13 The Chief Justice or the Judge designated to conduct the pre-hearing conference, may direct the Commissioner or any of the parties to file additional information or briefs of law, for use at the pre-hearing conference.

14 The goals of a pre-hearing conference are equivalent to a pre-trial conference under Rule 4-12(3), as follows:

- (a) to allow the parties to participate in the problem-solving process;
- (b) to allow the parties to receive the view of a Judge as to the issues, both facts and law, in dispute, as far as the material before the pre-hearing Judge allows;
- (c) to allow settlement options to be presented that would not necessarily be available at hearing;
- (d) to seek settlement of the dispute so as to improve the efficiency of the court system and to save time and costs for all parties and witnesses.

15 The Judge designated to conduct the pre-hearing conference shall attempt to settle the complaint. If settlement of the complaint is not possible, the Judge shall address the issues set out under Rule 4-12(4) in readying the complaint for hearing, as follows:

- (a) the identification and simplification of the issues;
- (b) the possibility of obtaining admissions that will facilitate the hearing;
- (c) whether all steps have been taken in preparation for the hearing;
- (d) the possibility of settlement of specific issues;
- (e) the remedy, including quantum of damages;
- (f) any other matters that may aid in the disposition of the complaint;
- (g) the time required for hearing; and
- (h) the date of the hearing.

16 The Judge conducting the pre-hearing conference should use the civil pre-trial form to report on the management matters covered in the conference, and any agreements reached. In the event the matter settles at the pre-hearing conference, the fact of the settlement can be noted on the flyleaf of the file as is done in a civil case.

Hearing

17 The matter will be set for hearing at the conclusion of the pre-hearing conference. If the Chief Justice declines to order a pre-hearing conference, the Local Registrar will consult the parties on available dates and set the hearing on the direction of the Chief Justice. The Local Registrar may notify the parties of the hearing date by ordinary mail.
