

CORRECTIONS AND POLICING
CORRECTIONAL FACILITIES INDUSTRIES REVOLVING FUND
FINANCIAL STATEMENTS
For the Year Ended March 31, 2016

INDEPENDENT AUDITOR'S REPORT

To: The Members of the Legislative Assembly of Saskatchewan

I have audited the accompanying financial statements of Correctional Facilities Industries Revolving Fund, which comprise the statement of financial position as at March 31, 2016, and the statements of operations and accumulated surplus, and changes in accumulated net expenditure for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards for Treasury Board's approval, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Correctional Facilities Industries Revolving Fund as at March 31, 2016, and the results of its operations and changes in its accumulated net expenditure for the year then ended in accordance with Canadian public sector accounting standards.

Regina, Saskatchewan
July 15, 2016

Judy Ferguson, FCPA, FCA
Provincial Auditor

(See accompanying notes to the financial statements)

CORRECTIONAL FACILITIES INDUSTRIES REVOLVING FUND
NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2016

1. Authority and Definition of Entity

The Correctional Facilities Industries Revolving Fund (Revolving Fund) operates under the authority of Section 108 of *The Correctional Services Act, 2012*. The purpose of the Revolving Fund is to rehabilitate inmates by operating work programs intended to provide practical and marketable work skills for inmates and which provides a revenue source to reduce the costs of inmate programming. The Ministry of Justice is responsible for the Revolving Fund.

The Revolving Fund is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards. The Revolving Fund is also responsible to maintain a system of accounting and administrative controls to ensure that accurate and reliable financial statements are prepared and to obtain reasonable assurance that transactions are authorized, assets are safeguarded, and financial records are maintained.

2. Significant Accounting Policies

Pursuant to standards established by the Public Sector Accounting Board and published by CPA Canada, the Revolving Fund is classified as an other government organization. These financial statements are prepared in accordance with Canadian Public Sector Accounting Standards. These financial statements do not present a Statement of Change in Net Assets or a Statement of Cash Flows because this information is readily apparent from the Statement of Changes in Accumulated Net Expenditure and Note 5. The following accounting policies are considered significant:

a) Net Financing Requirements

The net financing requirements is the cash flow from/(to) the General Revenue Fund. It represents the total annual financing requirements resulting from working capital changes and net cash flows from operations.

b) Accumulated Net Expenditure

Expenditures of the Revolving Fund are made directly out of the General Revenue Fund (GRF) and receipts are deposited directly into the GRF. The excess of the accumulated expenditures over accumulated receipts is the accumulated net expenditure balance or outstanding borrowing from the GRF.

The accumulated net expenditure of the Revolving Fund includes the aggregate of net financing requirements for all fiscal years resulting from the Revolving Fund's changes in working capital and net cash flow from operations.

c) Basis of Accounting

These financial statements are prepared using the accrual basis of accounting.

d) Revenue Recognition

Sales are recognized when goods are delivered to customers.

e) Inventories

Inventories are valued at the lower of cost and net realizable value. Cost is determined by using the first in, first out method.

f) Use of Estimates

The preparation of financial information requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. Differences are reflected in current operations when identified.

g) Remeasurement Gains and Losses

The Revolving Fund has no transactions that would result in remeasurement gains and losses therefore a statement of remeasurement gains and losses has not been prepared.

3. Authorized Financing

Subsection 108 (11) of *The Correctional Services Act, 2012* specifies that the maximum accumulated net expenditure shall be set by order of the Lieutenant Governor in Council. A maximum amount of \$900,000 was established by Order in Council 816/89.

4. Disposition of Accumulated Operating Surplus or Deficit

Treasury Board controls the operations of the Revolving Fund, in part by monitoring the amount of its accumulated operating surplus/deficit. If the surplus/deficit exceeds the limit specified by Treasury Board, management is responsible to present a plan to address the excess surplus/deficit for approval by Treasury Board. Plans may include, but are not limited to, payment of excess surpluses to, or requests for additional funding from, the GRF. The approved surplus/deficit limit for the Revolving Fund is \$100,000. The Revolving Fund did not request additional funding (2015 – nil). There was no excess surplus (2015 - nil) paid to the General Revenue Fund.

5. Net Change in Working Capital Items Related to Operations

| | <u>2016</u> | <u>2015</u> |
|--|--------------------|------------------|
| (Increase) decrease in accounts receivable | \$ (14,629) | \$ 70,703 |
| (Increase) decrease in inventory | (11,583) | (6,193) |
| Increase (decrease) in accounts payable and accrued liabilities | <u>13,059</u> | <u>(44,361)</u> |
| Net increase (decrease) in working capital items related to operations | <u>\$ (13,153)</u> | <u>\$ 20,149</u> |

6. Cost of Goods Sold

Cost of goods sold consists of the following:

| | <u>2016</u> | <u>2015</u> |
|------------------|-------------------|-------------------|
| Materials | \$ 164,008 | \$ 161,952 |
| Supplies | 12,650 | 23,313 |
| Inmate Incentive | 40,681 | 36,126 |
| Staff Salaries | 263,118 | 227,191 |
| Shop Expense | <u>31,689</u> | <u>24,312</u> |
| | <u>\$ 512,146</u> | <u>\$ 472,894</u> |

7. Inventory

Inventory consists of the following:

| | <u>2016</u> | <u>2015</u> |
|------------------|-------------------|------------------|
| Raw Materials | \$ 69,893 | \$ 60,970 |
| Work in Progress | 21,329 | 5,072 |
| Finished Goods | <u>15,606</u> | <u>29,203</u> |
| | <u>\$ 106,828</u> | <u>\$ 95,245</u> |

8. Related Party Transactions

Included in these financial statements are transactions with various Saskatchewan Crown corporations, ministries, agencies, boards and commissions related to the Revolving Fund by virtue of common control by the Government of Saskatchewan and non-Crown agencies subject to joint control and significant influences by the Government of Saskatchewan (collectively referred to as related parties).

Routine operating transactions with other related parties are recorded at agreed upon exchange amounts and settled on normal trade terms. The following table summarizes the related party transactions for the year:

| Financial Statement Category: | <u>2016</u> | <u>2015</u> |
|--|-------------|-------------|
| Sales | \$ 80,442 | \$ 73,509 |
| Accounts Receivable | \$ 7,797 | \$ 3,063 |
| Expenses | \$ 43,765 | \$ 36,827 |
| Accounts Payable and Accrued Liabilities | \$ 9,292 | \$ 5,683 |

In accordance with established Government policy, the Revolving Fund has not been charged with certain costs including occupancy, financing, use of tangible capital assets and certain administrative costs. These costs have been absorbed by the various ministerial appropriations and therefore no provision for such costs is reflected in these financial statements.

In addition, the Revolving Fund pays Provincial Sales Tax to the Saskatchewan Ministry of Finance on all its taxable purchases. Taxes paid are recorded as part of the cost of those purchases.

Other transactions with related parties and amounts due to/from them are described separately in the financial statements and notes thereto.

9. Financial Instruments

The fair value of financial assets and financial liabilities approximates their carrying value due to their immediate and short term nature.

The Revolving Fund is exposed to credit risk from the potential non-payment of accounts receivable. Accounts receivable balances are outstanding from many customers, which helps reduce credit risk.

The Revolving Fund has no significant liquidity risk or interest rate risk.

10. Budget

These amounts are included in the budget submitted to Treasury Board for approval. Treasury Board approves the Revolving Fund's budget annually.

11. Revolving Fund Accumulated Net expenditure Balance

As at March 31, 2016 there is a difference of \$1 (2015 - \$1,501) between the amount reported by the Revolving Fund and the amount reported in Public Accounts. The difference is due to PST and GST adjustments at year end. This was corrected in June 2016.

12. Comparative Information

The operating expenses in Statement 2 have been expanded to provide more details.
