Chronic Wasting Disease Testing Submission Form

For healthy animals hunted or slaughtered

Slaughter animal is a healthy animal killed for any reason, i.e. for meat or reducing herd size.

A hunt is a recreational shooting of a game farm animal on a licensed game farm.

*S-Slaughter, H-Hunt,

PLEASE REMEMBER:

Meat from slaughter animals should not be released for human consumption until CWD results are received. Although there is no known human risk from CWD, it is prudent to be cautious and protect venison markets until science is conclusive.

I hereby authorize Prairie Diagnostic Services (PDS) to release the CWD test results to Livestock Branch. PDS will forward a copy of results for CWD testing to Animal Health, Livestock Branch, Ministry of Agriculture, Room 202 – 3085 Albert Street, Regina SK S4S 0B1.

Owner/Manager (Signature) _____ Owner Present: **Y N**

Saskatchewan Agriculture (SA) is responsible only for the payment of laboratory fees for Chronic Wasting Disease testing on animals over 12 months of age. All other tests requested by owners or veterinarians will not be paid for by SA.
