Dear Mr. Epp:

Re: Athabasca Health Authority

I am writing further to the Government of Saskatchewan's request on July 26, 2012 asking that KPMG consent to the Government posting a redacted electronic copy of our summary report of Athabasca Health Authority on the Ministry of Health's website. We understand from our discussions that the Government has satisfied itself that any privacy and other concerns have been addressed in the redactions it has applied.

On the basis of the email and our foregoing understanding, KPMG consents to the Government posting the redacted version of our July 26, 2012 summary report sent to the Government by email on August 2, 2012.

Yours very truly,

Peter Armstrong
