- (h) **“urban municipality”** means a town, a village or a resort village.

24 Jly 2009 cM-28.1 Reg 1 s3; 11 Jne 2010 SR 60/2010 s3 and s4.

Program established

- 4(1) The Municipal Revenue Sharing Grants Program is established.
- (2) The purpose of the program is to provide financial assistance in the form of grants to municipalities or organizations operating on behalf of municipalities.

24 Jly 2009 cM-28.1 Reg 1 s4; 11 Jne 2010 SR 60/2010 s5.

DIVISION 2
Maximum Amount and Allocation

Maximum amount of municipal revenue sharing grants

- 5 The maximum amount of municipal revenue sharing grants that may be paid to municipalities is:

- (a) for the 2010-11 fiscal year, an amount equivalent to 90% of a PST point for the 2007-08 fiscal year; and
- (b) for the 2011-12 fiscal year and each subsequent fiscal year, an amount equivalent to 100% of a PST point for the second preceding fiscal year.

11 Jne 2010 SR 60/2010 s6.

Allocation of municipal revenue sharing grants

6 Subject to sections 24 and 25, on and after April 1, 2013, the funding paid pursuant to section 5 must be allocated as follows:

- (a) 47.945% for cities;
- (b) 16.345% for urban municipalities;
- (c) 28.254% for rural municipalities;
- (d) 7.456% for northern municipalities, to be distributed in accordance with *The Northern Municipalities Regulations*.

24 May 2013 SR 36/2013 s3.

Review of allocation

7(1) The minister shall conduct a review of the allocation mentioned in section 6:

- (a) in the case of the first review, no later than the end of the 2012-13 fiscal year; and
- (b) in the case of a subsequent review, within five years after the completion of the previous review.

(2) In conducting the review mentioned in subsection (1), the minister shall consult with:

- (a) the Saskatchewan Urban Municipalities Association;
- (b) the Saskatchewan Association of Rural Municipalities; and
- (c) the Saskatchewan Association of Northern Communities.

24 Jly 2009 cM-28.1 Reg 1 s7.

DIVISION 3

Municipal Revenue Sharing Grants for Cities**Annual per capita amount**

8 The annual per capita amount for cities is the amount allocated for cities pursuant to section 6 divided by the total population of cities.

24 Jly 2009 cM-28.1 Reg 1 s8; 11 Jne 2010 SR 60/2010 s7.

Amount of grant

9 The municipal revenue sharing grant that may be paid to a city in each fiscal year is the amount determined by multiplying the population of a city by the annual per capita amount for cities calculated in accordance with section 8.

24 Jly 2009 cM-28.1 Reg 1 s9; 11 Jne 2010 SR 60/2010 s8.

9.1 Repealed. 24 May 2013 SR 36/2013 s4.

DIVISION 4
Municipal Revenue Sharing Grants for Urban Municipalities

Grants for urban municipalities

10 The municipal revenue sharing grant that may be paid to an urban municipality in each fiscal year includes:

- (a) a base grant paid pursuant to section 11; and
- (b) a per capita grant calculated and paid pursuant to section 13.

24 Jly 2009 cM-28.1 Reg 1 s10; 11 Jne 2010 SR
60/2010 s10 and s11.

Amount of base grant

11 The base grant that may be paid to an urban municipality in each fiscal year is \$2,025.

24 Jly 2009 cM-28.1 Reg 1 s11.

Annual per capita amount

12 The annual per capita amount for urban municipalities is the amount allocated for urban municipalities pursuant to section 6:

- (a) less the total amount of funding provided for base grants pursuant to section 11; and
- (b) divided by the total population of urban municipalities.

24 Jly 2009 cM-28.1 Reg 1 s12.

Amount of per capita grant

13 The per capita grant that may be paid to an urban municipality in each fiscal year is the amount determined by multiplying the population of an urban municipality by the annual per capita amount for urban municipalities calculated in accordance with section 12.

24 Jly 2009 cM-28.1 Reg 1 s13.

DIVISION 5
Municipal Revenue Sharing Grants for Rural Municipalities

Interpretation of Division

14 In this Division:

- (a) **“class 2 road”, “class 3 road”, “class 4 road”, “class 5 road” or “class 6 road”** means a rural road class as established by the Road Classification Committee of the Ministry of Highways and Infrastructure;
- (b) **“rural road class”** means a rural road class as established by the Road Classification Committee of the Ministry of Highways and Infrastructure;
- (c) **“taxable assessment”** means the most recent taxable assessment for a rural municipality, as confirmed by the Saskatchewan Assessment Management Agency, that is available to the minister.

11 Jne 2010 SR 60/2010 s13.

Grants for rural municipalities

15 Municipal revenue sharing grants for rural municipalities include any or all of the following:

- (a) municipal revenue sharing grants for rural municipalities calculated and paid pursuant to section 16;
- (b) municipal revenue sharing grants with respect to organized hamlets calculated and paid pursuant to section 21;
- (c) grants with respect to communities in transition paid pursuant to section 22;
- (d) grants for strategic initiatives with respect to rural municipalities paid pursuant to section 23.

24 Jly 2009 cM-28.1 Reg 1 s15; 11 Jne 2010 SR 60/2010 s14.

Amount of grant

16(1) For the 2010-11 fiscal year, the minister may pay to each rural municipality a municipal revenue sharing grant in the same amount as paid for the 2009-10 fiscal year.

(2) Subject to subsections (3) to (8), for the 2011-12 fiscal year and subsequent fiscal years, the minister may pay to each rural municipality a municipal revenue sharing grant in the amount A calculated in accordance with the following formula:

$$A = T + [PC \times P]$$

where:

T is the transportation amount, calculated in accordance with section 16.1;

PC is the per capita amount, calculated in accordance with section 20; and

P is the population of the rural municipality.

- (3) No rural municipality is to receive a municipal revenue sharing grant in an amount less than the amount it received in the 2010-2011 fiscal year.
- (4) In the 2011-2012 fiscal year, with respect to a rural municipality that would otherwise receive a municipal revenue sharing grant greater than the amount it received in the 2010-2011 fiscal year, the amount of its grant is to be reduced by .3977%.
- (5) In the 2012-2013 fiscal year, with respect to a rural municipality that would receive a municipal revenue sharing grant greater than the amount it received in the 2010-2011 fiscal year, the amount of its grant is to be reduced by .133%.
- (6) In the 2013-2014 fiscal year, with respect to a rural municipality that would receive a municipal revenue sharing grant greater than the amount it received in the 2010-2011 fiscal year, the amount of its grant is to be reduced by .011%.
- (7) In the 2014-2015 fiscal year, with respect to a rural municipality that would receive a municipal revenue sharing grant greater than the amount it received in the 2010-2011 fiscal year, the amount of its grant is to be reduced by .0449%.
- (8) In each fiscal year commencing on or after April 1, 2015, the amount of the municipal revenue sharing grant payable to each rural municipality that would otherwise receive a municipal revenue sharing grant greater than the amount it received in the 2010-2011 fiscal year is to be reduced by the percentage that the minister determines is necessary to ensure that the total amount of all grants paid to all rural municipalities pursuant to this section does not exceed the amount of moneys appropriated by the Legislature for the purposes of this section for the fiscal year.
- (9) As soon as possible at the beginning of each fiscal year, the minister shall inform each rural municipality of the amount of its municipal revenue sharing grant and, if the grant has been reduced pursuant to subsection (8), the percentage by which it has been reduced.

11 Jne 2010 SR 60/2010 s15; 3 Jne 2011 SR
31/2011 s4; 25 May 2012 SR 32/2012 s4; 20 May
2013 SR 36/2013 s5; 20 Jne 2013 SR 54/2014 s3;
19 Jne 2015 SR 58/2015 s2.

Transportation amount

16.1 The transportation amount for the purposes of the formula set out in section 16 is the amount T calculated in accordance with the following formula:

$$T = B + [K2 \times \$3,200 + K3 \times \$3,200 + K4 \times \$2,800 + K5 \times \$1,000 + K6 \times \$750] \times RM$$

where:

B is the base transportation amount, calculated in accordance with section 17;

K2 is the number of kilometres of class 2 roads in the rural municipality as at December 31 of the previous year;

K3 is the number of kilometres of class 3 roads in the rural municipality as at December 31 of the previous year;

K4 is the number of kilometres of class 4 roads in the rural municipality as at December 31 of the previous year;

K5 is the number of kilometres of class 5 roads in the rural municipality as at December 31 of the previous year;

K6 is the number of kilometres of class 6 roads in the rural municipality as at December 31 of the previous year; and

RM is the road multiplier, calculated in accordance with section 19.

11 Jne 2010 SR 60/2010 s15.

Base transportation amount

17(1) Subject to subsection (2), the base transportation amount for a rural municipality for the purposes of the formula set out in section 16 is the amount B calculated in accordance with the following formula:

$$B = \frac{C \times \$15,000}{D}$$

where:

C is the minimum taxable assessment per kilometre of class 2, 3, 4, 5 and 6 roads in all rural municipalities; and

D is the taxable assessment per kilometre of class 2, 3, 4, 5 and 6 roads in the rural municipality.

(2) The base transportation amount for a rural municipality, being the amount B in subsection (1), is zero if the ratio of the total taxable assessment of the rural municipality to the total number of kilometres of class 2, 3, 4, 5 and 6 roads in the rural municipality is greater than the ratio of the average taxable assessment of all rural municipalities to the total number of kilometres of class 2, 3, 4, 5 and 6 roads in all rural municipalities.

24 Jly 2009 cM-28.1 Reg 1 s17.

18 Repealed. 11 Jne 2010 SR 60/2010 s16.

Road multiplier

19(1) The road multiplier for a rural municipality for the purposes of the formula set out in section 16.1 is the amount RM calculated in accordance with the following formula:

$$RM = \frac{(A/B)}{(C/D)}$$

where:

A is the sum of all rural municipalities' taxable assessment per kilometre;

B is the total number of rural municipalities;

C is the total taxable assessment of the rural municipality; and

D is the total number of kilometres of class 2, 3, 4, 5 and 6 roads in the rural municipality.

- (2) If the road multiplier calculated pursuant to subsection (1) is:
- (a) less than 0.5, it is deemed to be 0.5;
 - (b) greater than 2.0, it is deemed to be 2.0.

24 Jly 2009 cM-28.1 Reg 1 s19; 11 Jne 2010 SR 60/2010 s17.

Per capita amount

20 The annual per capita amount for a rural municipality for the purposes of the formula set out in section 16 is the amount PC calculated in accordance with the following formula:

$$PC = \frac{AA - (C + OH + CT + TT)}{TP}$$

where:

AA is the amount allocated for rural municipalities pursuant to clause 6(c);

C is the amount paid to certain rural municipalities pursuant to section 20.1;

OH is the amount paid with respect to organized hamlets pursuant to section 21;

CT is the amount paid with respect to communities in transition pursuant to section 22;

TT is the total of all amounts T calculated pursuant to section 16.1; and

TP is the total population of all rural municipalities.

11 Jne 2010 SR 60/2010 s18.

Grant for certain rural municipality

20.1 Notwithstanding section 15:

(a) the municipal revenue sharing grant that may be paid to the rural municipality of Lakeland No. 521 for the 2011-12 and subsequent fiscal years is to be calculated in accordance with sections 10 to 13, and for the purposes of that calculation, the rural municipality of Lakeland No. 521 is deemed to be an urban municipality; and

(b) any grant amount payable pursuant to clause (a) is to be paid out of the amount allocated for rural municipalities pursuant to clause 6(c).

11 Jne 2010 SR 60/2010 s18.

Municipal revenue sharing grants for organized hamlets

21(1) The municipal revenue sharing grant that may be paid in each fiscal year to a rural municipality with respect to an organized hamlet in the rural municipality includes:

(a) a base grant paid pursuant to subsection (2); and

(b) a per capita grant calculated and paid pursuant to subsection (4).

- (2) The base grant that may be paid in each fiscal year to a rural municipality with respect to an organized hamlet in the rural municipality is \$1,215.
- (3) The annual per capita amount for organized hamlets is 60% of the annual per capita amount for urban municipalities calculated in accordance with section 12.
- (4) The per capita grant that may be paid in each fiscal year to a rural municipality with respect to an organized hamlet in the rural municipality is the amount determined by multiplying the population of an organized hamlet by the annual per capita amount for organized hamlets calculated in accordance with subsection (3).

24 Jly 2009 cM-28.1 Reg 1 s21; 11 Jne 2010 SR
60/2010 s19.

DIVISION 6

Communities in Transition and Strategic Initiatives

Communities in transition

22(1) In this section:

- (a) **“eligible feasibility studies and administrative costs”** means the costs of feasibility studies and administration directly related to restructuring involving a rural municipality;
 - (b) **“eligible infrastructure costs”** means the costs of rehabilitation, construction, demolition or decommissioning of environmental or safety-related infrastructure, including but not limited to water and wastewater systems, solid waste management facilities and abandoned buildings in a dissolved urban municipality;
 - (c) **“eligible operating costs”** means the operating expenditures of a rural municipality with respect to a former urban municipality that is dissolved into the rural municipality on or after January 1, 2003.
- (2) A rural municipality may apply to the minister for a grant for any or all of the following:
 - (a) eligible feasibility studies and administrative costs;
 - (b) eligible infrastructure costs;
 - (c) eligible operating costs.
 - (3) Every application pursuant to this section must be in the form and contain any information that the minister may require.
 - (4) On receipt of an application pursuant to subsection (2), on completion of any reviews that the minister may require, and if the minister is satisfied that the application complies with this section, the minister may:
 - (a) approve the application and, if the minister approves the application, may pay the grants set out in this section; or
 - (b) refuse to approve the application.

(5) The minister may provide a grant to a rural municipality for eligible feasibility studies and administrative costs and eligible infrastructure costs for restructuring that occurs on or after January 1, 2003 or for restructuring that is being considered at the time the application is submitted:

- (a) in the case of eligible infrastructure costs:
 - (i) up to \$50,000, at a rate of 100%; and
 - (ii) in excess of \$50,000, at rate to be determined by the minister, to a maximum of 100%, based on:
 - (A) the municipality's ability to pay; and
 - (B) any other factors that the minister considers appropriate and in the public interest;
- (b) in the case of eligible feasibility studies and administrative costs:
 - (i) up to \$10,000, at a rate of 100%; and
 - (ii) in excess of \$10,000, at a rate to be determined by the minister, to a maximum of 100%, based on:
 - (A) the municipality's ability to pay; and
 - (B) any other factors that the minister considers appropriate and in the public interest.

(6) Subject to subsection (8), the minister may provide a grant to a rural municipality for eligible operating costs based on:

- (a) the municipal revenue sharing grant that was paid to the former urban municipality in the fiscal year in which it was dissolved into the rural municipality;
- (b) the assets and liabilities of the former urban municipality; and
- (c) any other factors that the minister considers appropriate and in the public interest.

(7) Subject to subsection (8), a grant to a rural municipality for eligible operating costs made pursuant to subsection (6) may be made for a maximum of 10 years commencing from April 1 of the fiscal year following the fiscal year in which the dissolution takes place.

(8) In each fiscal year, the minister shall review the grants made pursuant to subsection (6) and may approve a grant for that fiscal year only if:

- (a) there are moneys appropriated by the Legislature for the program for that fiscal year; and
- (b) in the opinion of the minister, the grant is in the public interest.

Strategic initiatives

23 In addition to any grants provided pursuant to Division 5 and section 22, in each fiscal year, the minister may make grants for strategic initiatives with respect to rural municipalities if:

- (a) the moneys appropriated by the Legislature for the program for the fiscal year have not been allotted by way of grants provided pursuant to Division 5 or section 22 at the time the grant for strategic initiatives is made;
- (b) in the opinion of the minister, the strategic initiative is required to address the needs of one or more rural municipalities; and
- (c) in the opinion of the minister, the strategic initiative is in the public interest.

24 Jly 2009 cM-28.1 Reg 1 s23.

DIVISION 7 Adjustments

Restructured municipalities and changes in municipal status

24(1) If two or more municipalities restructure to form a new municipality, or if one or more municipalities is dissolved into another municipality, the municipal revenue sharing grant that may be paid to the new municipality for the fiscal year in which it is established is the greater of:

- (a) the municipal revenue sharing grant prescribed pursuant to Division 3 or 4 or either or both of sections 16 and 21 for the new municipality for the fiscal year in which the restructuring or dissolution takes place; and
- (b) the total amount of the municipal revenue sharing grants prescribed pursuant to Division 3 or 4 or either or both of sections 16 and 21 that would have been paid to the municipalities for that fiscal year if they had not restructured or dissolved.

(2) If a municipality changes status pursuant to *The Cities Act* or *The Municipalities Act*, the municipal revenue sharing grant that may be paid to the new municipality for the fiscal year in which it is established is the greater of:

- (a) the municipal revenue sharing grant prescribed pursuant to this Part for the new municipality for the fiscal year in which it is established; and
- (b) the municipal revenue sharing grant prescribed pursuant to this Part that would have been paid to the municipality for that fiscal year if it had not changed status.

24 Jly 2009 cM-28.1 Reg 1 s24; 11 Jne 2010 SR 60/2010 s21.

Adjustments for restructuring or change in municipal status

25(1) Notwithstanding the allocation mentioned in section 6 and the municipal revenue sharing grant amounts established pursuant to this Part, for any fiscal year the minister may make any adjustments to that allocation and those amounts that the minister considers appropriate with respect to any restructuring or change in the status of a municipality pursuant to *The Cities Act* or *The Municipalities Act*.

(2) In making an adjustment pursuant to subsection (1), the minister may consider any change in the status of a municipality that occurred before the coming into force of this section.

24 Jly 2009 cM-28.1 Reg 1 s25; 11 Jne 2010 SR
60/2010 s22.

Adjustments for Ombudsman's services

25.1(1) In this section:

(a) **“Ombudsman's services”** means the services, duties and functions performed by the Ombudsman respecting municipal entities pursuant to *The Ombudsman Act, 2012*;

(b) **“reported”** means reported in accordance with subsection 38(1) of *The Ombudsman Act, 2012*.

(2) Notwithstanding Division 2 and the municipal revenue sharing grant amounts established pursuant to this Part, the minister shall withhold the cost of the Ombudsman's services, as determined in accordance with this section, from the allocation mentioned in section 6 and make adjustments to that allocation based on that cost in the same relative shares mentioned in section 6.

(3) Subject to subsection (5), for the 2016-17 fiscal year the amount to be withheld as the cost of the Ombudsman's services pursuant to subsection (2) is \$300,000.

(4) Subject to subsection (5), for the 2017-18 fiscal year the amount to be withheld as the cost of the Ombudsman's services pursuant to subsection (2) is \$300,000.

(5) Subject to subsection (7), if the amount to be withheld for the fiscal year mentioned in subsection (3) or (4) is greater than the amount actually required for the Ombudsman's services as determined pursuant to subsection (6) for the fiscal year, the difference is to be returned to the Municipal Revenue Sharing Grant Program in the following manner:

(a) in the case of the 2016-17 fiscal year, the amount to be withheld for the 2018-19 fiscal year is to be reduced by an amount that is equivalent to that difference; and

(b) in the case of the 2017-18 fiscal year, the amount to be withheld for the 2019-20 fiscal year is to be reduced by an amount that is equivalent to that difference.

(6) For the purposes of subsection (5), the amount actually required for the Ombudsman's services:

(a) in the 2016-17 fiscal year, is the amount O calculated in accordance with the following formula:

$$O = [MC/TC] \times E$$

where:

MC is the total number of reported complaints regarding municipal entities received within the jurisdiction of the Ombudsman in 2016;

TC is the total number of all reported complaints received within the jurisdiction of the Ombudsman for 2016; and

E is the total reported expenses incurred by the Ombudsman for the 2016-17 fiscal year; and

(b) in the 2017-18 fiscal year, is the amount O calculated in accordance with the following formula:

$$O = [MC/TC] \times E$$

where:

MC is the total number of reported complaints regarding municipal entities received within the jurisdiction of the Ombudsman in 2017;

TC is the total number of all reported complaints received within the jurisdiction of the Ombudsman for 2017; and

E is the total reported expenses incurred by the Ombudsman for the 2017-18 fiscal year.

(7) If the amount to be returned pursuant to subsection (5) is greater than the amount that would otherwise be withheld in a fiscal year, the amount to be withheld for the fiscal year is \$0.

(8) For the 2018-19 fiscal year and subsequent fiscal years, the amount to be withheld pursuant to subsection (2) is the amount O calculated in accordance with the following formula:

$$O = [MC/TC] \times E$$

where:

MC is the total number of reported complaints regarding municipal entities received within the jurisdiction of the Ombudsman for the year that is two years before the year for which the calculation is made;

TC is the total number of all reported complaints received within the jurisdiction of the Ombudsman for the year that is two years before the year for which the calculation is made; and

E is the total reported expenses incurred by the Ombudsman for the fiscal year that is two years before the year for which the calculation is made.

(9) As soon as is reasonably practicable after determining the amounts to be withheld from an allocation pursuant to this section, the minister shall notify in writing all of the following respecting that amount:

- (a) the Saskatchewan Urban Municipalities Association;
- (b) the Saskatchewan Association of Rural Municipalities;
- (c) the Saskatchewan Association of Northern Communities.

31/2011 s6.

DIVISION 3 Interest Subsidy Grants

Limit on interest subsidy grants

- 34(1)** An interest subsidy grant may only be made with respect to that portion of a borrowing that:
- (a) is made with respect to an eligible project;
 - (b) is the subject of a debenture issued or a loan agreement between the municipality and:
 - (i) the Municipal Financing Corporation;
 - (ii) a financial institution; or
 - (iii) another municipality; and
 - (c) has not been discharged.

- (2) Subject to subsection (3), an interest subsidy grant may only be made with respect to interest costs incurred:
- (a) for the 2008-09 fiscal year, from the later of:
 - (i) October 1, 2008; and
 - (ii) the date the borrowing occurs; and
 - (b) for the 2009-10 fiscal year and subsequent fiscal years, from the later of:
 - (i) April 1 of the fiscal year with respect to which the application is made; and
 - (ii) the date the borrowing occurs.
- (3) No interest subsidy grant is to be made with respect to a borrowing that is made after:
- (a) for the 2008-09 fiscal year, March 31, 2009;
 - (b) for the 2009-10 fiscal year and subsequent fiscal years, September 30 of the fiscal year with respect to which the application is made.
- (4) An interest subsidy grant may be made:
- (a) for the 2008-09 fiscal year, for a maximum of five years commencing from the later of:
 - (i) October 1, 2008; and
 - (ii) the date the borrowing occurs; and
 - (b) for the 2009-10 fiscal year and subsequent fiscal years, for a maximum of five years commencing from the later of:
 - (i) April 1 of the fiscal year with respect to which the application is made; and
 - (ii) the date the borrowing occurs.

24 Jly 2009 cM-28.1 Reg 1 s34.

Amount of interest subsidy grant for a fiscal year

- 35(1)** Subject to subsection (2), the amount of an interest subsidy grant for a fiscal year paid pursuant to the program is limited to the lesser of:
- (a) the actual annual interest costs paid by the municipality on the portion of the borrowing that is the subject of an agreement; and
 - (b) the interest costs that the municipality would have paid on the portion of the borrowing that is the subject of an agreement at the rate established by the minister pursuant to subsection (3).

- (2) For the purposes of this section, no interest subsidy grant is to be paid for costs incurred for loan documentation, administration, processing of fees, charges, late payment interest charges or penalties that may arise from the loan agreement or debenture issue.
- (3) The minister shall establish an interest rate for the purposes of clause (1)(b) based on:
- (a) in the case of a debenture or loan agreement mentioned in subclause 34(1)(b)(i), the lending rate agreed to by the municipality and the Municipal Financing Corporation;
 - (b) in the case of a debenture or loan agreement mentioned in subclause 34(1)(b)(ii) or (iii), the lending rate of the Municipal Financing Corporation at closing for a similar term as the debenture or loan agreement and as of the date on which the lending rate for the debenture or loan agreement is ratified.
- (4) The rate established in subsection (3) is the rate that must be used for the entire term of each agreement.

24 Jly 2009 cM-28.1 Reg 1 s35.

DIVISION 4

Eligible Projects and Eligible Costs

Eligible projects

- 36(1)** The following projects respecting development of a subdivision by a municipality are eligible projects:
- (a) extending or upgrading all utilities, including water, sanitary and storm sewers, natural gas, power, telephone, and cable television, to the subdivision;
 - (b) extending or upgrading access streets and roads, including sidewalks where appropriate, to the subdivision, including traffic signals;
 - (c) extending or upgrading street lighting to the subdivision;
 - (d) undertaking earthwork within the subdivision to level and shape the site, including surface drainage;
 - (e) soft landscaping of green spaces, including grasses, shrubs and trees, within the subdivision;
 - (f) installing all utilities within the subdivision up to the property lines of individual lots;
 - (g) constructing streets, roads and sidewalks within the subdivision;
 - (h) installing street lighting within the subdivision;
 - (i) engineering, planning and surveying directly related to:
 - (i) the extension of services, including utilities, to the subdivision; and
 - (ii) construction within the subdivision;

- (j) undertaking any other project that the minister is satisfied:
 - (i) assists the municipality in the development of the subdivision; and
 - (ii) is in the public interest.
- (2) If the development of a subdivision is undertaken by a person other than a municipality, only the following projects are eligible projects:
 - (a) extending or upgrading all utilities, including water, sanitary and storm sewers, to the subdivision;
 - (b) extending or upgrading access streets or roads, including sidewalks where appropriate, to the subdivision, including traffic signals;
 - (c) extending or upgrading street lighting to the subdivision;
 - (d) engineering and surveying directly related to the extension of services to the subdivision;
 - (e) soft landscaping of green spaces, including grasses, shrubs and trees, within the subdivision;
 - (f) undertaking any other project that the minister is satisfied:
 - (i) assists the municipality in the development of the subdivision; and
 - (ii) is in the public interest.
- (3) Subject to subsection 37(3), development projects that are not on the site of a subdivision and that are designed to accommodate the subdivision by upgrading or increasing the capacity of the following facilities, whether performed by the municipality or by a person other than a municipality, are eligible projects:
 - (a) water treatment plants;
 - (b) wastewater treatment facilities;
 - (c) solid waste management facilities, including landfills and recycling facilities.
- (3.1) Recreational infrastructure projects undertaken to meet the demand associated with growth in a community and surrounding area are eligible projects.
- (4) In the City of Lloydminster or the City of Flin Flon, Manitoba, only the following projects are eligible projects:
 - (a) in the case of the City of Lloydminster, a project that is undertaken with respect to or for the benefit of the Saskatchewan portion of the City of Lloydminster;
 - (b) in the case of the City of Flin Flon, Manitoba, a project that is undertaken with respect to or for the benefit of the boundary area as defined in *The Flin Flon Extension of Boundaries Act, 1952*.

Eligible costs

37(1) Eligible costs for the program include:

- (a) costs directly related to work completed on projects that are considered eligible projects pursuant to section 36, if those costs are the responsibility of the municipality;
 - (b) subject to subsection (2), direct costs incurred by a municipality that does its own development, including direct costs related to the use of the municipality's equipment, labour and engineering personnel;
 - (c) subject to subsection (3), engineering and survey costs directly related to expanding or upgrading the facilities listed in subsection 36(3); and
 - (d) any other costs that, in the opinion of the minister:
 - (i) assist municipalities in the development of a subdivision; and
 - (ii) are in the public interest.
- (2) For the purposes of clause (1)(b), the costs of wages, benefits and overhead costs associated with the ongoing operation, maintenance and administration of the municipality are not to be included in the calculation of the direct costs of a municipality that does its own development.
- (3) For the purposes of subsection 36(3) and clause (1)(c), only the costs that the municipality satisfies the minister are related to the growth of the municipality are eligible costs.
- (4) The equipment rental rates to be used in the calculation of eligible costs are those equipment rental rates that the minister considers reasonable.
- (5) Eligible costs do not include any costs that are not directly related to eligible projects listed in section 36 and, without limiting the generality of the foregoing, the following costs are not eligible costs:
- (a) land purchase and associated costs;
 - (b) if the subdivision will be developed by a person other than a municipality, survey and subdivision costs;
 - (c) costs of leasing property;
 - (d) costs of developing business cases, funding proposals or applications;
 - (e) legal fees;
 - (f) reimbursable GST;
 - (g) maintenance and administration costs; and
 - (h) any other costs that, in the opinion of the minister, are not in the public interest.
- (6) Notwithstanding any other provision of these regulations but subject to clause (5)(b), costs associated with project planning, surveying and engineering for eligible projects are eligible costs regardless of when those costs are incurred.

DIVISION 5

Program established

41 The Transit Assistance for People with Disabilities Program is established.

24 Jly 2009 cM-28.1 Reg 1 s41.

DIVISION 2
Application and Eligibility

Application

42 An eligible municipality that wishes to obtain a transit operating grant or a transit vehicle grant shall:

- (a) apply to the minister in the form provided by the minister and within the time set by the minister; and
- (b) provide any additional information in support of the application that the minister requires.

24 Jly 2009 cM-28.1 Reg 1 s42.

Transit operators

43 No transit operator is eligible for a transit operating grant or a transit vehicle grant, and any arrangement with respect to assistance for a transit operator must be made by agreement between an eligible municipality and its transit operator.

24 Jly 2009 cM-28.1 Reg 1 s43.

DIVISION 3
Transit Vehicle Grants

Transit vehicle grants

44(1) In this section, “**eligible costs**” means costs incurred for the acquisition of transit vehicles or for parts and labour for the addition of accessories to transit vehicles and includes any other costs that are considered reasonable and appropriate by the minister, but does not include costs related to:

- (a) municipal administration and overhead;
- (b) vehicle maintenance or repair; or
- (c) other operating expenses.

(2) Subject to subsection (3), the minister may make a transit vehicle grant to an eligible municipality of not more than 75% of the eligible municipality’s eligible costs in connection with the acquisition of, or the addition of accessories to, transit vehicles.

(3) For the purposes of calculating the amount of a transit vehicle grant pursuant to this section, an eligible municipality’s eligible costs are to be reduced by any amount received or to be received by the eligible municipality in the form of:

- (a) assistance from the Government of Canada; or
- (b) special assessments, charges or levies.

(4) If an eligible municipality applies for a transit vehicle grant pursuant to this section, the eligible municipality shall:

- (a) unless the minister determines otherwise, make its application to the minister before making commitments with respect to the acquisition of, or addition of accessories to, transit vehicles;
- (b) ensure that the transit vehicles are owned or are to be owned by the eligible municipality;
- (c) provide any information that the minister requires concerning financial and other arrangements for the continuing operation, maintenance and licensing of the transit vehicles; and
- (d) unless the minister is satisfied with another arrangement, put out to public or invitational tender all contracts for the acquisition of, or addition of accessories to, the transit vehicles.

(5) Before making a transit vehicle grant pursuant to this section, the minister must be satisfied that the transit vehicle accessories for which the transit vehicle grant is to be made are specialized equipment intended:

- (a) to serve the needs of persons with disabilities or who are unable to use the public transit system by reason of a disability; or
- (b) to improve the efficiency of the eligible municipality’s transit system.

(6) If transit vehicles for which a transit vehicle grant is made pursuant to this section are used in providing a contract service:

- (a) the fees charged to users of the contract service are not to include any amount for depreciation for that part of the cost of the vehicles covered by the transit vehicle grant; and
- (b) any depreciation reserves previously accumulated as a result of building in a depreciation factor in fees charged to users of a contract service are to be assigned to the eligible municipality to be used as part of the eligible municipality's share of costs relating to transit vehicles.

24 Jly 2009 cM-28.1 Reg 1 s44; 20 Jne 2014 SR
54/2014 s6.

Five-year plans

45 If an eligible municipality applies for a transit vehicle grant pursuant to section 44, the eligible municipality, when required to do so by the minister, shall submit annually to the minister a five-year plan, in a form satisfactory to the minister, setting out all anticipated expenditures for the acquisition of, and the addition of accessories to, transit vehicles.

24 Jly 2009 cM-28.1 Reg 1 s45.

DIVISION 4
Transit Operating Grants

Transit operating grants

46 The minister may make an annual transit operating grant to each eligible municipality an amount that is not more than:

- (a) if the population of the eligible municipality is 2,500 or less, the base amount per trip multiplied by the number of public service trips made by or on behalf of that eligible municipality in the previous calendar year;
- (b) if the population of the eligible municipality is 2,501 to 20,000, the base amount per trip multiplied by 1.33 multiplied by the number of public service trips made by or on behalf of that eligible municipality in the previous calendar year;
- (c) if the population of the eligible municipality is 20,001 to 100,000, the base amount per trip multiplied by 2.00 multiplied by the number of public service trips made by or on behalf of that eligible municipality in the previous calendar year; or
- (d) if the population of the eligible municipality is 100,001 or more, the base amount per trip multiplied by 2.67 multiplied by the number of public service trips made by or on behalf of that eligible municipality in the previous calendar year.

24 Jly 2009 cM-28.1 Reg 1 s46.

Standards of operation

47(1) If the minister makes a transit operating grant to an eligible municipality, the minister may, in consultation with the eligible municipality, establish standards for the operation of the eligible municipality's transit system and the eligible municipality must comply with those standards.

(2) If no standards are set by a process of consultation in accordance with subsection (1), the eligible municipality's transit system must include:

- (a) service for each passenger from the trip origin to the trip destination according to passenger needs and the policies of the municipality;
- (b) adequate safety and specialized equipment, including:
 - (i) tie-downs for all wheelchairs;
 - (ii) seat belts for all passengers;
 - (iii) ramps or lifts on all transit vehicles that serve passengers seated in wheelchairs;
 - (iv) heating systems capable of maintaining comfortable temperatures in the passenger area; and
 - (v) any other measure that a reasonably prudent person would consider necessary in a transportation service for persons with disabilities or who are unable to use the fixed-route public transit system by reason of a disability;
- (c) the provision of drivers who are:
 - (i) appropriately trained and licensed; and
 - (ii) able to provide assistance for passengers at points of origin and destination;
- (d) a reasonable, equitable and uniform fare structure, as approved by the minister; and
- (e) arrangements by the eligible municipality with respect to frequency and hours of service, pre-booking, eligibility for service, availability of contract service and any other matter determined by the minister from time to time, with those arrangements subject to the prior approval of the minister.

DIVISION 5

General Matters re Transit Operating Grants and Transit Vehicle Grants**Terms of transit operating grants and transit vehicle grants**

48 If an eligible municipality receives a transit vehicle grant or a transit operating grant pursuant to this Part, the eligible municipality shall:

- (a) at the request of the minister and at the eligible municipality's expense, provide to the minister an audited statement of operations, ridership, and incurred costs and revenues related to the eligible municipality's transit system and transit vehicles;
- (b) agree to participate with the minister from time to time in publicity regarding transit operating grants and transit vehicle grants; and
- (c) be responsible for:
 - (i) obtaining any necessary approvals or licences for the operation of, or work to be undertaken in connection with, the eligible municipality's transit system;
 - (ii) obtaining any supplementary funding that may be required;
 - (iii) meeting all required safety standards; and
 - (iv) maintaining insurance related to the transit system.

24 Jly 2009 cM-28.1 Reg 1 s48.

PART V

Infrastructure Project Grants**Infrastructure project grants**

49(1) In this section:

- (a) **“infrastructure project”** means a capital project relating to streets, roads, sidewalks, bridges, water and wastewater systems, solid waste management, recreation and sport, environmental sustainability, culture and tourism and any other capital project that the minister is satisfied:
 - (i) will assist a municipality; and
 - (ii) is in the public interest;
 - (b) **“infrastructure project grant”** means a grant paid pursuant to this section.
- (2) A municipality that wishes to obtain an infrastructure project grant shall apply in writing to the minister.
- (3) In an application made pursuant to subsection (2), the municipality shall:
- (a) identify the infrastructure projects to be funded through an infrastructure project grant and the costs of each infrastructure project; and
 - (b) provide the minister with any additional information that the minister may require.

- (4) Subject to subsections (5) and (6), if the minister is satisfied that a municipality's application made pursuant to subsection (2) is complete and meets the requirements of this section and that the costs of the infrastructure projects identified in the application are reasonable, the minister may make an infrastructure project grant to the municipality.
- (5) The maximum amount of an infrastructure project grant that may be paid to a municipality is the total cost of the infrastructure projects as identified in the municipality's application.
- (6) Before an infrastructure project grant may be paid to a municipality, the municipality shall enter into an agreement with the minister in which the municipality undertakes:
- (a) to use the infrastructure project grant only for:
 - (i) the infrastructure projects that are identified in the municipality's application for the grant; or
 - (ii) any other infrastructure project that the municipality advises the minister of and that the minister agrees to in writing; and
 - (b) to provide the minister with any reports and information respecting the infrastructure projects mentioned in clause (a) at the times the minister may require.
- (7) For the purposes of section 4 of the Act, any person, agency, organization, association, institution or body may apply to the minister pursuant to this section for an infrastructure project grant for the purposes of building, maintaining or operating municipal infrastructure.
- (8) Subsections (2) to (6) apply, with any necessary modification, to any person, agency, organization, association, institution or body that makes an application pursuant to subsection (7) and to the application.
