APPENDIX – SALE NOTICE

The Saskatchewan Egg Producers (SEP) will receive offers to purchase egg production limits as outlined in this Notice. The production limits offered for purchase entitle a licensed producer to produce a specified number of dozens of eggs per year by a specified number of laying hens. Production limits remain the property of the SEP.

Production lots available

1 The auction shall consist of a total of 483,538 dozen egg per year (equivalent to a base production limit of 19,007 hens). Each producer may bid to purchase the equivalent of a maximum of 1.92% of the production limit currently owned by the bidding licensed producer.

Submission of Offers

2 Offers to purchase a Production Lot will be received up to 4:00 p.m. on Monday, December 22, 2014, at the Saskatchewan Egg Producers' office: 496 Hoffer Drive, Regina, SK S4N 6E2.

3 Offers must be submitted using the prescribed Offer to Purchase Form and must be submitted in a sealed envelope that is clearly marked with "Offer to Purchase Production Lot". Offer to Purchase forms may be obtained by contacting the SEP office or through SEP's website.

4 Offers must remain open for acceptance by SEP until Monday, December 22, 2014.

5 Only one offer may be submitted by a production limit owner.

Eligibility Requirements

7 An existing production limit owner must be in good standing pursuant to Article 11 of the Industry Management Order, and must meet the requirements of and be in compliance with *The Agri-Food Act, 2004*, *The Commercial Egg Marketing Plan Regulations*, and all Orders of the SEP.

8 An existing production limit owner must also be in compliance with Board Order No. 54/11 Start Clean-Stay Clean before production limits will be issued to that owner.

Opening of Offers

9 After the closing date for receipt of offers, all offers will be opened privately by an independent party appointed by SEP in the presence of a scrutineer appointed by the SEP who is not an employee, officer or director of the SEP, nor a production limit owner.

Award of Production Lots

10 Production Lots will be awarded in accordance with the bids to a maximum of one point nine two percent (1.92%) of the production limit currently owned by the applicant. The successful bid price for each 25.44 dozen eggs (equivalent of one hen) will be twenty-five dollars (\$25).

Terms of Purchase

11 Acceptance by the SEP of an offer to purchase a Production Lot will create a binding contract between the SEP and the purchaser.

12 A non-refundable deposit equal to 50% of the purchase price offered must be delivered to the SEP within fourteen (14) days of a purchaser receiving written notice of acceptance of the purchaser's offer. The full purchase price offered must be delivered to SEP at the time the Production Lot being purchased is put into production. Both payments must be in the form of a cheque, certified cheque, bank draft or money order payable to the Commercial Egg Producers' Trust Fund.

13 A Production Lot purchased under this Order must be put into production within one year of the purchaser receiving written notice of acceptance of the purchaser's offer, or in such longer period of time as the SEP, in its sole discretion, may allow. A Production Lot may be put into production either directly in the facilities owned and operated by the purchaser, on land owned by the purchaser, or indirectly through an SEP-approved lease arrangement established in accordance with the Regulations.

14 A Production Lot purchased under this Order shall be forfeited and cancelled if:

- (a) it has not been put into production in accordance with this Order; or
- (b) it is subsequently determined by the Board that the purchaser does not satisfy the eligibility or other requirements outlined in this Order.

15 A Production Lot purchased under this Order may not be transferred by the production limit owner in accordance with the provisions of the Regulations prior to the fifth anniversary of the Production Lot being awarded.

16 Production Lots purchased under this Order are also subject to all applicable provisions and restrictions set out in the Regulations or SEP Orders.

Withdrawal of Production Lots

17 SEP reserves the right to withdraw any or all Production Lots offered for sale under the Order at any time before or after the closing time for receipt of offers. Unless and until the SEP has accepted in writing an offer from a purchaser, a contractual relationship (either expressed or implied) is not created with any person submitting an offer in response to this Order.
