Resident and Family Council meeting:

- 17 residents attended
- One family member attended
- Support services manager in attendance
- Introduction to meeting stated purpose very clearly and read the Residents' Rights (one resident asked for clarification on one of the rights which was provided)
- Asked very specific questions about the care, food, laundry etc.
- Beefs and bouquets

What is working well:

- Excellent care – “don’t know how it could get any better”
- Good food
- Cleanliness of building good and laundry good
- Activities are great – really like bingo
- Nice frames for photo of resident on door

Please describe areas for improvement as identified through the facility visit and discussions with residents and families:

- Would like to see the outside courtyard completed so they can sit outside more – will be completed over summer.
- Family member raised concern about the front entrance becoming a storage area and not being very appealing to look at. Concern was noted and followed up – entrance was cleaned up.
- Maintenance concern about missing window handle in one room.
- One resident gave bouquet to one of the nurses and also complained about another that doesn't smile and is sharp when speaking to residents – nurse manager to follow-up.
- Residents raised concerns about calls not being answered in a timely manner between 6:00-6:30 pm. – the nurse manager would look into this.

Please describe what is working well as identified through the facility visit and discussions with residents and families:

Resident meeting and Family Council meetings held separately. This is the only facility handling this in this fashion. Perhaps it allows for more focused discussion.

Family meeting:

- Seven family members present.
- Support Services manager, head cook also in attendance
- Outlined Residents' Rights and shared poster
- Discussed metrics that are being reviewed – restraint use and use of antipsychotics
- Every effort made to ensure residents are getting meals that they like and residents or family members can discuss directly with kitchen staff (i.e. one resident would prefer real cream)

What is working well:

- Very appreciative of youth volunteers (school initiative)
- Appreciate the discussion on meals and taking into consideration preferences of residents
- Nice frames for photo of resident on door

Please describe areas for improvement as identified through the facility visit and discussions with residents and families:

- Landscaping appearance
- Second story windows are not being washed – Support services managers identified that this is a safety issue for staff that needs to be considered but will look into options
- Water leak in roof identified
- E section – temperature extremely hot – referred to Director Support Services
- Shortage of resident lifts – support services manager explained the overhead lifts and tracking in rooms

Revised 2015

Resident Meeting

- Well attended by residents
- Support services manager attended
- Discussed food options
- Asked about concerns with each department
- Fun meeting – residents very engaged

What is working well:

- Liked that the concern raised about bacon being too salty was dealt with quickly and the new product is better.
- Care is good – like the baths
- Happy with housekeeping, food, activities
- Residents gave the staff lots of compliments
