Further deposit where securities decline

66(1) If the market value of any of the securities which have been deposited by an insurer declines below the value at which they were deposited, the minister may from time to time call upon the insurer to make a further deposit so that the market value of all the securities deposited by the insurer shall be equal to the amount which it is required to deposit by this Act.

(2) Notwithstanding anything herein contained, the minister may at his discretion place a value upon any securities which have been deposited by an insurer, and may certify the value at which such deposit will be accepted.

Withdrawal of deposit

69(1) An insurer having made a deposit under this Act shall be entitled to withdraw the same, with the sanction of the minister, whenever it is made to appear to him that the insurer is registered and holds a certificate of registry under *The Insurance Act (Canada)*, or has made a reciprocal deposit under section 76 of this Act.

(2) If at any time it appears that an insurer has on deposit with the minister under this Act a sum in excess of the prescribed amount, the minister, upon being satisfied that the interest of the insured policy holders in this province will not be prejudiced thereby, and upon giving such notice in the *Gazette* and taking such other precautions as he deems expedient, may authorize the withdrawal of the amount of such excess or such portion thereof as he deems advisable. The minister may authorize such withdrawal without giving notice.

R.S.S. 1930, c.101, s.67; 1933, c.22, s.8; R.S.S. 1940, c.121, s.69.

Interest upon deposit

70 Except in cases in respect to which it may be otherwise provided by the minister, so long as an insurer's deposit is unimpaired and no notice of any final judgment or order to the contrary is served upon him, the interest upon securities forming a deposit shall be handed over to the insurer when received by him.

R.S.S. 1930, c.101, s.68; R.S.S. 1940, c.121, s.70.

Insufficiency of security voids licence

71(1) Where an insurer fails to make the deposits under this Act at the time required, or where written notice has been served on the superintendent of an undisputed claim arising from loss insured against in Saskatchewan remaining unpaid for the space of sixty days after being due or of a disputed claim after final judgment in the regular course of law and tender of a legal valid discharge being unpaid, so that the amount of securities representing the deposit of the insurer is liable to be reduced by sale of any portion thereof for the satisfaction of such claims, the licence of the insurer shall *ipso facto* be null and void and shall be deemed to be cancelled.

(2) The licence may in the two last mentioned cases be renewed and the insurer may again transact business if, within six months after notice to the superintendent of the insurer's failure to pay an undisputed claim or the amount of a final judgment as provided in this section, such undisputed claim or final judgment upon or against the insurer in Saskatchewan is paid and satisfied and the insurer's deposit is no longer liable to be reduced below the amount required by this Act.

R.S.S. 1930, c.101, s.69; R.S.S. 1940, c.121, s.71.

Return of deposit on ceasing to do business

72(1) An insurer which has ceased to transact business in Saskatchewan and desires to obtain a return of its deposit may give written notice to that effect to the superintendent, and shall publish in the *Gazette* a notice that it has applied to the Lieutenant Governor in Council for the return of its deposit, calling upon all claimants, contingent or actual, who object to the return to file their objections with the superintendent on or before a day named in the notice, which shall not be less than three months after the first publication of it.

(2) Upon giving the notice to the superintendent the insurer shall file with him a list of all its outstanding contracts of insurance, including contracts in respect of which claims have accrued.

(3) After the day named in the notice, if the minister is satisfied that the insurer has obtained a discharge of all such outstanding contracts, the Lieutenant Governor in Council may direct that the deposit be returned.

(4) If the minister is not satisfied that all such contracts have been discharged the Lieutenant Governor in Council may direct that a sufficient amount be retained to meet the contracts unprovided for and that the remainder of the deposit be returned, and thereafter from time to time as such contracts lapse or proof is adduced that they have been satisfied further return of the deposit may be directed by the Lieutenant Governor in Council.

(5) The onus of proof that all claimants have been properly and fairly satisfied or paid shall in all cases rest on the insurer, and the minister shall be the absolute and final judge as to whether or not such claimants have been properly or fairly satisfied or paid. All costs in connection with advertising and in connection with proving that all such claimants have been paid or satisfied shall be borne by the insurer and if necessary deducted from the deposit in the hands of the minister.

(6) The minister may at his option pay any claimants who file claims after the expiration of the time stated in the above mentioned advertised notice in the *Gazette*.

(7) Before the release of securities as hereinbefore mentioned, the insurer shall prove to the satisfaction of the minister that all fees or taxes payable to the Government of the province have been fully paid, such fees or taxes to be a first lien on all such deposits.

(8) Where the deposit is, by virtue of reciprocal legislation in another province, held for the benefit of policy holders resident in such province, the notice mentioned in subsection (1) shall also be given to the Superintendent of Insurance or minister in charge of the Department of Insurance in that province and shall be published in the official gazette of that province.

73(1) Where a licensed insurer, hereinafter called the continuing insurer, has, by purchase or otherwise, acquired the assets and assumed the liabilities, within Saskatchewan, of another licensed insurer, hereinafter called discontinuing insurer, or reinsured all the contracts of a discontinuing insurer outstanding within Saskatchewan, the Lieutenant Governor in Council may, upon the application of the continuing insurer, and upon the report of the superintendent, direct the transfer of the deposit held by the minister under the provisions of this Act in the name of the discontinuing insurer to the continuing insurer.

(2) In such case the deposit so transferred shall thereafter be treated and dealt with under the provisions of this Act in the same manner as though it had been originally deposited by the continuing insurer.

RECIPROCAL DEPOSITS

Meaning of “contracts” under and application of ss. 74 to 76

74(1) In sections 75 and 76 the expression “**contracts**” shall, in relation to any other province of the Dominion, have the meaning assigned to it by the Act of that province under which insurers are licensed to carry on the business of insurance.

(2) This section and sections 75 and 76 shall be applicable notwithstanding that the insurer is or may become licensed in one province for classes of insurance different from those for which it is or may become licensed in another province.

R.S.S. 1930, c.101, s.72; R.S.S. 1940, c.121, s.74.

Sole deposit of insurer in this province

75(1) Where an insurer has its head office for the Dominion in this province and makes a deposit under this Act for the purposes of this section, by virtue whereof the insurer will not be required to make a deposit in another province in which it is or may become licensed to undertake insurance, the following provisions shall have effect, and to the extent that they are inconsistent with any other provision of this Act shall prevail over that provision, namely:

- (a) the amount of the deposit to be made and maintained by the insurer shall be fixed by the Lieutenant Governor in Council, and shall be not less than \$50,000;

- (b) the deposit shall be held and administered as security *pari passu* for its contracts in this province, and its contracts in any other province where it is or may become licensed to undertake insurance, and as security also for all fees, taxes, and costs payable by it to this and any other province;
- (c) the minister shall, upon the request of the official who issues or proposes to issue a licence to the insurer in another province, certify under his hand that the deposit is held in manner provided by clause (b), and the superintendent shall forward the certificate to that official and a copy to the Superintendent of Insurance in each province;
- (d) where, with respect to the outstanding contracts of the insurer, it appears to the superintendent from the annual report of such insurer or any examination of the affairs of the insurer that a further deposit for the purposes of this section is necessary, or where it appears to the Superintendent of Insurance for another province in which the insurer is licensed from any annual report made to him by the insurer or any examination of the affairs of the insurer that a further deposit for the purposes of this section is necessary, and such superintendent requests the superintendent to obtain a further deposit, the insurer shall forthwith deposit such further sum as the Lieutenant Governor in Council may fix;
- (e) if the insurer obtains a Dominion licence extending to this or another province, the minister may, on the request of the insurer, authorize the superintendent to deliver to the insurer or to transfer to the Minister of Finance for the Dominion the whole or part of such deposit as the minister thinks fit, having regard to the extent of the Dominion licence;
- (f) where the licence of the insurer is suspended or cancelled under this Act, the superintendent shall give immediate notice to the Superintendent of Insurance in each province;
- (g) where the insurer ceases to carry on insurance business in the Dominion, and its deposit may be withdrawn under this Act, or where its deposit becomes liable to administration under this Act, the superintendent shall notify the Superintendent of Insurance in each province, and all claims and liabilities arising in any such province shall be verified by the Superintendent of Insurance there and a statement thereof communicated to the superintendent;
- (h) where the insurer withdraws from, or its licence is suspended or cancelled in, or its deposit becomes liable to administration under the law of another province and notice thereof is given to the superintendent, the minister and the superintendent shall, upon request of the Superintendent of Insurance in that province, take such steps as would be taken if the insurer were withdrawing from, or its licence were suspended or cancelled in, or its deposit had become liable to administration in this province, and all claims and liabilities arising in that province shall be verified by the Superintendent of Insurance there and a statement thereof communicated to the superintendent.
- (2) The insurer shall not change the situation of its head office to another province without the consent of the minister, but where the minister so consents he may authorize the superintendent to transfer the insurer's deposit to the minister responsible for the deposit in that province, or to the insurer, as the minister in that province requests.

Sole deposit of insurer in another province

76(1) Where the insurer has its head office for the Dominion in another province and there makes a deposit of such amount as is fixed by the proper authority in that province, and which shall be not less than \$50,000, and such deposit is under the laws of that province held as security *pari passu* for its contracts in that province and its contracts in this and any other province where it is or may become licensed to undertake insurance, and as security also for all fees, taxes, and costs payable by it to each province, the minister, upon receipt of a certificate from the minister of that province responsible for the deposit that the deposit is and will be so held as aforesaid, and of the consent of the insurer to its being so held, shall exempt the insurer from the provisions of this Act requiring it to make and maintain a deposit.

(2) Where the deposit of the insurer becomes liable to administration for the purpose of satisfying its claims and liabilities arising in this province, the superintendent shall, by notice in the *Gazette* or otherwise at the cost of the insurer, ascertain and advertise for particulars of all outstanding contracts of and claims against the insurer, verified in such manner as may seem advisable to him, and shall upon receipt of the same, properly verified, communicate a statement thereof to the Superintendent of Insurance for the province holding the deposit, with particulars of any other liabilities for which the deposit is held as security.

(3) Where a licensed insurer is exempted under this section, the minister shall transfer its deposit under this Act to the minister responsible for the deposit in the province in which the insurer has its head office and which will hold the deposit, or to the insurer, as that minister requests.

(4) Every provision of this section shall prevail over any other provision of this Act to the extent that it is inconsistent with such other provision.

- (2) A renewal of such policy shall be lodged with the mortgagee or vendor or a policy in accordance with the provisions of subsection (1) substituted therefor, in either case, at least ten days before the expiry of the subsisting policy.

(3) Where a contract of fire insurance is required to be given as collateral security to a mortgage or an agreement for sale on property other than farm property, any term or condition requiring the mortgagor or purchaser to insure the property shall be sufficiently satisfied:

(a) in case the amount of insurance in its relation to the value of the property to be insured is \$3,000 or less, by the production by the mortgagor or purchaser of a policy of insurance issued in accordance with the provisions of subsections (1) and (2); or

(b) in case the amount of insurance in its relation to the value of the property to be insured is in excess of \$3,000, by the production by the mortgagor or purchaser at least ten days before the mortgage period is to begin running or before the expiry of a subsisting policy, of a policy of fire insurance to an amount agreed upon and with a satisfactory limitation of liability under the policy, issued by any one or more of at least ten companies which are approved by the mortgagee or vendor and such approval notified to the mortgagor or purchaser at his request at least fifteen days before the mortgage or agreement for sale is to begin running or before the expiry of the subsisting policy, the premium having been paid or satisfactory evidence of payment having been given by the insurer or his agent.

(4) If the mortgagee or vendor fails or refuses to notify the mortgagor or purchaser of the names of the companies as herein required, the mortgagor or purchaser may insure the property with any licensed insurer which has been transacting the business of fire insurance for at least five years and shall not be liable to pay or reimburse the premium on any insurance placed upon the property by the mortgagee or vendor.

(5) In the policy produced under the provisions of subsections (1), (2) and (3) the mortgagee or vendor shall be named therein as payee by assignment, indorsement or otherwise but such mortgagee or vendor shall have the right to require, in addition, that an indorsement be attached to the policy by the insurer evidencing:

(a) that no act or default of the insured before or after the production of the policy in violation of the law or of the terms of the policy shall prejudice the right of the mortgagee or vendor to recover his interest under the policy or be available to the insurer as a defence to any action by the mortgagee or vendor; and

(b) that whenever the insurer shall pay to the mortgagee or vendor any sum for loss under the policy and shall claim that as to the insured no liability therefor existed, the insurer shall at once be legally subrogated to all rights of the mortgagee or vendor under all securities held as collateral to the mortgage debt or balance of purchase money owing, to the extent of such payment; or at its option the insurer may pay to the mortgagee or vendor the whole amount owing him secured by his mortgage or agreement of sale, and shall thereupon receive a full assignment and transfer of the mortgage or agreement of sale, and all other securities held as collateral thereto; but no such subrogation shall impair the rights of the mortgagee or vendor to recover in priority the full amount of his claim.

(6) In case the mortgagor or purchaser has not placed the insurance agreed upon on the property, whether farm or otherwise, and has not lodged the policy with the mortgagee or vendor at least ten days before the mortgage period is to begin running, or, where there is a subsisting policy, has not renewed same or has not substituted another policy with the mortgagee or vendor at least ten days before the expiry date of the subsisting policy in accordance with the provisions of this section, the mortgagee or vendor may insure the property to the amount agreed upon with any licensed insurer.

(7) Where the contract of insurance has been placed by the mortgagee in accordance with the provisions of this section, a copy of the description of the property insured given in the contract together with the amount of insurance placed upon each item shall forthwith be given to the mortgagor.

(8) This section shall have effect notwithstanding any agreement, condition or stipulation to the contrary.

Vacancy

(d) when the building insured or containing the property insured is, to the knowledge of the insured, vacant or unoccupied for more than thirty consecutive days or, being a manufacturing establishment, ceases to be operated and continues out of operation for more than thirty consecutive days.

Explosion and lightning

6. The insurer will make good loss or damage caused by lightning or by the explosion of coal or natural gas in a building not forming part of gas works, whether fire ensues therefrom or not; and loss or damage by fire caused by any other explosion; but, if electrical appliances or devices are insured, any loss or damage to them caused by lightning or other electrical currents is excluded and the insurer shall be liable only for such loss or damage to them as may occur from fire originating outside the article itself.

Material change

7. Any change material to the risk, and within the control and knowledge of the insured, shall avoid the policy as to the part affected thereby, unless the change is promptly notified in writing to the insurer or its local agent; and the insurer when so notified may return the unearned portion, if any, of the premium paid, and cancel the policy, or may notify the insured in writing that, if he desires the policy to continue in force, he must within fifteen days of the receipt of the notice pay to the insurer an additional premium, and in default of such payment the policy shall no longer be in force and the insurer shall return the unearned portion, if any, of the premium paid.

Other insurance

8. (a) If the insured has at the date of this policy any other insurance on property covered thereby which is not disclosed to the insurer, or hereafter effects any other insurance thereon without the written assent of the insurer, he shall not be entitled to recover more than 60 per cent. of the loss in respect of such property; but if for any fraudulent purpose the insured does not disclose such other insurance, this policy shall be void;

(b) The insurer shall be deemed to have assented to such other insurance unless it dissents by notice in writing within two weeks after notice thereof;

(c) In the event of there being any other insurance on property herein described at the time of the happening of a loss in respect thereof, the insurer shall be liable only for payment of a rateable proportion of the loss or a rateable proportion of such amounts as the insured shall be entitled to recover under clause (a) of this condition.

Mortgagees and other payees

9. Where the loss, if any, under a policy has, with the consent of the insurer, been made payable to some person other than the insured, the policy shall not be cancelled or altered by the insurer to the prejudice of such person without reasonable notice to him.

Termination of insurance

10(1) The insurance may be terminated:

(a) subject to the provisions of condition 9, by the insurer giving to the insured at any time fifteen days' notice of cancellation by registered mail, or five days' notice of cancellation personally delivered, and, if the insurance is on the cash plan, refunding the excess of premium actually paid by the insured beyond the *pro rata* premium for the expired time;

(b) if on the cash plan, by the insured giving written notice of termination to the insurer, in which case the insurer shall, upon surrender of this policy, refund the excess of premium actually paid by the insured beyond the customary short rate for the expired time.

Excess premium

(2) Repayment of the excess premium may be made by money, post office order or postal note or by cheque payable at par and certified by a chartered bank doing business in the province. If the notice is given by registered letter, such repayment shall accompany the notice, and in such case the fifteen days mentioned in clause (a) of this condition shall commence to run from the day following the receipt of the registered letter at the post office to which it is addressed.

Salvage

11. After loss or damage to insured property, it shall be the duty of the insured, when and as soon as practicable, to secure the insured property from further damage, and to separate as far as reasonably may be the damaged from the undamaged property, and to notify the insurer of the separation.

Insurance on goods moved

12. If any of the insured property is necessarily removed to prevent damage or further damage thereto, that part of the insurance under this policy which exceeds the amount of the insurer's liability for any loss already incurred shall for seven days only, or for the unexpired term if less than seven days, cover the property removed, and any property remaining in the original location in the proportions which the value of the property in the respective locations bears to the value of the property in them all; and the insurer will contribute *pro rata* towards any loss or expense connected with such act of salvage, according to the respective interests of the parties.

Entry, control, abandonment

13. After loss or damage to insured property, the insurer shall have an immediate right of access and entry by accredited agents sufficient to enable them to survey and examine the property, and to make an estimate of the loss or damage, and, after the insured has secured the property, a further right of access and entry sufficient to enable them to make an appraisal or particular estimate of the loss or damage, but the insurer shall not be entitled to the control or possession of the insured property, or the remains or salvage thereof, unless it accepts a part thereof at its agreed value or its value as ascertained according to condition 17 or undertakes replacement under condition 19, and without the consent of the insurer there can be no abandonment to it of insured property.

Who to make proof

14. Proof of loss must be made by the insured although the loss is payable to a third person, except that, in case of the absence of the insured or his inability to make the same, proof may be made by his agent, such absence or inability being satisfactorily accounted for, or in the like case or if the insured refuse to do so, by a person to whom any part of the insurance money is payable.

Requirements after loss

15. Any person entitled to claim under this policy shall:
- (a) forthwith after loss give notice in writing to the insurer;
 - (b) deliver, as soon thereafter as practicable, a particular account of the loss;
 - (c) furnish therewith a statutory declaration declaring:
 - (i) that the account is just and true;
 - (ii) when and how the loss occurred, and if caused by fire, how the fire originated, so far as the declarant knows or believes;
 - (iii) that the loss did not occur through any willful act or neglect or the procurement, means or connivance of the insured;
 - (iv) the amount of other insurances, and names of other insurers;
 - (v) all liens and incumbrances on the property insured;
 - (vi) the place where the property insured, if moveable, was deposited at the time of the fire;

(d) if required and if practicable, produce books of account, warehouse receipts and stock lists, and furnish invoices and other vouchers verified by statutory declaration, and furnish a copy of the written portion of any other policy. The evidence furnished under this clause shall not be considered proofs of loss within the meaning of conditions 18 and 19.

Fraud

16. Any fraud or wilfully false statement in a statutory declaration, in relation to any of the above particulars, shall vitiate the claim of the person making the declaration.

Arbitration

17. If any difference arises as to the value of the property insured, the property saved, or the amount of the loss, such value and amount and the proportion thereof, if any, to be paid by the insurer shall, whether the right to recover on the policy is disputed or not, and independently of all other questions, be submitted to the arbitration of some person to be chosen by both parties, or if they cannot agree on one person, then to two persons, one to be chosen by the insured and the other by the insurer, and a third to be appointed by the persons so chosen, or on their failing to agree, then by a judge of the county or district court of the county or district in which the loss has happened; and such reference shall be subject to the provisions of *The Arbitration Act*, and the award shall, if the insurer is in other respects liable, be conclusive as to the amount of the loss and the proportion to be paid by the insurer; where the full amount of the claim is awarded the costs shall follow the event; and in other cases all questions of costs shall be in the discretion of the arbitrators.

When loss payable

18. The loss shall be payable within sixty days after completion of the proofs of loss, unless the contract provides for a shorter period.

Replacement

19. The insurer, instead of making payment, may repair, rebuild or replace the property damaged or lost, giving written notice of its intention so to do within fifteen days after receipt of the proofs of loss. In such event the insurer shall commence to so repair, rebuild, or replace the property within thirty days after receipt of the proofs of loss and shall thereafter proceed with all due diligence to the completion thereof.

Action

20. Every action or proceeding against the insurer for the recovery of any claim under or by virtue of this policy shall be absolutely barred unless commenced within one year next after the loss or damage occurs.

Agency

21. Any officer or agent of the insurer who assumes on behalf of the insurer to enter into a written agreement relating to any matter connected with the insurance shall be deemed *prima facie* to be the agent of the insurer for the purpose.

Waiver

22. No condition of this policy shall be deemed to have been waived by the insurer, either in whole or in part, unless the waiver is clearly expressed in writing signed by an agent of the insurer.

Notice

23. Any written notice to the insurer may be delivered at or sent by registered post to the chief agency or head office of the insurer in the province or delivered or so sent to an authorized agent of the insurer therein. Written notice may be given to the insured by letter personally delivered to him or by registered letter addressed to him at his last post office address notified to the insurer, or, where no address is notified and the address is not known, addressed to him at the post office of the agency, if any, from which the application was received.

Subrogation

24. The insurer may require from the insured an assignment of all right of recovery against any other party for loss or damage to the extent that payment therefor is made by the insurer.

Co-insurance clause

150 A policy may contain a co-insurance clause, in which case it shall have printed or stamped upon its face in conspicuous type and in red ink the words: "This policy contains a co-insurance clause", and unless those words are so printed or stamped such clause shall not be binding upon the insured. Such clause shall not be deemed a variation of any statutory condition.

- (a) to the effect that the insurer shall only be liable for a specified proportion of any loss which may be sustained to any of the property covered by the policy; or
- (b) to the effect that the insurer shall not be liable for more than a specified percentage of the value of any of the said property at the time of the loss; or
- (c) in the event of there being any other insurance covering any of the property, to the effect:
 - (i) that the insurer shall only be liable for a rateable proportion of a specified percentage or proportion of any loss to any of the property; or
 - (ii) that the insurer shall not be liable for more than a rateable proportion of a specified percentage of the value of any of the property at the time of the loss; or
- (d) to the effect that the insurer shall only be liable for a specified percentage of any loss, or, in the event of there being other insurance covering any of the property, for a specified percentage of its rateable proportion of any loss, but, upon the fulfilment by the insured of certain specified stipulations or agreements, shall be liable for a further specified percentage of the loss, or, in the event of there being other insurance covering any of the property, for a further specified percentage of its rateable percentage of the loss; but no such stipulation or agreement shall be binding upon the insured unless it is clearly set forth in a written application for the insurance signed by the applicant;

and every policy which contains any clause to the above effect shall have printed or stamped on the face of it in conspicuous type and in red ink, the following words: "This policy contains a limitation of liability clause (*or clauses*)".

(2) No such clause shall be deemed to be a variation of any statutory condition.

R.S.S. 1930, c.101, s.149; R.S.S. 1940, c.121, s.152.

Relief from forfeiture

153 In any case where there has been imperfect compliance with a statutory condition as to the proof of loss to be given by the insured and a consequent forfeiture or avoidance of the insurance, in whole or in part, and the court deems it inequitable that the insurance should be forfeited or avoided on that ground, the court may relieve against the forfeiture or avoidance on such terms as may seem just.

R.S.S. 1930, c.101, s.150; R.S.S. 1940, c.121, s.153.

Special stipulations

154(1) Where the rate of premium is affected or modified by the user, condition, location, or maintenance of the insured property, the policy may contain a clause not inconsistent with any statutory condition setting forth any stipulation in respect of such user, condition, location, or maintenance, and such clause shall not be deemed a variation of any statutory condition. Such clause shall be binding on the insured only in so far as it is held by the court before which a question relating thereto is tried to be just and reasonable.

(2) The insurer and the insured instead of proceeding by arbitration under statutory condition 17, may at any time after the loss or damage make a joint survey, examination, estimate or appraisal of the loss or damage, in which case the insurer shall be deemed to have waived all right to make a separate survey, examination, estimate or appraisal thereof.

159 A contract is deemed to be made in the province:

- (a) if the place of residence of the insured is stated in the application or the policy to be in the province; or

(2) Every policy shall state the period of grace within which the premiums may be paid and the terms and conditions upon which the policy may, if it shall lapse, be reinstated, and shall indicate the amount, if any, of cash surrender or loan value and the options, if any, of the insured as to paid up or extended insurance respectively provided by the policy.

(3) Every policy shall further indicate whether or not it will participate in any surplus or profits which may be declared.

(4) Every policy which includes disability insurance shall further state what notice of the disablement of the insured shall be given to the insurer.

Provision for repayment of certain expenses incurred for insured

162 Where the amount of insurance money, exclusive of dividends and bonus, does not exceed \$2,000, the policy, notwithstanding that it is expressed to be payable to a named or designated beneficiary, may provide that the insurance money may be paid to any relative by blood or connection by marriage of the insured or any other person appearing to the insurer to be equitably entitled to the same by reason of having incurred expense for the maintenance, medical attendance or burial of the insured or to have a claim against the estate of the insured in relation thereto.

R.S.S. 1930, c.101, s.158(2); 1936, c.34, s.4;

(2) Subsection (1) shall not apply to an alteration or modification of the contract agreed upon in writing by the insurer and the insured after the issue of the policy.

(3) In the case of a contract of insurance made by a fraternal society, the policy, the Act or instrument of incorporation of the society, its constitution and laws and the amendments validly made thereto, and the application for the contract and medical examination of the applicant as signed by him shall constitute the contract between the society and its member.

1940, c.121, s.163.

Disclosure and misrepresentation of material facts

164(1) The applicant for a contract and the person whose life is to be insured shall each disclose to the insurer in the application for the contract, on the medical examination, if any, or in any statements or answers furnished in lieu of a medical examination, every fact within his knowledge which is material to the contract, and a failure to disclose or misrepresentation of any such fact by either person shall render the contract voidable at the instance of the insurer.

(2) The statements made by the insured, or the person whose life is insured, in the application, on the medical examination, if any, or in any statements or answers furnished in lieu of a medical examination other than fraudulent statements or statements erroneous as to age, shall be deemed to be true and incontestable after the contract has been in force for two years during the life time of the person whose life is insured, but this provision shall not apply with respect to disability insurance or double indemnity insurance.

1936, c.34, s.6; R.S.S. 1940, c.121, s.164.

Contracts not void unless facts material; incontestability

165 A failure to disclose or misrepresentation of a fact material to the contract by the insurer shall render the contract voidable at the instance of the insured; provided that in the absence of fraud the contract shall not by reason of such failure to disclose or misrepresentation be voidable after the contract has been in force for two years during the life time of the person whose life is insured.

1936, c.34, s.6; R.S.S. 1940, c.121, s.165.

Materiality

166 The question of materiality shall be one of fact.

1936, c.34, s.6; R.S.S. 1940, c.121, s.166.

Adjustment of insurance money where wrong age stated

167(1) Where the age of the person whose life is insured is understated in the application, the insurance money shall be reduced to the amount which would have been payable in respect of the premium stated in the policy at the correct age, according to the tables of rates of premium of the insurer in force at the time of the issue of the policy.

(2) Where such tables of rates of premium of the insurer do not extend to or include the rates for the correct age of the person whose life is insured, the insurance money shall be reduced in the proportion that the premium at the age stated in the application bears to the premium at the correct age, both premiums for this purpose being the net premiums shown in or deduced from the British Offices' Life Table, 1893 O^{M(6)}, the rate of interest being three and one-half per cent. per annum, or, at the option of the insurer, both premiums for this purpose being calculated on the same principles as govern the calculation of premiums for ages mentioned in the table of rates of premiums of the insurer in force at the time of the issue of the policy.

(3) Where the age of the person whose life is insured is overstated in the application, and the policy does not provide that in that event the insurance money shall be increased, the insurer shall repay the amount by which the premium paid exceeds the premium which would have been payable in respect of the correct age, but if the policy so provides, the insurance money shall be increased to the amount which would have been payable in respect of the premium stated in the policy at the correct age according to the tables of rates of premium of the insurer in force at the time of the issue of the policy.

(4) Where, by the terms or for the purposes of the contract, an addition is made to the age stated in the application, and the age is understated in the application, then for the purpose of the calculation, the correct age and the stated age shall respectively be deemed to be the correct age and the stated age increased by such addition.

(5) Where the application or contract expressly limits the insurable age, and the correct age at the date of the application exceeds the age so limited, the contract shall, during the lifetime of the person whose life is insured, but not later than five years from the date of the policy, be voidable at the option of the insurer within thirty days after the error comes to its knowledge.

R.S.S. 1930, c.101, s.163; R.S.S. 1940, c.121, s.167.

When contract takes effect

168(1) Unless the contract or the application otherwise expressly provides, the contract shall not take effect or be binding on either party until the policy is delivered to the insured, his assign, or agent or the beneficiary named therein, and payment of the first premium is made to the insurer or its duly authorized agent, no change having taken place in the insurability of the life about to be insured subsequent to the completion of the application.

(2) Subject to the provisions of section 169, where a cheque, bill of exchange or promissory note payable to the insurer, or other written promise to pay the insurer, is given, whether originally or by way of renewal, for the whole or part of any premium, and the instrument, if payable on demand, is not paid upon presentment made on or after its date, or, if payable at a future time, is not paid upon presentment made at or after its maturity, the contract shall, unless otherwise provided in the policy be void.

R.S.S. 1930, c.101, s.164; R.S.S. 1940, c.121, s.168.

Payment of premiums

169(1) Where any premium, (not being the initial premium), under a contract is unpaid, the insured, his assign or agent, or any beneficiary, may, within a period of grace of thirty days or, in the case of an industrial contract, four weeks, from and excluding the day on which the premium is due, pay, deliver or tender to the insurer at its head office, or at its chief agency in the province, or to its collector or authorized agent, the sum in default.

(2) The payment may be made by sending a post office order or postal note, or a cheque payable at par and certified by a bank doing business in Canada under *The Bank Act*, or a draft of such bank, or a money order of an express company doing business in the province, in a registered letter duly addressed to the insurer, and the payment, delivery or tender shall be deemed to have been made at the time of the delivery and registration of the letter at any post office.

(3) Payment, delivery or tender as aforesaid shall have the same effect as if made at the due date of the premium.

(4) The period of grace hereinbefore in this section mentioned shall run concurrently with the period of grace, if any, allowed by the contract for the payment of a premium or of an instalment of premium.

(5) Upon the maturity of the contract during the said period of grace and before the overdue premium is paid, the contract shall be deemed to be in as full force and effect as if the premium had been paid at its due date, but the amount of such premium with interest, not in excess of six per cent. per annum, and the balance, if any, of the current year's premium, may be deducted from the insurance money.

(6) Nothing in this section shall deprive the insured of the benefit of any period of grace allowed by the contract in excess of the period of grace allowed by this section.

Application to judge where proof insufficient

203(1) Where the insurer admits the validity of the contract but does not admit the sufficiency of the proof furnished by the claimant of the maturity of the contract, or of the age of the person whose life is insured, or of the right of the claimant to receive payment of the insurance money, and where there is no other question in issue, except a question under subsection (2), the insurer or the claimant may, before or after action brought, upon at least thirty days' notice apply to the court for a declaration as to the sufficiency of the proof furnished, and the court may direct what further proof shall be furnished, or, in special circumstances, may dispense with further proof.

(2) Where the claimant alleges that the person whose life is insured is presumed to be dead by reason of his not having been heard of for seven years, and where there is no other question in issue except a question under subsection (1), the insurer or the claimant may, before or after action brought, upon at least thirty days' notice, apply to the court for a declaration as to the presumption of death.

(3) If the court finds that the proof of the maturity of the contract or of the age of the person whose life is insured or of the right of the claimant to receive payment is sufficient, or that a presumption of death has been established, or makes an order directing what further proof shall be furnished or in special circumstances dispensing with further proof, the finding or order of the court shall, subject to appeal, be conclusive and binding upon the applicant and all parties notified of the application and the court may make such order as to the payment of the insurance money and as to the costs as to it may seem just.

(4) The payment by the insurer in accordance with the order shall discharge it from liability in respect of such payment.

(5) If the court does not find that the proof of the maturity of the contract, of the age of the person whose life is insured, or of the right of the claimant to receive payment is sufficient, or that the presumption of death is established, the court may order that the question or questions in issue be decided in an action brought or to be brought, or may make such other order as to it seems just as to further proof to be furnished by the claimant, as to publication of advertisements, as to further inquiry, and as to costs, or otherwise.

(6) Unless otherwise ordered by the court, the application shall operate as a stay of any pending action with respect to the insurance money.

(2) Where an order has been made declaring that death is presumed from the fact that the person whose life is insured has not been heard of for seven years, an action or proceeding shall be commenced within one year and six months from the date of the order, but not afterwards.

(3) Where the death of the person whose life is insured is unknown to the person entitled to claim under the contract, an action or proceeding may be commenced within the prescribed period or within one year and six months after the death becomes known to him whichever period shall first expire, but not afterwards.

(2) The appointment of a trustee or trustees for any beneficiary shall not have the effect of taking away from the court or the insured any power of depriving the beneficiary of the benefit of the insurance money which the court or the insured would have under this Act if such beneficiary had been designated as beneficiary without the appointment of a trustee.

(3) Payment made to the trustee or trustees appointed as hereinbefore provided shall discharge the insurer.

STATUTORY CONDITIONS

Material change in risk

1. (a) The insured named in policy shall promptly notify the insurer, or its local agent, in writing, of any change in the risk material to the contract and within his knowledge.
- (b) without restricting the generality of the foregoing, the words "change in the risk material to the contract" shall include:

and in cases other than motor vehicle liability policies:

- (c) for any illicit or prohibited trade or transportation; or
- (d) in any race or speed test.

Uses prohibited without permission

3. Unless permission is expressly given by an indorsement of the policy and in consideration of an additional stated premium, the automobile shall not be rented or leased nor shall it be used:

- (a) with trailer attached; or
- (b) to carry explosives; or
- (c) as a taxicab, public omnibus, livery, jitney, or sightseeing conveyance or for carrying passengers for compensation or hire.

Loss or damage to persons or property

4. (1) The insured shall promptly give to the insurer written notice, with all available particulars, of any accident involving loss or damage to persons or property, and of any claim made on account of accident; shall verify by affidavit or statutory declaration, if required by the insurer, that the claim arises out of the operation or use of an automobile described in the policy and that the person operating or responsible for the operation of the automobile at the time of the accident is a person insured by the policy; and shall forward immediately to the insurer every writ, letter, document or advice received by him from or on behalf of the claimant.

(2) The insured shall not voluntarily assume any liability or settle any claim except at his own cost. The insured shall not interfere in any negotiations for settlement or in any legal proceedings, but, whenever requested by the insurer, shall aid in securing information and evidence and the attendance of any witness, and shall co-operate with the insurer, except in a pecuniary way, in the defence of any action or proceeding or in the prosecution of any appeal.

Loss or damage to the automobile

5. (1) Upon the occurrence of any loss of or damage to the insured automobile, the insured shall, if such loss or damage is covered by this policy:

- (a) forthwith give notice thereof, in writing, to the insurer, with fullest information obtainable at the time, and shall, at the expense of the insurer, and as far as reasonably possible, protect the automobile from further loss or damage, and any such further loss or damage accruing directly or indirectly from a failure to protect shall not be recoverable hereunder. No repairs shall be undertaken or any physical evidence of the loss or damage removed without the written consent of the insurer, except such repairs as are immediately necessary for the protection of the automobile from further loss or damage; or until the insurer has had a reasonable time to make the examination provided for in statutory condition 7;

(b) deliver to the insurer within ninety days of the date of the loss or damage a statutory declaration stating, so far as the insured knows or believes, the place, time, cause and amount of the loss or damage, the interest of the insured and of all others therein, the incumbrances thereon, all other insurance, whether valid or not, covering the automobile, and that the loss or damage did not occur through any wilful act or neglect, procurement, means or connivance or the insured.

Examination of insured

(2) The insured shall submit to examination under oath, and shall produce for examination, at such reasonable place as is designated by the insurer or its representative, all documents in his possession or control which relate to the matters in question, and shall permit extracts and copies thereof to be made.

Insurer liable for cash value of automobile

(3) The insurer shall not be liable beyond the actual cash value of the automobile at the time any loss or damage occurs, and the loss or damage shall be ascertained or estimated according to such actual cash value with proper deduction for depreciation, however caused, and shall in no event exceed what it would cost to repair or replace the automobile or any part thereof with material of like kind and quality; provided that in the event of any part of the automobile being obsolete and out of stock, the liability of the insurer in respect thereof shall be limited to the value of such part at the time of loss or damage not exceeding the maker's last list price.

Repair, etc., in lieu of payment

(4) Except where an appraisal has been had, the insurer, instead of making payment, may within a reasonable time repair, rebuild or replace the property damaged or lost with other of like kind and quality, giving written notice of its intention so to do within seven days after receipt of the proofs of loss; but there can be no abandonment of the automobile to the insurer without its consent. In the event of the insurer exercising such option, the salvage, if any, shall revert to it.

In case of disagreement

(5) In the event of disagreement as to the nature and extent of the repairs and replacements required, or as to their adequacy, if affected, or as to the amount payable in respect of any loss or damage, such questions shall be determined by appraisers before recovery can be had hereunder, whether the right to recover on the policy is disputed or not, and independently of all other questions.

Appraisal

(6) The insured and the insurer shall each select one appraiser, and the two so chosen shall then select a disinterested umpire. Thereafter the two appraisers together shall estimate or appraise the loss or damage, stating separately sound value and damage, or determine the adequacy of such repairs or replacements, and, failing to agree, shall submit their differences to the umpire.

Appointment of appraisers

(7) In case either party fails to name an appraiser within seven clear days after being served with written notice so to do, or in case the appraisers fail to agree upon an umpire within fifteen days after their appointment, or in case an appraiser or umpire refuses to act or is incapable of acting, or dies, a judge of a superior, county or district court having jurisdiction in the county or district in which the appraisal is to be made may appoint such appraiser or umpire on the application of the insured or the insurer.

Award

(8) An award in writing of the two appraisers, or of one appraiser and the umpire, shall determine the nature and extent or adequacy of the repairs and replacements made or required, or the amount of such loss or damage.

Costs of appraisal

(9) Each party shall pay the appraiser selected by him, and shall bear equally the other expenses of the appraisal and of the umpire.

Waiver

6. Neither the insurer nor the insured shall be deemed to have waived any term or condition of this policy by any act relating to the appraisal or to the delivery and completion of proofs of loss, or to the investigation or adjustment of the claim.

Inspection of automobile

7. The insurer shall be permitted at all reasonable times to inspect the automobile and its equipment.

Other insurance of the same interest

8(1) If the insured named in the policy has or places any additional or other valid insurance of his interest in the subject matter of the contract or any part thereof, the insurer shall be liable only for its rateable proportion of any loss or damage.

(2) Where by any other valid insurance indemnity is provided for a claim under this policy against a person not named herein but insured hereby, the insurer shall only be liable under this policy, in respect of any such claim, to the extent of any deficiency in the amount of such other insurance of such claim, not exceeding in any event the limits of liability of the insurer under this policy.

Time and manner of payment of insurance money

9. (1) An insurer shall pay the insurance money for which it is liable under a contract within sixty days after the proof of loss has been received by it, or, where an appraisal is had under statutory condition 5, within fifteen days after the award is rendered by the appraisers.

(2) The insured may not bring an action to recover the amount of a claim under the policy unless the requirements of statutory conditions 4 and 5 are complied with nor until the amount of the loss has been ascertained as therein provided, or by a judgment against the insured after trial of the issue, or by agreement between the parties with the written consent of the insurer.

(3) Every action or proceeding against an insurer under a contract in respect of loss or damage to the automobile shall be commenced within one year next after the happening of the loss and not afterwards, and in respect of loss or damage to persons or property shall be commenced within one year next after the cause of action arose, and not afterwards.

Who may give notice and proofs of claim

10. Notice of claim may be given and proofs of claim may be made by the agent of the insured named in the policy in case of absence or inability of such insured to give the notice or make the proof, such absence or inability being satisfactorily accounted for, or in the like case, or if such insured refuses to do so, by a person to whom any part of the insurance money is payable.

Cancellation

11. (1) The policy may be cancelled at any time at the request of the insured named therein, and the insurer shall, upon surrender of the policy, refund the excess of paid premium above the customary short rate premium for the time the policy has been in force.

(2) This policy may be cancelled at any time by the insurer giving to the insured named in the policy fifteen days' notice in writing of cancellation by registered post, whether registered within or without Canada, or five days' notice of cancellation personally delivered, and refunding the excess of paid premium beyond the *pro rata* premium for the expired time. Repayment of excess premiums may be made by money, post office order, postal note or cheque. Such repayment shall accompany the notice, and in such case the fifteen days above mentioned shall commence to run from the day following the receipt of the registered letter at the post office to which it is addressed.

(3) In this condition the expression "**paid premium**" means premium actually paid by the insured to the insurer or its agent, and does not include any premium or part thereof paid to the insurer by an agent unless actually paid to the agent by the insured.

Notice

12. Any written notice to the insurer may be delivered at or sent by registered post to the chief agency or head office of the insurer in this province. Written notice may be given to the insured named in the policy by letter personally delivered to him or by registered letter addressed to him at his last post office address notified to the insurer, or, where no address is notified and the address is not known, addressed to him at the post office of the agency, if any, from which the application was received. In this condition the expression "**registered**" shall mean registered within or without Canada.

Certain conditions not part of policy

219(1) If the policy does not insure against liability for loss or damage to persons or property, statutory condition 4 shall not be deemed to be part of the policy.

(2) If the policy does not insure against loss of or damage to an automobile, statutory condition 5 shall not be deemed to be part of the policy.

1933, c.22, s.17; R.S.S. 1940, c.121, s.219.

Policy to be approved by superintendent

220 No insurer shall issue or deliver a policy in the province until a copy of the form of policy has been on file with the superintendent for at least thirty days, unless sooner approved in writing by him, nor if within that period the superintendent notifies the insurer in writing that the said form of policy is not approved. The superintendent shall, on being so required, specify the reasons for not approving or for disapproving thereof.

1933, c.22, s.17; R.S.S. 1940, c.121, s.220.

Misrepresentation, fraud or violation of conditions renders claim invalid

221(1) Where an applicant for a contract falsely described the automobile to be insured, to the prejudice of the insurer, or knowingly misrepresents or fails to disclose in the application any fact required to be stated therein or where the insured violates any term or condition of the policy or commits any fraud, or makes any wilfully false statement with respect to a claim under the policy, any claim by the insured shall be rendered invalid and the right of the insured to recover indemnity shall be forfeited.

(2) Where a written application for a contract is made, no statement of the applicant shall be used in defence of a claim under the policy, unless it is contained in the written application.

1933, c.22, s.17; R.S.S. 1940, c.121, s.221.

Relief from forfeiture

222 Where there has been imperfect compliance with a statutory condition as to the proof of loss to be given by the insured or other matter or thing required to be done or omitted by the insured with respect to the loss, and a consequent forfeiture or avoidance of the insurance in whole or in part, and the court deems it inequitable that the insurance should be forfeited or avoided on that ground, the court may relieve against the forfeiture or avoidance on such terms as it may deem just.

1933, c.22, s.17; R.S.S. 1940, c.121, s.222.

Payment in Canadian currency

223 Insurance money shall be payable in the province in lawful money of Canada.

1933, c.22, s.17; R.S.S. 1940, c.121, s.223.

Waiver

224 No term or condition of a contract shall be deemed to be waived by the insurer in whole or in part, unless the waiver is stated in writing and signed by an agent of the insurer.

1933, c.22, s.17; R.S.S. 1940, c.121, s.224.

Subrogation

*Statutory Conditions***Entire contract included in policy**

1. This policy, including the indorsements and attached papers, if any, contains the entire contract of insurance except as it may be modified by the insurer's classification of risks and premium rates as provided by condition 3.

Statements of the insured

2. All statements made by the insured upon the application for this policy shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall be used in defence of a claim under this policy unless it is contained in the written application for the policy and unless a copy of the application, or such part thereof as is material to the contract, is indorsed upon or attached to the policy when issued.

Limited liability where insured engaged in more hazardous occupation

3. If a *bodily injury or any sickness* insured against happens to the insured while engaged temporarily or permanently in an occupation classified as more hazardous than that stated herein to be the occupation of the insured, the liability under this policy shall be limited to such amount as the premium paid would have purchased for the more hazardous occupation according to the limits, classification of risks, and premium rates of the insurer last filed with the Superintendent of Insurance; provided that the performance of ordinary duties about his residence or while engaged in recreation shall not be regarded as a change of occupation by the insured.

Rebate of premium where insured adopts less hazardous occupation

If the insured shall, at any time, change his occupation either temporarily or permanently to an occupation classified by the insurer as less hazardous than that stated in the policy to be the occupation of the insured, the insurer shall, upon written request of the insured and surrender of this policy, issue a policy for the unexpired term at the lower rate of premium applicable to such less hazardous occupation, and the insurer shall return to the insured the amount by which the unearned premium on the original policy exceeds the premium charge at such lower rate for the unexpired term.

Insurer not liable for sickness within first 15 days

5. Unless otherwise specifically stated in this policy, the insurer is not liable for any loss occasioned by sickness contracted by the insured within fifteen days from noon standard time of the day on which the policy comes into force.

Limited liability where aggregate benefits exceed money value of the time of the insured

6. If the *accident or sickness* benefits for loss of time secured hereunder, together with the *accident or sickness* benefits payable under other contracts of insurance upon the person of the insured, make up an aggregate indemnity in excess of the money value of the time of the insured, the insurer shall be liable only for such proportion of the benefits stated in this policy as the money value of the time of the insured bears to the aggregate of the benefits payable under all such contracts of the person of the insured, and the excess premium, if any, paid by the insured shall be returned to him by the insurer.

Notice to insurer

7. Any written notice to the insurer may be delivered at or sent by registered post to the chief agency or head office of the insurer in the province or delivered or sent to any authorized agent of the insurer therein.

8. Any written notice may be given to the insured by letter personally delivered to him or by registered letter addressed to him at his last post office address notified to the insurer, or where not notified and the address is not known, addressed to him at the agency, if any, at which the application was received.

Termination by insurer

9. The insurance may be terminated by the insurer at any time by giving to the insured ten days' notice of cancellation by registered mail or five days' notice of cancellation personally delivered to the insured and refunding in either case the excess of paid premium beyond the *pro rata* premium for the expired time.

Termination by insured

10. The insurance may be terminated by the insured at any time by giving written notice of termination to the insurer, in which case the insurer shall, upon surrender of this policy refund the excess of paid premium beyond the customary short rate for the expired time.

Repayment of excess premium

11. In the case of termination of the insurance by the insurer, repayment of the excess premium may be made in money, by post office order, postal note or cheque, payable at par certified by a chartered bank doing business in the province: If the notice is given by registered letter, such repayment shall accompany the notice and in such case the ten days mentioned in condition 9 shall commence to run from the day following the receipt of a registered letter at the post office to which it is addressed.

Notice of claim

12. Any person entitled to make a claim under this policy shall:

Time

(a) give notice of claim in writing to the insurer not later than thirty days *from the date of the accident or from the date of the commencement of disability from sickness*; provided that failure to give notice shall not invalidate the claim if it is shown that it was not reasonably possible to give such notice within such time, and that notice was given as soon as was reasonably possible;

Proof of claim

(b) furnish to the insurer such proof of claim as is reasonably possible in the circumstances of the happening of the *accident or sickness* and the loss occasioned thereby, *within ninety days after the happening of the accident, or, in the case of sickness, within ninety days after the date of commencement of the period of disability from sickness for which the insurer is liable*;

Medical certificate

(c) if so required by the insurer, furnish a certificate from a licensed medical practitioner as to the cause and nature of the *accident or sickness* for which the claim is made and as to duration of the disability caused thereby.

Insurer to furnish forms for proof of claim

13. The insurer shall, upon receiving notice of *accident or sickness*, furnish to the claimant such forms as are usually furnished by them for proofs of claim, and if such forms are not so furnished within fifteen days after receipt of such notice, the claimant shall be deemed to have complied with the requirements of the policy as to proof of claim, if he submits within the time fixed in this policy, for filing such proofs, a written statement of the happening and character of the *accident or sickness* and of the extent of the loss for which the claim was made.

Right of examination, including right to make an autopsy

14. The insurer shall have the right, and the claimant shall afford to the insurer an opportunity, to examine the person of the insured when and as often as it may reasonably require while the claim hereunder is pending and also in the case of death of the insured to make an autopsy subject to any law of the province relating to autopsies.

Claimant other than beneficiary must prove interest

15. Any claim made under this policy by a claimant other than the beneficiary named in the policy, shall be subject to proof of the interest of the claimant.

Who may give notice and proofs of claim

16. Notice of claim may be given and proofs of claim may be made by the agent of the insured, or of the beneficiary, in case of the absence of the insured or beneficiary or in case of inability of the insured or the beneficiary to give the notice or make the proof, such absence or inability being satisfactorily accounted for, or in the like case or if the insured refuses to do so by a person to whom any part of the insurance money is payable.

When moneys other than for disability payable

17. All moneys payable under this policy for loss other than that of time on account of disability shall be paid within sixty days after the receipt of proofs of claim.

When indemnity on account of disability payable

18. The indemnity for loss of time on account of disability shall be paid within thirty days after proof of claim and as long as the insurer remains liable for the disability at the expiration of every succeeding sixty days, provided that the insurer may, in case the disability continues, require proof thereof for each such period of sixty days, which proof shall be furnished within ninety days after the termination of each period in respect of which the claim is made.

Right of insured to assign policy

19. Where moneys are payable under this policy upon the death of the insured by accident, the insured may from time to time designate a beneficiary, appoint, appropriate or apportion such moneys and alter or revoke any prior designation, appointment, appropriation or apportionment.

Waiver

20. The insurer shall not be deemed to have waived any condition of this policy either in whole or in part, unless the waiver is clearly expressed in writing, signed by the insurer.

Limitation of actions

21. Any action or proceeding against the insurer for the recovery of any claim under this policy shall be commenced within one year after the cause of action arose.

(5) If an entire condition is omitted pursuant to this section, there shall be inserted after the condition number the following words within brackets “[*This condition is not applicable to this policy and is omitted pursuant to Statute.*]”;

STATUTORY CONDITIONS**Misdescription, misrepresentation or omission**

1. Where an applicant in his application falsely describes the location and acreage of the crop, to the prejudice of the insurer, or knowingly misrepresents or fails to disclose in the application any fact required to be stated therein, the insurance shall be void as to the item of the application in respect of which the misdescription, misrepresentation or omission is made.

Waiver of condition

2. No term or condition of this policy shall be deemed to have been waived by the insurer, either in whole or in part, unless the waiver is clearly expressed in writing signed by or on behalf of the insurer at its head or branch office or general agency from which the policy was issued.

Officers of insurer deemed agents

3. Any officer or general agent of the insurer who assumes on behalf of the insurer to enter into a written agreement relating to any matter connected with the insurance shall be deemed, *prima facie*, to be the agent of the insurer for the purpose.

Minimum amount of damage

4. No claimant shall be entitled to indemnity under the policy for any loss or damage which is found to be less than five per cent. of the crop upon the hailed acreage or any portion thereof and in no case for less than ten dollars, except where the acreage insured is forty acres or less.

Injury by causes be other than hail

5. No claimant shall be entitled to indemnity under the policy:

- (a) when the crop is wholly destroyed by any agency other than hail; or
- (b) when the crop is over-ripe; or
- (c) when the crop or any portion thereof has been so injured by causes other than hail that the crop or such portion, as the case may be, would not yield profit over and above the actual cost of cutting, threshing and marketing it.

Notice of claim

6. Any person claiming under the policy shall give notice of claim in writing to the head or branch office or the general agency of the insurer from which the policy was issued within three days of the occurrence of loss, stating the number of the policy, the day and hour of the storm, the estimated damage to each portion of the insured crop and the names of other insurers carrying insurance on the hailed area; provided that failure to give notice within such time shall, subject to condition 9, not invalidate the claim if it is shown that it was not reasonably possible to give notice within such time and that notice was given as soon as was reasonably possible.

Right of access of insurer

7. After any loss or damage to the insured crop, the insurer shall have immediate right of access and entry by accredited representatives sufficient to enable them to survey and examine the crop and to make an estimate of the loss or damage.

Ascertainment of damage

8. Within thirty days after the receipt of notice of loss or damage the insurer and the insured or their accredited representatives shall together ascertain and agree upon the percentage of loss or damage sustained on the acreage of the crop or any portion thereof insured under any item of the policy. The amount of indemnity shall be ascertained on the agreed percentage of the insurance on each acre of acreage sustaining loss or damage by hail, subject to any partial payment of loss clause contained in the policy or subject to the determination of the amount of the loss or damage by appraisal as hereinafter provided. No account shall be taken of the cost of cutting or threshing the portion not destroyed or damaged. The determination of the percentage of loss or damage may be deferred to a later date agreed upon by the insurer and the insured.

Proof of loss

9. A person making a claim under the policy shall, within thirty days after the occurrence of a loss or within thirty days of the deferred adjustment date, unless such time is extended in writing by the insurer, furnish a statutory declaration, hereinafter called proof of loss, on a form furnished by the insurer, setting forth the date and number of the policy, the date of the occurrence of the loss or damage, the location and acreage of the crop damaged, the estimated percentage of loss or damage sustained on the acreage of the crop or any portion thereof insured under any item of the policy and whether the crop was damaged by hail prior to the time of the application. If the claimant fails to furnish proof of loss he shall forfeit any claim under the policy:

Provided that if the insurer, within the said thirty days or at the time of the deferred adjustment, has ascertained the loss acceptably to the claimant or if the amount of loss has been determined by appraisal as hereinafter provided, the insurer shall be deemed to have waived proof of loss, unless proof of loss is requested by the insurer in writing.

Proof to be made by insured personally

10. Proof of loss must be made by the insured, although the loss is payable to a third person, except that, in case of the absence of the insured or his inability to make the same, proof may be made by his agent, such absence or inability being satisfactorily accounted for, or in the like case or if the insured refuses to do so, by a person to whom any part of the insurance money is payable.

Fraud or false statement vitiates claim

11. Any fraud or wilfully false statement in a proof of loss shall vitiate the claim of the person making such proof of loss.

Payment of loss

12. The insurer shall pay the insurance money for which it is liable under the policy within sixty days after the proof of loss has been received by it or where an appraisal is had under condition 15, within thirty days after the award is rendered by the appraisers.

When insured liable for expenses of adjustment

13. If the insured claims for loss or damage under the policy and it is found that he is not entitled to indemnity under the conditions of the policy the insured shall be liable for the expenses incurred in the adjustment of his claim.

Cancellation of policy

14. A policy may be cancelled at any time by the insured named therein by giving written notice to that effect to the head or branch office or the general agency of the insurer from which the policy was issued and the insurer shall, upon surrender of the policy, refund the excess of paid premium above the customary short rate premium for the time the policy has been in force. If a note or other undertaking was accepted as payment of the premium the insured shall pay the insurer the earned portion of the premium and on payment or tender of such amount the insurer shall return such note or undertaking to pay, or if the insured does not pay or tender the amount, the insurer shall endorse on the note or other undertaking a credit of the amount of the unearned portion of the premium.

Appraisal in case of disagreement

15. In the event of a disagreement as to the percentage of damage by hail to any of the crops insured, whether the right to recover on the policy is disputed or not, such percentage shall, when so required by either party, be ascertained by an appraisal which shall be conducted as follows:

(i) the party desiring appraisal shall within three days of such disagreement deliver or cause to be delivered by mail or otherwise to the other party a notice in writing requiring an appraisal to be made and appointing an appraiser who is a taxpayer in the province, who shall act either alone or with an appraiser chosen by the other party to estimate the percentage of the damage;

(ii) not later than three days after receipt of such notice the other party shall, if he so desires, appoint an appraiser to represent him and, within the said period, shall notify the first party of such appointment by notice in writing delivered by mail or otherwise;

(iii) in the latter case the appraisers shall together estimate the percentages of damage, and failing to agree shall submit their differences to an umpire, and the award in writing of any two shall determine the percentage of the damage. Such umpire shall be chosen by the appraisers, or in case they cannot agree, then on the application of either appraiser, by the Superintendent of Insurance;

(iv) if only one appraiser has been chosen, both parties shall share equally his expenses; if two, each party shall pay the expense of the appraiser chosen by him; both parties shall bear equally the expense of the umpire if an umpire is required;

(v) should either party after receipt of written notice from the other, neglect or refuse to choose an appraiser within the time above specified the percentage of damage shall be estimated and determined by the appraiser chosen by the party giving notice;

(vi) the actual appraisal of such damage shall be commenced within two days after both appraisers have been chosen, or after the expiration of the time herein allowed for such choice;

(vii) the periods of time specified in this condition may on application be extended at the discretion of the Superintendent of Insurance.

Limitation of action

16. Every action or proceeding against the insurer in respect of loss or damage to the crops insured under the policy shall be commenced within one year next after the occurrence of the loss or damage and not afterwards.

Assignment or change of property

17. If the crop insured or the interest of the insured such crop is assigned without the written permission of the head or branch office or general agency of the insurer from which the policy was issued, such assignment shall not be binding on the insurer; but this condition does not apply to change of title by succession or by operation of the law, or by reason of death.

1939, c.28, s.4; R.S.S. 1940, c.121, s.276.

Relief from forfeiture

277 In any case where there has been imperfect compliance with a statutory condition as to proof of loss to be given by the insured after the occurrence of the loss insured against, and a consequent forfeiture or avoidance of the insurance, in whole or in part, and the court deems it inequitable that the insurance should be forfeited or avoided on that ground, the court may relieve against the forfeiture or avoidance on such terms as it may deem just.

1939, c.28, s.4; R.S.S. 1940, c.121, s.277.

Variation of conditions with approval of superintendent

278(1) If the Act by or under which a provincial company is incorporated contains provisions which are inconsistent with any condition of the statutory conditions as set out in this Part, the insurer may with the approval of the superintendent vary such condition or omit it from the policy.

(2) If an entire condition is omitted pursuant to subsection (1), there shall be inserted after the condition number the following words within brackets: "(This condition is not applicable to this policy and is admitted pursuant to statute)".
