Plan for 2015-16

# Statement from the Minister

*The Honourable Don McMorris*

*Minister Responsible for the  
Saskatchewan Liquor and  
Gaming Authority*

I am pleased to present the Saskatchewan Liquor and Gaming Authority's (SLGA) plan for 2015-16. Government's Direction and Budget for 2015-16 is focused on *Keeping Saskatchewan Strong*, balancing building for the future with fiscal responsibility.

SLGA's 2015-16 Plan focuses on continuous improvement across the organization with the goal of advancing both customer service and financial performance. SLGA's net income is essential to providing sustainable funding in support of Government programs and services and this Plan is committed to promoting financial growth in a socially responsible manner. The Plan supports stronger collaboration with partners and stakeholders and allows new business opportunities by furthering private sector involvement in the Province's blended retail liquor network. Improving efficiency and effectiveness of program delivery and promoting a safe and engaged workforce will continue to be key priorities in 2015-16.

I am committed to report on the progress made towards this plan in the 2015-16 Annual Report, and I look forward to the opportunity to further our Government's commitment to *Keeping Saskatchewan Strong* through strategies that support sound economic growth and shared prosperity.

# Response to Government Direction

The Government of Saskatchewan is committed to *Keeping Saskatchewan Strong*. The province faces challenges due to volatile resource revenue; however, Saskatchewan's economy is diverse and resilient. There are strengths in many sectors from agriculture and manufacturing to resources such as potash and uranium.

With controlled spending and continued support for the conditions necessary for economic growth, the Government will meet the needs of our growing province. Investments in people and infrastructure continue to support Government's commitment to establishing Saskatchewan as the best place to live, to work, to start a business, to get an education, to raise a family and to build a life.

# Financial Summary

SLGA's 2015-16 financial plan supports the organization's key strategies that are designed to assist Government in achieving its plan for *Keeping Saskatchewan Strong*. The main financial outcome for SLGA is its net income target which consists primarily of the following components: provincial VLT revenues, Saskatchewan Indian Gaming Authority (SIGA) net income and profits from the retail liquor sector.

SLGA's net income is essential to supporting broader provincial objectives. For 2015-16, SLGA is budgeting net income of \$500.0 million. SIGA net income is forecast at \$77.0 million and VLT net income is budgeted at \$178.4 million. Continuing market growth in beverage alcohol is expected to net SLGA \$295.2 million from the retail liquor sector. The net income from these areas is offset by the net cost of licensing, regulation and support in both the liquor and gaming areas of \$50.6 million.

Overall, SLGA's capacity to continue to generate additional revenues is impacted by a variety of economic variables, weather and public policy choices. Maintaining a balance between revenue generation and social responsibility is key to SLGA's success in supporting government goals.
