again
09:56 25		this is just a continuation of Sergeant Pearson's
		4

	1	notes. We're now on June 15th, 1990:
	2	"Returned a telephone call to Mr. Harold
	3	Pick, Legal Aid, now handling Fisher's
	4	case. We agreed to meet possibly the
09:56	5	first week in July because of court
	6	cases Mr. Pick has pending. Mr. Pick
	7	seems to be objecting to a legal
	8	deposition being provided. I know
	9	Mr. Pick well and I am sure we can
09:56	10	arrange some suitable solution to this
	11	problem."
	12	And then to page 063137, and this is now June
	13	22nd, 1990, and starting at paragraph 179:
	14	"Mr. Pick, Fisher's lawyer, called and
09:57	15	expressed concern about the recent CBC
	16	news item about his client. Pick will
	17	be meeting with his client in the next
	18	few days and will call me after that
	19	time. Pick is suggesting he may advise
09:57	20	his client to take a polygraph
	21	examination through a private
	22	investigator, possibly Mike Robinson,
	23	ex-RCMP, currently of Saskatoon."
	24	And then next paragraph:
09:57	25	"Amy Ehman of CBC called, wanting to

			. ago
	1		confirm if I was going to interview
	2		Larry Fisher. I did not deny or confirm
	3		the fact Fisher was the person I was
	4		pursuing. I explained to her I was not
09:57	5		attempting to stonewall her efforts but
	6		was merely respecting the identities of
	7		those people involved."
	8		And it appears at this time, Mr. Fisher, June
	9		22nd, 1990, that the CBC had publicized your name
09:58	10		as a suspect; does that sound right to you as far
	11		as timing?
	12	А	Yes.
	13	Q	And do you recall how you became aware of that
	14		news, news story implicating you or identifying
09:58	15		you?
	16	А	No.
	17	Q	No? And did you have concerns about that?
	18	А	Not at the time.
	19	Q	Concerns about the fact that the media was
09:58	20		identifying you by name as a suspect in the
	21		murder?
	22	Α	Yes.
	23	Q	Did you have concerns about that?
	24	А	Not at the time.
09:58	25	Q	Okay. And why not?
	1		4

			Page 14470
	1	A	Just no answer to that one.
	2	Q	Okay. Did you, at some point, have concerns?
	3	А	Down the road, yes.
	4	Q	Okay. When and why?
09:58	5	A	Umm, I can't tell you when or why, I just it
	6		came later down the road.
	7	Q	So it didn't bother you that your name was being
	8		put out in the media as the person who had raped
	9		and killed Gail Miller?
09:59	10	А	No.
	11	Q	Go to 002369, please. And this is Sergeant
	12		Pearson's June 26th report and he says here:
	13		"(a) in PCR dated 90-06-26, attempts were
	14		being made to gain the cooperation of
09:59	15		Mr. Larry Fisher, currently an inmate at
	16		the Prince Albert Penitentiary, who has
	17		become a suspect in this investigation.
	18		(b) since our last report, Mr. Fisher has
	19		been transferred to the Regional
09:59	20		Psychiatric Centre in Saskatoon for
	21		therapy, believed to be related to his
	22		sexual problems. We have been working
	23		through Mr. Fisher's lawyer, Mr. Harold
	24		Pick, Q.C., of the Legal Aid central
10:00	25		office, Saskatoon. An agreement has
		1	

1 been worked out whereby Larry Fisher 2 will provide two of our original three 3 requests: 4 1) He will provide a statement relative 5 to questions concerning his 10:00 activities during the time of Gail 6 7 Miller's murder." 8 And: 9 "2) Mr. Fisher agreed to submit to a 10:00 10 polygraph examination, provided it 11 was administered by a non-police 12 operator. Mr. Pick advised that if 13 the results of Fisher's polygraph 14 test show him to be honest, all 10:00 15 charts and interview results would be 16 If the test results were provided. 17 not in favour of Fisher, nothing would be released to the Crown. 18 19 (c) In our efforts to gain the cooperation 10:00 20 of Mr. Fisher we had no alternative but 21 to agree to the conditions laid out. 22 Mr. Pick then arranged for the services 23 of polygraph operator Mike Robinson 24 . . . " . 10:00 25 And, again, does that accurately record the

Meyer CompuCourt Reporting =

			- -
	1		arrangements that were made by your counsel and
	2		the RCMP?
	3	А	Yes.
	4	Q	And those were the terms upon which you agreed to
10:01	5		submit to a polygraph; is that correct?
	6	А	Yes.
	7	Q	Did you consider being polygraphed by an RCMP
	8		officer, one of the investigating officers?
	9	А	I'm not sure.
10:01	10	Q	Did you care who did the polygraph?
	11	А	No.
	12	Q	And according to those conditions, if the test
	13		results were not in favour, then they would not be
	14		provided to the Crown; is that that was the
10:01	15		deal?
	16	А	I'm not sure what was made.
	17	Q	Okay. Well let's just go if I can bring up
	18		002370, please.
	19	А	Yeah.
10:02	20	Q	Let's just go through that, and I think you said
	21		these were the arrangements, so that if we start
	22		here, if the results of the polygraph test showed
	23		you to be honest all charts and interview results
	24		would be provided, and I think the questions would
10:02	25		have been related to whether you were involved in
			4

	1		Gail Miller's murder, right, that's what you were
	2		going to be polygraphed about; is that right?
	3	A	Yes, yes.
	4	Q	However, if the results were not in favour of
10:02	5		Fisher, nothing would be released to the Crown.
	6		Do I take it, from that, that if the polygraph
	7		had indicated that your denial of the murder of
	8		Gail Miller was untruthful or deceptive, in other
	9		words that you failed the polygraph on those
10:02	10		questions, that that test results would not be
	11		provided to the Crown; is that fair?
	12	A	Yes.
	13	Q	On the other hand if it showed when you asked,
	14		answered those questions and denied involvement in
10:02	15		the killing that you were being honest, you would
	16		provide those results to the Crown; is that
	17		correct?
	18	A	Yes.
	19	Q	If we can go to 063102, and 063102 and go to
10:03	20		page 063138, and again, these are Mr. Pearson,
	21		Sergeant Pearson's notes. He says:
	22		"Mr. Harold Pick called, saying he had
	23		an interview with his client Fisher. It
	24		was agreed that myself and Mr. Williams
10:03	25		could interview Fisher. It was also

	1		arranged by Mr. Pick to have private
	2		polygraph operator Mike Robinson take a
	3		test of Mr. Fisher. If the charts are
	4		clean and in favour of his client, they
10:03	5		will be released to us, however they are
	6		not conclusive or if Fisher fails, then
	7		we will get nothing but the interview."
	8		And, again, that's what you just told us;
	9		correct? That was the arrangement, I think
10:04	10		that's what you just told us?
	11	A	Yes.
	12	Q	"Mr. Pick does not "think" his client
	13		involved. Fisher feels concerned about
	14		returning to the P.A. Pen and wants to
10:04	15		transfer to Mountain Prison in B.C.
	16		Mr. Pick wanted me to initiate contact
	17		with the Prince Albert Correctional
	18		system to determine if there could be a
	19		move generated. I will be in touch with
10:04	20		P.A. Security, explaining the concerns
	21		Fisher has; i.e., publicity, threats for
	22		his safety, etc."
	23		Again, can you tell us, or what can you tell us
	24		about those comments about being moved from P.A.
10:04	25		Penitentiary to Mountain Institution because of
		1	

			. ago o
	1		concerns you purportedly have with publicity,
	2		threats for your safety, etcetera?
	3	A	Umm, as soon as it hit the media was when it
	4		became notable within the Pen for me. I was in
10:05	5		RPC taking a program for sex offenders there so it
	6		was pretty safe in the group there.
	7	Q	Okay.
	8	A	Upon release from there back to the Pen would be
	9		the problem, when it would start again.
10:05	10	Q	Would be a problem, what, I'm sorry?
	11	A	In the Pen.
	12	Q	And why would there be a problem?
	13	A	Because of the media coverage.
	14	Q	Okay. And I thought you had said earlier you
10:05	15		didn't care or weren't concerned about the media
	16		identifying you as a suspect?
	17	А	I wasn't, because I was in Saskatoon twice, so
	18		and it's segregated there.
	19	Q	So while you were at the Regional Psychiatric
10:05	20		Centre you were segregated?
	21	А	Yeah.
	22	Q	And you didn't care if the media identified you as
	23		a suspect while you were there?
	24	A	No.
10:05	25	Q	When you were back in Prince Albert Penitentiary

			rage 14470
	1		the media attention concerned you because other
	2		inmates knew that you were a suspect in the rape
	3		and murder?
	4	A	Yup.
10:06	5	Q	And without getting into details, I think you told
	6		us that that fact, if other inmates knew you were
	7		suspected for another rape and murder, that they
	8		might treat you a bit more unkindly than they did
	9		before; is that fair?
10:06	10	A	Fair.
	11	Q	And so you didn't want to go back to Prince Albert
	12		because of the fact that inmates there became more
	13		aware of you being named as a suspect in the Gail
	14		Miller rape and murder; is that fair?
10:06	15	A	Yes.
	16	Q	And what difference would it make if you went to
	17		the Mountain Institution?
	18	A	Umm, it's a set-back institution.
	19	Q	It's a what?
10:06	20	A	Back then it was a set-back institution.
	21	Q	What does that mean?
	22	A	Umm, they pick and choose who they take there.
	23	Q	I'm sorry?
	24	A	They used to pick and choose who goes there.
10:06	25	Q	Is it, you mean, a favourable institution from an \P

	1		inmate's perspective?
	2	А	Back then, yes, it was quiet, set back.
	3	Q	Okay. And you believed you would have been safer
	4		at Mountain Institution than you would have at the
10:07	5		Prince Albert Penitentiary; is that fair?
	6	A	Yes.
	7	Q	And so as part of this process then, and I'll show
	8		you some documents a bit later, you made it known
	9		at this time, at least to Sergeant Pearson and to
10:07	10		Eugene Williams, that you didn't want to go back
	11		to the Prince Albert Pen; is that fair?
	12	А	Yes.
	13	Q	And in fact at a later time, I think in 1990 or
	14		maybe '91, you were transferred to Mountain
10:07	15		Institution; is that correct?
	16	A	Yes.
	17	Q	And did you ask the authorities to assist when
	18		I say 'authorities' the RCMP or Mr. Williams
	19		did you ask them to assist with getting you
10:07	20		transferred there?
	21	A	That I can't remember.
	22	Q	Okay. I'll show you some documents
	23	A	Yeah.
	24	Q	in a moment that may assist you on that. If we
10:07	25		could then go to 010016, please, and this is a
			Mayor CompuCourt Penerting

1 memorandum from Eugene Williams dated June 28th, 2 1990, and you remember Williams, he was one of the 3 fellows who interviewed you on July 12th with 4 Sergeant Pearson? 5 Α Yeah. 10:08 And he talks about talking to Mr. Pick to arrange 6 0 7 the meeting, and if you can scroll down: 8 "Mr. Pick indicated that he had 9 conducted a one and a half hour 10:08 10 interview with his client, and has 11 scheduled a further interview for 12 Tuesday July 3, 1990. Mr. Pick also 13 noted that Mr. Fisher feels insecure 14 about his own safety and is afraid to 10:08 15 return to the Prince Albert 16 penitentiary. Fisher had received 17 threats from other inmates, while he was 18 in the Prince Albert penitentiary. 19 appears that his guilt has already been 10:08 20 determined by his fellow prisoners, 21 perhaps due to the media accusations 22 levelled against him. In addition to his fears for 23 24 his safety in the Prince Albert 10:08 25 penitentiary, Mr. Fisher is also

			. ago o
	1		concerned about the consequences that
	2		could follow an interview with
	3		representatives of the Justice
	4		Department. Mr. Fisher would also want
10:09	5		assurances, before an interview is
	6		conducted, that the information obtained
	7		from him or evidence developed as a
	8		result of information that he provided,
	9		would not be used to prosecute him."
10:09	10		And, again, what Mr. Williams records about his
	11		conversation with your counsel at the time,
	12		Harold Pick; would that accurately reflect the
	13		concerns that you had at the time?
	14	А	Yes.
10:09	15	Q	And so, again, you had received threats from other
	16		inmates?
	17	А	Yes.
	18	Q	And this is maybe Mr. Williams' comment, but that
	19		your guilt had already been determined by fellow
10:09	20		prisoners?
	21	А	Yes.
	22	Q	Go on:
	23		"In this regard, Mr. Pick indicated that
	24		a trusting relationship was building
10:09	25		between himself and Mr. Fisher.

			, and the second se
	1		Mr. Pick indicated that he would be
	2		prepared, in the interest of his client,
	3		should his client agree, to conduct a
	4		polygraph test of Larry Fisher.
10:10	5		Mr. Pick is confident that Mike
	6		Robinson, an experienced polygraph
	7		technician, could conduct a satisfactory
	8		session. Mr. Pick said that he would
	9		also provide the test results to us if
10:10	10		the test results were inconclusive or
	11		"clear".
	12		However, Mr. Fisher's current
	13		emotional and psychological state, is
	14		such that Mr. Fisher is not yet prepared
10:10	15		to be interviewed or to undergo the
	16		polygraph test."
	17		And do you recall, at the time, what was going
	18		on, Mr. Fisher, as far as your emotional and
	19		psychological state and physical state?
10:10	20	A	Umm
	21	Q	And maybe to help you out, I think about a week
	22		later you underwent the polygraph examination, and
	23		I'll go to the report, and I think Mr. Robinson
	24		said due to your condition he couldn't really
10:10	25		conduct a meaningful test. And I'm just wondering

	Ī		
			· · · · · · · · · · · · · · · · · · ·
	1		if, at the time, were there certain things, did
	2		you have any physical ailments at the time?
	3	А	Yeah, lower back problems.
	4	Q	Sorry, gallbladder, gallstones?
10:11	5	А	Yeah, about all of that.
	6	Q	Okay.
	7	А	It was mostly a lower back problem.
	8	Q	And what about your emotional and psychological
	9		state that's talked about here at the end of June?
10:11	10	А	That came with going to the group.
	11	Q	Going to the group at?
	12	А	RPC.
	13	Q	So at RPC, you were in a sex offender program
	14		there, is that all right?
10:11	15	А	Yes.
	16	Q	And was that affecting your emotional and
	17		psychological state?
	18	А	Yes.
	19	Q	If we could go to 063139. And I take it then, as
10:11	20		part of that treatment, you were going through
	21		some of the crimes you had previously committed
	22		and attempting to deal with them; is that what was
	23		happening?
	24	A	Yes.
10:11	25	Q	And, again, generally you were having a difficult
			4

	1		time with that, is that a fair comment, or was it
	2		just the fact of going through it?
	3	A	I had no problem doing it, it's just bringing back
	4		a lot of memories.
10:12	5	Q	Okay. So if we then go to, and again this is
	6		Sergeant Pearson's note:
	7		"Met Larry Fisher and Harold Pick at the
	8		Regional Psychiatric Centre and
	9		commenced a taped interview with
10:12	10		Fisher."
	11		Actually, I'll just leave that now, I think
	12		that's the interview. Let's just go down to the
	13		polygraph:
	14		"Mr. Pick has indicated the polygraph
10:12	15		operator may conduct a second"
	16		No, sorry, no, that isn't right. Back to 198:
	17		" commenced a taped interview with
	18		Fisher. The interview did not reveal
	19		anything significant which would
10:12	20		indicate Larry was involved in the
	21		Miller murder. Fisher's recollection of
	22		what he was doing at the time, meaning
	23		January 1969, was not bad. He answered
	24		questions in a direct way. He had very
10:12	25		little to offer regarding activities

1 surrounding the murder, possibly because 2 he does not know anything about it, or 3 he is involved but not prepared to reveal anything which would be checked 4 5 out. I left the interview with doubts 10:13 6 about Fisher, and am not totally 7 convinced in my mind exactly what to 8 believe as Fisher is such a good 9 suspect, but based on the evidence of 10:13 10 the trial, I am inclined to keep an open mind and pursue this in an effort to 11 12 come up with the truth, if that is 13 possible after such a long time. 14 Fisher's cooperation can be best termed 10:13 15 as "reluctant" at this time and I am 16 somewhat perplexed by this position. 17 Mr. Pick has been extremely helpful in 18 providing the opportunity for an 19 interview with his client. The tapes 10:13 20 will be sent to Mr. Williams as I do not 21 have steno services at the present time. 22 Mr. Pick has indicated the 23 polygraph operator may conduct a second 24 test once Fisher has stabilized. the interview, Fisher held his stomach, 10:13 25

	1		apparently suffering from a gall stone
	2		condition and an ulcer. Fisher was also
	3		expressing concern about his safety if
	4		he returned to any federal institution,
10:13	5		which was based on the adverse publicity
	6		given to him by the news media of late.
	7		I will pass his concerns on to the P.A.
	8		Security people."
	9		If we can just go back to the top of this page,
10:14	10		it looks as though this is started July 5th,
	11		which I think is either the pre-interview or the
	12		polygraph, talking about the polygraph session.
	13		In fact, yeah, it is July 5th, the polygraph
	14		session; do you recall who was present when you
10:14	15		underwent the polygraph?
	16	А	Umm, possibly my lawyer, umm, Williams, and
	17		possibly a V & C officer.
	18	Q	A which officer?
	19	А	A V & C officer.
10:14	20	Q	What's a 'V & C officer'?
	21	А	Visits and correspondence.
	22	Q	Okay.
	23	А	And I'm not sure whether there was an officer
	24		there with me or not.
10:15	25	Q	If we could just go to 142450, go to page 142452,
			1

1 and this is a report from Mike Robinson. And maybe this will help us clear up some of these 2 3 dates, it says: "On the 5th of July, 1990 you contacted 4 5 me and advised that you were 10:15 6 representing Mr. Larry Earl Fisher who 7 is presently serving time at the 8 Saskatoon Regional Psychiatric Centre. 9 A Mr. David Milgaard is presently 10:16 10 serving time for a murder committed on a Saskatoon woman by the name of Gail 11 12 Miller some 21 years ago. Milgaard and 13 his family have maintained his innocence 14 throughout these years and have recently 10:16 15 attempted to link Mr. Fisher to Gail 16 Miller's murder. You have discussed 17 this matter with Mr. Fisher and he is 18 prepared to undergo a polygraph 19 examination on this matter." 10:16 20 And then it was set for Monday -- scroll down 21 please -- set for Monday, the 9th of July. 22 Scroll down, please. 23 "On the 6th of July, 1990 I met with 24 Sergeant Rick Pearson of the Royal ... 25 RCMP.

1		"We met for some considerable period of
2		time and fully discussed this matter so
3		that I could properly conduct this
4		polygraph examination."
10:16 5		And then on the 9th of July Mr. Robinson met with
6		Mr. Pick and reviewed the facts and then on the
7		same date a polygraph test was conducted.
8		So tell us again just about the
9		polygraph, when you were actually hooked up to
10:17 10		the polygraph machine, who was present and who
11		was asking you the questions?
12	A	Umm, I can't think of his name.
13	Q	Mike Robinson?
14	A	Yes.
10:17 15	Q	And was he the only fellow that asked you the
16		questions then when you were hooked up to the
17		polygraph machine?
18	A	Yes.
19	Q	And was there anybody else in the room at that
10:17 20		time while you were being while the test was
21		being conducted?
22	A	I can't remember.
23	Q	And as part of that, did you have, prior to being
24		connected to the polygraph machine, did you, were
10:17 25		you questioned about the Gail Miller matter, were
		Mover CompuCourt Paparting

			Page 14487
	1		you asked questions by Mr. Robinson about your
	2		recollection and your involvement?
	3	A	I'm not sure.
	4	Q	Prior to this polygraph, had you ever taken a
10:17	5		polygraph test before?
	6	A	No.
	7	Q	Did you know what a polygraph test was and how it
	8		worked?
	9	A	After he explained it, yes.
10:18	10	Q	Okay. Prior to that did you know?
	11	A	No.
	12	Q	Did you talk to any other inmates prior to this
	13		about their experience with polygraph?
	14	A	No.
10:18	15	Q	Did you have any concerns about undergoing the
	16		polygraph?
	17	A	No.
	18	Q	Now, we've heard from Mr. Robinson last week that
	19		due to your physical and mental condition he was
10:18	20		unable to conduct the test. Is that do you
	21		have any do you remember discussing that with
	22		Mr. Robinson at the time, your physical condition
	23		and emotional state?
	24	A	Yes.
10:18	25	Q	And what do you remember about that?
			•

			r ago i i rec
	1	A	Lower back problems, couldn't stand straight,
	2		couldn't sit still.
	3	Q	If we could go to 284281 and this is a memorandum
	4		July 5, 1990 from Mr. Williams to his file. It
10:19	5		says:
	6		"Today I spoke with H.P. Pick, Q.C.,
	7		counsel to Larry Fisher who suggested
	8		that a suitable date to interview his
	9		client would be July 12, 1990. His
10:19	10		conditions were as follows:
	11		1. A relaxed atmosphere
	12		2. Statement under oath; - tape
	13		recorded without the benefit of a
	14		certify short hand reporter
10:19	15		3. A letter setting out the areas that
	16		we propose to question Mr. Fisher; he
	17		anticipates that this will assist him in
	18		confirming his instructions.
	19		He also noted that his client
10:19	20		was apprehensive about returning to the
	21		federal penitentiary in Prince Albert,
	22		Saskatchewan, and wondered whether we
	23		would support Mr. Fisher's application
	24		to the Mountain institution in British
10:19	25		Columbia. Mr. Fisher's apprehension

inside that institution, following news reports which identified him as Gail Miller's assailant. I advised Mr. Pick that I would consider our position, and advise him of our response.

After consultations with senior counsel at Correctional Services Canada, who provided very helpful suggestions, which I adopt, I propose to tell

Mr. Pick that we will neither support nor oppose his client's present or future request for a transfer. However, we will alert the penitentiary authorities to the threats he has received and to his apprehensions concerning his return to Prince Albert.

The service can then assess Mr. Fisher's position and decide accordingly.

Mr. Pick also indicated that his client wanted to publicly rebut suggestions by the C.B.C. that he murdered Gail Miller, after he finished a proposed polygraph test, and our interview. I took no position when

	1		asked our views on this matter."
	2		Again, just dealing firstly with the move from
	3		Prince Albert to Mountain Institution, any reason
	4		to dispute what Mr. Williams says here about the
10:21	5		position taken by Federal Justice; namely, they
	6		wouldn't support, but they wouldn't oppose your
	7		request to be moved? Do you remember that?
	8	А	Yes.
	9	Q	And is that accurate? Is that correct?
10:21	10	A	Yes.
	11	Q	And then it appears here that at this time, July
	12		5, 1990, you stated that you wanted to go to the
	13		CBC and publicly rebut what they were reporting
	14		about you; is that fair?
10:21	15	A	Yes.
	16	Q	And we've got that clip a bit later, you did in
	17		fact go to the CBC and talk to a reporter on
	18		television; is that right?
	19	A	Yes.
10:21	20	Q	And why did you do that?
	21	A	They must have said something I didn't like or
	22		agree with.
	23	Q	Okay. If we could go to 011841, this is a letter
	24		of July 6, 1990 from Mr. Williams to Harold Pick
10:22	25		agreeing to meet on July 12th and then saying that

		II .	
	1		Sergeant Pearson will accompany Mr. Williams and
	2		may participate in questioning Mr. Fisher on the
	3		following topics, and related areas:
	4		"1. The events which comprise the
10:22	5		convictions that are contained on the
	6		criminal record of Larry Earl Fisher;
	7		2. The movements and activities of
	8		Larry Earl Fisher between January 30,
	9		1969 and February 1, 1970, in connection
10:22	10		to the death of Gail Miller, whose body
	11		was discovered on January 31, 1969;
	12		3. Personal and Employment history of
	13		Larry Earl Fisher; and"
	14		Unfortunately this page, Mr. Commissioner, every
10:22	15		copy we have of this document has the same
	16		version and we're going to try and get the
	17		original from Mr. Williams to see if we can
	18		clarify what's on here, so I won't, I don't think
	19		I can refer to half of it, so I won't.
10:22	20		But I take it then that on this
	21		date you had agreed to be interviewed by
	22		Mr. Williams and Sergeant Pearson; is that
	23		correct?
	24	А	Yes.
10:23	25	Q	If we could call up 011840 and this is
			1

	1	Mr. Williams on July 10th talking about whether he
	2	received a letter, reaction to the contents, and
	3	then it says:
	4	"At the outset he"
10:23	5	Being Mr. Pick,
10.23		" indicated that Mr. Fisher, in his
	6	
	7	current condition cannot be polygraphed.
	8	Apparently the combination of his gall
	9	bladder condition, and the effects of a
10:23	10	recent confrontation with fellow inmates
	11	at the Saskatoon Regional Psychiatric
	12	facility have created conditions which
	13	prevent the taking of a polygraph test.
	14	The C.B.C. broadcast a
10:23	15	documentary on the Milgaard case which
	16	linked Mr. Fisher to the murder of Gail
	17	Miller. Three fellow inmates visited
	18	Mr. Fisher after they saw the
	19	documentary, and menaced him.
10:23	20	Consequently, he is afraid for his life.
	21	In prison, to let another inmate "do
	22	time" for your crime is a serious
	23	breach."
	24	If I can pause there. Again, does that
10:24	25	accurately record what had happened at the time
		1

			1 ago 14455
	1		or what you would have said at the time?
	2	A	Yes.
	3	Q	And so you had a confrontation at the Regional
	4		Psychiatric facility after the CBC documentary?
10:24	5	A	Yes.
	6	Q	And is this accurate here, that it appears this
	7		is attributed to you, and tell me if it's not,
	8		please, that in prison to let another inmate do
	9		time for your crime is a serious breach?
10:24	10	A	Yes.
	11	Q	And that's something you believe you would have
	12		said at the time or certainly thought at the time?
	13	A	Yes.
	14	Q	And then it goes on to talk about the ordering of
10:24	15		the subject matters and then they agreed to meet.
	16		If we could then go to 061960, please, and go to
	17		the next page, there is the July 12th, and so I
	18		read this to you yesterday. This is where you
	19		were sworn in by your counsel. If we can scroll
10:25	20		down to the bottom, please, your counsel, Mr.
	21		Pick, counsel at the time says:
	22		"Mr. Pick: I just have the one
	23		preparatory statement if I may be
	24		permitted, Mr. Williams, for the record.
10:25	25		It is a clear understanding that these

1 discussions will be held in private, 2 and, are solely for the purpose of 3 assisting the Department of Justice and the Government of Canada in its 4 5 assessment of Mr. David Milgaard's 10:25 application for mercy. Therefore, there 6 7 will be no publication of any kind 8 outside the Department of Justice or 9 outside this room of the contents of 10:25 10 these discussions except insofar as may 11 be necessary to assess the application 12 of David Milgaard for mercy, or, to 13 further the investigation to formulate a 14 recommendation to the Minister of 10:25 15 Justice of Canada for the disposition of 16 Mr. Milgaard's application. Do you 17 understand that Larry? Mr. Fisher: 18 Yup. 19 Mr. Pick: Are you satisfied with that? 10:26 20 Mr. Fisher: Yup." 21 So if I can pause there. Mr. Fisher, it's my 22 understanding that when you gave this interview 23 under oath to Federal Justice, that you and your, 24 through your counsel, put these conditions on the 10:26 25 use of this transcript; is that right?

Meyer CompuCourt Reporting =

		——————————————————————————————————————
1	A	Yes.
2	Q	In other words, they could have it, but they could
3		only use it in connection with David Milgaard's
4		application for mercy; is that correct?
10:26 5	A	Yes.
6	Q	And without getting into it, if you can't answer
7		this without getting into discussions or advice
8		from your lawyer then please don't answer it, but
9		why did you put that condition on it?
10:26 10	А	I can't answer.
11	Q	Okay. Now and I think the record before the
12		Supreme Court reflects this. I think when you got
13		to the Supreme Court reference in the course of
14		that it came to be that this transcript was
10:27 15		released; is that fair?
16	A	Yes.
17	Q	And I think the record, Mr. Commissioner,
18		indicates what and how that happened, so I don't
19		propose to question Mr. Fisher on that.
10:27 20		If we could go to 062051
21		actually, this is probably an appropriate spot to
22		break.
23		(Adjourned at 10:27 a.m.)
24		(Reconvened at 10:46 a.m.)
25	В	Y MR. HODSON:
	ii	

	1	Q	When we broke, Mr. Fisher, I was asking you about
	2		your interview on July 12th. If we could call up
	3		061960, please, and if we can go to 062051
	4		actually, I'm sorry, 062042. I just want to go
10:47	5		through, this is where Mr. Williams questions you
	6		about the Gail Miller murder and he starts here:
	7		"Mr. Williams: Now you were living on
	8		Avenue O, you heard about the murder of
	9		a woman, not to far from where you
10:47	10		lived. Did you have any role to play in
	11		the death of that woman who was found in
	12		an alley behind 20th Street West in the
	13		City of Saskatoon on January 31, 1969.
	14		Mr. Fisher: No, I did not."
10:47	15		And then you are asked:
	16		"Mr. Williams: There have been news reports
	17		which link you to that."
	18		And you say:
	19		Mr. Fisher: I know, I've been listening to
10:48	20		'em.
	21		Mr. Williams: All right. And they say
	22		because they've been brought to my
	23		attention, they say here's Larry Fisher,
	24		here's a man whose been convicted of a
	25		number of sexual assault cases, rape

		1 age 14451
	1	Mr. Fisher: Right.
	2	Mr. Williams: attempted murder.
	3	Mr. Fisher: Right.
	4	Mr. Williams: Here's a man who used a knife
10:48	5	during the commission of these
	6	offences."
	7	You answer:
	8	Mr. Fisher: Not all of 'em.
	9	Mr. Williams: You used a knife in Winnipeg.
10:48	10	Mr. Fisher: Right.
	11	Mr. Williams: You used a knife in Winnipeg
	12	on two occasions.
	13	Mr. Fisher: No I didn't.
	14	Mr. Williams: Just the second one?
10:48	15	Mr. Fisher: Just the one I got caught on."
	16	That would be the (V8) one, the second one; is
	17	that correct?
	18	A Yes.
	19	Q "Mr. Williams: And you used a knife in North
10:48	20	Battleford?
	21	Mr. Fisher: What?
	22	Mr. Williams: You were convicted in North
	23	
	24	Mr. Fisher: Oh yeah, in 1980 yeah. Yeah I
10:48	25	did.

		. age / 1700
	1	Mr. Williams: And there was serious injury
	2	to the victim.
	3	Mr. Fisher: Right.
	4	Mr. Williams: What kind of knife did you
10:48	5	use.
	6	Mr. Fisher: A pocket knife.
	7	Mr. Williams: Switch blade type?
	8	Mr. Fisher: No, it was about yay long
	9	handle and the blade was about yay long.
10:48	10	Mr. Williams: There were four attacks in
	11	Saskatoon.
	12	Mr. Fisher: Right.
	13	Mr. Williams: There was one indecent
	14	assault.
10:48	15	Mr. Fisher: Right.
	16	Mr. Williams: There were three rapes.
	17	Mr. Fisher: Yes.
	18	Mr. Williams: Possibly four?"
	19	And you answer:
10:48	20	"Mr. Fisher: Six rapes, one indecent
	21	assault, one attempted murder, one year
	22	for carrying an offensive weapon, and a
	23	ten year ban on weapons all totalled.
	24	Mr. Williams: Okay. The one in
10:49	25	Saskatoon, they say you used a knife.

	1	Mr. Fisher: I can't remember, if I did or
	2	not. A lot of this has been coming back
	3	lately and I still can't place it
	4	Mr. Williams: All right. When you were
10:49	5	caught in Winnipeg you gave a statement
	6	to the police.
	7	Mr. Fisher: Right.
	8	Mr. Williams: Did you tell the truth in
	9	that statement?
10:49	10	Mr. Fisher: Yes, I did.
	11	Mr. Williams: Do you remember a guy by the
	12	name of Duff?
	13	Mr. Fisher: Who?
	14	Mr. Williams: Huff, Lorne Huff."
10:49	15	And you say:
	16	"Mr. Fisher: Yeah."
	17	And you say:
	18	"Mr. Fisher: I can't remember."
	19	And then:
10:49	20	"Mr. Williams: People are going to say to
	21	me look it, you got two people.
	22	You've got a fresh faced 16 year old kid
	23	no criminal record whose been sitting in
	24	jail for 21-22 odd years and he says he
10:49	25	didn't do it. He says he didn't stab

	S Control of the cont
1	this woman. And we've got another guy
2	who's got six rapes, one indecent
3	assault and his M.O. is similar to that
4	which surrounds the death of Gail
5	Miller. Faced with that Williams don't
6	you think you've got the wrong guy in
7	jail because the real killer is Larry
8	Fisher?"
9	And you answer:
10	"Mr. Fisher: Pardon?
11	Mr. Williams: Because the real killer is
12	Larry Fisher."
13	You answer:
14	"Mr. Fisher: No way.
15	Mr. Williams: If you're sitting in my spot
16	what would you say to that?
17	Mr. Fisher: I'm not you and I can't say
18	anything.
19	Mr. Williams: But?
20	Mr. Fisher: I am leaving and I have already
21	said it."
22	I'm not sure if that's the right transcription.
23	"Mr. Williams: Doesn't it strike you as odd
24	that this, wouldn't be a
25	likely suspect?
	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24

	1		Mr. Fisher: Yes, it would be a likely
	2		suspect."
	3		I pause there. Would that be an accurate
	4		information that would be accurate information
10:50	5		you provided to Mr. Williams?
	6	A	Yes.
	7	Q	And it appears here, and I appreciate that
	8		transcription is maybe not complete, that you are
	9		agreeing with him, that based on what he said to
10:50	10		you in your previous crimes and your M.O., that
	11		you would be a likely suspect, is that you
	12		would agree with him that you would be a likely
	13		suspect; is that a correct read of this?
	14	А	Yes.
10:50	15	Q	And you agree with that today?
	16	А	Yes.
	17	Q	And then to page 06 pardon me, to 062051, and
	18		then Mr. Williams carries on talking about three
	19		days before about the interview with the police.
10:51	20		"Mr. Williams: Three days before, on the
	21		Friday before, go back to that. Think
	22		back on that.
	23		Mr. Fisher: I've been thinking.
	24		Mr. Williams: All right. We haven't
10:51	25		finished yet.
		II	

	1		Mr. Fisher: I've been thinking ever since
	2		this hit the news media.
	3		Mr. Williams: Yeah. And you're telling me
	4		under oath, you had nothing to do with
10:51	5		it.
	6		Mr. Fisher: Absolutely nothing."
	7		When you say here "I've been thinking ever since
	8		this hit the news media," what were you thinking
	9		about?
10:51	10	A	It could be numerous things.
	11	Q	Okay. You were asked the question about whether
	12		you committed the murder and you say yeah, I've
	13		been thinking ever since this hit the news media.
	14		So this would be at least for a month, and I just
10:51	15		went through the chronology, you would have been
	16		aware we think in mid March of '90 that you were a
	17		suspect, June of '90 I think it hit the media,
	18		your name did. In May of '90 a suspect was in the
	19		media and so when Mr. Williams asks you about it,
10:52	20		whether you committed the crime, you say I've been
	21		thinking ever since this hit the news, and I'm
	22		trying to, if you can elaborate, were you trying
	23		to remember things or what were you thinking
	24		about?
10:52	25	А	More or less my own safety.

	1	O Ober and them down at the better.
		Q Okay. And then down at the bottom:
	2	"Mr. Williams: Telling me under oath that
	3	you didn't rob that woman.
	4	Mr. Fisher: That's the first I've heard of
10:52	5	that. But under oath yes, I didn't.
	6	Mr. Williams: Well what did you hear about
	7	it.
	8	Mr. Fisher: Well it's been all over the
	9	news.
10:52	10	Mr. Williams: Well what did you hear?
	11	Mr. Fisher: Everything that's been on TV.
	12	Mr. Williams: Well I haven't been out here
	13	so that's why I'm asking you.
	14	Mr. Fisher: About the whole works that has
	15	been on there.
	16	Mr. Williams: Well could you just give me a
	17	summary.
	18	Mr. Fisher: Oh, they showed everything
	19	where the body was found and what was
10:53	20	hidden out there, and who was connected
	21	and who's trying to accuse who of who,
	22	and who's doing time in P.A. and the
	23	reason why.
	24	Mr. Williams: Okay. I hear all that it's a
10:53	25	nice summary.

	1		Mar Tidada a Xanala II
	1		Mr. Fisher: Yeah."
	2		And then the next page:
	3		Mr. Williams: Can you tell me what words
	4		were said that you recall recently, from
10:53	5		having heard these news reports.
	6		Mr. Fisher: That I was guilty, that I am
	7		the one that did it. I'm trying to
	8		think of the last one that was on T.V.
	9		there. That all my charges, my name
10:53	10		like hell you name it. From what I
	11		hear, also, this statement was on this.
	12		Mr. Williams: What statement?
	13		Mr. Fisher: This one.
	14		Mr. Williams: All right. But what facts
10:53	15		did they use to link you to Gail
	16		Miller's death?"
	17		And I think that statement was the statement of
	18		your wife Linda Fisher; is that right, or do you
	19		know?
10:53	20	А	I can't remember.
	21	Q	If we can go ahead to 062071, just a couple more
	22		passages here from Eugene Williams' interview, he
	23		says:
	24		"Mr. Williams: From your earlier answers am
10:53	25		I to understand that in all the time
		i	

	1 age 14000
1	that you resided on Avenue "O" at 334
2	that you did not go into the alley,
3	north of 20th Street which is shown on
4	this diagram?
5	Mr. Fisher: That's right.
6	Mr. Williams: And that on your various
7	trips from your house to catch a bus,
8	that you did not you did not assault a
9	woman early in the morning while going
10	to catch a bus for work?
11	Mr. Fisher: No, I did not.
12	Mr. Williams: You did not knife or stab
13	that woman?
14	Mr. Fisher: No, I did not."
15	And then page 062075, Mr. Williams again:
16	"Mr. Williams: You didn't kill Gail Miller?
17	Mr. Fisher: No, I didn't."
18	And then:
19	"Mr. Williams: Are there offences that
20	you've committed that you haven't been
21	picked up on?
22	Mr. Fisher: No, I cleared them all up when
23	I got picked up ."
24	And again, that's what you would have told Mr.
25	Williams at the time?
	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24

			——————————————————————————————————————
	1	A	Yes.
	2	Q	And today you are telling us that's the truth?
	3	А	Yes.
	4	Q	And then to page 062078, Sergeant Pearson down at
10:55	5		the bottom says:
	6		"Sgt. Pearson: This murder took place about
	7		a block and a half away and I would
	8		assume it was an unusual event at the
	9		time. Do you recall anything back then
10:55	10		as to how you first heard about this?
	11		Mr. Fisher: If it was it was what the wife
	12		said to me and after that I never heard
	13		nothing about it again until about when
	14		you started coming up when it hit the
10:55	15		news."
	16		So I take it from that, is that an accurate and
	17		truthful statement, Mr. Fisher?
	18	A	To the police at the bus stop or with what the
	19		wife said back then.
10:55	20	Q	Okay. So that you first heard about it either
	21		from your wife who accused you of committing the
	22		murder or from the police who saw you at the bus
	23		stop three days after the murder, one of those two
	24		times is the first time you heard it?
10:55	25	A	Yes.
		İ	

			——————————————————————————————————————
	1	Q	And then you say:
	2		" I never heard nothing about it
	3		again until about when you started
	4		coming up when it hit the news."
10:55	5		And again you are saying this to Sergeant
	6		Pearson, and we saw that you first interviewed
	7		with him on April 10th, 1990; is that correct?
	8	А	Yes.
	9	Q	I guess my question is, it appears from this
10:56	10		answer, at least back on July 12th, 1990, you are
	11		saying that after 1969 the next thing you heard
	12		about the murder was in the spring of 1990 when
	13		Sergeant Pearson brought it up and the media
	14		people brought it up. Is that a fair read of your
10:56	15		answer?
	16	А	Yeah, I would probably say so, yeah.
	17	Q	Okay. Now, earlier you said you remembered
	18		hearing about Linda Fisher going to the police and
	19		you recall the 1980 statement where she went to
10:56	20		the police and gave incriminating information
	21		about you as the killer of Gail Miller, and again,
	22		in light of what you said to Sergeant Pearson,
	23		does this assist you in placing in time when it
	24		was you would have been made aware of Linda Fisher
10:57	25		going into the city police?
			1

	1	A	No, no.
	2	Q	So it's possible that it was before 1990, before
	3		Sergeant Pearson started questioning you and
	4		Mr. Williams and before it hit the media in the
10:57	5		spring of 1990, it's possible that before that you
	6		became aware that Linda Fisher had gone into the
	7		city police?
	8	А	I'm not sure when I know it, or found out.
	9	Q	Okay. If we could then go to 063141, down to
10:57	10		paragraph 216, and again these are Sergeant
	11		Pearson's notes, it says:
	12		"216. Mr. Pick called, advising that
	13		Fisher had given an interview to Julian
	14		Findlay of the program "Fifth Estate"
10:58	15		and that Fisher had answered questions
	16		consistent with what was provided in his
	17		statement to Williams and myself. At
	18		this time I questioned Pick further if
	19		he would still encourage his client to
10:58	20		provide a second polygraph examination
	21		when conditions were more appropriate;
	22		i.e., Fisher's medical problems."
	23		And again, I think you told us earlier that
	24		you did you contact CBC then to make the
10:58	25		statement or how did that come about?
		ii	

			Page 14509 ————
	1	A	(Shakes head)
	2	Q	I think I I'm sorry, I showed you earlier a
	3		letter where your lawyer at the time Harold Pick
	4		told Mr. Williams that you were going to get a
10:58	5		hold of CBC to rebut the story they ran on you.
	6		Do you remember when I showed you that document?
	7	А	Yeah.
	8	Q	And is that what happened, did you call the CBC
	9		and say lookit, I want to give my side of the
10:58	10		story, or were the CBC contacting you and you
	11		agreed to an interview?
	12	A	I'm not sure how it came about.
	13	Q	Do you think you initiated it?
	14	А	Probably not without talking to counsel.
10:59	15	Q	Okay. And I don't want to get into any
	16		discussions with counsel. I'm trying to
	17		understand, Mr. Fisher, whether this was a case
	18		where Gillian Findlay had contacted you and said
	19		lookit, I would like to do an interview, and you
10:59	20		said yes, or whether it was a case of you or
	21		someone on your behalf contacting the CBC and
	22		saying lookit, I don't like the story you ran
	23		about me, I want to give my side of the story?
	24		Which one of those is it or are you able to tell
10:59	25		us?

			——————————————————————————————————————
	1	А	I can't tell you.
	2	Q	In any event, you recall being interviewed by the
	3		CBC, and I think it was at Mountain Institution;
	4		is that right?
10:59	5	A	P.A. I think.
	6	Q	Or was it in P.A.? I'm sorry, was it in Prince
	7		Albert Penitentiary? It may have been.
	8	А	I think it was.
	9	Q	And you allowed cameras to come in and film you
10:59	10		and you gave a - you conducted an interview with
	11		the reporter; is that right?
	12	A	Yeah.
	13	Q	And I think we have a clip from that, and again,
	14		before we show the clip, again, what was your
11:00	15		rationale or what was your reasoning for doing
	16		this interview?
	17	A	I can't remember. That's a long time back.
	18	Q	You had said before that there must have been
	19		something in their original story that you didn't
11:00	20		like?
	21	A	Yeah.
	22	Q	And again, without getting into too much detail, I
	23		think you had already stated in some earlier
	24		documents that what the media reports were saying
11:00	25		is that you were the killer, or suspected of being $lack$
		1	

		rage 14011		
	1		the killer of Gail Miller; is that fair?	
	2	A	You would have to refresh my memory some other way	
	3		because I can't remember.	
	4	Q	Sure. Let me try this again. You remember when I	
11:00	5		went through the documents before the break in the	
	6		spring and summer of 1990 about how you were	
	7		expressing concern about your safety in Prince	
	8		Albert because the CBC news documentary had been	
	9		run and it identified you as a suspect. You	
11:00	10		remember we went through that?	
	11	А	Yeah.	
	12	Q	And so in the media, the media were naming you and	
	13		either suggesting or implying that you either were	
	14		a suspect of the murder of Gail Miller or that you	
11:01	15		in fact had killed Gail Miller. Is that a fair	
	16		summary of what was in the various media reports?	
	17	A	Yes.	
	18	Q	And when you went to the CBC or agreed to be	
	19		interviewed, was it that you wanted to rebut, that	
11:01	20		you wanted to answer to?	
	21	A	Umm, I can't really say.	
	22	Q	Okay. We'll maybe show, it's just a short clip, I	
	23		don't believe there is a at least we don't have	
	24		it, a transcript of the entire interview. Maybe	
11:01	25		just call up 230173, which is the doc ID, I don't \P	

	1	know that we need to see it, it's a lengthy hour
	2	and a half interview. We're not playing it.
	3	There's about two minutes, two or three minutes in
	4	there. That's the doc ID for counsel. And if we
11:01	5	can go to the video clip, and I think there's just
	6	a short introduction and then part of an interview
	7	with you.
	8	"REPORTER: Today Linda Fisher has vivid
	9	memories of the morning of the murder.
11:02	10	She and Larry were having yet another
	11	fight, she said, when a news report came
	12	on the radio. In the heat of the moment
	13	she accused him of murdering Gail
	14	Miller.
11:02	15	LINDA FISHER: Yes. I said, "Well,
	16	Larry, you probably, it was probably you
	17	that killed the nurse."
	18	GILLIAN FINDLAY: And what was his
	19	reaction?
11:02	20	LINDA FISHER: Well, he just looked at
	21	me and his colour went grey and he just
	22	stopped, quit arguing and he just looked
	23	like he was caught.
	24	GILLIAN FINDLAY: Did you kill Gail
11:02	25	Miller?

	1	I	LARRY FISHER: No, I did not. I had
	2	r	nothing to do with that death.
	3	F	REPORTER: This is Larry Fisher today.
	4	H	He first went to jail in 1971. He's
11:02	5	٤	still here because when he was let out
	6	i	in 1980 he raped and almost killed
	7	á	another woman. Unlike his ex-wife, he
	8	S	says he doesn't remember the morning
	9	G	Gail Miller was killed, not the murder,
11:02	10	r	nor the accusation.
	11	G	GILLIAN FINDLAY: It seems strange that
	12	ā	a wife would say to her husband "I think
	13	Σ	you killed a woman" and yet you don't
	14	r	remember.
11:03	15	М	MR. FISHER: No.
	16	C	GILLIAN FINDLAY: Those were things that
	17	V	were said every day in your house?
	18	М	MR. FISHER: Christ, everything happened
	19	i	in our house.
11:03	20	Ā	REPORTER: In a statement she gave to a
	21	ŗ	private investigator, Linda Fisher says
	22	t	the other thing that makes her suspect
	23	r	ner former husband is the fact that Gail
	24	М	Miller was killed with a knife.
11:03	25	G	GILLIAN FINDLAY: Did you use knives
			1

1		when you committed those crimes?
2	2	MR. FISHER: Not all of them.
3		GILLIAN FINDLAY: How many of them?
4		MR. FISHER: Ah, I would rough it out
11:03 5		about two, maybe three.
6		GILLIAN FINDLAY: And what kind of knife
7	,	did you use?
8	3	MR. FISHER: Just about any type I could
9		use.
11:03 10		GILLIAN FINDLAY: Did you ever use a
11		paring knife in of those other assaults?
12		MR. FISHER: I used one in Winnipeg.
13		GILLIAN FINDLAY: In Winnipeg?
14		MR. FISHER: Yes.
11:03 15		GILLIAN FINDLAY: The facts add up to a
16	,	very damning picture. First of all, you
17	,	have a history of brutal rapes, in some
18		cases you did use a knife, and then the
19		rape was a block and a half away from
11:03 20		where Gail Miller's body was found.
21		Doesn't that make you more of a suspect?
22		MR. FISHER: I probably agree with you,
23		but the cops already had my name for 21
24		years. Now, if they had some concrete
11:04 25		evidence why didn't they charge me 21

			Page 14515 ————
	1		years ago.
	2		REPORTER: Linda Fisher says it's
	3		because they didn't do their homework."
	4	Q	That's good. Thank you. Now, again, Mr. Fisher,
11:04	5		do you recall the interview with, I think it was
	6		Gillian Findlay of the Fifth Estate?
	7	А	Yeah.
	8	Q	And you don't take issue with anything that was
	9		reported or that you said in the interview? Do
11:04	10		you agree with what you said?
	11	А	Yeah.
	12	Q	And was the interview longer than that, were there
	13		more questions asked or do you remember?
	14	А	I can't remember. Sorry.
11:04	15	Q	And in that interview it appears that you said you
	16		don't, you didn't recall the argument with your
	17		wife Linda the morning of the murder; is that
	18		correct?
	19	A	Yes.
11:04	20	Q	And I think either yesterday, and please correct
	21		me if I'm wrong, I think or on other occasions
	22		you've had some memory of it?
	23	А	Yes.
	24	Q	And today do you have some memory of the argument
11:05	25		with Linda where she accused you?
		ii i	—

		Page 14516 —————	
	1	А	Yes.
	2	Q	And can you tell us why back and I think the
	3		date of this video, I don't know the date it was
	4		run, but I think it was August of 1990, why back
11:05	5		then you would have told her you didn't remember
	6		the argument whereas later you now say you do
	7		remember parts of it?
	8	А	Yeah, I remember it.
	9	Q	Okay. And you remember it, but I'm wondering why
11:05	10		you told Gillian Findlay back when you were
	11		interviewed that you didn't remember it?
	12	A	I'm not sure.
	13	Q	If we could go to 062314, and again this is
	14		October '90, RCMP is writing to Mr. Williams
11:06	15		saying:
	16		"The aspect of Mr. Fisher consenting to
	17		a further polygraph examination is still
	18		being actively pursued; and should he
	19		submit to further testing, it should
11:06	20		greatly assist in the eventual decision
	21		respecting this file."
	22		And we had earlier looked at some documents, Mr.
	23		Fisher, that said your first polygraph was
	24		inconclusive because of your physical and
11:07	25		emotional state at the time; do you recall
			•

			Page 14517
	1		looking at those documents?
	2	А	Yeah.
	3	Q	In other words, and we heard evidence from Mike
	4		Robinson that said the polygraph basically was
11:07	5		inconclusive because you were not in a physical
	6		and mental state to properly undergo the test, did
	7		you understand that at the time, that that's why
	8		it didn't work?
	9	A	Yes.
11:07	10	Q	And there was some discussion about doing another
	11		test at a later date once your condition was
	12		satisfactory; do you recall those discussions?
	13	А	Yes.
	14	Q	And were you willing to undergo another polygraph
11:07	15		examination?
	16	A	At the time, yeah.
	17	Q	Pardon me?
	18	A	Yes.
	19	Q	Yes? If we could go ahead to 011907. This is a
11:07	20		report of October 18th, 1990, again Sergeant
	21		Pearson. At the bottom there:
	22		"Since PCR dated 90-AUG-28, Larry Fisher
	23		has been admitted to the University
	24		Hospital and has completed surgery for a
11:08	25		gallstone condition. He is currently
			4

	1		back at the Prince Albert Institution
	2		recovering, and hopefully his condition
	3		will stabilize to the point where a
	4		reliable polygraph examination can be
11:08	5		completed. Fisher's counsel, Mr. Harold
	6		Pick, has confirmed that if conditions
	7		are right, he will permit his client to
	8		be tested on the polygraph a second
	9		time. It should also be noted that at
11:08	10		the time of writing, Fisher has
	11		requested a transfer to Mountain Prison
	12		in British Columbia because he feels the
	13		environment for him within the Prince
	14		Albert facility is unsafe."
11:08	15		So it appears at this time, at least through your
	16		counsel, that you are stating you are willing to
	17		undergo another test; is that fair?
	18	А	Yes.
	19	Q	If we can go to 063143, that's a doc yeah, doc.
11:09	20		ID 063102. We're now skipping ahead a year, this
	21		is August 21, 1991, it says:
	22		"Had a telephone discussion with
	23		Williams and he again talked of how to
	24		gain the support of Fisher to attempt a
11:09	25		proper polygraph examination. It was

			1 ago 14010
	1		agreed that the only approach we could
	2		pursue with any success would be to
	3		include retired counsel Harold Pick, who
	4		in the past has been very supportive.
11:09	5		Mr. Williams will be contacting Mr. Pick
	6		direct in British Columbia."
	7		Then to page 063146, this is Sergeant Pearson's
	8		notes September 12, '91:
	9		"Mr. Williams called to advise that
11:09	10		Mr. Pick had contacted his client
	11		Fisher, who in turn has now provided a
	12		blood sample to the Penitentiary
	13		Service, which was analysed in
	14		Chilliwack, B.C. and the results were
11:09	15		that Fisher has blood type "A"
	16		Positive."
	17		So it appears here that in September of '91 you
	18		agreed and did, in fact, provide a blood sample
	19		to the authorities?
11:10	20	A	Yeah, I guess so.
	21	Q	You don't recall?
	22	А	No.
	23	Q	Do you have any reason to dispute what's stated
	24		here?
11:10	25	A	No.

1 0 Now if we can go to 063149, please. And at the top, September 20th, '91, Pearson writes: 2 3 "I returned a call to Mr. Williams, who advised that a decision has been made 4 5 not to have Fisher take the polygraph 11:10 examination. His superiors have met and 6 7 decided, "the down side risks outweigh 8 the benefits". He went on to say, "the 9 testing procedure is highly subjective 11:10 10 and cannot be converted to evidence." Williams did not indicate if 11 12 polygraphist Shalk had been consulted." 13 And then down here, same date: "Mr. Williams called to advise he had 14 11:11 15 spoken to Harold Pick and that Fisher 16 will not take a polygraph test and will 17 not grant any more interviews to the 18 police. There is one window of 19 opportunity which exists, that being 11:11 20 that CBC reported Carl Karp is doing a 21 program on the Fisher angle on "The 22 Fifth Estate". If this does not go well 23 for Fisher, he may grant further 24 interviews with us. Indications are 11:11 25 that Fisher and his current wife are fed

			ŭ
	1		up with the publicity and the hounding
	2		by the media."
	3		Does that accurately record the discussions
	4		between you and the authorities about a second
11:11	5		polygraph test?
	6	A	Yes.
	7	Q	And it appears from this document that the Federal
	8		Justice officials or the RCMP, one or both of
	9		them, decided that they would not conduct a second
11:11	10		polygraph exam; was that your understanding?
	11	A	Yes.
	12	Q	And it seems to suggest here that you wouldn't
	13		grant any more interviews; is that did there
	14		come a point where you said "lookit, I'm not going
11:11	15		to talk any more about this"?
	16	A	Yes. (Witness laughs)
	17	Q	If we could now go to 000901, please. And again,
	18		this is August 14th, '91, just going back a couple
	19		of about a month from where I was talking in
11:12	20		September. And would you have been aware at the
	21		time, Mr. Fisher, that David Milgaard had applied
	22		to the Federal Minister of Justice to have his
	23		conviction for the murder of Gail Miller reviewed
	24		by the Federal Minister of Justice?
11:12	25	A	Yes.
			4

			Page 14522 ————
	1	Q	So you were aware that he was proclaiming his
	2		innocence and asking federal officials to review
	3		his conviction?
	4	A	Yes.
11:12	5	Q	And would you have been aware, sir, that as part
	6		of that process he was suggesting or people on his
	7		behalf were suggesting that you were either a
	8		suspect or in fact the person who killed Gail
	9		Miller?
11:12	10	А	Yes.
	11	Q	Did you become aware of that?
	12	А	Yes.
	13	Q	And you were aware that one of the bases that he
	14		was seeking to have his conviction set aside is
11:13	15		that you were the killer of Gail Miller and not
	16		David Milgaard; you knew that?
	17	А	Yes.
	18	Q	And just for the record here this is the second
	19		application, or the letter, I think, that
11:13	20		comprises the second application to the minister,
	21		and this is on behalf of David Milgaard. And
	22		here:
	23		"When we first made our application the
	24		suggestion that Larry Fisher was the
11:13	25		perpetrator was not the main thrust and
			•

Page 14523 1 we were at that time advised by your 2 Department that there were no police 3 reports available on past offences of Mr. Fisher." 4 5 And then it goes on, if we can go to the next 11:13 6 page: 7 "Another startling development has been 8 the fact that four women who were 9 brutalized by Larry Fisher did not know 11:13 10 that anyone had been charged, let alone convicted, of the vicious attacks upon 11 12 them. It is our belief that had the 13 arrest of Larry Fisher been brought to anyone's attention it would have cast 14 11:14 15 severe doubts on the Milgaard 16 conviction. To this date there does not 17 seem to be any reasonable explanation as

In light of the above I would ask you to treat this letter as a fresh application to re-open the Milgaard case. It is our view that had you been

We are simply asking that 11:14 you have an impartial tribunal 6 7 adjudicate this matter with full 8 disclosure and with Mr. Milgaard being 9 properly represented." 11:14 10 So it appears from this letter that in August of '91 a second application was made to the 11 12 minister, and that at a minimum your name was

11:14 15

I would like to call up 159105, please. And I'm just going to be asking you a few questions, Mr. Fisher, about your involvement in the Supreme Court of Canada reference, and I want to caution you just at the outset, I do not want you to answer anything that involves communications with your counsel at the time, Brian Beresh, and your counsel today, any solicitor/client information.

	1		So I will be asking you some questions but I do
	2		not want you to get into those communications,
	3		unless of course you are waiving that privilege,
	4		but I don't believe that privilege has been
11:15	5		waived, so please keep that in mind when I ask
	6		that question.
	7		This shows that on December
	8		20th, 1991 you applied to the Supreme Court of
	9		Canada to get standing in the reference case
11:15	10		before the Court. You became aware, I take it,
	11		that the Supreme Court was going to hear evidence
	12		and make some decisions with respect to Mr.
	13		Milgaard's case?
	14	А	Yes.
11:16	15	Q	And I take it, sir, that you chose to be a party
	16		to that proceeding?
	17	А	Yes.
	18	Q	And you had counsel at the time, Brian Beresh, to
	19		represent your interests?
11:16	20	А	Yes.
	21	Q	And if we could go to 159107, please. And this is
	22		an affidavit of Marvin Bloos who was, I think,
	23		co-counsel or assistant counsel to Mr. Beresh at
	24		the time, and was the supporting material filed
11:16	25		with the Supreme Court, the supporting materials \P

	1		as to why you wanted to be added. And I just had
	2		a couple of questions. If we can go to the next
	3		page, please, paragraph 3 Mr. Bloos swears in his
	4		affidavit:
11:17	5		"I participated in a conference call
	6		with Larry Fisher on December 12, 1991,
	7		and as a result I was advised by Mr.
	8		Fisher that he learned privately that
	9		his name had become associated with the
11:17	10		David Milgaard case in 1988. He further
	11		stated that in 1989 he became aware that
	12		his name was being publicly related to
	13		Mr. Milgaard's case through the media."
	14		I'm wondering if you can tell us, Mr. Fisher,
11:17	15		what information did you provide or what is the
	16		information referred to by Mr. Bloos in this
	17		affidavit? Firstly, it says that you learned
	18		privately that your name had become associated
	19		with the David Milgaard case in 1988, what is
11:17	20		that referring to?
	21	А	Umm, I can't remember.
	22	Q	Okay. And, according to the affidavit that was
	23		filed with the Supreme Court, Mr. Bloos stated
	24		that you'd told him that; correct?
11:17	25	А	Yes.

		, age . 1021
1	Q	And so in 1988, was there something in 1988 that
2		caused you to think that your name had become
3		associated with the case?
4	А	Umm, can't remember.
5	Q	And it says that you learned privately that your
6		name had been associated and I'm not sure what
7		that means; is that other than from authorities?
8	A	Can't say.
9	Q	You don't and then:
10		"He further stated that in 1989 he
11		became aware that his name was being
12		publicly related to Mr. Milgaard's case
13		through the media."
14		And, again, I think that the media records, at
15		least that we have, it appears that it wasn't
16		until June 1990 that your name was in the media,
17		and we may not have all the records, but do you
18		know what prompted you to state that it was 1989
19		that you became publicly related to the case?
20	А	No, I can't.
21	Q	And then it goes on to say that:
22		"Mr. Fisher further advised that he is
23		aware that David Milgaard, or
24		individuals on his behalf, have publicly
25		suggested that Mr. Fisher is responsible
	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24	2 3 4 A 5 Q 6 7 8 A 9 Q 10 11 12 13 14 15 16 17 18 19 20 A 21 Q 22 23 24

	1		for the death of Gail Miller."
	2		And is that accurate, did you in fact advise
	3		Mr. Bloos of that, and is that your what you
	4		were aware of at the time?
11:19	5	A	Yes.
	6	Q	And then paragraph 5 talks about:
	7		" the media has displayed particular
	8		interest in his position in this matter
	9		and that he was contacted earlier this
11:19	10		year by the Canadian Broadcasting
	11		Corporation and he was interviewed in
	12		relation to the Milgaard allegation."
	13		I take it that that was the Gillian Findlay
	14		interview that we showed a clip from?
11:19	15	A	Yes.
	16	Q	Paragraph 6:
	17		"During my discussion with Mr. Fisher he
	18		informed me that he believes that the
	19		public perception, given recent news
11:20	20		stories, is that he was involved with
	21		the death of Gail Miller. He stated
	22		that he feels that he is being tried
	23		publicly by the media, (and in some
	24		cases found guilty), in what he
11:20	25		considers to be a very unfair process, \P

				———— Page 14529 ——————
	1			and that all of this activity has
	2			occurred as a direct result of Mr.
	3			Milgaard's attempts to free himself."
	4		Is that w	hat you said and thought at the time?
11:20	5	А	Yes.	
	6	Q	And then	again:
	7			"During my discussions with Mr. Fisher
	8			he informed me that he is most concerned
	9			about the Milgaard Reference which has
11:20	10			been directed to the Supreme Court of
	11			Canada and the potential consequences
	12			which the proceedings may have for him."
	13		And, agai	n, is that something that you would have
	14		told Mr.	Bloos and thought at the time?
11:20	15	A	Yes.	
	16	Q		"Mr. Fisher further advised that none of
	17			the press or media reports that he has
	18			seen in relation to this case have been
	19			favourable to him."
11:20	20			"He told me that he has seen statements
	21			attributed to Mr. Milgaard in which it
	22			is suggested that in Mr. Milgaard's
	23			opinion Mr. Fisher was responsible for
	24			the death of Gail Miller."
11:21	25		Again, di	d you state both of those matters to
		Ü		

		1 age 14000		
	1		Mr. Bloos, and is that what you thought at the	
	2		time?	
	3	A	Yes.	
	4	Q	If we can go to 018760. Just for the record, I	
11:21	5		think on September or pardon me December	
	6		29th, 1991 the Court ordered that you would be	
	7		entitled to be heard through counsel, and I take	
	8		it, based on that, you participated as a party	
	9		with standing in the Supreme Court Reference	
11:21	10		related to David Milgaard; is that correct?	
	11	А	Yes.	
	12	Q	And you, in fact, were called as a witness before	
	13		the Court, testified before the Court?	
	14	А	Yes.	
11:21	15	Q	If you could call up 197598, and this is March 11,	
	16		1992, and if we could go to 197605 please. And	
	17		this is Mr. Beresh, your counsel, questioning you	
	18		and he asks:	
	19		"Q Let's turn, if we can, to the matter	
	20		which is before the Court. Let me ask	
	21		you a number of questions, if I can.	
	22		First of all, Mr. Fisher, did	
	23		you kill Gail Miller?	
	24		A I most certainly did not.	
	25		Q Did you play any role in her death?	
			Salar Carlo Ca	

			. ago / 100/
	1		A I certainly did not.
	2		Q Do you know who killed Gail Miller?
	3		A No, I do not."
	4		So I take it, from that, that you were asked the
11:22	5		question at the Supreme Court and there, under
	6		oath on March 11th, 1992, you denied your
	7		involvement in the death of Gail Miller; is that
	8		correct?
	9	A	Yes.
11:22	10	Q	Now at the Supreme Court hearings there was
	11		evidence of a number of, for lack of a better
	12		word, prison informants, people that had been
	13		serving time with you over the years, that went to
	14		the authorities and gave statements and
11:23	15		information suggesting that you either admitted
	16		the murder of Gail Miller or admitted killing
	17		someone in a snowbank, and allegations of that
	18		nature. You are familiar with the fact that
	19		people made those allegations, Mr. Fisher?
11:23	20	A	Yes.
	21	Q	And the four names are Brett Morgan I think
	22		there may be others but Brett Morgan, John
	23		Patterson, Rod McIvor, and Brian Dodge; do those
	24		names all sound familiar?
11:23	25	A	Yup.

1		
	Q	And if we can, first, I just want to go through
2		quickly what they parts of the allegations
3		against you and ask for your response. The first,
4		Brett Morgan, 012258 is the doc. ID, and did you
5		know a fellow by the name of Brett Morgan?
6	A	Yes.
7	Q	And you served time with him I think in the Prince
8		Albert Penitentiary; is that right?
9	A	Yes.
10	Q	And if we can go to page 012280, this is a
11		typewritten version of Mr. Morgan's statement of
12		January 14th, 1992, Mr. Morgan says he is
13		talking about a conversation with you and that:
14		"His statement, near as I can remember
15		was that he had sluffed off a serious
16		charge on somebody else that he was
17		guilty for by confessing to crimes in
18		another area. I didn't know any of the
19		particulars."
20		And then scroll down to this paragraph:
21		"He also made this statement to me "I
22		killed somebody in Saskatoon but I never
23		got any heat because I confessed to some
24		crimes in another city and it happened
25		at the same time or near the same time
	3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24	3 4 5 6 A 7 Q 8 9 A 10 Q 11 12 13 14 15 16 17 18 19 20 21 22 23 24

as the murder in Saskatoon. He said I should try to either remember some crimes I committed that I hadn't been pinched for or solicit some from people around me that I knew who did some and never got pinched for that I could cop out to in order to blow the steam off

"Another time because our beds were so close and because I was so messed up and depressed, he said "shake it off, I've already told you how to deal with it, I killed before and someone else is wearing it for me and you can do it

And that's a part of what Mr. Morgan had said, and you had said, and let me just go to a Supreme Court evidence before I ask you to respond. we can go to 206861, go to page 206886, and this is Mr. Morgan being examined by Hersh Wolch,

> what Fisher may have said to you in the context that may be helpful to the Court

1 in this particular case." 2 If we go on: 3 In the beginning, because there was a "A 4 lot of witnesses at my trial and a lot 5 of people who, if the situations were a little different, they could have been 6 conceived as probably being the 8 perpetrator. He had mentioned a few 9 times to me that he had in the past --10 and at that time I had no dates or 11 anything -- that he had in the past 12 beaten or sloughed off a murder beef by 13 having somebody else wear the beef for 14 him and that, if I could find somebody 15 in my situation that I could slough it 16 off on or possibly even admit to some 17 crimes that happened at a time around 18 when the murder that I was found guilty 19 for had happened, I could again blow the 20 steam off with that. 21 A number of times he had said 22 to me that he had done it and he was 23 successful." 24 And then if you could go -- so there, and there's

11:27 25

		Page 14535 ———————————————————————————————————
1		have any discussions with Brett Morgan of the
2		nature that he suggests, has suggested and
3		testified before the Supreme Court of Canada?
4	A	No, I haven't.
11:27 5	Q	Did you ever discuss, with Brett Morgan, anything
6		to do with killing a nurse, raping a nurse, raping
7		or killing somebody in a snowbank?
8	A	No I didn't.
9	Q	Did you have any discussion with Brett Morgan
11:27 10		about how to how you beat a murder charge by
11		pleading to charges in another area at the same

13	A	No I didn't.
14	Q	Any discussion with Brett Morgan about anything

21	Q	Next, if we could go to John Patterson, you are

24	A	Yes.
11:28 25	Q	You served time with him? You did serve time with

1 him? 2 Α Yes. If we could call up 051038, please, and this was 3 Mr. Patterson testifying before the Supreme Court 4 5 in the reference case. Go to page 051043, please. 11:28 And, again, he is examined by Mr. Wolch about a 6 7 hockey game in the winter of 1977, and he goes on 8 to say that he got into a fight with you, and he 9 says you said: 10 ""I am going to shank you and stuff you in a snowbank." He said, "The guards 11 12 will find you in the spring." I said to 13 him at that time, "You and whose fucking 14 He said, "Listen, I've done it army?" 15 I've got no problem doing it before. 16 I said, "Yeah, right, Fisher. again." 17 When did this happen?" He said, 18 "Wouldn't you like to know." I said, 19 "Well, you're not doing time for 20 manslaughter or murder, so when did this 21 happen, Fisher?" He said, "Wouldn't you 22 like to fucking know."" 23 Then he also gave some evidence regarding some 24 comments that you made amongst some other 11:29 25 prisoners after watching the Last Tango in Paris,

1		and you are familiar with his accusations there,	
2		are you, as to what he said?	
3	Α	Yeah.	
4	Q	And how do you respond to Mr. Patterson's	
11:29 5		suggestions first of all about the comments at the	
6		hockey fight?	
7	Α	No comment at all.	
8	Q	Did you say those things to him?	
9	Α	No I didn't.	
11:29 10	Q	Did you have a fight with him at a hockey game?	
11	Α	I don't think so.	
12	Q	Did you ever talk to John Patterson about any of	
13		the crimes for which you had been convicted?	
14	Α	No I didn't.	
11:29 15	Did you ever talk to John Patterson or te		
16		anything about the rape and murder of Gail Miller?	
17	Α	No I didn't.	
18	Q	Next is Rod McIvor; did you serve time with Rod	
19		McIvor?	
11:30 20	Α	Umm, the name sounds familiar.	
21	Q	If we can go to page 321340, this is a statement	
22		that he gave in January of 1992, Mr. McIvor says:	
23		"I started going and he started choking	
24		me, and I sort of nodded out and when I,	
11:30 25		I was still standing up, and came to and	
		•	

		. age 1.000		
1		he had this thing in his hand and he		
2		says "I killed a woman before and I went		
3		like this, and like this, and like		
4		this.""		
11:31 5		Did you ever tell McIvor that you killed a woman		
6		before?		
7	A	No.		
8	Q	Next is Brian Dodge, are you familiar with a		
9		fellow by the name of Brian Dodge, did you serve		
11:31 10		time with Brian Dodge?		
11	A	Yup.		
12	Q	And if we could call up 315255, please. I think		
13		this is Mr. Dodge's testimony at the preliminary		
14		hearing of your trial for Gail Miller, I don't		
11:31 15	believe he testified at the trial, I stand			
16		corrected on that. If we can go to 315262,		
17		please, and again he said he is asked by the		
18		Crown prosecutor.		
19		"Q And was there any other detail		
11:31 20		provided by Mr. Fisher in terms of what		
21		he had done?		
22		A Just that he stalked this woman and,		
23		and raped that woman.		
24		Q Okay. Anything else?		
11:31 25		A Apparently killed that woman."		
	I	78		

		1 age 14000		
	1		And, again, did you ever tell Mr. Dodge that you	
	2		had raped and/or killed a woman?	
	3	А	No I didn't.	
	4	Q	Do you have any explanation, Mr. Fisher, as to why	
11:32	5		the four individuals that I've read from would	
	6		have made these statement to the authorities and	
	7		you say none of them ever happened?	
	8	A	No.	
	9	Q	Did any of them have any issues with you that they	
11:32	10		would want to get you into further trouble?	
	11	А	Can't remember.	
	12	Q	I want to talk just a bit about the DNA process.	
	13		And in the process of the Supreme Court hearings,	
	14		so this would be March of 1992, do you recall	
11:32	15		being asked to provide some bodily fluid sample	
	16		for a possible DNA test?	
	17	А	Yes.	
	18	Q	And at that time did you understand, and I'm not	
	19		asking for a scientific explanation, but did	
11:32	20		you appreciated what DNA was at the time; is that	
	21		fair?	
	22	А	Yeah.	
	23	Q	And you would have understood, and again in 1992,	
	24		that in certain circumstances scientists could	
11:33	25		take bodily fluids on a victim's garment, for	

	1		example, compare through a scientific process the		
	2		DNA profile of that substance, and try and match		
	3	it or eliminate other persons based on their			
	4		bodily fluids; is that a fair		
11:33	5	A	Yeah.		
	6	Q	Is that what you would have understood?		
	7	A	Yup.		
	8	Q	And maybe, even stated more simply, that through		
	9		DNA it was possible, if a suspect provided a		
11:33	10		bodily fluid sample, it was possible to look at a		
	11		victim's clothing or some sample on a victim's		
	12		clothing that contained the perpetrator's bodily		
	13		fluid, be it blood or semen, saliva, and to run a		
	14		test and either eliminate someone by saying		
"lookit, that person's, that person com		"lookit, that person's, that person could not have			
	16		been the person who deposited this bodily fluid on		
	17		the victim", or could say that it matched or it		
	18		statistically matched; is that generally what you		
	19		would have understood at the time?		
11:34	20	A	Yes.		
	21	Q	And did you know at the time that the authorities		
	22		had the clothing that Gail Miller was wearing the		
	23		morning of her murder, her coat, panties, dress,		
	24		things of that nature?		
11:34	25	A	Yes.		

		rage 14041			
	1	Q	Q And were you generally aware that efforts had been		
	2		made by the authorities to try and get a sample		
	3		from those clothing so that a DNA test could be		
	4		conducted?		
11:34	5	A	Yes.		
	6	Q	And at the time that you provided your sample, I		
	7		think it was in March of 1992, were you aware, Mr.		
	8		Fisher, that at that time it may have been		
	9		difficult or not possible at that time to do a DNA		
11:35	10		analysis because technology did not allow the		
	11		extraction of a sample from Gail Miller's		
	12		clothing? I'm just talking about what you would		
	13		have known at the time.		
	14	A	Umm, umm, can't say.		
11:35	15	Q	Do you remember that ever being and again, I do		
	16		not want you to go into any discussions with your		
	17		legal counsel, but as far as matters before the		
	18		Court or in the media, were you aware that a DNA		
	19		test may not be possible in 1992, at the time you		
11:35	20		gave the samples?		
	21	A	No.		
	22	Q	If we can maybe call up 00, or pardon me, 020171.		
	23		This is a letter from your counsel, Mr. Beresh,		
	24		January 20, 1992 to Federal Justice, and I take it		
11:36	25		that Mr. Beresh would be setting out to Federal		
			Meyer CompuCourt Reporting		

1 Justice your position with respect to matters 2 referred to in the letter? Do you want me to go 3 through it first and ask that question? 4 Yes, please. Α 5 It says: 11:35 Q 6 "Pursuant to your previous requests for 7 our client to consider whether or not we 8 will provide a sample of his blood 9 and/or saliva for the purposes of 11:35 10 testing, please be advised that I have now had the opportunity to discuss this 11 12 matter with him. Given the information that I 13 14 had provided to him he shares my concern 11:36 15 being that there may not be sufficient 16 samples available to perform analysis of 17 the "known samples" and further that there is room for serious error where 18 19 there may have been contamination at the 11:36 20 site of the "known samples"." 21 If we pause there, I believe what the known 22 samples are would be the Gail Miller clothing 23 samples; in other words, that's what your bodily 24 fluids, the DNA would be compared to, being the 11:36 25 known samples from Gail Miller. Do you follow?

		——————————————————————————————————————		
	1	A	Yeah.	
	2	Q	Okay. So he's saying that there may not be	
	3		sufficient samples available to perform analysis	
	4		of the known samples, and then the next paragraph:	
11:36	5		"Accordingly our client wishes to await	
	6		the outcome of the testing which I	
	7		understand from you will be performed in	
	8		England.	
	9		So that his position is	
11:36	10		perfectly clear he is not refusing to	
	11		provide a sample but simply wishes to	
	12		await the result of the above-noted	
	13		testing so that he can make an informed	
	14		decision."	
11:37	15		Next page.	
	16		"I should further point out that he also	
	17		relies upon my advice in making this	
	18		decision."	
	19		Mr. Fisher, I take it that this letter written by	
11:37	20		your counsel, that would have been your position	
	21		to the Federal Department of Justice at the time?	
	22	А	Yes.	
	23	Q	And so it appears from this that you wished to	
	24		wait for further testing that's being done before	
11:37	25		you commit to giving a sample; is that a fair read	
			1	

	1		of this?	
	2	A	Yes.	
	3	Q	And then if we could go to 322475, please, and	
	4		this is an affidavit filed at the Supreme Court of	
11:37	5		Canada by Dr. Peter Davison of Ottawa, he says:	
	6		"On March 8, 1992, at approximately 7:00	
	7		p.m. I attended at the Regional	
	8		Detention Centre in Gloucester, Ontario	
	9		and met with registered nurse, Sandra	
11:38	10		Kapinsky.	
	11		I entered the Centre and was	
	12		introduced to Larry Fisher by his	
	13		counsel, Brian	
	14		A Beresh. The individual to whom I was	
11:38	15		introduced is the individual in the	
	16		photograph attached hereto as Exhibit	
	17		"A" to this my affidavit."	
	18		So on March 8th in the detention centre, Regional	
	19		Detention Centre I think your evidence was	
11:38	20		March 11th before the Supreme Court so it	
	21		appears that a couple of days before you gave	
	22		evidence before the Supreme Court of Canada you	
	23		gave a sample to Dr. Davidson; is that correct,	
	24		or Davison?	
11:38	25	А	Yes.	

	1	Q	And so paragraph 4 has your photo attached, go to		
	2	~	the next page, and then:		
	2				
	3		"At approximately 7:30 p.m. in the		
	4		presence of nurse Kapinsky, I drew		
11:38	5		directly from Larry Fisher a sample of		
	6		his blood. In addition I obtained		
	7		samples of his hair directly from his		
	8		head. I further obtained a saliva swab		
	9		directly from Mr. Fisher's mouth. In		
11:39	10		addition Mr. Fisher provided me with a		
	11		sample of his semen. Finally, I		
	12		obtained directly from Mr. Fisher a		
	13		sample of his urine. Mr. Fisher gave		
	14		his consent to my obtaining these		
11:39	15		samples."		
	16		So I take it you have no issue with what's stated		
	17		there, Mr. Fisher?		
	18	A	No.		
	19	Q	And when you gave these samples, is it fair to say		
11:39	20		that you knew that others, authorities or others		
	21		would be using these samples to compare with known		
	22		samples found on Gail Miller's clothing to see		
	23		whether there would be a comparison?		
	24	A	Yes.		
11:39	25	Q	And would it be fair to say that you knew that you \P		

	1		were prov	viding these samples knowing that they	
	2		would be used by someone at some point to either		
	3		eliminate	e you as a suspect or perhaps to inculpate	
	4		you as a	suspect; is that fair?	
11:39	5	А	Yes.		
	6	Q	And just	for the record, 322478, it's not a very	
	7		good phot	to, but I think that's the photo that Mr.	
	8		Davison t	took at the time. If we could then go	
	9		back to	the transcript, 197598, and go to 197612,	
11:40	10		and you a	are being examined by your counsel and it	
	11		says:		
	12		"Q	It is my information, sir, that you	
	13			arrived Sunday March 8, 1992?	
	14		А	Yes, sir.	
11:40	15		Q	And your arrival at the location where	
	16			you were being held was about 6:00 p.m.?	
	17		А	Right.	
	18		Q	Is it correct that at approximately 7:30	
	19			on that day you supplied directly to	
11:40	20			Dr. Peter Davison a sample of your	
	21			blood, saliva, hair and semen?	
	22		А	Yes, I did.	
	23		Q	It has been your instructions to submit	
	24			those to the crime lab for testing.	
11:40	25		А	Yes, sir.	
				1	

			. a.g		
	1		Q I take it that is with your consent that		
	2		they will remain there for testing.		
	3		A Yes, sir.		
	4		Q In addition to that, sir and just so		
11:41	5		we understand I take it it has always		
	6		been your position that you wished to		
	7		supply the samples.		
	8		A Always; whenever you want them."		
	9		And again, that's the evidence you would have		
11:41	10		given at the time before the Supreme Court?		
	11	А	Yes.		
	12	Q	And that was your position?		
	13	А	Yes.		
	14	Q	And then if we can go to 197758, please, and you		
11:41	15		were cross-examined by Mr. Wolch, and I think the		
	16		tenor of Mr. Wolch's cross-examination was that		
	17		you only gave the bodily fluid samples to Dr.		
	18		Davison when you learned that tests done in the		
	19		previous days, weeks or months concluded that a		
11:41	20		known sample couldn't be obtained from Gail		
:	21		Miller's clothing to do a comparison with your		
:	22		DNA. Do you understand my question?		
:	23	Α	Yes.		
:	24	Q	And you recall Mr. Wolch questioning you about		
11:42	25		that or that allegation being made?		
			4		

			o	
	1	A	No, I can't remember.	
	2	Q	And I think if I can just summarize it, I think	
	3		the suggestion was made, Mr. Fisher, that	
	4		certainly at the time that you provided your	
11:42	5		sample, on March 8th, 1992, you had been aware and	
	6		others had been aware that a DNA test could not be	
	7		done at that time because technology at that time	
	8		would not allow the extraction of a sample from	
	9		Gail Miller's clothing. Do you remember that at	
11:42	10		the time?	
	11	A	I can't remember it.	
	12	Q	And I think, and I'll go to a couple of answers	
	13		here, and I think at the time you said lookit,	
	14		I've always been prepared to give the samples?	
11:42	15	A	Uh-huh.	
	16	Q	And if they were given after that date, so be it,	
	17		I was always willing to give them, is that a fair	
	18		summary of what your position was?	
	19	A	Yes.	
11:43	20	Q	And so here, just go back, and I don't propose to	
	21		go through it, I think there's an issue before the	
	22		Court, I think Mr. Wolch and Mr. Beresh were	
	23		having a disagreement on certain matters and the	
	24		letter that I just read was put before the Court	
11:43	25		by Mr. Beresh, and then the next page, I don't	
			1	

	1	propose	to go through it, but that's the January
	2	20th let	ter where Mr. Beresh said lookit, there's
	3	testing	in England, let's just look to see what
	4	happens l	before you give any samples because you
11:43	5	want to	make an informed decision. And Mr. Wolch
	6	asks you	:
	7	"Q	So if I understand your position,
	8		because there might not be sufficient
	9		samples, that somehow would concern you
11:43	10		in providing a sample?
	11	A	Nothing concerns me about giving a
	12		sample. If you want it, I am gladly
	13		willing to give it to you."
	14	Next page	e:
11:43	15	"Q	Why were you concerned then? I didn't
	16		quite follow that.
	17	A	I have never been concerned about
	18		giving you samples.
	19	Q	The letter says it was shared by you you
11:43	20		shared the concern that there wasn't
	21		sufficient samples. If there weren't
	22		sufficient samples, how could that
	23		prejudice you?
	24	А	I didn't know nothing about this
11:44	25		sufficient samples.
			4

				——— Page 14550 ———————————————————————————————————
	1		Q Wh	ny were you holding back?
	2		A I	can't tell you anything about what
	3		λo	ou are going to do with the blood
	4		t	ype, or anything. I am not into
11:44	5		fo	orensics, but I am willing to give
	6		λι	ou that sample, any type of sample
	7		λα	ou want.
	8		Q No	ow?
	9		A Ar	ny time.
11:44	10		Q Wh	no did you give it to?
	11		A I	can't remember the doctors name."
	12		And I thin	c so that's accurate information
	13		then, Mr. I	Fisher, that was your position at the
	14		time?	
11:44	15	A	Yes.	
	16	Q	If I could	just call up 077786 and this is a March
	17		12th, 1992	report of the StarPhoenix by the Ottawa
	18		Corresponde	ent, so this is the day you testified, I
	19		think you t	testified the 11th and the 12th, and
11:45	20		again I jus	st want to point out this, and again,
	21		Mr. Commiss	sioner, there's other evidence other
	22		than the ne	ews article about what was going on with
	23		DNA testing	g at the time and we'll hear from other
	24		witnesses o	on that, but it goes on to say:
11:45	25		"]	He also said"
				3

	1		Referring to you,
	2		" he provided blood, semen and saliva
	3		samples when he arrived Sunday in
	4		Ottawa. Although DNA testing turned out
11:45	5		not to be possible at this time
	6		something that was known by the time
	7		Fisher gave his samples Beresh said
	8		that the specimens will be kept by the
	9		RCMP for use if technology advances to
11:45	10		the point when such small samples from
	11		the Miller murder site can be analysed."
	12		And again that, it certainly appears from this
	13		article, Mr. Fisher, that two things, number 1,
	14		at the time you gave the sample, at least
11:46	15		according to this article, it was known that DNA
	16		testing was not possible at the time, and that
	17		second let me pause there. Is that and
	18		that's what the article says. Are you able to
	19		recall whether that was the case or not?
11:46	20	A	I can't remember.
	21	Q	And secondly, that the specimens will be kept by
	22		RCMP for use if technology advances, and again, do
	23		you recall that being your position at the time?
	24	A	Yes.
11:46	25	Q	Yes? And so you understood, sir, that at some

	1		point the samples that you gave to Dr. Davison on
	2		March 8th, 1992 might be used in a test to compare
	3		it with the bodily fluids and substances found on
	4		Gail Miller's clothing?
11:46	5	A	Yes.
	6	Q	Now, let's you became aware, I take it we're
	7		done with that article that in April of 1992 or
	8		at some point that the Supreme Court of Canada
	9		rendered their decision and as a result the
11:47	10		conviction of David Milgaard for the murder of
	11		Gail Miller was set aside, I think it was on or
	12		about April 16th, 1992, and that Mr. Milgaard was
	13		released from jail on that date. Would you have
	14		become aware of that at that time or around that
11:47	15		time?
	16	A	Yes.
	17	Q	And then I think you were in jail until May of
	18		1994; is that right, and then out of jail?
	19	A	Yes.
11:47	20	Q	I want to ask you, from, let's say, April 16th
	21		you were done testifying at the Supreme Court in
	22		May. Let's say April of 1992, from that time when
	23		Mr. Milgaard was let out of jail let me back
	24		up. Before I ask you the question, let me tell
11:48	25		you that you remember in July of 1997 that DNA

	1		testing was concluded and results were publicized
	2		about testing that had been done, it was about a
	3		week before you were arrested?
	4	A	I can't remember that.
11:48	5	Q	Okay. I can show you some newspaper you
	6		remember when you were arrested for the murder of
	7		Gail Miller?
	8	А	Yeah.
	9	Q	And were you aware at that time that some DNA
11:48	10		testing had shown a couple of things; one, that
	11		the semen found on Gail Miller's panties and dress
	12		could not have come from David Milgaard, and
	13		secondly, that they matched statistically your DNA
	14		profile. Do you remember hearing about that in
11:48	15		either the media or from the police?
	16	A	From the media.
	17	Q	Yes, you did?
	18	A	Yeah.
	19	Q	So shortly before I think the results came out
11:48	20		on July 18th, 1997 and you were arrested on July
	21		25, 1997, so at some point in that time frame you
	22		would have become aware that DNA testing had been
	23		done that said Mr. Milgaard's or that the semen
	24		on the panties and dress worn by Gail Miller did
11:49	25		not match David Milgaard, but did match your DNA
			Meyer CompuCourt Reporting

			r age 17007
	1		profile, you became aware of that?
	2	A	Only through the media.
	3	Q	Okay, that's fair. But you were aware of that?
	4	A	Yeah.
11:49	5	Q	And I want to ask you from let's go back to
	6		April of 1992, April 16th or 17th when
	7		Mr. Milgaard is let out of jail. From that point
	8		in time until the time that you were arrested on
	9		July 25, 1997, or within a few days of that, did
11:49	10		any police force or police officer contact you
	11		about any matters relating to Gail Miller's
	12		murder?
	13	A	No.
	14	Q	And so after the you heard in the media about
11:50	15		the DNA results. I take it that you were, you had
	16		some contact with police, and I'll refer to a
	17		couple of articles in a moment, but within that
	18		week after the DNA results, prior to the DNA
	19		results being publicized, and you are telling us
11:50	20		that between the time you were in the Supreme
	21		Court of Canada in 1992 and the time the DNA
	22		results came out, no police officer questioned you
	23		or talked to you about the Gail Miller murder; is
	24		that correct?
11:50	25	A	No.

		1 age 14000
1	Q	That is correct?
2	А	Yes.
3	Q	If we can call up 227343, please, and this is a
4		newspaper article of June, 1994, this one is in
5		the Winnipeg Free Press, and I'll show you a
6		couple of articles, but I take it after you got
7		out of jail in 1994 the media contacted you and
8		talked about you and wrote about you and your
9		connection to the Gail Miller case; is that fair?
10	А	Yes.
11	Q	And there's a couple of articles here and again
12		that's a picture of you at your Calgary home and
13		you said, "Publicity is like the death warrant."
14		I think this is June 26, '94. So this would be
15		about a month or so after you got out of jail; is
16		that right?
17	А	Yes.
18	Q	And if we can just call out and this says:
19		"In an interview Friday night with the
20		Herald"
21		Actually, let me just back up. It just talks:
22		"Larry Fisher, released from prison
23		recently after serving 23 years for
24		seven rapes, is on the move again after
25		abandoning his rental suite in Calgary
	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24	2 A 3 Q 4 5 6 7 8 9 10 A 11 Q 12 13 14 15 16 17 A 18 Q 19 20 21 22 23 24

	1		to avoid media public attention. In an
	2		interview Friday night with the Herald,
	3		Fisher railed against the media. "I am
	4		a citizen of Canada and you guys are
11:52	5		convicting me all over again. Don't I
	6		have rights? What do you want me to do?
	7		You guys are crucifying me all over
	8		again. Everywhere I go it's the same
	9		thing."
11:52	10		And again, are those words that you would have
	11		said to the media at that time?
	12	A	Yes.
	13	Q	Can you tell us, what was happening, what were the
	14		media what was the purpose of the media
11:52	15		attention to you at the time?
	16	Α	I don't know. I didn't even know that guy that
	17		took the picture.
	18	Q	And was the media interest in you at that time to
	19		your knowledge, was that in relation to the Gail
11:52	20		Miller murder?
	21	А	Possibly, yeah.
	22	Q	If we could call up 227381, please, and again this
	23		is an article from I'm not sure, it looks like
	24		a Winnipeg newspaper. There's a date at the top,
11:53	25		September 20th, '94, "Rapist Fisher unable to

	1		escape from his past." It talks about in his
	2		third:
	3		"It is his third town since he got out
	4		of jail, his third try at slipping
11:53	5		quietly into a community where he might
	6		live unnoticed."
	7		And then:
	8		"Neighbours called media outlets. That
	9		prompted Fisher and his wife Lillian to
	10		agree to be interviewed in their home
	11		Saturday where they make yet another
	12		appeal for their family to be left
	13		alone."
	14		And then it goes on, quotes here:
11:53	15		"How many times do I have to pay? What
	16		more can I say or do?"
	17		Now, there's no mention in this article, nor was
	18		there in the last one, about the Gail Miller
	19		murder. I'm trying to understand from you, Mr.
11:54	20		Fisher, was the media attention because you were
	21		a convicted rapist and got out of jail or did it
	22		relate to the fact that the media were suggesting
	23		you were the person responsible for the Gail
	24		Miller murder?
11:54	25	A	I can't really say. It's more or less just a
			4

	Ī		——————————————————————————————————————
	1		harassment.
	2	Q	And so after you got out of jail you say
	3		harassment
	4	А	Uh-huh.
11:54	5	Q	by the media in the communities that you went
	6		to?
	7	A	Yes.
	8	Q	And are you able to say whether it related to the
	9		Gail Miller murder file or just the fact that you
11:54	10		were a convicted rapist?
	11	А	Both.
	12	Q	Both?
	13	A	Both.
	14	Q	At the time when you got out of jail in 1994, did
11:55	15		you think you were a suspect at that time in the
	16		murder of Gail Miller?
	17	A	I wasn't even thinking of it at the time.
	18	Q	Okay. Back in 1990 when Sergeant Pearson started
	19		to interview you, I think he told you you were a
11:55	20		suspect; is that fair?
	21	A	Yes.
	22	Q	So at that time you would have thought you were a
	23		suspect?
	24	A	Yes.
11:55	25	Q	And when you went to the Supreme Court of Canada,

			——————————————————————————————————————
	1		did you think you were a suspect?
	2	А	Yes.
	3	Q	And at what point, if you did, at what point did
	4		you stop thinking you were a suspect in the murder
11:55	5		of Gail Miller?
	6	A	Probably about two days before my release date.
	7	Q	So two days your release date was in May of
	8		'94?
	9	A	The 22nd, and they released me on May 20th.
11:55	10	Q	And so what happened on those what what
	11		happened on that date to cause you to think that
	12		you weren't a suspect?
	13	А	Oh, I was just being released, so my mind was
	14		elsewhere.
11:56	15	Q	And so at that time when you got out of jail in
	16		1994, then, in your mind you didn't think you were
	17		a suspect?
	18	А	No, I still thought I was a suspect, I just wasn't
	19		thinking of it at the time.
11:56	20	Q	Okay. So are you telling us that from the time
	21		Sergeant Pearson approached you in April of 1990,
	22		up until the time you were arrested on July 25,
	23		1997, did you believe, sir, that you were a
	24		suspect through that entire time?
11:56	25	A	Yes.

	1		MR. HODSON: Mr. Commissioner, this is
	2		probably a good time to break for lunch. I have
	3		about 15 minutes left.
	4		COMMISSIONER MacCALLUM: Okay.
01:30	5		(Adjourned at 11:56 a.m.)
	6		(Reconvened at 1:31 p.m.)
	7	BY N	MR. HODSON:
	8	Q	Good afternoon, Mr. Fisher. This morning I had
	9		asked you about what the status was of whether or
01:31	10		not DNA testing was possible in March of 1992 at
	11		the time that you gave your samples to the
	12		authorities; do you recall those questions I asked
	13		you?
	14	А	Yes.
01:31	15	Q	And I think I showed you an article that suggested
	16		at the time that technology, I think the words
	17		were DNA testing turned out not to be possible at
	18		this time, and I just want to go through some
	19		documents here, Mr. Fisher, that I think probably
01:31	20		more accurately describe the situation as being
	21		that, although possible, not likely.
	22		I'll just call up 103026,
	23		please. And again you will recall, I think March
	24		8th, '92 is when you gave your sample, okay, and
01:32	25		this is a letter or report, forensic lab report, I

think the date is February, February 20th I think of 1992, and if you can go to -- and this is a report from the Chief Scientist, Serology, in Ottawa to Mr. Williams and it talks about samples taken from David Milgaard and then sets out the various exhibits from Gail Miller. And then if you can go to the third page, please, and under Remarks it says:

"Based on the size of the suspect semen stain on exhibit 6 ... the bloodstains on exhibit 35 ... and the unknown residue on exhibit 13 ... the following options are available should you wish to pursue forensic DNA typing ...",

and then talks about amplified fragment length polymorphism technology, and at present this can only be done on an exclusionary basis, and then the restriction fragment length polymorphism analysis technology. I don't propose to go through those, we'll hear from other witnesses on that, but I think, based on this report, in February there was testing that was possible at the time. If I can then go ahead to -- actually, just hang on one minute here and we'll -- actually, you can go to the next page, please,

1

1 and again continuing on about some other tests that might be available. And then paragraph 4: 2 3 "If DO alpha technology is preferred, then it is recommended that the known 4 5 standards be examined first to ensure 01:34 that they are of different types, prior 6 7 to examination ..." 8 So, again, it looks as though in February of 1992 9 Patricia Alain, who I think is the author of this 01:34 10 document -- yes -- is saying that some testing 11 can be done. 12 If we can then go ahead to 13 008996, and here is a letter from Mr. Fainstein 14 to a Mr. Wolch, Mr. Beresh, and the governor --01:34 15 or the Government of Saskatchewan, and it says: 16 "Now that we have known samples of genetic materials from both David 17 18 Milgaard and Larry Fisher, it would 19 appear that one of the new PCR-based DNA 01:34 20 testing techniques, which an eminent laboratory in the United States is 21 22 willing to apply for us, may be of 23 assistance. 24 We will have the tests done 01:35 25 this week, and should have a report

1 before April 8th. I will, of course, 2 let you know the results as soon as 3 possible." And then the next one, 174222. And this is a 4 01:35 5 report of April 6th, 1992 from the laboratory in North Carolina to Mr. Fainstein with Federal 6 7 Justice, and again we'll have other witnesses who 8 will be telling us exactly what this means, but 9 it says here, 'on March 26th, 1992 ...', then 01:35 10 prepared: "... DNA from a portion of Exhibit 6, 11 12 panties. No DQ alpha type was obtained. 13 The sample was shown to be partially 14 inhibitory to the PCR reaction. 01:35 15 further testing the sample was not found 16 to contain quantifiable amounts of DNA." 17 So I think, Mr. Fisher, that's the record that, 18 before you provided your samples, there was a 19 possibility of some tests, you provided your 01:35 20 sample, tests were done, however the scientists 21 were not able to obtain a DNA profile from Gail 22 Miller's garments; does that sound accurate to 23 you? Do you have any reason to dispute that? 24 Α No. 01:36 25 Now I take it at some point in 1997 before your,

1 before the DNA results were publicized, did you 2 become aware that a test was going to be done, a DNA test? 3 4 Α No. 01:36 5 Maybe if we can call up 230215, and this is a Q letter May 16th, 1997 from your counsel, 6 7 Mr. Beresh, to Mr. Lockyer, who I think at that 8 time was representing David and/or Joyce Milgaard, 9 and Mr. Beresh was your lawyer at the time I take 01:37 10 it? 11 Α Yes. 12 And he goes on to say that he represented the 13 interests of Mr. -- or Larry Fisher before the 14 Supreme Court of Canada, and continued to 01:37 15 It says, 'I have learned from the represent him. 16 Department of Justice in Ottawa that you may be 17 planning to hold a press conference next week in 18 relation to the potential DNA testing which is 19 scheduled to take place in England this summer. 01:37 20 am uncertain as to the proposed extent or content 21 of the news conferences scheduled for next week. 22 As a result, I raise with you my concerns about 23 any potential reference to Mr. Fisher. The 24 concern is heightened by what appears to be a

previous belief by Mr. Milgaard that an attempt to

01:37 25

exonerate himself necessarily involves the implication of Mr. Fisher.

The Supreme Court of Canada, after its lengthy review, including the evidence of Mr. Fisher, did not implicate Mr. Fisher and quite frankly, in my view, the facts do not support any such implication. None of the evidence led before the Supreme Court has caused the authorities to investigate or even interview Mr. Fisher.'

And I think on that point, that's what you told us before the break today, that the authorities did not investigate or interview you after the Supreme Court of Canada decision; is that correct?

A Yes.

0

And then it goes on to say, 'As you may or may not be aware, Mr. Fisher, as a result of comments made at and following the Reference, has been subjected to attempts at vigilante justice, including the stoning of a motel room where he and his family resided for a short period of time. Any comments about him undoubtedly will lead to further inflaming of members of the public and potential physical and psychological to harm to he and his

	1		family.'
	2		And I take it, does that
	3		accurately reflect what was happening in your life
	4		at the time?
01:38	5	А	Yes.
	6	Q	And then if we could call up actually, if we
	7		can go to the next page, please, I think it talks
	8		about the Guy Paul Morin Inquiry at the top of the
	9		next page, 'In the quest for justice for Mr.
01:39	10		Milgaard, I only ask that we not create another
	11		Morin-type situation based upon unproven
	12		allegations against a citizen.
	13		I ask that you resist the
	14		temptation to join those who would override the
01:39	15		presumption of innocence by exploiting the
	16		constitutional refusal of a citizen to co-operate
	17		with State intrusion.'
	18		And if I could call up 230217,
	19		please, and this is Mr. Lockyer's reply, 'Thank
01:39	20		you for your fax of May 16, 1997. I understand
	21		the concerns that you express on behalf of your
	22		client. I was unaware of the vigilante justice to
	23		which you refer, and very much regret that it has
	24		happened.
01:39	25		The media, of course, knows of

1 the allegation that Mr. Fisher is the real culprit 2 They have raised and will in Ms. Miller's death. 3 no doubt continue to raise his name. 4 assure you, in response to your letter, that I 5 will not make any direct accusations of 01:40 culpability against Mr. Fisher but I will respond 6 7 to media questions about his part in the DNA 8 I will be releasing a copy of the 9 agreement negotiated with the Department of 01:40 10 Justice but have obliterated the clause which 11 refers to your client. 12 Your letter hints that Mr. 13 Fisher has refused to cooperate with this latest

Fisher has refused to cooperate with this latest attempt at DNA typing. I would appreciate knowing whether this is so. If he is prepared to cooperate, I will do all I can to ensure that he is able to participate fully in the testing. For example, if he wishes a scientist of his own to attend in England, I would support this. You might remind Mr. Fisher that just as Mr. Milgaard is seeking this further testing to prove his innocence, so might Mr. Fisher seek to establish his own innocence, which he continues to assert. Having studied the case at length, I cannot agree that the evidence does not implicate Mr. Fisher.

	1		I consider it remarkable that the authorities have
	2		chosen not to investigate or interview Mr. Fisher.
	3		Nevertheless, as you point out, he is entitled to
	4		the presumption of innocence.'
01:40	5		And, again, at this time, Mr.
	6		Fisher, would it be fair to say that Mr. Beresh
	7		was handling this part of the DNA issues in 1997
	8		on your behalf?
	9	A	Yes.
01:41	10	Q	Were you at were you and I don't want you to
	11		get into any discussions you had with Mr. Beresh
	12		or any matters of a solicitor/client privilege,
	13		but were you aware, generally, that testing was
	14		going to be done in England of your DNA compared
01:41	15		to samples on Gail Miller's clothing?
	16	A	Yes.
	17	Q	Okay. If we could call up 230219. And, again,
	18		this is a follow-up letter from Mr. Lockyer to
	19		Mr. Beresh, 'As you know, attempts at DNA typing
01:41	20		will commence in England on July 14, 1997.
	21		In my letter to you dated May
	22		20, 1997, I asked you to advise me whether your
	23		client was prepared to cooperate in this latest
	24		attempt. I await your reply.
01:42	25		I have now given further

1 consideration to the views that you express in 2 your May 20th letter. It is my opinion that, in 3 the extraordinary circumstances of this case, your client is in an unenviable position if he refuses 4 5 to participate in the new testing. Mr. Milgaard 01:42 obviously has nothing to hide - this further 6 testing is taking place at his instigation. Fisher would surely wish to cooperate if he also 8 9 has nothing to hide. Like Mr. Milgaard, he must 01:42 10 want to dispel any suggestion that he murdered Ms. Miller if, indeed, he was not her killer. 11 12 other hand, if Mr. Fisher is her killer, I can 13 well understand his reluctance to involve himself 14 in a process that will likely reveal his quilt.' 01:42 15 And then 289523. This is a 16 letter from your counsel June 24th, 1997, to 17 Mr. Fainstein and it says, 18 "I wholeheartedly disagree with your 19 assessment of the present state of the

"I wholeheartedly disagree with your assessment of the present state of the law and in my respectful submission the law prohibits the unauthorized use of any material subject to either consent of judicial authorization. 	1		recent decision in Feeney.
	2		Should you proceed in the
	3		fashion suggested in your correspondence
	4		you will not only imperil any subsequent
01:43	5		use of the results of the DNA but will
	6		also subject the Department to potential
	7		civil action."
	8		Now I don't want to ask you about anything
	9		related to your discussions with your counsel or
01:43	10		anything of a privileged nature, Mr. Fisher, but
	11		you had earlier told us in 1992 that you had
	12		willingly given your sample knowing that it would
	13		be used to do some DNA testing; is that correct?
	14		That's what you told us this morning.
01:43	15	A	Yes.
	16	Q	Did something change in 1997 and, again, I do
	17		not want to get into any legal advice that you
	18		received but did something change in 1997 that
	19		caused you to change your position?
01:44	20		MR. BERESH: Well, Mr. Commissioner, if I
	21		could address that, please, sir.
	22		COMMISSIONER MacCALLUM: Yes.
	23		MR. BERESH: With the greatest of respect,
	24		this question does touch on the matter of
01:44	25		solicitor/client privilege. As you can
			1

	1	appreciate, in the five years that passed between
	2	'92 and '97 there were many developments. I do
	3	not believe that my client can properly be asked
	4	this question, in fairness to him, without some
01:44	5	reference to legal advice received, so I object
	6	to the question.
	7	MR. HODSON: If that is indeed the case, I
	8	prefaced my question that I do not want to hear
	9	anything of a solicitor/client privileged nature,
01:44	10	and if he can't answer it, that's fine. I was
	11	not intending to get into discussions with
	12	counsel.
	13	COMMISSIONER MacCALLUM: Is that your
	14	position, Mr. Fisher?
01:44	15	A Yes.
	16	COMMISSIONER MacCALLUM: You can't answer
	17	the question without getting into what passed
	18	between you and Mr. Beresh?
	19	A Yes.
01:44	20	COMMISSIONER MacCALLUM: Okay.
	21	BY MR. HODSON:
	22	Q Did you be and you may have touched on this a
	23	bit earlier, Mr. Fisher, you were aware or became
	24	aware, around July 18th, 1997, that DNA testing
01:45	25	was completed in England?

		Page 14572 —————
1	A	Yes.
2	Q	And that it showed, after the DNA analysis, that
3		semen found on the panties and dress Gail Miller
4		was wearing on the morning she was murdered,
01:45 5		number 1, could not have originated from David
6		Milgaard; and 2, statistically matched your DNA
7		profile? Did you become aware of that at some
8		point after at some point around that time?
9	А	I'm really not sure.
01:46 10	Q	Okay.
11	А	Whether
12	Q	I'm sorry, go ahead?
13	А	I'm not really sure. All I heard on the media was
14		that there was a warrant out for me.
01:46 15	Q	That there was what?
16	А	A warrant.
17	Q	Okay.
18	А	So
19	Q	Let me call up 229773. This is an article of July
01:46 20		19th, 1997 which is the day after the results were
21		released, and the article says:
22		"The tests, carried out at a British
23		laboratory, point to a DNA match between
24		convicted serial rapist Larry Fisher and
01:47 25		specimens of semen on the clothing worn
		1

		5
1		by Miller when she was stabbed and
2		dumped in a Saskatoon snowbank in 1969.
3		They concluded there was a 1 in
4		100 million chance that someone other
01:47 5		than Fisher was the source for the semen
6		on Miller's clothing.
7		Last night Fisher was being
8		interviewed by police in Saskatoon, but
9		no charges are immediately expected."
01:47 10		If we can just pause there. Would it be fair to
11		say that you would have become aware of
12		information like this on or about July 18th to
13		July 19th, '97?
14	А	I can't remember the date the media came out, but
01:47 15		all I heard was that there was a warrant out, so I
16		went up to the Mounties and talked to them.
17	Q	Okay. Maybe let's just go back to the main page
18		here, an article down here again at the bottom,
19		and again my question, Mr. Fisher, is whether you
01:46 20		became aware, let's maybe state it a little
21		simpler, did you become aware that some testing,
22		some DNA testing that was done pointed to you as a
23		suspect?
24	А	No.
01:47 25	Q	You weren't?
		4

[Page 14574 ————
1	A	No.
2	Q	Do you remember going and talking to the police, I
3		think you said Mounties or to the police?
4	A	Yeah.
01:47 5	Q	And tell us how that came about?
6	A	I just heard it on the news that there was a
7		warrant out for my arrest and I went up and talked
8		to the Mounties up there.
9	Q	And where was this?
01:47 10	A	Saskatoon.
11	Q	And what did they tell you?
12	A	I got a hold of someone from city police.
13	Q	And then what happened?
14	A	Oh, then we went and had a burger or something
01:47 15		across the street and waited for him to come.
16	Q	Okay. So you went and contacted the RCMP; is that
17		right, in Saskatoon?
18	A	Yeah.
19	Q	And said you heard in the media that there was a
01:47 20		warrant for your arrest?
21	A	Yeah.
22	Q	And what did the RCMP tell you about whether there
23		was or wasn't?
24	A	They said they never had one.
01:47 25	Q	Okay. And they contacted the city police; is that
		•

			Page 14575
	1		right?
	2	A	Yeah.
	3	Q	And then did you have a discussion with someone
	4		from the city police?
01:48	5	А	Yes, I think so.
	6	Q	And what was the nature of that discussion?
	7	А	I just wanted to find out if they had a warrant
	8		for my arrest.
	9	Q	And did they?
01:48	10	А	No.
	11	Q	And so did they advise you that you were free to
	12		go?
	13	А	Yeah.
	14	Q	And just take a look at this, again I do not want
01:48	15		to get into matters of discussions with your
	16		lawyer, it says here:
	17		"On the advice of his lawyer, Fisher
	18		voluntarily made his way into the
	19		Saskatoon Police Station Friday to
01:48	20		inquire if there was a warrant out for
	21		his arrest.
	22		Police told him he is free to
	23		go, although they announced Friday they
	24		are reopening the case."
01:48	25		And I think that's what you told us, Mr. Fisher,
		Ĭ	4

			Page 14576 ————
	1		you went and talked to the RCMP and the police
	2		and they advised you there was no warrant?
	3	A	Yes.
	4	Q	If we can call up 077570, and again this is a copy
01:49	5		from the StarPhoenix of July 19th, 1997, it is
	6		reported there:
	7		"Fisher became agitated when confronted
	8		by the media Friday as he returned to
	9		his home after his meeting with police.
01:49	10		"The message I want in the paper? Leave
	11		me alone," he said outside his downtown
	12		Saskatoon apartment.
	13		"There's no warrant. I was just at the
	14		Mounties and the city police. I had
01:49	15		interviews with both. There's no
	16		warrant."
	17		Again, would you have told the media that at the
	18		time?
	19	А	Yes.
01:49	20	Q	And then I believe, sir, that you then travelled
	21		to Calgary; is that right?
	22	А	Yes.
	23	Q	And then what happened in Calgary; how did you
	24		how were you arrested?
01:49	25	Α	They came right to the house.
			a

			Page 14577
	1	Q	Okay.
	2	А	Yeah.
	3	Q	And what was your purpose in going to Calgary?
	4	A	Just to get away.
01:50	5		MR. HODSON: Okay, Mr. Fisher, those are
	6		all of my questions. I suspect that there are
	7		questions from other counsel. I'm not sure who
	8		has agreed to go first.
	9	BY 1	MR. LOCKYER:
01:50	10	Q	Me. I represent Mrs. Milgaard.
	11		Just to fill in part of what Mr.
	12		Hodson was asking you just after lunch, do you
	13		remember he showed you before lunch a newspaper
	14		story from March the 12th of 1992 in which your
01:51	15		counsel said that the DNA sample, or the blood
	16		sample that you had given could be used sometime
	17		thereafter if technology improved? Do you
	18		remember that?
	19	A	Yeah.
01:51	20	Q	That was shown to you this morning?
	21	A	Yes.
	22	Q	Yes. And just to give this a context, what I'm
	23		about to show you, as I recall it was January the
	24		19th of 1995 a man called Guy Paul Morin was
01:51	25		exonerated through DNA testing. Do you remember
			1

			1 age 1 1010
	1		that?
	2	A	Yeah.
	3	Q	And a few days after that David Milgaard announced
	4		to the media that he wanted the same thing done in
01:51	5		his case, and that's what brings us to the
	6		document I want you to look at, 268705, because
	7		our understanding, I haven't seen this document
	8		from Mr. Beresh, it comes out of the blue. This
	9		is a letter you'll see dated February the 14th of
01:52	10		1995 from your counsel Mr. Beresh to Ronald
	11		Fainstein who was the lawyer representing the
	12		Department of Justice both in the Supreme Court of
	13		Canada and thereafter and this is what it says,
	14		Mr. Beresh says:
01:52	15		"Pursuant to our telephone conversation
	16		of January 26, 1995"
	17		And I think it's reasonable to suppose that that
	18		was as a result of David Milgaard's public
	19		announcement that he wanted more DNA testing
01:52	20		done:
	21		" please be advised that I have
	22		decided to discuss this matter in person
	23		with Mr. Fisher when I am next in
	24		Saskatoon.
01:52	25		I simply do not feel

		——————————————————————————————————————
1		comfortable discussing this with him by
2		phone.
3		It is my position that the
4		consent previously provided by Mr.
01:52 5		Fisher is no longer valid and anyone
6		acting upon it does so at his own peril.
7		As soon as I have discussed
8		this with Mr. Fisher I will be in
9		immediate contact with you.
01:53 10		This of course does not, in the
11		interim, delay your office from having
12		tested the known sample provided by Mr.
13		Milgaard. Please advise me of any
14		developments in this regard."
01:53 15		Now, the suggestion in that letter is that Mr.
16		Beresh first of all seems to have changed his
17		opinion fairly dramatically from what he has
18		reported as saying on March 12th, 1992; fair? He
19		told the papers that it could be used for
01:53 20		posterity if they subsequently technology
21		improved. Do you remember that?
22	А	It's a long time ago.
23	Q	It was shown to you this morning.
24	А	Yeah.
01:53 25	Q	I'm sorry?
	II	•

	Ī		Page 14580
	1	А	Yes.
	2	Q	Okay. So Mr. Beresh seems to have changed his
	3		tune, but the suggestion in this letter is that
	4		this is before he's even talked about it with you.
01:53	5		Do you remember if you had talked to him before he
	6		wrote this letter, was it pursuant to your
	7		instructions or not?
	8		MR. BERESH: Again, it was solicitor/client
	9		privilege. My friend has no basis whatsoever for
01:54	10		requesting it and I object to it.
	11		COMMISSIONER MacCALLUM: Well, Mr. Fisher
	12		made it clear, it explicitly relates to a
	13		conversation between counsel and his client. Why
	14		is it not privileged?
01:54	15		MR. LOCKYER: I mean, I assume there hadn't
	16		been discussion because Mr. Beresh says in the
	17		letter in fact there hadn't be, so I'm just
	18		making sure there hadn't been.
	19		MR. BERESH: It doesn't say there hadn't
01:54	20		been, it says that there's some things I want to
:	21		discuss with him. It doesn't say that at all.
:	22		COMMISSIONER MacCALLUM: I don't think we
	23		can go there, Mr. Lockyer.
	24		MR. BERESH: Thank you.
01:54	25		MR. LOCKYER: All right. And then just to

	1	complete the I'm presuming the same goes for
	2	anything that changed from 1992 till 1995 as far
	3	as you are concerned, is Mr. Beresh objecting to
	4	that? The last question was going up to 1997.
01:54	5	MR. BERESH: Yes, it relates to
	6	solicitor/client privilege which is not waived
	7	and cannot be asked.
	8	MR. LOCKYER: Well, there's been a lot of
	9	questions about, from Mr. Hodson about whether
01:55	10	certain letters were sent with the witness'
	11	authority and the like.
	12	COMMISSIONER MacCALLUM: The letters are
	13	one thing and if they appear as evidence in the
	14	Inquiry they speak for themselves, but you can't
01:55	15	get to what's behind them. The letters of course
	16	involve communications between solicitor and
	17	client and therein lies the difficulty.
	18	MR. BERESH: Thank you, My Lord.
	19	BY MR. LOCKYER:
01:55	20	Q And just so we understand Mr. Beresh's letter of
	21	June 24th that My Friend Mr. Hodson showed you
	22	after lunch, can we look at 068620, because what
	23	we're going to see is Mr. Fainstein's reply,
	24	although be it very belated, two years and four
	_	

01:55 25

1 1997, not a direct reply to the letter, but it's clearly replying to, in effect, the contents of 2 3 the February 14th letter, and what Mr. Fainstein 4 says to Mr. Beresh is: 5 "I have reflected further on Fisher's 01:56 situation, and concluded that no fresh 6 7 consent from him is necessary before we 8 use the blood sample he gave in 1992 in 9 the further round of DNA testing which 01:56 10 will take place in England from July 14th. 11 12 Mr. Fisher consented to the 13 taking of a sample in the first place 14 for a DNA analysis to determine if he 01:56 15 was Gail Miller's assailant. That is 16 precisely what we mean to do with it. 17 In fact, case authority 18 suggests that we could even use the 19 sample in an entirely unrelated 01:56 20 investigation." 21 Moving to the next paragraph: 22 "If DNA is extracted from the crime 23 scene samples, and David Milgaard and 24 Gail Miller are excluded as its source, 25 we will, in my view, be at liberty to

Meyer CompuCourt Reporting =

	1		extract Mr. Fisher's profile from the
	2		sample he gave in 1992, to determine if
	3		the questioned material came from him.
	4		Counsel for Saskatchewan
01:57	5		endorses this position."
	6		I'm not sure there's anything on the next page.
	7		"I will let you know the results of
	8		testing as soon as they become available
	9		to me."
01:57	10		Presumably you were aware of that letter not
	11		necessarily of the letter, but of the fact that
	12		the Department of Justice were taking the
	13		position that the sample you had given in '92
	14		could go to England and be tested with the other
01:57	15		samples in England; am I right?
	16	A	Yeah.
	17	Q	Yes. Mr. Fisher, may I ask you this, sir, do you
	18		have could you tell me, what date is it, sir,
	19		that you are eligible for parole?
01:57	20	A	It's already
	21		MR. BERESH: How does this become relevant?
	22		I've listened to My Friend's questions of other
	23		witnesses and I apologize if I rise what might
	24		appear to be prematurely, but I just don't see
01:57	25		the relevance of this question. I'm concerned

	1	generally about the relevance of questions. This
	2	man is here to give factual information so the
	3	Commission can make a decision. He's not here to
	4	convey he's not here to be exposed to any
01:58	5	political speeches and he's certainly not here to
	6	answer anything about parole, with the greatest
	7	respect.
	8	COMMISSIONER MacCALLUM: How is it
	9	relevant, Mr. Lockyer?
01:58	10	MR. BERESH: If that would have been
	11	relevant, Commission Counsel would have covered
	12	it.
	13	MR. LOCKYER: I wasn't conscious of having
	14	made a political speech I must confess, but
01:58	15	COMMISSIONER MacCALLUM: What is the
	16	relevance of the question?
	17	MR. LOCKYER: The motivations behind the
	18	witness' evidence and particularly his continual
	19	denial, continued denial of murdering Gail
01:58	20	Miller. It relates to his prospects of release,
	21	what he has in terms of his expectations and
	22	future freedom.
	23	MR. BERESH: How is that possibly relevant
	24	unless My Friend intends to write a book about

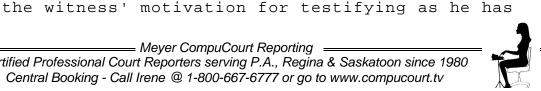

The same could have been asked --

the case.

01:58 25

1 COMMISSIONER MacCALLUM: I have difficulty, 2 Mr. Lockyer, seeing the relevance to our Terms of 3 Reference. Well, if we assume, 4 MR. LOCKYER: 5 Mr. Commissioner, that the witness is continuing 01:58 not to tell the truth, then the -- about the 6 7 murder of Gail Miller, which I think we do kind 8 of assume -- then this may well explain his 9 motivation for continuing to maintain his 01:59 10 position, that he might think that it will secure, it will help secure his release in the 11 12 future, so I'm trying to inquire into when his 13 release, he anticipates a possible release. 14 might say it's the only other area I'm asking 01:59 15 I'll be another two minutes and I'm about. 16 finished. 17 COMMISSIONER MacCALLUM: But I am concerned 18 that it relates to a Term of Reference and do you 19 say that it's relevant to the reopening of the 01:59 20 case or to the investigation? 21 I'm sorry, I didn't hear you. MR. LOCKYER: 22 COMMISSIONER MacCALLUM: Do you say it's 23 relevant to the reopening of the Milgaard case or 24 the investigation of the prosecution or simply to

01:59 25

	1	testified today?
	2	MR. LOCKYER: Well, I suppose my argument
	3	is that those two things are linked, that this
	4	witness has given evidence that we can that in
02:00	5	some regards that you may or may not accept and
	6	that if we can look at his motivations for why
	7	he's saying what he is, that that will help you
	8	better understand what reliability you can place
	9	on his evidence.
02:00	10	COMMISSIONER MacCALLUM: No, I'm not
	11	concerned about his reliability as regards the
	12	conviction for the rape of
	13	MR. LOCKYER: I appreciate that.
	14	COMMISSIONER MacCALLUM: Gail Miller.
02:00	15	MR. LOCKYER: I appreciate that. I mean
	16	overall in all regards.
	17	COMMISSIONER MacCALLUM: No, I don't
	18	consider it to be relevant, Mr. Lockyer.
	19	MR. BERESH: Thank you.
02:00	20	MR. LOCKYER: Uh-huh. Then I have no
	21	further questions.
	22	COMMISSIONER MacCALLUM: Thank you.
	23	BY MR. WOLCH:
	24	Q Mr. Fisher, I'm Hersh Wolch, I'm David Milgaard's
02:01	25	lawyer and you and I have met before; correct?

	Ī		Page 14587
	1	А	Yeah.
	2	Q	You indicated that you have spent most of your
	3		adult life incarcerated; would that be correct?
	4	А	Yes.
02:01	5	Q	And have you taken programs and gone through
	6		programs that would help you understand yourself
	7		better?
	8	А	Yes.
	9	Q	And I don't intend to go through them, but do you
02:01	10		feel you now have a better insight into your
	11		behaviour?
	12	А	If it's possible, do we have to talk about it?
	13	Q	I'm sorry, I can't hear you.
	14	А	Do we have to talk about that?
02:01	15	Q	That question requires a yes or a no.
	16	А	I'm sorry, my files at RPC were all sealed up.
	17	Q	I'm sorry, I can't hear you.
	18	А	My files at RPC are all filed up. I don't want to
	19		talk about that.
02:02	20	Q	I'm not asking you to go through your I'm
	21		simply asking, do you think you have a better
	22		insight?
	23	А	Yes, I do have a better insight on myself.
	24	Q	And you feel you have some better understanding of
02:02	25		what motivated you to commit your crimes?
			•

	Ī		——————————————————————————————————————
	1	А	Yes.
	2	Q	And in terms of what motivated you to commit your
	3		crimes against the women, can you help us as to
	4		what they were?
02:02	5		MR. BERESH: Well, with respect, Your
	6		Lordship's ruling this last week, we can't go
	7		into this.
	8		MR. WOLCH: I didn't hear that.
	9		MR. BERESH: He can't be re-examined on any
02:02	10		of this.
	11		COMMISSIONER MacCALLUM: Well, crimes is
	12		spreading it too broadly. What I ruled on was
	13		the rapes in Saskatoon. Is that what you are
	14		referring to?
02:02	15		MR. WOLCH: I'm talking about generally
	16		attacking women, as to what your motivation is.
	17		Well, I don't want to go through the individual
	18		incidents, but surely it's a legitimate question
	19		as to what motivates, and could be helpful to the
02:02	20		Commission to know what would motivate these kind
	21		of crimes and to police forces to determine who
	22		commitments them, what the leads are.
	23		MR. BERESH: I object for two reasons,
	24		number 1, I think you ruled on it last week. You
02:03	25		can't open the door a little bit, you sealed that

1 Secondly, your Terms of Reference are door shut. 2 absolutely clear, to inquire into or report on 3 any and all aspects of the conduct of the investigation and the conduct of subsequent 4 5 criminal proceedings in terms of reopening. This doesn't raise that issue at all. 6 7 COMMISSIONER MacCALLUM: How does it? MR. WOLCH: Sorry?

Wolch?

COMMISSIONER MacCALLUM: How does it, Mr.

Because it would be my position MR. WOLCH: that had the police identified Mr. -- let's say this happened today and the police went to the bus stop and spoke to the individual and wanted to inquire into him and if they were to learn that he had difficulty with nurses, with people in authority, with women, with women assaulting him in the past, that would be a clue to pursue him as a more logical suspect, and that could have been done in his case, it could be done today, and it's something the Commission might want to recommend, that in the future profiling be done as to what motivates people to commit these kind of crimes and who better to tell us than the man himself.

02:04 25

1	COMMISSIONER MacCALLUM: You mean profiling
2	in the course of the routine check at the bus
3	stop.
4	MR. WOLCH: Absolutely, absolutely, when
<i>0</i> 2: <i>0</i> 4 5	you find out he wasn't there that morning and
6	lied, that's a darn good reason to look more
7	closely and that he lives at the Cadrain home, a
8	darn good reason to look at his background more
9	closely.
<i>02:04</i> 10	MR. BERESH: That's an issue for the
11	police, not to put to this witness. He's not an
12	expert.
13	MR. WOLCH: Oh, yes, he is.
14	COMMISSIONER MacCALLUM: Well, you've heard
<i>02:04</i> 15	your friend put this in the context of the Terms
16	of Reference. How has it anything to do with the
17	investigation or the prosecution or the
18	reopening?
19	MR. WOLCH: Well, what to investigate,
02:05 20	where do we look, what kind of people do we look
21	at.
22	COMMISSIONER MacCALLUM: But the fact of
23	the police not having asked these questions when
24	this witness was investigated is there for us all
02:05 25	to consider for what it's worth. I don't see

	1		what possible link Mr. Fisher can shed on that
	2		particular aspect. It's a plain fact of the
	3		matter. I can draw the conclusions from it that
	4		are necessary, sure.
02:05	5		MR. BERESH: Thank you, Mr. Commissioner.
	6	ВУ	MR. WOLCH:
	7	Q	Well, let's talk about the bus stop then. When
	8		you were stopped and the police officer spoke to
	9		you at the bus stop, okay
02:05	10	Α	Yes.
	11	Q	you had already spoken to your wife who had
	12		accused you of the murder; correct?
	13	A	Yes.
	14	Q	And we also knew that you were the guy committing
02:06	15		rapes in the area; correct?
	16	А	Yes.
	17		COMMISSIONER MacCALLUM: I'm sorry, I just
	18		want to be clear about that because I can't
	19		remember from his evidence if he was ever sure
02:06	20		whether that bus stop thing preceded his talk
	21		with his wife or followed it. Could you just
	22		clear that up for us, sir? Do you remember?
	23	А	I'm not sure when.
	24		COMMISSIONER MacCALLUM: Okay.
02:06	25	ВУ	MR. WOLCH:

			7 ago 7 1002
	1	Q	He did agree, but your wife says it happened the
	2		day of the murder, the morning of the murder, and
	3		you are not necessarily disagreeing with her are
	4		you?
02:06	5	А	I don't know when she said it.
	6	Q	She said it happened then.
	7	A	That's her. I can't remember when, sorry.
	8	Q	So you can't disagree with her particularly?
	9	А	No, I can't.
02:06	10	Q	Okay. So presumably when you are at the bus stop
	11		you've been accused of a murder by your wife and
	12		you know the murder was a murder nearby and you
	13		know you are the rapist in the area; correct? You
	14		are the man committing rapes in that area, you
02:07	15		know that.
	16	A	I'm not disputing that.
	17	Q	At that moment you know that?
	18	A	Yes.
	19	Q	And surely as an intelligent person you would
02:07	20		think that the police might think the rapist in
	21		the area committed this rape/murder. That would
	22		cross your mind, wouldn't it, your wife even
	23		thought that. Wouldn't that cross your mind?
	24	A	Sure.
02:07	25	Q	Sorry?

		Page 14593 —————
1	А	Yes.
2	Q	So you would have gotten very nervous; wouldn't
3		you have?
4	А	Yeah.
02:07 5	Q	And then when you are back home, surely you would
6		have seen the police coming to talk to the
7		Cadrains, they came many times?
8	A	No.
9	Q	And you knew Shorty pretty well?
02:07 10	А	I didn't know Shorty pretty well.
11	Q	Well, you got him a job and even years later you
12		chatted with him on the phone?
13	A	That was coincidental.
14	Q	I'm sorry, I can't hear you.
02:08 15	A	It was coincidental.
16	Q	I know that, but you knew him well enough that
17		many, many years later you chatted with him on the
18		phone?
19	A	I didn't know him that good.
02:08 20	Q	You lived in the same house?
21	A	I still didn't have time to talk to him. I didn't
22		know him that good.
23	Q	But you were interested in what the police were
24		doing weren't you?
02:08 25	А	No, I wasn't.

		Page 14594 ===================================
1	Q	You knew they might point the finger at the rapist
2		in the area?
3	А	I don't know what the police were doing. I never
4		seen them there, I never chatted with them.
5	Q	You chatted with them at the bus stop?
6	А	At the bus stop, yes.
7	Q	But you would have known that the rapist in the
8		area, i.e., you, would be a suspect?
9	А	That's a possibility, yeah.
10	Q	It was even in the paper?
11	А	I didn't read the paper back then, sorry.
12	Q	I appreciate that, but surely you, as you agreed,
13		would have been worried they would point the
14		finger at you if they caught you?
15	А	They had my name ever since then, so
16	Q	Pardon me?
17	А	They've had my name ever since the bus stop
18		meeting.
19	Q	I appreciate that.
20	А	So
21	Q	I'm trying to figure out how you felt about it.
22	А	Listen, I went to work. That was it.
23	Q	You went to work?
24	А	I came home, I didn't see no cops, nothing.
25		Simple.

			Page 14595
	1	Q	And your wife accused you of murder?
	2	A	My wife and I used to argue about everything.
	3	Q	About murder?
	4	A	I said she accused me of just about everything, so
02:09	5		that was that.
	6	Q	Well, you cared for her a lot didn't you?
	7	А	Did I?
	8	Q	We've got letters, I can go through them all,
	9		letters and letters begging her to stand by you?
02:09	10	A	I'm not going to get into discussions about how my
	11		wife might have felt or how we felt.
	12	Q	When you say here she was accusing you of a lot of
	13		things, the fact is, and I can bring them up very
	14		easy, there are many, many letters that you
02:09	15		profess your love to her, cared for her let me
	16		finish and what a great person she was?
	17	А	She was, even though we did argue.
	18	Q	So there was good features about your wife?
	19	A	Yeah.
02:10	20	Q	Correct?
	21	А	Some, yeah.
	22	Q	So are you saying you didn't notice the police
	23		coming to talk to the Cadrains or anything like
	24		that?
02:10	25	А	True.

			S C C C C C C C C C C C C C C C C C C C
	1	Q	And your evidence is you never once said, hey
	2		Shorty, what's going on, what's all this about, or
	3		Mrs. Cadrain, what's this about or anything like
	4		that?
02:10	5	A	True.
	6	Q	Even though you knew you might be a suspect?
	7	A	I didn't see no police, nothing. I just went to
	8		work, came back, that was it.
	9	Q	Now, you say you went to work, but you are aware
02:11	10		of the fact that Mrs. Gallucci, who took the bus
	11		with you regularly, says you weren't there that
	12		morning?
	13	A	That's her opinion.
	14	Q	Okay.
02:11	15		MR. ELSON: Excuse me, Mr. Commissioner,
	16		I'm sorry, I believe just for the purposes of the
	17		record, if my friend is going to refer to the
	18		comment made by Mrs. Gallucci, perhaps he should
	19		refer to the investigation report because, with
02:11	20		the greatest of respect, and I stand to be
	21		corrected on this, that was not my recollection
	22		of what Mrs. Gallucci had said as recorded in the
	23		investigation report.
	24		COMMISSIONER MacCALLUM: Do you have the
02:11	25		number handy, Mr. Wolch?
		1	4

	1	MR. WOLCH: I don't, sir. I wasn't
	2	planning on necessarily going through this, but
	3	
	4	MR. ELSON: I believe it's 106234 and that
02:11	5	was the investigation report by Detective Reid
	6	dated February 6, 1969.
	7	MR. WOLCH: There are several reports.
	8	There's also his notes as well.
	9	MR. ELSON: I believe it was the statement
02:12	10	that was put, and I believe it's at the foot of
	11	that page.
	12	MR. WOLCH: I'm not sure what your point
	13	is.
	14	COMMISSIONER MacCALLUM: And is that the
02:12	15	end of it?
	16	MR. ELSON: I believe that's the end of it.
	17	COMMISSIONER MacCALLUM: I don't think she
	18	makes any reference there to him not being on the
	19	bus that morning.
02:12	20	MR. WOLCH: Not being on the bus?
	21	COMMISSIONER MacCALLUM: Right.
	22	MR. ELSON: I think My Friend may be
	23	mistaken with respect to the statement of John
	24	Husulak who was the bus driver because it was
02:12	25	Mr. Husulak who had said that the gentleman who

	1	he had originally identified as having a red hard
	2	hat was not on the bus that day and then
	3	subsequently he corrected himself and indicated
	4	that it was a red hat and we now understand that
02:12	5	person to have been Mr. Humen.
	6	MR. WOLCH: When we get to the notes we'll
	7	see it's different. There's no doubt in my mind
	8	she says that that morning neither got on the
	9	bus.
02:13	10	COMMISSIONER MacCALLUM: Well, Mr. Elson
	11	doubts it, so I guess we'll have to find out
	12	before you go further with it.
	13	MR. WOLCH: I don't have the notes. Maybe
	14	Commission Counsel could help.
02:13	15	COMMISSIONER MacCALLUM: I remember
	16	reference being made to it, yesterday I think it
	17	was.
	18	MR. WOLCH: It's in the officer's notebook.
	19	It's around 278802, I think it's in those notes,
02:14	20	but I'm not exactly sure where, although maybe
	21	Mr. Fisher is being
	22	MR. HODSON: Is that in McCorriston's
	23	notes?
	24	MR. WOLCH: McCorriston's notes, yeah.
02:14	25	MR. HODSON: They are 041688, is the doc
		1

1	ID. Page 8.
2	MR. WOLCH: I'm sorry, I'm looking for
3	Mrs. Gallucci, and it's not here. Mr.
4	Commissioner, I'm prepared to skip over this and
02:16 5	bring it tomorrow morning for you, if need be.
6	COMMISSIONER MacCALLUM: I guess you will
7	have to. I can't see it here.
8	MR. WOLCH: It's in the notes of
9	Mr. Gallucci that the pretty nurse and the fella
02:16 10	in the hard hat took the bus on Thursday but they
11	weren't there on Friday, I just I do recall
12	that quite vividly, it's just that I can't put my
13	finger on it at the moment. I think she even
14	described the clothing.
02:16 15	COMMISSIONER MacCALLUM: There is a
16	February the 2nd note by McCorriston regarding
17	the fella that didn't catch the bus, sometimes
18	has to run, is that what we just looked at? Yes,
19	688, 041688, try 0141688. Oh, that's it, we just
02:17 20	looked at that. Try 106234, Detective Bennett.
21	MR. HODSON: She testified at the Larry
22	Fisher trial.
23	MR. WOLCH: Yes. I thought it was common
24	ground, that's why I didn't pick out the
02:18 25	particular reference for it.

	1	COMMISSIONER MacCALLUM: Okay. At the
	2	bottom there, the last paragraph.
	3	MR. WOLCH: Yes.
	4	COMMISSIONER MacCALLUM: Blow that up,
02:18	5	please. Just have a look at that, Mr. Wolch.
	6	MR. WOLCH: Yeah. She recalls the girl got
	7	on the bus at the above with her, etcetera,
	8	describes the girl, there is a young man who gets
	9	on the bus, construction worker, blue jeans, hard
02:18	10	hat, comes from O and 20th Street, getting on the
	11	bus the same time since that day.
	12	COMMISSIONER MacCALLUM: Well, we looked at
	13	that, I'm sorry.
	14	MR. WOLCH: I'm not sure what Mr. Elson's
02:18	15	point is.
	16	MR. ELSON: My only difficulty is that, if
	17	it's suggested that he was not on the bus that
	18	day
	19	COMMISSIONER MacCALLUM: That was the
02:18	20	suggestion.
	21	MR. ELSON: and that was the suggestion,
	22	my only concern was I don't recall that
	23	suggestion having been made by Mary Gallucci.
	24	That was the only reason that I'm making it. I
02:18	25	think that premise was central to My Friend's

question.

MR. FOX: I'm not sure what she eventually said at the trial. At the prelim, she did testify at the prelim, she's at 214847 is her prelim transcript, I believe, and at 214852 she does mention that there was a, what appears to have been a nurse catching a bus and a fellow with a yellow hard hat. She's asked if they got on the bus on January 31st and at 314852 she says she can't recall.

COMMISSIONER MacCALLUM: Okay.

MR. FOX: I'm not sure what she said at trial --

MR. WOLCH: Okay.

MR. FOX: -- or subsequent.

MR. BERESH: Then, Mr. Commissioner, that brings me to my feet, and I apologize for this, my question is the relevance of it. And the relevance is this, if Ms. Gallucci said this person was or was not on the bus, it means either the person wasn't on the bus when she got on, but we know a number of busses took place, or it means she didn't see the person get on. But in any event, what's the ultimate aim of this questioning, where are we going with it. It

1

	1	seems to me we're going nowhere, that because
	2	again, we're not addressing the central issue
	3	which is the conduct of the investigation, police
	4	weren't involved at that point, or the
02:20	5	re-opening, we're simply not addressing that.
	6	If My Friend is attempting to
	7	attempt an end run like he did at the Supreme
	8	Court, well his questions there may have been
	9	relevant, but they are certainly not here because
02:20	10	your jurisdiction is fairly closely prescribed.
	11	So let's look at the ultimate aim of the
	12	questioning, unless My Friend can establish some
	13	relevance, I say it's not.
	14	COMMISSIONER MacCALLUM: Well Mr. Wolch can
02:20	15	certainly speak for himself, but I said last week
	16	that we are in we have a right to expect from
	17	this man an account of his actions on the 31st
	18	MR. BERESH: Yes.
	19	COMMISSIONER MacCALLUM: and surely this
02:20	20	is part of it.
	21	MR. BERESH: But surely the question is
	22	this; the ultimate question is if Mrs. Gallucci
	23	says 'you weren't on X bus, how do you explain
	24	that', well how could the witness possibly
02:21	25	explain why Mrs. Gallucci may be mistaken, why

	J Company of the comp
1	she
2	COMMISSIONER MacCALLUM: No, no, I don't
3	think he was asked that, he asked if he was
4	there.
02:21 5	MR. BERESH: Well, but in the statement we
6	see from the police she said he wasn't on the bus
7	on Wednesday.
8	COMMISSIONER MacCALLUM: Well we don't know
9	that. At the moment Mr. Wolch is at a
02:21 10	disadvantage because he can't come up with the
11	her statement in written form
12	MR. BERESH: Well
13	COMMISSIONER MacCALLUM: so the closest
14	we've gotten to it so far is that at preliminary
02:21 15	she said she couldn't recall.
16	MR. BERESH: And the police report I think,
17	as I read it, said the person wasn't on the bus
18	on Wednesday.
19	COMMISSIONER MacCALLUM: Well I think it's
02:21 20	relevant, it's a question of weight of course,
21	and but before we get on, before we go into it
22	further, we'll have to get over this hurdle of
23	whether it was ever said.
24	MR. WOLCH: It was said.
02:21 25	COMMISSIONER MacCALLUM: So if you want to
	•

	1	just take some time to look it up?
	2	MR. WOLCH: I will look it up and bring it
	3	to you but I must say, of the questions I was
	4	going to ask, this is about the least important I
02:21	5	was going to ask in the whole afternoon. It
	6	wasn't the focus, it was happened to arise
	7	from the answer of the witnesses.
	8	COMMISSIONER MacCALLUM: All right.
	9	MR. WOLCH: Okay.
02:22	10	MR. FOX: I hate to interrupt Mr. Wolch
	11	again but I think the trial transcript, if you
	12	want it for the record, Mr. Commissioner?
	13	COMMISSIONER MacCALLUM: Yes.
	14	MR. FOX: Ms. Gallucci, I think the trial
02:22	15	transcript is 314199, and I think she is
	16	questioned about that at 314205, and I think it
	17	again indicates that she didn't recall what
	18	whether they were there that day.
	19	COMMISSIONER MacCALLUM: Thanks very much,
02:22	20	Mr. Fox.
	21	MR. WOLCH: Thank you.
	22	BY MR. WOLCH:
	23	Q Let's move on to Fort Garry. Now you were
	24	arrested in Fort Garry and I'm interested in how
02:22	25	you came to admit some offences and deny others.

		Page 14605
1		You can't even account for when you admitted the
2		last two offences; can you?
3	А	Probably
4	Q	The last two Saskatoon offences?
02:23 5	А	Probably not.
6	Q	Well, when you were picked up in Fort Garry, would
7		you have known that the Milgaard matter or the
8		Miller matter, rather, was supposedly solved?
9	А	No.
02:23 10	Q	So you thought it was still an open investigation
11		into the murder of a nurse in your neighbourhood?
12	А	I didn't know nothing about it then.
13	Q	Well, sure you did, you were questioned about it
14		and your wife accused you of it?
<i>0</i> 2:23 15	А	I didn't know whether it was still in effect or
16		whether it was over or what.
17	Q	That's all I'm asking you.
18	А	That's what I told you.
19	Q	You didn't know
02:23 20	А	I didn't know.
21	Q	it had been supposedly solved?
22	А	I didn't know.
23	Q	So you would have thought that the finger might
24		still point at you?
02:23 25	A	No, I didn't think anything like that, at all,
	11	

			1 age 14000
	1		then.
	2	Q	Well you knew you were the rapist in the area?
	3	A	I knew it, yes, but I didn't
	4	Q	And, if the murder was still unsolved, the police
02:24	5		might question you about the murder?
	6	А	If I was thinking of it at the time, yes I would
	7		have probably thought that, but I wasn't. Sorry.
	8	Q	It was put to you by Commission counsel but you
	9		also told Detective Huff that you had done about
02:24	10		five, sort of, indecent assaults grabbing women;
	11		did I hear you correctly this morning that you
	12		deny telling Huff that completely?
	13	А	You are going to have to refresh my memory on
	14		this.
02:24	15	Q	Well Commission Counsel showed you Huff's
	16		affidavit where he said that and Huff told us
	17		this here as well that you had admitted to him
	18		that there had been five occasions where you had
	19		grabbed women in the Fort Garry area. That was
02:24	20		shown to you by counsel this morning. In fact,
	21		let me be clearer, is it your evidence that you
	22		didn't do it, you didn't tell Huff that you did
	23		it, or both?
	24	А	Are you saying these happened in the Fort Garry
02:25	25		area?

			Page 14607
	1	Q	That's what he said.
	2	А	Well are those the ones that I didn't admit to?
	3	Q	No. What Huff was saying is, besides the two that
	4		you were admitting, there were five others that he
02:25	5		couldn't link up with the Winnipeg Police that you
	6		had told him you had done?
	7	А	Link up with the Winnipeg Police?
	8	Q	Yes. Fort Garry is part of Winnipeg.
	9	A	Yeah.
02:25	10	Q	Okay. Do you understand me?
	11	A	So which ones are you going for, which charges are
	12		you talking about?
	13	Q	You were arrested in Fort Garry.
	14	A	I know that, but which charges are you referring
02:25	15		to?
	16	Q	Five that were never laid against you because they
	17		couldn't link them, but are you denying you told
	18		Huff that there were five others?
	19	A	Which five? Where from?
02:25	20	Q	In the Winnipeg/Fort Garry area.
	21	A	I'm not gonna admit to five charges there that
	22		never happened.
	23	Q	Did you tell Huff that?
	24	А	Yes.
02:26	25	Q	That's all I'm asking you.
			•

	Į.		
			, a.g
	1	А	Yes.
	2	Q	Did you tell Huff
	3	А	Yes.
	4	Q	that there were five?
02:26	5	А	No.
	6	Q	That's all I'm asking you.
	7	А	Well, that's the answer you are gettin'.
	8	Q	Okay.
	9	А	Sorry.
02:26	10	Q	Now as far as crimes you've committed, you haven't
	11		been caught on every one, would that be fair?
	12	A	The ones I admitted to, I did. Sorry.
	13	Q	I agree with you, but surely you weren't caught
	14		every time?
02:26	15	A	I just said, every one I committed I admitted to,
	16		so
	17	Q	But you haven't been caught every time?
	18	A	I just said, every one I admitted to, I committed.
	19	Q	Okay, but listen to my question. Surely, every
02:26	20		time you've attacked a woman, you haven't been
	21		caught?
2	22	А	Well, yeah.
	23	Q	Okay. So there are some out there you haven't
:	24		been prosecuted for?
02:26	25	А	No. I've admitted to the ones that I've
	I)	1	

	Ī		
	1		committed.
	2	Q	So there is none out there?
	3	A	That's right.
	4	Q	Every offence you ever committed you've been
02:26	5		charged and convicted of?
	6	A	Right.
	7	Q	You said that, when you were in Fort Garry, you
	8		had an inclination to go in and confess?
	9	A	Right.
02:27	10	Q	So, when you were arrested in the act, why didn't
	11		you confess?
	12	А	Umm, just felt scared.
	13	Q	I'm sorry, I keep missing your answers?
	14	A	Felt scared.
02:27	15	Q	Scared of what?
	16	А	Just about everyone and everything.
	17	Q	Okay. So you almost walked into a police station,
	18		you say to confess, and then when you are arrested
	19		you don't confess to all your offences?
02:27	20	A	That's right.
	21	Q	Because you're scared?
	22	A	Yes.
	23	Q	So it's clear you are prepared to lie to people
	24		about whether you commit a crime?
02:28	25	A	No.
		i	

	Ī		Page 14610
			<u> </u>
	1	Q	You are not well, you denied two offences you
	2		did?
	3	А	I admitted to them all afterwards so don't say I'm
	4		going to sit and lie about 'em.
02:28	5	Q	But you lied at the beginning?
	6	A	No, I didn't, I just didn't admit to them.
	7	Q	Didn't you deny doing them?
	8	A	No. I admitted to 'em.
	9	Q	Okay. When the Saskatoon Police came, you
02:28	10		admitted to two, and we think you denied two
	11		others at the beginning?
	12	A	I'm not going to get technical about what I did
	13		and what I didn't do. I admitted to all the
	14		charges that I committed and I got sentenced to
02:28	15		them. Sorry.
	16	Q	Did Saskatoon Police question you about all your
	17		offences in Saskatoon?
	18	A	Yes.
	19	Q	Four of them?
02:28	20	A	Yes.
	21	Q	And you admitted two?
	22	A	I admitted to four of them there.
	23	Q	Well, two months later, so you denied them
	24		initially?
02:28	25	A	Did I not admit to them though? Yes.

Page 14611

	1	Q	Okay. So lying and changing your mind wipes out
	2		the lie?
	3	А	I'm not saying that, you are.
	4	Q	Then you tell me?
02:28	5	А	No, I admitted to 'em all, I did the time for
	6		'em,
	7	Q	You
	8	A	I'm sorry. I'm not going to sit and argue back
	9		and forth with you, I admitted to them over the
02:29 1	0		time, and I did my time for 'em. Sorry.
1	1	Q	But, well, I'm sorry, I'm saying to you you denied
1	2		two of them initially?
1	3	A	And then I admitted to 'em.
1	4	Q	So when you denied them at the beginning that was
02:29 1	5		a lie?
1	6	A	Then I admitted to it. Sorry.
1	7	Q	Answer my question. When you denied two
1	8		initially, that was a lie, was it not?
1	9	A	Did I refuse to admit it then, no, I admitted to
02:29 2	:O		it. I'm sorry.
2	1	Q	Mr. Fisher, that's not a difficult question.
2	2	Α	It is not, and it's a good answer, too, you are
2	:3		gettin'. So I'm not going to argue back and
2	24		forth.
02:29 2	25	Q	I'm not asking you to argue, I'm asking you to

	Ī		Page 14612
	1		answer a simple
	2	А	And I'm not going to get into this little
	3		psychological deal going with you. I did it, I
	4		did my time, sorry.
02:29	5	Q	Mr. Fisher, I'm going to ask you a simple, simple
	6		question. When Saskatoon Police spoke to you
	7		about four offences in Saskatoon did you not deny
	8		two and, thereby, lie to them?
	9	A	No, I didn't lie to 'em, I just didn't give 'em
02:30	10		the other two.
	11	Q	I'm sorry, I couldn't hear?
	12	А	Don't go putting words in my mouth, because I
	13		didn't lie to 'em, I just didn't tell 'em the
	14		other two. Sorry.
02:30	15	Q	Did they ask you whether you did them?
	16	A	I can't remember back that far. That's 35 years
	17		ago.
	18	Q	Well I'm going to suggest to you that you admitted
	19		to two because you thought they were the ones
02:30	20		after the Miller murder. You admitted to two;
	21		correct?
	22	А	Right.
	23	Q	And those two you believed occurred after Miller,
	24		not before, is that correct?
02:30	25	A	I don't know the times and the dates, no.
			≜ ∙

			——————————————————————————————————————
	1	Q	Well my suggestion is you didn't want to get
	2		linked to anything that was around the time of the
	3		Gail Miller murder?
	4	A	I don't think so.
02:31	5	Q	Well, if we can see 002032, you say this is
	6		your statement to Fort Garry Police you say you
	7		want to clear up three more things.
	8		COMMISSIONER MacCALLUM: It's dated the
	9		21st of October, 1970.
02:31	10		MR. WOLCH: Yes, thank you, sir.
	11		BY MR. WOLCH:
	12	Q	"I want to clear up three more things. The
	13		first one was in Saskatoon sometime around
	14		this spring."
02:31	15		That would be after the Miller murder; correct?
	16	A	Well I can't remember the date.
	17	Q	Well, that was spring and this was 1970, so you
	18		can rest assured that would be after the Miller
	19		murder.
02:31	20	А	Okay, then it's after the Miller murder.
	21	Q	Okay.
	22		"The first one was in Saskatoon
	23		sometimes around the spring",
	24		and you describe an event. The second one near
02:32	25		the university, that's after the first one. If
		Ĭ	

			ŭ
	1		we can scroll down, the third one in Winnipeg, do
	2		you see that?
	3	А	Yup.
	4	Q	So you are admitting two in Saskatoon, both after
02:32	5		the Miller murder, you were wrong about the dates
	6		but that's a different matter.
	7	А	I don't know what the dates were. Sorry.
	8	Q	Well I'm suggesting to you it was very deliberate
	9		that you didn't want to talk about anything around
02:32	10		the time of Miller, particularly the two that
	11		happened before?
	12	А	I'm not gonna get technical about what when
	13		they happened and what time they happened, I'm
	14		just admittin' I gave them the dates, and I did my
02:32	15		time for what I did. Sorry.
	16		COMMISSIONER MacCALLUM: Answer the
	17		question, Mr. Fisher, you understand it I'm sure?
	18	А	Yeah, I understand it, and he seems to be working
	19		around it. I admitted to it, yeah.
02:32	20	ВҮ	MR. WOLCH:
	21	Q	But the ones you admit, that he well it's the
	22		wrong time, you're admitting to two offences,
	23		unless you've got one confused?
	24	А	No, I'm not saying anything is confused, I can't
02:33	25		remember the dates and when these happened.

	1	Q	Can you remember being questioned by the Saskatoon
	2		Police?
	3	Α	Yeah.
	4	Q	Did they appear aggressive in questioning you?
02:33	5	А	No.
	6	Q	Treated you nicely?
	7	А	Just asked me questions.
	8	Q	Did they ask you to give all the addresses that
	9		where you lived in Saskatoon in the last while?
02:33	10	А	No.
1	11	Q	You weren't ever asked what different places you
1	12		were living in Saskatoon?
1	13	А	I don't think I was.
1	14	Q	Did they ask you to give a blood sample?
02:33	15	А	No.
1	16	Q	A hair sample?
1	17	А	No.
1	18	Q	Now would it be fair to say that the Manitoba
1	19		prosecution treated this extremely seriously, your
02:34 2	20		Manitoba offences?
2	21	А	I can't say.
2	22	Q	They wanted really big time on you?
2	23	A	I can't say how they felt.
2	24	Q	Pardon me?
02:34 2	25	А	I can't say how they felt.

			rage 14010
	1	Q	Did you think, back then, that they were out to
	2		really get you?
	3	A	Nope.
	4	Q	I wonder if we can get 020185. Do you recognize
02:34	5		this document?
	6	A	Yup.
	7	Q	And this would be a letter in May from you to your
	8		wife?
	9	A	Yup.
02:35	10	Q	If we can pick out that paragraph there:
	11		"As you know yourself that there were
	12		three charges, well heres how they ended
	13		up, two six and a half year terms and a
	14		one year term which ends up to fourteen
02:35	15		so think over that question about a
	16		divorce and let me know if you want me
	17		or not."
	18		So that's right after your sentencing; correct?
	19	A	Possibly, yup.
02:35	20	Q	If we could scroll down to the bottom and
	21		highlight this portion:
	22		"I don't know what is going to happen
	23		about the two charges back home, but all
	24		I know is they're going to be pretty
02:35	25		stiff. My lawyer figures I'll be out in \P

2		that very much. The prosecutor,
3		"Morton" or Norton",
4		that's W.W. Morton:
5		" one of the two was trying to set an
6		example and give me life with lashes but
7		the lawyer got me off with what I told
8		you in the top paragraph."
9		Now that seems to me, unless you are misleading
10		your wife, that the prosecution was really out to
11		make an example of you?
12	А	Yeah, they were.
13	Q	Okay. So they wanted maybe life and lashes?
14	А	Yeah.
15	Q	Now is that something that actually was said to
16		you or something you are trying to convey to your
17		wife that might not be true?
18	А	It's something I heard.
19	Q	Sorry?
20	А	It was heard.
21	Q	I keep missing you?
22	А	It was heard.
23	Q	Okay. So it was conveyed to you they wanted life
24		and the lash?
25	Α	Yeah.

	1	Q	Okay. So they were taking it pretty seriously?
	2	А	Yeah.
	3	Q	And but here you've only got two charges back
	4		home?
02:36	5	А	That's all I know of there, yes.
	6	Q	Okay. So, I mean, now we're into late May and you
	7		haven't admitted to the other two charges?
	8	А	I'm not going to go into that again. I haven't
	9		admitted to them then, but I did admit to them, I
02:37	10		did do the time. I'm sorry.
	11	Q	My question is not complicated. So as of May 29th
	12		you hadn't admitted to the other two Saskatoon
	13		charges, unless you were misleading your wife?
	14		COMMISSIONER MacCALLUM: No, I think he
02:37	15		said he he acknowledged that.
	16		MR. WOLCH: Oh, I'm sorry, I didn't
	17		COMMISSIONER MacCALLUM: Yeah.
	18		BY MR. WOLCH:
	19	Q	I didn't get that. That is correct?
02:37	20	А	Right.
	21	Q	Okay. And I assume that you expected to go back
	22		to Saskatoon
	23	А	No.
	24	Q	to face your charges?
02:37	25	A	No, I expected to go back to P.A. Pen.

Page 14619

			——————————————————————————————————————
			ŭ
	1	Q	But eventually to go to Saskatoon?
	2	A	I wasn't sure where I was gonna go.
	3	Q	Well, wouldn't you expect to face Saskatoon
	4		charges in Saskatoon?
02:37	5	А	I wasn't sure where they were gonna send me, I
	6		knew I was going back to P.A., and that's where I
	7		knew I was going.
	8	Q	And you were going to plead guilty?
	9	A	Yes.
02:38	10	Q	As of this day you were going to plead guilty for
	11		two charges?
	12	A	It was already in the making prior to going back.
	13	Q	Okay. In the end of May you were going back to
	14		face two charges, I expect you thought you would
02:38	15		be taken to Saskatoon, where the charges arise?
	16	А	No, I knew I was goin' to P.A. Pen, from there I'm
	17		not sure where they were gonna send me.
	18	Q	And what did you think you were gonna get?
	19	А	I really couldn't tell you.
02:38	20	Q	Would you agree with me that the Saskatoon
	21		offences were more serious than the Winnipeg ones?
	22	А	I'm not gonna judge which ones were real serious
	23		because they're all serious. Sorry.
	24	Q	You had four in Saskatoon, two in Winnipeg,
02:38	25	А	Right.
		ii e	

Page 14620

			——————————————————————————————————————
	1	Q	so you expect to get more time in Saskatoon?
	2	А	I didn't expect to get more time anywhere.
	3	Q	Why not?
	4	A	Because, no matter where I go, any form of
02:39	5		violence against a woman is serious. I could have
	6		expected a life bit for every one of them.
	7	Q	And, well I agree with you, but you didn't get a
	8		life bit?
	9	A	No, I didn't.
02:39	10	Q	You got four years concurrent?
	11	A	Right.
	12	Q	For four serious sexual assaults?
	13	A	That's thanks to them sending me to Regina. They
	14		could have asked for more time, they could have
02:39	15		got it, any time they wanted.
	16	Q	Well why, did you have any reason why they would
	17		have asked for less time?
	18	A	I do not know.
	19	Q	You have no idea?
02:39	20	A	I don't make the Court's decisions for 'em.
:	21	Q	But the prosecutor asked for four years
:	22		concurrent?
:	23	А	That's the prosecutor.
	24	Q	That's not a day more for four crimes which you
02:39	25		say you can get life for every one of them?
			

			——————————————————————————————————————
	1	А	You can, yes.
	2	Q	Well surely, as an intelligent person, you ask
	3		somebody "what is going on"?
	4	A	I don't go asking the courts what they are gonna
02:39	5		tell me or what they're gonna give me. Sorry.
	6	Q	You could have asked your lawyer "eh, why am I
	7		getting nothing for Saskatoon, how did you pull
	8		this one off?"
	9	A	I do not know.
	10	Q	So you
	11	A	I didn't pull nothing off, that's the way it came
	12		down. Sorry.
	13	Q	So you have Manitoba for two offences you think
	14		wants life and the lash, and Saskatoon for four
02:40	15		wants four years concurrent, and that doesn't
	16		strike you as unusual?
	17	A	No, it doesn't.
	18		COMMISSIONER MacCALLUM: Mr. Wolch, if you
	19		will be a little while longer, this would be a
02:40	20		good time to break. 15 minutes, please.
	21		(Adjourned at 2:40 p.m.)
	22		(Reconvened at 3:01 p.m.)
	23		MR. ELSON: Mr. Commissioner, I'm sorry,
	24		it's a small point it may be a small point.
03:01	25		But I believe that My Friend, when he was putting

1 questions to the witness with respect to the 2 sentence that was sought in Saskatchewan in 1971, 3 I believe that he had suggested that Mr. Kujawa was asking for a sentence of 4 1/2 years, and it 4 5 was not my understanding of the document. 03:01 And specifically the document that was put to the 6 witness yesterday is 042960, which is Mr. 8 Kujawa's memo to the file after the matter came 9 before then-Justice Johnson, and I believe that 03:01 10 it's in the second paragraph of that letter, or of that memorandum, where he indicates: 11 12 "I asked for nothing more than a 13 concurrent and Judge Johnson readily 14 complied assessing a total of four and a 15 half years on these offences." 03:02 16

03:02 25

03:02 20

I read that, and maybe I'm reading it differently than My Friend and maybe I'm reading it wrongly, but I read that as saying that when the Crown was appearing they were simply asking for a concurrent sentence, which could be anywhere up to the 13 years that had already been imposed in Manitoba, and not necessarily that the Crown was asking for a specific number. So if the suggestion is that this was an inappropriate sentence, then the lack of propriety is reflected

	1		Mer Treatis a Talan year water and the Great
	1		on Mr. Justice Johnson, not on the Crown
	2		prosecutor that was appearing at that time.
	3		I only rise to make that point
	4		because I thought that the premise to My Friend's
03:02	5		question was that the Crown was asking for a
	6		4 1/2-year sentence.
	7		COMMISSIONER MacCALLUM: I'm not sure, were
	8		you
	9		MR. WOLCH: I
03:03	10		COMMISSIONER MacCALLUM: making the
	11		point that in fact is what happened, or that was
	12		what was requested.
	13		MR. WOLCH: I'm not sure myself. I'll
	14		change it again if I can.
03:03	15		COMMISSIONER MacCALLUM: Thanks, Mr. Elson.
	16	ВҮ	MR. WOLCH:
	17	Q	Given your knowledge of the courts you would agree
	18		with me that whether you get 1 day concurrent to a
	19		13-year sentence, or 12 years concurrent a 13-year
03:03	20		sentence, it doesn't add one day to your sentence?
	21	А	Back then I knew nothing of the law. Sorry.
	22	Q	But do you know that now to be the case?
	23	А	Yes, I do now.
	24	Q	Okay. And so the Crown was asking for nothing for
03:03	25		you?

	Ī		Page 14624 ———————————————————————————————————
	1	A	I don't know what the Crown was asking for. I'm
	2		sorry.
	3	Q	The Crown didn't appeal?
	4	A	I couldn't tell you.
03:03	5	Q	Well how can you not tell me, it was your
	6		sentence?
	7	A	I just said I didn't know much about law then.
	8		Sorry.
	9	Q	It doesn't take great knowledge about law to know
03:03	10		if your sentence was appealed?
	11	A	I'm not sure whether it was.
	12	Q	Pardon me?
	13	A	I'm not sure whether it was.
	14	Q	Okay. Now Commission Counsel referred you to the
03:04	15		attempted murder attack on (V10) (V10)-; do you
	16		recall that?
	17	A	Yes.
	18	Q	And I want to be sure I understand what you are
	19		saying, and so that I don't misquote it, we can go
03:04	20		to document 071326 at 29. Now she, back then,
	21		quoted you as saying:
	22		" that he had spent ten years for
	23		doing the same thing, only he said, "I
	24		slit her throat.""
03:04	25		Now are you saying that you said nothing like

			——————————————————————————————————————
	1		that?
	2	A	That's right.
	3	Q	She's making this up?
	4	A	I don't know whether she's making that up. I'm
03:05	5		just saying I did not make that statement.
	6	Q	Now you you we know that you are the one who
	7		assaulted her and tried to kill her, but you had
	8		spent about ten years in jail at that time?
	9	А	Umm, yes, about that.
03:05	10	Q	Right?
	11	A	Yes.
	12	Q	So you are saying it's just a lucky guess?
	13	А	I'm not gonna say nothing is lucky, I'm just gonna
	14		state that I did not make that statement.
03:05	15	Q	Well, okay. Is there any way she would have known
	16		that you, the guy who attacked her, had spent ten
	17		years in jail?
	18	A	I can't say what she would say. I'm sorry.
	19	Q	She's just not telling the truth?
03:05	20	А	I'm not sayin' that, I'm just saying I don't care
	21		what she said, I'm sayin' I did not make that
	22		statement.
	23	Q	Okay. But you do agree that you had spent ten
	24		years in jail?
03:05	25	A	Yes.

	Ī		——————————————————————————————————————
	1	Q	And, to the best of your knowledge, she had no way
	2		of knowing that unless you told her?
	3	А	I'm not sayin' that.
	4	Q	Do you know of any other way she would have known
03:06	5		that?
	6	A	I couldn't tell ya.
	7	Q	I'm going to suggest that the throat that you
	8		talked about slitting was that of Gail Miller?
	9	A	You can talk all you want. I did not make that
03:05	10		statement in there.
	11	Q	I would like to turn, probably in conclusion, to
	12		the murder of Gail Miller for a bit specifically,
	13		and you and Cliff Pambrum were pretty good friends
	14		were you?
03:06	15	A	We hung around, yes.
	16	Q	And now, I understand that he says he lent you
	17		his car quite a few times. Are you taking issue
	18		with that?
	19	А	Yes, I would.
03:06	20	Q	You are saying that's not true?
	21	А	That's right.
	22	Q	Were you and he getting into a bit of trouble now
	23		and then?
	24	А	Not that I know of.
03:07	25	Q	Like, committing crimes or doing things that you
			4

			——————————————————————————————————————
	4		
	1		shouldn't be doing?
	2	A	No.
	3	Q	I wonder if we could have document 020179. This
	4		is part of a letter I think to your wife dated
03:07	5		March the 5th. I want to go through a little bit
	6		of it. It starts off:
	7		"At the same time a girl got off"
	8		That portion there,
	9		" and that when it all happened. I
03:07	10		grabbed her just like you told me in the
	11		visiting room."
	12		I'm just wondering what you meant by that.
	13	A	Can't remember. That's a long time ago. Sorry.
	14	Q	Is there any way your wife could be telling you
03:08	15		what you did?
	16	A	If I wrote it, then I wrote that, but I can't tell
	17		you what it was back then.
	18	Q	There's no doubt you wrote it, but I'm a bit
	19		puzzled by why you are telling her, your wife,
03:08	20		that you grabbed somebody just like you told me in
	21		the visiting room.
	22	А	I couldn't tell you.
	23	Q	You have no explanation for that at all?
	24	A	No.
03:08	25	Q	And then this portion here:

		1 age 14020
1		"After this happened I wanted to tell
2		you but with the trouble Cliff and I
3		were getting into I didn't think you'd
4		be able to take it so I didn't bother
5		telling you."
6		What is that all about?
7	A	Couldn't tell you.
8	Q	It does sound like you and Cliff were getting into
9		trouble.
10	A	No.
11	Q	No?
12	A	No.
13	Q	But with the trouble that Cliff and I were getting
14		into?
15	А	I can't explain it, sorry.
16	Q	But it still sounds like you were getting into
17		trouble doesn't it?
18	A	We weren't getting in any trouble.
19	Q	Sorry?
20	А	Sorry, we weren't getting in any trouble.
21	Q	What did you mean there?
22	А	I couldn't tell you.
23	Q	That's plain English, we were getting in trouble.
24	A	I know how plain it is, I read it. I can't tell
25		you, sorry.
	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24	2 3 4 5 6 7 A 8 Q 9 10 A 11 Q 12 A 13 Q 14 15 A 16 Q 17 18 A 19 Q 20 A 21 Q 22 A 23 Q 24 A

1	Q	But if you can't tell me, how can you specifically
2		deny you were getting in trouble?
3	А	We never got into any trouble. I've just seen
4		what was read there, seen what is written, but I
03:09 5		can't tell you why.
6	Q	You can't say why you said it, but you can say
7		it's not true?
8	А	That's right.
9	Q	So you were misleading your wife?
03:09 10	А	Yes.
11	Q	You were lying to your wife?
12	A	Yes.
13	Q	Okay. I would like to go over a bit the offence
14		itself then and if I can have the map 091245.
03:10 15		You've seen this before?
16	А	Yup.
17	Q	Do you want to look at it for a second just to
18		acclimatize yourself to it.
19	А	Yup.
03:10 20	Q	Okay. That X is where you were living?
21	A	Yes.
22	Q	And the second X, or the arrow now I'm sorry,
23		I'm not too good at this is the bus stop where
24		you took the bus?
03:10 25	A	Yeah.
	ll .	•

			——————————————————————————————————————
	1	Q	Right?
	2	А	Yup.
	3	Q	And we know that the Miller residence is up here,
	4		okay. Now, we know that Gail Miller would leave
03:10	5		her residence, walk down Avenue O and take the bus
	6		at the spot where I've drawn the line, okay. You
	7		accept that?
	8	A	Yeah.
	9	Q	Okay. We know she would leave approximately a
03:11	10		quarter to seven and we know she never got to the
	11		bus stop which would have been just before seven,
	12		so something happened to her between a quarter to
	13		seven and seven roughly, okay. You accept that?
	14	A	If you say so, yes.
03:11	15	Q	Now, you've had a lot of experience in this and
	16		I'm drawing on your knowledge. Would you agree
	17		with me that if somebody was going to drag her off
	18		the street, where I'm marking the X right now is
	19		the place to do it?
03:11	20	A	I wouldn't know.
	21	Q	Pardon me?
	22	A	I wouldn't know.
	23	Q	Well, you've committed a lot of offences; right?
	24	A	But do you always go under the same person, one
03:11	25		person's knowledge?
		l	lack lac

			5
	1	Q	But you committed a lot of offences; right?
	2	A	Yes.
	3	Q	You are very good at what you do?
	4	A	I wouldn't say that.
03:11	5	Q	You planned them well?
	6	А	I wouldn't say that.
	7	Q	You stocked the women, you followed them, you drag
	8		them into alleys, that's what you do?
	9		MR. BERESH: Mr. Commissioner, the ruling
03:12	10		again last week clearly covered this, that you
	11		can't directly or indirectly go into these
	12		matters.
	13		COMMISSIONER MacCALLUM: Well, it didn't
	14		speak to the murder itself, that was in relation
03:12	15		to the rapes.
	16		MR. BERESH: And that's exactly what the
	17		question was, this is what you've done in the
	18		past. It calls upon him to comment without my
	19		ability to reopen any of that in re-examination.
03:12	20		COMMISSIONER MacCALLUM: My comment, Mr.
	21		Beresh my ruling, Mr. Beresh, had reference to
	22		the specific rapes to which he plead guilty.
	23		MR. BERESH: Yes.
	24		COMMISSIONER MacCALLUM: And the reason
03:12	25		that it is unnecessary to go into that, the

2	subject to guilty pleas. We know what the facts
3	are and so I deemed it unnecessary to be
4	canvassing that area any more, but this clearly
03:12 5	is a question of a more general scope, but I'm
6	not so sure that it is irrelevant to our present
7	inquiry.
8	MR. BERESH: Well, the specific questions
9	asked were you stocked them, took them into
03:13 10	alleys, that's the exact thing you ruled on, the
11	circumstances of. Clearly it's covered by your
12	ruling, otherwise we don't need the ruling and
13	the question can be submitted.
14	MR. WOLCH: I thought the ruling had a
03:13 15	purpose which I appreciate and accept. I'm not

purpose which I appreciate and accept. I'm not going through every offence to prove a pattern and all that, but surely I can pose to him questions that challenge his credibility and his knowledge. I'm talking about a germane issue. I mean, he's here for a purpose.

MR. BERESH: But these relate directly to the Court's ruling. I didn't make the ruling, I didn't ask for the ruling, the ruling was made, so --

COMMISSIONER MacCALLUM: No, as I've told

	1	you, Mr. Beresh, what it was about, it was about
	2	the specific rapes in Saskatoon
	3	MR. BERESH: Right, and the circumstances.
	4	COMMISSIONER MacCALLUM: to which he
03:13	5	plead guilty, and the circumstances of those
	6	rapes, and so Mr. Beresh Mr. Wolch is asking
	7	him a general question now about his modus
	8	operandi, if I can put it that way. See, the
	9	question of the murder of Gail Miller was not
03:14	10	covered by that ruling.
	11	MR. BERESH: I appreciate that, except that
	12	the
	13	COMMISSIONER MacCALLUM: And this man
	14	denies that he did it, so
03:14	15	MR. BERESH: Well, the Commission is bound,
	16	it seems to me, by a certain presumption,
	17	certainly Mr. Hodson provided that eloquently to
	18	us, which is that there's a presumption of guilt
	19	for it, which removes it from relevance in this
03:14	20	Inquiry with this witness, but it doesn't address
	21	the issues which are in your Terms of Reference.
	22	COMMISSIONER MacCALLUM: It doesn't remove
	23	it from relevance, what it does is make it
	24	conclusive
03:14	25	MR. BERESH: That's right.

1	COMMISSIONER MacCALLUM: for all
2	purposes.
3	MR. BERESH: So if it's conclusive, then
4	how is it relevant.
03:14 5	COMMISSIONER MacCALLUM: Then why go into
6	it?
7	MR. BERESH: That's right, given the Terms
8	of Reference.
9	COMMISSIONER MacCALLUM: All right.
03:14 10	MR. BERESH: You're not here to decide
11	whether Mr. Fisher's denial is accurate, correct
12	or anything else, and it's not subject to
13	challenge.
14	COMMISSIONER MacCALLUM: No.
03:14 15	MR. BERESH: Unless My Friend says we'll
16	live with no presumption.
17	COMMISSIONER MacCALLUM: And what is the
18	object of your question then, simply credibility?
19	MR. WOLCH: Not credibility, I want to find
03:14 20	out what happened on certain issues and I want to
21	get there, and later we will be submitting that
22	it should have been obvious this is the way it
23	was done, but, I mean, to not My Friend wants
24	standing for this man, he wants him here, he

wants to put him on the stand and not even

03:15 25

challenge him on anything. He wants privilege when he wants it, he doesn't want privilege when he doesn't want it, no privilege for Greenberg, privilege for him. It's ridiculous.

MR. BERESH: With respect --

MR. WOLCH: No one can question his client. We don't protect any witness but the killer.

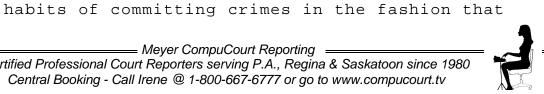

MR. BERESH: Oh, the rationale is this, this man was compelled to come here, this man had a reason to be granted standing and this Court granted it, but this Court is not here to reopen that issue. The Terms of Reference make it clear that there are two pillars upon which this Inquiry proceeds; one, there was a wrongful conviction, secondly, there was a proper -- there was a wrongful conviction, secondly, there was a proper conviction of the two respective individuals.

COMMISSIONER MacCALLUM: Uh-huh.

MR. BERESH: As I understand, the intent of the Saskatchewan government was not to reopen that issue, not to re-allow what the Supreme Court of Canada had before it, but simply to test this, based upon those pillars, why did the event of the wrongful conviction occur. Not why did

	1	the rightful conviction occur as My Friend
	2	suggests, why did the wrongful conviction occur,
	3	and the specific questions were to investigation
	4	and failure to reopen in what was suggested in a
03:16	5	timely fashion. This addresses neither of those.
	6	COMMISSIONER MacCALLUM: It seems to me,
	7	Mr. Wolch, that your questioning is directly
	8	related to you must have done the murder because
	9	you are a man that committed crimes which are
03:16	10	just like it. Wasn't that where you were
	11	heading?
	12	MR. WOLCH: No. The fact that he did the
	13	murder is indisputable.
	14	COMMISSIONER MacCALLUM: All right.
03:16	15	MR. WOLCH: The fact is how did he do it.
	16	COMMISSIONER MacCALLUM: Yes. We know
	17	that.
	18	MR. WOLCH: I don't know how he did it. I
	19	don't know if he parked in front of the Miller
03:16	20	house, watched Gail Miller leave, pulled into the
	21	lane and waited for her or he parked in the lane.
	22	Those are the kind of things
	23	COMMISSIONER MacCALLUM: That's one thing,

but then why link an inquiry of that type to his

24

03:17 25

1	you were trying to get at?
2	MR. WOLCH: This is knowledge of how it
3	would be done. I'll do it the way you are
4	suggesting.
03:17 5	COMMISSIONER MacCALLUM: No, I'll let you
6	go into the circumstances of his movements that
7	morning, I've said as much in my ruling. Whether
8	or not that leads us into the commission of the
9	murder, that's
03:17 10	MR. BERESH: And I have no problem, that's
11	your ruling.
12	COMMISSIONER MacCALLUM: fine. Not by
13	reference to the rapes.
14	MR. BERESH: His movements, we're not
03:17 15	dealing with his movements this morning, of that
16	morning.
17	COMMISSIONER MacCALLUM: Yes, we are.
18	MR. BERESH: Sorry. The questions are not
19	aimed at that with the greatest respect.
03:17 20	COMMISSIONER MacCALLUM: Oh, well, Mr.
21	Wolch has agreed that he won't put it that way.
22	What you found objectionable, as I understand
23	you, is linking his movements to his habits of
24	crime in the past, in other offences.
03:18 25	MR. BERESH: Yes, and I only rose on the

	1		third question which was we now know. Well, I'm
	2		not sure what that means, there's no collective
	3		knowledge in this room, so I guess we come down
	4		to this in a matter of fairness. If he wants to
03:18	5		ask him what his activities were of that day,
	6		that's not a problem. That's not what he's
	7		doing.
	8		COMMISSIONER MacCALLUM: Okay.
	9		BY MR. WOLCH:
03:18	10	Q	Mr. Fisher, if Gail Miller was to leave her house
	11		and come down this way, this where the X is,
	12		that would be the point where she would be
	13		grabbed; correct?
	14	А	I couldn't say.
03:18	15	Q	I'm going to suggest to you that it was 41 degrees
	16		below zero, that rather than you waiting here
	17		with, where I marked an X now with a car for her
	18		to pass, you waited in front of her house for her
	19		to come out; correct?
03:19	20	А	What car?
	21	Q	Cliff Pambrum's car.
	22	A	I don't think so.
	23	Q	Okay, you don't think so.
	24	А	No.
03:19	25	Q	Okay. Then I'm going to suggest when she did come

	1		out you drove, parked your vehicle in the alley
	2		and waited at the corner and pulled her into the
	3		lane.
	4	А	I don't think so.
03:19	5	Q	You don't think so. You took her to the car,
	6		knife pointed behind her neck the way well,
	7		behind her neck, took her into the car, took off
	8		her coat, pulled down her dress, put a sweater
	9		over her face and raped her in the car; correct?
03:19	10	A	Wrong.
	11	Q	I'm suggesting you didn't cover your face, you
	12		don't cover your face in crimes do you?
	13	А	No.
	14	Q	Perhaps your counsel may object, but I'll try the
03:20	15		question anyway. Why don't you cover your face?
	16		MR. BERESH: I object.
	17		MR. WOLCH: I thought so.
	18		MR. BERESH: Predictable.
	19		MR. WOLCH: May I ask that kind of simple
03:20	20		question?
	21		COMMISSIONER MacCALLUM: If you can
	22		establish any relevance to it.
	23		MR. WOLCH: That's why he killed her.
	24		COMMISSIONER MacCALLUM: Pardon?
03:20	25		MR. WOLCH: She saw his face and recognized

	1	him.
	2	COMMISSIONER MacCALLUM: But there it gets
	3	into the motive for the crime and I'm not sure
	4	that that's a legitimate line of inquiry.
03:20	5	MR. BERESH: Surely this is final argument
	6	put to us subtly by way of questioning.
	7	MR. WOLCH: It's not subtle, My Lord.
	8	MR. BERESH: Well, it is. It's My Friend's
	9	theory and he can put it in final argument.
03:20	10	COMMISSIONER MacCALLUM: I want you, Mr.
	11	Wolch, you see, we're opening doors to a method
	12	of questioning which potentially never stops
	13	because if you want to put argument under the
	14	form of cross-examination, then obviously it's
03:20	15	duplicating something that will be done later on.
	16	MR. WOLCH: This is not argument.
	17	COMMISSIONER MacCALLUM: No, but, I mean,
	18	if the client, you make a suggestion to the
	19	client and he says no, that's fine, you moved on.
03:21	20	Now you are going into do you cover your face in
:	21	crime. You are going into generalities.
:	22	MR. WOLCH: When I'm suggesting then is
:	23	that after you raped her she saw your face
:	24	COMMISSIONER MacCALLUM: Okay.
03:21	25	MR. WOLCH: and recognized you as the

		i ago i io i
	1	guy from the bus stop.
	2	MR. BERESH: I object to the questions, My
	3	Lord. My client has
	4	COMMISSIONER MacCALLUM: Let him answer,
03:21	5	let him answer, that's part of the movements of
	6	the morning.
	7	MR. BERESH: Thank you.
	8	A Can I have the question again?
	9	BY MR. WOLCH:
03:21	10	Q She was on her coat, her dress was pulled down,
	11	her sweater was over her face. However, when she
	12	was getting out of the vehicle, sweater came off,
	13	she saw you and you were the guy from the bus
	14	stop. She ran, you chased, you stabbed, exactly
03:22	15	what happened; is it not?
	16	A No.
	17	Q Are you saying for sure it didn't happen or you
	18	don't think?
	19	A I'm just saying I didn't do it.
03:22	20	Q Okay. If we can go to map 164351
	21	COMMISSIONER MacCALLUM: What's that number
	22	again, Mr. Wolch?
	23	MR. WOLCH: It's right here.
	24	COMMISSIONER MacCALLUM: 164351.
03:22	25	BY MR. WOLCH:

	Γ		Page 14642
	1	Q	And if we could highlight this area, you see where
	2		the murder took place, you see that?
	3	А	Yes.
	4	Q	Would you agree with me that it might be only a
03:23	5		matter of minutes to drive from there to
	6		Pambrums'?
	7	А	Oh, about five, eight minutes at the most.
	8	Q	Pardon me?
	9	А	About eight minutes at the most.
03:23	10	Q	You could run it in that couldn't you?
,	11	А	No.
,	12	Q	It's a short drive?
,	13	А	Short drive, yes.
,	14	Q	How long did it take you to walk from Pambrums'
03:23	15		home?
,	16	А	I couldn't tell you.
,	17	Q	Pardon me?
,	18	А	I couldn't tell you.
,	19	Q	Not very long though?
03:23 2	20	А	Couldn't tell you how long.
,	21	Q	Okay. But had you taken the car home to
,	22		Pambrums', you would walk down this railway track
,	23		home; correct?
2	24	А	Probably, yeah.
03:23 2	25	Q	And you would go right past where we know this

			Page 14643 —————
	1		young woman was attacked somewhere around 7:07
	2		a.m. You are aware of that?
	3	А	Yes.
	4	Q	Right?
03:24	5	А	Yes.
	6	Q	So if Gail Miller was attacked and killed, quarter
	7		to seven, 10 to seven, whatever, and you drove, or
	8		somebody with your DNA drove the car back to
	9		Pambrums', left the car there and walked to your
03:24	10		house, they would go right back past her about
	11		7:07 a.m.; correct?
	12	A	Why would a person go back if I was
	13	Q	I can't hear you. Let me interrupt you, I can't
	14		hear you.
03:24	15	A	I was just going to say if I did it, if
	16	Q	If?
	17	А	Yeah and then I took the car home and then I
	18		came back all the way up the track, why would I
	19		take his car home, why didn't I take it to work.
03:25	20	Q	Why wouldn't you take it to work?
	21	А	Yeah, if I got it and I so-called had it overnight
	22		or whatever, why didn't I take it to work.
	23	Q	I'm going to suggest to you because he needed it.
	24	А	He needed it?
03:25	25	Q	It's his car.

			rage 14044
	1	A	Well, sure. If I had it all night, why would I
	2		take it back first thing in the morning. That's
	3		kind of
	4	Q	Why wouldn't you take it back?
03:25	5	А	I don't know. Why did I have it in the first
	6		place then? As far as I'm concerned, I never had
	7		his car.
	8	Q	As far as you are concerned. In any event, if you
	9		did have the car and dropped it off, you would
03:25	10		walk by exactly where this lady says you attacked
	11		her?
	12		MR. BERESH: Well, with respect, we can ask
	13		every witness every possible speculation and
	14		we'll be here until 2010. The witness has
03:25	15		answered the question.
	16		COMMISSIONER MacCALLUM: That's the only
	17		thing, Mr. Wolch. I thought the question was all
	18		right the first time it was put, but it's
	19		becoming repetitious. He acknowledged that he
03:25	20		would have walked by there.
	21		MR. BERESH: Thank you, Mr. Commissioner.
	22	BY N	MR. WOLCH:
	23	Q	Okay. And I'm going to suggest to you that you
	24		get home and that's when your wife accuses you of
03:26	25		the crime; correct? She says it happened then and \P

			Page 14645 —————
	1		you are not sure?
	2	А	I'm not sure, no.
	3	Q	She says it happened then, okay. And if we can go
	4		back to the other map, please, 091245, and I'm
03:26	5		going to suggest to you that after your wife
	6		accused you, that's when you went to work. After
	7		you are accused, you had to get out of the house
	8		and you figured you better get to work and that's
	9		what happened; correct?
03:27	10	А	Yeah, I usually went to work every morning.
	11	Q	Highlight that area. And I'm going to suggest to
	12		you that you left the house, headed for the bus
	13		stop to get to work because Cliff had his car
	14		back; correct?
03:27	15	А	Let's just say I went to the bus stop. I don't
	16		know nothing about Cliff's car.
	17	Q	Okay. But you did know that the police were all
	18		milling about?
	19	А	I didn't know until I got to the bus stop.
03:28	20	Q	That's two days later.
	21	A	It don't matter. I haven't seen them around until
	22		that day.
	23	Q	What I'm saying to you is after your wife accused
	24		you of the murder and you left the house, you
03:28	25		started walking to the bus stop, you saw police
		ll .	

	1		were around, up around the corner, it was a very
	2		major occurrence and you realized you had the
	3		victim's wallet and you hid it in the snow bank on
	4		your way back to the bus stop, that's what
03:28	5		happened.
	6	А	It's a good story. You should stick to it.
	7	Q	I am.
	8	A	That's good, because I'm not going to believe
	9		anything you say like that because I didn't have
03:28	10		her wallet, sorry.
	11	Q	So I take it, Mr. Fisher I'm pretty well done
	12		with you I take it that in terms of Gail
	13		Miller, you have no feelings of remorse
	14		whatsoever?
03:29	15	A	Why should I have remorse for something I didn't
	16		do.
	17	Q	This is the question, you have no feelings of
	18		remorse?
	19	A	I'm just stating, why should I have those feelings
03:29	20		of remorse when I did not do it.
	21		COMMISSIONER MacCALLUM: That's a fair
	22		answer, "No, I don't have any because I didn't do
	23		it."
	24	BY M	IR. WOLCH:
03:29	25	Q	And you have no feelings of remorse for the

anguish you caused to David Milgaard? 1 2 I object. This is not the MR. BERESH: 3 truth or reconciliation commission, with respect, this is highly improper, and secondarily, My 4 5 Friend knows that those comments go outside this 03:29 room and there's no need to inflame any members 6 of the public. Mr. Fisher has his own personal 8 feelings and he can express them in any way he 9 wants, but he ought not to be compelled to do so 03:29 10 in this public forum. That is not part of --COMMISSIONER MacCALLUM: 11 I think we've gone 12 over this a long time ago really, the question of 13 remorse for the victims of the rapes. 14 ruled to be irrelevant at the time. Of course, 03:30 15 obviously it wasn't remorse as regards this 16 witness, it was as regards the police, and I 17 ruled at the time that it was irrelevant. I think it's a fair difference. 18 MR. WOLCH: 19 COMMISSIONER MacCALLUM: It's certainly a 03:30 20 difference, but I'm not sure that it's a 21 difference in principle. 22 MR. WOLCH: I appreciate that, and if Mr. 23 Fisher has no remorse or no regrets, that's fine. 24 COMMISSIONER MacCALLUM: Well, he didn't 03:30 25 say that, it's just -- he didn't say anything,

	r ago i roito
1	let's put it that way.
2	MR. BERESH: Then let's have a ruling on
3	the question, My Lord.
4	COMMISSIONER MacCALLUM: I have, I ruled
5	it's irrelevant.
6	MR. BERESH: Thank you.
7	MR. WOLCH: In that case, Mr. Fisher, I
8	have no further use for you.
9	A That's a pretty blatant statement.
10	MR. WOLCH: Pardon me?
11	A Sorry.
12	MR. HODSON: Mr. Fox will go next.
13	A Mr. Hodson, can we take a break?
14	MR. HODSON: Mr. Commissioner, Mr. Fisher
15	has requested a break.
16	COMMISSIONER MacCALLUM: I heard that. 10
17	minutes. Well, we'll take 15.

21	Q Mr. Fisher, my name is Aaron Fox, I'm the lawyer
22	for Eddie Karst. He was a detective with the

24	want to ask you a few questions.
25	Going back to February 3rd,

			1 age 14040
	1		1969, that's when the police records indicate that
	2		Officer McCorriston spoke to you and asked you
	3		about your whereabouts on the day of Gail Miller's
	4		murder. You recall the event that I'm talking
03:47	5		about?
	6	A	At the bus stop?
	7	Q	At the bus stop, yes.
	8	A	Yes.
	9	Q	And I think you said you are not sure what day
03:47	10		that was or but it could have been sometime
	11		within a couple of days after Gail Miller's murder
	12		that they spoke to you about your whereabouts on
	13		the morning of January 31st, 1969?
	14	A	Yes.
03:47	15	Q	And the indication is at the time they spoke to
	16		you, you were wearing a yellow hard hat?
	17	A	Yes.
	18	Q	And that would have been the usual thing that you
	19		would wear when you went to work?
03:48	20	A	Uh-huh.
	21	Q	Correct?
	22	A	Yes.
	23	Q	Okay. Now, I'm not going to get into the hard
	24		hats, we've already referred to the record, to
03:48	25		Ms. Gallucci's evidence, and I think she

1 identified somebody as riding the bus with a 2 yellow hard hat and that certainly could have been 3 you? 4 Α Yes. 5 And she indicated she couldn't recall one way or 03:48 Q another whether you were there. Mr. Husulak was 6 7 the bus driver and that's already been covered, he 8 identified a person who wore what he thought was a 9 red hard hat on the bus who wasn't there January 03:48 10 31st, 1969 and I think just for the record, these 11 don't have to be brought up, Mr. Commissioner, but 12 that was I think, his document reference is at 13 106108 and then the notes of Mr. McCorriston, 041688 at 97 and then 009330. Mr. Husulak 14 03:49 15 subsequently identified actually the person he was 16 talking about and that turned out to be Tony 17 Humen, not you at all, so that eliminates that 18 That left then the only reference to a hard part. 19 hat that I'm aware of after that would have been a 03:49 20 reference by Ms. (V2)---- in her statement to a 21 white hard hat and, as I understand it -- and that 22 would be in her statement, Mr. Commissioner, just 23 for the record, doc ID 087735, and as I understand 24 it, you were wearing a yellow hard hat? 03:49 25 Α

Yes.

	1	Q	So if we assume for the moment then that the
	2		police kind of didn't have anywhere to go with you
	3		and the yellow hard hat, had you had any other
	4		dealings with the police prior to February 3rd,
03:49	5		1969; in other words, did you have any criminal
	6		record?
	7	A	No.
	8	Q	So if somebody said, okay, let's check and see
	9		what Larry Fisher has been doing for the last
03:49	10		couple of years, they wouldn't see that you had
	11		any record or committed any offences, that sort of
	12		thing?
	13	A	No.
	14	Q	Now, when we turn to 1970 in Winnipeg and the
03:50	15		arrest of you that took place there for the rape
	16		and the offences that occurred there, it sort of
	17		looks like you were caught red handed, at least on
	18		the first offence or the second offence you
	19		committed there. Would I be correct in describing
03:50	20		it that way?
	21	A	Yes.
	22	Q	And you were then remanded in custody and you
	23		indicated that while on remand at Headingley
	24		received a couple of beatings which were promoted,
03:50	25		if I can describe it that way, by, and sometimes

	1		participated in by a couple of the guards there?
	2	A	True.
	3	Q	Were those guards subject to discipline as a
	4		result of their conduct? Do you have any
03:50	5		knowledge of that?
	6	А	No knowledge.
	7	Q	But I think you indicated, and I'll ask you this,
	8		do you remember Detective Huff as being one of the
	9		officers that you spoke to in Winnipeg, or Fort
03:51	10		Garry, and I'm afraid I use that interchangeably
	11		all the time, it's actually Fort Garry.
	12	А	I'm not sure who it was that came to see me.
	13		Sorry.
	14	Q	Okay. I wasn't trying to cut you off there. Were
03:51	15		you finished?
	16	А	That's okay, yeah.
	17	Q	In any event, you would have told the detectives
	18		that you spoke to from Fort Garry that you had got
	19		a hard time out at Headingley?
03:51	20	A	No.
	21	Q	You didn't mention anything to them about it?
	22	А	No.
	23	Q	They make some reference to thinking that you had
	24		got a bit of a hard time out at Headingley. Is it
03:51	25		possible you may have said something to them about $lacktriangle$

	Ī		——————————————————————————————————————
			- -
	1		it?
	2	А	No.
	3	Q	Okay. You did say to them though that you
	4		basically wanted to get all of the matters that
03:51	5		you were involved in cleared up?
	6	A	Yes.
	7	Q	That included the Winnipeg matters and then also
	8		you disclosed to them you would have been involved
	9		in some criminal activity in Saskatoon as well?
03:52	10	А	Yes.
	11	Q	And prior to ever speaking to the, to any
	12		Saskatoon police people in Winnipeg or Fort Garry,
	13		you had already told the Winnipeg police or Fort
	14		Garry police about the Saskatoon matters, at least
03:52	15		two of them in any event?
	16	А	Yes.
	17	Q	And made it clear that 'I would like to get
	18		everything cleared up, I want to, if I want to be
	19		sentenced I want to get everything cleared up, I
03:53	20		want to be finished with this.'
	21	А	Yes.
	22	Q	And I take it, from that, that by the time the
	23		by the time you spoke to the two Saskatoon
	24		officers in Winnipeg, or Fort Garry, it was a
03:53	25		little sort of a done deal, if I can describe
			4

	Ī		Page 14654
	1		it that way, in other words you had already made
	2		the decision that 'I'm going to plead out to all
	3		the offences I've committed and get on with
	4		serving my time?'
03:53	5	А	Yes.
	6	Q	Would that be correct?
	7	A	Yes.
	8	Q	Umm, I think you told Mr. Hodson that you don't
	9		have a recollection of where it was that you spoke
03:53	10		with the Saskatoon Police officers?
	11	A	No, I don't.
	12	Q	And I think you told him you sort of weren't able
	13		to describe them?
	14	A	No.
03:53	15	Q	And I think you told him you don't really have a
	16		very specific recollection of what, exactly, you
	17		talked to them about?
	18	А	No.
	19	Q	I take it whatever meeting took place with the
03:54	20		Saskatoon Police officers kind of didn't make a
	21		very big impression on you at that time?
	22	А	Umm, I can't really say.
	23	Q	Okay.
	24	А	It
03:54	25	Q	And I'm suggesting that was probably the case
			≜ ∙

	1		because you had already confessed, if I can put it
	2		that way, to the Winnipeg police about the
	3		Saskatoon offences?
	4	A	Yeah.
03:54	5	Q	Really, what you were telling the Saskatoon
	6		officers was just a repeat of what you had already
	7		told the Winnipeg Police?
	8	A	Yes.
	9	Q	Umm, the two statements that you gave and we've
03:54	10		just got typewritten copies of them, the
	11		handwritten copies if they existed we don't have,
	12		but I'm going to ask if we can bring them up.
	13		They are doc. ID 010721, maybe just bring that one
	14		up first, if I could.
03:55	15		Mr. Fisher, this is a
	16		typewritten copy of a statement in relation to the
	17		assault of (V3) (V3) (V3), and it
	18		indicates that you signed this statement on, if we
	19		can go to the third page of it, it would be 723,
03:55	20		that area there, it indicates you signed it and
	21		Mr. Karst was there. Have you seen, like did
	22		have you seen the copy, this statement before?
	23	A	Umm, not that I can say.
	24	Q	Okay. Do you is it possible somebody,
03:55	25		somewhere along the way, may have shown you this

	1		statement?
	2	А	It's a possibility.
	3	Q	Just not able to say at this point?
	4	А	Just not able to say where or when.
03:55	5	Q	Okay. Do you recall giving a written statement or
	6		signing a statement?
	7	А	I can't remember.
	8	Q	Okay.
	9	А	Sorry.
03:56	10	Q	So the details of that meeting are just pretty,
	11		pretty vague,
	12	А	Yeah.
	13	Q	would that be fair to say?
	14	А	Yeah.
03:56	15	Q	Okay. The second statement is 012111, and I'm,
	16		again I just ask you if you have any this is
	17		the statement that's given in relation to (V5)
	18		(V5); do you have any recollection of seeing
	19		this document before?
03:56	20	А	Nope, not seeing this one.
	21	Q	So it's possible you may have seen it but just
	22		doesn't
	23	А	Yeah, I can't remember.
	24	Q	Can't remember?
03:56	25	А	Yeah.

			1 age 14001
	1	Q	And again, same thing, no particular recollection
	2		of giving a written statement at that time?
	3	А	Can't remember.
	4	Q	Okay. Would I be sorry, if we could sorry
03:56	5		about that, if we could bring that back up. In
	6		terms of this document, do you know if what is
	7		contained in this statement is accurate in terms
	8		of information that you conveyed in it?
	9	А	I couldn't say.
03:57	10	Q	Would you be able to take a minute and just read
	11		through it, if you could, and when you get to the
	12		end of the page I'll have the ladies running the
	13		documents flip to the next page. So if you would
	14		just read through it and
03:57	15	А	(Witness reading) Sounds familiar, the first
	16		page.
	17	Q	Okay. Go to the next page, please, and I'll just
	18		have you read that, the next page.
	19	А	(Witness reading) Yeah.
03:58	20	Q	Okay. If we could go to the last page, there's
	21		just a bit on the last page, if you could read
	22		that?
	23	А	(Witness reading) Yup.
	24	Q	Okay. To the best of your knowledge, is that
03:58	25		information that you have in there, is that
			·

			Page 14658 —————
	1		accurate?
	2	А	Yes.
	3	Q	Okay. I'm gonna have you turn, then, if we can
	4		just go back to the first statement I referred to,
03:58	5		010721. Okay? And I'm just going to have you
	6		this is the first statement I referred to, if you
	7		could just read it as well, and I'll ask you the
	8		same question.
	9	А	(Witness reading) Okay.
04:00	10	Q	Okay. If we could go to the next page, please.
	11	A	(Witness reading) Yup.
	12	Q	Okay. And if we could go to the last page.
	13	А	(Witness reading) Yup.
	14	Q	And, like, and to the best of your recollection is
04:00	15		the information contained in that statement
	16		accurate?
	17	А	Yeah. (Laughs)
	18	Q	Okay, you is there anything? I
	19	А	Umm, the statement's okay, but there is some parts
04:00	20		in there that
	21	Q	Sorry?
	22	А	aren't there or shouldn't have been there.
	23	Q	So there's some other information that you could
	24		have given to him that isn't there?
04:00	25	А	No, no, the information is there

			1 age 1 1000
	1	Q	Okay.
	2	A	but it's not true.
	3	Q	Not true?
	4	A	No.
04:00	5	Q	What parts of it are not true?
	6	A	This one part where I didn't use a knife.
	7	Q	Okay. So the reference to the knife, you say, is
	8		not accurate in this statement?
	9	A	Okay, sure, yup.
04:01	10	Q	So in this statement you've indicated that you
	11		used a knife, and you say that that's not correct,
	12		you didn't use a
	13	A	That's not correct.
	14	Q	Okay. Anything else in there that's incorrect?
04:01	15	А	Umm, ah, that's about it.
	16	Q	Okay. Now in having read the two statements,
	17		you've identified where you were living at various
	18		times in Saskatoon, and it doesn't look like you
	19		ever referred to the Avenue O address which is
04:01	20		where you were living at in January 1969. We see
	21		that, from statements, there is no reference to
	22		you living at Avenue O, there's a couple time
	23		periods that are identified in here when the
	24		assaults are alleged to have taken place, one was
04:01	25		February 21st, '70, the other November 29th, '68.

		· ·
1		At least as far as these statements go there is no
2		reference to you living at Avenue O; would that be
3		correct?
4	A	There's nothing on there, no.
5	Q	There's nothing on there?
6	A	No.
7	Q	And I take it you have no recollection of advising
8		anybody that you had lived at Avenue O
9	A	No.
10	Q	in relation to your questioning in Winnipeg,
11		either by the Fort Garry Police or the Saskatoon
12		Police?
13	A	No.
14	Q	Umm, these two statements, you subsequently went
15		to trial for the murder of Gail Miller; were these
16		two statements tendered in evidence at your trial?
17		Do you have any recollection of that?
18	A	Umm, I couldn't really say.
19	Q	Couldn't say? Okay.
20	A	No.
21	Q	Now you've advised Mr. Hodson, and again you sort
22		of confirmed with Mr. Wolch, that when the
23		Saskatoon Police spoke to you you admitted to two
24		of the four offences that you eventually pled
25		guilty to in Saskatoon, in Saskatchewan, but that

	1		you made admissions concerning the second two
	2		offences subsequently or at a later point in time;
	3		have I got that right?
	4	A	Yes.
04:03	5	Q	Okay. And I think you indicated that you didn't
	6		have any recollection of who you spoke to when you
	7		made the admissions for the second two offences?
	8	A	Uh-huh.
	9	Q	Would that be correct?
04:03	10	A	Yes.
	11	Q	And I take it, from that, no recollection of
	12		dealing with Eddie Karst concerning the admissions
	13		for the later two offences?
	14	A	No.
04:03	15	Q	You mentioned, umm, that, and I suppose when we go
	16		back to 1970-'71, this would have been your first
	17		involvement with the courts?
	18	A	Yes.
	19	Q	Umm, and the first involvement that where you
04:03	20		would be facing being sentenced for something?
	21	A	Yes.
	22	Q	I take it you relied on your lawyer a fair little
	23		bit?
	24	A	Yes.
04:04	25	Q	And assumed and hoped that he was going to do the \P

			1 ago 1 1002
	1		best job he could for you?
	2	А	Yes.
	3	Q	Do you know if, in 1970-'71, if you knew the
	4		difference between a consecutive sentence and a
04:04	5		concurrent sentence? Do you know, at that time,
	6		if you even understood what the difference was
	7		between the two?
	8	A	At the time, no, I didn't.
	9	Q	It would be fair to say that your biggest concern
04:04	10		would be, when all of this is done, I just want to
	11		know how much time I have to do?
	12	A	Pretty well, yes.
	13	Q	I mean whether they call them consecutive, whether
	14		they call them concurrent, whether it's six
04:04	15		offences, two offence, or one offence, the big
	16		question for you was how many years you were gonna
	17		get sentenced, how many years you'd have to spend
	18		in jail?
	19	A	Pretty well, yes.
04:04	20	Q	Umm, could we bring up document 010690. I
	21		think I'm sorry, I gave you the wrong, it's
	22		010690. This is a memo that's been referred to a
	23		few times, and I'm sure you didn't receive it at
	24		the time, but it's a memo by Serge Kujawa who was
04:05	25		a prosecutor involved in your case in

1		Saskatchewan. And it reads:			
2	"The above was convicted of rape in				
3		Manitoba and sentenced to thirteen years			
4		imprisonment. Now, through his counsel			
<i>04:05</i> 5		in Manitoba, he has requested that we			
6		dispose of the four outstanding charges			
7		against him in Saskatchewan so as to			
8		clean up his record and some day be in a			
9		position to start anew."			
04:05 10		Would that be an accurate description of what you			
11		were looking for, just wanted to get everything			
12		cleared up and know that you could start fresh?			
13	А	Yes.			
14	Q	And I would be correct, from that, you weren't			
04:06 15		really interested in having any other charges			
16		hanging around			
17	А	No.			
18	Q	or possible charges hanging around?			
19	А	No.			
04:06 20	Q	Okay. In 1970 and '71, and I think you've			
21		answered this already, but do I did I			
22		understand you correctly to say that you didn't			
23		know the name David Milgaard at that time?			
24	А	No I didn't.			
04:06 25	Q	And were not aware that he had been convicted of			
		4			

	1		the murder of Gail Miller?
	2	А	No.
	3	Q	And have no recollection of discussing the death
	4		of Gail Miller with the Saskatoon Police or the
04:06	5		Fort Garry Police, or any other police, in
	6		1970-'71?
	7	A	No.
	8	Q	You mentioned, when My Learned Friend Mr. Hodson
	9		asked you about the Saskatoon Police officers that
04:06	10		had come to see you, and you've mentioned that
	11		you've seen all sorts of media reports that
	12		referred to the name Eddie Karst or Detective
	13		Karst; do you remember telling Mr. Hodson about
	14		that?
04:06	15	Α	Yeah.
	16	Q	And you started seeing those media reports
	17		probably in 1990 and carried on through until
	18		probably the present time; that would be correct?
	19	Α	Yes.
04:07	20	Q	Umm, are you able at this time, Mr. Fisher, to say
	21		whether or not you remember the name from 1970 or
	22		whether or not it's something that you are
	23		recalling as a result of having seen that
	24		repeatedly in the media reports; are you able to
04:07	25		say for sure one way or the other?

	Page 14665 —————	
1	A	I just read an article on Huff the other day, so
2		that's pretty well where I get it from.
3	Q	Okay. So when you talk about 'I have a
4		recollection of Huff' or 'I have a recollection of
04:07 5		Karst'
6	A	That's all.
7	Q	that's pretty much coming from what you've
8		read?
9	A	All through the media.
04:07 10	Q	Through the media?
11	A	Yeah.
12	Q	Okay. Just a couple final questions. In January
13		1969, if you went to work and you were working in
14		the masonry business, do you remember what your
04:07 15		work clothes were, what you typically wore to
16		work, jacket and pants; are you able to describe
17		that?
18	A	Umm, usually work boots.
19	Q	Okay. What I was getting at, type of pants, do
04:08 20		you remember if you wore jeans or khakis or
21		coveralls or what?
22	A	Usually I would wear jeans.
23	Q	Jeans?
24	A	Yup.
04:08 25	Q	That would be typically what you wore to work?

		Page 14666 ————		
	1	Α	Yeah.	
	2	Q	Okay. And, finally, I wanted to ask you this	
	3		just relates to the problem that you had had with	
	4		your landlady, and there is a receipt for legal	
04:08	5		services that we don't need to bring up, but it's	
	6		document 058026; do you remember what lawyer you	
	7		dealt with at that time?	
	8	А	No I don't.	
	9	Q	Does the name Mr. Disbury, Ian Disbury, ring a	
04:08 1	0		bell?	
1	1	А	Yup.	
1	2	Q	It may have been him?	
1	3	А	May have been.	
1	4	Q	Okay. And I wasn't clear when you were finished	
04:08 1	5		answering questions about that, but was your	
1	6		landlady alleging that the assault of her somehow	
1	7		involved a sexual element, do you know if that was	
1	8		the case?	
1	9	А	I don't know. I never went to Court over it	
04:09 2	20	Q	Okay.	
2	21	А	so	
2	22	Q	So you are not exactly sure, at this point in	
2	23		time, what she was alleging?	
2	24	А	No.	
04:09 2	25	Q	Okay. Were you okay. So this was sometime, we	

	1		know the first attendance looks like it was April			
	2		22nd, 1970, do you know when this alleged assault			
	3		was supposed to have occurred?			
	4	A	No.			
04:09	5	Q	Thank you, Mr. Fisher, those are all the questions			
	6		I have.			
	7	A	Uh-huh.			
	8		MR. HODSON: The only counsel who has			
	9		questions left is Mr. Beresh, and I think he will			
04:09	10		be more than the time we have allotted, and I			
	11		believe it's his preference to start tomorrow,			
	12		and that's fine with me as far as scheduling is			
	13		concerned; is that			
	14		MR. BERESH: That is. I have one matter to			
04:09	15		raise with the Commissioner if I might.			
	16		COMMISSIONER MacCALLUM: Okay.			
	17		MR. BERESH: And this arises, Mr.			
	18		Commissioner, from comments that I see in the			
	19		media today about Mr. Fisher's attendance at this			
04:09	20		Inquiry.			
	21		I recall that in January you			
	22		issued an order that counsel ought not to discuss			
	23		evidence of a witness whilst the witness is on			
	24		the stand.			
04:10	25		COMMISSIONER MacCALLUM: I believe it went,			

it extended to parties with standing as well, is that --

Yes, as I understand it, and MR. BERESH: the rationale I think is a sound one; being that if a witness, during his or her testimony, reads media reports, it might affect their testimony, the content of it, the way it's given, and I think it's an absolutely sound ruling. apologize, I haven't been here consistently throughout, I just want to confirm that, having stayed abreast of the transcripts issued, I saw no reversal of that ruling or no challenge of it, but wanted to confirm with Your Lordship whether or not there had been a reversal of that? Because you can appreciate it can affect the way a witness gives evidence if people are -- feel free to comment about it during the midst of it, either the content of it or the manner in which it's given. I just want to clarify that for the record, Mr. Commissioner?

COMMISSIONER MacCALLUM: I think Commission

Counsel brought that up day before yesterday, as

a matter of fact, and so he reminded everyone of

the reasons for that and I hope they haven't

forgotten.
