	1		was not prepared and distributed until later in
	2		1980, after August, so sometime in perhaps October
	3		of 1970 or pardon me 1980. And I'm just
	4		wondering, with that information, is it possible
09:01	5		that you would have seen this flyer after you went
	6		into the city police station?
	7	А	I I'm not sure. I thought I seen it.
	8	Q	Okay. And in fairness, and I will show you some
	9		statements later, in subsequent statements that
09:01	10		you provided in 1991, and as well evidence at the
	11		Larry Fisher trial, your evidence was much was
	12		as you told us yesterday, that you believed you
	13		saw the flyer; and so your memory today is what?
	14	А	Well I still probably thought I saw the flyer.
09:01	15	Q	Before you went into the city police?
	16	A	Yes.
	17	Q	And if the evidence is that it wasn't produced
	18		until after, is it possible that it was after that
	19		you saw it?
09:02	20	A	It's possible.
	21	Q	And as far as the reward that was offered, I think
	22		you made mention of that, did you ever follow up
	23		on a reward after you went into the city police
	24		station?
09:02	25	A	No.
			ertified Professional Court Reporters serving P.A. Regina & Saskatoon since 1980

1 Q And if there had been no reward or if you had not 2 been aware of the reward back in August of 1980 3 would you still have gone into the police station? 4 Probably, yes. Α 5 COMMISSIONER MacCALLUM: Pardon? 09:02 6 Α Yes. 7 BY MR. HODSON: 8 I would now like to turn to 1990, and I think 0 9 where we left off yesterday we were talking about 09:02 10 discussions you had with family members over the 11 years, and so just so that we can get the time 12 frame here; 1980, we talked about your visit in 13 August to the Saskatoon City Police, I talked --14 asked you some questions about 1983, the newspaper 15 advertisement, remember that, where someone was 09:02 16 looking for you? 17 Α Yes. 18 Now go ahead to 1990. Do you remember Q Okay. 19 hearing from Joyce Milgaard and the police, the 09:03 20 RCMP, and Mr. Williams in 1990? 21 Yes. Α 22 Q And I'll go through some documents here, but it 23 would appear that around March the 9th, 1990 you 24 would have been contacted by Joyce Milgaard and 09:03 25 Paul Henderson; does that --Meyer CompuCourt Reporting =

Page 15238 1 Around there. Α 2 0 -- sound right? 3 COMMISSIONER MacCALLUM: What was the date 4 again? 5 MR. HODSON: March 9th of 1990 I believe is 09:03 6 the date. 7 BY MR. HODSON: 8 0 So do you have a memory of that first meeting? 9 Α Yes. 09:03 10 And prior to that would it have been, apart from 0 11 the newspaper ad in 1993, would it have been 12 about, then, ten years before you had heard from 13 anybody about the Larry Fisher/David Milgaard 14 matter? 09:03 15 Yes. Α 16 And tell us, and again I'll go through, there is a Q 17 transcript of some interviews I'll go through with 18 you, but just tell us generally what you remember 19 about the initial part of that meeting and where 09:04 20 you were, how they found you, and what you talked 21 about? 22 Well I just, I was surprised to see her, I just А 23 thought I should have seen her about ten years 24 aqo. I was just, that was my initial reaction, 09:04 25 and then we talked about what might have happened. Meyer CompuCourt Reporting =

- Page 15239 =

	[——————————————————————————————————————
	1	Q	Okay. When you say you thought you should have
	2		heard from her ten years ago, what did you mean by
	3		that?
	4	А	Well, because of that, because I went to the
09:04	5		police with that information.
	6	Q	Yes. And had you, back when you went into the
	7		police in 1980, had you expected to hear from the
	8		Milgaard family as a result of a visit to the
	9		police?
09:04	10	А	Yes.
	11	Q	And why was that?
	12	А	Well I figured that they would have told her
	13		somebody was somebody was looking, I mean,
	14		somebody had information.
09:05	15	Q	Okay. Were you surprised to see Mrs. Milgaard?
	16	А	Yes.
	17	Q	And do you remember who was with her?
	18	А	Paul Henderson.
	19	Q	And where did this take place?
09:05	20	А	At my house.
	21	Q	In where?
	22	А	Cando.
	23	Q	In Cando. And is that how long have you been
	24		living in Cando then?
09:05	25	А	'88.

	Ī		Page 15240
	1	Q	And I take it that you discussed the information
	2		you had about Larry Fisher; is that correct?
	3	А	Yes.
	4	Q	And did you ask some questions about the David
09:05	5		Milgaard conviction, things of that nature?
	6	А	Yes.
	7	Q	And then again I'll just go through this
	8		generally, then I'll go through the documents, but
	9		I understand that shortly following that you were
<i>09:05</i> 1	10		contacted by Rick Pearson of the RCMP?
1	11	А	Yes.
1	12	Q	And you had a number of discussions with
1	13		Mr. Pearson?
1	14	А	Yes.
<i>09:06</i> 1	15	Q	And then I understand you talked with a fella by
1	16		the name of Eugene Williams?
1	17	А	Yes.
1	18	Q	And he was with Federal Justice?
1	19	A	Yes.
09:06 2	20	Q	And David Asper, do you remember talking to David
2	21		Asper, the lawyer for David Milgaard?
2	22	A	Yes.
2	23	Q	And so I think over, at least according to the
2	24		documents, from about March 9th of 1990 through
09:06 2	25		until the following two or three months I think
			Meyer CompuCourt Reporting

Page 15241 1 you talked to these people on a number of 2 occasions; is that correct? 3 Α Yes. 4 And you gave a number of statements? 0 5 Yes. 09:06 Α You were interviewed under oath on one occasion; 6 Q 7 do you remember that? 8 Α Yes. 9 Mr. Commissioner, what I propose to do with Mrs. Q 09:06 10 Fisher is to go through, chronologically, this 11 time period. 12 And Mrs. Fisher, I will go 13 through, some of the documents I'll simply show 14 you so that we can put a date before the 09:06 15 Commission that something happened and so we put 16 in context your interview, okay, and then I'll ask 17 you some questions and go through some of what you 18 said. 19 First, if we could call up 09:07 20 016133, please. And this is February 28th, 1990, 21 Mrs. Fisher, and I think we've seen this document 22 before at this Commission, but I'll just go 23 through parts of this. And this is Eugene 24 Williams; you remember Mr. Williams? 09:07 25 Α Yes.

			Page 15242
	1	Q	And the evidence or the information is that he was
	2		a lawyer working for Federal Justice who, at the
	3		time, was assisting in a review of an application
	4		that David Milgaard had made to have his
09:07	5		conviction reviewed; did you understand that,
	6		generally, at the time, that what Mr. Williams
	7		was doing?
	8	А	Yes.
	9	Q	And Sergeant Pearson of the RCMP was helping Mr.
09:07	10		Williams, is that
	11	А	Yes.
	12	Q	And Joyce Milgaard and Paul Henderson and David
	13		Asper were actively seeking to have Mr. Milgaard's
	14		conviction set aside; did you understand that?
09:08	15	А	Yes.
	16	Q	So here's the first, this precedes your initial
	17		involvement by about nine days and talks about an
	18		informant who spoke to Hersh Wolch, told Hersh
	19		Wolch:
09:08	20		" Mr. Wolch that "Larry Fisher" from
	21		North Battleford, Saskatchewan was

	2	"Mr. Wolch was contacted on Monday,
	3	February 26th, 1990 by an individual who
	4	identified himself as Sidney Wilson.
09:09	5	This individual refused to provide any
	6	details of his personal identity and we
	7	do not have a telephone number or
	8	anything of that nature to identify him.
	9	Mr. Wilson informed us that he knew the
09:10	10	true identity of the killer of Gail
	11	Miller. He advised that the true
	12	killer's name was Larry Fisher, an
	13	individual who was apparently from North
	14	Battleford, Saskatchewan. Furthermore,
09:10	15	Mr. Wilson advised that Fisher had
	16	arrived at home on the morning of
	17	January 31, 1969, covered with blood and
	18	that Fisher's wife had seen this.
	19	Fisher's wife then apparently heard of
09:10	20	the murder later that day and concluded
	21	that Fisher may have had some
	22	involvement. Fisher's wife then
	23	apparently told Wilson, who claims that
	24	he went to the police a number of years

<i>09:10</i> 10		covering the date of the death of Gail

12		Now, Mrs. Fisher, did you know anybody named
13		Sidney Wilson?
14	А	No.
<i>09:10</i> 15	Q	And if we could just scroll back up for a moment,
16		and we touched on this yesterday, this caller to
17		Hersh Wolch's office says a couple of things about

Is that true? 4 5 Α No. 09:11 And what I think you told us yesterday, it was 6 Q 7 after Winnipeg --8 Α Yes. 9 -- that you concluded he may have had some Q 09:11 10 involvement? 11 Α Yes. 12 Q It says: "Fisher's wife then apparently told 13 14 Wilson, who claims that he went to the 09:11 15 police a number of years ago ... " 16 We've heard evidence that the fella who phoned 17 Mr. Wolch was a fella named Bruce LaFreniere; do 18 you know Mr. LaFreniere at all? 19 Α Yes. 09:12 20 And did you ever talk to him about any of the 0 21 suspicions you had about Larry Fisher? 22 Α I don't know if I talked to him. 23 0 And do you know him from North Battleford, --24 Α Yes. 09:12 25 And did you have anything to do Q -- that area? 4	А	No.
<i>09:12</i> 5	Q	If we could then go to 009086. And this is a memo
6		of Mr. Williams the same date, February 28th,
7		1990, and he says:
8		"Mr. Asper, counsel to David Milgaard
9		called to provide the following
<i>09:12</i> 10		additional facts to compliment his

12		1. Apparently Larry Fisher was married to
13		Linda Fisher when Gail Miller was
14		murdered. They had a daughter named
<i>09:13</i> 15		Tammy."
16		And that's correct, isn't it?
17	А	Yes.
18	Q	And:
19		"Apparently Larry Fisher took the bus at
<i>09:13</i> 20		approximately 6:30 a.m. on January 31,
21		1969."
22		Do you know if that's true?
23	А	Yeah, it would have been around that time.
24	Q	Okay. This says, on the date of the murder, that
<i>09:13</i> 25		he took the bus?

6		Did that happen? Do you know who Mr. Caldwell

8	А	Umm, umm, I don't know. Somebody came to the

14	Q	Did you know that before I just told you?

Sorry, if you want to go back to the full 0 9 screen there's just a question about, yeah: 09:14 10 "Check this out." And then if we could go to 001810. And again I 11 12 just want to show you this document, Mrs. Fisher, 13 just for a bit of background. This is Mr. 14 Williams' letter to Sergeant Pearson March of 1990, and it just confirms a conversation they 09:15 15 16 had on February 28th about the conversation Mr. 17 Williams had with Mr. Asper, and if we could go 18 to the third page, 001812. And, again, I'm just 19 going to show you this, Mrs. Fisher. Mr. 09:15 20 Williams asks Sergeant Pearson: 21 "Please determine the whereabouts of 22 Linda Fisher, and ascertain whether she did form the conclusions attributed to 23 24 her by Wilson. If she concluded that 09:15 25 her husband was "involved", what was the Meyer CompuCourt Reporting =

<i>09:16</i> 5		Did she tell anyone else? If so, whom

9		Then go on to paragraph 2:
<i>09:16</i> 10		"Kindly provide details pertaining to
11		Linda Fisher's personal history for the

13		present",
14		and third:
<i>09:16</i> 15		"If there is an association between
16		Linda Fisher and Sidney Wilson",
17		to get some further information about that. And
18		again, generally and I'll go into the
19		interviews with Sergeant Pearson but did he
09:16 20		ask you questions of that nature, was he
21		getting did he ask you about Sidney Wilson; do
22		you remember that?
23	А	Yes.

	2		Sergeant Pearson's notes, diary notes that he took
	3		down at the time, at the various dates that he
	4		talked to you and others, and just so we see again
09:17	5		the February 28th date which is I think nine days
	6		before Mrs. Milgaard and Mr. Henderson visited
	7		you. It just talks about a phone call from
	8		Mr. Williams and again talks about Larry Fisher
	9		and Fisher's wife saw her husband with blood.
09:18	10		If we could then go to the next
	11		page, please, and then March the 8th, 1990, Mr.
	12		Pearson writes that he received a call from a
	13		Sergeant Cousins who had indicated, it says Mary
	14		Fisher, Larry's mother. It was Marcy Fisher; is
09:18	15		that right?
	16	A	Marceline.
	17	Q	Marcy. And indicated that she had visited Larry
	18		in the Prince Albert penitentiary approximately
	19		two weeks ago. It was also determined Larry has
09:18	20		since divorced from his wife Linda who currently
	21		resides in Cando, Saskatchewan. Linda's maiden
	22		name is McDonald, current phone number listed.
	23		Larry has since remarried to one Lillian Fisher,
	24		currently from Saskatoon. Is that information
09:19	25		correct?
			Mever CompuCourt Reporting

1	A	Yes.
---	---	------

	2	Q	And did you become aware around this time that,
	3		from Mrs. Fisher, Larry Fisher's mother, that the
	4		RCMP had been to see her?
09:19	5	А	I could have. I don't remember.
	6	Q	If we could then go to, just for the record,
	7		Mr. Commissioner, if we could call up 048718, and
	8		this is, just for the record, the actual tape of
	9		an interview I believe between Joyce Milgaard,
09:19	10		Paul Henderson and Linda Fisher.
	11		If we can go to 076270, and this
	12		is a transcript, which I believe was prepared by
	13		the RCMP based on that tape, and I'll just go
	14		through parts of this. Do you remember meetings
09:20	15		with Joyce Milgaard and Paul Henderson?
	16	А	Yes.
	17	Q	And do you remember them tape recording the
	18		conversation or having a tape recorder on?
	19	А	Yes.
09:20	20	Q	And we'll go through parts of this, and I think,
	21		as we'll see the first paragraph, Mrs. Milgaard
	22		says, 'I'm sorry Linda I didn't even introduce
	23		myself. I am just so glad to see you come up that

4		And again, can you tell us what
<i>0</i> 9:20 5		you remember about first meeting them, was it at
6		your home?
7	А	Yes.
8	Q	And were you at work or away?
9	А	I was at school I think, yes.
<i>0</i> 9:20 10	Q	And did you get a call or did you know they were
11		there?
12	А	No, I don't think so.
13	Q	And did you have kids home at the time?
14	А	Yes.

16	А	What year was this?
17	Q	This is in 1990.
18	А	They would be about 13, 14.
19	Q	It goes on to say, it starts off, Mrs. Milgaard
09:21 20		says, 'I'm David's mother. (Inaudible) you know
21		we heard this story that you told and like we know
22		it's difficult for you and everything but when I
23		heard what you said,' and then you say, 'well when
24		did they tell you why didn't they,' and she says,
09:21 25		'why didn't they tell me a long time ago, I don't

Α 8 To the city police? 0 9 Yeah. Α 09:21 10 And did you subsequently learn that it was 0 11 information from an anonymous caller that had 12 brought Mrs. Milgaard to your house? 13 Α I don't know. 14 When you say here I was so mad at them, can you Q 09:22 15 tell us who you would have been referring to? 16 Probably the city police. Α 17 And why were you mad at them? Q 18 Because they hadn't forwarded any information to Α 19 them. 09:22 20 And then if we can scroll down, Mrs. Milgaard 0 21 says, 'that Larry did it but you said that Larry 22 was covered with blood that morning?', and your 23 answer is, 'oh no, no, no.' 24 And again, that would be 09:22 25 accurate? 	1	А	Yes.
	2	Q	And then, 'what happened exactly? What made you
	3		think he did it,' and then your answer is, 'he
	4		didn't go to work that morning. Well see this was
09:22	5		after he was charged in Winnipeg that I even
	6		realized that,' and then, 'because you know who'd
	7		think anything then you know.'
	8		And that's what you told us
	9		yesterday; is that
09:22	10	А	Yes.
	11	Q	And then right down at the bottom, Mrs. Milgaard
	12		says, 'we just found out about that ourselves the
	13		other day. That's why I'm here, you see.' And
	14		you say, 'ya, somebody came and talked to Larry's
09:23	15		mom.'
	16		And then the next page, 'oh, did
	17		they? So hopefully they're investigating this. A
	18		police officer"
	19		Can we take it from that that
09:23	20		you would have known a police officer was to see
	21		Mrs. Fisher, Larry's mother?
	22	А	Yes, yes.
	23	Q	And that would have been around the time or
	24		shortly before your meeting with Mrs. Milgaard?
09:23	25	А	Yes.

			——————————————————————————————————————
	1	Q	In fact, I think you say 'when, how long ago was
	2		that?' That was just the other day.'
	3		And then down, scroll down,
	4		please. That's fine. Actually, just scroll up a
09:23	5		bit, and then you say, 'no they haven't seen me
	6		yet. But she has told me that they talked to her,
	7		so I'm expecting,' and then Mrs. Milgaard, 'I see
	8		someone to come.'
	9		So at this time when you talked
09:23	10		to Mrs. Milgaard or Mr. Henderson, were you
	11		expecting to hear from the police shortly?
	12	А	Yes.
	13	Q	And then you say, 'I gave everything that I had to
	14		in that statement.' And then Mrs. Milgaard asks,
09:24	15		'what statement, did you give a statement to the
	16		Saskatoon police? When was that?' And your
	17		answer, 'ten years ago,' and then Mrs. Milgaard
	18		says, 'so it was probably when David, after David
	19		escaped and I went to the newspaper.' You say,
09:24	20		'did he escape?' Oh I didn't know that.' 'Yes,
	21		this was in 1980.' You say, 'it was about that
	22		time. It was about time because I got the flier
	23		in the mail.' 'Right, and so you went to the
	24		police at that time?'
09:24	25	А	Yes.

	1	Q	So again, it appears at this point, Mrs. Fisher,
	2		that you were telling Mrs. Milgaard that it was
	3		the flier in the mail that you received?
	4	А	Yes.
09:24	5	Q	Yes?
	6	А	Yes.
	7	Q	The next page. We'll skip around a bit here,
	8		Mrs. Fisher, and I'll just try and get the key
	9		points. At the top you say, 'well what I thought,
09:24	10		what I thought happened is because Larry didn't go
	11		to work that day and when I woke up he was in his
	12		dress clothes. Like he'd go, he's kind of a work
	13		alcohol.'
	14		And is that accurate, was he a
09:25	15		work alcohol, is that what you viewed at the time?
	16	А	Yeah.
	17	Q	And then Mrs. Milgaard asks, 'do you mind if we
	18		tape this conversation.' And then you mention, 'I
	19		have a daughter who visits her dad.' And then Mr.
09:25	20		Henderson says, 'this would be strictly
	21		confidential between you and us, and whatever we
	22		come up we'll turn over to the Minister of
	23		Justice.'
	24		And so do you recall that being
09:25	25		discussed?
			Meyer CompuCourt Reporting

F

Page 15258 1 Yes. Α 2 And were you fine with having the conversation 0 3 taped and the information provided to the Minister 4 of Justice? 5 Α Yes. 09:25 You mention your daughter. Did you have some 6 0 7 concern about the confidentiality of your 8 information? 9 Α Yeah. 09:25 10 And what was that? 0 Well, I just -- well, because Tammy went to visit 11 Α 12 Larry, I didn't want her coming into any harm or 13 whatever, or people bothering her because she was 14 related or whatever. 09:26 15 And apart from your concerns for Tammy, were you 0 16 fine with your own information being made 17 available to authorities? 18 Yes. Α 19 0 And then the next page, and then it says here, 09:26 20 Henderson says, 'but you know it would be,' and 21 then inaudible, 'we're not too sure if the new 22 evidence is, that they're talking about now is 23 going to be enough to get us over the hurdles.' 24 And I think this is talking about information, forensic evidence that had been 09:26 25 Meyer CompuCourt Reporting =

I		Page 15259 —
1		provided to the Minister of Justice. Do you
2		remember, prior to Mrs. Milgaard and Mr. Henderson
3		coming to see you, reading anything in the paper
4		about David Milgaard and his attempts to have his
<i>0</i> 9:26 5		conviction set aside?
6	А	I don't know when I started if I seen anything
7		in the paper.
8	Q	Okay.
9	А	But I remember seeing things in the paper, yeah.
<i>0</i> 9:27 10	Q	Right. And so your answer here is, 'can't they
11		use what, was it in the sperm they found the new
12		evidence?' And Mrs. Milgaard, 'yes they found out
13		that it's not David. Do you know what blood type
14		Larry is?"
<i>0</i> 9:27 15		Do you know what that exchange
16		was referring to?
17	А	It must have been DNA.
18	Q	And then do you recall a discussion about Larry's
19		blood type being important?
09:27 20	А	Yeah.
21	Q	Scroll down to the bottom, please, and then you
22		are asked by Mrs. Milgaard, 'and he went out that
23		night? The night before, like?', and your answer,
24		'I don't know if he went out or what exactly
<i>0</i> 9:27 25		happened. Whether he went out, ya he must have

	1		gone out that night.' Henderson, 'that was a
	2		Friday night?' Answer, 'yes.' 'Was it a Friday
	3		night?' Next page. 'I can't remember. January
	4		31st.' That's Mrs. Milgaard, and then you say,
09:28	5		'Friday night, no it wasn't a Friday night because
	6		it was a workday and that's why I was so
	7		surprised because Larry never' or
	8		Mrs. Milgaard, 'and he was supposed to go to work
	9		the next day, yes.' And you answer, 'because
09:28	10		Larry never to work. Because Larry always went to
	11		work.'
	12		And again, that's accurate is
	13		it?
	14	A	Yes.
09:28	15	Q	Scroll down a bit, and then you say, 'and this was
	16		another thing because the night before he didn't
	17		tell me he wasn't going to work.' And
	18		Mrs. Milgaard says 'right,' and you say, 'and he
	19		didn't tell me that, you know, nothing like this.'
09:28	20		And again, can you tell us what
	21		that relates to?
	22	A	I don't know. Well, the day before it couldn't
	23		have been that night because he never came home
	24		I don't think he came home for supper after work,
09:28	25		SO
			Meyer CompuCourt Reporting

Q Okay.

1

2 A But he didn't give me any information that he 3 wasn't going to work.

4 And then it says what -- Mr. Henderson asks, 'what Q time would he have started work?' Mrs. Milgaard, 5 09:29 'he usually left about six something didn't he to 6 7 go to work.' And your answer, 'well as far as I 8 Like my uncle told me that him and that know. 9 woman took the same, ' and then Mrs. Milgaard says 09:29 10 'bus'. Scroll down, please, 'bus time, so it must 11 have been about seven.'

12What were you referring to when13you said your uncle told you that Larry took the14same bus with the woman?

09:2915AWell, probably in our talks we had figured out16that Ms. Miller and Larry took the same bus.

17QOkay. And what uncle are you referring to in18this?

19 A Probably Clifford.

09:2920QAnd so in discussions with Clifford or family21members, back when, in the '70s or '80s?

22 A Yes.

23QAnd you had concluded that Larry and Gail Miller24had taken the same bus?

09:29 25 A Yes.

1980 v

	Γ		Page 15262
	1	Q	And do you remember how you reached that
	2		conclusion?
	3	А	Because she worked at the university and Larry was
	4		working at the university or something.
09:30	5	Q	I think she actually worked at City Hospital.
	6	А	Oh.
	7	Q	And I'm just wondering where, how you found out
	8		that she took that bus.
	9	А	Ah, well, Larry took the Avenue O bus and, ah, he
09:30	10		was working at the university then.
	11	Q	Yes.
	12	А	And so they would have to take the same bus to go
	13		to work.
	14	Q	So when you are talking to Mrs. Milgaard and Mr.
09:30	15		Henderson, you had believed that Larry had taken
	16		the same bus as Gail Miller?
	17	А	Yes.
	18	Q	Next page, and then at the bottom, and this is
	19		sort of fairly soon into the interview you say,
09:30	20		'well what convicted David? This is what I'm
	21		wondering, I never ever read the records and I
	22		never ever'
	23		And can you tell us why you
	24		would have asked about that information, and I'll
09:31	25		go on to read the answers for you, but do you
			Meyer CompuCourt Reporting
		С	ertified Professional Court Reporters serving P.A., Regina & Saskatoon since 1980

	1		remember inquiring about that?
	2	А	Yeah. It was probably because my family had
	3		always said that they, you know, like, they had to
	4		have some solid evidence to convict somebody and
09:31	5		so I wanted to know what the evidence was.
	6	Q	Okay. And Mrs. Milgaard says, 'what convicted
	7		David was strictly, strictly circumstantial
	8		evidence plus it was Larry, Ron Wilson was in
	9		prison at the time and turned around and said he
09:31	10		saw things he didn't see because they told him
	11		they were going to charge. O.K. The other was
	12		Nichol John who was the girl in the car with them
	13		because she was scared of (inaudible) the
	14		Saskatoon police brought her up from Regina. Kept
09:31	15		her all night in prison, drove her around without
	16		charging her, drove her around and around. Showed
	17		her the knives and the coat and all the things
	18		until finally she said 'I saw him reach into his
	19		pocket, grab a knife and shake this girl and stab
09:31	20		her,' and then you say, 'oh. She said that.'
	21		Let me pause there. Had you
	22		been aware of that prior to Mrs. Milgaard telling
	23		you that?
	24	А	Probably not, no.
09:32	25	Q	Mrs. Milgaard carries on, 'she said that. But the
			Meyer CompuCourt Reporting

	1	thing was that's the statement she gave to the
	2	police. Then when she was on the stand she said I
	3	don't remember saying that. I didn't see that.
	4	She said I didn't see that. So the judge threw
09:32	5	her testimony out and because of that the attorney
	6	we had didn't get to cross-examine her because
	7	what she said she saw, Linda, she couldn't have
	8	seen. This woman's dress was down around her
	9	waist. Her arms were not in their dress, but her
09:32	10	coat was on. And there were stab wounds in the
	11	coat, but they weren't in the dress.' And you
	12	say, 'now how could she see,' Mrs. Milgaard says,
	13	'she couldn't have seen that.' And you finish,
	14	'him stab her when,' and then Mrs. Milgaard says,
09:32	15	'she couldn't have. That's the whole thing. None
	16	of the physical evidence matched up, so but the,
	17	that didn't come out at the trial. The motel
	18	owner saw him at seven o'clock in the morning,
	19	about the time that she probably was being
09:32	20	killed.' Mr. Henderson says, 'that was some
	21	distance from there.' And Mrs. Milgaard says,
	22	'and that was at the Travaleer Motel. And they
	23	didn't pay any attention. That's a mile and a
	24	half away from where that was. Quite a good
09:33	25	distance. Now, she was seen at 6:35 getting ready

	1		to leave. She had everything on but her boots and
	2		her coat. And David was seen at 7:00 at the motel
	3		and his time after that was all accounted for
	4		because he was with other people, that saw him.
09:33	5		They saw no blood on him. He wasn't on drugs. He
	6		wasn't drinking. He was perfectly normal. But
	7		they didn't believe him. Two kids, two young
	8		fellows that were up for armed robbery that heard
	9		were friends with this Ron Wilson and they turned
09:33	10		around, they were on these charges, and they said
	11		we know something about Dave Milgaard, give us a
	12		deal and they made a deal and they made up a story
	13		about being in a motel room with David and David
	14		re-enacting the crime. Well there was a woman
09:33	15		there in the hotel room and the police took a
	16		statement from her and she said they didn't say
	17		that at all. Now we found another woman,' and you
	18		say, 'well even if they say that, you know, like
	19		if somebody comes and accuses me for something I
09:33	20		didn't do, I'd joke about it and say oh sure I did
	21		it anyway.'
	22		What did you mean by that
	23		comment; Do you know?
	24	А	Well, you know, sometimes when people are joking,
09:34	25		you know, and maybe you are just joking, but they

are kind of accusing you, you would probably say, you know, like, I did that or, you know, this happened and you are joking.

4 0 Okay. Then Mrs. Milgaard carries on, 'but it 5 would, I don't know how. They shouldn't have 09:34 convicted him on what they did because there was 6 7 nothing there. There really wasn't when you go 8 back to it. And then they sort of messed up all 9 this business with the blood and the antigens so 09:34 10 that nobody understood anything. And it wasn't until this forensic expert looked at it and said 11 12 this is the case you know. However, the Justice 13 Minister has had this since last December and 14 they've done nothing. What I need is something 15 And that's why when we heard about you 09:34 new. 16 telling about, you know, Larry and you thinking 17 that he might have been involved and then I 18 thought well we need to talk to you and find out 19 exactly what you know because it could be such a 09:34 20 help to us in this case, ' and then you say, 'well 21 like see I don't have like evidence either. 22 That's what I was hoping, that they had evidence.' 23 What did you mean by that? 24 Α Well, I didn't have any evidence, like, seeing him with blood, like, that kind of stuff. 09:35 25 I mean, I

1 didn't I just knew only the stuff I gave	in the

3 Q Okay. I think yesterday you told us, Mrs. F	isher,	
4 when I asked you about the 1980 statement to	the	
09:35 5 police where you said, I think the words wer	e to	
6 the effect that you thought David Milgaard w	as

8 that time that was based on the fact that yo	u	
9 thought Larry Fisher had done it and since L	arry	
09:35 10 Fisher had done it David Milgaard could not	have	
11 done it.		
12 A Yes.		
13 Q Do you remember telling us that?		
14 A Yes.		
09:35 15 Q At this time when you were meeting with Joyc	е	
16 Milgaard and Paul Henderson, and not just at	this	
17 time of the interview, but in the months tha	t	
18 followed, did you learn more about the case		
19 against David Milgaard?		
09:35 20 A Yes.		
21 Q And did you reach any conclusions in your mi	nd,	
22 separate and apart from what you thought abo	ut	
23 Larry Fisher, about whether or not he was in	volved	
24 in that crime?		
09:36 25 A Well, with the one recanting and everything,	well,

I

	1		then I had more I mean, I felt more that Larry		
	2	2 did it.			
	3	Q	Okay. So and again, the more you heard about		
	4		the David Milgaard case, if I can call it that,		
09:36	5		did that confirm your belief that Larry Fisher was		
	6		responsible for the murder?		
	7	А	Yes.		
	8	Q	And then you say, 'well I didn't see nothing. But		
	9		this is odd for Larry. This is odd and then after		
09:36	10		I heard about the rapes' and then Henderson		
	11		says, 'when did you hear about the rapes? You say		
	12		that was 70,' and Ms. Milgaard says one, Linda		
	13		Fisher says one.		
	14		Next page, Henderson asks, 'so		
09:36	15		was it hearing about those and then thinking back		
	16		in retrospect to the date of that murder?' And		
	17		you say, 'ya, ya.' Henderson, 'I'm sure you must		
	18	have remembered that murder. It wasn't that far.			
	19		You say yes. Henderson says, 'so then you thought		
09:37	20		to yourself, wait a minute,' and you say 'I did, I		
	21		said ya.' Henderson says, 'that was the day that		
	22		Larry didn't go to work, right?' And you say yes.		
	23		'Did you remember exactly that it happened that

	2		And again, I think that's what		
	3		you told us yesterday; is that correct?		
	4	A	Yes.		
09:37	5	Q	Next page, and then here you were asked, 'so you		
	6		first, did you go to the police at that time,		
	7		yourself?' And you answer yes. Question, 'oh you		
	8		went to them?' Answer, 'oh no, after, after I		
	9		realized that, that he could have been the		
09:37	10		person.' And you say, 'yes. But I waited a long		
	11		time too. I seen your flier before I even went		
	12		in.' And then Mrs. Milgaard, 'and you went in and		
	13		you talked to them and you said that you thought		
	14		you knew something and what did they say.'		
09:38	15		And again the reference to the		
	16		flier, Mrs. Fisher, at that time you believed you		
	17		had seen a flier before you went into the police?		
	18	A	Yes.		
	19	Q	Next page at the top, you answer, they said, 'well		
09:38	20		we'll take a statement.'		
	21		And this is referring to your		
	22		attendance in 1980. And then you say, 'of course		
	23		this came out when I was drinking like I was		
	24		really upset about it, tired of hearing about

8	А	Pardon? It was
9	Q	Sorry. I think yesterday when I asked you about
<i>09:40</i> 10		Larry Fisher's reaction when you accused him of

12		you did here, that his face turned pale and white,

17	Q	The accusation?
18	А	Yeah.
19	Q	And it was later when you heard about the Winnipeg
09:40 20		rapes that you then placed significance on his
21		reaction; is that right?
22	А	Yes.
23	Q	And just tell us again, after you learned about
24		the rapes in Winnipeg, what did you think about
<i>09:40</i> 25		Larry's reaction to the accusation?

1	А	Well, then that's when I thought he probably could	
2		have had something to do with this girl.	
3	Q	And at that time, then, did you construe his

<i>09:40</i> 5	А	Yes.	
6	Q	On the morning of January 31, 1969 did you

17		Mrs. Milgaard says 'wow,' and you say 'this was

	7		Do you remember that discussion?

(9 9	2	And next do you recall, were Mrs. Milgaard and

09:42 20	С		the question, 'were there, did you notice any

09:43	5		that's really clear. He was standing behind the

	7		Is that the box of clothing?			
:	8	А	Yes.			
(9	Q	'And he was, he just stood there like you know,			
09:43 10	0		that's not normal for Larry. Usually he's arguing

1:	2		And the next page, 'so when you

			Mrs. Milgaard says, 'my goodness.' You say, 'he

1	7		Henderson says, 'did he deny it?' And you say,

22	2		And again, do you remember

	4		that was why I could have been looking for the

	6		Next page, you say, 'I used the		
	7		paring knife lots and maybe I was looking for it		
	8		when we were arguing, or just before or something,		
	9		but anyway, I noticed it right away that the knife

	12		you answer 'my knife is missing, you probably

	16		And you say, 'I think that's how it might have all

	18		And again, is that an accurate		
	19		recording of what you would have said and thought		
09:44	20		at the time?		
:	21	А	Yes.

09:45	25		Mrs. Milgaard says, 'what kind of car did your

	3	Mrs. Milgaard says, 'black and red, sort of a

09:45	5		see Larry wouldn't have had a car if he did this.		
	6		He would have just, he would have got on the bus

	8		'and got off with her or followed her when she got

09:45	10		And again, is this you had		
	11		told us earlier that you had had discussions with		
	12		family members about Larry being on the same bus		
	13		as her?		
	14	А	Yes.		
09:45	15	Q	Next page, and then there's some questions here		
	16		about Clifford Pambrun, and do you remember, I'll		
	17		show you in a subsequent interview, providing them

	21	А	Yes.		
	22	Q	And then down at the bottom, this is where you are

	9		And I think that's what you told			
09:46	10		us yesterday, that Roy had told you that story?			
	11	А	Yes.			
	12	Q	And that had been in the '70s; is that right?			
	13	А	Yes.			
	14	Q	And then I think, down at the bottom just a couple			
09:46	15		more lines, you say and Mrs. Milgaard asked,			
	16		'Did Roy give a statement to the police about the			
	17		work boots', and you say, 'No, Roy just told me			
	18		when I was telling him what I thought'.			
	19		Is that correct?			
09:46	20	А	Yes.			
	21	Q	So you would have told your Uncle Roy about your			
	22		suspicions about Larry Fisher?			
	23	А	Yes.			
	24	Q	And that's when he would have told you about the

2	2 Q	And then next page Mr. Henderson asks, 'Do you
3	3	recall when Roy mentioned this to you, did he say
4	1	how long after this happened that he recalled
<i>09:4</i> 7 5	5	Larry burning his boots', and Mrs. Milgaard,
6	5	'Larry burning his boots', you say, 'No, he just
7	7	said that he remembered one time Larry came to
8	3	use, in his garbage when he was burning garbage
ç	9	Larry burnt his work boots'.
<i>09:4</i> 7 10)	And is that correct?
11	A	Yeah, that's what I said, but actually I didn't
12	2	know whether he was burning garbage or not, Roy
13	3	had just told me this story.
14	l Q	And when Roy told you that did he tell you when
<i>09:4</i> 7 15	5	that was in relation to the day that Gail Miller
16	5	was murdered?
17	7 A	Not that I remember, no, he just said it was
18	3	winter I think.
19	Q Q	Okay. Next page. And you are asked here by Mrs.
<i>09:4</i> 7 20)	Milgaard about, 'Did he show interest in the
21		reports on the radio or the television, the
22	2	newspaper', and then it's says 'inaudible', and I
23	3	think they are asking about Larry, and it's
24	1	inaudible but it says, 'Found some clothes at the
<i>09:4</i> 8 25	5	Cadrain's there'.
		Mever CompuCourt Reporting

[Page 15279 — Page 15279 —
1		Do you know what that was
2		referring to?
3	А	I think coveralls, I remember something about
4		coveralls being at Cadrain's, some there was
<i>09:4</i> 8 5		something about coveralls the kids had been
6		talking about.
7	Q	And was there blood on the coveralls?
8	A	I didn't I didn't know, I didn't know what it
9		was about, these coveralls, but I remember Pat had
<i>09:4</i> 8 10		mentioned something about coveralls being found at
11		the Cadrain's.
12	Q	And was that at the time back in '69 when Mr.
13		Milgaard was being investigated do you think?
14	А	Well that was when we had al I think we had
<i>09:4</i> 8 15		already moved to Avenue D and
16	Q	So that would be in about 19 late '69/early
17		'70?
18	А	Yeah. That could have been when the Milgaard case
19		was going on, I don't
<i>09:4</i> 8 20	Q	And when you have a recollection of the overalls
21		was it in connection with Albert Cadrain and David
22		Milgaard's visit to the Cadrain house, or was it
23		in connection with your information you had about
24		Larry Fisher, or
<i>09:4</i> 9 25	А	Well the coveralls, I didn't know what they meant
		Meyer CompuCourt Reporting

by 'coveralls', what the kids were -- the kids were talking about coveralls, but I never got whether there was blood on them or not.

4 **Q** Okay.

A Okay.

So if we can go to the next page, please, and then 6 Q 7 You say, 'You know, I don't know, the next page. 8 I don't know, maybe he didn't come home till 7:00, 9 I don't, oh, I don't know, no, I think he was 09:49 10 home, I was just surprised that he didn't go to 11 work, may -- I wonder if he didn't come home until 12 7:00'. And Mrs. Milgaard, 'That's what I am 13 wondering too, so you have no way of knowing 14 whether he was there all, at home all night or not, he could not have been there and just when 09:49 15 16 you woke up he was dressed in these clothes', and 17 you say, 'I know he didn't, either didn't get home 18 until really, really late but I expected him to go 19 to work so he must have, he must have been home', 09:50 20 and then you say, 'But he couldn't have come until 2:00 or 3:00 but I still expected, no, he must 21 22 have came home early, he must have been home 23 because I expected him to go to work you know'. 24 And then the question, 'Would Larry normally go to 09:50 25 work even if he was off lat at night drinking',

Page 15281 =

1 you say, 'Yeah, he always', and Henderson, 'That 2 wouldn't slow him down from working', answer, 3 'No'. 4 I'm just wondering if you could 5 explain that, Mrs. Fisher? It appears that --09:50 6 Α I was trying to figure out if Larry could have 7 come home and I not noticed it or I could have 8 been asleep. Like that's what happened, I think, 9 anyway, but he -- if he could have came home, you 09:50 10 know, like 3:00, 4:00 or something, you know, like. 11 12 Q Okay. 13 Α But I never, I never knew, he never got -- as far 14 as I knew he never got into bed with -- into our 09:50 15 bed. 16 And when you, I'm sorry, you just said Q Okay. 17 "that's what happened anyway", what did you --18 Well he did get home, wash up, and I didn't know Α 19 he was there, so --09:51 20 And I think we touched on this yesterday, 0 Okay. 21 you said that when you woke up between 9:00 and 22 11:00 a.m. he was there with his dress clothes on, 23 and appeared to have just washed up? 24 Α Yes. 09:51 25 And I think you told us you don't know -- you Q Meyer CompuCourt Reporting =

1		don't know or have a recollection as to when he
2		came home?
3	А	That's right.
4	Q	And I think you have, from time to time, said,
<i>09:51</i> 5		well, he could have come home in the middle of the
6		night but you didn't think so; is that right?
7	А	Yes. Yes.
8	Q	And so what are you telling us today, Mrs. Fisher,
9		to as far as when you think he did get home; are
<i>09:51</i> 10		you able to tell us?
11	А	No.
12	Q	And I'm not from speculation, just from what
13		you know?
14	А	No. I'm when I woke up, he was there.
<i>09:51</i> 15	Q	Okay. Then the next page you are asked by Mr.
16		Henderson, 'Did you ever see Larry carry a knife
17		with him', answer, 'No, Larry never carried a
18		knife, but then look at this, all he did with the
19		knife'.
09:52 20		And is that accurate; do you
21		remember Larry carrying a knife?
22	А	I don't remember him carrying a knife.
23	Q	Next page. Mr. Henderson asks, 'You never went to
24		the police in 1969 though, did you', you answer,
<i>0</i> 9:52 25		'No, well I didn't even know Larry was violent
		Meyer CompuCourt Reporting

	1	then', and then Henderson, 'Right, and then after
	2	he was convicted did you, were you, after his
	3	conviction in 1971 were you flashing back on that
	4	morning of', and you answer, 'Yeah', and then
09:52	5	Henderson says, 'But you didn't at that time go to
	6	talk to anybody', answer, 'No', question, 'What
	7	was', and then your answer, 'This was all after
	8	charge that this all came to mind like so that's
	9	why I didn't know whether he was home or what we
09:52	10	were fighting about or', and he says, 'Sure'.
	11	Mrs. Milgaard, 'Yeah, to remember that long back
	12	it's almost impossible. I mean I can't remember
	13	back to what I was doing ten years ago let alone
	14	21 years ago', Henderson says, 'Nor can I, but so
09:53	15	basically what we're saying is that even though
	16	Larry was charged in 19 was convicted or pled
	17	guilty in '71 and you had your suspicions then,
	18	then you waited nine years before you', and
	19	answer, 'Yeah', and then, 'Just in terms of
09:53	20	credibility, explaining why the reason for that
	21	was', and you say, 'Well I had a daughter with him
	22	and I just didn't', there's some inaudible, 'If I
	23	could have brought something new, like if I could
	24	have known, seen that knife and known it was mine,
09:53	25	you know, but there was nothing like besides the
		Meyer CompuCourt Reporting

	1		statement'.
	2		I appreciate that this part is
	3		inaudible but do you know what you would have been
	4		referring to there?
09:53	5	А	I don't I'm not sure.
	6	Q	Okay. Then, if we could just scroll down, there
	7		is a note here that side 1 of the tape is blank
	8		for 17 minutes and then side 2 is blank for 14
	9		minutes and then they start talking about Shorty.
09:54	10		'That was the young kid upstairs', answer, 'No,
	11		actually he didn't hang around much, he did the
	12		odd thing with us'.
	13		And is that correct about Shorty
	14		Cadrain?
09:54	15	А	Probably, yes.
	16	Q	And then you say, 'Well they knew each other but
	17		not, you know, like they weren't close'.
	18		And I think that's referring to
	19		Larry Fisher and Albert Cadrain?
09:54	20	А	Yes.
	21	Q	And then the next page. And you are asked the
	22		question again about Albert Cadrain, 'Well I
	23		wondered if there had been any way that maybe he
	24		had even seen Larry covered with blood', and she
09:54	25		is talking about Albert Cadrain, 'And then

1		transferred it to David for a reason. Like would
2		Larry have been able to influence Shorty to say
3		something like that', and you answered, 'I don't
4		think so'.
<i>09:54</i> 5		And, again, is that accurate, do
6		you remember being asked about that?
7	А	Yeah.
8	Q	And is that what you think today?
9	А	Yes.
<i>09:55</i> 10	Q	And then down at the bottom Mr. Henderson says,
11		'The reason that we are here now is because there
12		was a tip to David's lawyer, law firm in Winnipeg,
13		an anonymous caller', Mrs. Milgaard says, 'Larry
14		had come home that morning covered with blood and
<i>09:55</i> 15		that we should talk, you know, and you had told
16		people that you believed he was guilty of the
17		murder', and you say, 'Yeah, but he wasn't, I mean
18		I never seen him covered with blood'.
19		And I think that's what you have
<i>09:55</i> 20		told us on a couple of occasions; is that right?
21	А	Yes.
22	Q	And if we can go to page 076298. And, again, Mr.
23		Henderson asks whether you talked to Larry Fisher
24		again about the incident on the morning of the
<i>09:55</i> 25		murder and you say, 'I can't remember, I don't

And then to page 076270. And then you say, 12 sorry, to 076270 -- or I'm sorry, 076300. 	19	А	No.
09:58	20	Q	I'm sorry, you

	7		he claims he's innocent for ten years there's got
	8		to be some truth to it, but I always wanted to

	11		think that', and then you say, 'Well I don't know
	12		if I would recognize it that way, and I know
	13		exactly how that knife looked, but it didn't have
	14		no special markings'. And then Mrs. Milgaard,
10:00	15		'But it would be something if it was identical to
	16		the knife you had', and then you are asked to draw
	17		the knife.
	18		Do you remember doing that?
	19	А	No I don't.
10:00	20	Q	And then just down at the bottom again just
	21		back, again you made a comment about going into
	22		the police and your drinking, what did you mean by
	23		that?
	24	А	Because I had been drinking, I thought maybe
10:00	25		that's why they didn't look into the statement or

	2	Q	Okay. And down at the bottom you were describing
	3		the knife, 'It wouldn't, didn't have the fancy
	4		wooden handle, like it was a plain wooden handle',
10:00	5		and then next page Mrs. Milgaard asks, 'Would it
	6		be sort of a brown sort of like a maroon colour',
	7		you answer, 'It's about this', Mr. Henderson,
	8		'Yeah, kind of like a steak knife, I mean the way
	9		steak knives look now when you buy them, I mean
10:01	10		are you I'm thinking of one steak house that
	11		had brown handles, you know', and then you say,
	12		'The old butcher knives, the old wooden butcher
	13		knives, that's the handle, kind of handle', 'Did
	14		it have those things', and you say, 'The rivets,
10:01	15		oh yeah, I forgot to put the rivets on', and, 'Do
	16		you remember this distinctly because you didn't
	17		have a large collection of kitchen knives', and
	18		you answer, 'No, I just had the paring knife, the
	19		one knife'.
10:01	20		And that's what you would have
	21		told them at the time?
	22	А	Yes.
	23	Q	Now later on, and I'll get to this in later
	24		documents, there were a couple of more knives that
10:01	25		you told either investigators or the Milgaards or

	2	А	Yeah. I was focusing on the wooden-handled one
	3		here I think.
	4	Q	Okay. And so this is the one, the morning of the
10:01	5		murder, that you noticed missing?
	6	А	Yes.
	7	Q	Okay. And then just down at the bottom you say,
	8		'That paring knife that you would use for peeling
	9		potatoes or something like that', answer, 'Yeah,
10:02	10		you know, it was my favourite one, it was the only
	11		one I used and I didn't have no other small paring
	12		knife, I think I had a butcher knife but I didn't
	13		like using that. I didn't have no other knife to
	14		peel potatoes'.
10:02	15		And so I think, when we get to
	16		some statements later, you later told people that
	17		you did have another knife
	18	А	Yeah.
	19	Q	that was missing;
10:02	20	А	Yes.
	21	Q	is that right?
	22	А	Yes.
	23	Q	So, at the time, do you know why you wouldn't have

1	Q	Okay. And then it goes on, Mr. Henderson says he

4	А	Yes.
10:03 5	Q	If we can go to the next page, or to 0 306.
6		And there is a discussion here about and I
7		think this refers to Gail Miller, 'At 7:00, I

11		Mrs. Milgaard says, 'Well you see he left her
12		or she left her home about 6:35 to catch the bus',
13		and you say, 'Mrs. Cadrain', and Mrs. Milgaard,
14		'No, no Gail Miller', 'Oh, Gail Miller', Henderson
10:03 15		says, 'Wait a minute, eh, hold it, hold it.
16		Where, Larry, what bus did he take', Mrs. Milgaard
17		says, 'The same bus that Gail Miller took', you
18		say, 'Yeah', Henderson, 'And that's when he would
19		have been on the bus, and if he had gone to work
10:03 20		he would have been on the bus with her', Linda

	3		Larry would have got on and then she would have

	9		'She lived on Avenue O', and you say, 'Oh, she

	11		Had you not known where Gail
	12		Miller
	13	А	No, I guess not, or I didn't remember.
	14	Q	Okay. And then Mrs. Milgaard says, 'She lived on
10:04	15		the other side of the avenue, she see here's
	16		your avenue, here's where Cadrain's lived down

	6		Henderson, 'How far was the wallet found from the

	9		Can you tell us, Mrs. Fisher,
10:05	10		back in 1971 when you started to have suspicions
	11		about Larry being involved in the Gail Miller
	12		murder, where did the wallet fit in in your
	13		suspicions, if anywhere?
	14	А	Well he did I figured he would have lost it
10:05	15		that morning, because I think it was found a
	16		couple days later, after that.
	17	Q	And so back in 1971 did you think that he may have
	18		lost a wallet as part of being involved in the
	19		Gail Miller murder?
10:06	20	A	Yes.
	21	Q	And that's what you thought then?
	22	А	Yes.
	23	Q	Next page.
	24	А	Not in 1969 I didn't think that.

10:08	20		Do you remember, the next day,
	21		going out for a drive around that area with Joyce

	23	А	Yes.
	24	Q	And you went back to the Cadrain house and drove

	1	A	Yes.

10:08	5		So I take it that, after the

	8		is that right?
	9	А	I think so.
10:08	10	Q	Now it doesn't appear from that tape that there is

	7	'No, what he is talking about is you and he going

10:12	10	Milgaard, 'That he might get a deal', Henderson
	11	says, 'Well letting him think number 1 that we're

	13	that we already know', and then Henderson says,
	14	'We know and we've got the proof but telling him
10:12	15	basically look, we can prove it at least in the
	16	minds of the public, but, and you're going to be

	19	Mrs. Milgaard, 'Are you recording', Henderson,
10:12	20	'Yeah, I'm just going over this old tape here, I'm

	24	the Justice Department and see what kind of a deal
10:13	25	they might be willing to work out, and as you

1		know, his rationale for that was the Justice
2		Department would go for this because it gives them
3		a chance to look good, like they have discovered
4		it maybe on their own, they've got this, they've
10:13 5		talked to him, he confessed, it makes them look
6		better than', Mrs. Milgaard, 'That they are trying

8		Mrs. Milgaard, 'Well maybe we should discuss that
9		with Linda with the idea that we, because at one

11		Tammy'.
12		Do you remember that being
13		discussed, about David Asper and your daughter
14		going up to see Larry Fisher in prison?
10:13 15	А	No, no I don't.
16	Q	And then Henderson says, 'Yeah, well he was
17		considering doing that, it's not a bad idea, it's
18		worth a try, in which case what you are holding
19		is, what you are doing is you are holding back on
10:13 20		the publicity, in other words you are not going to
21		besmirch Larry Fisher, label him a killer all over
22		mainland Canada on every TV screen in the entire
23		country, giving him a chance to admit it first
24		with the possibility of getting a deal, he says
10:14 25		I said what do you mean, are you talking about
		Meyer CompuCourt Reporting

10:14 5		Mrs. Milgaard, 'I don't know that', and Linda
6		Fisher, 'How did you make out', 'Well he's not at
7		Bryan's mum'.
8		So it's not clear whether you
9		were part of this discussion or not, Mrs. Fisher,
10:14 10		do you remember any of that being discussed?
11	А	No.
12	Q	If we can go to the next page, and again you are
13		part of the discussion here, and then down at the
14		bottom Mrs. Milgaard says, 'But, so you've checked
10:14 15		the other uncle and he's not home either so there
16		is no sense in going by there. Now you're going
17		to be in school on Monday, right. See, we're just
18		talking now, Paul's been talking to my lawyer as
19		well, and one of the considerations and things
10:14 20		that they talked about was maybe going'.
21		And if I can pause there, it may
22		be that the part that I just read you was while
23		you were out of the vehicle, Mrs. Fisher. Do you
24		remember going in to phone Cliff and Roy?
10:15 25	А	Yes, yeah.
		Meyer CompuCourt Reporting

1	Q	And it says, 'He had talked about maybe going up
2		with there with Tammy to see her father and sort
3		of how do you think that Tammy would relate to us,
4		like if we tried, explained to her that we were
10:15 5		trying to get David out, but at the same time we
6		were trying to make a deal for her dad, like we
7		would be working a two-way street, we would be
8		trying to help make a deal, see he seems to feel,
9		explain it exactly how he felt it would work', and
10:15 10		then Mr. Henderson says, I think to you, 'Well
11		basically what he is saying is that here's Larry
12		in there, this Justice Department investigation is
13		going on, the Justice Department is under no small
14		amount of public pressure to get to the bottom of
10:15 15		this, plus we're sitting here holding some cards
16		of our own, developments that they don't even know
17		about. If I were their lawyer, now he didn't
18		quite get into this kind of detail, but what I
19		would do if I went up there is say look, Larry, in
10:15 20		addition to the fact that the Justice Department
21		is hot on you we've got information, and the
22		national press is salivating over this case, you
23		are going to be smeared all over Canada television

10:16 5	5		may not be true, but in other words, and then he
e	5		says, alright, look, if you will confess to this

13	3		And, again, why would you
14	4		what would have caused you to say that, Mrs.

16	5	A	I think they were probably already saying that he

19	9	Q	Do you remember these discussions about where you
10:17 20	C		might play a part in trying to talk to Larry
21	1		Fisher about getting information or a deal with
22	2		him?
23	3	А	Yes, I remember something about it.

10:17	5		'ya well.' Mrs. Milgaard, 'do you think he might

1	12		know, I don't even think Larry cares. What does
1	13		he care?'
1	14		Do you remember saying that, and
10:18 1	15		what did you mean by that?
1	16	А	Well, I mean what was going on outside in the
1	17		public, I didn't I don't think he I didn't
1	18		think he would be too I mean, he wouldn't care
1	19		about it.
10:18 2	20	Q	And so it appears there's a discussion here about
2	21		someone going in to Larry Fisher and saying
2	22		lookit, this information will be made public, and
2	23		therefore, before it is, cooperate in some way; is
2	24		that
10:18 2	25	А	Yeah, but I figured he already denied it, so I

	1		really didn't think that he would agree to
	2		anything.
	3	Q	Okay. And when you say you didn't think he
	4		would care about that; is that correct?
10:18	5	А	Yes, that's what I thought.
	6	Q	And then Henderson says, 'it can be handled
	7		quietly or he can be labelled a killer or TV and
	8		so everybody knows and the Justice Department is
	9		under extreme pressure to come after him,' and
10:18	10		Mrs. Milgaard, 'to give him more time,' and then
	11		you say, 'I don't think that that, I don't think
	12		to Larry, knowing him, I don't think that would
	13		make any difference to him. Hiding the truth is
	14		' and then Henderson, 'if the name of the game
10:19	15		was psychopaths, they never confess to anything,'
	16		and then you carry on here, 'what's best for him,
	17		if he thinks it's best for him.' And then you say
	18		here, 'ya, obviously you would have to point it
	19		out that he's going to be convicted and then he's
10:19	20		going to try and protect himself, but right now,
	21		there's no way.'
	22		So that would have been your
	23		comment at the time about what you thought and how
	24		Larry Fisher would react to that type of approach;
10:19	25		is that correct?

A That's right.

2 0 And then the next page, a discussion here, 3 Mrs. Milgaard says, 'well the other thing is, like Paul and I have discussed, I really feel that 4 5 you've got to tell Tammy right away. I think it's 10:19 just too chancy not to. Linda, if it was my own 6 7 daughter, I would tell her immediately. I just 8 feel that it's taking too much of a chance not to tell her.' Henderson, 'well I think it's also 9 10:20 10 unfair to her to have her continuing with this illusion of having a father who's A-okay, ' and you 11 12 say, 'oh no, she thinks that I believe that he did 13 it.' 14 And again, can you help us out, 10:20 15 what was this discussion about telling Tammy 16 and --17 Α Well, I guess they were going to go to the news 18 about this and they wanted me to tell Tammy before 19 she went to visit or before it came on the news, 10:20 20 and I -- well, I kind of -- I was worried about 21 her, about Tammy going or something and Larry 22 getting mad because I -- I was involved, right. 23 0 And it says here that you say I believe, if I'm 24 reading this right, that Tammy at that time 10:21 25 thought that you believed Larry Fisher had --

	1	А	Yeah, I think Tammy knew what I thought then. She
	2		was already over 21.
	3	Q	And had you told her about that?
	4	А	Yes, I think so.
10:21	5	Q	And so would the the talk here about talking to
	6		Tammy, would that be about the fact that there
	7		would be public information about her father?
	8	А	Yes, I think so.
	9	Q	And did you have that discussion with her?
10:21	10	А	I think so, yes.
	11	Q	And then 043670, there's a discussion here, I
	12		think this is Mr. Henderson, it says, 'if you want
	13		to make it easy on yourself,' and this is I think
	14		talking about Tammy, 'you can tell that we, that
10:21	15		Joyce didn't just come here taking a chance.
	16		Somebody that I have talked to called her lawyers
	17		and said go talk to this woman. She is telling,
	18		you know she, and tell her, you can tell her look,
	19		hey somebody falsely claimed that I'd seen Larry.'
10:22	20		Joyce Milgaard, 'not falsely claimed. They didn't
	21		say that they saw, that she saw Larry covered with
	22		blood. Now let's get this straight. This is why
	23		there's someone else there that may still have.
	24		This anonymous caller said that Larry Fisher had
10:22	25		been seen that morning covered with blood.'

Linda Fisher

	1		Henderson, 'didn't say that Linda'
	2		Mrs. Milgaard, 'No. Said that he had been seen
	3		that morning covered with blood and he had said,
	4		and Linda Fisher believes that he is guilty of
10:22	5		killing Gail Miller and even went to the police
	6		about it.' And then Henderson, 'so you got,
	7		you've got two different things covered with
	8		blood.' And then Mrs. Milgaard, 'so it may be
	9		that there's someone else that saw him that is
10:22	10		trying to tell but trying to remain anonymous, do
	11		you see what I mean, so maybe he was seen that
	12		morning,' and you say, 'oh so he didn't say that I
	13		seen Larry covered with blood,' and Mrs. Milgaard,
	14		'no'. You say 'oh. There aren't that many people
10:23	15		who would have seen Larry' and then
	16		Mrs. Milgaard, 'you said Larry Fisher was seen
	17		that morning covered with blood. And that you
	18		believed that he had killed Gail Miller and, in
	19		fact, you had even gone to the police. Well, he's
10:23	20		right about two out of three. We know that.'
	21		Do you have any recollection
	22		from anybody having seen Larry Fisher covered with
	23		blood the morning of the murder?
	24	А	No.
10:23	25	Q	Go to page 043679, and then again this is all part
			Meyer CompuCourt Reporting

- Page 15310 -

1		of the tape, and Mrs. Milgaard says, 'Pambrun, and
2		I tried' okay, she says, 'I just talked to Roy
3		on the phone.' 'Roy Pambrun?' 'Right.' 'I tried
4		to encourage him to allow us to come over so that
10:23 5		we could take a written statement from him. He
6		said that he did not want to put anything in
7		writing. That he really couldn't be specific
8		about dates. He couldn't tell exactly what day
9		this was or anything that had happened. All he
10:24 10		remembers about it was that Larry showing up at
11		house and he didn't have any shoes or boots on his
12		feet. And he wanted to and he had a fire, he had
13		a fire burning in the barrel. And outside in the
14		yard. He didn't light the barrel himself, and yet
10:24 15		he didn't see Larry light it.'
16		And I think there's a discussion
17		looking for a restaurant to eat, which I won't go
18		into. So again, do you recall Mrs. Milgaard
19		talking to Roy Pambrun?
10:24 20	А	I don't know if I was is this the same day?
21	Q	Yes, it's the same call.
22	А	Yeah. I know we looked for them that day. I
23		don't know who we got ahold of.
24	Q	And then maybe just the next page, and Mr.
10:24 25		Henderson says, 'right. And commentary, from
		Meyer CompuCourt Reporting

	1		Linda, after your conversation with Roy was that
	2		she remembers him saying this exactly the way that
	3		she worded it in the statement, and she stands by
	4		what she wrote in her statement but she admitted
10:25	5		that Roy would sometimes have a tendency to
	6		embellish stories. And she thought that maybe in
	7		this case he was embellishing this particular
	8		story to be in accord with her suspicions about
	9		Larry.'
10:25	10		And again, it looks as though
	11		you would have given your statement by the time
	12		Mr. Henderson states this. Is that fair?
	13	А	Yes.
	14	Q	And do you remember telling Mr. Henderson this
10:25	15		about Roy Pambrun?
	16	А	Yeah.
	17	Q	And is that true, is that what you thought at the
	18		time?
	19	А	Yes.
10:25	20	Q	And to page 043682, we now have the tape and Cliff
	21		Pambrun and Linda Fisher are there. Do you
	22		remember meeting with Cliff Pambrun, with Joyce
	23		Milgaard and Paul Henderson?
	24	А	Yeah, I think so.
10:26	25	Q	And to page 043685, questions about the car. A

	2	loaned him your car all the time.' Cliff says,
	3	'no, not all, well whenever he wanted it, quite
	4	often. You couldn't say all the time because I
10:26	5	drove it most of the time.' Mrs. Milgaard, 'yeah,
	6	because sometimes he'd go out at night with it.'
	7	And Cliff says, 'well not really at night, mostly
	8	during the day.' You say, 'if he borrowed it it
	9	would be just, it wouldn't be very long.'
10:26	10	And then the next if you can
	11	go to page 043691, the top, Mr. Henderson asks,
	12	and again this is with you and Cliff present,
	13	'what I'm thinking is, he might have taken the car
	14	out that night. Borrowed the car from you that
10:27	15	night,' and he's talking about the night of
	16	January 30th before the murder, and then he says,
	17	'the car was seen,' and then Linda Fisher says,
	18	'no. Never overnight. I don't think he ever
	19	borrowed the car' and then Cliff says, 'I
10:27	20	don't think he ever borrowed my car, my vehicle
	21	overnight. I don't think he ever did.
	22	(Inaudible). Always brought it home. He never
	23	kept it overnight, never ever kept my vehicle
	24	overnight.' And you say 'cause he used it for
10:27	25	work.'
		1

Linda Fisher by Mr. Hodson Vol 77 - Tuesday, September 27th, 2005 Page 15313 : 1 Do you remember that discussion? 2 Α Yeah. 3 And then down at the bottom, again you say, 'I 0 don't think, I don't think Larry ever borrowed 4 5 your car overnight, ' and Cliff says, 'I don't 10:27 think he ever ever borrowed my vehicle overnight 6 7 really.' 8 Do you recall those questions? 9 Clifford didn't like to lend out his Α Yes. 10:27 10 vehicle, so nobody would ask for it very often, so 11 12 Q And I think, can you tell us today, do you think 13 back in, on January 30th, 1969, or in that time 14 frame, that Larry Fisher would have borrowed 10:28 15 Clifford's car overnight? 16 I don't think so. 1		Clifford Pambrun, and you recall that I showed
2		you in there mention that Mr. Henderson made of a
3		statement you gave. I'll call up 050603, and if
4		we can go to page 08, and that's your signature;
10:47 5		is that correct.
6	А	Yes.
7	Q	And this is March 10th, 1990, and based on my
8		review of the documents, it looks as though March
9		10th is a Saturday, March 9th was a Friday and
10:47 10		that would have been the first interview in Cando.
11		This is March 10th, the day you gave the statement
12		in Saskatoon. Does that sound right?
13	А	Yes.
14	Q	And I'm not sure if it matters exactly when during
10:47 15		that day you gave the statement, but it appears,
16		based on the tape that I went through, that at
17		some point during your meetings with Mrs. Milgaard
18		and Mr. Henderson that day you would have given
19		this statement; is that fair?
10:47 20	А	Yes.
21	Q	And then I think it's witnessed by Joyce Milgaard
22		and Richard Groat. Do you remember a fellow by
23		the name of Richard Groat? Does that sound
24		familiar?
10:48 25	А	I don't know. I was thinking he was Paul

	1		Henderson. I was I was mixed up, so I don't
	2		know.
	3	Q	Yeah. No, Paul Henderson was there, and I think
	4		Mr. Groat may have been an acquaintance of
10:48	5		Mrs. Milgaard or may have been around I'm not
	6		sure, but and I think that's just do you
	7		recall anybody by that name?
	8	А	I don't remember him, no.
	9	Q	And we'll go to the typed version, 101298, please,
10:48	10		and this is someone has taken the handwritten
	11		statement and typed it up. Who wrote the
	12		statement out?
	13	А	I think Paul Henderson wrote this.
	14	Q	Maybe we'll just sorry, let's just go back to
10:48	15		050603. And so that's, you are thinking that's
	16		Paul Henderson who wrote it out?
	17	А	Yes.
	18	Q	And do you remember how the statement was taken,
	19		where you were when it was taken?
10:49	20	А	I think we were in the pizza place, a pizza house
	21		on 22nd Street.
	22	Q	And how did did you did he write it out and
	23		read it to you or did you did he ask you
	24		questions and answers? Can you remember
10:49	25	А	Probably asked me questions and answers.

1	Q	And then he wrote it out and had you did he
2		read it to you or did you read it; do you
3		remember?
4	А	I
<i>10:4</i> 9 5	Q	I'll go through it with you.
6	А	I probably read it, yeah.
7	Q	And were they were they your words, were they
8		his words or a combination of both?
9	А	A combination.
10:49 10	Q	At the end though when you signed it, were you
11		satisfied that everything in this statement was
12		your truthful recollection?
13	А	Pretty well, yes.
14	Q	If we can just go to the typed version, 101298.
10:50 15		Go to the second paragraph, it says:
16		"I have a distinct memory of the morning
17		in 1969 when a young nurse Gail Miller,
18		was raped and murdered in the same
19		neighbourhood. Larry had been staying
10:50 20		out late at night and I suspected he was
21		running around with other women. On the
22		night (before?)"
23		And I've checked on the handwritten version and
24		there's no there's no brackets or question
10:50 25		mark, so it looks like whoever typed this wasn't

			<u> </u>
	1		sure, but the handwritten statement says:
	2		"On the night before the morning of the
	3		Miller murder, Larry again had failed to
	4		come home. I stayed up, waiting for
10:51	5		him, until after the bars had closed.
	6		He still had not come home. I was very
	7		angry and packed before going to bed,
	8		planning on leaving Larry in the morning
	9		or at least scaring him into believing
10:51	10		that I planned to walk out on him."
	11		And just go back, it says:
	12		"Larry had been staying out late at
	13		night and I suspected he was running
	14		around with other women."
10:51	15		And we touched a bit on this yesterday. Had this
	16		been a frequent occurrence, that he'd been out
	17		late?
	18	А	Umm, yes. Well, not well, occasionally, yes.
	19	Q	Because it says here on the night before the
10:51	20		morning of the murder Larry again had failed to
	21		come home, and
	22	А	Well, he had done that before or Avenue C, he
	23		wouldn't come home right after work, he would go
	24		to the park and he was kind of running around.
10:51	25	Q	Okay. So again when it says Larry again had
			Meyer CompuCourt Reporting

Page 15318 =

1 failed to come home, this had happened before I 2 take it? 3 Α Yes. 4 And it says here that you had: 0 5 "... packed before going to bed, 10:52 6 planning on leaving Larry in the morning 7 or at least scaring him into believing 8 that I planned to walk out on him." 9 Had you thought about leaving him that next 10:52 10 morning? I don't know if I was serious, no, but I did pack 11 Α 12 my bags. 13 0 Scroll down to the next paragraph: "I awakened in our bed sometime between 14 15 9 and 10 a.m. At the time, Larry was 10:52 16 working as a labourer for Jones 17 Construction Co. He would normally get out of bed and dress in time to catch 18 19 the 7 a.m. bus a block from our home to 10:52 20 However, I was surprised ride to work. 21 on this morning to wake up much later 22 and discover that Larry was at home, 23 wearing dress clothes instead of work 24 clothes." 10:52 25 Now, Jones Construction Company, I think we've Meyer CompuCourt Reporting =

	1		seen that that's somehow associated with Masonry
	2		Construction; is that right?
	3	А	That's right.
	4	Q	And seven a.m., that was your recollection of when
10:53	5		he would normally catch the bus, around that time?
	6	А	Yes.
	7	Q	And again the dress clothes and work clothes,
	8		you've told us about that. Next paragraph, you
	9		say:
10:53	10		"This was surprising to me because Larry
	11		hardly ever missed work, no matter how
	12		late he stayed out at night. My bags
	13		were packed and setting in the middle of
	14		the hallway. I started screaming at
10:53	15		him, giving him shit for staying out
	16		late again and staying home from work.
	17		We argued at length. The radio in our
	18		living room was on, and at some point
	19		that morning I overheard a news report
10:53	20		about the stabbing murder of the nurse."
	21		And I had asked you this yesterday, and I think
	22		two questions about what you heard on the news
	23		report, about whether or not it was a stabbing.
	24		Do you remember do you remember that?
10:53	25	А	Well, I'm pretty sure I heard about the stabbing.

Page 15320

	1		I'm not positive if I had heard it was a nurse
	2		yet.
	3	Q	Okay.
	4	А	It was just a girl maybe I might have said. I
10:54	5		don't know.
	6	Q	Sure. And then down at the next paragraph:
	7		"Sometime before the news report either
	8		that same morning or the night before -
	9		I had discovered that my kitchen knife
10:54	10		was missing. So when I heard the murder
	11		report I yelled at Larry, "My paring
	12		knife is missing. You're probably the
	13		one who was out stabbing that girl". I
	14		can't recall exactly what I said to him,
10:54	15		whether those were actually the words I
	16		used, but I did accuse him of committing
	17		the murder."
	18		And is that correct?
	19	А	Yes.
10:54	20	Q	That's accurate?
	21	А	Yes.
	22	Q	Next page, it says:
	23		"In retrospect, I know that the
	24		accusation was prompted by my intense
10:54	25		anger and not really a belief that he
			Meyer CompuCourt Reporting

by Mr. Hodson Vol 77 - Tuesday, September 27th, 2005 Page 15321 1 had murdered someone." 2 And that's accurate is it? Yes, and even the knife, I would have noticed it 3 Α when I went to make dinner, I probably didn't 4 5 notice it the night before. I don't know how --So I think your statement says either the 6 Q Okay. 7 night before or that morning. 8 So it probably wouldn't have been the Α Yeah. 9 night -- it would have been when I went to make 10:55 10 dinner that I noticed it. 11 Q Sure. And then it says: "But his reaction was strange." 12 13 Is that what you told us about yesterday, about 14 his reaction? 10:55 15 Yes. Α 16 Then you say: Q 17 "Knowing him as I did, I would have 18 expected him to keep up with the yelling 19 and arguing, as he always did. But my 10:55 20 angry accusation stopped him cold. He 21 looked at me like a quilty person who'd 22 just been caught. The color drained from his face and he looked shocked and 23 24 scared. I will never forget his 10:55 25 I recall thinking at the expression.

	1		time that this strange behaviour was
	2		caused by his disbelief that I would say
	2		
			or even think something so horrible as
	4		that. I am now convinced that Larry
10:55	5		reacted the way he did because he really
	6		did kill Gail Miller. There are several
	7		reasons why I believe this."
	8		And is that accurate?
	9	А	Yes.
10:55	10	Q	Just on the first one, knowing Larry as you did,
	11		when you were arguing was it unusual for him not
	12		to argue back then?
	13	А	Yes.
	14	Q	And you say:
10:56	15		"My angry accusation stopped him cold."
	16		And then you say:
	17		"He looked at me like a guilty person
	18		who had just been caught."
	19		And is that something you thought when you made
10:56	20		the statement?
	21	A	At the time, no, he just ah, I don't know what
	22		I thought, but yeah, he did look guilty, he looked
	23		like or he at the time I thought that he
	24		thought that I really thought this and and so I
10:56	25		thought I went overboard at the time.
			Meyer CompuCourt Reporting

		Linda Fisher by Mr. Hodson Vol 77 - Tuesday, September 27th, 2005
		——————————————————————————————————————
1	Q	So at the time in 1969, you may have touched on
2		this yesterday, his shocked reaction at the time
3		you thought was because he really believed what
4		you had said?
10:56 5	А	Yeah.
6	Q	That he really believed that?
7	А	Yeah, I believed that he thought that I thought
8		that and I thought I overdid it.
9	Q	Okay. And so at that time his shocked reaction,
10:57 10		again on the day, was, I think you told us, please
11		correct me if I'm wrong, you attributed that to
12		sort of his shock that you would make such an
13		accusation?
14	А	Yeah.
10:57 15	Q	And then later after you learned about the rapes
16		in Winnipeg and had suspicions about him, did your
17		view of his reaction change, did you think
18		differently about his reaction?
19	А	Yes.
10:57 20	Q	And then what did you think at that time?
21	А	Then I thought maybe he was guilty.
22	Q	Okay. And so then once you found out about the
23		rapes, then thinking back to his reaction that
24		morning, did you think of him as a guilty person
10:57 25		who had just been caught?

	1	А	Yes.
	2	Q	And then you go on to say several reasons why you
	3		believe that he really did kill Gail Miller:
	4		"On either the same day of the murder or
10:57	5		the following day someone in the
	6		neighbourhood knocked on our door and
	7		returned Larry's wallet. I distinctly
	8		recall being told either by the finder
	9		or possibly by Larry that the wallet had
10:58	10		been discovered by a tree along the
	11		sidewalk of our block. I'm not sure,
	12		but I believe that the person who
	13		returned the wallet was a child and not
	14		an adult."
10:58	15		And as far as the wallet, I think you told us
	16		that the tree was right on the Cadrains'
	17		property, right in front?
	18	А	Yeah, I think it was right in front of the yard,
	19		the closest big tree. He said he found it by our
10:58	20		place.
	21	Q	And your recollection, would that have been right
	22		in front of the Cadrain house or was it down the
	23		block?
	24	А	I think it was pretty well in front.
10:58	25	Q	And then scroll down:

	1		"Despite this, I really didn't suspect
	2		Larry of being capable of committing
	3		something like this until after he'd
	4		been arrested for rape and sentenced to
10:58	5		prison in 1971. Sometime after entering
	6		prison he wrote me a letter describing
	7		what prompted him to rape women - how in
	8		one case he'd been sitting on a bus
	9		behind a woman and started getting a
10:58	10		headache. He said he remembered
	11		following the woman off the bus and that
	12		his mind was blank from that point on.
	13		Then when it was over he knew what he'd
	14		done.
10:59	15		I believe that I still have

	17		it and promise to turn it over to
	18		authorities upon request."
	19		I think that's the letter I referred you to
10:59	20		yesterday?
	21	А	Yes.
	22	Q	"After Larry went to prison, I was

	1		Roy said he was burning garbage in a

	3		a pair of work boots into the barrel.
	4		Roy said this seemed like a strange
10:59	5		thing for Larry to do because the boots
	6		appeared to be in good shape."
	7		Can you tell us I take it, at least at the
	8		time you gave this statement, that the burning
	9		barrel incident with Roy had some significance to
10:59	10		you as far as your suspicions about Larry Fisher?
	11	А	Yes.
	12	Q	And can you explain that?
	13	А	Well, because of the work boots being burned in
	14		there.
10:59	15	Q	And how did you think those work boots may have
	16		been connected to the Gail Miller murder?
	17	А	Well, I figured he might have been wearing them
	18		that morning.
	19	Q	And then what, burned them because they had blood
11:00	20		on them?
	21	А	Yes.
	22	Q	And then the bottom:
	23		"I can't honestly say why I didn't
	24		inform police of my suspicions earlier
11:00	25		than I did. There probably were several

Page 15327 : 1 reasons:" 2 And again, this would be talking about telling 3 the police in 1980; is that right? 4 Α Yes. 5 And you say: 11:00 Q "One is that Larry is the father of my 6 7 daughter, Tammy, who has always loved 8 and believed him." 9 And, again, would that have been a reason that 11:00 10 you didn't go into the police until 1980? 11 Α One of them, yeah. 12 Q "Another reason was that the friends and 13 family members I talked to about this 14 were telling me that I ... ", didn't really or didn't really, or: 11:00 15 16 "... that I really didn't have any real 17 evidence." 18 And is that true, is that what you told us about 19 yesterday? 11:00 20 Α Yes. 21 "I even talked to my doctor, Dr. James Q 22 McGettigan, and he said I'd be better 23 off forgetting about the whole thing. 24 He said if there had been a dishonest 11:01 25 investigation and a cover-up of the Meyer CompuCourt Reporting

2		someone in a high position and not
3		someone like Larry. What he said
4		basically was that nothing I could say
11:01 5		was going to change anything."
6		And, again, do you recall having that discussion,
7		a discussion of that nature, with Dr. McGettigan?
8	А	Yes.
9	Q	And when he said if there you told us yesterday
11:01 10		that you thought that he was thinking about a
11		different murder?
12	А	He might have been thinking, there was another
13		nurse, years ago, that happened, so maybe he was
14		thinking of that.
11:01 15	Q	Okay. And why
16	А	And
17	Q	And why do you think he may have been confused?
18	А	Because I think people were accusing one of the
19		upstanding citizens, or had been saying something
11:01 20		about an upstanding citizen, and there was talk of
21		something going on. I don't know exactly.
22	Q	Was that the Wiwcharuk murder; does that sound
23		familiar?
24	А	I
11:01 25	Q	There was a nurse in 1962?
		Certified Professional Court Reporters serving PA Regina & Saskatoon since 1980

1 А Yeah, there was -- it was a nurse, so I think -- I 2 thought that's who he thought that I was talking 3 about. Okay. 4 And then it says: 0 5 "I finally went to the Saskatoon Police 11:02 in 1980 after seeing a flyer in which 6 7 David Milgaard's family was claiming him 8 to be wrongly imprisoned and asking for 9 help in proving his innocence. On the 11:02 10 night that I walked into the police station I had been drinking at home in 11 12 Saskatoon with my boyfriend Bryan 13 Wright, and we were talking about the 14 case and how Larry might be getting out 11:02 15 of prison soon. Bryan encouraged me to 16 contact police. I told him that I 17 wanted to but felt that I'd rather wait 18 until the next day. He said "No. If we 19 don't do it now, you'll never go". We 11:02 20 went to the police station together that 21 night." 22 And is that accurate? 23 Α Yeah, pretty close. 24 0 Okay. Is there something in there that's not? 11:02 25 "Larry might be getting out of prison Α Meyer CompuCourt Reporting =

Page 15330 1 soon", 2 I think he had just went back to prison. 3 I think that's right, this is after (V10) (V10)-. 0 4 And then it says: Okay. 5 "I gave the police a one-page statement, 11:02 listing the reasons I could think of why 6 7 I felt that David Milgaard was innocent 8 and that Larry Fisher had committed the 9 Since that time, I have not crime. 11:03 10 heard from the police concerning the 11 statement I gave them." 12 Now, apart from the fact that I think it was 13 three pages, is that paragraph accurate? 14 Α Yes. 11:03 15 And then it says: 0 16 "On Friday, March 9, Joyce Milgaard, 17 David Milgaard's mother, came to my 18 house in Cando, Sask., and asked me if I 19 was willing to talk with her about Larry 11:03 20 and provide a statement concerning what 21 I know. We talked for several hours and 22 I agreed to meet Mrs. Milgaard in 23 Saskatoon and let her take a written 24 statement from me the following day." 11:03 25 And that's, I think, accurate, we've touched on Meyer CompuCourt Reporting

that; is that right?

A Yes.

1

2

	3	Q	"Mrs. Milgaard explained to me from the
	4		beginning that the reward money offered
11:03	5		by her family in 1980 no longer exists.
	6		I have given this statement bonafide,
	7		without being promised or expecting
	8		anything in return, in the belief that
	9		Larry Fisher murdered Gail Miller and
11:04	10		that David Milgaard is wrongly
	11		imprisoned for this crime."
	12		And, again, is that accurate?
	13	А	Yes.
	14	Q	And if we can just scroll down to the bottom, it
11:04	15		says:
	16		"I Joyce Milgaard have promised Linda
	17		Fisher that I will notify her before any
	18		of this information is made public so
	19		she can tell her daughter. She doesn't
11:04	20		want her daughter to be visiting her
	21		father in prison when this news breaks
	22		in case he hurts her."
	23		And, again, do you recall having that discussion
	24		with Mrs. Milgaard?
11:04	25	А	Well yeah, something to that effect, like I didn'

	Ĩ		Page 15332
	1		want Tammy hearing it on the news when she was
	2		going there or something.
	3	Q	So your concern was, if she was visiting Larry
	4		Fisher when this news broke, you were concerned
11:04	5		about her safety?
	6	А	Yes.
	7	Q	And at the time of this statement, then, what, was
	8		it your understanding or impression that Joyce
	9		Milgaard would be making this information about
11:04	10		Larry Fisher public?
	11	А	I think so, yes.
	12	Q	Okay. And was that, did she tell you that, or
	13	А	I think so. I think I it must be, because
	14	Q	And then if we can go to 050609, please. And this

11:05	5	A	I think they had come to Ernie's house that time

	8	А	Yes. Yes.

	13	А	Yeah, it would have been the day after.

police checked in the 300 block of
Avenue O South at 6:49 a.m. and
encountered Larry. He told them he
worked at Masonary contractors at the
Education building, University of
Saskatchewan.

According to the report, which was read to me by Mrs. Milgaard, Larry further claimed that on the morning of January 31, he had caught the bus at 6:30 a.m. at Avenue O and 20th Street.

I find this strange because on this particular morning Larry was in our basement suite when I awakened sometime between 9 and 10 a.m. As far as I'm concerned, he did not go to work that morning.

18 Until talking with Mrs. 19 Milgaard on this date, I was not aware 11:07 20 that Larry had been questioned by 21 police, nor was I aware that he had 22 claimed to anyone that he went to work 23 on the morning of January 31. 24 If I had been aware that Larry 11:07 25 was claiming to police or anyone to have

9		And so, again, does that statement refresh your
11:07 10		memory about what happened, about how it came
11		about?
12	А	Yes.
13	Q	And is this statement accurate?
14	А	Umm, yes, but Larry could have went to work later
<i>11:08</i> 15		on in the afternoon, so maybe that's not on in
16		the morning.
17	Q	Okay.
18	А	Because we discussed the morning though.
19	Q	Right. So is it fair to say from this, and
11:08 20		actually the, although the statement says February
21		5 I think it's February 3rd, which was the police
22		report, but I don't know that anything turns on

Linda Fisher by Mr. Hodson Vol 77 - Tuesday, September 27th, 2005 Page 15336 1 А Umm, I don't -- I don't even know. I'm -- Larry 2 could have told me that he had talked to them, 3 because they talked to me, but --4 Okay. Q 5 -- but I don't know. 11:08 Α If we could just go back to the document, please. 6 Q 7 If you can just scroll up a bit, it says: 8 "I find this strange because on this 9 particular morning Larry was in our 11:08 10 basement suite when I awakened sometime 11 between 9 and 10 ... As far as I'm 12 concerned, he did not go to work that 13 morning." 14 What do you mean by that, as far as you are 11:09 15 concerned he didn't --16 Well, when I woke up he was at the house that Α 17 morning, --18 Yes? Q 19 Α -- so I -- I didn't think he went to work that 11:09 20 morning. 21 And was that because he was at home? Q 22 Α Yes. 23 0 And then it says: 24 "Until talking with Mrs. Milgaard on 11:09 25 this date, I was not aware that Larry Meyer CompuCourt Reporting

11:09	5		And then this paragraph, I'd like you to just

	18		would have had a different view of that.
	19	Q	Okay. Let's go back to, again, I think you said a
11:10	20		couple days after the murder the police were at

	22	A	Yes.
	23	Q	And if the police would have said, "Oh, by the

2		he didn't, he was here that morning" or
3	А	Umm, I don't know.
4	Q	Okay. Would and I guess what I am trying to
11:10 5		understand, what you have told us yesterday is
6		that it wasn't until Mr. Fisher was arrested in
7		Winnipeg that you had any suspicion about him
8		being involved in the Gail Miller murder; correct?
9	А	Well I'd have asked for some explanation of why he
11:10 10		said he went to work, like even Larry, or why.
11	Q	Okay. And I'm just trying to understand whether,
12		whether the fact that Larry had told the police
13		that he went to work when you believed that he
14		hadn't, would that have caused you to have
<i>11:11</i> 15		suspicions about whether he might be involved in
16		the Gail Miller murder?
17	А	At that time?
18	Q	Yes?
19	А	Umm, probably not.
11:11 20	Q	Okay. If we could now go to 016114. So March
21		9th, 10th, and 11th, it appears that March 9th
22		Joyce Milgaard and Paul Henderson were in Cando
23		interviewing you; on Saturday, March 10th you were

	1		Pambrun by phone; and then on Sunday, March 11th
	2		it appears they would have been out in Cando to
	3		have you sign the second statement; is that right?
	4	А	Yes.
11:12	5	Q	So here's March 12th, and this is Mr. Williams'
	6		memorandum about a discussion he had with
	7		Mr. Asper, and he says:
	8		"Mr. Asper",
	9		received:
11:12	10		" more particulars concerning Larry
	11		Fisher. For example, he filled in his
	12		middle name, and recited portions of
	13		Fisher's criminal record.
	14		Asper provided additional

	16		Milgaard as follows:",
	17		and then talks about you going into the police in
	18		1980, and Eugene Williams writes:
	19		"Because Mrs. Milgaard is Asper's source
11:12	20		of information, and because this
	21		information, if it were recited
	22		truthfully could only come from Linda, I
	23		assume that Linda has spoken with Mrs.

Did you know, after you were done with Mrs. Milgaard and Paul Henderson on the Saturday 4 5 or the Sunday -- I mean on the Saturday when you 11:13 were done with them you didn't know they'd be 6 7 back on the Sunday; is that fair? I, no, I probably didn't know. 8 Α 9 And do you remember how it was left with them as 0 11:13 10 far as would you be hearing from them again or 11 what were they going to do with your information? 12 Α I think they were going to give it to the police. 13 0 Okay. And so you were -- were you expecting to 14 hear from somebody then? 11:13 15 Umm, well yeah, I -- yeah, I probably was, but not Α 16 the next day, like. 17 If we can then go to 063105. And, again, these 0 18 are Sergeant Pearson's notes, we've talked about 19 them a bit earlier, so now he's on Monday, March 11:13 20 the 12th, 1990, and he's talked to Eugene 21 Williams, who's talked to Mr. Asper, and he writes 22 there: 23 "Sometime during the past weekend, Joyce 24 Milgaard went to Cando ... and interviewed Linda, and also went to 11:14 25

_____ Meyer CompuCourt Reporting _

1 North Battleford and talked to Larry 2 Fisher's mother, Maria." 3 Do you know, at the time, whether Mrs. Milgaard had interviewed Larry Fisher's mother that 4 5 weekend that she interviewed you? 11:14 I don't think I knew, no. I remember somebody 6 Α 7 went to interview Marcy, and she wasn't feeling good at the time, so the -- Sylvia was kind of 8 9 worried about that at one time, I don't know if 11:14 10 that was then. 11 Q Okay. And then if we can go down to paragraph 21, 12 and I think this is Sergeant Pearson writing down 13 information, again from Eugene Williams, from David Asper, and again about: 14 11:15 15 "Larry and Linda had an argument 16 concerning Larry's extra-curricular 17 activities, and at some point during their discussion, Linda heard a report 18 19 on the radio of the discovery of the 11:15 20 body of Gail Miller. Linda immediately 21 accused Larry of the crime, and went 22 into a rage of accusations. Larry is 23 said to have dropped his arms to his 24 side and took on a look of shock." 11:15 25 And, again, that would be the incident that you

by Mr. Hodson Vol 77 - Tuesday, September 27th, 2005 Page 15342 1 described? 2 Α Yes. 3 And then, as well, he writes about information 0 about Roy and Cliff. 4 If we can go to the next 11:15 5 page, paragraph 23 Sergeant Pearson writes: 6 "Eugene Williams expressing concern at 7 this time to me that Mrs. Milgaard is 8 conducting her own investigation, which 9 may hamper the investigation the 11:15 10 authorities are trying to pursue. 11 Williams and myself discussed the 12 possibility of taking a legal deposition 13 and arrangements will be made to have this done." 14 11:16 15 Do you recall, in any of your discussions with 16 Sergeant Pearson or Eugene Williams, did they 17 ever tell you not to talk to Joyce Milgaard? 18 No. Α 19 0 Or not to talk to their investigators? 11:16 20 No. А 21 And if we can go down, and again this is Monday Q 22 the 12th, Pearson writes: 23 "I phoned Linda at her Cando phone 24 number, a male answered and Linda is in 11:16 25 her class ... until 5 pm ...".

13	А	He was investigating the Milgaard case.
14	Q	And were you expecting to hear from him then?
<i>11:17</i> 15	А	Umm, well I think I did hear from he did make

17	Q	Okay.
18	А	and we went over
19	Q	Sure. If we can then just go, paragraph 31 he

23		She is a very open, sincere individual

She indicated to me the 8 Miller murder had been on her mind since 9 Larry Fisher, her ex-husband, was 11:17 10 convicted of the rapes in Winnipeg in 1970. Linda admitted having an alcohol 11 12 problem in the past for which she 13 received counselling, and that her 14 personal life had not been easy, however 11:17 15 she does come across as being an honest 16 and sincere person. She did indicate 17 that she had told many people of her 18 belief that Larry Fisher could have been 19 involved in the murder of Gail Miller. 11:18 20 Linda states she gave a statement to 21 Saskatoon City Police uniform member in 22 1980. It was late at night, she had 23 been drinking at the time, and because 24 the Miller death bothered her she 11:18 25 attended at the Saskatoon City Police

2		Again, do you remember having a discussion of
3		that nature with Mr. Pearson?
4	А	Yes.
15	Q	It says:
6		"Linda does not know anyone by the name
17		of Larry Brian Fisher or Sidney Wilson.
8		The only Wilson Linda is associated to

20		and it goes on to talk about him. If we can

	1	Q	And so but you knew that someone named Sidney
	2		Wilson had given information about Larry
	3		Fisher,
	4	А	Yes.
11:19	5	Q	and had given that to David Milgaard's lawyer?
	6		And then if we can just scroll down, and these are
	7		the points that Sergeant Pearson writes that he
	8		got from you:
	9		"- A paring knife was lost from the
11:19	10		Fisher residence just prior to the
	11		Miller murder.
	12		- Larry was in dress clothes at the time
	13		Linda got out of bed the next morning.
	14		- Larry's shocked reaction when she
11:19	15		angrily accused Larry of Miller's
	16		murder, stuck with her.
	17		- That Larry's wallet was returned to
	18		their residence a day or so after the
	19		murder, which she thought was unusual.
11:19	20		- That Miller was residing approximately
	21		two blocks from Fisher's residence, the
	22		murder scene being very close to the
	23		Fisher residence."
	24		And, again, is that something that in your mind,
11:19	25		Mrs. Fisher, was part of your suspicions that
			Meyer CompuCourt Reporting

1		Larry may have been involved?
2	А	Earlier on?
3	Q	At any time?
4	A	I don't I well, better than on the east side
11:20 5		or something, it was closer. You know,
6	Q	And
7	А	like, I didn't know exactly where it was at the
8		time.
9	Q	At some point did you become more aware of where
11:20 10		it was?
11	А	Yes.
12	Q	And do you remember when that was?
13	А	Umm, I think when I talked to Mrs. Milgaard.
14	Q	So in 1990?
11:20 15	А	Yeah.
16	Q	Would that be the first time you realized where
17		Gail Miller's body was found?
18	А	Yes.
19	Q	And did the proximity, or how close it was to your
11:20 20		home at the time, did that was that a
21		significant fact for you?
22	А	Umm, part of it, yes.
23	Q	Was it closer than you thought, or is that
24	А	Yes, it was.
11:20 25	Q	And then Sergeant Pearson writes:
		Meyer CompuCourt Reporting

			——————————————————————————————————————
	1		"Linda gave a statement saying basically

	4		So you would have told Sergeant Pearson about
11:20	5		your statement with the police?
	6	А	Yes.
	7	Q	If we can go to the next page, please, and another
	8		comment here:
	9		"While interviewing Linda Fisher, she
11:21	10		indicated that during the time she and
	11		Larry were living on Avenue "O" South,
	12		two young girls by the name of Theresa
	13		and Pat Vanasseldonk, their father being
	14		Harry, on Avenue "O" South, babysat for
11:21	15		Linda, and these girls may have some
	16		knowledge of receiving the wallet which
	17		was returned, if in fact, this ever
	18		becomes a significant piece of
	19		information."
11:21	20		So I take it you would have given that to
	21		Sergeant Pearson, that information?
	22	А	Yes.
	23	Q	And then if we can call up 063204, and if we can
	24		go to page 063209, is that your signature?
11:21	25	А	Yes.

1	Q	And it looks like Sergeant Pearson is the witness.
2		Go back to the first page. So on March the 14th,
3		1990, which would be I guess four days, or three
4		or four days after you gave the first two
11:22 5		statements to Joyce Milgaard, you gave a statement
6		to Sergeant Pearson; is that correct?
7	А	Yes.
8	Q	And, again, was this at your home in Cando, was
9		it?
11:22 10	А	Yes.
11	Q	And was it again question and answer, or did you
12		tell your story, or how did it come about?
13	А	Hmm. I think I just told him.
14	Q	And any different than the statement that you gave
<i>11:</i> 22 15		to Paul Henderson as far as how it was done?
16	А	Not that I thought, no.
17	Q	If we can just go to the next page, please. And
18		you told Sergeant Pearson that you:
19		" waited up until the bar closed, 1
11:22 20		or 2:00 Larry never came home so I
21		went to bed. I expected Larry to go to
22		work the next morning. I do not recall
23		him coming home, but when I got up
24		sometime in the morning, I saw Larry in
11:23 25		his dress clothes."
		Meyer CompuCourt Reporting

Ī

		Page 15350
1		Again, this statement you are saying 'I don't
2		recall him coming home', and is that still
3		your I think you've told us you don't recall
4		him coming home, but are you now is your
11:23 5		thinking today that he didn't come home?
6	А	Yes.
7	Q	And you say:
8		"I was angry at him and accused him of
9		everything under the sun. I can't
11:23 10		remember what Larry gave as an
11		explanation of his whereabouts and I
12		don't even know who he was with the
13		night before."
14		Is that accurate?
11:23 15	А	Yes.
16	Q	And then it says:
17		"When I heard the news broadcast, I
18		immediately recalled that a paring knife
19		was missing from our kitchen. The knife
11:23 20		blade was silver with a wooden handle
21		held together with rivets. It was an
22		ordinary paring knife, it did not have
23		the jagged edge. This was a knife I
24		used often, it was my potato knife."
11:24 25		And, again, that was the same information you had

2	А	Yes.
3	Q	And then scroll down. You say:
4		"I never saw the paring knife again. It
11:24 5		was the only knife I had like this."
6		Is that right?
7	А	Yes.
8	Q	Now I think later, Mrs. Fisher, in subsequent
9		statements and evidence you talk about a couple of
11:24 10		other knives that you
11	А	Yes.
12	Q	were missing. So, at the time, can you tell us
13		why you would have told Sergeant Pearson that it
14		was the only knife you had like this?
11:24 15	А	I think that was the only one I remembered, I I
16		mean I had a case of kitchen knives we got for our
17		wedding
18	Q	Yes.
19	А	and later on I remembered the kitchen knives
11:24 20		and the steak knives and the two paring knives,
21		but,
22	Q	Yeah.
23	А	I don't know, at this time I probably hadn't
24		remembered it yet.
11:24 25	Q	Okay. And I'll go through that a bit later where

2		you talked to Sergeant Pearson you said "it was
3		the only knife I had like this"?
4	А	Yeah.
11:25 5	Q	And I think later on, a few years later, you said
6		that you did have another paring knife; is that
7		right?
8	А	Yes.
9	Q	And then, again, it's you are describing
11:25 10		Larry's reaction:
11		" just stopped, his face went pale
12		and drained. Larry seemed shocked. At
13		first I thought his shocked look was a
14		reaction like "do you really think I
<i>11:</i> 25 15		could to this". In past arguments,
16		Larry never seemed shocked about
17		anything, but never saw the same
18		reaction as I saw when I accused him of
19		killing the girl that night."
11:25 20		Is that accurate?
21	А	Yes.
22	Q	And then you tell Sergeant Pearson:
23		"I don't remember Larry's explanation
24		for not going to work that morning. I
11:25 25		don't recall if he went to work in the

2		any scratches or cuts on Larry and I did
3		not see any blood on his clothes. Larry
4		was washed and cleaned up when I got up.
11:25 5		If Larry would have come home on the
6		night of Jan 30th, he would probably
7		have slept in the bed with me, but I
8		don't recall him being in bed with me.
9		I cannot recall if the clothes I saw on
11:26 10		Larry the night before, after supper,
11		were the same clothes I saw on him the

13		If I can pause there
14	А	This, I don't recall seeing him at supper at all
<i>11:</i> 26 15		on the night before, I don't recall him coming
16		home from work at all.
17	Q	Yeah, okay. Do you have any explanation why this
18		would have been in in your statement then?
19	А	I, I don't know, maybe it was just just the way
11:26 20		I related it somehow, I don't know.
21	Q	Okay.
22	А	I don't know.
23	Q	So just so that we're clear, on the Thursday,

1		If I can pause there, is that accurate?
2	А	Well, not really, because he did write a letter
3		sayin' but I think he already confessed to
4		those crimes.
11:29 5	Q	Okay. And then:
6		"From 1971 to 1976 I visited Larry often
7		in P.A. Pen. He wrote me letters
8		explaining the Winnipeg crimes. He also
9		told me of the rapes in 1968 in Regina,
11:29 10		I wasn't aware of these crimes until he
11		told them to me in the letters."
12		Can you tell us why you would have said 'Regina'
13		in this statement?
14	А	I don't know, that's you know, in my mind I
11:29 15		always I don't know, he wrote me a letter
16		saying they were in Saskatoon, he got on the bus
17		at the Baldwin, yet I had it in my mind somehow
18		that those crimes happened in Regina.
19	Q	And was that as a result of hearing information in
11:30 20		1990 about it or was it from back in 1970 or '71?
21	А	It must have been from earlier, because I mean I
22		thought the rapes he wrote me a letter, and in
23		the letter it says Saskatoon and it mentions
24		places, but I probably didn't read the letter
11:30 25		properly. I always thought the rapes happened in

1 Regina. 2 And why did you think the rapes happened in Q 3 Regina? 4 I don't know, just maybe because he went to Court Α 5 there, I don't know. 11:30 6 And did you become aware, back in 1971 or Q 7 thereabouts, that he had gone to Court in Regina? 8 Yes, I must have, yes. Α 9 Do you remember if Sergeant Pearson told you about Q 11:30 10 the crimes, the rapes being in Regina, or asked 11 you about some rapes in Regina? 12 Α He must have. That's what it seems like in this. 13 0 Well, no, let me just ask again. Is it possible 14 that, at the time you were being interviewed here, 11:31 15 that Sergeant Pearson might have told you that the 16 rapes had been in Regina? 17 Maybe I could have told him that. Α I don't know. 18 I don't know. It seems to be that I thought the 19 rapes were in Regina. 11:31 20 0 Okay. 21 Yet I did see the letter and I still thought they Α 22 were in Regina. 23 Q Let me just try this again. And is it possible, 24 Mrs. Fisher, that in the course of taking this 11:31 25 statement, Sergeant Pearson would have asked you,

Page 15358

Ī

			Page 15359
	1		"Do you know anything about Larry's rapes in
:	2		Regina?"
:	3	А	He could he could have.
	4	Q	And that's how the Regina came about?
11:31	5	А	Yeah, could have been.
	6	Q	Do you have any recollection of that?
	7	А	I don't, no.
1	8	Q	And then again they talk about:
	9		"Larry and I did not have a car, but we
11:31 10	0		did have access to Uncle Clifford's

1:	2		Red and black, etcetera.

18	8		And I take it from that that you would have asked
19	9		Clifford that?
11:32 20	0	А	Yes.
2	1	Q	When did you ask Clifford about that?
22	2	А	I probably asked him when I was talking about
23	3		well, when we were talking with him, the
24	4		Milgaards.
11:32 2	5	Q	Okay. So a couple of days earlier I think you and

1		Mrs. Milgaard and Mr. Henderson went and talked to

3	А	Yes.
4	Q	Is that what you are referring to in the
5		statement? It says, "I talked to Clifford several
6		times."
7	А	I might have talked to him before, but no, I don't
8		think we talked about him lending the car before I
9		talked about it with the Milgaards.
10	Q	Okay. So back in the early '70s when you had
11		suspicions about Larry and talked to your family
12		members about it, did you ever talk about whether
13		or not Larry had a vehicle that morning that the
14		murder was committed, and in particular Clifford's
15		vehicle?
16	А	Yeah. We tried to figure out when Larry's car was
17		running and if it had been running at that time.
18		I think we were we were trying to figure out
19		when his car broke down, was it before or after
20		this time.
21	Q	And this was back in the '70s
22	А	Yes.
23	Q	when you were talking with family members? And

11:33	5		down.
	6	Q	Okay. And did you conclude whether or not he had
	7		borrowed your Uncle Clifford's car that morning?
	8	A	No, because Clifford hardly ever lent it to us.
	9	Q	Okay. If you can scroll down, it says:
11:33	10		"About two years after the murder"
	11		Which would be January of '71 or thereabouts,
	12		" my Uncle Roy told me he had seen
	13		Larry burn a good pair of work boots in
	14		Roy's burning barrel, I'm not sure where
11:33	15		they lived at the time. The other day,
	16		Mrs. Milgaard and I talked to Roy on the
	17		phone, all Roy recalls is that Larry
	18		came to the door without boots and
	19		borrowed a pair of Roy's. It was
11:34	20		wintertime, year unknown."
	21		And this story, or this event, version of events
	22		that Roy gave to Mrs. Milgaard on the phone, when
	23		was the first time you heard that version from
	24		Roy?
11:34	25	А	Well, I think it was I heard part of that
			Meyer CompuCourt Reporting

1		version, but the only part that I really
2		remembered was the burning when he told us the
3		burning of the boots.
4	Q	Okay. And then the next page, it says:
11:34 5		"In 1980 I gave a statement to Saskatoon
6		City Police late at night, to a
7		uniformed officer, explaining the
8		incident of Larry and I arguing and the
9		suspicious circumstances. At the time
11:34 10		Brian Wright encouraged me to report
11		what I knew because he knew it was
12		bothering me. Brian was with me when I
13		gave the statement. I went to the City
14		Police shortly after receiving a flyer
11:34 15		in the mail, soliciting information on
16		the murder. Larry was right handed. I
17		don't know his blood type."
18		So is that accurate?
19	А	Yes.
11:35 20	Q	And I take it blood type and what hand he was, was
21		that something that was asked by Sergeant Pearson?
22	А	Yes.
23	Q	If we can then go to 004906, and this is a report
24		of Sergeant Pearson, April 17th, 1990, and I read
11:35 25		to you from his notes a bit earlier, this is a
		Meyer CompuCourt Reporting

	r age roots
1	report that he made at the time. If we can go to
2	page just go to the next page and I believe
3	what this is, he's reporting to other officers
4	about all the work that he's done and again it
11:36 5	talks about his contact with Eugene Williams on
6	February 28th, 1990.
7	If you could then go to page
8	004908, and down at the bottom Sergeant Pearson
9	writes about his meeting with you on March 14th
11:36 10	and that he got a statement, and if we can go to
11	the next page, and it says here:
12	"- during the early evening of 69 Jan
13	30, Larry was wearing his dress clothes
14	and departed from the Fisher basement
<i>11:3</i> 6 15	suite alone and did not return that
16	night. Linda waited up until 1 a.m
17	2 a.m. and finally went to bed, Larry
18	had not yet returned home."
19	Scroll down:
11:36 20	"- upon awakening approximately mid
21	morning, Linda came out of the bedroom
22	and noticed that Larry was present. He
23	appeared clean and wearing dress

2		departed. Linda had expected Larry to
3		have left for work as he had a job with
4		Masonry Contractors of Saskatoon."
11:37 5		Now, these are Sergeant Pearson's notes of his
6		discussion with you and again it appears that
7		according to these notes, Mrs. Fisher, that he
8		records that you told him that the night before
9		Larry had come home from work, changed into dress
11:37 10		clothes and went out that evening and didn't come
11		home. Do you remember any discussion with him
12		about that?
13	А	Well, I was I figured Larry never came home
14		from work after, from work the night before at
<i>11:3</i> 7 15		all, not for supper or anything.
16	Q	Do you have a recollection of that?
17	А	That's that's what my recollection is, that he
18		never came home at all, and I didn't see him until
19		the next morning.
11:37 20	Q	Is it possible that he may have come home for
21		supper, changed into his dress clothes and gone
22		out?
23	А	I'm thinking that no. I wouldn't have been mad if
24		he had came home at all.
11:38 25	Q	Okay. Would you have been mad if he came home

	1		from work, got into his dress clothes, went out
	2		for the evening and didn't come home until the
	3		next morning at nine o'clock?
	4	А	Yes, yes. It seems to me Larry never came home at
11:38	5		all from work.
	6	Q	Okay. No, and I appreciate that you said that,
	7		Mrs. Fisher. I'm just trying to it appears
	8		from this, and we'll hear from Sergeant Pearson at
	9		a later date it appears that he, when he took
11:38	10		your statement on March 14th, that's how he
	11		recorded the information from you, and I think you
	12		are telling us you don't think that's how it
	13		happened; is that fair?
	14	А	Yes, yes.
11:38	15	Q	And then down at the bottom, to the very bottom,
	16		it talks about his reaction, and this is after you
	17		accused him of the murder, it says:
	18		"This reaction meant very little to
	19		Linda at the time, however, when Larry
11:39	20		was arrested in Winnipeg in 1970 on two
	21		sexual assault offences, she began to
	22		suspect that her husband was capable of
	23		and had the opportunity to be involved
	24		in the Miller death."
11:39	25		And is that accurate?

	1	А	Yes.
	2	Q	Sergeant Pearson writes, " capable of and had
	3		the opportunity to be involved in the Miller
	4		death." Were your suspicions a little stronger
11:39	5		than that in '71?
	6	А	'71?
	7	Q	Back when you first started to suspect him?
	8	А	Oh, yeah, yeah. That's after Larry went to jail.
	9		Yes.
11:39	10	Q	Yeah. And what Sergeant Pearson writes here is
	11		that, A, he was that you began to suspect that
	12		Larry Fisher was capable of and had the
	13		opportunity to be involved in the Miller death,
	14		and I'm wondering whether that accurately
11:39	15		describes your suspicions back in 1971 or were
	16		they stronger?
	17	А	No, that was accurate.
	18	Q	Okay. I had thought yesterday that in 1971 you
	19		had thought that he had killed her.
11:40	20	А	Well, isn't that what it's sayin'?
	21	Q	No, fair enough, if you read it
	22	А	I expect yeah, I was suspicious that he had
	23		killed her in '71.
	24	Q	Okay. Next page, it says:
11:40	25		"Linda was bothered for many years by

	2	And then on August 28th, '80 on the encouragement
	3	of her then common-law husband Bryan Wright went
	4	into the police station and a statement, and I
11:40	5	think those are attached, and at this time he
	6	says that:
	7	"It is unknown at this time what
	8	investigative inquiries were made, if
	9	any, by the Saskatoon City Police."
11:40	10	And it goes on to talk about Sidney Wilson, and
	11	then paragraph (i):
	12	"From my conversation with Linda Fisher,
	13	it had been determined that she had
	14	recently been contacted, interviewed and
11:40	15	provided a statement to Joyce Milgaard,
	16	this having taken place on 90 Mar 10 and
	17	11. See Appendix D and E. I arranged
	18	with Linda Fisher to meet with me,
	19	Mr. Williams, and a court reporter at
11:41	20	the North Battleford Detachment at 2
	21	p.m. 90 Mar 24, for the purpose of
	22	obtaining a legal deposition, based on
	23	the contents of her past statements."
	24	Do you remember Sergeant Pearson asking you to
11:41	25	meet with a lawyer from Federal Justice?
		Mever CompuCourt Reporting

1 Yes. Α 2 0 And that you were going to take a statement, a 3 recorded statement? 4 Α Yes. 5 If we could call up 178850 -- sorry, 178850 -- and 11:41 Q this is a memorandum, March 15th, 1990, it's from 6 7 David Asper to Hersh Wolch, it just has some information here and then I'll have some questions 8 9 for you, and it says her: 11:42 10 "Hersh, attached herewith is a statement of Linda Fisher, as well as a newspaper 11 12 clipping which you might find 13 interesting. I have retained copies for 14 the file, and Joyce insisted on 11:42 15 retaining the originals. She insists 16 that the statement not be forwarded to 17 Fisher until she gets answers to the 18 following questions: 19 1) whether Fisher is right-handed. 11:42 20 Evidence at the trial indicated that the 21 assailant was probably right-handed. 22 2) whether Fisher owned any knives. 23 Police found a bone-handled hunting-type 24 knife that was double-edged at the scene 11:43 25 on the morning that the body was

2		went missing from a policeman's locker,

		and never played any role in the
4		proceedings. Some of the evidence
11:43 5		suggested that the wounds may have been
6		inflicted by a different weapon; one of
7		which was double-edged."
8		Did you remember being asked about whether you
9		had any bone-handled hunting-type knives at the
11:43 10		time and whether one went missing?
11	А	I probably was, yes.
12	Q	Did you remember that, being asked about that?
13	А	I don't remember being asked about it, but it
14		could have happened.
<i>11:4</i> 3 15	Q	There's some statements later on where you
16		actually produced a steak knife to
17	А	Oh, yes, yes. That wasn't a hunting knife, that
18		was a steak knife though.
19	Q	And how did that come about?
11:43 20	А	Well, they said bone handled and those were bone
21		handled I think.
22	Q	Who said bone handled?
23	А	Somebody had said a bone-handled knife they were
24		looking for.
<i>11:4</i> 3 25	Q	Yes.

	1	А	And those were bone handled and those were the
	2		only bone handled that I noticed.
	3	Q	Okay. And I'll refer to this a bit later, and
	4		I've actually got the knife that you gave to
11:43	5		Sergeant Pearson, but can you remember how that
	6		came about, about being asked about that?
	7	А	Not really, no.
	8	Q	If we can go to 050467, this is a letter from
	9		David Asper to Mr. Williams on March 15th, 1990,
11:44	10		and I had earlier had his March 12th, 1990
	11		memorandum about his discussion with Mr. Asper
	12		about Larry Fisher's record, and in this letter
	13		Mr. Asper is sending the statement taken from
	14		Linda, and I think that's the March 10th and 11th
11:45	15		statement, and this is the fellow that you met
	16		with later on that month; is that right?
	17	А	Mr. Williams?
	18	Q	Yes.
	19	А	Yes.
11:45	20	Q	And then there's mention here of Mr. Fisher's
	21		record and there's reference here to the 1971
	22		offences as being Regina. Do you recall whether,
	23		when you met with Mr. Williams again, whether
	24		there was discussion about the rapes being in
11:45	25		Regina?

1	А	I don't remember, no. Maybe I even assumed they
2		were in Regina. I don't know.
3	Q	Okay. And why do you think you assumed that?
4	А	Maybe because he went to Court in Regina.
<i>11:4</i> 5 5	Q	Okay. If we can go to 063 actually, sorry, if
6		we can then go to the next page, and again Mr.
7		Asper raises with Mr. Williams about the:
8		" double-edged bone-handled
9		hunting-type knife had been found at the
<i>11:4</i> 6 10		scene of the crime shortly after the
11		police attended the scene. The police
12		clearly believed that this knife might
13		have had something to do with the crime,
14		and the pathologist agreed that some of
<i>11:4</i> 6 15		the wounds could have been inflicted
16		with a double-edged blade. Oddly
17		enough, this weapon was lost after being
18		taken into police custody, and never
19		played any part in the trial
11:46 20		proceedings."
21		And I think you told us that at some point you
22		remember someone asking you about a bone-handled
23		hunting-type knife?
24	А	Yes.
11:46 25	Q	And do you remember who that was?

	1	А	No.
	2	Q	Go to 063110, and these are back to Mr. Pearson's
	3		notes. So this is March 16th of '90, so this
	4		would be two days after he met with you in Cando
11:47	5		and took the statement, and at the bottom he just
	6		talks about advising Mr. Williams about an
	7		interview with Linda Fisher, and the next page,
	8		and he says:
	9		"Received a collect call from Linda
11:47	10		Fisher. We discussed several points and
	11		the following were clarified."
	12		Do you remember how this call came about or do
	13		you remember this call?
	14	А	I probably realized something new or something.
11:47	15	Q	Okay. And would you have gone over your statement
	16		perhaps; is that did he leave you with a copy
	17		of the statement he gave you?
	18	А	I don't think so, no.
	19	Q	And we'll just go through it, it says we discussed
11:47	20		several points and the following were clarified.
	21		It talks about the address, lived at 334 for two

	4		Is that right?
11:48	5	А	Around there, yes.
	6	Q	And would you have called Mr. Pearson to tell him
	7		this?
	8	А	Probably, yes.
	9	Q	And do you know why or what prompted you to do
11:48	10		that?
	11	А	Ah, he might have wanted something wanted me to
	12		think about something and then let him know.
	13	Q	Okay. And then you go on and say:
	14		"- there was no blood seen on the
11:48	15		clothing of Larry Fisher, and, as far as
	16		she knows, there was no clothes missing.
	17		She does recall Larry having a pair of
	18		undershorts with blood on them, they
	19		were white shorts, however she does not
11:48	20		know whether this is during the Miller
	21		death time frame. She is very hazy on
	22		this aspect and was not even positive if
	23		this even related to Larry, but she just

by Mr. Hodson Vol 77 - Tuesday, September 27th, 2005 Page 15374 Do you remember that? 1 2 Α Yes. That was when we were on Avenue C. 3 And so that was prior to the Gail Miller murder? 0 4 Yes. Α 5 And it says: 11:49 Q "- she did not hear anyone enter or 6 7 leave the suite on the morning of Jan 8 31, 1969." 9 Is that correct? 11:49 10 Α Yes. So if Larry Fisher did come home -- he obviously 11 Q 12 did come home at some point? 13 Α Yes. 14 And you don't remember hearing him come in? Q 11:49 15 That's right. 11:50 10		And then it talks about arranging to pick you up

14		"- Larry seemed shocked one other time,

So that's just -- that's 6 Okay. Q 7 March 16th. We now go to March 20th, which is a 8 Tuesday I think, or Wednesday -- I think a 9 Tuesday. Anyway, a telephone call, Mr. Pearson, 11:52 10 or Sergeant Pearson talks to Mr. Asper to ensure 11 Mrs. Milgaard was made aware of developments to 12 date, and it says: 13 "Whilst talking to Asper, he stated he 14 had received a call from Linda Fisher, 11:52 15 he thought this past Saturday -- " 16 Which would be March 17th, 17 "-- indicating that she was going to the 18 Prince Albert Penitentiary with Larry 19 Fisher's mother, and she was going to 11:52 20 talk to Larry and ask him about this 21 incident. 6		Do you remember, did you have telephone

8	А	I I don't I could have, yes.
9	Q	Do you have any recollection of them?
<i>11:5</i> 3 10	А	No.
11	Q	And did you go and do you remember if you went

13	А	Ah no, I didn't, no.
14	Q	This would have been the the 17th would have

19	А	I did go to Prince Albert one time with Larry's
11:53 20		mom, but I went to visit Ernie Moosomin and she
21		went to visit Larry.
22	Q	Okay. And I think you told us that you were asked

11:53 25	А	Yes.

Page 15379 1 And who asked you to do that? Q 2 I think Mrs. Milgaard that time. Did Mr. Asper ask you that? 7 I don't remember Mr. Asper asking. And then if we can go to 004923, and this is Mr. Wright's statement to Mr. Pearson, and he talks:

"Sometime during the year 1978/1979, 18 19 during a discussion, Linda said she had 11:56 20 something to tell me that she had never 21 told another man. Linda and I trusted 22 each other. 4		She went on to say she had
11:56 5		something else to tell me. She said her
6		ex-husband was in the P.A. Pen, for
7		mutilating two women in Winnipeg. She
8		indicated Larry had bitten one woman's
9		breast badly and the other woman was
11:56 10		badly sliced up."
11		If I can pause there. Do you remember telling
12		Bryan Wright that?
13	А	I think I told him about the breast, but I don't
14		know about the sliced up. Maybe the detectives
<i>11:5</i> 6 15		did tell me that. That was, would have been
16		earlier.
17	Q	Okay. When you say the detectives, which
18		detectives are you referring to?
19	А	The ones that had come and talked about the

21		story from.
22	Q	And that was when you were at your grandmother's

	1	(Adjourned at 11:58 a.m.)
	2	(Reconvened at 1:34 p.m.)
	3	BY MR. HODSON:
	4	Q Good afternoon, Mrs. Fisher. If we could call up
01:34	5	063102, which are the Pearson notes, and go to
	6	063114. And this is again where we left off, I
	7	think we were in March of '90, and here's Sergeant
	8	Pearson's notes. It says:
	9	"I phoned Linda Fisher from my home, she
01:34	10	confirmed that she went to the Prince
	11	Albert Pen on Sunday with Mrs. Fisher.
	12	Linda did not visit with Larry, she
	13	indicated she visited Ernie Moosomin who
	14	is a friend of hers. She did indicate
01:34	15	that Mrs. Fisher and Larry had a visit
	16	and that Mrs. Fisher feels much better
	17	now that she had talked directly to her
	18	son about the recent revelations of his
	19	involvement in the Miller case."
01:35	20	Do you remember going up to the P.A. Penitentiary
	21	to see Ernie Moosomin and going with Larry
	22	Fisher's mother?
	23	A No, I don't think I went to the penitentiary, it
	24	was the jail, the other one.
01:35	25	Q Was it the Regional Psychiatric Centre?
		Meyer CompuCourt Reporting

1 Yeah. Α 2 0 And that was --3 No, the regional jail -- penitentiary -- well it Α wasn't a penitentiary, the regional -- provincial 4 5 jail. 01:35 6 Q So you went up to the provincial jail to Okay. 7 see Ernie Moosomin? 8 Yes. Α 9 And was Larry Fisher incarcerated at the same Q 01:35 10 jail? 11 Α No. 12 Q Was he -- do you remember going to see Ernie 13 Moosomin when Mrs. Fisher went to see Larry 14 Fisher? 01:35 15 Yes. Α 16 And do you know if Mrs. Fisher, Larry's mother, Q 17 talked to him about the Gail Miller murder? 18 She might have, yes. Α 19 0 And it sounds like, from this note, that: 01:35 20 "... Mrs. Fisher", 21 being Larry's mother: 22 "... feels much better now that she had 23 talked directly to her son about the 24 recent revelations ... " 01:36 25 Do you know whether she had asked him about his

1 involvement in the Gail Miller murder? 2 Α I'm not sure, it sounds that way, but I don't 3 really remember. 4 If we can go to the next page, and it says: 0 Okay. 5 "Linda also confirmed that she had 01:36 6 talked with Mr. Asper prior to going to 7 P.A. and that Asper had requested her 8 not to say anything to Larry, Linda also 9 indicated it wouldn't matter as Sylvia 01:36 10 Poitras, Larry's sister, had written a 11 letter to Larry, apparently telling him 12 about the investigation. It is obvious 13 at this point that Larry is aware that 14 the police are looking into it. Linda 15 also confirmed that Mr. Asper was 16 interested in getting cigarette butts, 17 and anything that would have body fluid 18 for analysis. Linda went on to say that 19 Larry no longer smokes so this was out 01:36 20 of the question." 21 And that's accurate, is it? 22 Yes. А 23 0 And that: 24 "Linda is still not sure who reported 01:36 25 the Larry Fisher information to Mrs. Meyer CompuCourt Reporting =

Page 15386 1 Milgaard's lawyer." 2 And goes on to talk about a couple of other 3 And then: names. 4 "Linda also indicates that Dr. James 01:37 5 McGettigan of 29th Street was the family doctor in the early 60's and may have 6 7 the blood type for Larry, and also 8 advises that Larry had an appendix 9 operation while serving time in a 01:37 10 Manitoba institution ... " 11 Do you recall Mr. Pearson or Sergeant Pearson 12 trying to find out Larry's blood type? 13 Α Yes. 14 And did you understand what that was for? Q 01:37 15 Yes. Α 16 And what was that? Q 17 Α For blood typing, to get it -- they wanted to know 18 what type of blood he was. 19 0 And was that related to something about Gail 01:37 20 Miller? 21 Yes. Α 22 Q For comparison? 23 Α Yes. 24 0 And was Joyce Milgaard and her people also looking 01:37 25 for that information; do you remember? = Meyer CompuCourt Reporting =

	1	А	Yes.
	2	Q	And then next page, please. And, again, this is
	3		March 21st of '90, and Sergeant Pearson writes
	4		that he attended the residence of Cliff Pambrun
01:38	5		and obtained a statement.
	6		And if we can go to 012076 and
	7		go to the and this is a statement of that date,
	8		March 21, that Clifford Pambrun gave to Rick
	9		Pearson. If we go to the third page, and Mr.
01:38	10		Pambrun is reported in this statement to say:
	11		"I recall Linda mentioning her
	12		suspicions that Larry may have been
	13		involved in the death of the nurse in
	14		Saskatoon, but she said very little and
01:38	15		did not give any details of why she was
	16		suspicious."
	17		And I think you told us before that you would
	18		have talked about your suspicions with Clifford
	19		Pambrun?
01:38	20	А	Yes.
	21	Q	And so would you disagree with what he says here?
	22	А	Yes.
	23	Q	And would you have told him, again in the '70s,
	24		about why you were suspicious about Larry Fisher's
01:39	25		involvement?

by Mr. Hodson Vol 77 - Tuesday, September 27th, 2005 Page 15388 1 Α Yes. And, again, this is March, I think, 2 0 Go to 063117. 3 20, I can't see it at the top, I think it's March 4 23rd, and a: 5 "Telephone call was placed to Linda 01:39 Fisher and confirmed that a North 6 7 Battleford uniform member would be out 8 to pick her up at her residence at 1 pm 9 tomorrow." 01:39 10 Which would be Saturday. "A second phone call was also placed to 11 12 Linda, reminding her to bring letters 13 that she had received from Larry while 14 doing time in the Penitentiary. There 01:39 15 were some specifics of this which she 16 wanted to bring to our attention." 17 And then I take it, if we could call up 063210, and this is a sworn statement of Linda Fisher. 18 19 If we can go to the next page, please, it says: 01:40 20 "The sworn statement of Linda Lillian 21 Fisher taken Saturday the 24th day of 22 March, 1990 at the RCMP detachment in 23 North Battleford", 24 and in attendance was Mr. Williams and the court 01:40 25 reporter, and is this the -- I think you told us Meyer CompuCourt Reporting =

	4	Q	And was that at the RCMP detachment?
01:40	5	А	Yes.
	6	Q	And I think, at some later point in the

01:40	10	A	Umm, somebody else was in there, I don't know who
	11		it was.

	4		What was your understanding, at the time, of what

	7	А	Well I knew that he came from Ottawa and that they
	8		were goin' over the information.
	9	Q	And did you understand that he was with the

	14	А	Well I think Rick worked from Saskatchewan and he
01:41	15		worked from Ottawa.
	16	Q	Okay. Did you understand that they were working

	18	А	Yes, I think the information that I gave Pearson

01:42	20	Q	And, for this interview, would you have told

11		Q Of a paring knife?
12		A No.
13		Q And did you know that or did you note in
14		this particular photo that the edge of
<i>01:5</i> 5 15		the knife was jagged at the beginning?
16		A Yes."
17		Let me just pause there and call up document
18		001926, and that's from 001919 is the doc ID.
19		And I believe, Mrs. Fisher, this is the text that
01:55 20		I read. Is this a copy of what Mr. Williams
21		showed you at that examination?
22	А	Yes, I think so.
23	Q	And if we can just go back to the full page. Do
24		you remember if it was a photocopy or whether it
01:55 25		was a colour photograph?

Page 15405 1 I think it was colour. Α 2 And at the time there was mention of a maroon 0 3 At that time did you know what colour handle. 4 maroon was? 01:55 5 Α I think I had the wrong idea. I was thinking pale purple, not wine colour. 6 7 And again at the time that Mr. Williams was Q Okay. 8 questioning you, did you -- what colour did you 9 think maroon was? 01:56 10 Α I thought it was more of a lighter purple. 11 Q Okay. So again if we can go back to the 12 transcript, to page 063244, and you think it was a 13 colour photograph? 14 Yes, it was I think. Α 01:56 15 And then you are asked about: 0 16 "Ο How does that jagged edge compare to the 17 edge of the paring knife that you 18 reported missing? 19 Α Mine was -- mine was smooth. 01:56 20 All right. Did you know that a 0 21 brown-handled paring knife held together 22 by rivets was found in Winnipeg on 23 September 19th, 1970, at the scene of a 24 sexual assault for which Larry was 01:56 25 convicted? 1 Α No." 2 And again, would that have been the first time 3 you became aware of that, Mrs. Fisher? 4 Α Yes. 5 And did that have any -- what did you think about 01:57 Q that? 6 7 I thought that was, that would probably be my Α 8 wooden-handled knife. 9 The knife that you thought went missing on the Q 01:57 10 morning of Gail Miller's murder? 11 Α Yeah. 12 Q Now, at the bottom he says: 13 "Ο Okay. All right. Did you that a paring knife with a maroon handle was entered 14 01:57 15 as an exhibit in the trial of David 16 Milgaard and was identified as likely 17 being the murder weapon because of its 18 location to the body? 19 Α No." 01:57 20 And is that accurate and truthful? 21 Now I lost that question. Α 22 Q Sure. Let's just go back to the previous page. 23 And what Mr. Williams is asking you at this time, 24 he's asking you whether you knew that a paring 01:57 25 knife with a maroon handle was an exhibit at the Meyer CompuCourt Reporting =

Page 15407 1 David Milgaard trial and as likely being the 2 murder weapon. 3 Α Oh, yes. 4 So you would have known that at the time? 0 5 I think so. 01:57 Α And where would you have learned of that? 6 Q 7 Probably from the newspaper. Α 8 And can you explain that? The newspaper --Q 9 From the StarPhoenix. Α 01:58 10 And was that -- when did you go look at that? 0 That was in the late '70s. 11 Α 12 Q Okay. And tell us about that again, please? 13 Α I -- me and my girlfriend went and looked at the StarPhoenix to see if we could recognize the 14 01:58 15 knife, and the knife I thought I seen there, I 16 thought it was -- I thought it was a steak knife 17 or something. 18 Now, who was the girlfriend who went with Q Okay. 19 you; do you remember? 01:58 20 Carol Klassen. Α 21 And so this was in the '70s at some point was it? Q 22 Α Yes. 23 Q And why did you go to the StarPhoenix then? 24 Α Just to see if it was my knife. Okay. So you went to check the newspaper to find 01:58 25 Q

— Meyer CompuCourt Reporting =

- Ah, I just -- I just remember the knife. 11 Α I didn't 12 recognize that knife.
- 13 0 Okay. So after you went and checked the 14 StarPhoenix, did you -- tell us what you thought 01:59 15 about your suspicions about Larry Fisher then? 16 Well, I was kind of -- I was relieved because I Α 17 didn't remember that knife.

	2	А	Yes.
	3	Q	If we can go to the next page, please. So I think
	4		you said when you were being questioned by
02:00	5		Mr. Williams, I think the answer said that you had
	6		not been aware that a maroon-handled paring knife
	7		had been entered as an exhibit in the trial of

02:00	10	А	Yes.
	11	Q	And you had checked that out in the newspaper
	12		before?
	13	А	Yes.
	14	Q	So at the time you were being interviewed by
02:00	15		Mr. Williams, you knew that a knife existed that
	16		was the murder weapon and based on your review in
	17		the newspaper you thought it was different than
	18		the knife of yours that was missing; is that a

	21	Q	And can you tell us whether or not you remembered

	11		A In that it's not my knife. If that's
	12		the murder weapon, that's not my

	14	А	Yes.
02:01	15	Q	And do you recall that exchange with Mr. Williams?
	16	А	Yes.
	17	Q	And I think he had described the murder weapon; is

	19	А	Yes.
02:01	20	Q	And you is it fair to say from your answer here
	21		that you concluded that that was not your knife?
	22	А	Yes.

	19		it wasn't that knife that it was that he was

	11			A	No.

9	А	Yes.
02:03 10	Q	And in any event, Mr. Williams asked the question

	2	Q	And I think what Mr. Williams is saying is okay,
	3		is it possible that when you accused him of

4	Q	Okay. Then to page 063119, and then it talks, and
<i>02:09</i> 5		this is March 24th of '90, and these are Pearson's
6		notes:
7		"The significant note of our
8		conversation today is that the
9		description of the lost knife is
<i>02:09</i> 10		different than the one entered as an
11		exhibit at the Milgaard trial. Linda
12		states she feels better now, knowing
13		that the knives are different in
14		description, but she still has questions
<i>02:10</i> 15		about the activities of Larry on the
16		morning that Gail Miller's body was
17		discovered."
18		And this is Sergeant Pearson's note, but would
19		that accurately describe what you felt at the
02:10 20		time?
21	А	Yes.
22	Q	If we can go to 063132, and this is May 24th,
23		1990, so this is two months after your interview
24		with Mr. Williams. Do you recall whether you
02:10 25		would have had further contact with Mr. Pearson,

Vol 77 - Tuesday, September 27th, 2005 Page 15420 1 Mr. Williams, Mr. Asper, Mrs. Milgaard during that 2 time frame? 3 Α Probably, yes. 4 And it says: 0 02:10 5 "Telephone call was placed to Linda Fisher at her residence in Cando, she 6 7 had called me earlier on in the day. 8 She was concerned because Joyce Milgaard 9 and a reporter with the Winnipeg Free 02:11 10 Press made a surprise visit to her at her school class in North Battleford. 11 12 Linda indicated that Mrs. Milgaard 13 wanted to obtain a photograph of Larry 14 Fisher, however this was not given. 02:11 15 Linda Fisher is concerned about this 16 type of contact by Mrs. Milgaard. 17 Mrs. Milgaard will be staying in 18 Saskatoon for the next couple of days, 19 however it is uncertain if she will be 02:11 20 contacting myself. 21 During our telephone -- " 22 Let me just pause there. Do you remember this incident referred to here? 23 24 А I remember the -- the -- the press coming to the 02:11 25 school, but I don't think Mrs. Milgaard was with

	1		them.
	2	Q	Okay. And this was a report there might be
	3		another incident here that I'll that I'll refer
	4		to. Did you have concerns about the media being
02:11	5		at your school?
	6	А	Well, yeah, I didn't like them coming to the
	7		school.
	8	Q	And did you tell them that?
	9	А	I think so.
02:11 1	0	Q	It goes on to say:
1	1		"During our telephone discussion, Linda
1	2		also related to me that she now recalls
1	3		losing a second knife from her
1	4		residence. She is not sure exactly when
<i>0</i> 2:12 1	5		this went missing, but it would have
1	6		been around the time of the Miller
1	7		murder, but she is not nearly as
1	8		specific about the time as she was on
1	9		the description of the previous knife
02:12 2	0		she mentions. She did indicate this was
2	1		a bone handled hunting type knife and it
2	2		is one which she has the mate of yet.
2	3		She will turn it over to me if I wish to
2	4		have it. It should be noted that during
02:12 2	5		the investigation of the Miller murder,
			Meyer CompuCourt Reporting

Page 15422

1		a second knife was located by the
2		investigators, hidden under a fence in a
3		residential area close to the murder
4		scene. This was eventually turned over
02:12 5		to the prosecutor and it is unknown just
6		where it actually went. I wish to
7		recover the knife from Linda and
8		determine if it in fact has a similarity
9		to the knife that was found by the
02:12 10		investigators, just as a long shot to
11		determine if there is a possibility the
12		bone handled knife may have been removed
13		from the Fisher residence in 1969 by
14		Larry. This is somewhat of a long shot
02:12 15		and I am not sure if the two actually
16		can be compared."
17		So can you tell us, it looks like here in this
18		call of May 24th, 1990 you told Sergeant Pearson
19		about a second knife, and it says here a
02:13 20		bone-handled hunting knife. Do you remember how
21		it came to be that you remembered losing that
22		knife?
23	А	Ah, we were talking about all the knives I had
24		then and he wanted to know if I had a bone-handled
02:13 25		knife.
		Meyer CompuCourt Reporting

Page 15423 1 I'm sorry, who did? Q 2 Α Mr. Pearson I think was. 3 0 Okay. So I did have bone-handled knives, but I had 4 Α 5 thought that my kitchen butcher knife, it was a 02:13 butcher knife, not a hunting knife, it went 6 7 missing at one time, but I don't know when, and it was after, I figured it was after the Miller case, 8 9 I think I told him that, but I did have the steak 02:13 10 knives at home that matched that set and I had 11 given him one. 12 Q Okav. If we can go to 063133, and this is the 13 next day I believe. Pardon me, a week later. And Sergeant Pearson says: 14 "Patrolled to North Battleford, met with 02:14 15 16 Linda Fisher, who turned over a bone 17 handled steak knife, stating it is from 18 the same set as the one that she lost, 19 probably while she lived with Larry. 02:14 20 The knife she lost was actually larger 21 than the one Linda showed me. Linda had 22 no specific information on when, where 23 or the circumstances the knife went 24 missing. I took possession of the 02:14 25 knife, not knowing at this time if it

Page 15424 1 relates to anything of value." And I take it you turned over the knife? 2 3 Α Yes. And I believe we have that knife here, if I could 4 0 02:14 5 ask the clerk just to have you identify that. Mrs. Fisher, this knife was provided to the 6 7 Commission by the RCMP. Are you able to tell us 8 whether that's the steak knife that you gave to 9 Sergeant Pearson back in 1990? 02:15 10 Α Yes, it looks like it. 11 Q And so, just help us out here, looking at this 12 paragraph you are saying that you lost one that 13 was from the same set but bigger than that knife? 14 Yeah, it was the butcher knife to the set, it was Α 02:16 15 a set of about eight steak knives, a butcher knife 16 and a fork, and the butcher knife had went missing 17 at one point. 18 And so it would be a bit larger, not a paring Q 19 knife, a larger knife? 02:16 20 It, yeah, it was a big knife. Α 21 Q Okay. 22 Α That --23 0 And it says here you had no information on when, 24 where, or the circumstances the knife went 02:16 25 missing? Meyer CompuCourt Reporting =

by Mr. Hodson Vol 77 - Tuesday, September 27th, 2005 Page 15425 1 That's right. Α 2 I wonder if we could just mark that knife 0 Okav. 3 as an exhibit, please. 4 That will be P-6. CLERK: 5 MR. HODSON: P-6? 02:16 6 -->EXHIBIT P-6: 7 KNIFE. 8 BY MR. HODSON: 9 And, again, are you able to tell us whether that Q 02:17 10 knife, P-6, whether you are able to tell us whether that went missing at or around the time of 11 12 Gail Miller's murder? 13 Α I don't know. If we could call up 010035, please. 14 This is a Q 02:17 15 letter June 12th, 1990 from David Asper and Hersh 16 Wolch to Eugene Williams who's the fellow that 17 interviewed you, and just down at the bottom it 18 says: 19 "Finally, further to our conversation 02:18 20 with respect to the witnesses whom your 21 investigator has interviewed, we ... ", 22 next page: 23 "... can advise that these witnesses 24 were left with a very negative 02:18 25 impression about your investigator. Meyer CompuCourt Reporting

	1	Specifically, Debra Hall tells us that
	2	she was made to feel as though she was
	3	wasting the investigator's time. She
	4	felt that the investigator was twisting
02:18	5	everything that she said, and made her
	6	feel "like an ass". Moreover, she
	7	indicates that this investigator made
	8	her feel like she was not being
	9	believed, and in fact was somehow lying
02:18	10	about the contents of her Affidavit.
	11	Essentially, her impression was that
	12	even though she had nothing to gain by
	13	coming forward, she was simply trying to
	14	say that Messrs. Melnick and Labchuk
02:18	15	were lying when they gave their evidence
	16	at the trial, and that for coming
	17	forward, she was made to feel useless in
	18	this whole thing."
	19	And then it says:
02:18	20	"We understand that Linda Fisher had
	21	much the same feeling after your
	22	investigators visited with her."
	23	And it's plural there, I'm not sure if that's
	24	referring to Mr. Pearson or Mr. Williams or both,
02:19	25	but can you tell us; did you have any feelings

	2		described in this letter?
	3	А	No.
	4	Q	Did you have any concerns with the manner in which
02:19	5		they treated you during the interviews?
	6	А	No.
	7	Q	Go to 185851 or 185351 nope, sorry, I had it
	8		right the first time, 185851. And unfortunately
	9		this doesn't have a date but it appears to be
02:19	10		notes, I think, of Mr. Henderson, and the first
	11		paragraph says:
	12		"We drove to Candu to talk with Linda
	13		primarily to fill in some holes in our
	14		background on Larry Fisher and their
02:19	15		marriage. Considering the way Ottawa
	16		has treated her, and the fact that her
	17		accusations against Fisher have gone
	18		nowhere, I was surprised that she's
	19		still willing to stick her neck out to
02:20	20		build a case against her ex husband."
	21		And so I take it, from that paragraph, that this
	22		would be after, after you met with Mr. Williams;
	23		do you remember talking to Mr. Henderson again
	24		after the first meeting in March?
02:20	25	А	Mr. Henderson?

11	Q	Okay. And you will see, if we can scroll down to

13		"Details again are sketchy, but Linda
14		recalled that Larry also assaulted their
<i>02:21</i> 15		landlady when they were living on Avenue
16		B. The victim (who Linda recalled being

19		the woman reported the assault but that
02:21 20		Larry denied the accusations and somehow

1	Q	Yeah, and I think that's what Mr. Williams asked
2		you, and I think you told him it was possible?
3	А	Yeah.
4	Q	And so, here, this comment about you saying that
02:25 5		you told Williams that you were positive that he
6		did not come or positive that he did not go to
7		work that morning; is that what you thought you
8		told him?
9	А	That was just, that was just through the argument,
02:25 10		I because I had accused him of drinking and not
11		going to work, and I don't remember him denying
12		that and saying "well I was at work", and I don't
13		remember anything like that.
14	Q	I think you told us that you believed that he had
02:25 15		not gone to work that morning?
16	А	That's right.
17	Q	And I just, getting back to the questioning, when
18		Mr. Williams questioned you I think he said "is it
19		possible that maybe he did go to work", and I
02:25 20		think you answered, at least according to the

22	А	Yes.

2		you thought you had said to Mr. Williams?
3	А	I I probably said it.
4	Q	And I don't know, and I stand to be corrected, I
<i>0</i> 2:26 5		think the transcript suggests that you said it was

13		or 10:00.
14	Q	Yes.
<i>0</i> 2:26 15	А	I mean, it's possible in a way.
16	Q	And is that what your thinking was back in 1990
17		when you were interviewed by Mr. Williams?
18	А	Well if I said it's not possible I probably I
19		probably wasn't thinking that he could have.
02:26 20	Q	Has your thinking changed over time about that, or

22	А	I don't know. I still say he never went to work

1 That could be, yes. Α 2 And then again if we can scroll down, at the 0 3 bottom, 177 it says: "Returned a call to Linda Fisher ... I remember 13 they did come into the house, and Kim did show 14 them photo albums, and --02:29 15 As Sergeant Pearson has described it, is 0 Okay. that accurate as he has described it, which I just 16 17 read to you? 18 Yes. Α 19 0 And I take it, at that time, were you not prepared 02:29 20 to talk to the CBC about --21 I think he had told me not to talk to them. Α 22 Q And I think, this is June 21st, 1990, I think that 23 is the date, if not the next date, that the CBC 24 ran a story, and I believe that's the first time 02:30 25 that Larry Fisher's name was publicly identified

1 as a suspect in the Gail Miller murder; do you 2 remember hearing about that in the media? 3 Α Yes. If we can go to 325006. So that date, that was 4 0 5 June 21st, 1990, and here's an article in The 02:30 StarPhoenix June 22nd, 1990 and it says: 6 7 "Joyce Milgaard has known about a 8 possible second suspect in Gail Miller's 9 murder for months, but never publicized 02:30 10 it because she wanted to protect the 11 man's wife, she said Thursday. 12 "We thought she was doing a 13 very courageous thing," Milgaard said of Linda Fisher." 14 02:31 15 And is that what you understood, Mrs. Fisher, 16 that the -- Larry's name was not being released 17 to protect you? 18 I didn't know. Α 19 And then, down at the bottom, you will see here: 0 02:31 20 "By coincidence, a man who would later 21 be convicted of three rapes was living 22 in the basement suite of Milgaard's 23 friend's house, CBC TV reported 24 Thursday." 02:31 25 Which was June 21st, and this is Friday, June = Meyer CompuCourt Reporting =

2		It appears, from this, that you would have talked

4	А	I probably did.
<i>0</i> 2:34 5	Q	Did you get were you contacted, after the story

7		a number of media people?
8	А	I think, I don't even know if that was before Mrs.

02:34 10		me there was somebody at the school that I had
11		talked to, and maybe that was this Mr this
12		Lett.
13	Q	Okay. This appears to be after, after June of
14		1990, because it I believe that the media
<i>0</i> 2:34 15		reports did not name Larry Fisher until about June
16		21st, 1990, so that would have been after. Do you
17		have a recollection of media coming to the school

19	А	Yes, yes.
02:34 20	Q	And
21	А	I'm sure I talked to them a few times.

1	A	I'm not even sure.

<i>02:35</i> 5		you telling us that even before that you phoned

8	А	I think so, yes.
9	Q	And so let's go back to March 9th of 1990, that's
<i>0</i> 2:35 10		when Mrs. Milgaard and Mr. Henderson arrived in
11		Cando, correct?
12	А	Yes.
13	Q	Prior to them arriving to see you in March of 1990
14		had the media been out to see you about Larry
<i>02:35</i> 15		Fisher?
16	A	I don't know whether it was just after, or it

1	SHIRLEY: He was a hard-working guy?

7	А	Yes, I probably did.	
8	Q	And I think when you told us earlier, and correct

13	А	That's right.	
14	Q	Does this assist your memory at all about whether

16	А	Well, somebody said there was blood on them. I

18	Q	But back in 1969, 1970 did you hear from somebody	
19		that there was blood on the coveralls found in the

21	А	Yeah, it sounds like it.	
22	Q	Call up 159188, and this is a letter, February 27,

Page 15452 1 "I would ask that you review them very carefully since I expect that you will 2 3 be guestioned on their contents when you 4 testify at the Supreme Court." 5 And do you remember getting your earlier 03:06 statements then before you went to Ottawa? 6 7 Yes. Α And did you read through them then before you 8 0 9 testified? 03:06 10 Α Yes. 11 Q Now, at the Supreme Court reference there was a 12 couple of affidavits filed by counsel for Larry 13 Fisher that I wish to refer you to. The first is 14 020262, and this is an affidavit of Tim Naumetz, a 03:06 15 reporter for the Ottawa Sun, who wrote an article 16 after he contacted you on March 18th, 1992, and 17 scroll down to paragraph 3, and he says that you 18 told him that -- it says that she spoke to the 19 police one or two days after she learned of the 03:07 20 death of Gail Miller as they had come to her door. 21 "She informed me that she did not tell 22 the police about the missing paring knife nor her discussions with Larry 23 24 Fisher." 03:07 25 And again I think that's what you told this

	1		Inquiry; is that correct?	
	2	А	Yes.	
	3	Q	And would you have told the reporter that	
	4		information? Do you have any recollection of	
03:07	5		that?	
	6	А	I probably I probably did after I read the	
	7		statement or	
	8	Q	Okay. No, I think what this reporter, he wrote a	
	9		newspaper article after interviewing you and I	
03:07	10		believe after the news article ran in the paper,	
	11		that Mr. Beresh, Larry Fisher's lawyer, went and	
	12		got the reporter to swear an affidavit saying this	
	13		is what Linda Fisher told me.	
	14	А	Oh, yes, uh-huh.	
03:07	15	Q	And then filed it in Court. And so what's	
	16		attributed to you in paragraph 3 is what you've	
	17		already told this Commission; is that correct?	
	18	А	Yes.	
	19	Q	And then the next paragraph, it just talks about:	
03:08	20		" that some time subsequent she went	
	21		to the Prince Albert Penitentiary and	
	22		spoke to Larry Fisher and asked him	
	23		whether he had committed the murder of

Page 15454 1 And again, you've told us that as well; correct? 2 Α Yes. 3 0 And: 4 "That I further questioned her with 5 regard to Larry Fisher's use of the 03:08 Pambrun vehicle. She informed me that 6 7 it was not often that Larry would borrow 8 the car from Clifford Pambrun and told 9 me that it had occurred "once or twice 03:08 10 only"." 11 Again, is that truthful, what's attributed to 12 you? 13 Α That's probably all I remember, yes. 14 And at paragraph 6: 0 03:08 15 "That she further informed me that Larry 16 would only borrow the car in an 17 emergency for example when for purposes 18 of seeing a doctor or something really 19 important or to take Tammy to a doctor. 03:08 20 She further informed me that Larry would 21 not ask to use the vehicle unless it was 22 really important." 23 And is that truthful? 24 Α Yes. 03:09 25 And then if we can call up 009691. 16		So again, I think you told us you think you would		
17		have talked to her about your suspicions?		
18	А	Yes.		
19	Q	And then if we can call up 020199, this is the		
03:11 20		affidavit of Patricia Luft, and I think her maiden		
21		name is Van Aseldonk; is that correct?		
22	А	Yes.		
23	Q	So this is the Patricia Van Aseldonk that you told		
24		us about earlier?		
03:11 25	А	Yes.

	4		Next page, paragraph 7:
03:11	5		"That since I have learned of the death

	8		She never mentioned to me that any

	13		That Linda Fisher has never
	14		suggested to me in any way directly or
03:11	15		indirectly that she feels that Larry

	18		And then the next page, it talks about a

03:11	20		"I informed her that I had no

	22		Let me back up. About a telephone call from

1	1		married name, do you recall talking to her about
1:	2		your missing paring knife or your suspicions
1	3		about Larry?
1	4	A	Yes.
03:12 1	5	Q	And when would that have been?
1	6	А	I'm not sure if it was early in the '70s, but I
1	7		know later especially one time when we went to
1	8		Vancouver together and we had visited at her
1	9		brother's house, I think we all talked about it

2	1	Q	This was Patricia's brothers?
2	2	A	Yes.
2	3	Q	Was that Adrian Van Aseldonk?

03:14 20		And do you recall telling Carol Lamb that?	
21	А	Yes.

7	А	Yes.		
8	Q	If we could go to page 043513, and this is Mr.

03:15 10		about your recollection of that evening and you

13		Q And later?		
14		A Well, he still hadn't come home when I		
<i>03:15</i> 15		went to bed."		
16		And then the next page, down at the bottom:		
17		"Q When did you first see Larry?		
18		A When I woke up the next morning.		
19		Q Can you approximate the time?		
03:15 20		A Between nine and ten."		
21		Was that truthful and accurate?		
22	А	Yes.		
23	Q	And then the next page, you were asked to describe

03:16	5		I was just mad and so I was accusing him

	7		not going to work, not coming home.
	8		That was our basic argument.
	9	Q	Did anything else happen in this
03:16	10		conversation?
	11	А	I heard the report about the Miller
	12		girl and I was in the kitchen, I
	13		think. I was going to make dinner and
	14		I was looking for my paring knife and
03:16	15		I couldn't find my pairing knife. So
	16		that came on the news just as I was
	17		ready to peel potatoes, I guess, and
	18		when I couldn't find it, that came on
	19		and I hollered at Larry, "Well, you
03:16	20		were probably the one that was out
	21		killing that nurse because my paring

	6		But he got pale and he never argued
	7		back.
	8		Q You say he never argued back?
	9		A Yes. He would bicker back and he just
03:17	10		quit arguing."
	11		Is that truthful and accurate?
	12	А	Yes.
	13	Q	And then page 043528, and here's Mr. Beresh

	16		"Q In the 1960s, the late sixties you

	18		there was alcohol consumed by yourself?
	19		A I would say up to the time of Gail
03:17	20		Miller, I had drank maybe eight to
	21		twelve times all together in my life."
	22		And then:
	23		"When I was 19, I started drinking

03:18	15		was basically the news report."
	16		And is that truthful and accurate?
	17	А	Yes.
	18	Q	Next page, and then you say in answer to a
	19		question:
03:18	20		"A But my uncle had went to work that day

Page 15465 1 was part of the argument." And then the question: 2 3 "Ο How did you know your uncle went to 4 work? 5 Α We had talked about it." 03:19 And I take it that would be your Uncle Cliff? 6 7 Yes. Α 8 Q And can you tell us when you would have talked 9 about it and what you would have talked about? 03:19 10 Α It wouldn't have been at that time, I just assumed 11 everybody else went to work and --12 Q Do you recall after, at some point after the 13 argument with Larry Fisher on January 31, 1969 14 asking your Uncle Cliff whether he, whether Cliff 03:19 15 was at work on the day of the murder? 16 Yes, I think Clifford told me he did work that Α 17 day. 18 That Clifford worked that day? Q 19 Α Yeah. 03:19 20 And do you remember when, when you had that 0 21 discussion with him? 22 Α That would have been after 1971. 23 0 Your suspicions? 24 Α Yeah. 03:19 25 Did you ask Clifford whether Larry Fisher was at Q

work	that	day?

1

2 A I probably did. I don't remember though what 3 exactly was said.

4 Q And then to page 043541, Mr. Beresh is asking you 03:20 5 about whether Larry Fisher gave you a reason on 6 January 31, 1969 about why he wasn't at work, and 7 he refers to an answer you gave to Mr. Williams 8 from your earlier interview that says:

9 "I'm quite sure he gave me some excuse 03:20 10 (sore hand, cement infection possibly)." 11 And then I think that may have been some notes 12 you wrote on the transcript. And then Mr. Beresh 13 asks:

14"QCan I see the document, please. Can I03.2015just read to the Court what you have16written?17"I am quite sure he gave me some excuse18(sore hand, cement infection possibly)."19Is that correct?

03:21 20 A Yes.

Q So that wasn't then said to Mr. Williams when he examined you under oath at all? A No. Q When did you make that correction? A About a week ago.

Page 15467

1 A week ago? Q 2 Δ Yes. I just got the statement about a 3 week ago." 4 So it looks like from this, Mrs. Fisher, that you 5 got the statement that you gave to Mr. Williams 03:21 6 prior to going to the Supreme Court and that you 7 had made a note on it. Do you recall that? I think before I went to Court I put that 8 Α Yeah. 9 on the statement as it could have been one of the 03:21 10 reasons Larry gave for not going to work. 11 Q Okay. So are you able to tell us today whether or 12 not on January 31, 1969, whether Larry Fisher told 13 you that the reason he wasn't at work was because he had a medical condition related to his hand? 14 03:21 15 Now, I couldn't -- I'm not absolutely positive it Α 16 was that day, but that was the only excuse he ever 17 gave me for not going to work, was some infection 18 on the hand. 19 0 So let's back up. There were occasions, you 03:22 20 recall, where he didn't go to work because of a 21 cement allergy or an infection in his hand? 22 Α Yes. 23 0 And then on January 31, 1969 do you have a 24 recollection of whether or not that came up during 03:22 25 your argument with him or whether he told you Meyer CompuCourt Reporting =

	ī		Page 15468
	1		that?
	2	А	Now I'm not positive, no.
	3	Q	Page 043553, and at the bottom Mr. Beresh is
	4		questioning you about back in 1990 and
03:23	5		Mrs. Milgaard's request for you to go and question
	6		Larry, and he says:
	7		"Q So you talked to Mrs. Milgaard and she
	8		said, "Maybe you should talk to him
	9		again or ask him again," and then you
03:23	10		talked to Sylvia.
	11		A Mrs. Milgaard didn't ask me to talk to
	12		Larry again. I wanted to ask Larry on
	13		my own.
	14		Q But after you met with Mrs. Milgaard?
03:23	15		A Mrs. Milgaard wanted me to go to the
	16		jail and get a kleenex and take a sample
	17		of Larry's saliva, but this wasn't
	18		when I talked with Sylvia, I wanted to
	19		go and ask Larry myself. Mrs. Milgaard
03:23	20		asked me once later to go and get a
	21		sample of kleenex from Larry or saliva,
	22		and I said "no"."
	23		Is that accurate and truthful?
	24	А	At the time I didn't say no, but I decided against
03:23	25		it.

		Linda Fisher by Mr. Hodson Vol 77 - Tuesday, September 27th, 2005
		Page 15469
1	Q	Okay. So when she asked you, do you recall what
2		you said, when Mrs. Milgaard asked you to do this?
3	А	I said I could try.
4	Q	But then again you had decided in your mind that
03:23 5		you wouldn't do that?
6	А	That's right.
7	Q	And why not?
8	А	Well, I didn't think it was my job. I thought the
9		police should do that or
03:24 10	Q	Okay. And it appears that in addition to
11		Mrs. Milgaard wanting you to go and ask Larry
12		about it, that you had your own reasons to go and
13		ask him about it in 1990; is that correct?
14	А	Yeah, I guess I thought about it, but I already
03:24 15		asked him once and he said no, so I never asked
16		him.
17	Q	And I think you told us yesterday that the last
18		time you talked to Larry Fisher was in the late
19		'70s, or around 1980, is that right, when he was
03:24 20		still in jail?
21	А	Yes.
22	Q	And so in 1990 you would not have talked to him
23		for 10 years; is that correct?
24	А	That's right.
03:24 25	Q	And then page 043567, Mr. Beresh is again asking
		Meyer CompuCourt Reporting

Page 15470 =

			rage 13470
	1		you questions about whether or not Larry Fisher
	2		came home the evening of January 30 or the morning
	3		of January 31 before you got up, and you answer:
	4		"A He could have come home.
03:25	5		Q That's what I am getting at.
	6		A Yes.
	7		Q He could have crawled into bed. He
	8		could have gotten out and you could have
	9		slept right through it.
03:25	10		A In fact, I thought I heard the door
	11		slam. It is so hard to remember. I
	12		thought I heard the door slam and
	13		that's why I assume Larry went to
	14		work. That's why I was so surprised
03:25	15		when I woke up and he was in the
	16		house."
	17		Do you have a recollection of that?
	18	А	Not any more, but
	19	Q	Do you have any reason to dispute what you would
03:25	20		have said to the Court at that time?
	21	А	No.
	22	Q	And again the next page, Mr. Beresh asks you:
	23		"Q I just want to confirm: You were such a
	24		heavy sleeper that he could have crawled
03:26	25		into bed, could have crawled out and you
			Meyer CompuCourt Reporting

Page 15471 1 wouldn't have known? 2 Α Yes." 3 And is that accurate and truthful? 4 Yes. Α 5 And then 043571 this, this is again Mr. Wolch now 03:26 Q 6 on re-examination, he says: 7 "O I have one last question for you, madam. 8 Mr. Beresh was questioning you 9 about whether Larry could have crawled 03:26 10 in or out of bed, or whatever. Was 11 there anything said by him or anything 12 in the conversation you had with him to 13 indicate that might have happened? No." 14 Α 03:26 15 Is that accurate and truthful? 16 Yes. Α 17 And then the bottom of that page, Justice Cory 0 18 asked you a question about what was he wearing the 19 night before when you last saw him, and your 03:26 20 answer: 21 "I don't even know if he came home for 22 supper after work; like, he might have 23 been wearing his work clothes that 24 night. It wasn't the clothes he went to 03:27 25 work in the day before, but I don't know Meyer CompuCourt Reporting

Page 15472 1 for sure if he came home for supper at all or if he came home and changed 2 3 If I was gone and he came home somehow. and changed, I really don't know." 4 5 And again, is that accurate and truthful? 03:27 Yes. 6 Α 7 Now, after the Supreme Court hearings, at some Q 8 point in April of 1992 did you become aware that 9 Mr. Milgaard's conviction was set aside and that 03:27 10 he was released from prison? 11 Α Yes. 12 Q If we could call up 048855, and this is an article 13 in the StarPhoenix. If we can just, the heading 14 is "Linda Fisher not sure if identity of killer 03:27 15 will ever be known," and I'm assuming this is 16 around April of 1992 because it talks about the 17 Supreme Court decision, it says: "The woman who accused her husband of 18 19 killing Gail Miller isn't sure if anyone 03:28 20 ever will know who murdered the 21 20-year-old nursing assistant. 22 "I would like to know the 23 truth," Linda Fisher said in an 24 interview Tuesday. "I don't know if 03:28 25 we'll ever know it. Everything has been

	1	gone over with a fine-toothed comb."
	2	And then it goes on to talk about Larry and then
	3	again about the interview and your evidence
	4	before the Supreme Court, and then if we can go
03:28	5	onto, it says:
	6	"Meanwhile, Linda moved four years ago
	7	to a hamlet near North Battleford.
	8	People there know who she is and ask her
	9	about the Milgaard case and her former
03:28	10	husband's connection. "I guess they're
	11	interested in it. I'm really tired of
	12	it."
	13	"I consider somebody who did
	14	that, (killed Miller) sick. I consider
03:29	15	Larry's rapes sick."
	16	Tuesday's decision"
	17	Which I think is the Supreme Court decision,
	18	" doesn't make any conclusions about
	19	who Miller's murderer is. Linda Fisher
03:29	20	can't either.
	21	"I'm like (the Supreme Court

	2		Do you recall making those comments to the
	3		reporter?
	4	А	Probably, yes.
03:29	5	Q	And what did you mean or can you tell us what
	6		you meant when you said that?
	7	А	What part?
	8	Q	The part here, it says here that you aren't sure
	9		either and you say:
03:29	10		"They could both be guilty. I still
	11		don't know."
	12	А	Well, then with this is possible, that's
	13		possible they were saying and I didn't know. To
	14		me anything was possible, and they told me, the
03:29	15		police had told me that they might never know who
	16		had murdered Gail Miller.
	17	Q	Okay. When you say 'the police' who are you
	18	А	Well that was, I think, after the Supreme Court I
	19		had talked to somebody, I don't know who it was,
03:30	20		and they said, you know, like sometimes they never
	21		find out the what

	1	Q	And was it a police officer?
	2	А	I'm not even sure. It was somebody in authority.
	3	Q	Was it Mr. Williams or Sergeant Pearson?
	4	А	It was probably one of them, I don't know which
03:31	5		one though.
	6	Q	Okay. And what do you recall of that discussion
	7		other than what you've told us?
	8	А	Oh, just that they, they say sometimes they never
	9		find who is guilty and or they never find
03:31	10	Q	After Mr. Milgaard was released, did you have any
	11		understanding as to whether any steps would be
	12		taken against Larry Fisher, any investigation or
	13		any charges against him for the death of Gail
	14		Miller?

In 1993 the RCMP commenced an investigation into allegations of wrongdoing associated with the, David Milgaard's conviction and investigation, and they interviewed a number of people and there is a note here that suggests they interviewed you. Do you remember talking to these officers about that? Yes. And this would be after the Supreme Court and after Mr. Milgaard was released from jail; does that help you? Yes. And it says here March 16th, '93, interviewed by Homeniuk and Gagne, any reason to dispute that? No. And if you can go to the next page you say here to

13	3	А	Yes.
14	4	Q	And can you tell us how that came about or how you

16	5	А	I don't know. Maybe it was from the photograph

1	Q	Were you ever shown an item that

3		hearing in January of 1998?
4	А	The wooden handled knife, or
<i>03:5</i> 9 5	Q	Or any other knife.
6	А	Yes. I was shown a paring knife that
7		resembled the my other paring knife
8		that we had bought, but it was kind

<i>04:00</i> 5	А	Yeah, yeah. It was just after we got married

7	Q	So early 1968 you would have bought the knife?
8	А	Yes.
9	Q	The rest of what I read to you, is that accurate
<i>04:00</i> 10		and truthful?
11	А	Yes.
12	Q	Now in that question you indicated that what Mr.

<i>04:00</i> 15	А	Yeah. I I don't know. Seems to me, it seems
16		to me it was, I don't know, I thought it might
17		have been a coloured one, but I don't know, maybe
18		it was just I can't be positive.

2	BY	MR. ELSON:
3	Q	Mrs. Fisher, my name is Richard Elson and I
4		represent the Saskatoon Police Service in these
<i>04:0</i> 2 5		proceedings.
6		I wanted to talk with you just a
7		little bit about the interviews that took place in
8		the early morning of August 28th, 1980, and the
9		evidence before this Commission of Inquiry is that
<i>04:0</i> 2 10		Inspector Ken Wagner was the person who took your
11		statement, and you have no reason to disagree with
12		that do you?
13	А	No.
14	Q	And I just wanted to review some of what you had
<i>04:0</i> 2 15		said. Did I understand your evidence to be that
16		you had no particular problems with the manner in
17		which Inspector Wagner treated you on that
18		occasion?
19	А	Ah no, I had no problem.
04:03 20	Q	Would it be fair to say that he treated you with
21		respect and that he treated what you had to say,
22		or appeared to treat what you had to say
23		seriously?
24	А	Yes.
<i>04:0</i> 3 25	Q	And indeed he had given a representation to you
		Mever CompuCourt Reporting

Page 15506 -

			——————————————————————————————————————
	1		
	1		that he believed officers who were more directly
	2		involved in the investigation of Gail Miller's
	3		murder would be in contact with you to ask you
	4		further questions?
04:03	5	A	Yes.
	6	Q	And that was certainly what you were expecting; is
	7		that a fair assessment?
	8	A	Yes.
	9	Q	I also gathered from your evidence, and
04:03	10		specifically from your conversation with
	11		Mrs. Milgaard as reflected in the various
	12		documents we've seen, that you also expected the
	13		Saskatoon City Police, as it was then known, to
	14		contact David Milgaard, or someone on his behalf;
04:03	15		is that correct?
	16	A	Yes.
	17	Q	Now, at the time that you had that conversation
	18		with Inspector Wagner in August of 1980, did you
	19		have any knowledge of police practices with
04:04	20		respect to dealing with closed files or files
	21		where there was already a conviction?
	22	А	No.
	23	Q	Were you aware of any, of the legal issues that
	24		arise with respect to reviewing convictions?
04:04	25	A	No.

		Page 15507
1	Q	Did Inspector Wagner say to you that he would
2		ensure, or that the police would ensure that
3		whatever information was provided to you or
4		whatever information you provided to them would in
<i>04:04</i> 5		turn be provided to Mr. Milgaard or someone on his
6		behalf?
7	А	No. I probably assumed that.
8	Q	All right. And it would be fair to say that you
9		didn't ask him whether or not this information
<i>04:04</i> 10		would be shared with David Milgaard or his legal
11		counsel or anyone else on his behalf?
12	А	No, I never asked.
13	Q	So it would be fair to say that Inspector Wagner
14		had no basis for knowing about your expectation
<i>04:04</i> 15		that Mr. Milgaard, or someone on his behalf, would
16		be notified?
17	А	No.
18	Q	Now, as I understand it, given the fact that you
19		went to look at the newspaper, and I just want to
<i>04:05</i> 20		get a little understanding about that as well, I
21		gather from the affidavit of Carol Lamb, that you
22		and Ms. Lamb did not go to the StarPhoenix

<i>04:05</i> 25	А	Yes, we did.

1	Q	Oh, you did. I understood from her evidence that
2		you actually attended at the public library.
3	А	Oh, yeah, it could have been. Yeah, it was the
4		public library, sorry.
<i>04:05</i> 5	Q	All right. And would that have been for the
6		purpose of viewing microfilm of old editions of
7		the Saskatoon StarPhoenix?
8	А	Yes, we were looking for the photograph of the
9		knife.
<i>04:05</i> 10	Q	And did you in fact find a photograph of the knife
11		shown in an edition of the Saskatoon StarPhoenix?
12	А	Yes.
13	Q	And do you recall whether or not that edition was
14		around the time of the trial, in January of 1970,
<i>04:06</i> 15		whether or not it was one of those editions?
16	А	I don't know.
17	Q	And was the photograph that you saw from the
18		StarPhoenix similar to the photograph that had
19		been shown to you by Sergeant Pearson and Eugene
04:06 20		Williams sometime later?
21	А	I don't even remember.
22	Q	All right. In any event, it would be fair to say

	2	Q	And the reason you were relieved is because you
	3		felt reasonably certain at that time that the
	4		knife you saw in the photograph was not the knife
04:06	5		you believe to have been missing from your home in
	6		January of 1969?
	7	А	Yes.
	8	Q	And you would agree with me that the description
	9		of the knife depicted in the photograph was quite
04:07	10		different, substantially different from the
	11		description you gave to Inspector Wagner on August
	12		28th, 1980?
	13	А	Yes.
	14	Q	And in fact if somebody were to use the phrase
04:07	15		"not even close" in terms of describing it, would
	16		you think that the phrase "not even close" is a
	17		reasonable phrase to use?
	18	А	Yes.
	19	Q	So if a detective to whom this matter was assigned
04:07	20		received the description of a wooden-handled
	21		paring knife and came to the conclusion "that's
	22		not even close to the knife I saw at the murder

that it might be reasonable for a detective, to

4	А	Yeah, I could understand it.
<i>04:08</i> 5	Q	All right. And would you also agree with me that
6		then you can understand perhaps why you were not
7		subsequently contacted by the Saskatoon Police
8		Service for further information relative to the
9		information you gave to Inspector Wagner?
<i>04:08</i> 10	А	Ah yes.
11	Q	All right. Now, I wanted to ask you a question,
12		and it doesn't specifically relate, it's just my
13		own curiosity, and I will probably get in trouble
14		for this, but it doesn't specifically relate to
<i>04:08</i> 15		the interest of the client that I'm representing
16		here today, but you indicated that on January
17		31st, that was when you discovered the
18		wooden-handled paring knife to be missing, January
19		31st, 1969; is that correct?
04:09 20	А	Yes.
21	Q	And I also heard your testimony in answering Mr.
22		Hodson's questions to be that you used that paring
23		knife frequently. In fact, if I recall your
24		words, you described you said that you used it

	4	А	Yes.
04:09	5	Q	Do you have any recollection as to whether or not
	6		you used that paring knife on the Thursday,

	9	А	I don't remember, no.
04:09 1	10	Q	Is it possible that you may have used that paring

1	18	Q	And once you discovered that the wooden paring

04:10 2	20		seem, to me, logical that one would then look for

7	Q	But in any event, my point is that once you

04:11	15		couple of things with you.
	16		You've testified, and it has
	17		been referred to in your evidence, that a couple
	18		of days after January 31st, 1969 two Saskatoon
	19		city police officers spoke to you sort of going
04:12	20		door to door, at least that's what you understood,
	21		and just asked you some general questions, did you
	22		see anything unusual, did you know anything about
	23		the Gail Miller murder, that sort of general
	24		questioning took place; would that be correct?
04:12	25	А	Yes.

1	Q	And I think you've made it clear that you didn't
2		mention anything to them about the conversation
3		that you had with Larry?
4	А	No.
<i>04:12</i> 5	Q	And you didn't mention anything to them about his
6		reaction?
7	А	No.
8	Q	And you didn't mention anything to him about your
9		paring knife being missing?
<i>04:12</i> 10	А	No.
11	Q	Okay. And then you Mr. Hodson mentioned to you
12		that we know from the records that the police
13		spoke to Larry at the bus stop on February 3rd,
14		1969 and I think you've indicated he might have
<i>04:12</i> 15		told you that back in '69, you just, going back
16		that far, can't say whether you recall that or not
17		now?
18	А	Yes.
19	Q	We know, at least we've heard evidence that on
04:13 20		January 31st, '69 somewhere, eight or nine in the
21		morning, a number of people arrived at the Cadrain
22		residence, that would be David Milgaard, Nichol
23		John, Ron Wilson, Albert Cadrain and it seems as

	1	А	She hung around with the Cadrains.
	2	Q	So she wasn't a member of the Cadrain family
	3	А	No.
	4	Q	but hung around upstairs a lot?
04:14	5	А	Yes.
	6	Q	And might have you heard something from the other
	7		Cadrain children as well?
	8	А	They never came down much, so I don't think so.
	9	Q	Okay. And as I understand it, the sort of general
04:14	10		thing you heard was that David Milgaard had been
	11		at the house on January 31st, 1969 and that there
	12		was blood, something to do with blood?
	13	А	Yes.
	14	Q	Okay. In terms of the particulars of who saw
04:14	15		what, you have no specific recollection of that,
	16		but the basic story that you were hearing coming
	17		from the Cadrains, David Milgaard had been at the
	18		house January 31st, 1969 and it involved blood?
	19	А	Yes.
04:15	20	Q	Now, you mentioned then that after Larry had been
	21		arrested for the rapes in Winnipeg, that two
	22		plain-clothes police officers spoke to you in

23 Saskatoon; correct?

24 Yes. Α

04:15 25

4	А	No.
<i>04:15</i> 5	Q	Okay. And they describe to you in some detail the
6		fairly brutal actions of Larry that had taken

8	А	Yes.
9	Q	And I think you indicated at that point in time
<i>04:15</i> 10		that's when your suspicions really began to arise

12		that Larry might have been involved in the death
13		of Gail Miller?
14	А	Yeah, around then.
<i>04:16</i> 15	Q	Okay. Would I be correct though that again you

19	А	Oh, no. No.
04:16 20	Q	No. And didn't tell them anything about a missing

1		he might be involved in something like a rape or
2		certainly a murder; would that be correct?
3	А	Yes, before that time, yeah.
4	Q	You two had argued, you had had your differences,
<i>04:16</i> 5		you were concerned he was running around, but no
6		suspicion that he might have been involved in sort
7		of activity like that?
8	А	No.
9	Q	And I take it you would have conveyed that to the
<i>04:16</i> 10		police when they spoke to you about the Winnipeg
11		matters as well?
12	А	Yeah.
13	Q	And do you know if the Saskatoon rapes might have
14		been mentioned at that time or not, do you have
<i>04:17</i> 15		any recollection one way or the other?
16	А	I just remember them talking about the him
17		biting a girl, and that's the only thing I recall.
18	Q	Okay. And do you recall whether that was
19		referring to a Winnipeg incident or a Saskatchewan
04:17 20		incident?
21	А	I thought it was Winnipeg.
22	Q	Okay. Now, you then at some point in time when
23		Larry you thought was in the P.A. pen or was at
24		the P.A. pen, went up and actually confronted him
04:17 25		as to whether or not he was involved in the murder

	1		of Gail Miller?
	2	А	Yes.
	3	Q	And he denied that he was?
	4	А	Yes.
04:17	5	Q	Did you take some comfort in that?
	6	А	Some.
	7	Q	I mean, it wasn't going to convince you
	8		necessarily, but you took some comfort in it?
	9	А	Yeah.
04:17	10	Q	Okay. Now, your suspicions arose again you said
	11		in 1980 and that's when Larry had been released
	12		and was involved in the assault on the lady in
	13		North Battleford, (V10) (V10)-?
	14	А	Yes.
04:18	15	Q	And at the same time David was proclaiming his
	16		innocence and you were beginning to sort of think,
	17		okay, Larry has done something very vicious, I was
	18		suspicious before, David is proclaiming his
	19		innocence, maybe Larry did it; fair to say?
04:18	20	А	Yes.
	21	Q	And I take it, and I think you've answered this to
	22		Mr. Hodson, you made no sort of assessment of what
	23		the case was against David; in other words, you
	24		made no assessment of what witnesses testified
04:18	25		against him, what they said, that sort of thing?
			Meyer CompuCourt Reporting

1 A No.

2 **Q** Your focus was on Larry Fisher only?

3 A Uh-huh, yes.

4 Q When you spoke to the police in 1980, did you tell 04:18 5 them that you had confronted Larry about the death 6 of Gail Miller? Did you tell them that he had 7 denied having anything to do with the death of 8 Gail Miller?

9 A At some point I told somebody anyway I thought 04:19 10 that --

11QI appreciate you had to talk to an awful lot of12people about this over the years. You don't know13whether or not you told them that in 1980 though?14This is when you went down to the Saskatoon police04:1915

16 A Oh, no, not in my statement, no.

17 And even if it wasn't in your statement, do 0 Okay. 18 you have any recollection of just telling him 19 that, you met a police officer at the Saskatoon 04:19 20 police station about 4:30 in the morning, told him 21 what you knew about January of '69. Do you know 22 if you said anything to them at that time, gee, I 23 accused Larry of this and he denied it? 24 Α I don't remember. 04:19 25 And would I be correct that Larry has never made Q

1		any admission to you that he was involved in the
2		death of Gail Miller?
3	А	That's right.
4	Q	And certainly you've never ever told the police
<i>04:19</i> 5		that he has made any admission like that?
6	А	That's right.
7	Q	Now, just on the knives, have I got it right that
8		you've talked over the last two days about three
9		different knives? Let me start, the first knife
04:20 10		you've talked about was the brown wooden-handled
11		knife with two rivets in it and a straight blade?
12	А	Yes.
13	Q	And that's a knife that you remembered being
14		missing on or about January 31st, 1969?
04:20 15	А	Yes.
16	Q	And that's the knife that you have sort of
17		followed up and spoke to the police about and so
18		on and over the years have tried to find if that
19		knife was somehow involved in the death of Gail
04:20 20		Miller?
21	А	Yes.
22	Q	And would I be correct that you haven't seen
23		anything by way of photographs or actual knives or
24		exhibits to show that that knife that you were
04:20 25		referring to was involved in Gail Miller's death?
		Meyer CompuCourt Reporting

Page 15522 =

1 A None.

2 **Q** Would that be correct?

3 A That's right.

4 Q The mauve knife, that would be the second paring
04:20 5 knife, the knife that you didn't like using,
6 that's the one you said you purchased at the O.K.
7 Economy shortly after you got married?

8 A Yes.

9 Q And would I be correct, I mean, I think we see 04:21 10 that from the one police report, that knife was 11 never mentioned to any police service, whether the 12 Saskatoon police or the Winnipeg police or the 13 RCMP until about 24 years after Gail Miller's 14 death?

04:21 15 A Yes.

16QSo they wouldn't have had any knowledge about this17mauve knife until 24 years after the fact?

18 A Yes.

19QOkay. And you don't have any recollection at this04:2120time as to when that knife went missing?

21 A No.

04:21 25

22QOkay. It could have been in '68, it could have23been '69, it could have been sometime after that?24AYes.

Q And then the third knife that you talked about was

2		steak knives you had; correct?
3	А	Yes.
4	Q	And again, that knife was only mentioned years
04:21 5		later to the authorities as well?
6	А	Yes.
7	Q	You didn't mention that in 1980 or '69 or '70 or
8		whatever?
9	А	No.
<i>04:</i> 22 10	Q	Correct?
11	А	That's right.
12	Q	And again, in terms of when that knife went
13		missing, no idea when that would have been?
14	А	No, I don't.
<i>04:</i> 22 15	Q	The last thing I wanted to just touch on, you made
16		reference in a couple of the statements to the
17		Regina rapes, and I think you've acknowledged
18		this, but you would have been aware from Larry's
19		letters that you got from him in 1970, '71 that
04:22 20		the offences that he was talking about occurred in
21		Saskatoon?
22	А	Yeah. I don't know why I thought it was Regina.
23	Q	And maybe just for the record, Mr. Commissioner,

FOX: 4 In this paragraph here, this is the letter again 0 5 that you would have received from Larry Fisher in 04:24 6 May, it looks like May of 1971: 7 "Linda they just brought me out of the 8 whole and into segregation. 9 I don't know what is going to 04:24 10 happen about the two charges back home." 11 That would have been again a letter you received 12 from Larry? 13 Α Yes. 14 You've never lived in Regina? Q 04:24 15 No. Α 16 Likely that when he's referring to back home, home Q 17 for you and Larry would have been Saskatoon? 18 Yes. Α 19 0 Is it possible that going back to 1969, '70 you 04:24 20 would have understood that the charges at that 21 time did relate to Saskatoon and that you 22 subsequently just referred to them and thought of 23 them as Regina charges because that's the way they 24 were dealt with? 04:24 25 I'm not sure if I really knew that they were in Α Meyer CompuCourt Reporting

I

	1		Saskatoon. I always I don't know why I always
	2		said Regina.
	3	Q	But certainly you knew they were dealt with in
	4		Regina?
04:25	5	А	Yeah, but it seems to me I thought they were
	6		Regina charges. Even with the letters, I don't
	7		know if I didn't read them carefully or
	8	Q	You would agree with me that there didn't appear
	9		to be any attempt by Larry to hide the fact
04:25	10	A	No.
	11	Q	that those charges, those offences occurred in
	12		Saskatoon?
	13	A	Ah yes.
	14	Q	Reading those letters that's pretty clear?
04:25	15	A	Yes.
	16		MR. FOX: Thank you. Those are all the
	17		questions I have. Thank you very much,
	18		Mrs. Fisher.
	19		MR. HODSON: I know there are some other
04:25	20		counsel who might be longer than five minutes, so
	21		maybe we can break until tomorrow.
	22		COMMISSIONER MacCALLUM: Sure.
