As members of council, we recognize that our actions have an impact on the lives of all residents and property owners in the community. Fulfilling our obligations and discharging our duties responsibly requires a commitment to the highest ethical standards.

The quality of the public administration and governance of the city of _____, as well as its reputation and integrity, depends on our conduct as elected officials.

Purpose and Interpretation

The purpose of this code is to outline basic ethical standards and values for members of council. It is to be used to guide members of council respecting what their obligations are when fulfilling their duties and responsibilities as elected officials.

This code is to be interpreted in accordance with the legislation applicable to the municipality, the common law and the policies and bylaws of the municipality.

Neither the law nor this code is to be interpreted as exhaustive, and there will be occasions on which a council will find it necessary to adopt additional rules of conduct in order to protect the public interest and to enhance the public confidence and trust in local government.

It is the responsibility of each member of council to uphold the standards and values set out in this code.

Standards and Values**a. *Honesty***

Members of council shall be truthful and open in their roles as council members and as members of the communities they serve.

They shall not use derogatory language towards others, shall respect the rights of other people and groups, shall treat people with courtesy and shall recognize the importance of the different roles others play in local government decision making.

d. Transparency and Accountability

Members of council shall endeavour to conduct and convey council business and all their duties in an open and transparent manner, other than those discussions that are authorized to be dealt with in a confidential manner in closed session, so that stakeholders can view the process and rationale used to reach decisions and the reasons for taking certain actions.

Members of council are responsible for the decisions that they make. This responsibility includes acts of commission and acts of omission.

e. Confidentiality

Members of council shall refrain from disclosing or releasing any confidential information acquired by virtue of their office except when required by law or authorized by council to do so. A member shall strive, by focussing on issues important to the community and demonstrating leadership, to build and inspire the public's trust and confidence in local government.

Members of council are expected to perform their duties in a manner that will bear close public scrutiny and shall not provide the potential or opportunity for personal benefit, wrongdoing or unethical conduct.

g. Responsibility
