

# 2019 Fire Prevention Week

## Children's Program

Public Safety Division is offering free materials that Saskatchewan Fire Services can use to promote Fire Prevention Week to elementary students in their community.

### What is the Children's Program?

The Children's Program is a fun-filled activity for school children in kindergarten to Grade 3 that can be used to help them learn fire prevention and safety. The program provides children's Fire Safety Activity booklets and ready-made lesson plans for classroom teachers.

### How do I run this program?

All you have to do is notify the schools in your area about the activity booklets and deliver them to grade K-3 classrooms during Fire Prevention Week. The children's program includes a letter to the teacher and to the family providing information on staying safe from fire.

### How do I get my free program?

- ☐ Estimate the number of grade K-3 school children in your community.
- ☐ Complete the form on the next page and fax or email it to the Government of Saskatchewan at 306-787-1694 or [tamie.vandeven@gov.sk.ca](mailto:tamie.vandeven@gov.sk.ca) before **August 31, 2019**.

By early September your order will be shipped free of charge to the name and address listed on the form. As well, you will receive an email by early September that contains the family letter, teacher letter and a lesson plan for the teacher.

For more information, contact Tamie Vandeven, Public Safety Division at [tamie.vandeven@gov.sk.ca](mailto:tamie.vandeven@gov.sk.ca) or call 306-798-8062.
