SASKATCHEWAN

AUDITOR'S REPORT

To: The Members of the Legislative Assembly of Saskatchewan

I have audited the statement of net assets of the Office of Residential Tenancies – Director's Trust Account as at March 31, 2009 and the statement of changes in net assets for the year then ended. The Trust Account's management is responsible for preparing these financial statements for Treasury Board's approval. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Office of Residential Tenancies – Director's Trust Account as at March 31, 2009 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Regina, Saskatchewan
June 19, 2009

Fred Wendel, CMA, CA
Provincial Auditor

OFFICE OF RESIDENTIAL TENANCIES – DIRECTOR’S TRUST ACCOUNT
NOTES TO FINANCIAL STATEMENTS
For the year ended March 31, 2009

1. Legislative Authority

Pursuant to provisions of *The Residential Tenancies Act, 2006* (Act), the Director’s Trust Account was established for the purpose of receiving and disbursing monies under the Act. The Office of Residential Tenancies – Director’s Trust Account is responsible for the administration and management of all matters governed by this Act. On December 3, 2008, amendments to the Act were proclaimed. The amendments were procedural in nature and did not alter the purpose of Director’s Trust Account.

The financial statements reflect the assets and liabilities related to trusts under the administration of the Office of Residential Tenancies (Office).

2. Significant Accounting Policies

These financial statements are prepared in accordance with Canadian generally accepted accounting principles. The following accounting policies are considered significant.

a) Receipt and payment of trusts

Monies are held in trust on behalf of landlords and tenants where there is a dispute as to the disposition of the security deposit. Monies will be paid out to either the landlord or tenant once the appropriate disposition of the funds has been determined by the Office.

b) Net assets

Net assets are the total of the various trust monies held on behalf of landlords and tenants.

3. Related Party Transactions

In accordance with established government practice, the Director’s Trust Account has not been charged with any administrative costs and no provision for such cost is reflected in these statements. These costs are borne by the Ministry of Justice and Attorney General from monies appropriated by the Legislature for such purposes.

Under Section 13(1) of The Residential Tenancies Regulations, 2007, applications are subject to a fee which is recorded as revenue for the Ministry of Justice and Attorney General. This fee is collected by the Office and forwarded to the Ministry of Justice and Attorney General. In 2008-09, the fee collected amounted to \$272,990 (2007-08 - \$269,725).

The Office of Residential Tenancies – Director’s Trust bank account, shown as due from the General Revenue Fund, is included in the Consolidated Offset Bank Concentration

(COBC) arrangement for the Government of Saskatchewan. No interest is paid into this account by the General Revenue Fund.

4. Financial Instruments

Financial instruments consist of amounts due from the General Revenue Fund. There are no significant terms and conditions related to the financial instruments that may affect the amount, timing and certainty of future cash flows. The carrying value of these instruments approximates fair value due to their immediate or short-term maturity.
