CHAPTER 48

An Act to validate a Certain Agreement with regard to the Lady Minto
Union Hospital at Edam

(Assented to March 10, 1917)

Preamble

WHEREAS *The Hospital Act*, being chapter 12 of the statutes of 1916, enacted among other things that any two or more contiguous municipalities might co-operate in establishing a union hospital in accordance with its provisions, and that an agreement for the purpose was to become operative when bylaws of the respective municipalities concerned approving same had been passed with the assent of a majority of the electors voting thereon; and

Whereas The Rural Municipality of Turtle River No. 469, The Rural Municipality of Parkdale No. 498, and the village municipality of Edam, on the twenty-third day of August, 1916, entered into an agreement to co-operate in establishing a union hospital and providing for a joint expenditure of \$12,000 as therein apportioned; and

Whereas certain of the bylaws required by said Act to be passed by the co-operating municipalities were erroneously passed prior to the date of said agreement, and consequently contained no approval of its terms as required by the Act; and

Whereas it is expedient that all proceedings taken and expenditures made by the said municipalities in connection with such hospital should, notwithstanding any defects or irregularities in form or substance, and any irregularities of procedure or the absence of necessary steps to be taken, be ratified, approved and confirmed; and

Whereas, by estimates furnished to the hospital authorities, it appears that the construction and equipment of the hospital will require the expenditure of an additional \$3,000, and it is expedient to provide for raising the said sum under the same terms and conditions as the amount provided by the said agreement:

Therefore His Majesty by and with the advice and consent of the Legislative Assembly of Saskatchewan enacts as follows:

Agreement confirmed

1 The agreement made between The Rural Municipality of Turtle River No. 469, The Rural Municipality of Parkdale No. 498, and the village municipality of Edam, on the twenty-third day of August, 1916, for co-operating in establishing a union hospital, and providing for a joint expenditure of \$12,000, is hereby ratified and confirmed, and declared to be and to have been valid and binding upon the said municipalities and the ratepayers thereof; and all acts done, expenditures made and proceedings taken thereunder or by virtue thereof are and shall be valid and effectual, notwithstanding any defect in form or substance or the want of form or substance in such agreement or in the necessary bylaws or other preliminary or subsequent proceedings connected therewith.

Additional amount to be raised

2 The co-operating municipalities shall raise for the construction and equipment of the hospital an additional sum of \$3,000, and for that purpose the agreement above mentioned shall be construed as providing for an expenditure of such additional sum to be divided among the co-operating municipalities in the same proportions as the original amount of \$12,000, and shall be binding upon the same municipalities and the ratepayers thereof in all respects as if it had originally provided for a joint expenditure of \$15,000, apportioned in the same manner as the original amount is apportioned; and all the terms of the said agreement and the obligations and liabilities arising therefrom or thereunder, or imposed by this Act, shall attach in respect of the said additional sum of \$3,000 in all respects as they attach in respect of the amount provided by the agreement.

1917, c.48, s.2.

Debentures

3 The council of each municipality may issue debentures to meet its share of the cost of the work as apportioned by the said agreement, and for that purpose may pass the necessary bylaws to provide therefor.

1917, c.48, s.3.

Bylaws not to be voted

4 Such bylaws shall be passed under the provisions of the various Acts applicable to the several co-operating municipalities, except that they shall not be submitted for the approval of the electors entitled to vote on money bylaws, and the provisions of the various municipal Acts with regard to submissions shall not apply.

1917, c.48, s.4.

Annual levy

5 Each of the above municipalities shall levy annually upon all the rateable property within its limits a rate sufficient to provide for the municipality's share of the expense of operation, maintenance and repairs and also for the instalments of combined principal and interest, payable in respect of any debentures issued hereunder.

1917, c.48, s.5.

Acts to apply

6 The provisions of any statute in force from time to time with regard to union hospitals shall apply to the above hospital in so far as applicable and not inconsistent herewith.

1917, c.48, s.6.
